

# Rental Assistance Demonstration RADBlast!

## MOD REHAB TALK OFFICE HOURS

Starting on February 8, 2018, HUD's Office of Recapitalization (Recap) will host "Mod Rehab Talk" office hours for Moderate Rehabilitation (Mod Rehab) owners to schedule times to speak with HUD staff one-on-one to discuss their properties, questions about Rental Assistance Demonstration (RAD) conversion, preservation strategies, and the RAD application process. Owners will be able to sign up for individual 30-minute sessions with HUD staff during designated times each week on Tuesdays and Thursdays from 2:00 - 4:00 PM EST. After this initial call, owners who need further consultation and guidance may be referred to TA providers for on-call direct TA.

Sign up today for one of the [30-minute sessions](#). You may also sign up on the [RAD](#) and [Multifamily Housing Preservation](#) pages on the HUD Exchange.

In addition to these scheduled sessions, you are always welcome to contact HUD Recap staff by emailing [rad2@hud.gov](mailto:rad2@hud.gov) at your convenience to discuss your property and RAD conversion questions. We are available and happy to help!
