What's New

CNA e-Tool P282 Release

U.S. Department of Housing and Urban Development

December 19, 2025

Enhanced Submission Process with Added Progress Tracking (Release Date: 12/19/2025): In this release, the system now provides real-time progress updates during submission validation, giving users clear visibility into the status of assessment submissions. Users can now view submission progress and be informed immediately if any issues arise.

Refactored Backend Submission Processes (Release Date: 12/19/2025): In this release, the backend submission processes have been refactored to prevent timeout errors during large submissions.

Improved Consistency Between ADRR Adjustments and Annual Deposits (Release Date: 12/19/2025): In this release, the ADRR adjustment column on the Reserve for Replacement page has been aligned with the Annual Deposit figures in the Financial Schedule.

508 Standard Compliance Update (Release Date: 12/19/2025): This release enhances Section 508 compliance by adding accessible names to elements on the Components/Alternatives/Recs page, the expanded Alternatives Definition(s) section, and the submission box, improving screen reader support.
