## **New Updates to RAD Quick Reference Guide**

On October 9, 2015, Multifamily posted an updated RAD Quick Reference Guide. The guide provides instructions to owners converting their projects to PBRA authorized under RAD. The updated guide provides information on continuing Family Self Sufficiency (FSS) programs at PBRA properties. As current FSS participants will continue to be eligible for FSS once their housing is converted under RAD, guidance is provided for an owner to obtain the escrow amount by creating a miscellaneous adjustment on the property's HAP voucher. The guide also updates all references to the newly published RAD Notice PIH-2012-32 (HA), REV-2.

The RAD Quick Reference Guide is available on both HUD.gov and the RAD Resource Desk here <http://portal.hud.gov/hudportal/HUD?src=/RAD/library/tools> and here <http://www.radresource.net/> and also attached as a PDF file to this listserv.

Note: This guide does not apply to RAD conversions to Project Based Voucher (PBV) assistance.
