Lassell, Joy	10/5/2021	I am in desperate need after 2 years of contact from multiple sources trying to locate my property surveyors report that at closing in 2003 the Dyers presented the inspection and Surveyors report which I excepted as valid without dispute not requiring my own Inspection and Surveyors reports. The companies Guarantee Land Title and the Insurer Lawyers Title Insurance in Richmond, Virginia have both gone out of business and my original home loan papers are unobtainable. Lawyers Title A82-0213825 policy# Guarantee Land Title is also out of business. I require the homes information at the day of closing as described to me by all present that my home sat on City of Columbia, MO land and then my .934 acres of land from the fence to the center of the creek was in Boone County, commercial county land with a covenant on the county land to remain wildlife which I have a copy of the covenant. The issue is the wording, in the Township of Boone County not being read as it is county property that is in Boone County. The surveyors report shows and states that it was commercial county wildlife property as was 9 of my neighbors also waiting on this paperwork who were required to purchase the land all at one time. The gentleman who has passed who owned the land behind all 9 of our homes would not sell unless all 9 people purchased at the same time and all agreed to the covenant to keep the land wildlife without any structures ever to block the view or take the home of wild animals, it is why I purchased this property, the front was city but the land was county and to be untouched beauty. It was a diamond in the rough, nature within a city area. All 9 houses should have been flagpoled and left	22-FI-HQ-00016	4/8/2022	Other Reasons - Request Withdrawn

Gallucci, Jeff	11/9/2021	Please send me the paperwork for this lien on my home pertaining to FHA/VA Case No. 4126188484703. I was supposed to close on the refinance of my home on 11/5/21. On 11/1 the bank notified me that there was a lien on my home? This is something that took my wife and me by surprise. Back in 2013, we were in contact through Bank of America to do a home modification. Lower the interest and payment, extend the loan. NO money was talked about. We were two payments behind and at most totaled about \$2000. Why is there a \$27000 lien on my home? There was no talking to anyone. This was all done by mail. They sent us the paperwork and we sent it back. No statements, no communication, no knowledge we had almost \$30000 hanging over our head. Things with this do not add up. Under the fee section on the website, it states up to 100 pages are free. I will ask to have any fees associated with this request to be waived.	22-FI-HQ-00215	1/6/2022	Other Reasons - Improper FOIA Request for Other Reasons

MOORE, LYNETTE	11/10/2021	I am requesting information regarding a complaint I made against the apartments I reside in . It was because I payed my rent for the months of March, April, May, June, July, August, September, and October of 2021, however I applied for The Housing is Key rental assistance program. The program paid my rent for the months of March, April, May, June, July, August, and September. So that is seven months that the apartments received double rent, however they are not giving me any credit towards future rent. So they are double dipping. I recieved a call from someone within your organization whom took down all the information and informed me to get all my information together as far as my receipts for rent paid in those months , she also informed that was fraud against the Treasury Department. I have my receipts and I am wondering what is the update. (Date Range for Record Search: From 10/12/2021 To 11/10/2021)	22-FI-RO9-00225	11/22/2021	Other Reasons - Request Withdrawn

Woocher, Jacob	11/22/2021	Application from Housing Authority of the City of Los Angeles (HACLA) for federal funds for NORMONT TERRACE redevelopment. I'm looking for any applications submitted by the Housing Authority for the City of LA for federal funds to redevelop Normont Terrace, which was a public housing project. Normont Terrace was torn down and replaced by Harbor Village. I believe in 1996 HUD provided a loan to HACLA, or to the developers, to help finance the project. This loan apparently was for \$5.9 million. There may have also been earlier applications by the Housing Authority to get federal funds. Again, this is for a public housing redevelopment. I don't know if they applied for HOPE VI funds specifically, or only for other sources. The project was being planned all throughout the 1990s and the actual demolition and redevelopment began in 1995 onward. Truitt, Sherrie	11/22/2021	When Bennie Howard was Acting Director of the Office of Disability Policy at the U.S. Department of Housing and Urban Development he made a video designed to raise public awareness about how multiple chemical sensitivity affects the lives of thousands of Americans every day. It it he states "Federal laws--specifically the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act--prohibit discrimination on the basis of disability. HUD considers multiple chemical sensitivity to be a disability under these laws. Despite this coverage, the Department continues to receive many telephone calls and correspondences from people with multiple chemical sensitivity who report that their landlords refuse to reasonably accommodate their disability. If you, or anyone you know, believes that they have suffered housing discrimination because of their disability, please contact the HUD office nearest you. Fair Housing is not an option. It's the law." I am looking for this video or transcript. If there is possibly any internal/external communication he put out in regards to this disability or disabled population and what HUD is doing for them, I'm interested in obtaining. Here is a posting about it on the Chemical Sensitivity Foundations page: https://www.chemicalsensitivityfoundation.org/bennie-howard-multiple-chemical-sensitivity.html?fbclid=IwAR2VR1BWvR6IrwSMRI VpqM0QQ9os8aFtUixajTaqwm6B9vs8xE0SxClis5s	22-FI-HQ-00277	6/6/2022	Other Reasons - Request Withdrawn

Gillette, Deborah	12/7/2021	<p>In 2008, the Honesdale Revitalization, Inc. d/b/a Greater Honesdale Partnership, EIN 23-2682245, received a HUD grant in the amount of \$300,000 to purchase a building to utilize as an office. They purchased 25% of our building, located at 32 Commercial Street in Honesdale Borough, Wayne County in Pennsylvania. \$200,000 was used for the purchase, and \$100,000 to fit out their office space. The Greater Honesdale Partnership now wants to relinquish their 25% ownership of the building. We are looking for the final grant document between HUD and the Greater Honesdale Partnership that outlines the long term or ongoing obligations of the grant. Would all or part of the \$300,000 have to be repaid to HUD if they no longer own a portion of the building? The grant was part of appropriations through former US Congressman Chris Carney. The grant was awarded in 2008 and they purchased the 25% of the building in June 2011. We have reached out to Congressman Matt Cartwright's office. The Library of Congress does not have record of the grant. We were instructed to fill out at FOIA for deep search for the final grant document.
