A recipient of EPA’s Children’s Environmental Health Excellence Award in 2006, Eco-Healthy Child Care® (EHCC) is a national program that seeks to improve the environmental health of children by partnering with child care professionals to eliminate or reduce environmental health hazards found in child care facilities. Originally created by the Oregon Environmental Council in 2005, EHCC is now managed by Children’s Environmental Health Network.

For more information about the Eco-Healthy Child Care® program, visit www.cehn.org/ehcc or call 202-543-4033 ext. 13.
