SUPPLEMENTARY INFORMATION: Telecommunications Service Priority (TSP) is authorized by E.O. 12472, E.O. 13618 and 47 CFR part 64. The DHS Office of Emergency Communications (OEC) uses the TSP Program to authorize national security and emergency preparedness organizations to receive priority treatment for vital voice and data circuits or other telecommunications service, under National Security or Emergency Preparedness telecommunications (NS/EP). The TSP Program provides service vendors a Federal Communications Commission (FCC) mandate to prioritize requests by identifying those services critical to national security and emergency preparedness. A TSP assignment ensures that it will receive priority attention by the service vendor before any non-TSP service.

Four broad categories serve as guidelines for determining whether a circuit or telecommunications service is eligible for priority provisioning or restoration. TSP service user organizations may be in the Federal, State, local, or tribal government, critical infrastructure sectors in industry, non-profit organizations that perform critical NS/EP functions, or foreign governments. Typical TSP service users are responsible for the command and control functions critical to management of and response to NS/EP situations, particularly during the first 24 to 72 hours following an event. Information to request a priority, to obtain a sponsor for requesting a priority, and for other administrative requirements of the program is required from any person or organization having an NS/EP service for which they wish priority restoration from the vendor providing the service. Information is also required to allow immediate installation of a new service to support NS/EP requirements. Information is required from vendors to allow the OEC to track and identify the telecommunications services that are being provided priority treatment. The forms used are the SF314 (Revalidation for Service Users), SF315 (TSP Request for Service Users), SF317 (TSP Action Appeal for Service Users), SF318 (TSP Service Confirmation for Service Vendors), and the SF319 (TSP Service Reconciliation for Service Vendors). The SF314 is for users to request that their existing TSP codes be revalidated for three more years. The SF315 is used to request restoration and/or provisioning for an organization’s critical circuits. The SF317 is for organizations to appeal the denial of TSP restoration and/or provisioning. The SF318 is for service vendors to provide circuit ID information associated with TSP codes they’ve been given by their customers. The SF319 is for service vendors to provide data to the program office in order to reconcile their TSP data with the TSP database. Participants request TSP priorities via email in order to reduce the use of the paper forms. The paper forms will also be available for download via the TSP home page. There have been no changes to the information being collected. The burden for the SF315 Form has increased due to better estimates, and the annual cost burden to respondents and annual government cost has increased due to increased wage rates and compensation factors.

This is a renewal of an information collection. OMB is particularly interested in comments that:

SUPPLEMENTARY INFORMATION:

Background

Section 604 of the Manufactured Housing Improvement Act of 2000 (Pub. L. 106–569) amended the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. 5401–5426) (Act) to require the establishment of the MHCC, a federal advisory committee, to: (1) Provide periodic recommendations to the Secretary to adopt, revise, and interpret the manufactured housing construction and safety standards; and (2) to provide periodic recommendations to the Secretary to adopt, revise, and interpret the procedural and enforcement manufactured housing regulations, including regulations specifying the permissible scope and conduct of monitoring. The Act authorizes the Secretary to appoint a total of twenty-two members to the MHCC. Twenty-one members have voting rights; the twenty-second member represents the Secretary and is a non-voting position. Service on the MHCC is voluntary. Travel and per diem for meetings is provided in accordance with federal travel policy pursuant to 5 U.S.C. 5703.

HUD seeks highly qualified and motivated individuals who meet the requirements set forth in the Act to serve as voting members of the MHCC for up to two terms of three years. The MHCC expects to meet at least one to two times annually. Meetings may take place by conference call or in person. Members of the MHCC undertake additional work commitments on subcommittees and task forces regarding issues under deliberation.

Nominee Selection and Appointment

Members of the Consensus Committee are appointed to serve in one of three member categories. Nominees will be appointed to fill voting member vacancies in the following categories:

1. Producers—Seven producers or retailers of manufactured housing.
2. Users—Seven persons representing consumer interests, such as consumer organizations, recognized consumer leaders, and owners who are residents of manufactured homes.
3. General Interest and Public Officials—Seven general interest and public official members.

The Act provides that the Secretary shall ensure that all interests directly and materially affected by the work of the MHCC have the opportunity for fair and equitable participation without dominance by any single interest; and may reject the appointment of any one or more individuals in order to ensure that there is not dominance by any single interest. For purposes of this determination, dominance is defined as a position or exercise of dominant authority, leadership, or influence by reason of superior leverage, strength, or representation.

Additional requirements governing appointment and member service include:

(1) Nominees appointed to the User category, and three of the individuals appointed to the General Interest and Public Official category shall not have a significant financial interest in any segment of the manufactured housing industry; or a significant relationship to any person engaged in the manufactured housing industry.

(2) Each member serving in the User category shall be subject to a ban disallowing compensation from the manufactured housing industry during the period of, and during the one year following, his or her membership on the MHCC.

(3) Nominees selected for appointment to the MHCC shall be required to provide disclosures and certifications regarding conflict-of-interest and eligibility for membership prior to finalizing an appointment. All selected nominees will be required to submit certifications of eligibility under the foregoing criteria as a prerequisite to final appointment.

Consensus Committee—Advisory Role

The MHCC’s role is to solely advise the Secretary on the subject matter described above.

Federal Advisory Committee Act

The MHCC is subject to the requirements of the Federal Advisory Committee Act (5 U.S.C. Appendix), 41 CFR parts 101–6 and 102–3 (the FACA Final Rule), and to the Presidential Memorandum, dated June 18, 2010, directing all heads of executive departments and agencies not to make any new appointments or reappointments of federally registered lobbyists to advisory committees and other boards and commissions. The June 18, 2010, Presidential Memorandum authorized the Director of the Office of Management and Budget (OMB) to issue guidance to implement this policy. On August 13, 2014 (79 FR 47482), OMB issued guidance regarding the prohibition against appointing or reappointing federally registered lobbyists to clarify that the ban applies to persons serving on advisory committees, boards, and commissions in their individual capacity and does not apply if they are specifically appointed to represent the interests of a nongovernmental entity, a recognizable group of persons or nongovernmental entities (an industry sector, labor unions, environmental groups, etc.), or state or local governments.

Term of Office

Consensus Committee members serve at the discretion of the Secretary or for a three-year term and for up to two terms.

Nominee Information

Individuals seeking nomination to the MHCC should submit detailed information documenting their qualifications as addressed in the Act and this Notice. Individuals may nominate themselves. HUD recommends that the application form be accompanied by a resume.
Additional Information

The Department will make appointments from nominations submitted in response to this Notice. Also, individuals that applied earlier this year do not need to re-apply; pursuant to this notice those applications are on file and may be considered for future appointments. To be considered for appointment to a position of an MHCC member whose term expires in December of 2018, the nomination should be submitted by November 16, 2018. Appointments will be made at the discretion of the Secretary.

Dated: October 10, 2018.

Vance T. Morris,
Special Assistant to the Assistant Secretary for Housing-Federal Housing Commissioner.
