SUMMARY OF STANDARDS FOR DYS FACILITIES FOR SUPPLEMENTAL INCOME RECIPIENTS

The Keys Amendment, Section 1616(e) of the Social Security Act (42 USCA § 1382e), requires each state to publish summaries of standards for institutions, foster homes, or group living arrangements in which (as determined by the State) a significant number of recipients of supplemental security income benefits resides or is likely to reside. Such standards shall govern admission policies, safety, sanitation, and protection of civil rights.

Standards for all facilities and institutions licensed by DYS are published in the Alabama Administrative Code, available online at:
<http://www.alabamaadministrativecode.state.al.us/docs/ys/index.html>. In addition, the DYS Operations Manual includes standards for DYS institutions and contract facilities covering civil rights, sanitation; admissions, safety, and other needs of individuals, and can be obtained by contacting DYS Legal Division, P.O. Box 66, Mt. Meigs, AL 36059.
