

Rental Assistance Demonstration RADBlast!

CNA eTool Question & Answer Session

HUD will host a webinar on Thursday, January 18 from 2:30-3:30 p.m. EST. This session will be a question and answer forum for public housing authorities and mod-rehab property owners about implementing HUD's [Capital Needs Assessment \(CNA\) e-Tool](#) for non-FHA Rental Assistance Demonstration (RAD) transactions. A previous webinar on December 7, 2017 - "[Using HUD's CNA e-Tool for RAD Transactions](#)" - reviewed these requirements, and the slides, recording, and transcript are posted for review.

HUD encourages interested parties to send known questions about implementing the CNA e-Tool for non-FHA RAD transactions in advance to resourcedesk@radresource.net so they can be best addressed during this webinar.
