## **RAD Webinar Registration: RAD Fast Track Process for Non-FHA LIHTC Transactions**

Please join us on **July 22nd from 2:30 to 4:30 pm EDT** for a webinar introducing the RAD Fast Track Process for CHAP awardees currently pursuing tax credits with conventional (non-FHA) financing. The Fast Track for non-FHA LIHTC Transactions is a streamlined process for submitting the Financing Plan after the tax credit award or allocation is received in which the 30, 60, 90 and 150-day CHAP Milestones are consolidated into a single submission. This two-hour webinar will provide attendees with an overview of the Fast Track requirements, timeline, and RAD Resource Desk website functionality for submitting the required documents. We recommend all existing CHAP awardees and their partners attend who are pursuing this type of financing for their RAD conversion, as well as PHAs on the waitlist. The webinar will be recorded.

In order to attend, you must register in advance by clicking on the below link. Upon registration, you will receive a confirmation email containing information about joining the webinar.
