

RAD for Section 8 Moderate Rehabilitation Properties: Key Facts About the Second Component of the Rental Assistance Demonstration (RAD 2)

Eligible Owners

- Owners of Section 8 (S.8) Moderate Rehabilitation (Mod Rehab) properties, including McKinney Mod Rehab Single Room Occupancy (SRO) properties, can apply at any time. HUD will approve all applications that meet program requirements.

Eligible Properties

- Properties with an active S.8 Mod Rehab Housing Assistance Payments (HAP) contract
- Properties where the S.8 Mod Rehab HAP contract has expired or terminated, with Enhanced Vouchers or Tenant Protection Vouchers issued on or after October 1, 2006
- Properties in compliance with all Fair Housing and Civil Rights requirements
- Projects that meet the minimum physical condition standards

Eligible Units

- All units on the original Mod Rehab contract are potentially eligible for conversion under RAD.
- For Section 8 Project-Based Vouchers (PBV), the units must be occupied within 24 months of the triggering event.

How Do I Apply?

1. Send initial submission of interest to HUD.
2. If PBV, identify a Public Housing Authority (PHA) administrator of the PBV contract.
3. Notify and consult with residents.
 - Notify residents of intent to participate in RAD.
 - Conduct meetings with information about special procedures and individual tenant consent.
4. Create and submit a Financing Plan.
 - Demonstrate long-term physical and financial feasibility, and include a rehabilitation plan.

See Application Process on the following page for details that will get you on your way to preserving and stabilizing your property for long-term viability.

How is RAD 2 Relevant to Section 8 Mod Rehab Properties?

The Problem:

- Limited annual rent increases
- HAP only renewable for 1 year
- Functionally obsolete properties

The Solution: New long-term acquisition and rehabilitation financing

- Change 1-year HAP contract to 15 - 20 years
- Potential rent increases
- Transfer of assistance to a new site permitted
