2518 Robert M. Ball Building
6401 Security Boulevard
Baltimore, MD 21235

Dear Mr. Logan:

This letter serves as formal notification that the State of Idaho is in compliance with Section 1616(e) of the Social Security Act (the Keys Amendment) for federal fiscal year (FFY) 2024. The Keys Amendment is designed to assure the development of state standards for safe and appropriate residential settings as an alternate to institutional placement.

Within Idaho, there are two (2) primary non-institutional settings—residential care or assisted living facilities (RALF), and certified family homes (CFH). There have been no new standards and enforcement procedures implemented for either the RALF or CFH programs since our last submission. My point of contact for the licensure or certification of these providers is:

Laura Stute, Administrator
Division of Licensing & Certification
P.O. Box 83720
Boise, ID 83720-0009

Residential Care or Assisted Living Facilities (RALF)

There are 221 licensed RALF's within the State of Idaho. Written guidelines for RALF's are found in state statute (Idaho Code, Title 39, Chapter 33) and in rule (Idaho Administrative Procedures Act 16.03.22), both are available to the public. Facilities range from serving six to 152 residents.

These facilities are regularly surveyed and inspected by the Department's Licensing & Certification division. Survey results are available at www.assistedliving.dhw.idaho.gov. There were no RALF license revocation or suspensions for failure to meet state standards in FFY 2023.

Certified Family Homes (CFH)

There are 2,551 CFH's within the State of Idaho. Written guidelines for CFH's are found in state statute (Idaho Code, Title 39, Chapter 35) and in rule (Idaho Administrative Procedures Act 16.03.19), both are available to the public. Homes range from serving one (1) to four (4) residents each.

These homes are inspected annually by the Department's Licensing & Certification division. Survey results are available upon request. There were 11 CFH's that had their certificates suspended and/or revoked for failure to meet state standards in FFY 2023 (see enclosure 1). One of these actions is currently under appeal.

Please contact Mrs. Stute at (208) 364-1959 should you have any questions concerning this letter or residential facilities in the State of Idaho.

Sincerely,

DEAN CAMERON
Interim Director
Idaho Department of Health & Welfare
