

## TRACS Release 203A System Requirements Sessions

This is an invite for the TRACS Industry Working Group sessions to finalize the Tenant Rental Assistance Certification System (TRACS) specifications for The Housing Opportunity Through Modernization Act of 2016 (HOTMA) enacted on July 29, 2016.

The final rule revises HUD regulations to implement Sections 102, 103, and 104 of HOTMA. These sections make sweeping changes to the United States Housing Act of 1937, particularly those affecting income calculation and reviews.

The Office of Multifamily Housing Programs is soliciting your thoughts on the TRACS Release 203A specifications and HUD form changes; please bring any questions about the HOTMA Final Rule published in the Federal Register on February 14, 2023:
