BARBARA C. GUINN
Executive Deputy Commissioner

December 29, 2021

Mr. Scott Logan
Social Security Administration
Office of Income Security Programs
Keys Section
2518 Robert M. Ball Building
6401 Security Boulevard
Baltimore, MD 21235

Re: 2022 Keys Amendment Certification

Dear Mr. Logan:

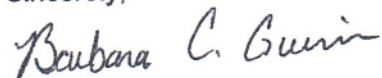

In compliance with the requirements of § 1616(e)(3) of the Social Security Act, the two Offices of the New York State Department of Family Assistance, the New York State Department of Health, and the three Offices of the New York State Department of Mental Hygiene have been identified as the New York State agencies with standard-setting authority for facilities in which a significant number of recipients of supplemental security income (SSI) benefits reside or are likely to reside. The Office of Temporary and Disability Assistance has been designated to prepare and submit the required Certification of Compliance to your Office.

In accordance with the above-referenced designations, the State of New York hereby certifies that it has complied with § 1616(e)(3) of the Social Security Act. It is further certified that:

- 1) As noted above, the two Offices of the Department of Family Assistance, the Department of Health, and the three Offices of the Department of Mental Health have been designated as the standard-setting authorities for facilities in which a significant number of SSI recipients reside or are likely to reside. These agencies establish, maintain, and ensure the enforcement of standards for such residential facilities.
- 2) Each standard-setting authority has made available, without charge to interested individuals, a complete set of standards for each type of facility, the procedures for enforcement, a list of facilities which have been granted waivers of standards and the justifications for such waivers, and a list of facilities which have been found to be in violation of such standards, including the details of each violation.
- 3) A summary of the content of each standard and the name and address of each standard-setting authority have been sent to the appropriate federal agencies.
- 4) Standard-setting authorities report the names and addresses of facilities still in violation of standards at the conclusion of the time period afforded those facilities for correction before residents must move out. Facilities may correct violations until they have exhausted all due process rights to challenge administrative proceedings to decertify facilities.

I trust that the foregoing satisfies the requirement for a factual statement of compliance. In support of this statement, I have attached copies of the assurances secured from each of the standard-setting authorities. If you have any questions or concerns, or if you should require further information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, reading "Barbara C. Guinn".

Barbara C. Guinn
Executive Deputy Commissioner

**ASSURANCE OF COMPLIANCE WITH THE REQUIREMENTS OF
Section 1616 (e)(3) of the SOCIAL SECURITY ACT (KEYS Amendment)**

I, Kristin M. Proud, Acting Executive Deputy Commissioner of the New York State Department of Health, do certify that:

1. This agency supervises the following types of facilities in which a significant number of SSI recipients reside, or are likely to reside:

Adult Homes
Residences for Adults
Enriched Housing Programs

2. This agency has the authority to establish, maintain and enforce standards which provide room, board, and protective oversight for a significant number of SSI recipients. Such authority is derived from Article 7 of the New York State Social Services Law and Article 46-B of the New York State Public Health Law.

3. Standards governing admission, safety, sanitation and protection of residents' rights have been developed. A summary of the standards is attached.

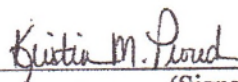

4. Records of violations are maintained for each facility.

5. Records of waivers granted, including the standard waived and a justification for waiving it, are maintained for each facility.

6. Standards, records of violations, waivers, and the procedures used for enforcement are available without charge to interested parties.

7. The Social Security Administration Regional Office is notified of the names and addresses of facilities which are closed because of substantial violations of the standards.

ASSURANCE OF COMPLIANCE WITH THE REQUIREMENTS OF SECTION 1616(e) OF THE
SOCIAL SECURITY ACT

I, Tammy Devine, Acting Deputy Commissioner of the Division of Quality Improvement of the New York State Office for People with Developmental Disabilities certify that:

1. This agency supervises the following types of facilities in which a significant number of SSI recipients reside or are likely to reside:
 - Community-Based Intermediate Care Facilities for Individuals with Developmental Disabilities (ICFs/IDD);
 - Supervised Community Residences (CRs);
 - Supportive CRs;
 - Private Schools for individuals with developmental disabilities;
 - Individualized Residential Alternatives (IRAs);
 - Specialty Hospitals;
 - Family Care Homes; and
 - Integrated Residential Communities.
2. This agency has the authority to establish, maintain and enforce standards for facilities which provide room, board, and protective oversight for a significant number of SSI recipients. Such authority is derived from the New York State Mental Hygiene Law §§13.01, 13.07, 13.09, 13.15, 13.17, 16.01, 16.03, 16.19, 16.21 and 16.23.
3. Standards governing admission, safety, sanitation, and protection of residents' rights have been developed. These standards are contained in the regulations listed in the attachment to this assurance.
4. Records of violation of standards are maintained for each facility.
5. Records of waivers granted, including the standard waived and the jurisdiction for waiving it are maintained for each facility.
6. Standards, records of violations, waivers and the procedures used for enforcement are available without charge to interested parties.
7. The Social Security Administration Regional Office is notified of the names and addresses of facilities which are in violation of the standards.

DATED: December 2, 2021

Tammy Devine
