Subject Update to Property Inspection Fees

Purpose This Mortgagee Letter (ML) updates inspection fees for Property Preservation and Protection.

Effective Date The provisions of this ML may be implemented immediately.

All updates will be incorporated into a forthcoming update of the HUD Handbook 4000.1, *FHA Single Family Housing Policy Handbook* (Handbook 4000.1).

Affected Programs The provisions of this ML apply to all FHA Title II Single Family mortgage programs.

Background HUD requires mortgagees to perform property inspections to determine occupancy status, ascertain property condition and to maintain property preservation. Property inspections ensure the condition of FHA-insured properties do not contribute to neighborhood blight but support vibrant communities while safeguarding the Mutual Mortgage Insurance Fund. HUD recognizes that FHA's reimbursable expenses for inspection costs have not kept up with industry costs. Through this ML, HUD is increasing the allowable inspection fees to align with industry standards.

HUD will continue to review its maximum property preservation allowances to ensure the allowable fees align with industry standards.

Summary of Changes

This ML updates Appendix 7.0 – Property Preservation Allowances and Schedules (Applies to Servicing Only) for property inspections.
