Keys Section  
2518 Robert M. Ball Building

Dear Mr. Logan:

This letter will serve as the State of Connecticut's certification of the Keys Amendment Compliance for Federal Fiscal Year 2024.

The Department has requested appropriate updates to regulations and policy from State agencies that establish standards for residential facilities where significant numbers of SSI recipients reside or are likely to reside. To date, participating agencies have reported that no changes have been made in relevant regulations.

In accordance with Section 1616(e) of the Social Security Act, the Department will make a summary of the standards available for public review. Also, each participating agency will make available to interested individuals a copy of the standards, enforcement procedures, lists of waivers and violations, if any, upon request.

If you require additional information concerning this certification, please contact Peter Hadler at [peter.hadler@ct.gov](mailto:peter.hadler@ct.gov)

Sincerely,

Andrea Barton Reeves  
Commissioner
