Dear Mr. Logan:

The Virginia Department of Social Services, Division of Licensing Programs is the entity designated to report the compliance with the Keys Amendment. I am writing to certify that the Commonwealth of Virginia is in compliance with the Keys Amendment, Section 1616 (e) of the Social Security Act [42 U.S.C. § 1382 e.].

Agencies that have statutory authority to regulate facilities in Virginia are required to develop and enforce standards for residential facilities where recipients of Supplemental Security Income (SSI) reside or are likely to reside. These standards are promulgated as regulations and are available to the public on both the Virginia Town Hall website (<https://townhall.virginia.gov/>) and the Virginia General Assembly website (<https://law.lis.virginia.gov/admincode>). The various stages of regulatory review and approval are posted on the Town Hall website as well as the Virginia Register of Regulations website (<http://register.dls.virginia.gov/process.shtml>).

During the past year, the following regulations were amended:

Department	Regulation Title and Website Location
