

Rental Assistance Demonstration RADBlast!

RAD Program Updates

As part of the on-going effort to ensure the best interests of residents and PHAs in the successful conversion of projects through the Rental Assistance Demonstration (RAD) program, HUD has posted the following updated program guidance and information:

- HUD has issued a Quick Reference Guide for Public Housing Projects converting to Project-Based Voucher (PBV) Assistance. This guide is the companion to the Quick Reference Guide for PBRA conversions. Both the PBV and PBRA guides can be accessed [here](#).
- HUD has issued new lender riders to the RAD Use Agreement and to the RAD PBV and PBRA HAP Contracts. These riders continue to protect residents' rights and address concerns raised by lenders and investors regarding the foreclosure process. The riders can be accessed [here](#).

Please stay tuned for additional information regarding informational sessions and trainings for PHA and stakeholder partners to discuss this guidance.

If you have any questions about any of the above items, please send them to RAD@hud.gov. Thank you.
