

FHA Catalyst Claims Bulk XML Instructions for ML 2025-12 & ML 2025-14 (New Loss Mitigation Waterfall)

NOTICE: Starting October 1, 2025, the New Permanent Loss Mitigation Options will be required per ML 2025-12 and ML 2025-14. The new XML Version 1.9 [Bulk Claim Input 1.9.xsd](#) will be needed to submit claims for these new loss mitigation options. The current production XML schema (version 1.8) will still be compatible for some submissions.
