Mr. Scott Logan
Social Security Administration
Office of Income Security Programs, Keys Section
2518 Robert M. Ball Building
6401 Security Boulevard
Baltimore, MD 21235

Dear Mr. Logan:

Thank you for your letter regarding the annual certification of compliance with Section 1616(e) of the Social Security Act (the Keys Amendment.). As the Governor's designee for this provision, I hereby certify that the State of Maryland is in full compliance with the Keys Amendment Section 1616(e) of the Social Security Act and implementing regulations 45 CFR Part 1397.20. Specifically, the State has taken the following action to meet its responsibilities.

The Maryland Department of Health (MDH), the Maryland Department of Human Services (DHS), and the Maryland Department of Aging (MDA) continue to be the authorities designated to establish, maintain, and ensure enforcement of standards for the residential facilities in which a significant number of Supplemental Security Income (SSI) recipients reside or are likely to reside. Maryland annually publishes summaries for standards of each type of facility and the names and addresses of each standard-setting authority from which individuals may request information about full standards, enforcement procedures, waivers and violations of standards.

Each standard-setting authority complies with the requirements of 45 CFR Section 1397.20 by nature of having established standards and procedures for enforcing the standards. Also, each standard-setting authority has made provisions to report any deficient facilities to the Social Security Administration and to maintain and have available, as appropriate, records of facilities.

If you have any questions or require further information, please contact Webster Ye, Chief of Staff, at web.ye@maryland.gov. The State of Maryland remains committed to ensuring that DHS clients are properly cared for and supervised in state licensed facilities.

In service,

Rafael López
Secretary
