Dear Mr. Brown:

The Statewide Planning Program, Rhode Island Department of Administration, is the designated state agency responsible for overseeing compliance with the provisions of Section 1616(e) (Keys Amendment) of the Social Security Act. This letter certifies that the State of Rhode Island is in full compliance with those provisions for federal fiscal year 2018.

Previously submitted Rules and Regulations for Licensure of Facilities where Supplemental Security Income (SSI) recipients reside or are likely to reside remain in effect.

Records of the review process are on file at the office of Statewide Planning and available for inspection.

If you have any questions or require additional information, please contact me at the above address, or by phone at (401) 222-1243.

Sincerely,

Vincent Flood  
Supervising Planner
