Dear Mr. Denos:

I am writing to certify that the Commonwealth of Virginia continues to comply with the Keys Amendment, Section 1616 (e) of the Social Security Act.

Agencies that have statutory authority to regulate facilities in Virginia develop and enforce standards for residential facilities where Supplemental Security Income (SSI) recipients reside or are likely to reside. The standards are available for review throughout the regulatory process, as well as upon request by anyone who asks for them. In addition, the Commonwealth’s Registrar of Regulations publishes a compendium of all regulations and makes them available on the Internet.

During the past year, the following regulations were amended:
