I. DOING BUSINESS WITH FHA

A. FHA LENDERS AND MORTGAGEES

The Doing Business with FHA section in this *FHA Single Family Housing Policy Handbook (SF Handbook)* covers Federal Housing Administration (FHA) approval and eligibility requirements for both Title I lenders and Title II Mortgagees, as well as other FHA program participants. The term “Mortgagee” is used throughout for all types of FHA approval (both Title II Mortgagees and Title I lenders) and the term “Mortgage” is used for all products (both Title II Mortgages and Title I loans), unless otherwise specified.

A Mortgagee must fully comply with all of the following approval and eligibility requirements in order to be approved by FHA to participate in the origination, underwriting, closing, endorsement, servicing, purchasing, holding, or selling of FHA-insured Title I or Title II Mortgages.

The requirements outlined below in subsections 1 through 9 apply to both Single Family (one-to four-units) and Multifamily Mortgagees. If there are any exceptions or program-specific requirements that differ from those set forth below, the exceptions or alternative program requirements are explicitly stated or hyperlinked to the appropriate guidance. Terms and acronyms used in this *SF Handbook* have their meanings defined in the [Glossary and Acronyms](#) and in the specific section of the *SF Handbook* in which the definitions are located.

If only one institution is unconditionally DE-approved, then the management and staff involved with that Mortgagee's Unconditional DE authority prior to the merger, acquisition, or reorganization must continue to exercise those responsibilities for the new Mortgagee.
- Both Mortgagees have claim and default rates at or below the 150 percent national compare ratio. If only one institution is unconditionally DE-approved, then only that Mortgagee's claim and default rate is to be considered.

(a) Case Binder Submission

The Mortgagee must submit all Test Case files to the Jurisdictional HOC associated with the Mortgagee's home office.

Mortgagees who receive a DE program Test Case approval letter from HUD's HOC must submit all Test Case binders for review post-closing. The HOC will perform a review for compliance with FHA underwriting and closing guidelines. Review results will be documented in accordance with the [Title II Loan Reviews/Findings](#) section of this *SF Handbook*, and Mortgagees must respond to requests using the functions provided in the [Loan Review System](#).

The HOC will issue either a Firm Commitment (approval) or Firm Reject (denial) via a Notice of Return (NOR). Once a Firm Commitment is issued, the HOC will process the case for endorsement. If a NOR is issued, the Mortgagee must make all necessary corrections and provide all required documentation to the HOC using the [Loan Review System](#) before the Mortgage can be endorsed.

(b) Test Case Underwriting Report

Mortgagees who receive a DE Program Test Case approval letter from HUD's HOC must review all Test Case results in the [Loan Review System](#).

FHA will provide the Mortgagee with written notice of a denial of Unconditional DE authority that specifies the reason for the denial.

(ii) Denial Appeal

The Mortgagee may appeal this denial by requesting an informal conference. The Mortgagee must submit its appeal in writing to the HOC that processed the Test Cases. The HOC must receive the appeal within 30 Days of the date of the notice of denial.

(iii) Informal Conference

FHA will conduct an informal conference with the Mortgagee and its counsel, if any, no later than 60 Days from the date of the denial.

(iv) Determination

FHA will issue a determination in writing following the informal conference stating whether Unconditional DE authority is approved or denied.

(v) Appeal Following Informal Conference

The Mortgagee is not entitled to any meeting or informal conference with the DAS or the designee. The Mortgagee will be notified in writing of the decision of the DAS or the designee. The decision of the DAS or the designee constitutes final agency action.

(c) Reapplication Following Denial

Any Mortgagee who is denied Unconditional DE authority will not be permitted to reapply until it has:

This notification letter will give the applicant 15 Days from the date on the letter to correct any deficiencies. If the applicant does not satisfy the outstanding requirement in its entirety and within the prescribed deadline, the approval will be denied and the applicant must wait an additional 90 Days before reapplying.

FHA will inform the applicant if they are approved for placement on the [FHA 203\(k\) Consultant Roster](#). Inclusion of a Consultant on the Roster means only that the Consultant has met the qualifications. It does not create or imply a warranty or endorsement by FHA of the Consultant, nor does it represent a warranty of any work performed by the Consultant.

Consultant Identification Number

Each prospective Consultant who is approved will be provided a Consultant Identification (ID) number and will be informed of their [recertification](#) due date. The Consultant ID number is required prior to doing any Consultant work associated with any

4. Nonprofits and Governmental Entities

a. Program Overview

FHA requires all nonprofits to obtain approval and be placed on the HUD [Nonprofit Roster](#) to participate in FHA's Single Family nonprofit programs.

I. DOING BUSINESS WITH FHA
B. Other Participants
4. Nonprofits and Governmental Entities

Nonprofits participating in one of FHA's nonprofit programs must serve Low- to Moderate-Income individuals or families. Low- to Moderate-Income individuals or families refer to individuals or families whose household income does not exceed 115 percent of the median income for the area when adjusted for family size. The Jurisdictional Homeownership Center (HOC) may approve a higher percentage of up to 140 percent.

i. Types of Single Family Nonprofit Programs

(A) HUD Homes

(1) Discounted Purchase

Governmental Entities and HUD-approved Nonprofits are permitted to purchase homes from HUD at a discount.

(2) Exclusive Listing Period

Governmental Entities and HUD-approved Nonprofits are permitted to purchase Properties, without a discount, during the exclusive listing period for owner occupant purchasers.

(B) FHA Mortgagor

Governmental Entities and HUD-approved Nonprofits are eligible for the same [FHA-insured financing](#) as owner occupants.

After approval, nonprofits are still required to obtain [credit qualification](#) from a Mortgagee for each Mortgage originated.

(C) Secondary Financing

Governmental Entities and HUD-approved Nonprofits may provide secondary financing assistance to homebuyers utilizing FHA insurance on a first Mortgage when that assistance is secured with a second Mortgage or lien.

Additional information on [Secondary Financing](#) can be found in the Origination through Post-Closing/Endorsement section of this *SF Handbook*.

ii. Entities Requiring Approval to Participate in FHA Nonprofit Programs

(A) Nonprofits with 501(c)(3) Tax-Exempt Status

A nonprofit organization must have 501(c)(3) Internal Revenue Service (IRS) tax-exempt status.

When a nonprofit closes secondary financing in its own name, that nonprofit is required to be both FHA approved and placed on the HUD [Nonprofit Roster](#) even if the secondary financing will be held by the Governmental Entity.

(B) Nonprofit Instrumentalities of Government

(1) Definitions

A Nonprofit Instrumentality of Government (NPIOG) refers to a 501(c)(3) organization that was established by a governmental body or with governmental approval or under special law to serve a particular public purpose or designated as an instrumentality by law (statute or court opinion). FHA requires the unit of government that established the nonprofit to exercise Organizational Control, Operational Control or Financial Control of the nonprofit in its entirety or, at minimum, the specific homebuyer assistance program that is using FHA's credit enhancement.

Organizational Control refers to the majority of the governing board and/or Principal Officers that are named or approved by governmental body/officials.

Operational Control refers to the requirement that the government body approves all major decisions and/or expenditures.

Financial Control refers to the requirement that the government body provides funds through direct appropriations, grants, or Loans, with related controls applicable to all activities of the Entity.

HUD-approved NPIOGs will be included on FHA's Nonprofit Organization Roster.

(2) Permitted Level of Secondary Financing Assistance

FHA may approve an NPIOG to provide secondary financing for as much as 100 percent of the Borrower's Minimum Required Investment (MRI). If approved, FHA will issue the NPIOG an approval letter, and this approval will be reflected on the FHA Nonprofit Organization Roster and in FHAC. Interested Parties should check the Roster to ensure the approval status of an NPIOG.

(C) Section 115 Entities with 501(c)(3) Status

Section 115 Entities with 501(c)(3) status must meet the eligibility and application requirements for the HUD Homes and FHA Mortgagor programs.

iii. Entities Not Requiring FHA Approval to Participate in FHA Nonprofit Programs

FHA approval and placement on the HUD Nonprofit Roster are not required for federal, state, or local government agencies or their instrumentalities, provided those Entities are not organized as 501(c)(3) nonprofits.

(A) Governmental Entities and their Instrumentalities of Government

Governmental Entity refers to any federal, state, or local government agency or instrumentality. To be considered an Instrumentality of Government, the Entity must be established by a governmental body or with governmental approval or under special law to serve a particular public purpose or designated by law (statute or court opinion). HUD deems Section 115 Entities, as identified in Section 115 of the Internal Revenue Code, to be Instrumentalities of Government for the purpose of providing secondary financing.

FHA does not maintain a list of Governmental Entity program participants.

(B) Nonprofits with a Documented Agreement to Support Secondary Financing

When a Governmental Entity uses a nonprofit to assist in the operation of the Governmental Entity's secondary financing assistance programs, FHA approval and placement on the HUD Nonprofit Roster are not required so long as there is a documented agreement indicating (1) the functions performed include the Governmental Entity's secondary financing program and (2) the secondary financing legal documents (e.g., Note and deed of trust) name the Governmental Entity as the Mortgagee.

Governmental Entities that have nonprofits close the secondary financing in the name of the nonprofit must verify that the nonprofit is both FHA approved and on the [HUD Nonprofit Roster](#).

Refer to [Prohibited Sources of Minimum Cash Investment Under the National Housing Act - Interpretive Rule](#) for additional guidance and clarification on the provision of downpayment assistance through secondary financing.

(C) Section 115 Entities

Section 115 Entities, as identified in Section 115 of the Internal Revenue Code, do not require approval to participate in FHA's Nonprofit Secondary Financing program. Section 115 Entities are not required to have voluntary board members. FHA considers Entities that have both 501(c)(3) and Section 115 status to be Instrumentalities of Government for purposes of secondary financing only.

iv. Ineligible Participants

The nonprofit or any officer, partner, director, principal or employee must not be:

- suspended, debarred, excluded from participation in FHA programs as listed in a [Limited Denial of Participation \(LDP\)](#), System for Award Management (SAM) (www.sam.gov) Excluded Parties List, or [Credit Alert Verification Reporting System \(CAIVRS\)](#), or otherwise excluded by similar procedures of any other federal or state agency;

4. Nonprofits and Governmental Entities

- indicted for, or convicted of, an offense which reflects upon the responsibility, integrity, or ability of the nonprofit to participate in FHA activities;
- subject to Unresolved Findings as a result of HUD or other governmental investigation, audit, or review; or
- engaged in business practices that do not conform to generally accepted practices of prudent nonprofits or that demonstrate irresponsibility.

- indication of whether or not the nonprofit is an Instrumentality of Government; and
- confirmation that the nonprofit has two years of [relevant housing experience](#) within the last five years.

iii. Eligibility Requirements

A Complete Nonprofit Application refers to an application that satisfies all [general application requirements](#) and all [program specific application requirements](#) for the programs in which the nonprofit seeks approval.

In those instances when a nonprofit is applying to more than one program and the program specific application requirements request duplicate information, the nonprofit is only required to submit this information once.

I. DOING BUSINESS WITH FHA

4. Nonprofits and Governmental Entities

A Complete Nonprofit Application must be submitted and approved in order for a nonprofit to participate in any one of FHA's nonprofit programs.

(2) Board of Directors and Employees

(a) Standard

The nonprofit's Board of Directors must serve in a voluntary capacity for any service they provide in implementing the nonprofit's program and cannot receive compensation. Directors may receive reimbursement for expenses.

The nonprofit must operate in a manner so that no part of its net earnings is passed on to any individual board member, corporation, or other Entity affiliated with a board member. Board members cannot be employees of the nonprofit.

The occupational activities and obligations of board members cannot conflict with the work of the nonprofit.

It is a conflict of interest for a nonprofit to employ staff who also work for and receive financial benefits from an Entity that is providing the nonprofit with services.

(b) Required Documentation

(i) Voluntary Board Certification

The nonprofit must submit a certification signed by an authorized representative of the nonprofit agency confirming that the Board of Directors serves in a voluntary capacity.

(a) Standard

(i) Conflict of Interest

Nonprofits must ensure that no conflicts of interest exist between their Boards of Directors, principal staff, or any other Entities that may participate in operating their Affordable Housing Programs (AHP).

It is a conflict of interest for a nonprofit to employ staff who also work for and receive financial benefits from an Entity that is providing the nonprofit with services related to the nonprofit's Affordable Housing Program Plan (AHPP).

(ii) Staff Experience

Principal staff and program managers must have experience in developing and administering housing programs. Hiring of experienced staff does not relieve the nonprofit agency of the [relevant experience](#) requirements.

(b) Required Documentation

The nonprofit must provide resumes and SSNs for principal management (Executive Director/President or Vice President, Project/Program Director, or similar position) and principal staff members.

The SSNs will be used only to assure HUD that no conflict-of-interest relationship exists, and the board and staff have no outstanding unpaid government Loans, sanctions, foreclosures, inappropriate transfers of Real Property, or Business Relationships.

(4) Relevant Experience

(a) Standard

The nonprofit must have a minimum of two consecutive years of relevant experience within the last five years as defined below:

- relevant experience for HUD Homes refers to the acquisition, rehabilitation, and resale of five Single Family Properties;

- relevant experience for Secondary Financing refers to the acquisition, rehabilitation, and resale of five Single Family Properties or secondary financing experience.

I. DOING BUSINESS WITH FHA
B. Other Participants
4. Nonprofits and Governmental Entities

Hiring of experienced staff does not relieve the nonprofit agency of the relevant experience requirements.

Exception

A nonprofit that does not meet this experience requirement may be able to obtain limited approval if it has at least one year of relevant experience as defined above and one year of other related housing experience. The nonprofit's "other related housing experience" must demonstrate that the organization has the financial and administrative capacity to purchase, rehabilitate and resell homes to serve Low- to Moderate-Income individuals or families.

(a) Standard

The nonprofit must have the financial capacity to operate its homeownership program. FHA will assess the nonprofit's financial stability in terms of cash balances, assets and liabilities, annual expenses, and cash flow from operations.

Based on an analysis of submissions, FHA may limit the number of Properties a nonprofit may purchase at a discount and purchase with FHA-insured financing.

(b) Required Documentation

Documentation requirements differ based on the amount of a nonprofit's expended federal award, as defined by the [Office of Management and Budget](#).

(i) Expended Federal Awards of \$750,000 or More

The nonprofit must submit the three most recent year-end audited financial statements, profit and loss statements, and balance sheets. The audited financial statements must be provided by the applicant's Independent Public Accountant (IPA) certifying that the nonprofit:

- complies with applicable laws, regulations, and contract or grant provisions; and
- prepares appropriate financial statements.

The nonprofit must also submit the most recent quarterly financial statement along with certification from a Certified Public Accountant (CPA) or other financial professional attesting that the information accurately represents the financial condition of the nonprofit agency.

(ii) Expended Federal Awards Less than \$750,000

Nonprofits must submit two years of audited or unaudited financial statements, prepared in accordance with Generally Accepted Accounting Principles (GAAP) and reporting practices, and must include:

- an auditor's review report, if available;

(10) Consultant Services

(a) Standard

The nonprofit's operations must be independent of the influence, control, or direction of the consultant or any other outside party, particularly those seeking to derive profit or gain from a proposed project (including landowners, real estate brokers, bankers, contractors, builders, or consultants). Consultant services must be provided on an arm's length basis.

Consultant services – administrative, management, financial, or otherwise – provided under an independent contractor relationship (as opposed to an employer-employee relationship) must not constitute more than half of the nonprofit's activities throughout the duration of the approval period. This measurement will be calculated by evaluating the ratio of nonprofit staff to contracted or consultant staff; the ratio of hours devoted to the implementation of the AHPP by nonprofit staff versus contracted or consultant staff; and the funds devoted to paying nonprofit staff compared to those paying contracted or consultant staff. The nonprofit must have the in-house resources and capacity to operate its own programs, and contract for services only on a temporary and supplementary basis.

(b) Required Documentation

The nonprofit must explain the nature and cost of its consultant services and how the nonprofit exercises control over consultants; describe the work that will be performed by consultants for each program; and provide the percentage of work performed by consultants for each program.

The nonprofit must provide a disclosure and supporting documentation related to any agreements with other parties that may derive financial gain through the homeownership program. The disclosure must identify the name of the business Entity, the individuals from the company who will be working with the nonprofit, the terms of the relationship, and how the party will be compensated.

(11) Acting on Own Behalf Certification

The nonprofit must provide a certification signed by an authorized representative of the organization stating the following:

I certify that (Name of Nonprofit agency) is acting on its own behalf and is not under the influence, control, or direction of any party seeking to derive a profit or a gain from the proposed project, such as, but not limited to, a

The certification must include the date, and the authorized representative's printed name, signature, and title.

(12) FHA Approval Letter

If previously approved by FHA to participate in FHA's nonprofit programs, the nonprofit must submit a copy of its most recent approval letter.

(13) Adequate Facilities

(a) Standard

A nonprofit agency must have an office(s) located within a 200-mile radius of the geographical areas in which it plans to do business. For each office, nonprofits are required to have adequate office space, equipment and clerical assistance, so that employees may perform their duties in a responsible manner. A nonprofit's main office must be its designated facility to which FHA directs all communications about the management affairs of the nonprofit and from which the public obtains information about the activities of the nonprofit.

The nonprofit's facilities must be located in a space that is separate and apart from any other Entity. A nonprofit may share general reception-type entrances or lobbies with another business Entity or nonprofit. The facilities must be clearly defined to the public, so that visitors will know, at all times, exactly with which Entity they are doing business. This includes a sign and other common means of identification used by nonprofits and business Entities.

(b) Required Documentation

The nonprofit must submit the contact information and physical address of the agency's main office.

The nonprofit must also submit interior and exterior photographs of its office facilities and a copy of the floor plan identifying the nonprofit's work space.

(14) Lending Partner(s) Information

(a) Standard

A nonprofit must ensure that no conflicts of interest exist. Employees of the Lender cannot receive personal or financial benefit because of the Business Relationship with the nonprofit.

(b) Required Documentation

The nonprofit must provide the name, address, and contact of any lending institution, bank, or private party that has provided financing to the nonprofit.

(15) Application Certification

The nonprofit must submit a document signed by an authorized representative of the organization certifying to FHA that the information submitted in response to the application package is accurate.

The certification must include the date, and the authorized representative's printed name, signature, and title.

(B) Program Specific Eligibility Requirements

All [general application requirements](#) apply to participation in any of the three nonprofit programs. Refer to the programs below for additional program specific requirements.

(1) HUD Homes

(a) Name and Address Identification Number

(i) Standard

A nonprofit must obtain a Name and Address Identification Number (NAID) in order to bid on Real Estate Owned (REO) Properties.

(ii) Required Documentation

(b) Restrictions on Sale or Lease of Properties

FHA strictly prohibits the sale or lease of Properties acquired through the HUD Homes program to any of the nonprofit's officers, directors, elected or appointed officials, employees, or business associates, either during their

tenure or for one year thereafter, or to any individual who is related by blood, marriage, or law to any of the above.

(c) Articles of Organization and Bylaws

(i) Standard

A Conformed Copy is a copy that agrees with the original and all amendments to it.

Written Declaration

A Conformed Copy of the Articles of Organization and bylaws must be accompanied by a written declaration signed by an authorized representative of the organization certifying the copy is a complete and accurate copy of the document.

As an alternative to the foregoing declaration, an organization may submit a Conformed Copy of its Articles of Organization approved and dated by the appropriate state authority.

(d) Affordable Housing Program Plan

(i) Definition

An Affordable Housing Program Plan (AHPP), also known as the Affordable Housing Program Narrative, is referred to as an AHPP for purposes of this *SF Handbook*.

AHPP refers to a program plan, as described in a written proposal submitted to FHA, operated by a nonprofit in specific geographical areas in which the nonprofit provides affordable homeownership opportunities for Low- to Moderate-Income buyers by purchasing, rehabilitating, and reselling HUD Homes to these buyers. The program can include other homeownership activities, such as counseling.

(ii) Standard

A nonprofit must adhere to its AHPP during its entire approval period. Any activity undertaken by a nonprofit that requires the use of their FHA nonprofit approval must be in accordance with the approved AHPP.

Unlike the application for approval, a separate AHPP must be submitted to every Jurisdictional HOC for the geographic areas in which the nonprofit agency wishes to do business.

If, at some point in the future, a nonprofit wants to engage in activities outside the scope of its approved AHPP, it must submit a revised AHPP to the Jurisdictional HOC(s) for approval prior to implementation.

Conflicts of Interest

No person who is an employee, officer, or elected or appointed official of the nonprofit agency, or who is in a position to participate in a decision making process pursuant to the AHPP or gain inside information with regard to the lease or purchase of the Property pursuant to the AHPP may obtain a personal or financial interest or benefit from the purchase of the Property, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for themselves, or for those with whom they have family or business ties, during their tenure or for one year thereafter.

(iii) Required Documentation

Copy of the AHPP

The nonprofit must submit a copy of the AHPP for each local area in which the nonprofit agency intends to be active. If the nonprofit wants to expand its approval area, the Jurisdictional HOC may require additional information.

The AHPP must address the following:

- the areas, including state, city, county and zip code, in which the nonprofit plans to administer the program(s). The program must be operated within a 200-mile radius of the nonprofit's office;
- how Low- to Moderate-Income persons will benefit from participation in the program;
- how the nonprofit will transition families and individuals into homeownership;
- how the nonprofit's savings will be passed along to program recipients;

B. Other Participants

4. Nonprofits and Governmental Entities

- how the nonprofit will locate the Low- to Moderate-Income persons who will participate;
- the type of homeownership counseling the nonprofit will provide to prospective homebuyers, if any. Provide a brief description of the administration of this counseling program;
- provide a list of all Properties the nonprofit currently owns and has owned within the last three years, all Properties the nonprofit has rehabilitated (include approximate cost of rehabilitation), and all Properties that the nonprofit manages. Indicate which Properties were financed directly or indirectly with FHA funds. Provide the date purchased and the purchase price, the date on which rehabilitation was completed, the date the Property(ies) sold and its resale price. Include demographic information on Low- to Moderate- Income purchasers;
- the estimated developer fees as a dollar amount or percentage of the selling price for future transactions;
- the anticipated number and location of units the nonprofit expects to purchase;

After [submitting the preliminary information](#) and receiving confirmation of eligibility, the applicant will be provided with login instructions to access NPDMS. FHA will not accept paper applications.

The nonprofit must submit a completed application within 30 Days of receiving access to NPDMS. The application date refers to the date that the application package is electronically submitted through NPDMS.

v. Processing of Application

If the nonprofit does not provide the additional information requested by any specified deadline, FHA may deny approval on this basis.

vi. Incomplete Application

Nonprofit agencies that submit an incomplete application package will receive a letter indicating the information required to cure the deficiency. This letter will give nonprofit agencies 15 Days from the date on the letter to correct any deficiencies. If the new nonprofit applicant does not satisfy the outstanding requirement in its entirety and within the prescribed deadlines, the approval will be denied and the nonprofit must wait an additional 90 Days before reapplying.

vii. Application Approval

Nonprofit agencies that are approved for participation will be issued an approval letter from the Jurisdictional HOC describing which activities the nonprofit is approved for and any limitations associated with that approval. An approval is valid for a two-year period.

If the nonprofit does not submit an acceptable recertification application before the expiration of the two year approval period, the nonprofit will be removed from the HUD Nonprofit Roster.

(E) Recertification Application Approval

Nonprofit agencies that are recertified for participation will be issued an approval letter from the Jurisdictional HOC describing which activities the nonprofit is approved for and any limitations associated with that approval. An approval is valid for a two year period.

c. Post-Approval Requirements

Governmental Entities and HUD-approved Nonprofits must comply with the following requirements and restrictions for its FHA business operations in addition to continuing to operate in full compliance with the eligibility requirements outlined in this *SF Handbook*.

i. Consultant Services

[Consultant services](#) provided under an independent contractor relationship (as opposed to an employer-employee relationship) must not constitute more than half of the nonprofit's activities in the operation of its FHA-approved programs. This measurement will be calculated by evaluating the ratio of nonprofit staff to contracted or consultant staff; the ratio of hours devoted to the implementation of the AHPP by nonprofit staff versus contracted or consultant staff; and the funds devoted to paying nonprofit staff compared to those paying contracted or consultant staff. The nonprofit must have the in-house resources and capacity to run its own programs, and contract for services on a temporary and supplementary basis.

Therefore, to ensure that the consultant services are provided on an arm's length basis, the nonprofit must disclose any written and/or side agreements with parties that may derive financial gain through the homeownership program. Disclosure must identify the name of the business Entity, and the individuals from the company who will be working with the nonprofit, the terms of the relationship and how the party will be compensated. Failure to adequately disclose may result in a conflict-of-interest determination.

4. Nonprofits and Governmental Entities

The nonprofit must contact the Program Support Division (PSD) immediately at the Jurisdictional HOC if more than half of the nonprofit's activities are provided by consultants under an independent contractor relationship at any time during the approval period.

ii. Limitation on the Number of 203(k) FHA-Insured Mortgages

Nonprofit agencies that are approved for this waiver, for financing for more than 10 203(k) Mortgages at one time, will have it stated in their approval letter from the HOC.

iii. HUD Homes – Individual Property Files

(A) Definition

Individual Property Files refer to files that Governmental Entities and HUD-approved Nonprofits participating in the HUD Homes program must maintain for each Property purchased, sold, or leased when a discount of 10 percent or greater is obtained at the time of purchase.

(B) Standard

Governmental Entities and HUD-approved Nonprofits must submit the Individual Property Files to FHA through the NPDMS no later than 60 Days after the resale of a Property to a subsequent homebuyer. Governmental Entities and HUD-approved Nonprofits must send an e-mail to the appropriate point of contact within the PSD, in the Jurisdictional HOC, notifying them when an Individual Property File is ready for review. Individual Property Files are ready for review once all data has been entered and supporting documentation has been uploaded.

The Individual Property File must be maintained for a minimum of three years after the Property is sold by the nonprofit.

(C) Required Documentation

The Individual Property File must include all supporting documentation for NDCs.

The supporting documentation includes the following:

- copies of the fully executed Closing Disclosures or similar legal documents for the nonprofit's purchase from HUD and from the nonprofit's resale of the Property to the new purchaser;
- a copy of a signed Land Use Restriction Addendum (LURA);
- income verification for the purchaser who bought from the nonprofit. This may be in the form of a W-2, pay stubs, Verification of Employment (VOE), or tax returns. Nonprofits must also provide a certification that the resale purchaser's income was at or below 115 percent of HUD's determination of median income for their area when adjusted for family size;
- appraisal reports if the Property was purchased as a 203(k) or financed with 203(b) or other FHA insurance funds;
- rehabilitation documents must include:
 - Work Write-Up/contractor estimate of repair costs
 - change orders
 - inspection of repairs by nonprofit
 - invoices from contractors
 - copies of payments to contractors
- additional rehabilitation documents for 203(k) must include:
 - draw requests
 - Lien Waivers
 - Final Release Notice
- if the Property is leased under an approved lease/purchase program:
 - copies of executed lease
 - income verification
 - evidence of proactive work of nonprofit to move tenants into homeownership
 - appraisal or document from independent third party to determine fair market rent
 - list of other program costs, including developer's fees

Accounting records must be maintained in a property-specific format so that cost calculations can be made for all expenses related to each specific Property.

In addition, Governmental Entities and HUD-approved Nonprofits must submit a list of all business partners participating in the acquisition, rehabilitation and resale of the Property. The list must include the name of the company, the name of the principals, the name and title of all staff with whom the nonprofit is working, a description of the services provided by the company, and an accounting of the costs and fees associated with those services. This information must be reported for all real estate agents, Lenders, and contractors involved in the acquisition, rehabilitation and sale of the HUD Homes Property.

(D) HUD Homes – Net Development Costs

The NDCs are composed of the allowable property Acquisition Costs plus allowable rehabilitation, holding, and selling costs which Governmental Entities and HUD-approved Nonprofits incur when purchasing HUD Homes at discounted prices, redeveloping the Properties for resale, and selling those Properties. The NDC calculation applies to all HUD Homes sold to nonprofit organizations and Governmental Entities at a 10 percent or greater discount regardless of the source of the financing (FHA, conventional Mortgage, or cash), except for discounted REO homes purchased through the Dollar Home Sales to Local Governments, Asset Control Areas (ACA), and Good Neighbor Next Door (GNND) programs.

The purpose of these discounts and the limits on development costs is to make housing affordable to Low- to Moderate-Income families. HUD limits the costs that are eligible to be included in the NDC calculation and prohibits the nonprofit organization or Governmental Entity from reselling the repaired or improved Properties at prices in excess of 110 percent of the NDC calculation. If the nonprofit organization's or Governmental Entity's resale price of the HUD Home exceeds 110 percent of the NDC, or if non-allowable items that are included in the NDC result in an excessive sales price, the HUD-approved Nonprofit or Governmental Entity must use the excess profit to pay down the existing Mortgage associated with that particular resale.

(1) Costs Allowed in Calculating the Net Development Costs

Only the costs specifically included in the following list, within the prescribed limitations and/or conditions, may be included in calculating the NDCs:

- the discounted purchase price paid to HUD;
- upon the purchase of the Property from HUD, prepaid items and financing and closing costs actually incurred, which must be reasonable and customary for the area in which the Property is located, is limited to the following:
 - actual loan origination fee, not to exceed 1 percent;

(4) Policy on Use of Electronic Signatures

(a) Definition

An Electronic Signature refers to any electronic sound, symbol, or process attached to or logically associated with a contract or record and executed or adopted by a person with the intent to sign the record. FHA does not accept an electronic signature that is solely voice or audio. Digital signatures are a subset of electronic signatures.

(b) Use of Electronic Signatures

An electronic signature conducted in accordance with the Electronic Signature Performance Standards (Performance Standards) is accepted on FHA documents requiring signatures to be included in the case binder for mortgage insurance, unless otherwise prohibited by law.

Electronic Signatures meeting the Performance Standards are treated as equivalent to handwritten signatures.

(c) Electronic Signature Performance Standards

The Performance Standards are the set of guidelines that govern FHA acceptance of an electronic signature. The use of electronic signatures is voluntary. However, Mortgagees choosing to use electronic signatures must fully comply with the Performance Standards.

(i) The Electronic Signatures in Global and National Commerce Act (E-SIGN Act) Compliance and Technology

A Mortgagee's electronic signature technology must comply with all requirements of the E-SIGN Act, including those relating to disclosures, consent, signature, presentation, delivery, retention and any state law applicable to the transaction.

(ii) Third Party Documents

Third Party Documents are those documents that are originated and signed outside of the control of the Mortgagee, such as the sales contract. FHA will accept electronic signatures on Third Party Documents included in the case binder for mortgage insurance endorsement in accordance with the E-SIGN Act and the Uniform Electronic Transactions Act (UETA). An indication of the electronic signature and date should be clearly visible when viewed electronically and in a paper copy of the electronically signed document.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

(iii) Authorized Documents

Authorized Documents refer to the documents on which FHA accepts electronic signatures provided that the Mortgagee complies with the Performance Standards.

- **Mortgage Insurance Endorsement Documents:** Electronic signatures will be accepted on all documents requiring signatures included in the case binder for mortgage insurance except the Note. FHA will accept electronic signatures on the Note for forward Mortgages only. FHA will not accept electronic signatures on HECM Notes.
- **Servicing and Loss Mitigation Documentation:** Electronic signatures will be accepted on any documents associated with servicing or loss mitigation services for FHA-insured Mortgages.
- **FHA Insurance Claim Documentation:** Electronic signatures will be accepted on any documents associated with the filing of a claim for FHA insurance benefits, including form [HUD-27011](#), *Single Family Application for Insurance Benefits*.
- **HUD Real Estate Owned (REO) Documents:** Electronic signatures will be accepted on the HUD REO Sales Contract and related addenda.

(iv) Associating an Electronic Signature with the Authorized Document

The Mortgagee must ensure that the process for electronically signing authorized documents provide for the document to be presented to the signatory before an electronic signature is obtained. The Mortgagee must ensure that the electronic signature is attached to, or logically associated with, the document that has been electronically signed.

(v) Intent to Sign

The Mortgagee must be able to prove that the signer certified that the document is true, accurate, and correct at the time signed. Electronic signatures are only valid under the E-SIGN Act if they are “executed or adopted by a person with the intent to sign the record.” Establishing intent includes:

- identifying the purpose for the Borrower signing the electronic record;
- being reasonably certain that the Borrower knows which electronic record is being signed; and

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

- providing notice to the Borrower that their electronic signature is about to be applied to, or associated with, the electronic record.

Intent to use an electronic signature may be established by, but is not limited to:

- an online dialog box or alert advising the Borrower that continuing the process will result in an electronic signature;
- an online dialog box or alert indicating that an electronic signature has just been created and giving the Borrower an opportunity to confirm or cancel the signature; or
- a click-through agreement advising the Borrower that continuing the process will result in an electronic signature.

(vi) Single Use of Signature

Mortgagees must require a separate action by the signer, evidencing intent to sign, in each location where a signature or initials are to be applied.

This provision does not apply to documents signed by Mortgagee employees or Mortgagee contractors provided the Mortgagee obtains the consent of the individual for the use of their electronic signature. The Mortgagee must document the employee's or contractor's consent.

(vii) Authentication

Definition

Authentication refers to the process used to confirm a signer's identity as a party in a transaction.

Standard for Authentication

Before a Mortgagee submits the case for endorsement, the Mortgagee must confirm the identity of the signer by authenticating data provided by the signer with information maintained by an independent source.

Independent sources include, but are not limited to:

- national commercial credit bureaus;
- commercially available data sources or services;
- state motor vehicle agencies; or
- government databases.

The Mortgagee must verify a signer's name and date of birth, and either their Social Security Number (SSN) or driver's license number.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

(viii) Attribution

Definition

Attribution is the process of associating the identity of a signer with their signature.

Standard for Attribution

The Mortgagee must maintain evidence sufficient to establish that the electronic signature may be attributed to the individual purported to have signed.

The Mortgagee must use one of the following methods, or combinations of methods, to establish attribution:

- selection by or assignment to the individual of a Personal Identification Number (PIN), password, or other shared secret, that the individual uses as part of the signature process;
- delivery of a credential to the individual by a trusted third party, used either to sign electronically or to prevent undetected alteration after the electronic signature using another method;
- knowledge base authentication using “out of band/wallet” information;
- measurement of some unique biometric attribute of the individual and creation of a computer file that represents the measurement, together with procedures to protect against disclosure of the associated computer file to unauthorized parties; or
- public key cryptography.

(ix) Credential Loss Management

Mortgagees must have a system in place to ensure the security of all issued credentials. One or a combination of the following loss management controls is acceptable:

- maintaining the uniqueness of each combined identification code and password, such that no two individuals have the same combination of identification code and password;
- ensuring that identification code and password issuances are periodically checked, recalled, or revised;
- following loss management procedures to electronically de-authorize lost, stolen, missing, or otherwise compromised identification code or password information, and to issue temporary or permanent replacements using suitable, rigorous controls;
- using transaction safeguards to prevent unauthorized use of passwords or identification codes; or

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

- detecting and reporting any attempts at unauthorized use of the password or identification code to the system security unit.

(d) Required Documentation and Integrity of Records

Mortgagees must ensure that they employ industry-standard encryption to protect the signer's signature and the integrity of the documents to which it is affixed. Mortgagees must ensure that their systems will detect and record any tampering with the electronically signed documents. FHA will not accept documents that show evidence of tampering.

If changes to the document are made, the electronic process must be designed to provide an "audit trail" showing all alterations, the date and time they were made, and identify who made them.

The Mortgagee's system must be designed so that the signed document is designated as the Authoritative Copy. The Authoritative Copy of an electronically signed document refers to the electronic record that is designated by the Mortgagee or holder as the controlling reference copy.

(B) Mortgage Application and Initial Supporting Documentation

(1) URLA and HUD/VA Addendum to the URLA

Unless otherwise noted, *URLA* and *HUD/VA Addendum to the URLA* refer to both initial and final applications.

The Mortgagee must obtain the Borrower's initial complete, signed *URLA* ([Fannie Mae Form 1003/Freddie Mac Form 65](#)) and page two of form [HUD-92900-A](#) before underwriting the mortgage application.

The Mortgagee must also include the debt of a non-borrowing spouse on the *URLA* if the Borrower resides in or the Property to be purchased is located in a community property state.

The loan originator identified on the *URLA* must be the actual licensed loan originator regardless of whether the loan originator is employed by a sponsored Third-Party Originator (TPO) or the Mortgagee. The *URLA* must contain the loan originator's name, Nationwide Mortgage Licensing System and Registry (NMLS) identification number, telephone number, and signature.

For nonprofit Borrowers, the Mortgagee must obtain a copy of the FHA approval letter from the nonprofit. The Mortgagee must also verify that the nonprofit is eligible to be a Borrower as indicated on the U.S. Department of Housing and Urban Development (HUD) [Nonprofit Agency Roster](#).

(C) Borrower Authorization for Verification Information

(1) Borrower's Authorization

(a) Standard

The Mortgagee must obtain the Borrower's authorization to verify the information needed to process the mortgage application. The Mortgagee must obtain a non-borrowing spouse's consent and authorization where necessary to verify specific information required to process the mortgage application, including the non-borrowing spouse's consent for the Mortgagee to verify their SSN with the Social Security Administration (SSA).

(E) Sales Contract and Supporting Documentation

The Mortgagee must not originate an insured Mortgage for the purchase of a Property if any provision of the sales contract violates FHA requirements.

The Mortgagee must ensure that (1) all purchasers listed on the sales contract are Borrowers, and (2) only Borrowers sign the sales contract.

An addendum or modification may be used to remove or correct any provisions of the sales contract that do not conform to these requirements.

“It is expressly agreed that notwithstanding any other provisions of this contract, the purchaser shall not be obligated to complete the purchase of the property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise, unless the purchaser has been given, in accordance with HUD/FHA or VA requirements, a written statement by the Federal Housing Commissioner, Department of Veterans Affairs, or a Direct Endorsement lender setting forth the appraised value of the property of not less than \$_____.^{*} The purchaser shall have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised valuation. The appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does not warrant the value or condition of the property. - the appraisal has already expired.

The Mortgagee must submit a request for cancellation to the FHA Resource Center at answers@hud.gov using the [Case Cancellation Request Template](#).

(b) Automatic Case Number Cancellations

Case numbers are automatically canceled after six months if one of the following actions is not performed as a last action:

- appraisal information entered;
- Firm Commitment issued by FHA;
- insurance application received and subsequent updates; or
- Notices of Return (NOR) or resubmissions.

Updates to the Borrower's name and/or property address, an appraisal update, or a transmission of the Upfront Mortgage Insurance Premium (UFMIP) do not constitute Last Action Taken.

(c) Reinstatement of Case Numbers

The Mortgagee may request reinstatement of canceled case numbers by submitting a request to the FHA Resource Center using the [Case Reinstatement Request Template](#).

Case numbers that were automatically canceled will be reinstated only if the Mortgagee provides evidence that the subject Mortgage closed prior to cancellation of the case number, such as a Closing Disclosure or similar legal document.

(4) Transferring Case Numbers

(a) Requirements for the Transferring Mortgagee

The original Mortgagee must assign the case number to the new Mortgagee using the Case Transfer function in [FHAC](#) immediately upon the Borrower's request.

The original Mortgagee may provide processing documents but is not required to do so.

The original Mortgagee may not charge the Borrower for the transfer of any documents, but the original Mortgagee may negotiate a fee with the new Mortgagee for providing the processing documents. The original Mortgagee is never entitled to a fee for the transfer of processing documents for a Streamline Refinance.

(b) Case Number Transfer Involving a Rejected Mortgage

If the transfer involves a rejected Mortgage, the original Mortgagee must complete the Mortgage Credit Reject function in [FHAC](#) prior to transferring the Mortgage.

(c) Case Number Transfer Involving a Sponsored Third-Party Originator

Where a case number is transferred to a new approved Mortgagee or sponsored TPO, the original Mortgagee, its authorized agent, or sponsored TPO that is also an FHA-approved Mortgagee must complete the appropriate sections in [FHAC](#) as described in the [FHAC Guide – Case Processing Support Functions](#).

(5) Ordering Title Commitments

The Mortgagee must order a title commitment to ensure the Property will be properly titled and the Mortgage secured in accordance with FHA requirements.

(6) Ordering Appraisals

The Mortgagee must order a new appraisal for each case number assignment and may not reuse an appraisal that was performed under another case number, even if the prior appraisal is not yet more than 120 Days old.

(a) Appraisal Integrity

The Mortgagee is responsible for identifying any problems or potential problems with the integrity, accuracy and thoroughness of an appraisal submitted to FHA for mortgage insurance purposes.

Appraisers must comply with the [Uniform Standards of Professional Appraisal Practice \(USPAP\)](#), including the Competency Rule, when conducting appraisals of Properties intended as security for FHA-insured financing. In appraising any Property for the purpose of obtaining FHA mortgage insurance, the Appraiser must certify that they are capable of performing the appraisal because they have the necessary qualifications and access to all necessary data.

The Mortgagee must ensure that FHA is listed on the appraisal report as an Intended User of the appraisal.

(b) Selection of a Qualified Appraiser

The Mortgagee must order an appraisal from an Appraiser who is listed on the [FHA Appraiser Roster](#) and is qualified and knowledgeable in the specific

market area in which the Property is located. The Mortgagee must evaluate the Appraiser's education, training and actual field experience to determine whether the Appraiser has sufficient qualifications to perform the appraisal before assignment.

The Mortgagee may not discriminate on the basis of race, color, religion, national origin, sex, age, disability, or actual or perceived sexual orientation and gender identity in the selection of an Appraiser.

(c) Use of Appraisal Management Company or Third-Party Contractors

The Mortgagee may engage an Appraisal Management Company (AMC) to perform services related to the obtaining of an appraisal. The Mortgagee remains responsible for the acts of its AMC or third-party contractors.

The Mortgagee may not pay the AMC and other third-party contractors fees in excess of what is customary and reasonable for such services in the market area where the Property being appraised is located. Any management fees must be for actual services related to the ordering process, or review of appraisal for FHA financing.

(d) Appraiser Independence

The Mortgagee must ensure it does not compromise the Appraiser's independence.

The Mortgagee may not allow the Appraiser to be selected, retained, managed, or compensated by a mortgage broker or any member of a Mortgagee's staff who is compensated on a commission basis tied to the successful completion of a Mortgage or who is not independent of the Mortgagee's mortgage production staff or processes.

The Mortgagee must ensure that it does not:

- compensate the Appraiser at a rate that is not commensurate in the market area of the Property being appraised with the assignment type, complexity and scope of work required for the appraisal services performed;
- withhold or threaten to withhold timely payment or partial payment for an appraisal report;
- prohibit the Appraiser from recording the fee paid for the performance of the appraisal in the appraisal report;
- condition the ordering of an appraisal report or the payment of an appraisal fee, salary, or bonus on the opinion, conclusion or valuation to be reached, or on a preliminary value estimate requested from an Appraiser;

- provide to the Appraiser, appraisal company, AMC or any Entity or person related to the Appraiser, appraisal company or AMC, stock or other financial or non-financial benefits;
- order, obtain, use, or pay for a second or subsequent appraisal or Automated Valuation Model (AVM) in connection with a Mortgage financing transaction unless:
 - there is a reasonable basis to believe that the initial appraisal was flawed or tainted and such belief is clearly and appropriately noted in the mortgage file; or
 - such appraisal or AVM was completed pursuant to written, pre-established bona fide pre- or post-Disbursement appraisal review or quality control process or underwriting guidelines and the Mortgagee adheres to a policy of selecting the most reliable appraisal, rather than the appraisal that states the highest value;
- withhold or threaten to withhold future business from an Appraiser, or demote or terminate or threaten to demote or terminate an Appraiser in order to influence an Appraiser to arrive at a predetermined or desired value;
- make expressed or implied promises of future business, promotions or increased compensation for an Appraiser in order to influence an Appraiser to arrive at a predetermined or desired value;
- allow the removal of an Appraiser from a list of qualified Appraisers or the addition of an Appraiser to an exclusionary list of qualified Appraisers, used by any Entity, without prompt written notice to such Appraiser. The notice must include written evidence of the Appraiser's illegal conduct, violation of [USPAP](#) or state licensing standards, improper or unprofessional behavior or other substantive reason for removal;
- request that an Appraiser provide an estimated, predetermined or desired valuation in an appraisal report prior to the completion of the appraisal report, or request that an Appraiser provide estimated values or comparable sales at any time prior to the Appraiser's completion of an appraisal report;
- provide to the Appraiser an anticipated, estimated, encouraged or desired value for a subject Property or a proposed, or target amount to be loaned to the Borrower, except that a copy of the sales contract for purchase and any addendum must be provided; or
- perform any other act or practice that impairs or attempts to impair an Appraiser's independence, objectivity, or impartiality, or that violates any applicable law, regulation, or requirement.

(e) Additional Requirements When Ordering an Appraisal

The Mortgagee must provide to the selected Appraiser the FHA case number and a complete copy of the subject sales contract including all addendums,

land lease, surveys and other legal documents contained in the mortgage file necessary to analyze the Property.

The Mortgagee must disclose all known information regarding any environmental hazard that is in or on the subject Property, or in the vicinity of the Property, whether obtained from the Borrower, the real estate broker, or any other party to the transaction.

Where the Mortgagee determines that the Property is subject to a PACE obligation, it must notify the Appraiser that the PACE obligation will be paid off as a condition of loan approval.

(7) Appraisal Effective Date

(a) Standard

The effective date of the appraisal cannot be before the FHA case number assignment date unless the Mortgagee certifies, via the certification field in the Appraisal Logging Screen in [FHAC](#), that the appraisal was ordered for conventional lending or government-guaranteed loan purposes and was performed by a FHA Roster Appraiser.

The Mortgagee must ensure that the appraisal was performed in accordance with FHA appraisal reporting instructions as detailed in this *SF Handbook* and the [Appraisal Report and Data Delivery Guide](#). The intended use of the appraisal must indicate that it is solely to assist FHA in assessing the risk of the Property securing the FHA-insured Mortgage. Additionally, FHA and the Mortgagee must be indicated as the intended users of the appraisal report.

(b) Required Documentation

The Mortgagee must retain documentation in the case binder substantiating conversion of the Mortgage to FHA.

(8) Transferring Existing Appraisals

In cases where a Borrower has switched Mortgagees, the first Mortgagee must, at the Borrower's request, transfer the appraisal to the second Mortgagee within five business days. The Appraiser is not required to provide the appraisal to the new Mortgagee. The client name on the appraisal does not need to reflect the new Mortgagee. If the original Mortgagee has not been reimbursed for the cost of the appraisal, the Mortgagee is not required to transfer the appraisal until it is reimbursed.

The second Mortgagee may not request the Appraiser to re-address the appraisal. If the second Mortgagee finds deficiencies in the appraisal, the Mortgagee must order a new appraisal.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

1. Origination/Processing

Where a Mortgagee uses an existing appraisal for a different Borrower, the Mortgagee must enter the new Borrower's information in [FHAC](#). The Mortgagee must collect an appraisal fee from the new Borrower and refund the fee to the original Borrower.

If a [Case Transfer](#) is involved, the new Mortgagee must enter the Borrower's information in [FHAC](#). The new Mortgagee must collect an appraisal fee from the Borrower, and send the fee to the original Mortgagee, who, in turn, must refund the fee to the original Borrower.

(9) Ordering Second Appraisal

The Mortgagee is prohibited from ordering an additional appraisal to achieve an increase in value for the Property and/or the elimination or reduction of deficiencies and/or repairs required.

The Mortgagee may order a second appraisal for Mortgages that are in accordance with requirements on [Property Flipping](#).

(a) Second Appraisal by Original Mortgagee

A second appraisal may only be ordered if the Direct Endorsement (DE) underwriter (underwriter) determines the first appraisal is materially deficient and the Appraiser is unable or uncooperative in resolving the deficiency. The Mortgagee must fully document the deficiency and status of the appraisal in the mortgage file. The Mortgagee must pay for the second appraisal.

Material deficiencies on appraisals are those deficiencies that have a direct impact on value and marketability. Material deficiencies include, but are not limited to:

- failure to report readily observable defects that impact the health and safety of the occupants and/or structural soundness of the house;
- reliance upon outdated or dissimilar comparable sales when more recent and/or comparable sales were available as of the effective date of the appraisal; and
- fraudulent statements or conclusions when the Appraiser had reason to know or should have known that such statements or conclusions compromise the integrity, accuracy and/or thoroughness of the appraisal submitted to the client.

(b) Second Appraisal by Second Mortgagee

A second appraisal may only be ordered by the second Mortgagee under the following limited circumstances:

- the first appraisal contains material deficiencies as determined by the underwriter for the second Mortgagee;

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

1. Origination/Processing

- the Appraiser performing the first appraisal is prohibited from performing appraisals for the second Mortgagee; or
- the first Mortgagee fails to provide a copy of the appraisal to the second Mortgagee in a timely manner, and the failure would cause a delay in closing and harm to the Borrower, including loss of interest rate lock, violation of purchase contract deadline, occurrence of foreclosure proceedings and imposition of late fees.

(c) Use of Second Appraisal

For the first two cases outlined above, the Mortgagee must rely only on the second appraisal and ensure that copies of both appraisals are retained in the case binder. For the third case above, the first appraisal must be added to the case binder if it is received.

(d) Required Documentation

The Mortgagee must document why a second appraisal was ordered and retain the explanation and all appraisal reports in the case binder.

(10) Ordering an Update to an Appraisal

The Mortgagee may only order an update if (1) it is a Mortgagee listed as an Intended User of the original appraisal or (2) it has received permission from the original client and the Appraiser. The Appraiser incorporates the original report being updated by attachment rather than by reference per Advisory Opinion 3 of the [USPAP](#).

The Mortgagee may use an update of appraisal only if:

- it is performed by the FHA Appraiser who performed the original appraisal, who is currently in good standing on the FHA Appraiser Roster;
- the Property has not declined in value;
- the building improvements that contribute value to the Property can be observed from the street or a public way;
- the exterior inspection of the Property reveals no deficiencies or other significant changes;
- the update of appraisal was ordered by the Mortgagee and completed by the Appraiser prior to the expiration of the initial 120-Day period; and
- the original appraisal report was not previously updated.

(11) Appraisal Delivery – Electronic Appraisal Delivery Portal

electronically deliver FHA Single Family appraisal reports prior to endorsement.

(b) Standard

Mortgagees or their designated third-party service providers must deliver appraisals through the EAD portal.

(c) Required Documentation

Appraisals submitted through the EAD are the appraisal of record for endorsement.

b. General Mortgage Insurance Eligibility

i. Mortgage Purpose

FHA offers various mortgage insurance programs which insure approved Mortgagees against losses on Mortgages. FHA-insured Mortgages may be used to purchase housing, improve housing, or refinance existing Mortgages.

(A) Purchase/Construction to Permanent

The Borrower may finance the purchase of an existing one- to four-unit residence, and may also finance construction of a one- to four-unit residence through a [Construction to Permanent](#) Mortgage.

Properties to be acquired through an unrecorded land contract must be treated as a purchase.

(B) Rehabilitation

(1) 203(k) Standard and Limited Rehabilitation Mortgages

The [Section 203\(k\) Rehabilitation Mortgage Insurance](#) is used to:

- rehabilitate an existing one- to four-unit Structure, which will be used primarily for residential purposes;
- rehabilitate such a Structure and refinance the outstanding indebtedness on the Structure and the Real Property on which the Structure is located; or
- purchase and rehabilitate the Structure and purchase the Real Property on which the Structure is located.

(2) 203(h) and 203(k) for Disaster Victims

The [Section 203\(h\) Mortgage Insurance for Disaster Victims](#) program allows FHA to insure Mortgages made by qualified Mortgagees to victims of a Presidentially-Declared Major Disaster Area (PDMDA) who have lost their

housing, or whose housing was damaged and are in the process of rebuilding or buying another house.

(C) Refinance

A refinance transaction is used to pay off the existing debt or to withdraw equity from the Property with the proceeds of a new Mortgage for a Borrower with legal title to the subject Property.

Types of Refinances

FHA insures several different types of [refinance transactions](#):

1. Cash-out refinances are designed to pull equity out of the Property.
2. No cash-out refinances of FHA-insured and non FHA-insured Mortgages are designed to pay existing liens. These include: Rate and Term refinance, Simple Refinance, and Streamline Refinance.
3. Refinances of non FHA-insured Mortgages are available for qualified Borrowers in negative equity positions ([Short Refi](#)).
4. Refinances for rehabilitation or repair (Section 203(k)).

ii. Borrower Eligibility

(A) General Borrower Eligibility Requirements

In order to obtain FHA-insured financing, all Borrowers must meet the eligibility criteria in this section.

A party who has a financial interest in the mortgage transaction, such as the seller, builder or real estate agent, may not be a co-Borrower or a Cosigner. Exceptions may be granted when the party with the financial interest is a Family Member.

(1) Social Security Number

(a) Standard

Each Borrower must provide evidence of their valid SSN to the Mortgagee.

Exception

Individuals employed by the World Bank, a foreign embassy or equivalent employer identified by HUD, state and local government agencies, Instrumentalities of Government, and HUD-approved Nonprofit organizations are not required to provide an SSN.

(b) Required Documentation

The Mortgagee must:

- validate and document an SSN for each Borrower, co-Borrower, or Cosigner on the Mortgage by:
 - entering the Borrower's name, date of birth, and SSN in the Borrower/address validation screen through [FHAC](#); and
 - examining the Borrower's original pay stubs, W-2 forms, valid tax returns obtained directly from the IRS, or other document relied upon to underwrite the Mortgage; and
- resolve any inconsistencies or multiple SSNs for individual Borrowers that are revealed during Mortgage processing and underwriting using a service provider to verify the SSN with the SSA.

(2) Borrower Age Limits

The Borrower must be old enough to enter into a mortgage Note that can be legally enforced in the state, or other jurisdiction, where the Property is located ("State Law"). There is no maximum age limit for a Borrower.

(3) Borrower Minimum Decision Credit Score

(a) Definition

The Minimum Decision Credit Score (MDCS) refers to the credit score reported on the Borrower's credit report when all reported scores are the same. Where three scores are reported, the median score is the MDCS. Where two differing scores are reported, the MDCS is the lowest score. Where only one score is reported, that score is the MDCS.

An MDCS is determined for each Borrower. Where the Mortgage involves multiple Borrowers, the Mortgagee must determine the MDCS for each Borrower, and then select the lowest MDCS for all Borrowers.

Where the Mortgage involves multiple Borrowers and one or more of the Borrowers do not have a credit score (non-traditional or insufficient credit), the Mortgagee must select the lowest MDCS of the Borrower(s) with credit score(s).

(b) Eligibility Standard

The Borrower is not eligible for FHA-insured financing if the MDCS is less than 500.

(4) Borrower and Co-Borrower Ownership and Obligation Requirements

To be eligible, all occupying and non-occupying Borrowers and co-Borrowers must take title to the Property in their own name or a [Living Trust](#) at settlement, be obligated on the Note or credit instrument, and sign all security instruments.

In community property states, the Borrower's spouse is not required to be a Borrower or a Cosigner. However, the Mortgage must be executed by all parties necessary to make the lien valid and enforceable under State Law.

(5) Cosigner Requirements

Cosigners are liable for the debt and therefore, must sign the Note. Cosigners do not hold an ownership interest in the subject Property and therefore, do not sign the security instrument.

(6) Principal Residence in the United States

Non-occupying co-Borrowers or Cosigners must either be United States (U.S.) citizens or have a Principal Residence in the U.S.

(7) Military Personnel Eligibility

(a) Standard

Borrowers who are military personnel, who cannot physically reside in a Property because they are on Active Duty, are still considered owner occupants and are eligible for maximum financing if a Family Member of the Borrower will occupy the subject Property as their Principal Residence, or the Borrower intends to occupy the subject Property upon discharge from military service.

(b) Required Documentation

The Mortgagee must obtain a copy of the Borrower's military orders evidencing the Borrower's Active Duty status and that the duty station is more than 100 miles from the subject Property.

The Mortgagee must obtain the Borrower's intent to occupy the subject Property upon discharge from military service, if a Family Member will not occupy the subject Property as their Principal Residence.

(8) Citizenship and Immigration Status

U.S. citizenship is not required for Mortgage eligibility.

(9) Residency Requirements

The Mortgagee must determine the residency status of the Borrower based on information provided on the mortgage application and other applicable documentation. In no case is a Social Security card sufficient to prove immigration or work status.

(ii) Required Documentation

The mortgage file must include evidence of the permanent residency and indicate that the Borrower is a lawful permanent resident alien on the *URLA*.

The U.S. Citizenship and Immigration Services (USCIS) within the Department of Homeland Security provides evidence of lawful, permanent residency status.

(b) Non-Permanent Resident Aliens

A Borrower who is a non-permanent resident alien may be eligible for FHA-insured financing provided:

- the Property will be the Borrower's Principal Residence;
- the Borrower has a valid SSN, except for those employed by the World Bank, a foreign embassy, or equivalent employer identified by HUD;
- the Borrower is eligible to work in the United States, as evidenced by the Employment Authorization Document issued by the USCIS; and
- the Borrower satisfies the same requirements, terms and conditions as those for U.S. citizens.

The Employment Authorization Document is required to substantiate work status. If the Employment Authorization Document will expire within one year and a prior history of residency status renewals exists, the Mortgagee may assume that continuation will be granted. If there are no prior renewals, the Mortgagee must determine the likelihood of renewal based on information from the USCIS.

A Borrower residing in the U.S. by virtue of refugee or asylee status granted by the USCIS is automatically eligible to work in this country. The Employment Authorization Document is not required, but documentation substantiating the refugee or asylee status must be obtained.

(10) Borrower Ineligibility Due to Delinquent Federal Non-Tax Debt

(a) Standard

Mortgagees are prohibited from processing an application for an FHA-insured Mortgage for Borrowers with delinquent federal non-tax debt, including deficiency Judgments and other debt associated with past FHA-insured Mortgages. Mortgagees are required to determine whether the Borrowers have delinquent federal non-tax debt. Mortgagees may obtain information on delinquent Federal Debts from public records, credit reports or equivalent, and must check all Borrowers against the [Credit Alert Verification Reporting System \(CAIVRS\)](#).

(b) Verification

If a delinquent Federal Debt is reflected in a public record, credit report or equivalent, or CAIVRS or an Equivalent System, the Mortgagee must verify the validity and delinquency status of the debt by contacting the creditor agency to whom the debt is owed. If the debt was identified through CAIVRS, the Mortgagee must contact the creditor agency using the contact phone number and debt reference number reflected in the Borrower's CAIVRS report.

If the creditor agency confirms that the debt is valid and in delinquent status as defined by the [Debt Collection Improvement Act](#), then the Borrower is ineligible for an FHA-insured Mortgage until the Borrower resolves the debt with the creditor agency.

The Mortgagee may not deny a Mortgage solely on the basis of CAIVRS information that has not been verified by the Mortgagee. If resolved either by determining that the information in CAIVRS is no longer valid or by resolving the delinquent status as stated above, the Mortgagee may continue to process the mortgage application.

(c) Resolution

In order for a Borrower with verified delinquent Federal Debt to become eligible, the Borrower must resolve their federal non-tax debt in accordance with the [Debt Collection Improvement Act](#).

The creditor agency that is owed the debt can verify that the debt has been resolved in accordance with the Debt Collection Improvement Act.

(d) Required Documentation

Tax liens may remain unpaid if the Borrower has entered into a valid repayment agreement with the federal agency owed to make regular payments on the debt and the Borrower has made timely payments for at least three months of scheduled payments. The Borrower cannot prepay scheduled payments in order to meet the required minimum of three months of payments.

The Mortgagee must include the payment amount in the agreement in the calculation of the Borrower's Debt-to-Income (DTI) ratio.

(b) Verification

Mortgagees must check public records and credit information to verify that the Borrower is not presently delinquent on any Federal Debt and does not have a tax lien placed against their Property for a debt owed to the federal government.

(c) Required Documentation

The Mortgagee must include documentation from the IRS evidencing the repayment agreement and verification of payments made, if applicable.

(13) Valid First Liens

The Mortgagee must ensure that the mortgaged Property will be free and clear of all liens, except the insured Mortgage and any secondary liens permitted by FHA regulations at [24 CFR §§ 203.32 and 203.41](#).

(a) Consent of Non-Borrowing Spouses

(B) Secondary Residence

(1) Definition

Secondary Residence refers to a dwelling that a Borrower occupies in addition to their Principal Residence, but less than a majority of the calendar year. A Secondary Residence does not include a Vacation Home.

(2) Standard

Secondary Residences are only permitted with written approval from the Jurisdictional HOC after a determination that:

- the Borrower has no other Secondary Residence;
- the Secondary Residence will not be a Vacation Home or be otherwise used primarily for recreational purposes;
- the commuting distance to the Borrower's workplace creates an undue hardship on the Borrower and there is no affordable rental housing meeting the Borrower's needs within 100 miles of the Borrower's workplace; and
- the maximum mortgage amount is 85 percent of the lesser of the appraised value or sales price.

(3) Required Documentation

The Mortgagee must demonstrate the lack of affordable rental housing, and include:

- a satisfactory explanation of the need for a Secondary Residence and the lack of available rental housing; and
- written evidence from local real estate professionals who verify a lack of acceptable housing in the area.

(C) Investment Property

(1) Definition

An Investment Property refers to a Property that is not occupied by the Borrower as a Principal or Secondary Residence.

(2) Standard

Investment Properties are not eligible for FHA insurance.

Exception

1. Origination/Processing

Investment Properties are eligible for insurance under the [HUD Real Estate Owned \(REO\) Purchasing](#) product, except under the [203\(k\) program](#).

iv. Property Eligibility and Acceptability Criteria

(A) General Property Eligibility

The Property must be located within the U.S., Puerto Rico, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, or American Samoa.

(1) Special Flood Hazard Areas

The Mortgagee must determine if a Property is located in a Special Flood Hazard Area (SFHA) as designated by the Federal Emergency Management Agency (FEMA). The Mortgagee must obtain flood zone determination services, independent of any assessment made by the Appraiser to cover the Life of the Loan Flood Certification.

A Property is not eligible for FHA insurance if:

- a residential building and related improvements to the Property are located within SFHA Zone A, a Special Flood Zone Area, or Zone V, a Coastal Area, and insurance under the National Flood Insurance Program (NFIP) is not available in the community; or
- the improvements are, or are proposed to be, located within a Coastal Barrier Resources System (CBRS).

(a) Eligibility for Proposed or New Construction in SFHAs

If any portion of the dwelling, related Structures or equipment essential to the value of the Property and subject to flood damage is located within an SFHA, the Property is not eligible for FHA mortgage insurance unless the Mortgagee:

- obtains from FEMA a final Letter of Map Amendment (LOMA) or final Letter of Map Revision (LOMR) that removes the Property from the SFHA; or
- obtains a FEMA National Flood Insurance Program Elevation Certificate ([FEMA Form 086-0-33](#)) prepared by a licensed engineer or surveyor. The elevation certificate must document that the lowest floor including the basement of the residential building, and all related improvements/equipment essential to the value of the Property, is built at or above the 100-year flood elevation in compliance with the NFIP criteria, and insurance under the NFIP is obtained.

(b) Eligibility for Existing Construction in SFHAs

When any portion of the residential improvements is determined to be located within an SFHA, insurance under the NFIP must be obtained.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

(c) Eligibility for Condominiums in SFHAs

The Mortgagee must ensure the Homeowners' Association (HOA) obtains insurance under the NFIP on buildings located within the SFHA. The flood insurance coverage must protect the interest of the Borrowers who hold title to an individual unit, as well as the common areas of the Condominium Project.

(d) Eligibility for Manufactured Housing in SFHAs

The finished grade level beneath the Manufactured Home must be at or above the 100-year return frequency flood elevation. If any portion of the dwelling, related Structures or equipment essential to the Property Value and subject to flood damage for both new and existing Manufactured Homes are located within an SFHA, the Property is not eligible for FHA mortgage insurance unless the Mortgagee obtains:

- a FEMA issued LOMA or LOMR that removes the Property from the SFHA; or
- a FEMA National Flood Insurance Program (NFIP) Elevation Certificate ([FEMA Form 086-0-33](#)) prepared by a licensed engineer or surveyor stating that the finished grade beneath the Manufactured Home is at or above the 100-year return frequency flood elevation, and insurance under the NFIP is obtained.

(e) Required Flood Insurance Amount

For Properties located within an SFHA, Flood Insurance must be maintained for the life of the Mortgage in an amount at least equal to the lesser of:

- the outstanding balance of the Mortgage, less estimated land costs; or
- the maximum amount of the NFIP insurance available with respect to the property improvements.

(f) Required Documentation

The Mortgagee must obtain a Life of Loan Flood Certification for all Properties. If applicable, the Mortgagee must also obtain a:

- FEMA Letter of Map Amendment;
- FEMA Letter of Map Revision; or
- FEMA National Flood Insurance Program Elevation Certificate ([FEMA Form 086-0-33](#)).

(g) Restrictions on Property Locations within Coastal Barrier Resources System

In accordance with the [Coastal Barrier Resources Act](#), a Property is not eligible for FHA mortgage insurance if the improvements are or are proposed to be located within the [Coastal Barrier Resources System](#).

(2) Seller Must Be Owner of Record

(a) Standard

To be eligible for a mortgage insured by FHA, a Property must be purchased from the owner of record. The transaction may not involve any sale or assignment of the sales contract.

(b) Required Documentation

The Mortgagee must obtain documentation verifying that the seller is the owner of record.

Such documentation may include, but is not limited to:

- a property sales history report;
- a copy of the recorded deed from the seller; or
- other documentation, such as a copy of a property tax bill, title commitment, or binder, demonstrating the seller's ownership of the Property and the date it was acquired.

This requirement applies to all FHA purchase money Mortgages, regardless of the time between resales.

(3) Restrictions on Property Flipping

Property Flipping is indicative of a practice whereby recently acquired Property is resold for a considerable profit with an artificially inflated value.

(a) Definition

Property Flipping refers to the purchase and subsequent resale of a Property in a short period of time.

(b) Standard

(i) Time Restriction on Transfers of Title

The eligibility of a Property for a Mortgage insured by FHA is determined by the time that has elapsed between the date the seller has acquired title to the Property and the date of execution of the sales contract that will result in the FHA-insured Mortgage.

FHA defines the seller's date of acquisition as the date the seller acquired legal ownership of that Property. FHA defines the resale date as the date of execution of the sales contract by all parties intending to finance the Property with an FHA-insured Mortgage.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

(ii) Restriction on Resales Occurring 90 Days or Fewer After Acquisition

A Property that is being resold 90 Days or fewer following the seller's date of acquisition is not eligible for an FHA-insured Mortgage.

(iii) Resales Occurring Between 91 Days and 180 Days After Acquisition

A Mortgagee must obtain a second appraisal by another Appraiser if:

- the resale date of a Property is between 91 and 180 Days following the acquisition of the Property by the seller; and
- the resale price is 100 percent or more over the price paid by the seller to acquire the Property.

If the second appraisal supports a value of the Property that is more than 5 percent lower than the value of the first appraisal, the lower value must be used as the Property Value in determining the Adjusted Value.

The cost of the second appraisal may not be charged to the Borrower.

(iv) Exceptions to Time Restrictions on Resale

Exceptions to time restrictions on resale are:

- Properties acquired by an employer or relocation agency in connection with the relocation of an employee;
- resales by HUD under its REO program;
- sales by other U.S. government agencies of Single Family Properties pursuant to programs operated by these agencies;
- sales of Properties by nonprofits approved to purchase HUD owned Single Family Properties at a discount with resale restrictions;
- sales of Properties that are acquired by the seller by inheritance;
- sales of Properties by state and federally-chartered financial institutions and Government-Sponsored Enterprises (GSE);
- sales of Properties by local and state government agencies; and
- sales of Properties within PDMDAs, only upon issuance of a notice of an exception from HUD.

The restrictions listed above and those in [24 CFR § 203.37a](#) do not apply to a builder selling a newly built house or building a house for a Borrower planning to use FHA-insured financing.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

1. Origination/Processing

(c) Required Documentation

The Mortgagee must obtain a 12 month chain of title documenting compliance with time restrictions on resales.

(4) Restriction on Investment Properties for Hotel and Transient Use

(a) Standard

The Mortgagee must obtain the Borrower's agreement that Investment Properties using FHA-insured financing will not be used for hotel or transient purposes, or otherwise rented for periods of less than 30 Days.

(b) Required Documentation

The Mortgagee must obtain a completed form [HUD-92561](#), *Borrower's Contract with Respect to Hotel and Transient Use of Property*, for each Mortgage secured by:

- a two- to four-unit dwelling; or
- a Single Family dwelling that is one of a group of five or more dwellings owned by the Borrower within a two block radius.

(5) Mixed Use of Property

Mixed Use refers to a Property suitable for a combination of uses including any of the following: commercial, residential, retail, office or parking space. Mixed Use one- to four-unit Single Family Properties are eligible for FHA insurance, provided:

- a minimum of 51 percent of the entire building square footage is for residential use; and
- the commercial use will not affect the health and safety of the occupants of the residential Property.

(6) Property Assessed Clean Energy

Property Assessed Clean Energy (PACE) refers to an alternative means of financing energy and other PACE-allowed improvements for residential properties using financing provided by private enterprises in conjunction with state and local governments. Generally, the repayment of the PACE obligation is collected in the same manner as a special assessment tax; it is collected by the local government rather than paid directly by the Borrower to the party providing the PACE financing.

Generally, the PACE obligation is also secured in the same manner as a special assessment tax against the Property. In the event of a sale, including a foreclosure sale, of the Property with outstanding PACE financing, the obligation will continue with the Property causing the new homeowner to be responsible for the

payments on the outstanding PACE amount. In cases of foreclosure, priority collection of delinquent payments for the PACE assessment may be waived or relinquished.

Properties which will remain encumbered with a PACE obligation are not eligible for FHA mortgage insurance.

(7) Dwelling Unit Limitation

(a) Standard

If the Mortgage will be secured by an Investment Property, including Mortgages for Governmental Entities or nonprofit Borrowers, the Borrower may not have a financial interest, regardless of the ownership or financing type, in more than seven Dwelling Units within a two block radius. In determining the number of Dwelling Units owned by the Borrower, the Mortgagee must count each Dwelling Unit in a two-, three-, and four-family Property.

(b) Required Documentation

If the Borrower owns six or more units within a two block radius, a map must be provided disclosing the locations of the units as evidence of compliance with FHA's seven unit limitation.

(B) Property Types

FHA's programs differ from one another primarily in terms of what types of Properties and financing are eligible. Except as otherwise stated in this *SF Handbook*, FHA's Single Family programs are limited to one- to four-family Properties that are owner-occupied Principal Residences. FHA insures Mortgages on Real Property secured by:

- detached or semi-detached dwellings
- Manufactured Housing
- townhouses or row houses
- individual units within FHA-Approved Condominium Projects

FHA will not insure Single Family Mortgages secured by:

- commercial enterprises
- boarding houses
- hotels, motels and condotels
- tourist houses
- private clubs
- bed and breakfast establishments
- other transient housing

(1) One Unit

A one-unit Property is a one-family dwelling.

(2) Two Unit

A two-unit Property is a Single Family residential Property with two individual dwellings.

The Mortgagee must obtain a completed form [HUD-92561](#), *Borrower's Contract with Respect to Hotel and Transient Use of Property*.

(3) Three to Four Unit

A three- to four-unit Property is a Single Family residential Property with three to four individual dwellings.

The Mortgagee must obtain a completed form [HUD-92561](#).

Self-Sufficiency Rental Income Eligibility

(a) Definition

Net Self-Sufficiency Rental Income refers to the Rental Income produced by the subject Property over and above the [Principal, Interest, Taxes, and Insurance \(PITI\)](#).

(b) Standard

The PITI divided by the monthly Net Self-Sufficiency Rental Income may not exceed 100 percent for three- to four-unit Properties.

(c) Calculation

Net Self-Sufficiency Rental Income is calculated by using the Appraiser's estimate of fair market rent from all units, including the unit the Borrower chooses for occupancy, and subtracting the greater of the Appraiser's estimate for vacancies and maintenance, or 25 percent of the fair market rent.

(4) Condominium Unit

A Condominium Unit is a Property contained in a multi-unit project that has individually-owned Dwelling units, which may be either attached in one or more Structures or detached from each other, and is primarily residential in use.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

1. Origination/Processing

(a) Standard

A condominium development is created by state or local law and is characterized by fee-simple ownership of a unit, which is defined in the condominium documents, together with common areas. The property interest in these areas is both common and undivided on the part of all unit owners, each of whom belongs to the HOA that typically maintains the Property and collects assessments or dues from each unit owner.

A [Condominium Project](#) must be FHA approved before a Mortgage on an individual Condominium Unit can be insured.

(b) Site Condominiums

A Site Condominium refers to:

- a Condominium Project that consists entirely of single family detached dwellings that have no shared garages, or any other attached buildings; or
- a Condominium Project that:
 - consists of single family detached or horizontally attached (townhouse) dwellings where the unit consists of the dwelling and land;
 - does not contain any Manufactured Housing units; and
 - is encumbered by a declaration of condominium covenants or a condominium form of ownership.

Manufactured Housing condominium units may not be processed as Site Condominiums.

(5) Manufactured Housing

(a) Definition

Manufactured Housing is a Structure that is transportable in one or more sections. It may be part of a [Condominium Project](#), provided the project meets applicable FHA requirements.

(b) Standard

To be eligible for FHA mortgage insurance as a Single Family Title II Mortgage, all Manufactured Housing must:

- be designed as a one-family dwelling;
- have a floor area of not less than 400 square feet;
- have the HUD Certification Label affixed or have obtained a [letter of label verification](#) issued on behalf of HUD, evidencing the house was constructed on or after June 15, 1976, in compliance with the [Federal Manufactured Home Construction and Safety Standards](#);

- be classified as real estate (but need not be treated as real estate for purposes of state taxation);
- be built and remain on a permanent chassis;
- be designed to be used as a dwelling with a permanent foundation built in accordance with the [Permanent Foundations Guide for Manufactured Housing \(PFGMH\)](#); and
- have been directly transported from the manufacturer or the dealership to the site.

(c) Required Documentation

(i) HUD Certification Label

If the appraisal indicates the HUD Certification Label is missing from the Manufactured Housing unit, the Mortgagee must obtain label verification from the [Institute for Building Technology and Safety \(IBTS\)](#).

(ii) PFGMH Certification

The Mortgagee must obtain a certification by an engineer or architect, who is licensed/registered in the state where the Manufactured Home is located, attesting to compliance with the PFGMH.

The Mortgagee may obtain a copy of the foundation certification from a previous FHA-insured Mortgage, showing that the foundation met the guidelines published in the PFGMH that were in effect at the time of certification, provided there are no alterations and/or observable damage to the foundation since the original certification.

If the Appraiser notes additions or alterations to the Manufactured Housing unit, the Mortgagee must ensure the addition was addressed in the foundation certification.

If the additions or alterations were not addressed in the foundation certification, the Mortgagee must obtain:

- an inspection by the state administrative agency that inspects Manufactured Housing for compliance; or
- certification of the structural integrity from a licensed structural engineer if the state does not employ inspectors.

(C) Property Valuation

The Mortgagee is responsible for obtaining an appraisal to verify the value of the Property and the Property's compliance with HUD's [Minimum Property Standards \(MPS\)](#).

(1) Integrity of Valuation Process: Communications with Mortgagees

The Mortgagee must ensure the integrity of the valuation process by ensuring the valuation process is free from conflicts of interest and the appearance of conflicts of interest.

(a) Standard

The Mortgagee must prevent its staff, or any person who is compensated on a commission basis upon the successful completion of a Mortgage, or who reports, ultimately, to any officer of the Mortgagee not independent of the mortgage production staff and process, from having substantive communications with an Appraiser relating to or having an impact on valuation, including ordering or managing an appraisal assignment. Normal communications necessary to processing of a case is permissible, but cannot attempt to influence the Appraiser.

The underwriter who has responsibility for the quality of the appraisal report is allowed to request clarifications and discuss with the Appraiser components of the appraisal that influence its quality.

(b) Exception for Smaller Mortgagees

When absolute lines of independence cannot be achieved because of the Mortgagee's small size and limited staff, the Mortgagee must clearly demonstrate that it has prudent safeguards to isolate its collateral evaluation process from influence or interference from its mortgage production process.

(2) Communications with Third Parties

The underwriter may request a clarification or reconsideration of value from the Appraiser, following the requirements in [Reconsideration of Value](#). The Mortgagee may not discuss the contents of an appraisal with anyone other than the Borrower.

(3) Verifying HUD's Minimum Property Standards/Minimum Property Requirements

As the on-site representative for the Mortgagee, the Appraiser provides preliminary verification that a Property meets the Property Acceptability Criteria, which include HUD's Minimum Property Requirements (MPR) or Minimum Property Standards (MPS).

When examination of a Property reveals noncompliance with the Property Acceptability Criteria, the Appraiser must note all repairs necessary to make the Property comply with HUD's Property Acceptability Criteria, together with the estimated cost to cure.

v. Legal Restrictions on Conveyance (Free Assumability)

The Mortgagee must determine that any legal restrictions on conveyance conform with the requirements in [24 CFR § 203.41](#).

In accordance with 24 CFR § 203.41 (d)(1)(ii), FHA considers a reasonable share of appreciation to be at least 50 percent. HUD does not object to affordable housing programs whereby the homeowner's share of appreciation is on a sliding scale beginning at zero, provided that within two years the homeowner would be permitted to retain 50 percent of the appreciation. If the program sets a maximum sales price restriction, the Borrower must be permitted to retain 100 percent of the appreciation.

A Property that contains leased equipment, or operates with a leased energy system or Power Purchase Agreement (PPA), may be eligible for FHA-insured financing but only when such agreements are free of restrictions that prevent the Borrower from freely transferring the Property.

Such agreements are acceptable, provided they do not cause a conveyance (ownership transfer) of the insured Property by the Borrower to:

- be void, or voidable by a third party;
- be the basis of contractual liability of the Borrower (including rights of first refusal, pre-emptive rights or options related to a Borrower's efforts to convey);
- terminate or be subject to termination all or part of the interest held by the Borrower;
- be subject to the consent of a third party;
- be subject to limits on the amount of sales proceeds a Borrower can retain (e.g., due to a lien, "due on sale" clause, etc.);
- be grounds for accelerating the insured Mortgage; or
- be grounds for increasing the interest rate of the insured Mortgage.

Any restrictions resulting from provisions of the lease or PPA do not conflict with FHA regulations unless they include provisions encumbering the Real Property or restricting the transfer of the Real Property.

Legal restrictions on conveyance of Real Property (i.e., the house) that could require the consent of a third party (e.g., energy provider, system owner, etc.), include but are not limited to, credit approval of a new purchaser before the seller can convey the Real Property, unless such provisions may be terminated at the option of, and with no cost to, the owner.

If an agreement for an energy system lease or PPA could cause restriction upon transfer of the house, the Property is subject to impermissible legal restrictions and is generally ineligible for FHA insurance.

2. Allowable Mortgage Parameters

2. Allowable Mortgage Parameters

This section provides the basic underwriting standards for Single Family (one to four units) Mortgages insured under the National Housing Act. When underwriting a Mortgage, the Mortgagee must determine the Borrower's creditworthiness, capacity to repay, and available capital to support the Mortgage. The Mortgagee must also examine the Property to ensure it provides sufficient collateral for the Mortgage.

For each Mortgage the Federal Housing Administration (FHA) insures, the Mortgagee must fully comply with the following underwriting procedures.

a. Maximum Mortgage Amounts

A Mortgage that is to be insured by FHA cannot exceed the [Nationwide Mortgage Limits](#), the nationwide area mortgage limit, or the maximum Loan-to-Value (LTV) ratio. The maximum [LTV](#) ratios vary depending upon the type of Borrower, type of transaction (purchase or refinance), program type, and stage of construction.

Under most programs, the maximum Mortgage is the lesser of the [Nationwide Mortgage Limit](#) for the area, or a percentage of the Adjusted Value.

For purchase transactions, the Adjusted Value is the lesser of:

- purchase price less any inducements to purchase; or
- the Property Value.

For refinance transactions:

- For Properties acquired by the Borrower within 12 months of the case number assignment date, the Adjusted Value is the lesser of:
 - the Borrower's purchase price, plus any documented improvements made subsequent to the purchase; or
 - the Property Value.
- Properties acquired by the Borrower within 12 months of case number assignment by inheritance or through a gift from a Family Member may utilize the calculation of Adjusted Value for properties purchased 12 months or greater.
- For properties acquired by the Borrower greater than or equal to 12 months prior to the case number assignment date, the Adjusted Value is the Property Value.

i. National Housing Act's Statutory Limits

The National Housing Act establishes the maximum Mortgage limits and the mortgage amounts for all FHA mortgage insurance programs.

ii. Nationwide Mortgage Limits

Mortgage limits are calculated based on the median house prices in accordance with the statute. FHA's Single Family mortgage limits are set by Metropolitan Statistical Area and county and will be published periodically. FHA's Single Family mortgage limits are

available [by MSA and county](#), or by [downloading a complete listing](#). FHA publishes updated limits effective for each calendar year.

These limits will be set at or between the low cost area and high cost area limits based on the median house prices for the area.

(A) Requests for Local Increases

Any requests to change high-cost area Mortgage limits determined by HUD must be received by FHA's Santa Ana Homeownership Center (HOC) at the address below no later than 30 Days from the publication of the limits each year. Any changes in area Mortgage limits as a result of valid appeals will be retroactively in effect for case numbers assigned on or after January 1 of each year.

Each request to change Mortgage limits must contain sufficient housing sales price data, listing one-family Properties sold in an area within the look-back period, January through August of the previous year. Requests should differentiate between Single Family residential Properties, and condominiums or cooperative housing units. Ideally, data provided should also distinguish between distressed and non-distressed sales. Requests for a change will only be considered for counties for which HUD does not already have home sales transaction data for the calculation of Mortgage limits.

All requests for local area increases in all areas will be handled exclusively by FHA's Santa Ana HOC:

(B) Low Cost Area

The FHA national low cost area mortgage limits, which are set at 65 percent of the national conforming limit of \$424,100 for a one-unit Property, are, by property unit number, as follows:

- Two-unit: \$352,950

- Four-unit: \$530,150

(C) High Cost Area

The FHA national high cost area mortgage limits, which are set at 150 percent of the national conforming limit of \$424,100 for a one-unit Property, are, by property unit number, as follows:

- One-unit: \$636,150
- Two-unit: \$814,500
- Three-unit: \$984,525
- Four-unit: \$1,223,475

(D) Special Exceptions for Alaska, Hawaii, Guam, and the Virgin Islands

FHA adjusts mortgage limit ceilings for the special exception areas of Alaska (AK), Hawaii (HI), Guam (GU) and the Virgin Islands (VI) to account for higher costs of construction. These Special Exception Area limit ceilings are set at 150 percent of FHA's High Cost Area mortgage limits, rounded down to the nearest \$25. These four special exception areas have a higher ceiling as follows:

- One-unit: \$954,225
- Two-unit: \$1,221,750
- Three-unit: \$1,476,775
- Four-unit: \$1,835,200

iii. Financing of Upfront Mortgage Insurance Premium

Unless otherwise stated in this section (Origination through Post-Closing/Endorsement), restrictions to mortgage amounts and LTVs are based upon the amount prior to the financing of the Upfront Mortgage Insurance Premium (UFMIP) (Base Loan Amount). The total mortgage amount may be increased by the financed UFMIP amount.

iv. Calculating Maximum Mortgage Amounts on Purchases

The maximum mortgage amount that FHA will insure on a specific purchase is calculated by multiplying the appropriate LTV percentage by the Adjusted Value.

In order for FHA to insure this maximum mortgage amount, the Borrower must make a Minimum Required Investment (MRI) of at least 3.5 percent of the Adjusted Value.

v. Additions to the Mortgage Amount for Repair and Improvement

(A) Appraiser Required Repairs

A Mortgagee may add repair costs to the sales price before calculating the mortgage amount if:

- the repairs are required by the Appraiser to meet HUD's MPR;
- the repairs are paid for by the Borrower; and

- the sales contract or addendum identifies the Borrower as the party responsible for payment and completion of the repairs.

The maximum amount of repair costs that may be added to the sales price is the lesser of:

- the amount by which the value of the Property exceeds the sales price;
- the Appraiser's estimate of repairs; or
- the amount of the contractor's bid.

(B) Energy-Related Weatherization Repairs and Improvements

A Mortgagee may add energy-related weatherization costs, to be paid for by the Borrower, in accordance with [Weatherization](#) policies.

(C) Solar Energy Systems

A Mortgagee may add the cost of a solar energy system (including active and passive solar- and wind-driven systems) to the Mortgage in accordance with [Solar and Wind Technologies](#) policies.

When adding the cost of a solar energy system to the mortgage amount, the maximum insurable mortgage limit may be exceeded by up to 20 percent.

b. Loan-to-Value Limits

The determination of the maximum LTV percentage available is influenced by:

- the particular mortgage insurance program (See [Programs and Products](#)); and
- the transaction type.

The Mortgagee must apply the lowest applicable LTV percentage as determined under the requirements in this section.

i. LTV Limitations Based on Borrower's Credit Score (Applies to All Transactions)

The Mortgagee must review the credit report to determine the Borrower's Minimum Decision Credit Score (MDCS), except for Mortgages to be insured under [Section 247](#), [Section 248](#), [Streamline Refinances](#), and [Assumptions](#).

The MDCS will be used to determine the maximum insured financing available to a Borrower with traditional credit.

The table below describes the relationship between the Borrower's MDCS and the LTV ratio for which they are eligible. Borrowers with non-traditional or insufficient credit histories are eligible for maximum financing, but must be underwritten using the procedures in [Manual Underwriting](#).

For purchase transactions, the maximum LTV is 96.5 percent of the Adjusted Value.

For special programs and products including refinances, the maximum LTV is determined in accordance with requirements listed in this *SF Handbook's* [Programs and Products section](#).

(A) LTV Limitations Based on Identities of Interest

(1) Definitions

An Identity-of-Interest Transaction is a sale between parties with an existing Business Relationship or between Family Members.

Business Relationship refers to an association between individuals or companies entered into for commercial purposes.

(2) Maximum LTV for Identity-of-Interest and Tenant/Landlord Transactions

The maximum LTV percentage for Identity-of-Interest transactions on Principal Residences is restricted to 85 percent.

The maximum LTV percentage for a transaction where a tenant-landlord relationship exists at the time of contract execution is restricted to 85 percent.

(3) Exceptions to the Maximum LTV

The 85 percent maximum LTV restriction does not apply for Identity-of-Interest transactions under the following circumstances.

(a) Family Member Transactions

The 85 percent LTV restriction may be exceeded if a Borrower purchases as their Principal Residence:

- the Principal Residence of another Family Member; or
- a Property owned by another Family Member in which the Borrower has been a tenant for at least six months immediately predating the sales contract. A lease or other written evidence to verify occupancy is required.

2. Allowable Mortgage Parameters

(b) Builder's Employee Purchase

The 85 percent LTV restriction may be exceeded if an employee of a builder, who is not a Family Member, purchases one of the builder's new houses or models as a Principal Residence.

(c) Corporate Transfer

The 85 percent LTV restriction may be exceeded if a corporation transfers an employee to another location, purchases the employee's house, and sells the house to another employee.

(d) Tenant Purchase

The 85 percent LTV restriction may be exceeded if the current tenant purchases the Property where the tenant has rented the Property for at least six months immediately predating the sales contract.

A lease or other written evidence to verify occupancy is required.

(B) LTV Limitations Based on Non-Occupying Borrower Status

(1) Definition

A Non-Occupying Borrower Transaction refers to a transaction involving two or more Borrowers in which one or more of the Borrower(s) will not occupy the Property as their Principal Residence.

(2) Maximum LTV for Non-Occupying Borrower Transaction

For Non-Occupying Borrower Transactions, the maximum LTV is 75 percent. The LTV can be increased to a maximum of 96.5 percent if the Borrowers are Family Members, provided the transaction does not involve:

- a Family Member selling to a Family Member who will be a non-occupying co-Borrower; or
- a transaction on a two- to four-unit Property.

iii. Refinance

For refinance transactions, the maximum LTV is determined in accordance with [Refinance](#) program specific requirements.

iv. New Construction

For New Construction transactions, the maximum LTV is determined in accordance with [New Construction](#) program specific requirements.

c. Required Investment

i. Total Required Investment

Total Required Investment refers to the amount the Borrower must contribute to the transaction including the Borrower's downpayment and the Borrower-paid transaction costs. The Total Required Investment includes the Minimum Required Investment (MRI).

ii. Minimum Required Investment

Minimum Required Investment (MRI) refers to the Borrower's contribution in cash or its equivalent required by Section 203(b)(9) of the National Housing Act, which represents at least 3.5 percent of the Adjusted Value of the Property.

d. Maximum Mortgage Term

The maximum mortgage term may not exceed 30 years from the date that amortization begins. FHA does not require that mortgage terms be in five year multiples.

e. Mortgage Insurance Premiums

FHA collects a one-time Upfront Mortgage Insurance Premium (UFMIP) and an annual insurance premium, also referred to as the periodic or monthly MIP, which is collected in monthly installments.

i. Upfront Mortgage Insurance Premium

(A) Upfront Mortgage Insurance Premium Amount

Most FHA mortgage insurance programs require the payment of UFMIP, which may be financed into the Mortgage. The UFMIP is not considered when calculating the area-based [Nationwide Mortgage Limits](#) and LTV limits.

The UFMIP charged for all amortization terms is 175 Basis Points (bps), unless otherwise stated in the applicable [Programs and Products](#) or in the [MIP chart](#).

The UFMIP must be entirely financed into the Mortgage or paid entirely in cash. Any UFMIP amounts paid in cash are added to the total cash settlement requirements. However, if the UFMIP is financed into the Mortgage, the entire amount is to be financed except for any amount less than \$1.00.

The mortgage amount must be rounded down to the nearest whole dollar amount, regardless of whether the UFMIP is financed or paid in cash.

(B) Refund and Credit of Upfront Mortgage Insurance Premium

The UFMIP is not refundable, except in connection with the refinancing to a new FHA-insured Mortgage. See the [Refinances](#) Section.

2. Allowable Mortgage Parameters

ii. Annual (or Periodic) Mortgage Insurance Premium

The periodic MIP is an annual MIP that is payable monthly. The amount of the annual MIP is based on the LTV ratio, Base Loan Amount and the term of the Mortgage.

The MIP rate and duration of the MIP assessment period vary by mortgage term, Base Loan Amount, and LTV ratio for the Mortgage, as shown in the [MIP chart](#).

3. Underwriting the Property

3. Underwriting the Property

The Mortgagee must underwrite the completed appraisal report to determine if the Property provides sufficient collateral for the FHA-insured Mortgage. The appraisal and Property must comply with the requirements in [Appraiser and Property Requirements for Title II Forward and Reverse Mortgages](#). The appraisal must be reported in accordance with [Acceptable Appraisal Reporting Forms and Protocols](#).

a. Property Acceptability Criteria

The Mortgagee must evaluate the appraisal and any supporting documentation to determine if the Property complies with HUD's Property Acceptability Criteria. Existing and New Construction Properties must comply with [Application of Minimum Property Requirements and Minimum Property Standards by Construction Status](#).

i. Defective Conditions

The Mortgagee must evaluate the appraisal in accordance with [Defective Conditions](#) to determine if the Property is eligible for an FHA-insured Mortgage. If defective conditions exist and correction is not feasible, the Mortgagee must reject the Property.

ii. Minimum Property Requirements and Minimum Property Standards

As the on-site representative for the Mortgagee, the Appraiser provides preliminary verification that a Property meets the Property Acceptability Criteria, which includes HUD's [Minimum Property Requirements \(MPR\) and Minimum Property Standards \(MPS\)](#).

Minimum Property Requirements refer to general requirements that all homes insured by FHA be safe, sound, and secure.

Minimum Property Standards refer to regulatory requirements relating to the safety, soundness and security of [New Construction](#).

When examination of a Property reveals noncompliance with the Property Acceptability Criteria, the Appraiser must note all repairs necessary to make the Property comply with HUD's Property Acceptability Criteria, together with the estimated cost to cure. If the Appraiser cannot determine that a Property meets HUD's MPR or MPS, the Mortgagee may obtain an inspection from a qualified Entity to make the determination. Mortgagees must use professional judgment in determining when inspections are necessary to determine that a property meets MPR or MPS. Mortgagees must also use professional judgment in determining when a Property condition poses a threat to the health and safety of the occupant and/or jeopardizes the soundness and structural integrity of the Property, such that additional inspections and/or repairs are necessary.

The Mortgagee must confirm that the Property complies with the following eligibility criteria. If the Mortgage is to be insured under the 203(k) program, the Mortgagee must

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

3. Underwriting the Property

confirm that the Property will comply with the following eligibility criteria upon completion of repairs and improvements.

(A) Encroachment

The Mortgagee must ensure the subject's dwelling, garage, or other improvements do not encroach onto an adjacent Property, right-of-way, utility Easement, or building restriction line. The Mortgagee must also ensure a neighboring dwelling, garage, or other improvements do not encroach onto the subject Property. Encroachment by the subject or adjacent Property fences is acceptable provided such Encroachment does not affect the marketability of the subject Property.

(B) Overhead Electric Power

The Mortgagee must confirm that any Overhead Electric Power Transmission Lines do not pass directly over any dwelling, Structure or related property improvement, including pools. The power line must be relocated for a Property to be eligible for FHA-insured financing.

The residential service drop line may not pass directly over any pool, spa or water feature.

If the dwelling or related property improvements are located within the Easement area, the Mortgagee must obtain a certification from the appropriate utility company or local regulatory agency stating that the relationship between the improvements and Local Distribution Lines conforms to local standards and is safe.

(C) Access to Property

The Mortgagee must confirm that the Property is provided with a safe pedestrian access and Adequate Vehicular Access from a public or private street. Streets must either be dedicated to public use and maintenance, or retained as private streets protected by permanent recorded Easements.

Private streets, including shared driveways, must be protected by permanent recorded Easements, ownership interest, or be owned and maintained by an HOA. Shared driveways do not require a joint maintenance agreement.

(D) Onsite Hazards and Nuisances

The Mortgagee must require corrective work to mitigate potential adverse effects from any onsite hazards or nuisances reported by the Appraiser.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

3. Underwriting the Property

(E) Abandoned Gas and Oil Well

If the Property contains any abandoned gas or oil wells, the Mortgagee must obtain a letter from the local jurisdiction or appropriate state agency stating that the subject well was permanently abandoned in a safe manner.

If the Property contains any abandoned petroleum product wells, the Mortgagee must ensure that a qualified petroleum engineer has inspected the Property and assessed the risk, and that the appropriate state authorities have concurred on clearance recommendations.

(F) Requirements for Living Unit

The Mortgagee must confirm that each living unit contains:

- a continuing and sufficient supply of safe and potable water under adequate pressure and of appropriate quality for all household uses;
- sanitary facilities and a safe method of sewage disposal. Every living unit must have at least one bathroom, which must include, at a minimum, a water closet, lavatory, and a bathtub or shower;
- adequate space for healthful and comfortable living conditions;
- heating adequate for healthful and comfortable living conditions;
- domestic hot water; and
- electricity adequate for lighting, cooking and for mechanical equipment used in the living unit.

The Mortgagee must ensure that [appliances](#) that are to remain and that contribute to the market value opinion are operational.

FHA does not have a minimum size requirement for one- to four-family dwellings and Condominium Units. For Manufactured Housing requirements, see the [Manufactured Housing](#) section.

(G)Swimming Pools

The Mortgagee must confirm that any swimming pools comply with all local ordinances.

(H)Structural Conditions

The Mortgagee must confirm that the Structure of the Property will be serviceable for the life of the Mortgage.

The Mortgagee must confirm that all foundations will be serviceable for the life of the Mortgage and adequate to withstand all normal loads imposed.

3. Underwriting the Property

(I) Economic Life/Section 223(e)

The Mortgagee must confirm that the term of the Mortgage is less than or equal to the remaining economic life of the Property.

If the Property is located in an older, declining urban area and the remaining economic life produces an unreasonably short mortgage term by reason of its location, the Property may be acceptable under Section 223(e), provided:

- the area is reasonably able to support adequate housing and living conditions for families of lower income levels;
- the location features adversely affecting the desirability and usefulness of the Property do not endanger the health and safety of its occupants;
- the Property is marketable to the typical occupant of the area;
- the physical life of the Property is greater than or equal to the term of the Mortgage; and
- the Mortgage represents an overall acceptable risk as determined by the Jurisdictional HOC.

All Mortgages to be insured under Section 223(e) must be submitted to the Jurisdictional HOC for prior approval.

(J) Environmental

The Mortgagee must confirm that the Property is free of all known environmental and safety hazards and adverse conditions that may affect the health and safety of the occupants, the Property's ability to serve as collateral, and the structural soundness of the improvements.

(K)Lead-Based Paint

The Mortgagee must confirm that the Property is free of lead paint hazards.

(L) Methamphetamine Contamination

If the Mortgagee or the Appraiser identifies a Property as contaminated by the presence of methamphetamine (meth), either by its manufacture or by consumption, the Property is ineligible due to this environmental hazard until the Property is certified safe for habitation.

(M) Repair Requirements

The Mortgagee must determine which repairs must be made for an existing Property to be eligible for FHA-insured financing.

(N) Utility Services

If utilities are not located on Easements that have been permanently dedicated to the local government or appropriate public utility body, the Mortgagee must confirm that this information is recorded on the deed record.

(O) Water Supply Systems

(1) Public Water Supply System

The Mortgagee must confirm that a connection is made to a public or Community Water System whenever feasible and available at a reasonable cost. If connection costs to the public or community system are not reasonable, the existing onsite systems are acceptable, provided they are functioning properly and meet the requirements of the local health department.

When a public water supply system is present, the water quality is considered to be safe and potable and to meet the requirements of the health authority with jurisdiction unless:

- the Appraiser indicates deficiencies with the water or notifies the Mortgagee that the water is unsafe; or
- the health authority with jurisdiction issues a public notice indicating that the water is unsafe.

(2) Individual Water Supply Systems (Wells)

When an Individual Water Supply System is present, the Mortgagee must ensure that the water quality meets the requirements of the health authority with jurisdiction.

If there are no local (or state) water quality standards, then water quality must meet the standards set by the EPA, as presented in the National Primary Drinking Water regulations in 40 CFR §§ 141 and 142.

(a) Requirements for Well Water Testing

A well water test is required for, but not limited to, Properties:

- that are newly constructed;
- where an Appraiser has reported deficiencies with a well or the well water;
- where water is reported to be unsafe or known to be unsafe;
- located in close proximity to dumps, landfills, industrial sites, farms (pesticides) or other sites that could contain hazardous wastes; or
- where the distance between the well and septic system is less than 100 feet.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

3. Underwriting the Property

All testing must be performed by a disinterested third party. This includes the collection and transport of the water sample collected at the water supply source. The sample must be collected and tested by the local health authority, a commercial testing laboratory, a licensed sanitary engineer, or other party that is acceptable to the local health authority. At no time will the Borrower/owner or other Interested Party collect and/or transport the sample.

Requirements for the location of wells for FHA-insured Properties are located in 24 CFR § 200.926d (f) (3).

The following tables provide the minimum distance required between wells and sources of pollution for Existing Construction:

Individual Water Supply System for Minimum Property Requirements for Existing Construction*	
1	Property line/10 feet
2	Septic tank/50 feet
3	Drain field/100 feet
4	Septic tank drain field reduced to 75 feet if allowed by local authority
5	If the subject Property line is adjacent to residential Property then local well distance requirements prevail. If the subject Property is adjacent to non-residential Property or roadway, there needs to be a separation distance of at least 10 feet from the property line.
* distance requirements of local authority prevail if greater than stated above	

The following provides the minimum requirements for water wells:

Water Wells Minimum Property Standards for New Construction 24 CFR § 200.926d(f)(1)	
1	Lead-free piping
2	If no local chemical and bacteriological water standards, state standards apply
3	Connection of public water whenever feasible
4	Wells must deliver water flow of five gallons per minute over at least a four-hour period

Water Wells Minimum Property Requirements for Existing Construction	
1	Existing wells must deliver water flow of three to five gallons per minute
2	No exposure to environmental contamination
3	Continuing supply of safe and potable water
4	Domestic hot water
5	Water quality must meet requirements of local jurisdiction or the EPA if no local standard

(b) Required Documentation

The Mortgagee must obtain a valid water test from the local health authority or a lab qualified to conduct water testing in the jurisdictional state or local authority.

(3) Shared Wells

The Mortgagee must confirm that a Shared Well:

- serves existing Properties that cannot feasibly be connected to an acceptable public or Community Water supply System;
- is capable of providing a continuous supply of water to involved Dwelling Units so that each existing Property simultaneously will be assured of at least three gallons per minute (five gallons per minute for Proposed Construction) over a continuous four-hour period. (The well itself may have a lesser yield if pressurized storage is provided in an amount that will make 720 gallons of water available to each connected existing dwelling during a continuous four-hour period or 1,200 gallons of water available to each proposed dwelling during a continuous four-hour period. The shared well system yield must be demonstrated by a certified pumping test or other means acceptable to all agreeing parties.);
- provides safe and potable water. An inspection is required under the same circumstances as an individual well. This may be evidenced by a letter from the health authority having jurisdiction or, in the absence of local health department standards, by a certified water quality analysis demonstrating that the well water complies with the EPA's National Interim Primary Drinking Water Regulations;
- has a valve on each dwelling service line as it leaves the well so that water may be shut off to each served dwelling without interrupting service to the other Properties; and
- serves no more than four living units or Properties.

(a) Requirements for Well Water Testing

A well water test is required for, but not limited to, Properties:

- that are newly constructed;
- where an Appraiser has reported deficiencies with a well or the well water;
- where water is reported to be unsafe or known to be unsafe;
- located in close proximity to dumps, landfills, industrial sites, farms (pesticides) or other sites that could contain hazardous wastes; or
- where the distance between the well and septic system is less than 100 feet.

At no time will the Borrower/owner or other Interested Party collect and/or transport the sample.

For both proposed and existing Properties, the Mortgagee must ensure that the shared well agreement complies with the guidance provided in the following table.

Item	Provisions that must be reflected in any acceptable shared well agreement include the following:
1	Require that the agreement is binding upon signatory parties and their successors in title, recorded in local deed records when executed and recorded, and reflects joiner by any Mortgagee holding a Mortgage on any Property connected to the Shared Well.
2	Permit well water sampling and testing by the local authority at the request of any party at any time.

4	Ensure continuity of water service to “supplied” parties if the “supplying” party has no further need for the shared well system. (“Supplied” parties normally should assume all costs for their continuing water supply.)
5	Prohibit well water usage by any party for other than bona fide domestic purposes.
6	Prohibit connection of any additional living unit to the shared well system without: <ul style="list-style-type: none">• the consent of all parties;• the appropriate amendment of the agreement; and• compliance with item 3.

(b) Required Documentation

The Mortgagee must obtain a valid water test from the local health authority or a lab qualified to conduct water testing in the jurisdictional state or local authority.

(P) Individual Residential Water Purification Systems

(1) Definition

An Individual Residential Water Purification System refers to equipment, either point-of-entry or point-of-use, installed on Properties that otherwise do not have access to a continuous supply of safe and potable water.

(2) Standard

If a Property does not have access to a continuous supply of safe and potable water without the use of a water purification system, the Mortgagee must ensure that the Property has an individual residential water purification system as well as a service contract for the ongoing maintenance of the Property, a plan approved by the local or state health authority, and an escrow account.

(a) Approved Equipment for Individual Residential Water Purification Systems

Water purification equipment must be approved by a nationally recognized testing laboratory acceptable to the local or state health authority. The Mortgagee must obtain a certification from a local or state health authority which certifies that:

- A point-of-entry or point-of-use water purification system is on the Property. If the system employs point-of use equipment, the purification system must be employed on each water supply source

- The system is sufficient to ensure an uninterrupted supply of safe and potable water adequate to meet household needs.
- The water supply, when treated by the equipment, meets the requirements of the local or state health authority, and has been determined to meet local or state quality standards for drinking water. If neither state nor local standards are applicable, then quality must be determined in accordance with standards set by the Environmental Protection Agency (EPA) pursuant to the Safe Drinking Water Act in [40 CFR Parts 141 and 142](#).
- A plan exists that provides for the monitoring, servicing, maintenance, and replacement of the water equipment, and the plan meets the service contract requirements.

(b) Borrower Notice of Water Purification System

The Mortgagee must provide written notification to the Borrower that the Property has a hazardous water supply that requires treatment in order to remain safe and acceptable for human consumption. The notification to the Borrower must identify specific contaminants in the water supply serving the Property, and the related health hazard arising from the presence of those contaminants.

The Mortgagee must ensure that the Borrower has received a written estimate of the maintenance and replacement costs of the equipment necessary to ensure continuous safe drinking water.

(c) Service Contract for Individual Residential Water Purification Systems

Before mortgage closing, the Mortgagee must ensure that the Borrower has entered into a service contract with an organization or individual specifically approved by the local or state health authority to carry out the provisions of the required plan for the servicing, maintenance, repair, and replacement of the water purification equipment.

(d) Approved Plan for Individual Residential Water Purification Systems

An approved plan is a contract entered into by the Borrower and Mortgagee and approved by the local or state health authority, and that sets out conditions as described below that must be met by the parties as a condition to insurance of the Mortgage by HUD.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

3. Underwriting the Property

The plan must set forth the respective responsibilities to be assumed by the Borrower and the Mortgagee, as well as the other entities who will implement the plan, such as the health authority and the service contractor. In particular:

- The plan must set out the responsibilities of the health authority for monitoring and enforcing the performance of the service contractor, including any successor contractor that the health authority may later have occasion to name. By its approval of the plan, the health authority documents its acceptance of these responsibilities, and the plan should so indicate.
- The plan must provide for the monitoring of the operation of the water purification equipment, as well as for servicing (including disinfecting) and repairing and replacing the system as frequently as necessary, taking into consideration the system's design, anticipated use, and the type and level of contaminants present. Installation, servicing, repair, and replacement of the water purification system must be performed by an individual or organization approved for this purpose by the local or state health authority and identified in the plan. The plan must refer to specific terms and conditions of the required service contract.
- Under the plan, responsibility for monitoring the performance of the service contractor and for ensuring that the water purification system is properly serviced, repaired, and replaced rests with the local or state health authority that approved the plan. The plan must confer on the health authority all powers necessary to effect compliance by the service contractor. The health authority's powers must include the authority to notify the Borrower of any noncompliance by the service contractor. The plan must provide that upon any notification of noncompliance received from the health authority, the Borrower may discharge the service contractor for cause and appoint a successor organization or individual as service contractor.
- The Mortgagee must ensure that any plan developed in accordance with this section must provide that an analysis of the water supply must be obtained from the local or state health authority no less frequently than annually, but more frequently if determined at any time to be necessary by the health authority or by the service contractor.

The plan must provide that if the dwelling served by the water purification system is refinanced, or is sold or otherwise transferred with a HUD-insured Mortgage, the plan will:

- continue in full force and effect;
- impose an obligation on the Borrower to notify any subsequent purchaser or transferee of the necessity for the water purification system and for its proper maintenance, and of the obligation to make escrow payments; and

(e) Escrow for Maintenance and Replacement of Individual Residential Water Purification Systems

The Mortgagee must establish and maintain an escrow account to ensure proper servicing, maintenance, repair, and replacement of the water purification equipment. To the extent permitted under RESPA, the amount to be collected and escrowed by the Mortgagee must be based upon information provided by the manufacturer for the maintenance and replacement of the water purification equipment and for other charges anticipated by the service contractor. The initial monthly escrow amount must be stated in the plan. Disbursements from the account will be limited to costs associated with the normal servicing, maintenance, repair, or replacement of the water purification equipment. Disbursements may only be made to the service contractor or its successor, to equipment suppliers, to the local or state health authority for the performance of testing or other required services, or to another entity approved by the health authority. The Mortgagee must maintain the escrow account as long as water purification remains necessary and the Mortgage is insured by HUD.

The Mortgagee must provide the Borrower with the [Water Purification Equipment Rider](#) for signature.

(3) Required Documentation

(a) Borrower Notice of Water Purification System

A copy of the notification statement (including cost estimates), dated before the date of the sales contract and signed by the prospective Borrower to acknowledge its receipt, must accompany the submission for insurance endorsement. If a sales contract is signed in advance of the disclosure required by this paragraph, an addendum must be executed after the information is provided to the prospective Borrower and after they have acknowledged receipt of the disclosure.

(b) Borrower's Certification of Water Purification System

At the time the application is signed, the Borrower must sign a [certification](#) acknowledging that the Property has a water purification system that must be maintained.

The Mortgagee must ensure a copy of the Water Purification Equipment Rider is provided to HUD.

(Q)Sewage System

The Mortgagee must confirm that a connection is made to a public or community sewage disposal system whenever feasible and available at a reasonable cost. If connection costs to the public or community system are not reasonable, the existing Onsite Sewage Disposal Systems are acceptable provided they are functioning properly and meet the requirements of the local health department

When the Onsite Sewage Disposal System is not sufficient and an off-site system is available, the Mortgagee must confirm connection to an off-site sewage system. When the Onsite Sewage Disposal System is not sufficient and an off-site system is not available, the Mortgagee must reject the Property unless the Onsite Sewage Disposal System is repaired or replaced and complies with local health department standards.

(R) Termites

For existing Properties, the Mortgagee must confirm that the Property is free of wood destroying insects and organisms. If the appraisal is made subject to inspection by a qualified pest control specialist, the Mortgagee must obtain such inspection and evidence of any required treatment to confirm the Property is free of wood destroying insects and organisms.

Soil poisoning is an unacceptable method for treating termites unless the Mortgagee obtains satisfactory assurance that the treatment will not endanger the quality of the water supply.

iii. Minimum Required Repairs

When the appraisal report or inspection from a qualified Entity indicates that repairs are required to make the Property meet HUD's MPR or MPS, the Mortgagee must comply with [Repair Requirements](#).

iv. Leased Equipment

The Mortgagee must ensure that the Property Value does not include the value of any equipment, including an energy system, that is not fully owned by the Borrower. The Mortgagee must review the terms of the lease on any equipment to ensure they do not contain any [Legal Restrictions on Conveyance \(Free Assumability\)](#).

Appraisal Review

The Mortgagee must review the appraisal and ensure that it is complete, accurate, and provides a credible analysis of the marketability and value of the Property.

v. Quality of Appraisal

The Mortgagee must evaluate the appraisal and ensure it complies with the requirements in [Valuation and Reporting Protocols](#), and any additional appraisal requirements that are specific to the subject Property.

vi. Chain of Title

The Mortgagee must review the appraisal to determine if the subject Property was sold within 12 months prior to the case number assignment date. If the subject Property was sold within the previous 12 months the Mortgagee must review evidence of prior ownership and determine if there are any undisclosed Identity-of-Interest transactions, and for compliance with [Restrictions on Property Flipping](#).

vii. Opinion of Market Value

The Mortgagee must ensure the Market Value of the Property is sufficient to adequately secure the FHA-insured Mortgage.

viii. Reconsideration of Value

The underwriter may request a reconsideration of value when the Appraiser did not consider information that was relevant on the effective date of the appraisal. The underwriter must provide the Appraiser with all relevant data that is necessary for a reconsideration of value.

The Appraiser may charge an additional fee if the relevant data was not available on the effective date of the appraisal. If the unavailability of data is not the fault of the Borrower, the Borrower must not be held responsible for the additional costs. The effective date of the appraisal is the date the Appraiser inspected the Property.

c. Conditional Commitment Direct Endorsement Statement of Appraised Value

The Conditional Commitment Direct Endorsement Statement of Appraised Value ([form HUD-92800.5B](#)) provides the terms upon which the commitment/direct endorsement statement of appraised value is made and the specific conditions that must be met before HUD can endorse a Firm Commitment for mortgage insurance. The underwriter must complete form HUD-92800.5B as directed in the form instructions.

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

a. Underwriting with an Automated Underwriting System

FHA's Technology Open To Approved Lenders (TOTAL) Mortgage Scorecard is not an Automated Underwriting System (AUS) but a scorecard that must interface through a system-to-system connection with an AUS.

Each AUS using TOTAL Mortgage Scorecard provides a Feedback Certificate/Finding Report, which documents results of the credit risk evaluation, and identifies the credit report utilized for the scoring event. The Feedback Certificate/Finding Report upon which the Mortgagee makes its underwriting decision prior to endorsement must be included in the case binder.

i. Use of TOTAL Mortgage Scorecard

All transactions must be scored through TOTAL Mortgage Scorecard, except Streamline Refinance transactions, assumptions, and Mortgages made to nonprofit/Governmental Entity Borrowers.

If the Mortgage involves a HUD employee, the Mortgagee must score the transaction through TOTAL. If the file receives an Accept, the Mortgagee must underwrite the transaction in accordance with the guidance in this Underwriting the Borrower Using the TOTAL Mortgage Scorecard section. The Mortgagee must submit the underwritten mortgage application to the Processing and Underwriting Division Director at the [Jurisdictional HOC](#) for [final underwriting approval](#).

Mortgagees using TOTAL remain solely responsible for prudent underwriting practices and the [Final Underwriting Decision](#).

ii. Requirements for the Submission of Data through TOTAL Mortgage Scorecard

The Mortgagee must submit data to TOTAL Mortgage Scorecard through an approved [AUS vendor](#) in a data format acceptable to the AUS vendor, to meet the requirements described in the [TOTAL Mortgage Scorecard Developer's Guide](#).

iii. Function of TOTAL Mortgage Scorecard

TOTAL Mortgage Scorecard evaluates the overall credit risk posed by the Borrower, based on a number of credit variables, when combined with the functionalities of an AUS.

The Mortgagee may not accept or deny an FHA-insured Mortgage based solely on a risk assessment generated by TOTAL Mortgage Scorecard.

The Mortgagee must ensure full compliance with all FHA eligibility requirements, and all requirements of this section. The Mortgagee must verify the information used to score

the Mortgage through TOTAL but does not need to analyze the credit history, unless otherwise stated in this section, if an Accept or Approve recommendation is received.

The underwriter must still underwrite all appraisals according to standard FHA requirements.

The underwriter must fully underwrite those applications where TOTAL issues a Refer.

(A) Automated Underwriting System Data Entry Requirements

(1) Mortgagees

The Mortgagee must verify the integrity of all data elements entered into the AUS to ensure the outcome of the Mortgage credit risk evaluation is valid including:

- Borrower's Credit Report
- Borrower's Liabilities/Debt
- Borrower's Effective Income
- Borrower's Assets/Reserves
- Adjusted Value
- Borrower's total Mortgage Payment including Principal, Interest, Taxes, and Insurance (PITI)

The Borrower's total Mortgage Payment includes:

- Principal and Interest (P&I);
- real estate taxes;
- Hazard Insurance;
- Flood Insurance as applicable;
- Mortgage Insurance Premium;
- HOA or condominium association fees or expenses;
- Ground Rent;
- special assessments;
- payments for any acceptable secondary financing; and
- any other escrow payments.

The Mortgagee may deduct the amount of the Mortgage Credit Certificate or Section 8 Homeownership Voucher if it is paid directly to the Servicer. Where real estate taxes are abated, Mortgagees may use the abated amount provided that (1) the Mortgagee can document the abated amount with the taxing authority and (2) the abatement will remain in place for at least the first three years of the Mortgage.

(2) Sponsored Third-Party Originators

The Mortgagee may permit a sponsored TPO to enter data into the AUS. Both the Mortgagee and its sponsored TPO must ensure and verify all data entered into the

AUS. The Mortgagee remains ultimately responsible for ensuring the data entered into the AUS is correct.

The Mortgagee must ensure the Employer Identification Number (EIN) of its sponsored TPO is entered into the AUS. If the Mortgagee is using an AUS that is unable to transmit the sponsored TPO EIN, the Mortgagee must enter “6999609996” in the Lender ID field.

(B) New Versions of TOTAL Mortgage Scorecard

From time to time, FHA will release new versions of TOTAL Mortgage Scorecard. FHA will announce the date that the new version will be available. All Mortgages being scored for the first time will be scored using the new version. For Mortgages with a case number, the Mortgages will be scored using the version that was effective when the case number was assigned. Existing Mortgages scored without a case number will be scored according to the version number tag that is provided in the TOTAL file by the AUS provider (if none, then the current version will be used). All Mortgages without a case number will be scored using the new version 90 Days after the new version is implemented.

iv. Feedback Certificates: Risk Classification and Related Responsibilities (TOTAL)

If the Feedback Certificate/Finding Report shows an Accept or Approve, it will be referred to as Accept.

(A) Accept/Eligible

If the Feedback Certificate/Finding Report shows an Accept/Eligible recommendation, the Mortgage may be eligible for FHA’s insurance endorsement provided the Mortgagee verified that data entered into the AUS is accurate and complete and that the entire mortgage application complies with all FHA requirements.

The Mortgagee must verify that all supporting documentation and information entered into TOTAL Mortgage Scorecard is consistent with the final underwriting decision if the Mortgage receives an Accept/Eligible.

(B) Accept/Ineligible

If the Feedback Certification/Finding Report shows an Accept/Ineligible recommendation, the Borrower’s credit and capacity would meet the threshold for approval, but the Mortgage does not fully comply with FHA’s eligibility requirements. The Feedback Certificate will identify the specific eligibility requirement that the Mortgage does not meet.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

The Mortgagee must analyze the Feedback Certificate and determine if the reason for the ineligibility is one that can be resolved in a manner that complies with FHA underwriting requirements. If the Mortgagee can correct the reason for ineligibility, the Mortgagee may rescore the Mortgage in the AUS.

When the reason for ineligibility cannot be corrected in the AUS, the Mortgagee may underwrite the Mortgage using the following requirements for an Accept Mortgage, but must resolve the reason for ineligibility in accordance with FHA requirements and must provide an explanation of the resolution in the remarks section of form [HUD-92900-LT](#), *FHA Loan Underwriting and Transmittal Summary*.

(C) Refer

The underwriter must manually underwrite any mortgage application for which the Feedback Certificate shows a Refer recommendation or any result other than those described above.

v. Accept Risk Classifications Requiring a Downgrade to Manual Underwriting (TOTAL)

The Mortgagee must downgrade and manually underwrite any Mortgage that received an Accept recommendation if:

- the mortgage file contains information or documentation that cannot be entered into or evaluated by TOTAL Mortgage Scorecard;
- additional information, not considered in the AUS recommendation affects the overall insurability of the Mortgage;
- the Borrower has \$1,000 or more collectively in Disputed Derogatory Credit Accounts;
- the date of the Borrower's bankruptcy discharge as reflected on bankruptcy documents is within two years from the date of case number assignment;
- the case number assignment date is within three years of the date of the transfer of title through a Pre-Foreclosure Sale (Short Sale);
- the case number assignment date is within three years of the date of the transfer of title through a foreclosure sale;
- the case number assignment date is within three years of the date of the transfer of title through a Deed-in-Lieu (DIL) of foreclosure;
- the Mortgage Payment history, for any mortgage trade line reported on the credit report used to score the application, requires a downgrade as defined in [Housing Obligations/Mortgage Payment History](#);
- the Borrower has [undisclosed mortgage debt](#) that requires a downgrade; or
- business income shows a greater than 20 percent decline over the analysis period.

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

vi. Applicability of Automated Underwriting System Rules (TOTAL)

If a determination is made that the Mortgage must be downgraded to manual underwriting, the Mortgagee must cease its use of the AUS and comply with all requirements for manual underwriting when underwriting a downgraded Mortgage.

vii. TOTAL Mortgage Scorecard Tolerance Levels for Rescoring

The Mortgagee must rescore a Mortgage when any data element of the Mortgage change and/or new Borrower information becomes available.

The Mortgagee is not required to rescore a Mortgage if the following data elements change from the last scoring event within the described tolerance levels:

When assessing...	Rescore is not required if:
Cash Reserves	Cash Reserves verified are not less than 10% below the previously scored amount
Income	Income verified is not less than 5% below the previously scored amount
Tax and Insurance Escrow	The cumulative monthly tax and insurance escrow does not result in more than a 2% increase in the Total Mortgage Payment to Effective Income Ratio (PTI)

b. Credit Requirements (TOTAL)

i. General Credit Review Requirements (TOTAL)

The Mortgagee must obtain a credit report for each Borrower who will be obligated on the mortgage Note. The Mortgagee may obtain a joint report for individuals with joint accounts.

The Mortgagee must obtain a credit report for a non-borrowing spouse who resides in a community property state, or if the subject Property is located in a community property state.

The credit report must indicate the non-borrowing spouse's SSN, where an SSN exists, was matched with the SSA, or the Mortgagee must either provide separate documentation indicating that the SSN was matched with the SSA or provide a statement that the non-borrowing spouse does not have an SSN. Where an SSN does not exist for a non-borrowing spouse, the credit report must contain, at a minimum, the non-borrowing spouse's full name, date of birth, and previous addresses for the last two years.

The Mortgagee must obtain a Tri-Merged Credit Report (TRMCR) from an independent consumer reporting agency.

(A) Requirements for the Credit Report (TOTAL)

Credit reports must contain all information from at least two credit repositories pertaining to credit, residence history, and public records information; be in an easy to read and understandable format; and not require code translations. (2) Standard

If the credit report utilized by TOTAL Mortgage Scorecard indicates that the Borrower has \$1,000 or more collectively in Disputed Derogatory Credit Accounts, the Mortgage must be downgraded to a Refer and manually underwritten.

Disputed Derogatory Credit Accounts of a non-borrowing spouse in a community property state are not included in the cumulative balance for determining if the mortgage application is downgraded to a Refer.

- disputed accounts that are current and paid as agreed

(2) Required Documentation and Standard

If a Borrower is disputing non-derogatory accounts, or is disputing accounts which are not indicated on the credit report as being disputed, the Mortgagee is not required to downgrade the application to a Refer. However, the Mortgagee must analyze the effect of the disputed accounts on the Borrower's ability to repay the Mortgage. If the dispute results in the Borrower's monthly debt payments utilized in computing the Debt-to-Income (DTI) ratio being less than the amount indicated on the credit report, the Borrower must provide documentation of the lower payments.

Non-derogatory disputed accounts are excluded from the \$1,000 cumulative balance limit.

Loans secured against deposited funds, where repayment may be obtained through extinguishing the asset and these funds are not included in calculating the Borrower's assets, do not require consideration of repayment for qualifying purposes.

The Mortgagee must document that the funds used to pay off debts prior to closing came from an [acceptable source](#), and the Borrower did not incur new debts that were not included in the DTI ratio.

Negative income must be subtracted from the Borrower's gross monthly income, and not treated as a recurring monthly liability unless otherwise noted.

The Mortgagee must identify the total Interested Party credits on the front page of the Closing Disclosure or similar legal document or in an addendum. The Mortgagee must identify each item paid by Interested Party Contributions.

(j) Real Estate Tax Credits

Where real estate taxes are paid in arrears, the seller's real estate tax credit may be used to meet the MRI, if the Mortgagee documents that the Borrower had sufficient assets to meet the MRI and the Borrower paid closing costs and other prepaid items at the time of underwriting.

While additional funds to close may be provided by one of these sources if permitted under the relevant requirements above, none of the Borrower's MRI may come from these sources. The Mortgagee must document permissible sources for the full MRI in accordance with special requirements noted above.

Additionally, in accordance with [Prohibited Sources of Minimum Cash Investment Under the National Housing Act -Interpretive Rule](#), HUD does not interpret Section 203(b)(9)(C) of the National Housing Act to prohibit Governmental Entities, when acting in their governmental capacity, from providing the Borrower's MRI where the Governmental Entity is originating the insured Mortgage through one of its homeownership programs.

(C) Required Documentation

Where the Borrower's MRI is provided by someone other than the Borrower, the Mortgagee must also obtain documentation to support the permissible nature of the source of those funds.

To establish that the Governmental Entity provided the Borrower's MRI in a manner consistent with HUD's Interpretive Rule, the Mortgagee must document that the Governmental Entity incurred prior to or at closing an enforceable legal liability or obligation to fund the Borrower's MRI. Where a letter from the Governmental Entity is submitted, the precise language of the letter may vary, but must demonstrate that the funds provided for the Borrower's MRI legally belonged to the Governmental Entity at or before closing, by stating, for example:

- the Governmental Entity has, at or before closing, incurred a legally enforceable liability as a result of its agreement to provide the funds towards the Borrower's MRI;
- the Governmental Entity has, at or before closing, incurred a legally enforceable obligation to provide the funds towards the Borrower's MRI; or
- the Governmental Entity has, at or before closing, authorized a draw on its account to provide the funds towards the Borrower's MRI.

While the Mortgagee is not required to document the actual transfer of funds in satisfaction of the obligation or liability, the failure of the Governmental Entity to satisfy the obligation or liability may result in a determination that the funds were provided by a prohibited source.

(3) Required Documentation

The Mortgagee must obtain the most recent monthly or quarterly statement to verify and document the existence and amounts in the Borrower's retirement accounts, the Borrower's eligibility for withdrawals, and the terms and conditions for withdrawal from any retirement account.

The Mortgagee may approve the Mortgage as eligible for FHA insurance endorsement if:

- TOTAL Mortgage Scorecard rated the mortgage application as Accept;
- the underwriter underwrote the appraisal according to standard FHA requirements;

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

- the Mortgagee reviewed the TOTAL Mortgage Scorecard findings, and verified that all information entered into TOTAL Mortgage Scorecard is consistent with mortgage documentation, and is true, complete, and accurate; and
- the Mortgagee meets all FHA requirements applicable to Mortgages receiving a rating of Accept from TOTAL Mortgage Scorecard.

While TOTAL Mortgage Scorecard is available for Mortgagees to use in their pre-qualification process of mortgage applicants, the Mortgagee must score the Mortgage at least once after assignment of an FHA case number. FHA will not recognize the risk assessment nor will information be carried from TOTAL Mortgage Scorecard to [FHAC](#) for endorsement processing, without an FHA case number. It is imperative that the Mortgagees make certain that they enter the FHA case number into their Loan Origination System or AUS as soon as it is known. This will ensure a more efficient endorsement process.

i. Documentation of Final Underwriting Review Decision (TOTAL)

The Mortgagee must complete the following documents to evidence their final underwriting decision.

(A) Form HUD-92900-LT, FHA Loan Underwriting and Transmittal Summary

On form [HUD-92900-LT](#), the Mortgagee must:

- indicate the CHUMS ID of the underwriter who reviewed the appraisal;
- complete the Risk Assessment; and
- enter the identification of “ZFHA” in the CHUMS ID.

When the Feedback Certificate indicates “Accept/Ineligible,” the Mortgagee must document the circumstances or other reasons that were evaluated in making the decision to approve the Mortgage in the Remarks section.

(B) Form HUD-92800.5B, Conditional Commitment Direct Endorsement Statement of Appraised Value

The underwriter must confirm that form [HUD-92800.5B](#) is completed as directed in the form instructions.

(C) Form HUD-92900-A, HUD/VA Addendum to Uniform Residential Loan Application

The Mortgagee must complete form [HUD-92900-A](#) as directed in the form instructions.

An authorized officer of the Mortgagee, the Borrower, and the underwriter must execute form HUD-92900-A, as indicated in the instructions.

4. Underwriting the Borrower Using the TOTAL Mortgage Scorecard (TOTAL)

ii. Conditional Approval (TOTAL)

The Mortgagee must condition the approval of the Borrower on the completion of the final *URLA* ([Fannie Mae Form 1003/Freddie Mac Form 65](#)) and form [HUD-92900-A](#).

iii. HUD Employee Mortgages (TOTAL)

If the Mortgage involves a HUD employee, the Mortgagee must condition the Mortgage on its approval by HUD. The Mortgagee must submit the case binder to the Processing and Underwriting Division Director at the [Jurisdictional HOC](#) for final underwriting approval.

iv. Notification of Borrower of Approval and Term of the Approval (TOTAL)

The Mortgagee must timely notify the Borrower of their approval. The underwriter's approval or the Firm Commitment is valid for the greater of 90 Days or the remaining life of the:

- Conditional Commitment issued by HUD; or
- the underwriter's approval date of the Property, indicated as Action Date on form [HUD-92800.5B](#).

5. Manual Underwriting of the Borrower

5. Manual Underwriting of the Borrower

The Mortgagee must manually underwrite those applications where the AUS issues a Refer or applications which were downgraded to a manual underwrite.

If a Mortgage receiving the AUS Refer or downgrade to manual processing involves a HUD employee, the Mortgagee must underwrite the transaction in accordance with the guidance in this Manual Underwriting section. The Mortgagee must submit the underwritten mortgage application to the Processing and Underwriting Division Director at the [Jurisdictional HOC](#) for [final underwriting approval](#).

a. Credit Requirements (Manual)

i. General Credit Requirements (Manual)

FHA's general credit policy requires Mortgagees to analyze the Borrower's credit history, liabilities, and debts to determine creditworthiness.

The Mortgagee must either obtain a Tri-Merged Credit Report (TRMCR) or a Residential Mortgage Credit Report (RMCR) from an independent consumer reporting agency.

The Mortgagee must utilize the same credit report and credit scores sent to TOTAL.

The Mortgagee must obtain a credit report for each Borrower who will be obligated on the mortgage Note. The Mortgagee may obtain a joint report for individuals with joint accounts.

The Mortgagee must obtain a credit report for a non-borrowing spouse who resides in a community property state, or if the subject Property is located in a community property state. The credit report must indicate the non-borrowing spouse's SSN, where an SSN exists, was matched with the SSA, or the Mortgagee must either provide separate documentation indicating that the SSN was matched with the SSA or provide a statement that the non-borrowing spouse does not have an SSN. Where an SSN does not exist for a non-borrowing spouse, the credit report must contain, at a minimum, the non-borrowing spouse's full name, date of birth, and previous addresses for the last two years.

The Mortgagee is not required to obtain a credit report for non-credit qualifying Streamline Refinance transactions.

ii. Types of Credit History (Manual)

If a traditional credit report is available, the Mortgagee must use a traditional credit report. However, if a traditional credit report is not available, the Mortgagee must develop the Borrower's credit history using the requirements for [Non-Traditional and Insufficient Credit](#).

5. Manual Underwriting of the Borrower

(A) Traditional Credit (Manual)

If the TRMCR or RMCR generates a credit score, the Mortgagee must utilize traditional credit history.

(1) Requirements for the Credit Report

Credit reports must obtain all information from at least two credit repositories pertaining to credit, residence history, and public records information; be in an easy to read and understandable format; and not require code translations. The credit report may not contain whiteouts, erasures, or alterations. The Mortgagee must retain copies of all credit reports.

The credit report must include:

- the name of the Mortgagee ordering the report;
- the name, address, and telephone number of the consumer-reporting agency;
- the name and SSN of each Borrower; and
- the primary repository from which any particular information was pulled, for each account listed.

A truncated SSN is acceptable for FHA mortgage insurance purposes provided that the mortgage application captures the full nine-digit SSN.

The credit report must also include:

- all inquiries made within the last 90 Days;
- all credit and legal information not considered obsolete under the Fair Credit Reporting Act (FCRA), including information for the last seven years, which consumer reporting agencies have reported as verified and currently accurate, regarding:
 - bankruptcies;
 - Judgments;
 - lawsuits;
 - foreclosures; and
 - tax liens; and
- for each Borrower debt listed:
 - the date the account was opened;
 - high credit amount;
 - required monthly payment amount;
 - unpaid balance; and
 - payment history.

5. Manual Underwriting of the Borrower

(2) Updated Credit Report or Supplement to the Credit Report

The Mortgagee must obtain an updated credit report or supplement if the underwriter identifies inconsistencies between any information in the mortgage file and the original credit report.

(3) Credit Information Not Listed on Credit Report

A Mortgagee must develop credit information separately for any open debt listed on the mortgage application but not referenced in the credit report by using the procedures for [Independent Verification of Non-Traditional Credit Providers](#).

(4) Specific Requirements for Residential Mortgage Credit Report

In addition to meeting the general credit report requirements, the RMCR must:

- provide a detailed account of the Borrower's employment history;
- verify each Borrower's current employment and income through an interview with the Borrower's employer or explain why such an interview was not completed;
- contain a statement attesting to the certification of employment for each Borrower and the date the information was verified; and
- report a credit history for each trade line within 90 Days of the credit report for each account with a balance.

(B) Non-Traditional and Insufficient Credit (Manual)

For Borrowers without a credit score, the Mortgagee must either obtain a Non-Traditional Mortgage Credit Report (NTMCR) from a credit reporting company or independently develop the Borrower's credit history using the requirements outlined below.

(1) Non-Traditional Mortgage Credit Report

(a) Definition

An NTMCR is designed to access the credit history of a Borrower who does not have the types of trade references that appear on a traditional credit report and used either as:

- a substitute for a TRMCR or an RMCR; or
- a supplement to a traditional credit report that has an insufficient number of trade items reported to generate a credit score.

(b) Standard

Mortgagees may use a NTMCR developed by a credit reporting agency that verifies the following information for all non-traditional credit references:

- the existence of the credit providers;

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

- that the credit was actually extended to the Borrower; and
- the creditor has a published address or telephone number.

The NTMCR must not include subjective statements such as “satisfactory” or “acceptable,” must be formatted in a similar fashion to traditional references, and provide the:

- creditor’s name;
- date of opening;
- high credit;
- current status of the account;
- 12-month history of the account;
- required monthly payment;
- unpaid balance; and
- payment history in the delinquency categories (for example, 0x30 and 0x60).

(2) Independent Verification of Non-Traditional Credit Providers

The Mortgagee may independently verify the Borrower’s credit references by documenting the existence of the credit provider and that the provider extended credit to the Borrower.

- To verify the existence of each credit provider, the Mortgagee must review public records from the state, county, or city or other documents providing a similar level of objective information.
- To verify credit information, the Mortgagee must:
 - use a published address or telephone number for the credit provider and not rely solely on information provided by the applicant; and
 - obtain the most recent 12 months of canceled checks, or equivalent proof of payment, demonstrating the timing of payment to the credit provider.
- To verify the Borrower’s rental payment history, the Mortgagee must obtain a rental reference from the appropriate rental management company, provided the Borrower is not renting from a Family Member, demonstrating the timing of payment of the most recent 12 months in lieu of 12 months of canceled checks or equivalent proof of payment.

(3) Sufficiency of Credit References

To be sufficient to establish the Borrower’s credit, the credit history must include three credit references, including at least one of the following:

- rental housing payments (subject to independent verification if the Borrower is a renter);
- telephone service; or

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

5. Manual Underwriting of the Borrower

- utility company reference (if not included in the rental housing payment), including:
 - gas;
 - electricity;
 - water;
 - television service; or
 - internet service.

If the Mortgagee cannot obtain all three credit references from the list above, the Mortgagee may use the following sources of unreported recurring debt:

- insurance premiums not payroll deducted (for example, medical, auto, life, renter's insurance);
- payment to child care providers made to businesses that provide such services;
- school tuition;
- retail store credit cards (for example, from department, furniture, appliance stores, or specialty stores);
- rent-to-own (for example, furniture, appliances);
- payment of that part of medical bills not covered by insurance;
- a documented 12-month history of savings evidenced by regular deposits resulting in an increased balance to the account that:
 - were made at least quarterly;
 - were not payroll deducted, and;
 - caused no insufficient funds (NSF) checks;
- an automobile lease;
- a personal loan from an individual with repayment terms in writing and supported by canceled checks to document the payments; or
- a documented 12-month history of payment by the Borrower on an account for which the Borrower is an authorized user.

iii. Evaluating Credit History (Manual)

(A) General Credit (Manual)

The underwriter must examine the Borrower's overall pattern of credit behavior, not just isolated unsatisfactory or slow payments, to determine the Borrower's creditworthiness.

The Mortgagee must not consider the credit history of a non-borrowing spouse.

(B) Types of Payment Histories (Manual)

The underwriter must evaluate the Borrower's payment histories in the following order: (1) previous housing expenses and related expenses, including utilities; (2) installment debts; and (3) Revolving Charge Accounts.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

(1) Satisfactory Credit

The underwriter may consider a Borrower to have an acceptable payment history if the Borrower has made all housing and installment debt payments on time for the previous 12 months and has no more than two 30-Day late Mortgage Payments or installment payments in the previous 24 months.

The underwriter may approve the Borrower with an acceptable payment history if the Borrower has no major derogatory credit on Revolving Charge Accounts in the previous 12 months.

Major derogatory credit on Revolving Charge Accounts must include any payments made more than 90 Days after the due date, or three or more payments more than 60 Days after the due date.

(2) Payment History Requiring Additional Analysis

If a Borrower's credit history does not reflect satisfactory credit as stated above, the Borrower's payment history requires additional analysis.

The Mortgagee must analyze the Borrower's delinquent accounts to determine whether late payments were based on a disregard for financial obligations, an inability to manage debt, or extenuating circumstances. The Mortgagee must document this analysis in the mortgage file. Any explanation or documentation of delinquent accounts must be consistent with other information in the file.

The underwriter may only approve a Borrower with a credit history not meeting the satisfactory credit history above if the underwriter has documented the delinquency was related to extenuating circumstances.

(C) Payment History on Housing Obligations (Manual)

The Mortgagee must determine the Borrower's Housing Obligation payment history through:

- the credit report;
- verification of rent received directly from the landlord (for landlords with no Identity of Interest with the Borrower);
- verification of Mortgage received directly from the Servicer; or
- a review of canceled checks that cover the most recent 12-month period.

The Mortgagee must verify and document the previous 12 months' housing history. For Borrowers who indicate they are living rent-free, the Mortgagee must obtain verification from the property owner where they are residing that the Borrower has been living rent-free and the amount of time the Borrower has been living rent free.

(D) Collection Accounts (Manual)

(1) Definition

A Collection Account is a Borrower's loan or debt that has been submitted to a collection agency through a creditor.

(2) Standard

The Mortgagee must determine if collection accounts were a result of:

- the Borrower's disregard for financial obligations;
- the Borrower's inability to manage debt; or
- extenuating circumstances.

(3) Required Documentation

The Mortgagee must document reasons for approving a Mortgage when the Borrower has any collection accounts.

The Borrower must provide a letter of explanation, which is supported by documentation, for each outstanding collection account. The explanation and supporting documentation must be consistent with other credit information in the file.

(E) Charge Off Accounts (Manual)

(1) Definition

Charge Off Account refers to a Borrower's loan or debt that has been written off by the creditor.

(1) Definition

Disputed Derogatory Credit Account refers to disputed Charge Off Accounts, disputed collection accounts, and disputed accounts with late payments in the last 24 months.

(2) Standard

The Mortgagee must analyze the documentation provided for consistency with other credit information to determine if the derogatory credit account should be considered in the underwriting analysis.

The following items may be excluded from consideration in the underwriting analysis:

- disputed medical accounts; and
- disputed derogatory credit resulting from identity theft, credit card theft or unauthorized use provided the Mortgagee includes a copy of the police report or other documentation from the creditor to support the status of the account in the mortgage file.

(3) Required Documentation

If the credit report indicates that the Borrower is disputing derogatory credit accounts, the Borrower must provide a letter of explanation and documentation supporting the basis of the dispute.

If the disputed derogatory credit resulted from identity theft, credit card theft or unauthorized use balances, the Mortgagee must obtain a copy of the police report or other documentation from the creditor to support the status of the accounts.

(G) Judgments (Manual)

(1) Definition

Judgment refers to any debt or monetary liability of the Borrower, and the Borrower's spouse in a community property state unless excluded by state law, created by a court, or other adjudicating body.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

(2) Standard

The Mortgagee must verify that court-ordered Judgments are resolved or paid off prior to or at closing.

Judgments of a non-borrowing spouse in a community property state must be resolved or paid in full, with the exception of obligations excluded by state law.

Regardless of the amount of outstanding Judgments, the Mortgagee must determine if the Judgment was a result of:

- the Borrower's disregard for financial obligations;
- the Borrower's inability to manage debt; or
- extenuating circumstances.

Exception

A Judgment is considered resolved if the Borrower has entered into a valid agreement with the creditor to make regular payments on the debt, the Borrower has made timely payments for at least three months of scheduled payments and the Judgment will not supersede the FHA-insured mortgage lien. The Borrower cannot prepay scheduled payments in order to meet the required minimum of three months of payments.

The Mortgagee must include the payment amount in the agreement in the calculation of the Borrower's Debt-to-Income (DTI) ratio.

The Mortgagee must obtain a copy of the agreement and evidence that payments were made on time in accordance with the agreement.

(3) Required Documentation

The Mortgagee must provide the following documentation:

- evidence of payment in full, if paid prior to settlement;
- the payoff statement, if paid at settlement; or
- the payment arrangement with creditor, if not paid prior to or at settlement, and a subordination agreement for any liens existing on title.

(H) Bankruptcy (Manual)

(1) Standard: Chapter 7

A Chapter 7 bankruptcy (liquidation) does not disqualify a Borrower from obtaining an FHA-insured Mortgage if, at the time of case number assignment, at least two years have elapsed since the date of the bankruptcy discharge. During this time, the Borrower must have:

- re-established good credit; or
- chosen not to incur new credit obligations.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

An elapsed period of less than two years, but not less than 12 months, may be acceptable, if the Borrower:

- can show that the bankruptcy was caused by extenuating circumstances beyond the Borrower's control; and
- has since exhibited a documented ability to manage their financial affairs in a responsible manner.

(2) Standard: Chapter 13

A Chapter 13 bankruptcy does not disqualify a Borrower from obtaining an FHA-insured Mortgage, if at the time of case number assignment at least 12 months of the pay-out period under the bankruptcy has elapsed.

The Mortgagee must determine that during this time, the Borrower's payment performance has been satisfactory and all required payments have been made on time; and the Borrower has received written permission from bankruptcy court to enter into the mortgage transaction.

(3) Required Documentation

If the credit report does not verify the discharge date or additional documentation is necessary to determine if any liabilities were discharged in the bankruptcy, the Mortgagee must obtain the bankruptcy and discharge documents.

The Mortgagee must also document that the Borrower's current situation indicates that the events which led to the bankruptcy are not likely to recur.

(I) Foreclosure and Deed-in-Lieu of Foreclosure (Manual)

(1) Standard

A Borrower is generally not eligible for a new FHA-insured Mortgage if the Borrower had a foreclosure or a DIL of foreclosure in the three-year period prior to the date of case number assignment.

This three-year period begins on the date of the DIL or the date that the Borrower transferred ownership of the Property to the foreclosing Entity/designee.

Exceptions

The Mortgagee may grant an exception to the three-year requirement if the foreclosure was the result of documented extenuating circumstances that were beyond the control of the Borrower, such as a serious illness or death of a wage earner, and the Borrower has re-established good credit since the foreclosure.

Divorce is not considered an extenuating circumstance. An exception may, however, be granted where a Borrower's Mortgage was current at the time of the

Borrower's divorce, the ex-spouse received the Property, and the Mortgage was later foreclosed.

The inability to sell the Property due to a job transfer or relocation to another area does not qualify as an extenuating circumstance.

(2) Required Documentation

If the credit report does not indicate the date of the foreclosure or DIL of foreclosure, the Mortgagee must obtain the Closing Disclosure, deed or other legal documents evidencing the date of property transfer.

If the foreclosure or DIL of foreclosure was the result of a circumstance beyond the Borrower's control, the Mortgagee must obtain an explanation of the circumstance and document that the circumstance was beyond the Borrower's control.

(J) Pre-Foreclosure Sales (Short Sales) (Manual)

(1) Definition

Pre-Foreclosure Sales, also known as Short Sales, refer to the sales of real estate that generate proceeds that are less than the amount owed on the Property and the lien holders agree to release their liens and forgive the deficiency balance on the real estate.

(2) Standard

A Borrower is generally not eligible for a new FHA-insured Mortgage if they relinquished a Property through a Short Sale within three years from the date of case number assignment.

This three-year period begins on the date of transfer of title by Short Sale.

(a) Exception for Borrower Current at the Time of Short Sale

A Borrower is considered eligible for a new FHA-insured Mortgage if, from the date of case number assignment for the new Mortgage:

- all Mortgage Payments on the prior Mortgage were made within the month due for the 12-month period preceding the Short Sale; and
- installment debt payments for the same time period were also made within the month due.

(b) Exception for Extenuating Circumstances

beyond the control of the Borrower, such as a serious illness or death of a wage earner, and the Borrower has re-established good credit since the Short Sale.

Divorce is not considered an extenuating circumstance. An exception may, however, be granted where a Borrower's Mortgage was current at the time of the Borrower's divorce, the ex-spouse received the Property, and there was a subsequent Short Sale.

The inability to sell the Property due to a job transfer or relocation to another area does not qualify as an extenuating circumstance.

(3) Required Documentation

If the credit report does not indicate the date of the Short Sale, the Mortgagee must obtain the Closing Disclosure, deed or other legal documents evidencing the date of property transfer.

If the Short Sale was the result of a circumstance beyond the Borrower's control, the Mortgagee must obtain an explanation of the circumstance and document that the circumstance was beyond the Borrower's control.

(K) Credit Counseling/Payment Plan

Participating in a consumer credit counseling program does not disqualify a Borrower from obtaining an FHA-insured Mortgage, provided the Mortgagee documents that:

- one year of the pay-out period has elapsed under the plan;
- the Borrower's payment performance has been satisfactory and all required payments have been made on time; and
- the Borrower has received written permission from the counseling agency to enter into the mortgage transaction.

iv. Evaluating Liabilities and Debts (Manual)

(A) General Liabilities and Debts (Manual)

(1) Standard

The Mortgagee must determine the Borrower's monthly liabilities by reviewing all debts listed on the credit report, *URLA*, and required documentation.

All applicable monthly liabilities must be included in the qualifying ratio. Closed-end debts do not have to be included if they will be paid off within 10 months and the cumulative payments of all such debts are less than or equal to 5 percent of the Borrower's gross monthly income. The Borrower may not pay down the balance in order to meet the 10-month requirement.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

Accounts for which the Borrower is an authorized user must be included in a Borrower's DTI ratio unless the Mortgagee can document that the primary account holder has made all required payments on the account for the previous 12 months. If less than three payments have been required on the account in the previous 12 months, the payment amount must be included in the Borrower's DTI.

Negative income must be subtracted from the Borrower's gross monthly income, and not treated as a recurring monthly liability unless otherwise noted.

Loans secured against deposited funds, where repayment may be obtained through extinguishing the asset and these funds are not included in calculating the Borrower's assets, do not require consideration of repayment for qualifying purposes.

(2) Required Documentation

The Mortgagee must document that the funds used to pay off debts prior to closing came from an [acceptable source](#), and the Borrower did not incur new debts that were not included in the DTI ratio.

(B) Undisclosed Debt and Inquiries (Manual)

(1) Standard

When a debt or obligation is revealed during the application process that was not listed on the mortgage application and/or credit report, the Mortgagee must:

- verify the actual monthly payment amount;
- include the payment amount in the agreement in the Borrower's monthly liabilities and debt; and
- determine that any unsecured funds borrowed were not/will not be used for the Borrower's MRI.

The Mortgagee must obtain a written explanation from the Borrower for all inquiries shown on the credit report that were made in the last 90 Days.

(2) Required Documentation

The Mortgagee must document all undisclosed debt and support for its analysis of the Borrower's debt.

(C) Federal Debt (Manual)

(D) Alimony, Child Support, and Maintenance (Manual)

(1) Definition

Alimony, Child Support, and Maintenance are court-ordered or otherwise agreed upon payments.

(2) Standard

For Alimony, if the Borrower's income was not reduced by the amount of the monthly alimony obligation in the Mortgagee's calculation of the Borrower's gross income, the Mortgagee must verify and include the monthly obligation in its calculation of the Borrower's debt.

Child Support and Maintenance are to be treated as a recurring liability and the Mortgagee must include the monthly obligation in the Borrower's liabilities and debt.

(3) Required Documentation

The Mortgagee must obtain the official signed divorce decree, separation agreement, maintenance agreement, or other legal order.

The Mortgagee must also obtain the Borrower's pay stubs covering no less than 28 consecutive Days to verify whether the Borrower is subject to any order of garnishment relating to the Alimony, Child Support, and Maintenance.

(E) Non-Borrowing Spouse Debt in Community Property States (Manual)

(1) Definition

Non-Borrowing Spouse Debt refers to debts owed by a spouse that are not owed by, or in the name of the Borrower.

(2) Standard

If the Borrower resides in a community property state or the Property being insured is located in a community property state, debts of the non-borrowing spouse must be included in the Borrower's qualifying ratios, except for obligations specifically excluded by state law.

The non-borrowing spouse's credit history is not considered a reason to deny a mortgage application.

(3) Required Documentation

The Mortgagee must verify and document the debt of the non-borrowing spouse.

The Mortgagee must make a note in the file referencing the specific state law that justifies the exclusion of any debt from consideration.

The Mortgagee must obtain a credit report for the non-borrowing spouse in order to determine the debts that must be counted in the DTI ratio.

(G)Student Loans (Manual)

(1) Definition

Student Loan refers to liabilities incurred for educational purposes.

(2) Standard

The Mortgagee must include all Student Loans in the Borrower's liabilities, regardless of the payment type or status of payments.

If the payment used for the monthly obligation is:

- less than 1 percent of the outstanding balance reported on the Borrower's credit report; and
- less than the monthly payment reported on the Borrower's credit report;

the Mortgagee must obtain written documentation of the actual monthly payment, the payment status, and evidence of the outstanding balance and terms from the creditor.

(4) Calculation of Monthly Obligation

Regardless of the payment status, the Mortgagee must use either:

- the greater of:
 - 1 percent of the outstanding balance on the loan; or
 - the actual documented payment; or
- if the actual documented payment is less than 1 percent of the outstanding balance, the Mortgagee may use the lower payment only if it will fully amortize the loan over its term.

(H)Installment Loans (Manual)

- (1) the seller of the Property;
- (2) any other person or Entity who financially benefits from the transaction (directly or indirectly); or
- (3) anyone who is or will be reimbursed, directly or indirectly, by any party included in (1) or (2) above.

While additional funds to close may be provided by one of these sources if permitted under the relevant requirements above, none of the Borrower's MRI may come from these sources. The Mortgagee must document permissible sources for the full MRI in accordance with special requirements noted above.

Additionally, in accordance with [Prohibited Sources of Minimum Cash Investment Under the National Housing Act -Interpretive Rule](#), HUD does not interpret Section 203(b)(9)(C) of the National Housing Act to prohibit Governmental Entities, when acting in their governmental capacity, from providing the Borrower's MRI where the Governmental Entity is originating the insured Mortgage through one of its homeownership programs.

To establish that the Governmental Entity provided the Borrower's MRI in a manner consistent with HUD's Interpretive Rule, the Mortgagee must document that the Governmental Entity incurred prior to or at closing an enforceable legal liability or obligation to fund the Borrower's MRI. It is not sufficient to document that the Governmental Entity has agreed to reimburse the Mortgagee for the use of funds legally belonging to the Mortgagee to fund the Borrower's MRI.

The Mortgagee must obtain:

- a letter from the Governmental Entity, signed by an authorized official, establishing that the funds provided towards the Borrower's MRI were funds legally belonging to the Governmental Entity, when acting in their governmental capacity, at or before closing.

Where a letter from the Governmental Entity is submitted, the precise language of the letter may vary, but must demonstrate that the funds provided for the Borrower's MRI legally belonged to the Governmental Entity at or before closing, by stating, for example:

- the Governmental Entity has, at or before closing, incurred a legally enforceable liability as a result of its agreement to provide the funds towards the Borrower's MRI;
- the Governmental Entity has, at or before closing, incurred a legally enforceable obligation to provide the funds towards the Borrower's MRI; or
- the Governmental Entity has, at or before closing, authorized a draw on its account to provide the funds towards the Borrower's MRI.

While the Mortgagee is not required to document the actual transfer of funds in satisfaction of the obligation or liability, the failure of the Governmental Entity to satisfy the obligation or liability may result in a determination that the funds were provided by a prohibited source.

(3) Required Documentation

If the Borrower does not hold the deposit account solely, all non-Borrower parties on the account must provide a written statement that the Borrower has full access and use of the funds.

(a) Traditional Documentation

The Mortgagee must obtain:

- a written VOD and the Borrower's most recent statement for each account; or

 - the Borrower has authorized the Mortgagee to use a TPV vendor to verify assets; and
 - the date of the data contained in the completed verification is current within 30 days of the date of the verification.

Interested Parties may contribute up to 6 percent of the sales price toward the Borrower's origination fees, other closing costs, prepaid items and discount points. The 6 percent limit also includes:

- Interested Party payment for permanent and temporary interest rate buydowns, and other payment supplements;
- payments of mortgage interest for fixed rate Mortgages;

Exceptions

[Premium Pricing](#) credits from the Mortgagee or TPO are excluded from the 6 percent limit provided the Mortgagee or TPO is not the seller, real estate agent, builder or developer.

Payment of real estate agent commissions or fees, typically paid by the seller under local or state law, or local custom, is not considered an Interested Party Contribution. The satisfaction of a PACE lien or obligation against the Property by the property owner is not considered an Interested Party Contribution.

When such an inducement exists, the amount of inducement is the difference between the rent charged and the Appraiser's estimate of fair market rent prorated over the period between execution of the sales contract and execution of the Property sale.

Rent below fair market is not considered an inducement to purchase when a builder fails to deliver a Property at an agreed-upon time, and permits the Borrower to occupy an existing or other unit for less than market rent until construction is complete.

The Mortgagee must ensure that a gift provided by a charitable organization meets the appropriate FHA requirements, and that the transfer of funds is properly documented.

(J) Secondary Financing (Manual)

Secondary Financing is any financing other than the first Mortgage that creates a lien against the Property. Any such financing that does create a lien against the Property is not considered a gift or a grant even if it does not require regular payments or has other features forgiving the debt.

To be considered an Instrumentality of Government, the Entity must be established by a governmental body or with governmental approval or under special law to serve a particular public purpose or designated by law (statute or court opinion) and does not have 501(c)(3) status. (T) Rent Credits (Manual)

5. Manual Underwriting of the Borrower

(2) Standard

(3) Required Documentation

The Mortgagee must obtain the rent with option to purchase agreement, the Appraiser's estimate of market rent, and evidence of receipt of payments.

d. Final Underwriting Decision (Manual)

The Direct Endorsement (DE) underwriter is ultimately responsible for making an underwriting decision on behalf of their DE Mortgagee in compliance with HUD requirements.

i. Duty of Care/Due Diligence (Manual)

The underwriter must exercise the same level of care that would be used in underwriting a Mortgage entirely dependent on the Property as security. Compliance with FHA requirements is deemed to be the minimum standard of due diligence required in originating and underwriting an FHA-insured Mortgage.

ii. Specific Underwriter Responsibilities (Manual)

The underwriter must review each Mortgage as a separate and unique transaction, recognizing that there may be multiple factors that demonstrate a Borrower's ability and willingness to make timely Mortgage Payments to make an underwriting decision on behalf of their DE Mortgagee in compliance with HUD requirements. The underwriter must evaluate the totality of the Borrower's circumstances and the impact of layering risks on the probability that a Borrower will be able to repay the mortgage obligation according to the terms of the Mortgage.

As the responsible party, the underwriter must:

- review appraisal reports, compliance inspections, and credit analyses to ensure reasonable conclusions, sound reports, and compliance with HUD requirements regardless of who prepared the documentation;
- determine the acceptability of the appraisal, the inspections, the Borrower's capacity to repay the Mortgage, and the overall acceptability of the Mortgage for FHA insurance;
- identify any inconsistencies in information obtained by the Mortgagee in the course of reviewing the Borrower's application regardless of the materiality of such information to the origination and underwriting of a Mortgage; and
- resolve all inconsistencies identified before approving the Borrower's application, and document the inconsistencies and their resolutions of the inconsistencies in the file.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

The underwriter must identify and report any misrepresentations, violations of HUD requirements, and fraud to the appropriate party within their organization.

iii. Underwriting of Credit and Debt (Manual)

The underwriter must determine the creditworthiness of the Borrower, which includes analyzing the Borrower's overall pattern of credit behavior and the credit report (see [Credit Requirements](#)).

The lack of traditional credit history or the Borrower's decision to not use credit may not be used as the sole basis for rejecting the mortgage application.

Compensating factors cannot be used to compensate for any derogatory credit.

The underwriter must ensure that there are no other unpaid obligations incurred in connection with the mortgage transaction or the purchase of the Property.

iv. Underwriting of Income (Manual)

The underwriter must review the income of a Borrower and verify that it has been supported with the proper documentation (see [Income Requirements](#)).

v. Underwriting of Assets (Manual)

The underwriter must review the assets of a Borrower and verify that they have been supported with the proper documentation (see [Asset Requirements](#)).

vi. Verifying Mortgage Insurance Premium and Mortgage Amount (Manual)

The underwriter must review the MIP and mortgage amount and verify that they have been supported with the proper documentation (see [Underwriting](#)).

vii. Calculating Qualifying Ratios (Manual)

(A) General Information about Qualifying Ratios

For all transactions, except non-credit qualifying Streamline Refinances, the underwriter must calculate the Borrower's Total Mortgage Payment to Effective Income Ratio (PTI) and the Total Fixed Payment to Effective Income ratio, or DTI, and verify compliance with the ratio requirements listed in the [Approvable Ratio Requirements Chart](#).

The Mortgagee must exclude any obligation that is wholly secured by existing assets of the Borrower from the calculation of the Borrower's debts, provided the assets securing the debt are also not considered in qualifying the Borrower.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

(B) Calculating Total Mortgage Payment

The total Mortgage Payment includes:

- P&I;
- real estate taxes;
- Hazard Insurance;
- Flood Insurance as applicable;
- MIP;
- HOA or condominium association fees or expenses;
- Ground Rent;
- special assessments;
- payments for any acceptable secondary financing; and
- any other escrow payments.

The Mortgagee may deduct the amount of the Mortgage Credit Certificate or Section 8 Homeownership Voucher if it is paid directly to the Servicer.

(1) Estimating Real Estate Taxes

The Mortgagee must use accurate estimates of monthly tax escrows when calculating the total Mortgage Payment.

In New Construction cases and Manufactured Homes converting to real estate, property tax estimates must be based on the land and improvements.

Where real estate taxes are abated, Mortgagees may use the abated amount provided that (1) the Mortgagee can document the abated amount with the taxing authority and (2) the abatement will remain in place for at least the first three years of the Mortgage.

(2) Condominium Utility Expenses

The portion of a condominium fee that is clearly attributable to utilities may be subtracted from the HOA fees before computing qualifying ratios, provided the Borrower provides proper documentation, such as statements from the utility company.

(3) Temporary Interest Rate Buydowns

The Mortgagee must use the Note rate when calculating principal and interest for Mortgages that involve a temporary interest rate buydown.

(C) Calculating Total Fixed Payment

The total fixed payment includes:

- the total Mortgage Payment; and
- monthly obligations on all debts and liabilities.

viii. Approvable Ratio Requirements (Manual)

The maximum Total Mortgage Payment to Effective Income Ratio (PTI) and Total Fixed Payments to Effective Income Ratio, or DTI, applicable to manually underwritten Mortgages are summarized in the matrix below.

The qualifying ratios for Borrowers with no credit score are computed using income only from Borrowers occupying the Property and obligated on the Mortgage. Non-occupant co-Borrower income may not be included.

Lowest Minimum Decision Credit Score	Maximum Qualifying Ratios (%)	Acceptable Compensating Factors
500-579 or No Credit Score	31/43	Not applicable. Borrowers with Minimum Decision Credit Scores below 580, or with no credit score may not exceed 31/43 ratios. Energy Efficient Homes may have stretch ratios of 33/45.
580 and above	31/43	No compensating factors required. Energy Efficient Homes may have stretch ratios of 33/45.
580 and above	37/47	One of the following: <ul style="list-style-type: none">• verified and documented cash Reserves;• minimal increase in housing payment; or• residual income.
580 and above	40/40	No discretionary debt.
580 and above	40/50	Two of the following: <ul style="list-style-type: none">• verified and documented cash Reserves;• minimal increase in housing payment;• significant additional income not reflected in Effective Income; and/or• residual income.

ix. Documenting Acceptable Compensating Factors (Manual)

The following describes the compensating factors and required documentation that may be used to justify approval of manually underwritten Mortgages with qualifying ratios as described above.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

(A) Energy Efficient Homes

(1) Standard

For Mortgages on New Construction, the Borrower is eligible for the EEH stretch ratios when the Property meets or exceeds the higher of:

- the latest [energy code standard that has been adopted by HUD](#) through a Federal Register notice; or
- the applicable International Energy Conservation Code (IECC) year used by the state or local building code.

For Mortgages on Existing Construction, the Borrower is eligible for the EEH stretch ratios when the property meets either of the following conditions:

- Homes that *currently* score a **“6” or higher** on the Home Energy Score scale; or
- Homes where documented cost-effective energy improvements, as identified in the Home Energy Score Report, would increase a home’s score to a **“6” or higher** are completed prior to closing, or in association with FHA’s 203(k), Weatherization, EEM or Solar and Wind programs.

(2) Required Documentation

The following documents must be included in the case binder submitted for endorsement:

- For Mortgages on Existing Construction, a copy of the Home Energy Score Report.
- For Mortgages on New Construction, a copy of the Builder’s Certification, [form HUD-92541](#), to evidence the IECC code, successor code or local/state building code used.

(B) Verified and Documented Cash Reserves

Verified and documented cash Reserves may be cited as a compensating factor subject to the following requirements.

- Reserves are equal to or exceed three total monthly Mortgage Payments (one and two units); or
- Reserves are equal to or exceed six total monthly Mortgage Payments (three and four units).

Reserves are calculated as the Borrower’s total assets as described in [Asset Requirements](#) less:

- the total funds required to close the Mortgage;
- gifts;
- borrowed funds; and
- cash received at closing in a cash-out refinance transaction or incidental cash received at closing in the mortgage transaction.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

(C) Minimal Increase in Housing Payment

A minimal increase in housing payment may be cited as a compensating factor subject to the following requirements:

- the new total monthly Mortgage Payment does not exceed the current total monthly housing payment by more than \$100 or 5 percent, whichever is less; and
- there is a documented 12 month housing payment history with no more than one 30 Day late payment. In cash-out transactions all payments on the Mortgage being refinanced must have been made within the month due for the previous 12 months.
- If the Borrower has no current housing payment Mortgagees may not cite this compensating factor.

The Current Total Monthly Housing Payment refers to the Borrower's current total Mortgage Payment or current total monthly rent obligation.

(D) No Discretionary Debt

No discretionary debt may be cited as a compensating factor subject to the following requirements:

- the Borrower's housing payment is the only open account with an outstanding balance that is not paid off monthly;
- the credit report shows established credit lines in the Borrower's name open for at least six months; and
- the Borrower can document that these accounts have been paid off in full monthly for at least the past six months.

Borrowers who have no established credit other than their housing payment, no other credit lines in their own name open for at least six months, or who cannot document that all other accounts are paid off in full monthly for at least the past six months, do not qualify under this criterion. Credit lines not in the Borrower's name but for which they are an authorized user do not qualify under this criterion.

(E) Significant Additional Income Not Reflected in Effective Income

Additional income from Overtime, Bonuses, Part-Time or Seasonal Employment that is not reflected in Effective Income can be cited as a compensating factor subject to the following requirements:

- the Mortgagee must verify and document that the Borrower has received this income for at least one year, and it will likely continue; and
- the income, if it were included in gross Effective Income, is sufficient to reduce the qualifying ratios to not more than 37/47.

Income from non-borrowing spouses or other parties not obligated for the Mortgage may not be counted under this criterion.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

5. Manual Underwriting of the Borrower

This compensating factor may be cited only in conjunction with another compensating factor when qualifying ratios exceed 37/47 but are not more than 40/50.

(F) Residual Income

Residual income may be cited as a compensating factor provided it can be documented and it is at least equal to the applicable amounts for household size and geographic region found on the Table of Residual Incomes By Region found in the Department of Veterans Affairs (VA) [Lenders Handbook - VA Pamphlet 26-7](#), Chapter 4.9 b and e.

(1) Calculating Residual Income

Residual income is calculated as total Effective Income of all occupying Borrowers less:

- state income taxes;
- federal income taxes;
- municipal or other income taxes;
- retirement or Social Security;
- [total fixed payment](#);
- estimated maintenance and utilities;
- job related expenses (e.g., child care); and
- the amount of the Gross Up of any Non-Taxable Income.

If available, Mortgagees must use federal and state tax returns from the most recent tax year to document state and local taxes, retirement, Social Security and Medicare. If tax returns are not available, Mortgagees may rely upon current pay stubs.

For estimated maintenance and utilities, Mortgagees must multiply the Gross Living Area of the Property by the maintenance and utility factor found in the [Lenders Handbook - VA Pamphlet 26-7](#).

(2) Using Residual Income as a Compensating Factor

To use residual income as a compensating factor, the Mortgagee must count all members of the household of the occupying Borrower without regard to the nature of their relationship and without regard to whether they are joining on title or the Note to determine “family size.”

Exception

The Mortgagee may omit any individuals from “family size” who are fully supported from a source of verified income which is not included in Effective

From the table provided in [Lenders Handbook - VA Pamphlet 26-7](#), select the applicable mortgage amount, region and household size. If residual income equals or exceeds the corresponding amount on the table, it may be cited as a compensating factor.

5. Manual Underwriting of the Borrower

(A) Definitions

For the purpose of the Back to Work – Extenuating Circumstances Policy only:

Economic Event refers to any occurrence beyond the Borrower’s control that results in loss of employment, loss of income, or a combination of both, which causes a reduction in the Borrower’s household income of 20 percent or more for a period of at least six months.

Any open Mortgages must be current with a 12 month satisfactory payment history. Mortgages may have been brought current through a Loan Modification, “temporary” or “permanent,” as long as all payments are documented as being received in accordance with the modification agreement.

Borrower Household Income refers to the gross income of the Borrower and all household members.

Household Member refers to the Borrower and any individual residing at the Borrower’s Principal Residence at the time of the Economic Event, and who was a co-Borrower on the Borrower’s previous Mortgage.

(B) General Eligibility

c. Inspection and Repair Escrow Requirements for Mortgages Pending Closing or Endorsement in Presidentially-Declared Major Disaster Areas

All Properties with pending Mortgages or endorsements in areas under a Presidentially-Declared Major Disaster Areas (PDMDA) designated for individual assistance must have a damage inspection report that identifies and quantifies any dwelling damage. The damage inspection report must be completed by an FHA Roster Appraiser even if the inspection shows no damage to the Property, and the report must be dated after the Incident Period (as defined by [FEMA](#)) or 14 Days from the Incident Period start date, whichever is earlier. If the effective date of the appraisal is on or after the date required above for an inspection, a separate damage inspection report is not necessary.

Streamline Refinances are allowed to proceed to closing and/or endorsement without any additional requirements.

FHA does not require the Appraiser to ensure utilities are on at the time of this inspection if they have not yet been restored for the area.

Damage inspections should be completed by the original Appraiser. However, if the original Appraiser is not available, another FHA Roster Appraiser in good standing with geographic competence in the affected market may be used. If the Mortgagee uses a different Appraiser to inspect the Property, the Appraiser performing the damage inspection must be provided with a complete copy of the original appraisal.

iii. Pre-Closing Appraisal Validity in Disaster Areas

For Mortgages that are not closed prior to the Incident Period, as defined by [FEMA](#), in PDMDAs where a damage inspection report reveals property damage, the appraisal validity period is extended from 120 Days to a maximum of one year from the effective date of the original appraisal.

In no instance will an appraisal be acceptable for a mortgage closing that has an effective date beyond one year. Mortgages with appraisals having effective dates in excess of one year require a new appraisal.

d. Procedures for Endorsement

To initiate the insurance endorsement process, the Mortgagee must complete the Insurance Application function in [FHAC](#) and compile the uniform case binder, with all of the necessary documents.

Instructions for specific requirements for data format and delivery to FHAC are found in the [FHA Connection Guide](#).

The Mortgage must be current to be eligible for endorsement.

Either the sponsoring Mortgagee, principal or authorized agent must:

The Mortgagee must pay both charges before FHA will endorse the Mortgage for insurance.

ii. Assembly of Case Binder

The Mortgagee must prepare and submit a uniform case binder to the Jurisdictional HOC.

(A) Uniform Case Binder Requirements

The Mortgagee must ensure that all case binders are complete, meet FHA specifications, and contain all required documents arranged in the correct stacking order.

(B) Uniform Case Binder Format

The uniform case binder must be color coded as follows:

- Yellow – Cases submitted for Mortgagees with Lender Insurance authority
- Manila – Cases submitted for Mortgagees without Lender Insurance authority
- Blue – Test Cases submitted for Mortgagees who receive a DE program Test Case phase approval letter from HUD's HOC

The Mortgagee must complete the front of the binder and write the case number on the side and bottom tabs of the binder.

(C) Uniform Case Binder Stacking Order

The Mortgagee must ensure that all required documents, as applicable, are arranged in the stacking order chart below.

All appraisals must be submitted through FHA's EAD portal prior to endorsement. Complete instructions and data delivery format requirements for each appraisal form are found in the [Appraisal Report and Data Delivery Guide](#).

(C) After Receipt of a Notice of Return

Notice of Return (NOR) refers to a notification to the Mortgagee specifying the reason a Mortgage is not currently eligible for endorsement.

If the Jurisdictional HOC issues an NOR, the Mortgagee may request reconsideration for insurance endorsement. All requests for reconsideration must be received by the Jurisdictional HOC within the 60-Day endorsement submission period or within 30 Days of the issuance of the NOR, whichever is longer. If the request for reconsideration is submitted after this time period, the Mortgagee must follow the guidelines for late submission.

Mortgagees submitting paper case binders must submit the original case binder with any request for reconsideration.

iv. Ineligible for Endorsement – Non-Lender Insurance

(A) Notice of Return

If the Mortgage is ineligible for insurance endorsement, FHAC issues an electronic NOR, which states the reasons for non-endorsement and any corrective actions that the Mortgagee must take.

If the Mortgage is permanently rejected for insurance endorsement, the Mortgagee must notify the Borrower that they do not have an FHA-insured Mortgage and of the circumstances that made the Mortgage ineligible for FHA insurance.

(B) Additional Requirements for Permanently Rejected Mortgages

The Mortgagee must obtain a refund of both the UFMIP and any periodic MIP paid by or on behalf of the Borrower, and apply the refund to the principal balance of the Mortgage.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

7. Post-Closing and Endorsement

(C) Excessive Mortgage Amounts

An excessive mortgage amount occurs when the Mortgagee closes a Mortgage in an amount higher than what is permitted by FHA requirements. The Mortgage is not eligible for insurance until the amount is reduced to within permissible limits. The Mortgagee may choose to either pay down the principal balance, or re-close the Mortgage to an insurable amount.

The Mortgagee must provide a copy of the payment ledger showing that the principal balance has been paid down to an insurable amount.

v. Endorsement Processing – Lender Insurance

Once the Mortgagee has completed the entry of all required data, completed the pre-endorsement review, and satisfied itself that the Mortgage meets HUD requirements, it will click “yes” in the Insurance Decision field, enter the FHA Connection ID of the individual insuring the Mortgage, enter the insurance date on the Insurance Application screen and click “send.”

The Mortgagee must endorse the Mortgage no later than 60 Days after the Disbursement Date.

Late Submission

If the Mortgage is endorsed more than 60 Days after the Disbursement Date, the Mortgagee must complete a late endorsement certification stating:

- no Mortgage Payment is currently unpaid;
- all escrow accounts for taxes, Hazard Insurance and MIPs are current and intact, except for Disbursements that may have been made to cover payments for which the accounts were specifically established; and
- neither the Mortgagee nor its agents provided the funds to bring and/or keep the Mortgage current or to bring about the appearance of an acceptable payment history.

Each late endorsement certification must:

- list the FHA case number;
- list the Borrower’s name;
- be dated and signed by the Mortgagee’s representative; and
- be printed on company letterhead with the Mortgagee’s address and telephone number.

The Mortgagee must retain the certification in the case binder.

vi. Case Warnings – Lender Insurance

Case warnings are issued by FHAC based on system edits. They identify issues that must be addressed before the Mortgage can be insured. There are two kinds of case warnings: non-severe and severe.

(A) Severe Case Warnings

Severe case warnings are case warnings that make the Mortgage ineligible for Lender Insurance (LI), which include:

- a Borrower failed or is pending SSN validation;
- a Borrower has a record in CAIVRS;
- the pre-endorsement delinquency status is delinquent; or
- a deficiency exists causing risks to HUD. The requesting HOC will add text to the case warning message screen identifying the reasons requiring submission of the case binder to the HOC for a pre-endorsement review.

Once the severe case warning is corrected, documentation in support of clearing the case warning and the case binder must be submitted to the Jurisdictional HOC for pre-endorsement review and endorsement processing.

(B) Non-severe Case Warnings

Non-severe case warnings are warnings to provide guidance to the Mortgagee that conditions have been detected and must be researched before the Mortgage can be endorsed. If, after researching the matter, the Mortgagee determines that HUD requirements have not been violated, the Mortgagee may re-submit the Mortgage for insurance.

By re-submitting the information, the Mortgagee is representing that the warning has been reviewed and the Mortgage is eligible for insurance endorsement. FHAC will then allow the Mortgage to be insured by the Mortgagee.

vii. Mortgagee with Conditional Direct Endorsement Approval (Test Case)

For Mortgagees who receive a DE program Test Case phase approval letter from HUD's HOC, the Mortgagee must ensure that:

- all required certifications are executed;
- a complete case file post-closing is submitted that includes all required origination, underwriting and closing documents in the order specified in the Case Binder Documents Requirements Checklist that is provided to the Mortgagee during the Entrance Conference; and
- the documents are placed in a blue folder with a completed front cover, the FHA case number written on the side and bottom tab of the folder, and "TEST CASE" written in large letters on the front of the folder.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

7. Post-Closing and Endorsement

e. Endorsement and Post-Endorsement

i. Endorsement

Upon successful completion of a pre-endorsement review either by FHA or the LI Mortgagee, an electronic Mortgage Insurance Certificate (MIC) will be issued.

The Mortgage becomes insured on the date the MIC is issued.

ii. Post-Endorsement

(A) Confirming Status of the Mortgage Insurance Certificate

The Mortgagee can confirm the endorsement status of a Mortgage using [FHAC](#) or FHA Connection Business to Government (FHAC-B2G) application.

(B) Obtaining the Mortgage Insurance Certificate

When requesting the MIC, the Mortgagee must specify whether it is to be prepared in the name of the originator (principal), or authorized agent, as it appears in HUD Systems.

The MIC will be issued electronically. The Mortgagee can download and print copies of the MIC as needed.

(C) Corrections to the Mortgage Insurance Certificate

To obtain a correction to the MIC, the Mortgagee must submit the [MIC Correction Request Template](#) to the FHA Resource Center. This form may be used to correct the property address, Borrower name, ADP Code, maturity and first payments dates, P&I, interest rate, SSN, FHA case number, mortgage amount or other information contained in the MIC, or to add a co-Borrower.

(D) Corrections to Original Instruments

The Mortgagee must follow applicable local law when making corrections to the original instruments.

If new instruments are executed as required by local law, the Mortgagee must submit the new instruments prior to insurance endorsement.

(E) Partial Release of Security

FHA approval for partial release of security is required except in limited circumstances. See [FHA Servicing Policy](#) for more information.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

7. Post-Closing and Endorsement

iii. Case Binder Submission – Lender Insurance Mortgagees

LI Mortgagees must submit the case binder to the Jurisdictional HOC (or other HUD office as identified in the notice) when requested by FHA.

FHA will request the case binder through a daily email notification to the Mortgagee's contact person.

If requested, the LI Mortgagee must submit the case binder within 10 business days of request.

If approved to submit electronic Case Binders (eCBs) to FHA, the LI Mortgagee must submit the eCB through [FHAC](#) through the Insuring, Underwriting Report, and Lender Letter screens.

iv. Mortgage File Retention

The Mortgagee must maintain their mortgage file, including the case binder, in either hard copy or electronic format for a period of two years from the date of endorsement.

Mortgagees retaining eCBs are not required to maintain a separate version of the eCB indexed for electronic submission to HUD.

If HUD requests a case binder that is maintained electronically, the Mortgagee must follow the requirements in the [eCB Developer's Guide](#).

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

8. Programs and Products

a. 203(k) Rehabilitation Mortgage Insurance Program

i. Overview

The Section 203(k) Rehabilitation Mortgage Insurance Program is used to:

- rehabilitate an existing one- to four-unit Structure, which will be used primarily for residential purposes;
- rehabilitate such a Structure and refinance outstanding indebtedness on the Structure and the Real Property on which the Structure is located; or
- purchase and rehabilitate a Structure and purchase the Real Property on which the Structure is located.

Structure refers to a building that has a roof and walls, and stands permanently in one place that contains single or multiple housing units that are used for human habitation.

Mortgages to be insured under Section 203(k) must be processed and underwritten in accordance with the requirements in [Origination Through Post-Closing/Endorsement](#), except where noted otherwise in this appendix.

(A) Types of 203(k) Rehabilitation Mortgages

There are two types of 203(k) Rehabilitation Mortgages: Standard 203(k) and Limited 203(k), as described below. The guidance in this appendix is applicable to both Standard 203(k) and Limited 203(k) Mortgages unless noted otherwise.

(1) Standard 203(k)

The Standard 203(k) Mortgage may be used for remodeling and repairs. There is a minimum repair cost of \$5,000 and the use of a [203\(k\) Consultant](#) is required.

(2) Limited 203(k)

The Limited 203(k) may only be used for [minor remodeling and non-structural repairs](#). The Limited 203(k) does not require the use of a 203(k) Consultant, but a Consultant may be used. The total rehabilitation cost must not exceed \$35,000. There is no minimum rehabilitation cost.

(B) Eligible Supplemental Programs and Products

A 203(k) Mortgage may be used in conjunction with the following:

- [Section 203\(h\) Mortgage Insurance for Disaster Victims](#)
- [Energy Efficient Mortgages](#)
- [Solar and Wind Technologies](#)

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

ii. Borrower Eligibility

The Borrower must meet the eligibility requirements found in the [Borrower Eligibility](#) section, and the additional guidance provided here related to nonprofit agency Borrowers.

The Mortgagee must verify and document the nonprofit agency Borrower's caseload. The Mortgagee must review the Nonprofit List in FHA Connection ([FHAC](#)), and ensure the maximum 203(k) case load limitation is not exceeded for nonprofit Borrowers.

iii. Property Eligibility

The Property must be an existing Property that has been completed for at least one year prior to the case number assignment date. If the Mortgagee is unsure whether the Property has been completed for at least one year, the Mortgagee must request a copy of the Certificate of Occupancy (CO) or equivalent.

A Property that is not eligible for a 203(b) Mortgage due to health and safety or security issues may be eligible under 203(k) if the rehabilitation or repair work performed will correct such issues.

A Property with an existing 203(k) Mortgage is not eligible to be refinanced until all repairs are completed and the case has been electronically closed out.

The following property types may be financed:

- a one- to four-unit Single Family Structure;
- an individual Condominium Unit, meeting the following requirements:
 - the unit must be located in an FHA-Approved Condominium Project and must comply with all other requirements for condominiums;
 - rehabilitation or improvements are limited to the interior of the unit, except for the installation of firewalls in the attic for the unit;
 - no more than five units per Condominium Association, or 25 percent of the total number of units, whichever is less, can undergo rehabilitation at any time; and
 - after rehabilitation is complete, the unit is located in a Structure containing no more than four units. For townhouse style condominiums, each townhouse is considered as one Structure, provided each unit is separated by a one and one-half hour firewall from foundation to roof;
- a Site Condominium unit;
- Manufactured Housing where the rehabilitation does not affect the structural components of the Structure that were designed and constructed in conformance with the [Federal Manufactured Home Construction and Safety Standards](#) and must comply with all other requirements for [Manufactured Housing](#);
- a Mixed Use Property with one- to four-residential units, provided:
 - 51 percent of the Gross Building Area (GBA) is for residential use; and
 - commercial use will not affect the health and safety of the occupants of the residential Property; and

- a HUD Real Estate Owned (REO) Property:
 - the Property is identified as eligible for 203(k) financing as evidenced in the sales contract or addendum. Investor purchases of HUD REO Properties are not eligible for 203(k) financing.

(A) Dwelling Unit Limitation

A Mortgagee may determine that units in a neighborhood are not subject to the [Dwelling Unit Limitation](#) of no more than seven Dwelling Units within a two block radius when:

- the neighborhood has been targeted by a state or local government for redevelopment or revitalization;
- the state or local government has approved and submitted a plan to HUD describing the program of neighborhood redevelopment and revitalization, including the geographic area targeted for redevelopment, and the nature and proportion of public or private commitments that have been made in support of the redevelopment;
- the nonprofit agency borrower will own no more than 10 percent of the Dwelling Units (regardless of financing type) in the designated redevelopment area; and
- the nonprofit agency borrower will have no more than eight Dwelling Units on adjacent lots.

The Mortgagee must review the approved redevelopment plan to ensure that the units in which the nonprofit agency has or will have a financial interest are located within the targeted geographic area. The Mortgagee must also review public records to determine that the agency does not exceed the limitations on the number of units that they may own in the redevelopment area, and that they have no more than eight adjacent units.

(B) Required Documentation

The Mortgagee must obtain the following documentation:

- a copy of the redevelopment plan; and
- evidence that the state or local government approved the plan.

The Mortgagee must submit the documentation to HUD in the case binder.

iv. Application Requirements

The Mortgagee must provide the Borrower with the form [HUD-92700-A](#), *203(k) Borrower's Acknowledgment*.

(2) Improvements Standards

(a) General Improvement Standards

All improvements to existing Structures must comply with HUD's MPR and meet or exceed local building codes. Any addition of a Structure unit must be attached to the existing Structure. Site improvements, landscaping, patios, decks and terraces must increase the As-Is Property Value equal to the dollar amount spent on the improvements or be necessary to preserve the Property from erosion.

(B) Standard 203(k) Ineligible Improvements/Repairs

The Mortgagee must not use the services of a Consultant who has demonstrated previous poor performance based on reviews performed by the Mortgagee. The Consultant must inspect the Property and prepare the Work Write-Up and Cost Estimate.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

The Work Write-Up refers to the report prepared by a 203(k) Consultant that identifies each Work Item to be performed and the specifications for completion of the repair.

Cost Estimate refers to a breakdown of the cost for each proposed Work Item, prepared by a 203(k) Consultant.

Work Item refers to a specific repair or improvement that will be performed.

Exception for Borrowers Doing Own Work

For Borrowers performing their own work under a Rehabilitation Self-Help Agreement, the Consultant must identify on the Work Write-Up each Work Item to be performed by the Borrower. The Borrower must not be reimbursed for labor costs.

(D) Standard 203(k) Financeable Repair and Improvement Costs and Fees

The following repair and improvement costs and fees may be financed:

- costs of construction, repairs and rehabilitation;
- architectural/engineering professional fees;
- the 203(k) Consultant fee subject to the limits in the [203\(k\) Consultant Fee Schedule section](#);
- inspection fees performed during the construction period, provided the fees are reasonable and customary for the area;

(E) Standard 203(k) Financeable Contingency Reserve

Contingency Reserve refers to funds that are set aside to cover unforeseen project costs.

The Mortgagee must refer to the following chart to determine when a Contingency Reserve is required. The minimum and maximum Contingency Reserve is established as a percentage of the [Financeable Repair and Improvement Costs](#).

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

For Structures with an actual age of less than 30 years:

	Minimum	Maximum
Required when evidence of termite damage	10%	20%
Discretionary	No Minimum	20%

For Structures with an actual age of 30 years or more:

	Minimum	Maximum
Required	10%	20%
Required when utilities are not operable as referenced in the Work Write-Up	15%	20%

The Borrower may provide their own funds to establish the Contingency Reserves. Where the Borrower has provided their own funds for Contingency Reserves, they must be noted under a separate category in the Repair Escrow Account.

(F) Standard 203(k) Financeable Mortgage Payment Reserves

A Mortgage Payment Reserve refers to an amount set aside to make Mortgage Payments when the Property cannot be occupied during rehabilitation.

A Mortgagee may establish a financeable Mortgage Payment Reserve, not to exceed six months of Mortgage Payments. The Mortgage Payment Reserve may include Mortgage Payments only for the period during which the Property cannot be occupied. The number of Mortgage Payments cannot exceed the completion time frame required in the Rehabilitation Loan Agreement.

For multi-unit properties, if one or more units are occupied, the Mortgage Payment Reserve may only include the portion of the Mortgage Payment attributable to the units that cannot be occupied. To calculate the amount that can be included in the Mortgage Payment Reserve, the Mortgagee will divide the monthly Mortgage Payment by the number of units in the Property, and multiply that figure by the number of units that cannot be occupied. The resulting figure is the amount of the Mortgage Payment that will be paid through the Mortgage Payment Reserve. The Borrower is responsible for paying the servicing Mortgagee the portion of the Mortgage not covered by the Mortgage Payment Reserve.

(G) Standard 203(k) Financeable Mortgage Fees

The Mortgagee may finance the following fees and charges.

(2) Discount Points

The Mortgagee may finance a portion of the Borrower-paid discount points not to exceed an amount equal to the discount point percentage multiplied by the total of [Financeable Repair and Improvement Costs and Fees](#), [Financeable Contingency Reserves](#) and [Financeable Mortgage Payment Reserves](#).

(H)Standard 203(k) Required Documentation and Review

(1) Review of Contractor Qualifications

Prior to closing, the Mortgagee must ensure that a qualified general or specialized contractor has been hired and, by contract, has agreed to complete the work described in the Work Write-Up for the amount of the Cost Estimate and within the allotted time frame. To determine whether the contractor is qualified, the Mortgagee must review the contractor's credentials, work experience and client references, and ensure that the contractor meets all jurisdictional licensing and bonding requirements.

(2) Consultant's Work Write-Up and Cost Estimate

The Mortgagee must obtain the Consultant's Work Write-Up and Cost Estimate for all Standard 203(k) Mortgages. The Mortgagee must ensure the Work Write-Up/Cost Estimate specifies the type of repair and cost of each Work Item. The Mortgagee must review the Work Write-Up and ensure that all health and safety issues identified were addressed before, including additional Work Items.

(3) Architectural Exhibits

The Mortgagee must obtain and review all applicable [architectural exhibits](#).

(4) Sales Contract

The Mortgagee must ensure the sales contract includes a provision that the Borrower has applied for Section 203(k) financing, and that the contract is contingent upon mortgage approval and the Borrower's acceptance of additional required improvements as determined by the Mortgagee.

(B) Limited 203(k) Ineligible Improvements/Repairs

- the repair or improvements are expected to require more than six months to complete;
- the rehabilitation activities require more than two payments per specialized contractor;
- the required repairs arising from the appraisal:
 - necessitate a Consultant to develop a specification of repairs/Work Write-Up; or

The contractors must be licensed and bonded if required by the local jurisdiction. The Borrower must provide the contractors' credentials and bids to the Mortgagee.

The Mortgagee must review the contractors' credentials, work experience and client references and ensure that the contractors meet all jurisdictional licensing and bonding requirements. The Mortgagee must examine the work plan and the contractors' bids and determine if they fall within the usual and customary range for similar work.

The Mortgagee may require the Borrower to provide additional Cost Estimates if necessary.

Exception for Borrowers Doing Own Work

For Borrowers performing their own work under a Rehabilitation Self-Help Agreement, the Borrower must submit a work plan detailing the Work Items to be performed by the Borrower and a Cost Estimate from a contractor other than the Borrower that provides a breakdown of the cost for labor and materials for each Work Item. The contractor must be licensed and bonded if required by the local jurisdiction. The Borrower must not be reimbursed for labor costs.

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

(2) Written Proposal and Cost Estimates

The Mortgagee must obtain a written proposal and Cost Estimate from a contractor for each specialized repair or improvement. The Mortgagee must ensure that the selected contractor meets all jurisdictional licensing and bonding requirements. The written proposal must indicate Work Items that require permits and state that repairs are non-structural. The Cost Estimate must state the nature and type of repair and cost for each Work Item, broken down by labor and materials.

The Mortgagee must obtain written Cost Estimates for each Work Item, broken down by labor and materials, to be performed by the Borrower under a self-help agreement.

viii. Appraisals for Standard 203(k) and Limited 203(k)

(A) Establishing Value

The Mortgagee must establish both an Adjusted As-Is Value and an After Improved Value of the Property.

(1) Appraisal Reports

An appraisal by an FHA Roster Appraiser is always required to establish the After Improved Value of the Property. Except as described below in cases of Property Flipping and refinance transactions, the Mortgagee is not required to obtain an as-is appraisal and may use alternate methods mentioned below to establish the Adjusted As-Is Value. If an as-is appraisal is obtained, the Mortgagee must use it in establishing the Adjusted As-Is Value.

(2) Adjusted As-Is Value

The Mortgagee must establish the Adjusted As-Is Value as described below.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

(a) Purchase Transactions

For purchase transactions, the Adjusted As-Is Value is the lesser of:

- the purchase price less any inducements to purchase; or
- the As-Is Property Value.

The As-Is Property Value refers to the as-is value as determined by an FHA Roster Appraiser, when an as-is appraisal is obtained.

In the case of Property Flipping, the Mortgagee must obtain an as-is appraisal if needed to comply with the Property Flipping guidelines.

(b) Refinance Transactions

(i) Properties Acquired Greater Than or Equal to 12 Months Prior to the Case Assignment Date

The Mortgagee must obtain an as-is appraisal to determine the Adjusted As-Is Value when the existing debt on the Property plus the following items exceeds the After Improved Value:

- Financeable Repairs and Improvement Costs;
- Financeable Mortgage Fees;
- Financeable Contingency Reserves; and
- Financeable Mortgage Payment Reserves (for Standard 203(k) only).

When an appraisal is obtained, the Adjusted As-Is Value is the As-Is Property Value.

The Mortgagee has the option of using the existing debt plus fees associated with the new Mortgage or obtaining an as-is appraisal to determine the Adjusted As-Is Value when the existing debt on the Property plus the following items does not exceed the After Improved Value:

- Financeable Repairs and Improvement Costs;
- Financeable Mortgage Fees;
- Financeable Contingency Reserves; and
- Financeable Mortgage Payment Reserves (for Standard 203(k) only).

Existing debt includes:

- the unpaid principal balance of the first Mortgage as of the month prior to mortgage Disbursement;
- the unpaid principal balance of any purchase money junior Mortgage as of the month prior to mortgage Disbursement;

- the unpaid principal balance of any junior liens over 12 months old as of the date of mortgage Disbursement. If the balance or any portion of an equity line of credit in excess of \$1,000 was advanced within the past 12 months and was for purposes other than repairs and rehabilitation of the Property, that portion above and beyond \$1,000 of the line of credit is not eligible for inclusion in the new Mortgage;
- interest due on the existing Mortgage(s);
- Mortgage Insurance Premium (MIP) due on existing Mortgage;
- any prepayment penalties assessed;
- late charges; and
- escrow shortages.

(ii) Properties Acquired Less Than 12 Months Prior to the Case Assignment Date

For properties acquired by the Borrower within 12 months of the case number assignment date, an as-is appraisal must be obtained.

The Adjusted As-Is Value is the As-Is Property Value.

For properties acquired by the Borrower within 12 months of the case assignment date by inheritance or through a gift from a Family Member, the Mortgagee may utilize the calculation of Adjusted As-Is Value for properties acquired greater than or equal to 12 months prior to the case assignment date.

(3) After Improved Value

To establish the After Improved Value, the Mortgagee must obtain an appraisal of the Property subject to the repairs and improvements.

(B) Documents to be Provided to the Appraiser at Assignment

The Mortgagee must provide the Appraiser with a copy of the Consultant's Work Write-Up and Cost Estimate for a Standard 203(k), or the work plan, contractor's proposal and Cost Estimates for a Limited 203(k).

ix. Maximum Mortgage Amount for Purchase

The maximum mortgage amount that FHA will insure on a 203(k) purchase is the lesser of:

x. Maximum Mortgage Amount for Refinance

The maximum mortgage amount that FHA will insure on a 203(k) refinance is the lesser of:

1. the existing debt and fees associated with the new Mortgage, plus:

 - 110 percent of the After Improved Value (100 percent for condominiums); or
3. the [Nationwide Mortgage Limits](#).

(A) Loan-to-Value Ratios for Refinance

The table below describes the relationship between the [Borrower's Minimum Decision Credit Score](#) and the LTV ratio for which they are eligible.

If the Borrower's Minimum Decision Credit Score is:	Then the Borrower is:
at or above 580	eligible for maximum financing of 97.75%.
between 500 and 579	limited to a maximum LTV of 90%.

For Secondary Residences, the maximum LTV is 85 percent.

The Mortgagee must calculate the maximum mortgage amount without factoring in the cost of Energy Efficient Mortgage ([EEM](#)) items, [weatherization](#) items, and [solar energy systems](#). The Mortgagee may then add the cost of these improvements to determine the Base Loan Amount. The Base Loan Amount may not exceed 110 percent of the After Improved Value of the Property (100 percent for condominiums).

For Limited 203(k) transactions, the costs for energy improvements can be in addition to the \$35,000 limit on total rehabilitation cost.

xviii. Rehabilitation Escrow Account

When the Mortgage closes, the Mortgagee must place all proceeds designated for the rehabilitation, including the Contingency Reserve, inspection fees and any Mortgage Payments, in an interest bearing escrow account.

For repairs made by the Borrower under a self-help agreement, the Mortgagee is permitted to release funds for materials only.

When the rehabilitation escrow account includes Mortgage Payment Reserves, the Mortgagee must make monthly Mortgage Payments directly from the interest bearing reserve account. - materials costs for items prepaid by the Borrower in cash or by the contractor, where a contract is established with the supplier and an order is placed with the manufacturer for delivery at a later date; and
- up to 50 percent of materials costs for items, not yet paid for by the Borrower or contractor, where a contract is established with the supplier and an order is placed with the manufacturer for delivery at a later date.

(b) Change Orders

Work must be 100 percent complete on each change order item before the release of funds for the Work Items from the rehabilitation escrow account.

(c) Holdbacks

The Mortgagee must hold back 10 percent of each draw request prior to release of funds from the rehabilitation escrow account.

Exception

When a subcontractor is 100 percent complete with a Work Item, the work completed is acceptable to the inspector, and the contractor and subcontractor provide the necessary Lien Waivers, or equivalent, the Mortgagee is not required to hold back funds; the Mortgagee has discretion to hold back funds if not required.

(d) Timeliness of Release

The Mortgagee must release funds within five business days after receipt of a properly executed draw request and title update when necessary.

(i) Standard 203(k) Release of Funds

Maximum Draw Requests

The Mortgagee may approve a maximum of five draw requests (four intermediate and one final).

Contingency Reserve

To allow use of contingency funds for improvements other than health and safety when rehabilitation is incomplete, the Mortgagee must determine

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

that it is unlikely that any health or safety deficiency will be discovered, and that the Mortgage will not exceed 95 percent of the appraised value.

When the rehabilitation is complete, the Borrower may use the Contingency Reserve account to fund additional improvements not included in the original Work Write-Up.

The Mortgagee must obtain a change order detailing the additional improvements, including the costs of labor and materials.

The Mortgagee must inform the Borrower in writing of the approval or rejection of the request to use funds from the Contingency Reserve account for additional improvements within five business days.

Method of Payment

The Mortgagee will release escrow funds upon completion of the rehabilitation in compliance with the Work Write-Up.

The Mortgagee must issue checks to both the Borrower and contractors as co-payees, unless the Borrower provides written authorization, at each draw, to issue the check directly to the contractor.

The Mortgagee may issue the check directly to the Borrower alone if the release is for:

- materials for work performed under a self-help agreement; or
- materials for items prepaid by the Borrower under contract with the supplier.

(ii) Limited 203(k) Release of Funds

Maximum Number of Draw Requests

The Mortgagee may approve a maximum of two draw requests per contractor or the Borrower (if acting as the contractor).

When necessary, the Mortgagee may arrange a payment schedule, not to exceed two releases, per specialized contractor (an initial release plus a final release).

Total Repair Costs Less Than or Equal to \$15,000

The Mortgagee must ensure that the repairs and/or improvements have been completed by obtaining contractor's receipts or a signed [Borrower's Letter of Completion](#). The Mortgagee is not required to perform or have others perform inspections of the completed work.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

The Mortgagee may choose to obtain or perform inspections if they believe such actions are necessary for program compliance or risk mitigation. If the Mortgagee determines that an inspection by a third party is necessary to ensure proper completion of the proposed repair or improvement item, the Mortgagee may charge the Borrower for the costs of no more than two inspections per contractor.

Total Repair Costs Exceeding \$15,000

The Mortgagee must ensure that the repairs and/or improvements have been completed by performing an inspection or by obtaining an inspection by a third party to determine that the repairs have been satisfactorily completed. The Mortgagee must obtain a signed [Borrower's Letter of Completion](#).

Contingency Reserve

The Mortgagee must ensure funds escrowed in the Contingency Reserve are used solely to pay for the proposed repairs or improvements and any unforeseen items related to these repair items.

Method of Payment

The Mortgagee will release rehabilitation escrow funds upon completion of the rehabilitation in compliance with the work plan.

The Mortgagee may issue checks solely to the contractor, or issue checks to the Borrower and the contractor as co-payees.

The Mortgagee may issue the check directly to the Borrower alone if the release is for:

- materials for work performed under a self-help agreement; or
- materials for items prepaid by the Borrower under contract with the supplier.

(2) Final Escrow Closeout

The Mortgagee must include the interest earned in the final payment on the rehabilitation escrow account and may include the total of all [holdbacks](#). However, if it is required to protect the priority of the security instrument, the Mortgagee may retain the holdback for a period not to exceed 35 Days (or the time period required by law to file a lien, whichever is longer), to ensure compliance with state Lien Waiver laws or other state requirements.

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

(a) Standard

(i) Standard 203(k)

Before final release of rehabilitation escrow funds, the Mortgagee must approve the final inspection and draw request signed by the Consultant, contractor, and Borrower.

(ii) Limited 203(k)

Before a final release is made to any contractor, the Mortgagee must determine that all work by the contractor has been completed, is acceptable by the Borrower, and all necessary inspections have been made with acceptable documentation.

(b) Required Documentation for both Standard 203(k) and Limited 203(k)

The Mortgagee must:

- obtain the [Borrower's Letter of Completion](#) signed by the Borrower indicating satisfaction with the completed work and requesting a final inspection and final release of funds;
- obtain a CO, or equivalent, if required by the local jurisdiction;
- obtain all inspections required by the local jurisdiction;
- complete the [Final Release Notice](#) authorizing the final payment;
- provide the Mortgagee's extension approval if applicable; and
- obtain a release of any and all liens arising out of the contract or submission of receipts, or other evidence of payment covering all subcontractors or suppliers who could file a legal claim.

(3) Contingency Release

The Mortgagee must inform the Borrower of its approval or rejection of the Borrower's request for funds to be made available from the Contingency Reserve account for the purpose of improvements.

A Borrower who established the Contingency Funds with their own funds may receive a refund of their funds, or may request the remaining funds be applied towards the principal balance.

For Standard 203(k), the Mortgagee must either make funds available for additional improvements or apply the funds towards the principal balance if the Contingency Reserve was financed.

For Limited 203(k), the Mortgagee must apply the funds towards the principal balance if the Contingency Reserve was financed.

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

(4) Mortgage Payment Reserve

Mortgage Payment Reserves remaining in the reserve account after the Final Release Notice is issued must be used to reduce the mortgage principal.

(5) Escrow Closeout Certification

(a) Standard

After the rehabilitation escrow account is closed, the Mortgagee must complete the Escrow Closeout Certification screen in [FHAC](#) within 30 Days after the escrow account is closed.

(b) Required Documentation

The Mortgagee must certify that the following documents were reviewed and verified for accuracy:

- [Final Release Notice](#)
- [Borrower's Letter of Completion](#)
- title update/Lien Waivers
- draw request forms and inspection reports
- change orders
- Mortgagee accounting of the rehabilitation escrow account and payment ledgers
- contingency release letters

xix. Quality Control

HUD will hold Mortgagees and 203(k) Consultants fully accountable for the mortgage proceeds.

Mortgagees must exercise due diligence with regard to the full scope of the 203(k) Consultant's services. Standards for the 203(k) Consultant's performance must be clearly defined in the Mortgagee's Quality Control Plan and should be provided to each Consultant that the Mortgagee relies on in the 203(k) program. Mortgagees must evaluate and document the performance of these Consultants on at least an annual basis, to include a review of the Consultant's actual work product.

xx. Servicing

(A) Delinquencies

If the Mortgage is [delinquent](#), the Mortgagee may refuse to make further releases from the rehabilitation escrow account.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - 203(k) Rehabilitation Mortgage Insurance Program

(B) Payment Default

The project must stop if the Mortgage is in payment [default](#). The Mortgagee must obtain an inspection of all repairs that have been completed up until this point by the 203(k) Consultant for a Standard 203(k), or for a Limited 203(k) by a third party. The Mortgagee may approve a release of funds for Work Items that have already been completed as of the date the work was stopped.

The inspection obtained by the Mortgagee must also note any items that are required to be completed to protect the interest of the collateral from deteriorating, such as a roof, and health and safety items for a Property that is occupied. The Mortgagee must ensure the completion of any Work Item that the inspection determines is necessary to protect the occupants and/or the collateral. The Mortgagee may use the services of the mortgagor's contractor, if appropriate, or may engage the services of another qualified contractor to complete the Work Item. The Mortgagee may approve a subsequent release of funds for that Work Item.

The Mortgagee has the option to call the Mortgage due and payable.

If the default is cured, the project may resume.

(C) Bankruptcy

The Mortgagee may not approve further advances if the Borrower declares bankruptcy unless otherwise required by law or as needed to protect FHA's first lien position. The Mortgagee must obtain an inspection of all repairs that have been completed by the 203(k) Consultant for a Standard 203(k), or for a Limited 203(k) by a third party. The Mortgagee may approve a release of funds for Work Items that have already been completed as of the date the work was stopped.

(D) Foreclosure of Mortgage during Rehabilitation Period

In the event of a foreclosure during rehabilitation, the Mortgagee must obtain a final inspection to determine the amount of work that has been completed since the start of construction and the cost for the work.

Using a format similar to the [Final Release Notice](#), the Mortgagee will authorize release of rehabilitation escrow funds for the completed work and holdbacks on any previous Disbursements.

If funds remain in the rehabilitation escrow account, the Mortgagee will reduce the amount of claim (unpaid mortgage principal balance) by the unexpended funds in the rehabilitation escrow account.

The Mortgagee must submit a copy of the Final Release Notice with any insurance claim.

8. Programs and Products - Disasters and 203(h) Mortgage Insurance for Disaster Victims

b. Disasters and 203(h) Mortgage Insurance for Disaster Victims

i. Definition

Section 203(h) of the National Housing Act authorizes FHA to insure Mortgages to victims of a Presidentially-Declared Major Disaster Area (PDMDA) for the purchase or reconstruction of a Single Family Property.

Mortgages to be insured under Section 203(h) must be processed and underwritten in accordance with the regulations and requirements applicable to the 203(b) program. Where 203(b) program guidance conflicts with the specific requirements on Section 203(h) Mortgages provided below, this specific guidance controls.

ii. Eligibility Requirements

(A) Borrower Eligibility

(1) Application Deadline

The FHA case number must be assigned within one year of the date the PDMDA is declared, unless an additional period of eligibility is provided.

(2) Principal Residence

The mortgaged Property must be the Borrower's Principal Residence.

(3) Credit Score

The Borrower must have a minimum credit score of 500.

(B) Property Eligibility

The previous residence (owned or rented) must have been located in a PDMDA and destroyed or damaged to such an extent that reconstruction or replacement is necessary. A list of the specified affected counties and cities and corresponding disaster declarations are provided by the Federal Emergency Management Agency ([FEMA](#)).

The purchased or reconstructed Property must be a Single Family Property or a unit in an FHA-Approved Condominium Project.

(C) Minimum Required Investment/Maximum Loan-to-Value

The Borrower is not required to make the Minimum Required Investment (MRI). The maximum Loan-to-Value (LTV) ratio limit is 100 percent of the Adjusted Value. If a 203(k) is used in conjunction with a 203(h), the 203(k) LTV applies.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Disasters and 203(h) Mortgage Insurance for Disaster Victims

(D) Underwriting

The Mortgagee should be as flexible as prudent decision making permits.

The Mortgagee is required to make every effort to obtain traditional documentation regarding employment, assets, and credit, and must document their attempts. Where traditional documentation is unavailable, the Mortgagee may use alternative documentation as outlined below. Where specific requirements are not provided below, the Mortgagee may use alternative documentation that is reasonable and prudent to rely upon in underwriting a Mortgage.

(1) Credit

For Borrowers with derogatory credit, the Mortgagee may consider the Borrower a satisfactory credit risk if the credit report indicates satisfactory credit prior to a disaster, and any derogatory credit subsequent to the date of the disaster is related to the effects of the disaster.

(2) Income

If prior employment cannot be verified because records were destroyed by the disaster, and the Borrower is in the same/similar field, then FHA will accept W-2s and tax returns from the Internal Revenue Service (IRS) to confirm prior employment and income.

The Mortgagee may also include short-term employment obtained following the disaster in the calculation of Effective Income.

(3) Liabilities

When a Borrower is purchasing a new house, the Mortgagee may exclude the Mortgage Payment on the destroyed residence located in a PDMDA from the Borrower's liabilities. To exclude the Mortgage Payments from the liabilities, the Mortgagee must:

- obtain information that the Borrower is working with the servicing Mortgagee to appropriately address their mortgage obligation; and
- apply any property insurance proceeds to the Mortgage of the damaged house.

(4) Assets

If traditional asset documentation is not available, the Mortgagee may use statements downloaded from the Borrower's financial institution website to confirm the Borrower has sufficient assets to close the Mortgage.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Disasters and 203(h) Mortgage Insurance for Disaster Victims

(5) Housing Payment History

The Mortgagee may disregard any late payments on a previous obligation on a Property that was destroyed or damaged in the disaster where the late payments were a result of the disaster and the Borrower was not three or more months delinquent on their Mortgage at the time of the disaster.

The Mortgagee may justify approval if the Borrower was three or more months delinquent if extenuating circumstances are documented by the Mortgagee.

iii. Eligibility Documentation Requirements

The Mortgagee must document and verify that the Borrower's previous residence was in the disaster area, and was destroyed or damaged to such an extent that reconstruction or replacement is necessary. Documentation attesting to the damage of the previous house must accompany the mortgage application. If purchasing a new house, the house need not be located in the area where the previous house was located.

iv. Refinancing Policy

Refinancing is permitted in conjunction with rehabilitation.

v. Using Section 203(k) with 203(h) for Rehabilitation

Damaged residences located in a PDMDA are eligible for Section 203(k) mortgage insurance regardless of the age of the Property. The residence only needs to have been completed and ready for occupancy for eligibility under Section 203(k). All other Section 203(k) policy must be followed.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Energy Efficient Mortgages

c. Energy Efficient Mortgages

i. Definitions

The Energy Efficient Mortgage (EEM) program allows the Mortgagee to offer financing for cost-effective energy efficient improvements to an existing Property at the time of purchase or refinancing, or for upgrades above the established residential building code for New Construction.

Cost-Effective refers to the costs of the energy efficiency improvements that are less than the present value of the energy saved over the estimated useful life of those improvements.

ii. Eligibility

(A) Eligible Property Types

EEM may be used with:

- New Construction Properties (one- to four-units);
- Existing Construction Properties (one- to four-units);
- condominiums (one unit); or
- Manufactured Housing.

(B) Eligible Programs and Transactions Types

The EEM program can be used in conjunction with any mortgage insurance under Title II, including:

- [203\(b\)](#)
 - Purchase
 - No cash-out refinance
- [203\(h\) Mortgage Insurance for Disaster Victims](#)
- [203\(k\) \(Standard and Limited\)](#)
- [Weatherization Policy](#) (Existing Construction only)

iii. Standard

Energy Package

The energy package is the set of improvements agreed to by the Borrower based on recommendations and analysis performed by a qualified home energy rater. The improvements can include energy-saving equipment, and active and passive solar and wind technologies. The energy package can include materials, labor, inspections, and the home energy assessment by a qualified energy rater. If the Borrower desires, labor may include the cost of an EEM Facilitator (project manager).

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Energy Efficient Mortgages

(A) Cost-Effective Test

The financed portion of an energy package must be cost-effective. A cost-effective energy package is one where the cost of the improvements, including maintenance and repair, is less than the value of the energy saved over the estimated useful life of those improvements.

(B) Cost-effective Test for New Construction

For New Construction, the financed portion of an energy package includes only those cost-effective energy improvements over and above the greater of the following:

- the latest [energy code standard that has been adopted by HUD](#) through a Federal Register notice; or
- the applicable IECC year used by the state or local building code for New Construction.

More information on this energy code can be obtained from the [Department of Energy](#) or the [International Code Council](#).

(C) Changes to the Energy Package after Mortgage Closing

If the work that is done differs from the approved energy package, a change order along with a revised home energy audit must be submitted to the Direct Endorsement (DE) underwriter for approval. If the changes still meet the cost-effective test, no further analysis is required. If not, the funds for the work not included in the approval energy package must be used to pay down the mortgage principal.

iv. Home Energy Report/Assessment

The Borrower must obtain a home energy assessment. The purpose of the energy assessment under the EEM program is to identify opportunities for improving the energy efficiency of the home and their cost-effectiveness. The assessment must be conducted by a qualified energy rater, assessor, or auditor using whole-home assessment standards, protocols and procedure.

(A) Qualifications of Energy Raters/Assessors

Qualified home energy raters/assessors must be trained and certified as one of the following:

- Building Performance Institute Building Analyst Professional;
- Building Performance Institute Home Energy Professional Energy Auditor;
- Residential Energy Services Network Home Energy Rater; or
- energy rater, assessor or auditor who meets local or state jurisdictional requirements for conducting residential energy audits or assessments, including training, certification, licensure and insurance requirements.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Energy Efficient Mortgages

The home energy report must reflect one of the above professional credentials by the rater/assessor.

(B) Home Energy Report

The home energy report reflects recommendations of energy-saving improvements for the Borrower's consideration. Included with the recommendations are estimates of energy savings and cost-effective analysis for each of the suggested improvements. These estimates consider energy costs in today's dollars (present value). The Mortgagee must use the energy-savings information from the home energy report to determine that the cost-effective test is met for the financed energy package.

(C) Home Energy Report for New Construction

On newly constructed housing, the home energy report must identify improvements that are over and above the greater of the following:

- the requirements of the latest [energy code standard that has been adopted by HUD](#) through a Federal Register notice; or
- the applicable IECC year used by the state or local building code for New Construction.

(D) Required Documentation

The Mortgagee must obtain a copy of the home energy report. This report must not be greater than 120 Days old.

The Mortgagee must submit two forms [HUD-92900-LT](#), *FHA Loan Underwriting and Transmittal Summary* as described in the Underwriting Section below.

v. Maximum Financeable Energy Package

The maximum amount of the energy package that can be added to the Base Loan Amount is the lesser of:

- the dollar amount of a cost-effective energy package as determined by the home energy audit; or
- the lesser of 5 percent of:
 - the Adjusted Value;
 - 115 percent of the median area price of a Single Family dwelling; or
 - 150 percent of the national conforming mortgage limit.

Energy Efficient Mortgage Calculator Tool

The Mortgagee must calculate the dollar amount of a cost-effective energy package as determined by the home energy audit, as shown in [Energy Package](#). The EEM Calculator, located in FHA Connection ([FHAC](#)) on the Case Processing screen, will perform the calculation of [Maximum Financeable Energy Package](#). The EEM Calculator uses data entered for the Mortgage to calculate the maximum energy package.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Energy Efficient Mortgages

For a Streamline Refinance, the EEM Calculator uses the appraised value from the initial transaction, contained within FHA Connection records, as the Adjusted Value.

vi. Maximum Mortgage Amount

The maximum final Base Loan Amount is determined by adding the maximum financeable energy package amount to the initial maximum Base Loan Amount. For New Construction, the cost of the financeable energy package must be subtracted from the sales price when computing the Adjusted Value.

When utilizing an EEM in conjunction with a [203\(k\)](#) or [Weatherization](#), the items included in the maximum financeable energy package must be excluded from the items included when calculating the initial maximum Base Loan Amount under these programs.

The maximum FHA [Nationwide Mortgage Limit](#) for an area may be exceeded by the maximum financeable energy package.

vii. Underwriting

The Mortgagee must calculate the Borrower's debt ratios using the initial Base Loan Amount plus the portion of the Upfront Mortgage Insurance Premium (UFMIP) attributable to the initial Base Loan Amount.

(A) TOTAL Mortgage Scorecard

For purposes of submission to the Technology Open To Approved Lenders (TOTAL) Mortgage Scorecard, the Mortgagee must utilize the initial Base Loan Amount prior to the addition of the financeable energy package.

If the Mortgagee obtains an Accept or Approve on a mortgage application that does not include the financeable energy package, FHA will recognize the risk rating from TOTAL Mortgage Scorecard and permit the increase to the Mortgage Payment without re-underwriting or rescoring. The Mortgagee must provide a form [HUD-92900-LT](#), *FHA Loan Underwriting and Transmittal Summary*, without the financeable energy package, showing the qualifying ratios in the case binder. A second form [HUD-92900-LT](#) must be completed by the underwriter showing mortgage amount calculation that includes the financeable energy package, as reflected in [FHAC](#). The second form must also be included in the case binder.

The underwriter must attest on the second form [HUD-92900-LT](#) that they have reviewed the calculations associated with the energy efficient improvements and found the Mortgage and the Property to be in compliance with FHA's underwriting instructions.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Energy Efficient Mortgages

(B) Manual Underwriting

The Mortgagee must provide a form [HUD-92900-LT](#), without the financeable energy package, showing the qualifying ratios in the case binder. A second form [HUD-92900-LT](#) must be completed by the underwriter showing mortgage amount calculation that includes the financeable energy package, as reflected in [FHAC](#). The second form must also be included in the case binder.

The underwriter must attest on the second form [HUD-92900-LT](#) that they have reviewed the calculations associated with the energy efficient improvements and found the Mortgage and the Property to be in compliance with FHA's underwriting instructions.

viii. Appraisals

For Existing and New Construction, the appraisal does not need to reflect the value of the energy package that will be added to the Property. If the appraisal does include the value of the energy package, the value must be subtracted from the Property Value when computing the Adjusted Value.

On the 203(k) program, the After Improved Value is to be used for the EEM process.

ix. Cash-Out

The Borrower may not receive cash back from the mortgage transaction. If an excess exists, funds must be applied to the principal Mortgage balance.

x. Energy Efficient Mortgage Escrows

For all Mortgages on existing Properties, except 203(k), if the energy package items are not complete by the time of closing, the Mortgagee must establish an escrow account for the remaining cost of the energy improvements in accordance with the [Repair Completion Escrow Requirements](#).

(A) 203(k)

If the energy package is part of a Section 203(k) Rehabilitation Mortgage, then the escrowed amounts of the energy package must be included in the rehabilitation escrow account.

(B) Borrower Labor

Escrows may not include costs for labor or work performed by the Borrower (Sweat Equity).

(C) Form HUD-92300, Mortgagee's Assurance of Completion

When funds to complete the energy package are escrowed, the Mortgagee must execute form [HUD-92300](#), *Mortgagee's Assurance of Completion*, to indicate that the escrow for the energy package improvements has been established.

xi. Completion Requirements for Energy Efficient Mortgages

With the exception of 203(k), the energy package is to be installed within 90 Days of the mortgage Disbursement. If the work is not completed within 90 Days, the Mortgagee must apply the EEM funds to a prepayment of the mortgage principal.

For 203(k) Mortgages, the Mortgagee must follow the [203\(k\) Escrow Guidance](#).

xii. Inspection

The Mortgagee, the rater, or an International Code Council (ICC) Residential Combination Inspector (RCI) or Combination Inspector (CI) may inspect the installation of the improvements. The Borrower may be charged an inspection fee.

8. Programs and Products - Refinances

d. Refinances

i. Overview

(A) Definition

A Refinance Transaction is used to pay off the existing debt or to withdraw equity from the Property with the proceeds of a new Mortgage for a Borrower with legal title to the subject Property.

(B) Types of Refinances

(1) Cash-Out

A Cash-Out Refinance is a refinance of any Mortgage or a withdrawal of equity where no Mortgage currently exists, in which the mortgage proceeds are not limited to specific purposes.

(2) No Cash-Out

A No Cash-Out Refinance is a refinance of any Mortgage in which the mortgage proceeds are limited to the purpose of extinguishing the existing debt and costs associated with the transaction. FHA offers three types of no cash-out refinances:

(a) Rate and Term

Rate and Term refers to a no cash-out refinance of any Mortgage in which all proceeds are used to pay existing mortgage liens on the subject Property and costs associated with the transaction.

(b) Simple Refinance

Simple Refinance refers to a no cash-out refinance of an existing FHA-insured Mortgage in which all proceeds are used to pay the existing FHA-insured mortgage lien on the subject Property and costs associated with the transaction.

(c) Streamline Refinance

Streamline Refinance refers to the refinance of an existing FHA-insured Mortgage requiring limited Borrower credit documentation and underwriting. There are two different streamline options available.

(i) Credit Qualifying

The Mortgagee must perform a credit and capacity analysis of the Borrower, but no appraisal is required.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Refinances

(ii) Non-Credit Qualifying

The Mortgagee does not need to perform credit or capacity analysis or obtain an appraisal.

(3) Refinance of Borrowers in Negative Equity Positions (also known as Short Refinance)

A Borrower who is current on their non FHA-insured Mortgage may qualify for an FHA-insured refinance Mortgage provided that the Mortgagee or investor writes off at least 10 percent of the unpaid principal balance of the existing first lien Mortgage. (See [Refinance of Borrowers in Negative Equity Positions Program \(Short Refi\)](#)).

(4) Refinances for the Purpose of Rehabilitation or Repair

A Borrower may refinance existing debts and obtain additional financing for purposes of rehabilitation and repair. Refer to [203\(k\) Rehabilitation Mortgage Insurance Program](#) for guidelines for refinances under FHA's Section 203(k) program.

(5) Refinancing of an Existing Section 235 Mortgage

An existing Section 235 Mortgage may be refinanced as any no cash-out refinance.

In refinancing a Section 235 Mortgage, the Mortgagee is required to repay to FHA any amount of excess subsidy. The outstanding principal balance on a Section 235 is calculated by adding back to the balance any amount of the excess subsidy paid to FHA.

If FHA has a junior lien that was part of the original Section 235 financing, FHA will subordinate the junior lien to the Section 203(b) Mortgage that refinances the Section 235 Mortgage.

ii. General Eligibility

(A) FHA-Insured to FHA-Insured Refinances (FHA-to-FHA)

FHA-to-FHA refinances may be used with any refinance type. The Mortgagee must obtain a Refinance Authorization Number from FHA Connection ([FHAC](#)) for all FHA-to-FHA refinances.

FHA will not issue a new case number for any FHA to FHA Refinance where the existing Mortgage to be paid off has a repair or rehabilitation escrow account that the Escrow Closeout Certification has not been completed in FHAC.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Refinances

(B) General Borrower Eligibility

At least one Borrower on the refinancing Mortgage must hold title to the Property being refinanced prior to case number assignment.

(C) General Property Eligibility

For a transaction involving a Manufactured Home to be considered a refinance, the Manufactured Home must have been permanently erected on a site for more than twelve months prior to case number assignment.

(D) General Mortgage Eligibility

(1) Standard

The Mortgagee must not approve any Mortgage that refinances or otherwise replaces a Mortgage that has been subject to eminent domain condemnation or seizure, by a state, municipality, or any other political subdivision of a state.

(2) Required Documentation

If the Mortgage to be insured is located in an area where a state, municipality, or other political subdivision has exercised eminent domain condemnation or seizure of a Mortgage, the Mortgagee must obtain a certification from the Borrower stating the Mortgage being refinanced was not subject to eminent domain condemnation or seizure.

iii. Temporary Interest Rate Buydowns

Temporary interest rate buydowns are not permitted with refinance transactions.

iv. Upfront Mortgage Insurance Premium Refunds

If the Borrower is refinancing their current FHA-insured Mortgage to another FHA-insured Mortgage within 3 years, a refund credit is applied to reduce the amount of the Upfront Mortgage Insurance Premium (UFMIP) paid on the refinanced Mortgage, according to the refund schedule shown in the table below:

Upfront Mortgage Insurance Premium Refund Percentages

v. Cash-Out Refinances

(A) Borrower Eligibility

Nonprofit agencies, state and local government agencies and Instrumentalities of Government are not eligible for cash-out refinances. Income from a non-occupant co-Borrower may not be used to qualify for a cash-out refinance.

Refinancing to Buy Out Title-Holder Equity

When the purpose of the new Mortgage is to refinance an existing Mortgage to buy out an existing title-holder's equity, the specified equity to be paid is considered property-related indebtedness and eligible to be included in the new mortgage calculation. Cash to the Borrower resulting from the refund of Borrowers unused escrow balance from the previous Mortgage must not be considered in the \$500 cash back limit whether received at or subsequent to mortgage Disbursement.

Excess Cash Back

When the estimated costs utilized in calculating the maximum mortgage amount result in greater than \$500 cash back to the Borrower at mortgage Disbursement, Mortgagees may reduce the Borrower's outstanding principal balance to satisfy the \$500 cash back requirement. The Mortgagee must submit the Mortgage for endorsement at the reduced principal amount.

(ii) Required Documentation

The Mortgagee must obtain the payoff statement on the existing Mortgage.

i. Definition

An Adjustable Rate Mortgage (ARM) refers to a Mortgage in which the interest rate can change annually based on an index plus a margin.

ii. Required Disclosures

The Borrower must sign a disclosure that explains the terms of the ARM at mortgage application.

The interest rate must remain constant for an initial period of 1, 3, 5, 7, or 10 years, depending on the ARM program chosen by the Borrower, and then may change annually for the remainder of the mortgage term.

A 1- and 3-year ARM may increase by one percentage point annually after the initial fixed interest rate period, and five percentage points over the life of the Mortgage.

A 5-year ARM may either allow for increases of one percentage point annually, and five percentage points over the life of the Mortgage; or increases of two percentage points annually, and six points over the life of the Mortgage.

A 7- and 10-year ARM may only increase by two percentage points annually after the initial fixed interest rate period, and six percentage points over the life of the Mortgage.

iv. Initial Interest Rate Adjustments

The first interest rate adjustment must occur in accordance with the following chart:

If the ARM is initially at a fixed interest rate for ...	Then the first adjustment rate change may occur no sooner than ...	And no later than ...
1 year	12 months	18 months.
3 years	36 months	42 months.
5 years	60 months	66 months.

v. Indices

The interest rate governing index may be the 1-Year [Constant Maturity Treasury \(CMT\)](#) or 1-Year [London Interbank Offered Rate \(LIBOR\)](#).

The 1-Year CMT is the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year published in the [Federal Reserve Board's Statistical Release H.15](#)(519).

The 1-Year LIBOR is the London Interbank Offered Rate as published in the Wall Street Journal on the first business day of each week.

vi. Temporary Interest Rate Buydowns

Temporary interest rate buydowns are not permitted with ARM transactions.

vii. Underwriting Requirements

The Mortgagee must underwrite the Mortgage based on payments calculated using the initial interest rate.

1-year ARMs

If the Loan-to-Value (LTV) is 95 percent or more, the Mortgagee must underwrite the Mortgage based on payments calculated using the initial interest rate plus one percent.

If the Mortgage is less than 95 percent, the Mortgagee must underwrite the Mortgage based on payments calculated using the initial interest rate.

viii. Mortgage Term

The ARM must be fully amortizing over a period of no more than 30 years.

ix. Required Documentation

(A) Model Note

The Mortgagee must use the [Model ARM Note](#) for all ARMs. Paragraph 1 of this form must be adapted or additional paragraphs may be added to provide a full description of the adjustable rate feature of the Mortgage to the extent required by state or local law to create an enforceable agreement.

The Mortgagee must ensure that the ARM Note contains amortization provisions that allow for annual adjustments in the rate of interest charged.

(B) Mortgage Document

The mortgage documents for an ARM must specify the:

Indian Tribe refers to any Indian or Alaskan native tribe, band, nation, or other organized group or community of Indians or Alaskan natives recognized as eligible for the services provided to Indians or Alaskan natives by the Secretary of Interior because of its status as such an Entity, or that was an eligible recipient under Chapter 67 of title 31, United States Code, prior to the repeal of this section.

ii. Eligibility

(A) Standard

The Mortgagee must obtain documentation from the Indian/Native American that the Indian Land/reservation has adopted eviction procedures acceptable to HUD.

(B) Required Documentation

The Mortgagee must obtain a certification from the Indian Tribe confirming the Indian Land/reservations compliance with HUD's requirements. The Mortgagee must include the certification in the mortgage file and take the following measures:

- certify to HUD that it has adopted eviction procedures and will enforce them;
- permit HUD access to tribal lands for the purpose of servicing Properties;
- agree to the lease form that HUD prescribes; and
- enact a law that grants the tribal government's court the jurisdiction to hear evictions and foreclosures so that FHA-insured and FHA-held Mortgages can be assured a first lien or provides that the law of the state in which the Property is located determines the priority of liens against the Property. If the reservation spans two or more states, the state in which the Property is located is the applicable state law.

(C) Borrower Eligibility

Only an Indian Tribe or a member of the Indian Tribe may be a Borrower. Where there is a co-Borrower, at least one Borrower must be an Indian Tribe or a member of the Indian Tribe. The Borrower must occupy the Property as their Principal Residence.

(F) Assumptions

The Mortgagee cannot approve an assumption of a Mortgage secured by a Property located on an Indian Land/reservation unless the Indian Tribe has approved the assumption or sale of the rights to the Property securing the Mortgage. The Mortgagee must comply with all requirements for assumptions.

(G) Lease and Mortgage

The [model Lease](#) and [model Mortgage Rider](#) must be used in connection with any Section 248 Mortgages. Modifications may be made to the Section 248 rider with the approval of the Jurisdictional HOC.

The term of the lease must be 25 years with a provision for an automatic extension of an additional 25 years.

The lease must prohibit termination by either or both parties while the Leasehold is mortgaged under Section 248.

The following statement may be included on the [Uniform Standards of Professional Appraisal Practices \(USPAP\)](#): “The final value stated in this appraisal is not ‘market value’ as defined in USPAP. This appraisal has been completed for FHA mortgage insurance purposes, per HUD instructions for DHHL Properties.” For more information on appraisal requirements, refer to the [Appraiser](#) section.

v. Origination

(A) Loan-to-Value Limits for Cash-Out Refinances

The maximum LTV ratio for refinance loans is 75 percent.

The maximum LTV may be increased to 85 percent when the Borrower is paying off an existing Mortgage and all remaining proceeds are used for documented home improvements.

Cash-out refinancing for the purpose of debt consolidation is not allowed.

8. Programs and Products - New Construction

i. New Construction

i. Definitions

New Construction refers to Proposed Construction, Properties Under Construction, and Properties Existing Less than One Year as defined below:

- Proposed Construction refers to a Property where no concrete or permanent material has been placed. Digging of footing is not considered permanent.
- Under Construction refers to the period from the first placement of permanent material to 100 percent completion with no Certificate of Occupancy (CO) or equivalent.
- Existing Less than One Year refers to a Property that is 100 percent complete and has been completed less than one year from the date of the issuance of the CO or equivalent. The Property must have never been occupied.

FHA treats the sale of an occupied Property that has been completed less than one year from the issuance of the CO or equivalent as an existing Property.

Pre-Approval refers to Properties that are less than one year old and meet one of the following requirements:

- the Property was appraised and the Mortgagee issued form [HUD-92800.5B](#), *Conditional Commitment Direct Endorsement Statement of Appraised Value*, before construction started;
- a building permit or its equivalent has been issued by a local jurisdiction (not applicable to Manufactured Housing); or
- the Mortgagee issued an Early Start Letter.

Early Start Letter refers to the document issued by the Mortgagee in response to a builder's request to start construction before the appraisal is completed. The Early Start Letter indicates the Mortgagee's approval of the Property before issuance of form [HUD 92800.5B](#) and without affecting the maximum mortgage amount. The Mortgagee can issue the Early Start Letter if local jurisdiction has issued a building permit, in jurisdictions that require building permits, and a case number has been assigned. The Mortgagee can issue the Early Start Letter in jurisdictions that do not require building permits if a case number has been assigned.

A proposed or newly constructed Property located in Accident Potential Zone I at military airfields may be eligible for FHA mortgage insurance provided that the Mortgagee determines that the Property complies with Department of Defense guidelines.

(5) Flood Hazard Areas

If any portion of the property improvements (the dwelling and related Structures/equipment essential to the value of the Property and subject to flood damage) is located within a Special Flood Hazard Area (SFHA), the Mortgagee must reject the Property, unless:

- a final Letter of Map Amendment (LOMA) or final Letter of Map Revision (LOMR) that removes the Property from the SFHA is obtained from the Federal Emergency Management Agency (FEMA); or
- the Mortgagee obtains a FEMA National Flood Insurance Program (NFIP) Elevation Certificate ([FEMA Form 086-0-33](#)), that documents that the lowest floor (including the basement) of the residential building and all related improvements/equipment essential to the value of the Property, is built at or above the 100-year flood elevation in compliance with the NFIP criteria. The Mortgagee must ensure that the flood elevation certificate is prepared by a licensed engineer or surveyor and completed based on finished construction.

The Mortgagee must include the LOMA, LOMR, or flood elevation certificate with the case when it is submitted for endorsement.

The Mortgagee must ensure that insurance under the NFIP is obtained when a flood elevation certificate documents that the Property remains located within an SFHA.

The sample must be collected and tested by the local health authority, a commercial testing laboratory, a licensed sanitary engineer, or other party that is acceptable to the local health authority. At no time will the Borrower/owner or other Interested Party collect and/or transport the sample.

- it is not feasible to serve the housing by an acceptable public or Community Water System; and
- the housing is located in an area other than in an area where local officials have certified that installation of public or adequate Community Water Systems and sewer systems are economically feasible.

(B) Sales Comparison Approach: Comparable Selection

For Properties in new subdivisions, the selected comparable sales must include at least one sale outside the subdivision or project and at least one sale from within the subdivision or project.

viii. Completion of Construction

8. Programs and Products - Construction to Permanent

j. Construction to Permanent

i. Definition

Construction to Permanent (CP) refers to the construction of a dwelling on land owned or being purchased by the Borrower. The CP program combines the features of a construction loan with that of a traditional long-term permanent residential Mortgage using a single mortgage closing prior to the start of construction.

A construction loan refers to a short-term interim loan for financing the cost of construction.

ii. General Eligibility

The Borrower must have contracted with a builder to construct the dwelling. The builder must be a licensed general contractor.

The Borrower may act as the general contractor, only if the Borrower is also a licensed general contractor.

iii. Property Eligibility

The Borrower must either be purchasing the land at the closing of the construction loan, or already own the land.

iv. Calculating Maximum Mortgage Amount

The Mortgagee must use the lesser of the appraised value or the documented Acquisition Cost to determine the Adjusted Value.

The maximum mortgage amount is calculated using the appropriate [purchase Loan-to-Value \(LTV\)](#) percentage of the lesser of the appraised value or the documented Acquisition Cost.

The documented Acquisition Cost of the Property includes:

- the builder's price (includes cost of land if being purchased from builder), or the sum of all subcontractor bids and materials (if land is already owned by the Borrower);
- Borrower-paid options and construction costs not included in the builder's price to build;
- closing costs associated with any interim financing of the land, and
- either of the following:
 - the lesser of the cost of the land, or appraised value of the land, if the land is owned six months or less at case number assignment; **or**
 - the appraised value of the land if the land has been owned for greater than six months at case number assignment, or was received as an acceptable gift.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Construction to Permanent

For Manufactured Housing, the builder's price to build includes the sum of the cost of the unit(s), the cost to transport the unit from the dealer's lot to the installation site, and all on-site installation costs.

v. Minimum Required Investment

(A) Standard

The Borrower may utilize any cash investment in the Acquisition Cost of the Property or land equity to satisfy the Minimum Required Investment (MRI) in accordance with [Calculating Maximum Mortgage Amount](#).

(B) Required Documentation

The Mortgagee must document the cash investment was from an acceptable source of funds in accordance with [TOTAL](#) or [Manual Underwriting](#) requirements as applicable.

vi. Required Documentation

The Mortgagee must obtain the Closing Disclosure or similar legal document showing the cost of the land and the date of purchase.

The Mortgagee must obtain evidence that the funds used to pay Borrower-paid options were derived from an acceptable source. The Mortgagee must obtain an itemization of the options and expenses, and cost of each item.

The Mortgagee must comply with New Construction requirements.

vii. Mortgage Interest Rate

During the construction period, the interest rate may be variable. The Mortgagee and the Borrower must enter into an agreement that:

- documents the range in which the interest rate may float during construction;
- documents the point of interest rate lock-in;
- specifies that the permanent Mortgage will not exceed a specific maximum interest rate; and
- permits the Borrower to lock in at a lower rate, if available and they have not already locked in a rate.

The Mortgagee must qualify the Borrower for the Mortgage at the maximum rate at which the permanent Mortgage may be set.

viii. Required Documentation for Closing

In addition to standard FHA documents, the following documents must be used:

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

A. Title II Insured Housing Programs Forward Mortgages

8. Programs and Products - Construction to Permanent

- (A) A Construction Rider to the Note, and Construction Loan Agreement.
These construction documents may be in any form acceptable to the Mortgagee, but they must provide that all special construction terms end when the construction loan converts to a permanent Mortgage. After conversion, only the permanent mortgage terms (based on standard documents) continue to be effective, making the permanent Mortgage eligible for FHA mortgage insurance.
- (B) A disclosure issued to the Borrower explaining that the Mortgage is not eligible for FHA mortgage insurance until after a final inspection, or the issuance of a certificate of occupancy by the local governmental jurisdiction, whichever is later.
- (C) Either, a fully executed contract agreement between the builder and the Borrower, which includes the contractor's price to build; or documentation of the actual costs of construction where the Borrower is acting as the general contractor.
- (D) Documentation of land acquisition or land ownership.
- (E) A payoff statement and evidence of the actual payoff if mortgage proceeds are used to purchase or pay off debt on the land.

ix. Escrow Account

At closing, after funds are disbursed to cover the purchase of the land, the balance of the mortgage proceeds must be placed in an escrow account to be disbursed as construction progresses.

The Mortgagee must obtain the Borrower's written authorization for each draw prior to disbursing funds to the contractor.

After completion of construction, the construction escrow account must be fully extinguished, and any remaining funds must be applied to the outstanding principal balance of the permanent Mortgage.

x. Required Documentation for Endorsement

If the LTV exceeds 90 percent, the Mortgagee must comply with [Inspections or Warranties for Maximum Financing](#) and [Required Documentation for Maximum Financing](#).

If the LTV is 90 percent or less, the Mortgagee must comply with the documentation requirements found in the New Construction [Financing LTV Limit](#).

The following documentation is required for Mortgage endorsement:

(B) Exception to Minimum Required Investment

Direct Endorsement Lender Review and Approval Process (DELRAP) refers to the review of a Condominium Project by a Mortgagee that has been granted DELRAP authority.

ii. Standard

DELRAP may be used for the Full Review, Recertification Review, or Phasing Review. The Recertification Review or Phasing Review must be completed by the same Mortgagee that previously approved the Condominium Project. DELRAP may not be used for MHCPs, newly converted Condominium Projects or any project that has completed a Resolution of Financial Distress Event within the past 36 months.

If the DELRAP review indicates that the Condominium Project is ineligible, the Mortgagee must complete the review and enter the denial decision and data into FHAC.

If the Mortgagee starts a review for a Condominium Project, the Mortgagee must complete review.

A Mortgagee with DELRAP authority may submit a Condominium Project for approval under HRAP.

iii. Submission Process

FHAC is the system used to record, list and track all data for Condominium Projects that have been processed. FHAC is used for data entry, processing and reporting.

Mortgagees must use [FHAC](#) to:

- determine the existing approval status of a Condominium Project;
- enter the Condominium Project information;
- assign the approval status after the Condominium Project has been reviewed; and
- upload required Condominium Project documents in a PDF.

The Mortgagee must retain all documentation related to the Condominium Project's DELRAP review for a period of seven years and must provide the Condominium Project information and documentation to HUD/FHA upon request.

Mortgagees with Conditional DELRAP Authority must also follow the guidance in [Conditional DELRAP Authority](#).

If the Condominium Project was subject to adverse determination for significant issues as identified by FHA, (link to new FHA website identifying Condominium Projects that have been reviewed and are not eligible) a Full Review is required under HRAP.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

1. Commencement of the Appraisal

D. APPRAISER AND PROPERTY REQUIREMENTS FOR TITLE II FORWARD AND REVERSE MORTGAGES

The appraisal process provides the Mortgagee with necessary information to determine if a property meets the minimum requirements and eligibility standards for a Federal Housing Administration (FHA)-insured Mortgage and will serve as adequate security for a specific FHA-insured Mortgage. Mortgagees bear primary responsibility for determining eligibility and the sufficiency of collateral; however, the Appraiser provides preliminary verification that the Property Acceptability Criteria have been met and an appraised value for the property.

Property refers to the real estate entity that will serve as adequate security for a specific FHA-insured Mortgage.

The requirements in this section of the *FHA Single Family Housing Policy Handbook (SF Handbook)* contain the Property Acceptability Criteria for FHA mortgage insurance, which include [Minimum Property Requirements \(MPR\)](#) and [Minimum Property Standards \(MPS\)](#), and include by reference, associated rules and regulations. The criteria apply to residential Properties containing one- to four-family housing units, individual Condominium Units, and Manufactured Housing units, and related property improvements and the sites on which they are located, as well as the immediate environment for the dwelling, including streets and other services or facilities associated with the site. Manufactured Housing Properties have additional requirements contained in the [Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages](#) section. This section also provides requirements for Appraisers in establishing a credible appraised value for a Property that is to serve as security for an FHA-insured Mortgage.

1. Commencement of the Appraisal

a. Information Required before Commencement of Appraisal

The effective date of the appraisal cannot be before the FHA case number assignment date unless the Mortgagee certifies that the appraisal was ordered for conventional lending or government-guaranteed loan purposes and was performed pursuant to FHA guidelines.

The appraisal must be in full compliance with the Uniform Standards of Professional Appraisal Practice (USPAP), which requires that this be classified as a new assignment. The intended use of the appraisal must indicate that it is solely to assist FHA in assessing the risk of the Property securing the FHA-insured Mortgage. Additionally, FHA and the Mortgagee must be indicated as the intended users of the appraisal report.

If the Appraiser determines that the scope of work is met with regard to MPR, MPS, and USPAP compliance, and further determines that a re-inspection of the Property is not necessary, the effective date of the appraisal may be the date of the original inspection. However, if an FHA-compliant inspection is required, the date of the inspection will become the effective date of the new appraisal.

The Appraiser must obtain all of the following from the Mortgagee before beginning an appraisal:

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

2. General Appraiser Requirements

- a complete copy of the executed sales contract for the subject, if a purchase transaction;
- the land lease, if applicable;
- surveys or legal descriptions, if available;
- any other legal documents contained in the loan file; and
- a point of contact and contact information for the Mortgagee so that the Appraiser can communicate any noncompliance issues.

b. Additional Information Required Before Commencement of an Appraisal on New Construction

The Appraiser must obtain, from the Mortgagee, a fully executed form [HUD-92541](#), *Builder's Certification of Plans, Specifications, and Site*, dated no more than 30 Days prior to the date of the appraisal order and documents related to New Construction, including plans, specifications, and any exhibits provided that will assist the Appraiser in determining what is to be built, or, if now Under Construction, what will be built when finished.

2. General Appraiser Requirements

The Appraiser must follow FHA guidance and comply with the [Uniform Standards of Professional Appraisal Practice \(USPAP\)](#) when completing appraisals of Property used as security for FHA-insured Mortgages. The Appraiser must observe, analyze, and report that the Property meets HUD's MPR and MPS.

Minimum Property Requirements refer to general requirements that all homes insured by FHA be safe, sound, and secure.

Minimum Property Standards refer to regulatory requirements relating to the safety, soundness and security of New Construction.

Every Property must be safe, sound, and secure so that the Mortgagee can determine eligibility. The Appraiser must note every instance where the Property is not safe, sound, and secure and does not comply with HUD's MPR and MPS.

When performing an appraisal, the Appraiser must review and analyze the following:

- the land lease, if applicable;
- surveys or legal descriptions, if available; and
- any other legal documents contained in the loan file,

and report the results of that analysis in the appraisal report.

Sales Transaction or New Construction

When performing an appraisal for a sales transaction or on New Construction, the Appraiser must also review and analyze the following:

- the complete copy of the executed sales contract for the subject; and

and report the results of that analysis in the appraisal report.

If the seller is not the owner of record, the Appraiser must include an explanation in the appraisal report.

3. Acceptable Appraisal Reporting Forms and Protocols

FHA only accepts appraisals in the Mortgage Information Standards Maintenance Organization (MISMO) 2.6 with embedded PDF format, as created directly by the appraiser (first generation). FHA does not accept private or proprietary data formats or appraisal reports that have been manipulated or “translated” by anyone or any process.

The Appraiser must note and comment on all Onsite Hazards and Nuisances affecting the Property. The Appraiser must also provide photographs of potential problems or issues to assist the Mortgagee in understanding the problem.

Special site conditions include rock formations, unstable soils or slopes, high ground water levels, springs, and other conditions that may have a negative effect on the value.

New and Proposed Construction

The Appraiser must report any special conditions that may exist or arise during construction and necessitate precautionary or hazard mitigation measures.

(C) Topography

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the surface and subsurface water is not diverted from the dwelling to ensure positive drainage away from the foundation.

The Appraiser must make the appraisal subject to an inspection by a qualified individual or Entity if the purchase contract or any other documentation indicates, or if the Appraiser observes dampness because of a foundation issue.

The Appraiser must report to the Mortgagee any danger due to topographic conditions (e.g., earth and mudslides from adjoining properties, falling rocks and avalanches) to the subject Property or the adjoining land.

(D) Grading and Drainage

The Appraiser must check for readily observable evidence of grading and drainage problems. Proper drainage control measures may include gutters and downspouts or appropriate grading or landscaping to divert the flow of water away from the foundation.

The Appraiser must make the appraisal subject to repair if the grading does not provide positive drainage away from the improvements. The Appraiser must note any readily observable evidence of standing water adjacent to the foundation that indicates improper drainage. The Appraiser must report this in the “Site” section of the report, if the standing water is problematic.

(E) Suitability of Soil

The Appraiser must consider the readily observable soil and subsoil conditions of the site, including the type and permeability of the soil, the depth of the water table, surface drainage conditions, compaction, rock formations and other physical features

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

that affect the value of the site, or its suitability for development or support of the existing improvements.

The Appraiser should also consider events and published reports regarding the instability of the soil and surface support of the land as related to the subject and proximate properties.

The Appraiser must analyze and report how this would affect the Property.

(F) Land Subsidence and Sinkholes

(1) Definition

Land Subsidence refers to the lowering of the land-surface elevation from changes that take place underground, including damage caused by sinkholes.

(2) Standard

Danger of Land Subsidence may be encountered where buildings are constructed on uncontrolled fill or unsuitable soil containing foreign matter such as a high percentage of organic material, areas of mining activity or extraction of subsurface minerals, or where the subsoil or subsurface is unstable and subject to slippage or expansion. Typical signs include fissures or cracks in the terrain, damaged foundations, sinkholes or settlement problems.

(3) Required Analysis and Reporting

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if there is probable or imminent danger of Land Subsidence so that the Mortgagee can determine eligibility or the need to require the purchase of subsidence insurance.

The Appraiser must analyze and report any readily observable conditions of the surface of the land that indicate potential problems from subsidence or the potential for lack of support for the surface of the land or building foundations.

In mining areas, the Appraiser must analyze and report the depth or extent of mining operations and the site of operating or abandoned shafts or tunnels to determine if the danger is imminent, probable or negligible.

(G) Oil or Gas Wells

(1) Operating or Proposed

The Appraiser must examine the site for the existence of any readily observable evidence of an oil or gas well and report the distance from the dwelling.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the dwelling is located within 75 feet of an operating or proposed well. The distance is measured from the dwelling to the site boundary, not to the actual well site.

(2) Abandoned

If the Appraiser notes an abandoned gas or oil well on the subject site or an adjacent Property, the Appraiser must stop work and notify the Mortgagee.

The Appraiser may resume work when the Mortgagee provides a letter from local jurisdiction or the appropriate state agency, stating that the subject well was permanently abandoned in a safe manner.

The Appraiser may only complete the appraisal on a Property located near a gas well that emits hydrogen sulfide if the minimum clearance has been established by a petroleum engineer. The Appraiser must assess any impact that the location of the well has on the value and marketability of the Property.

Hydrogen Sulfide

Hydrogen sulfide gas emitted from petroleum product wells is toxic and extremely hazardous. Minimum clearance from sour gas wells may be established only after a petroleum engineer has assessed the risk and state authorities have concurred on clearance recommendations for petroleum industry regulation and for public health and safety.

The Appraiser may only complete an appraisal on a Property if the Mortgagee has required an inspection by a qualified person and provided evidence that the minimum clearance has been established.

(H) Slush Pits

(1) Definition

A Slush Pit refers to a basin in which drilling “mud” is mixed and circulated during drilling to lubricate and cool the drill bit and to flush away rock cuttings.

(2) Required Analysis and Reporting

If the Property has a Slush Pit, the Appraiser must make the appraisal subject to the removal of all unstable and toxic materials and the site made safe.

(I) Property Eligibility in Special Flood Hazard Areas

The Appraiser must review the Federal Emergency Management Agency (FEMA) [Flood Insurance Rate Map](#) (FIRM) and make appropriate notations on the applicable appraisal reporting form. If the Property appears to be located within a [Special Flood](#)

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

[Hazard Area](#) (SFHA), the Appraiser must attach a copy of the flood map panel to the appraisal report.

The Appraiser must enter the FEMA zone designation on the reporting form, and identify the map panel number and map date. If the Property is not shown on any map, the Appraiser must enter “not mapped.” The Appraiser must quantify the effect on value, if any, for Properties situated within a designated SFHA.

(J) Coastal Barrier Resources System

The Appraiser must stop work and notify the Mortgagee of the deficiency of MPR or MPS if the Property is located within a [Coastal Barrier Resources System](#) (CBRS) designated area.

The Appraiser must review the FEMA FIRM to determine if a Property is located within a CBRS. The FIRM will identify CBRS boundaries through patterns of backward-slanting diagonal lines, both solid and broken. If it appears that the Property is located in a CBRS, the Appraiser must review [CBRS location maps](#) to confirm.

(K) Lava Zones

When a Property is located in Hawaii, the Appraiser must review the U.S. Geological Survey (USGS) [Lava Flow Hazard Zone maps](#). The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the Property is located in Zones 1 or 2.

The Appraiser must report in the “Comments” section that the Property is in the Lava Flow Hazard Zone and provide the Zone Number.

(L) Mineral, Oil, and Gas Reservations or Leases

The Appraiser must analyze and report the degree to which the residential benefits may be impaired or the Property damaged by the exercise of the rights set forth in oil, gas, and mineral reservations or leases.

The Appraiser should consider the following:

- the infringement on the property rights of the fee owner caused by the rights granted by the reservation or lease; and
- the hazards, nuisances, or damages that may arise or accrue to the subject Property from exercise of reservation or lease privileges on neighboring properties.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

(M) Soil Contamination

(1) Definition

Soil Contamination refers to the presence of manmade chemicals or other alterations to the natural soil environment.

(2) Standard

Conditions that indicate Soil Contamination include the existence of underground storage tanks used for heating oil, pools of liquid, pits, ponds, lagoons, stressed vegetation, stained soils or pavement, drums or odors.

(3) Required Analysis and Reporting

The Appraiser must check readily observable evidence of Soil Contamination and hazardous substances in the soil. The Appraiser must report the proximity to dumps, landfills, industrial sites or other sites that could contain hazardous wastes that may have a negative influence on the marketability and/or value of the subject Property.

(N) Residential Underground Storage Tanks

The Appraiser must note any readily observable surface evidence of residential underground storage tanks, such as fill pipes, pumps, ventilation caps, etc. If there is readily observable evidence of leakage or onsite contamination, the Appraiser must make a requirement for further inspection.

v. New Construction Site Analysis

The Appraiser must obtain a fully executed form [HUD-92541](#), *Builder's Certification of Plans, Specifications, and Site*, signed and dated no more than 30 Days prior to the date the appraisal was ordered, before performing the appraisal on Proposed Construction, Properties Under Construction or Properties Existing Less than One Year.

The Appraiser must review the form and analyze and report any discrepancies between the information provided by the builder and the Appraiser's observations.

vi. Excess and Surplus Land

(A) Definition

Excess Land refers to land that is not needed to serve or support the existing improvement. The highest and best use of the Excess Land may or may not be the same as the highest and best use of the improved parcel. Excess Land may have the potential to be sold separately.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

Surplus Land refers to land that is not currently needed to support the existing improvement but cannot be separated from the Property and sold off. Surplus Land does not have an independent highest and best use and may or may not contribute to the value of the improved parcels.

(B) Required Analysis and Reporting

The Appraiser must include the highest and best use analysis in the appraisal report to support the Appraiser's conclusion of the existence of Excess Land. The Appraiser must include Surplus Land in the valuation.

If the subject of an appraisal contains two or more legally conforming platted lots under one legal description and ownership, and the second vacant lot is capable of being divided and/or developed as a separate parcel where such a division will not result in a non-conformity in zoning regulations for the remaining improved lot, the second vacant lot is Excess Land. The value of the second lot must be excluded from the final value conclusion of the appraisal and the Appraiser must provide a value of only the principal site and improvements under a hypothetical condition.

vii. Characteristics of Property Improvements

(A) Requirements for Living Unit

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if each living unit does not contain any one of the following:

- a continuing and sufficient supply of safe and potable water under adequate pressure and of appropriate quality for all household uses;
- sanitary facilities and a safe method of sewage disposal. Every living unit must have at least one bathroom, which must include, at a minimum, a water closet, lavatory, and a bathtub or shower;
- adequate space for healthful and comfortable living conditions;
- heating adequate for healthful and comfortable living conditions;
- domestic hot water; or
- electricity adequate for lighting, cooking and for mechanical equipment used in the living unit.

FHA does not have a minimum size requirement for one- to four-family dwellings and Condominium Units. For Manufactured Housing requirements, see the [Manufactured Housing](#) section.

(B) Access to Living Unit

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if access to the living unit is not provided without passing through any other living unit or access to the rear yard is not provided without passing through any other living unit. For attached dwellings, the access may be by means of alley, Easement, common area or passage through the dwelling.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

The Appraiser must report when the Property has security bars on bedroom windows or doors.

(C) Non-Standard House Styles

(1) Definition

Non-Standard House Style refers to unique Properties in the market area, including log houses, earth sheltered housing, dome houses, houses with lower than normal ceiling heights, and other houses that in the Appraiser's professional opinion, are unique.

(2) Required Analysis and Reporting

The Appraiser must provide a comment that the non-standard house style appears structurally sound and readily marketable and must apply appropriate techniques for analysis and evaluation. In order for such a Property to be fully marketable, the Appraiser must demonstrate that it is located in an area of other similar types of construction and blend in with the landscape.

The Appraiser may require additional education, experience, or assistance for these types of Properties.

(D) Modular Housing

(1) Definition

Modular Housing refers to Structures constructed according to state and local codes off-site in a factory, transported to a building lot, and assembled by a contractor into a finished house. Although quality can vary, all of the materials – from framing, roofing and plumbing to cabinetry, interior finish and electrical – are identical to what is found in comparable quality conventional “stick-built” housing.

(2) Required Analysis and Reporting

The Appraiser must treat Modular Housing the same as stick-built housing, including reporting the appraisal on the same form. The Appraiser must select and analyze appropriate comparable sales, which may include conventionally built housing, Modular Housing or Manufactured Housing.

(E) Identifying an Accessory Dwelling Unit

(1) Definition

An Accessory Dwelling Unit (ADU) refers to a habitable living unit added to, created within, or detached from a primary one-unit Single Family dwelling,

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

which together constitute a single interest in real estate. It is a separate additional living unit, including kitchen, sleeping, and bathroom facilities.

(2) Required Analysis and Reporting

As part of the highest and best use analysis, the Appraiser must make the determination to classify the Property as a Single Family dwelling with an ADU, or a two-family dwelling. The conclusion of the highest and best use analysis will then determine the classification of the Property and the analysis and reporting required.

An ADU is usually subordinate in size, location and appearance to the primary Dwelling Unit and may or may not have separately metered utilities or separate means of ingress or egress. The Appraiser must not include the living area of the ADU in the calculation of the Gross Living Area (GLA) of the primary dwelling.

The Appraiser must notify the Mortgagee of the deficiency in MPR or MPS if more than one ADU is located on the subject Property.

(F) Additional Manufactured Home on Property

The Appraiser may consider a Manufactured Home to be an ADU if it meets the highest and best use and FHA requirements.

The Appraiser may value a Manufactured Home on the Property that physically or legally may not be used as a dwelling and does not pose any health and safety issues by its continued presence as a storage unit.

(G) Leased Equipment, Components, and Mechanical Systems

The Appraiser must not include the value of leased mechanical systems and components in the Market Value of the subject Property. This includes furnaces, water heaters, fuel or propane storage tanks, solar or wind systems (including power purchase agreements), and other mechanical systems and components that are not owned by the property owner. The Appraiser must identify such systems in the appraisal report.

d. Gross Living Area

i. Definition

Gross Living Area (GLA) refers to the total area of finished, above-grade residential space calculated by measuring the outside perimeter of the Structure. It includes only finished, habitable, above-grade living space.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

ii. Required Analysis and Reporting

The Appraiser must:

- identify non-contiguous living area and analyze its effect on functional utility;
- ensure that finished basements and unfinished attic areas are not included in the total GLA; and
- use the same measurement techniques for the subject and comparable sales, and report the building dimensions in a consistent manner.

When any part of a finished level is below grade, the Appraiser must report all of that level as below-grade finished area, and report that space on a different line in the appraisal report, unless the market considers it to be Partially Below-Grade Habitable Space.

In the case of non-standard Properties and floor plans, the Appraiser must observe, analyze, and report the market expectations and reactions to the unique Property.

iii. Additions and Converted Space

The Appraiser must treat room additions and garage conversions as part of the GLA of the dwelling, provided that the addition or conversion space:

- is accessible from the interior of the main dwelling in a functional manner;
- has a permanent and sufficient heat source; and
- was built in keeping with the design, appeal, and quality of construction of the main dwelling.

Room additions and garage conversions that do not meet the criteria listed above are to be addressed as a separate line item in the sales grid, not in the GLA. The Appraiser must address the impact of inferior quality garage conversions and room additions on marketability as well as Contributory Value, if any.

The Appraiser must analyze and report differences in functional utility when selecting comparable properties of similar total GLA that do not include converted living space. If the Appraiser chooses to include converted living spaces as GLA, the Appraiser must include an explanation detailing the composition of the GLA reported for the comparable sales, functional utility of the subject and comparable properties, and market reaction.

Alternatively, the Appraiser may consider and analyze converted living spaces on a separate line within the sales comparison grid including the functional utility line in order to demonstrate market reaction.

The Appraiser must not add an ADU or secondary living area to the GLA.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

iv. Partially Below-Grade Habitable Space

(A) Definition

Partially Below-Grade Habitable Space refers to living area constructed partially below grade, but has the full utility of GLA.

(B) Required Analysis and Reporting

The Appraiser must report the design and measurements of the subject, the market acceptance or preference, how the levels and areas of the dwelling are being calculated and compared, and the effect that this has on the analysis.

Regardless of the description of the rooms, bedrooms or baths as above grade or below grade, the Appraiser must analyze all components of the subject Property in the valuation process.

v. Bedrooms

The Appraiser must not identify a room as a bedroom that cannot accommodate ingress or egress in the event of an emergency, regardless of location above or below grade.

e. Appliances

i. Definition

Appliances refer to refrigerators, ranges/ovens, dishwashers, disposals, microwaves, and washers/dryers.

ii. Standard

Appliances that are to remain and that contribute to the market value opinion must be operational.

iii. Required Analysis and Reporting

The Appraiser must note all appliances that remain and contribute to the Market Value.

f. Swimming Pools

The Appraiser must report readily observable defects in a non-covered pool that would render the pool inoperable or unusable. If the pool water contains algae and is aesthetically unappealing, but the Appraiser has no evidence that the pool is otherwise contaminated, no cleaning is required. Swimming pools must be operational to provide full Contributory Value.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

The Appraiser must condition the appraisal report for pools with unstable sides or structural issues to be repaired or permanently filled in accordance with local guidelines, and the surrounding land re-graded if necessary.

If the swimming pool has been winterized, or the Appraiser cannot determine if the pool is in working order, the Appraiser must complete the appraisal with the extraordinary assumption that the pool and its equipment can be restored to full operating condition at normal costs.

g. Utilities – Mechanical Components

The Appraiser must notify the Mortgagee if mechanical systems do not appear:

- to have reasonable future utility, durability, and economy;
- to be safe to operate;
- to be protected from destructive elements; or
- to have adequate capacity.

The Appraiser must observe the physical condition of the plumbing, heating and electrical systems. The Appraiser must operate the applicable systems and observe their performance. If the systems appear to be damaged or do not appear to function properly, the Appraiser must condition the appraisal for repair or further inspection.

If the Property is vacant, the Appraiser must note in the report whether the utilities were on or off at the time of the appraisal.

If the utilities are off at the time of the inspection, the Appraiser must ask to have them turned on and complete all requirements under Mechanical Components. However, if it is not feasible to have the utilities turned on, then the appraisal must be completed without the utilities turned on or the mechanical systems functioning.

If the utilities are not on at the time of observation and the systems could not be operated, the Appraiser must:

1. render the appraisal as subject to re-observation;
2. condition the appraisal upon further observation to determine if the systems are in proper working order once the utilities are restored; and
3. complete the appraisal under the extraordinary assumption that utilities and mechanical systems, and appliances are in working order.

The Appraiser must note that the re-observation may result in additional repair requirements once all the utilities are on and fully functional.

If systems could not be operated due to weather conditions, the Appraiser must clearly note this in the report. The Appraiser should not operate the systems if doing so may damage equipment or when outside temperatures will not allow the system to operate.

Electrical, plumbing, or heating/cooling certifications may be required when the Appraiser cannot determine if one or all of these systems are working properly.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

i. Heating and Cooling Systems

The Appraiser must examine the heating system to determine if it is adequate for healthful and comfortable living conditions, regardless of design, fuel or heat source.

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the permanently installed heating system does not:

- automatically heat the living areas of the house to a minimum of 50 degrees Fahrenheit in all GLAs, as well as in non-GLAs containing building or system components subject to failure or damage due to freezing;
- provide healthful and comfortable heat or is not safe to operate;
- rely upon a fuel source that is readily obtainable within the subject's geographic area;
- have market acceptance within the subject's marketplace; and
- operate without human intervention for extended periods of time.

Central air conditioning is not required but, if installed, must be operational. If the air conditioning system is not operational, the Appraiser must indicate the level of deferred maintenance, analyze and report the effect on marketability, and include the cost to cure.

ii. Electrical System

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the electrical system is not adequate to support the typical functions performed in the dwelling without disruption, including appliances adequate for the type and size of the dwelling.

The Appraiser must examine the electrical system to ensure that there is no visible frayed wiring or exposed wires in the dwelling, including garage and basement areas, and report if the amperage and panel size appears inadequate for the Property. The Appraiser must operate a sample of switches, lighting fixtures, and receptacles inside the house and garage, and on the exterior walls, and report any deficiencies. The Appraiser is not required to insert any tool, probe or testing device inside the electrical panel or to dismantle any electrical device or control.

iii. Plumbing System

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the plumbing system does not function to supply water pressure, flow and waste removal.

The Appraiser must flush the toilets and operate a sample of faucets to observe water pressure and flow, to determine that the plumbing system is intact, that it does not emit foul odors, that faucets function appropriately, that both cold and hot water run, and that there are no readily observable evidence of leaks or structural damage under fixtures.

The Appraiser must examine the water heater to ensure that it has a temperature and pressure-relief valve with piping to safely divert escaping steam or hot water.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

If the Property has a septic system, the Appraiser must examine it for any signs of failure or surface evidence of malfunction. If there are readily observable deficiencies, the Appraiser must require repair or further inspection.

h. Roof Covering

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the roof covering does not prevent entrance of moisture or provide reasonable future utility, durability and economy of maintenance and does not have a remaining physical life of at least two years.

The Appraiser must observe the roof to determine whether there are deficiencies that present a health and safety hazard or do not allow for reasonable future utility. The Appraiser must identify the roofing material type and the condition observed in the “Improvements” section of the report.

The Appraiser must report if the roof has less than two years of remaining life, and make the appraisal subject to inspection by a professional roofer.

When the Appraiser is unable to view the roof, the Appraiser must explain why the roof is unobservable and report the results of the assessment of the underside of the roof, the attic, and the ceilings.

i. Structural Conditions

The Appraiser must report on structural conditions so that the Mortgagee can determine if the foundation and Structure of the Property will be serviceable for the life of the Mortgage.

The Appraiser must perform a visual observation of the foundation and Structure of the improvements and report those results. If the Appraiser notes any structural issues, the Appraiser must address the nature of the deficiency in the appraisal where physical deficiencies or adverse conditions are reported and require inspection.

j. Defective Paint

If the dwelling or related improvements were built after 1978, the Appraiser must report all defective paint surfaces on the exterior and require repair of any defective paint that exposes the subsurface to the elements.

If the dwelling or related improvements were built on or before December 31, 1978, refer to the section on [Lead-Based Paint](#).

k. Attic Observation Requirements

The Appraiser must observe the interiors of attic spaces.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

The Appraiser is not required to disturb insulation, move personal items, furniture, equipment or debris that obstructs access or visibility. If unable to view the area safely in their entirety, the Appraiser must contact the Mortgagee and reschedule a time when a complete visual observation can be performed, or complete the appraisal subject to inspection by a qualified third party. In cases where access through a scuttle is limited and the Appraiser cannot fully enter the attic, the insertion of at least the head and shoulders of the Appraiser will suffice.

If there is evidence of a deficient condition (such as a water-stained ceiling, insufficient ventilation, or smell of mold), the Appraiser must report this condition, and render the appraisal subject to inspection and repairs if necessary.

If there is no access or scuttle, the Appraiser must report the lack of accessibility to the area in the appraisal report. There is no requirement to cut open walls, ceilings or floors.

An observation performed in accordance with these guidelines is visual and is not technically exhaustive.

I. Foundation

The Appraiser must examine the foundation for readily observable evidence of safety or structural deficiencies that may require repair. If a deficiency is noted, the Appraiser must describe the nature of the deficiency and report necessary repairs, alterations or required inspections in the appraisal where physical deficiencies or adverse conditions are reported.

For [Manufactured Housing](#), the appraisal must be conditioned upon the certification of an engineer or architect that the foundation is in compliance with the [Permanent Foundations Guide for Manufactured Housing \(PFGMH\)](#).

i. Basement

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the basement is not free of dampness, wetness, or obvious structural problems that might affect the health and safety of occupants or the soundness of the Structure.

ii. Sump Pumps

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the sump pump is not properly functioning at the time of appraisal. A sump pump may be hard-wired by an acceptable wiring method or may have a factory electrical cord that is to be connected to a receptacle suitable for such use.

m. Crawl Space Observation Requirements

The Appraiser must visually observe areas of the crawl space and notify the Mortgagee of the deficiency of MPR and MPS when the crawl space does not satisfy any of the following criteria:

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

- The floor joists must be sufficiently above ground level to provide access for maintaining and repairing ductwork and plumbing.
- If the crawl space contains any system components, the minimum required vertical clearance is 18 inches between grade and the bottom of the floor joists.
- The crawl space must be properly vented unless the area is mechanically conditioned.
- The crawl space must be free of trash, debris, and vermin.
- The crawl space must not be excessively damp and must not have any water pooling. If moisture problems are evident, a vapor barrier and/or prevention of water infiltration must be required.

The Appraiser must report any evidence that may indicate issues with structural support, dampness, damage, or vermin that may affect the safety, soundness and security of the Property.

In cases where access through a scuttle is limited, and the Appraiser cannot fully enter the crawl space, the insertion of at least the head and shoulders of the Appraiser will suffice. If there is no access to the crawl space but there is evidence of a deficient condition (such as water-stained subflooring or smell of mold), the Appraiser must report this condition and the Mortgagee must have a qualified third party perform an inspection.

If there is no access, the Appraiser must report the lack of accessibility to the area in the appraisal report. There is no requirement to cut open walls, ceilings or floors.

Not all houses (especially historic houses) with a vacant area beneath the flooring are considered to have a crawl space; it may be an intentional void, with no mechanical systems and no intention or reason for access.

n. Environmental and Safety Hazards

The Appraiser must report known environmental and safety hazards and adverse conditions that may affect the health and safety of the occupants, the Property's ability to serve as collateral, and the structural soundness of the improvements.

Environmental and safety hazards may include defective lead-based paint, mold, toxic chemicals, radioactive materials, other pollution, hazardous activities, and potential damage to the Structure from soil or other differential ground movements, subsidence, flood, and other hazards.

i. Lead-Based Paint

(A) Improvements Built on or Before 1978

The Appraiser must note the condition and location of all defective paint and require repair in compliance with [24 CFR § 200.810\(c\)](#) and any applicable EPA requirements. The Appraiser must observe all interior and exterior surfaces, including common areas, stairs, deck, porch, railings, windows and doors, for defective paint (cracking, scaling, chipping, peeling, or loose). Exterior surfaces include those

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

surfaces on fences, detached garages, storage sheds, and other outbuildings and appurtenant Structures.

(B) Condominium Units Built on or Before 1978

The Appraiser must observe the interior of the unit, common unit and exterior surfaces and appurtenant Structures of the specific unit being appraised; and address the overall condition, maintenance and appearance of the Condominium Project. The Appraiser must note the condition and location of all defective paint in the unit, common area and exterior, and require repair in compliance with [24 CFR § 200.810\(c\)](#) and any applicable EPA requirements.

ii. Methamphetamine Contaminated Property

If the Mortgagee notifies the Appraiser or the Appraiser has evidence that a Property is contaminated by the presence of methamphetamine (meth), either by its manufacture or by consumption, the Appraiser must render the appraisal subject to the Property being certified safe for habitation.

If the effective date of the appraisal is prior to certification that the Property (site and dwelling) is safe for habitation, the Appraiser will complete the appraisal subject to certification that the Property is safe for habitation.

If the effective date of the appraisal is after certification that the Property (site and dwelling) is safe for habitation, and the Mortgagee has provided a copy of the certification by the certified hygienist, the Appraiser must include a copy of the certification in the appraisal report.

The Appraiser must analyze and report any long-term stigma caused by the Property's contamination by meth and the impact on value or marketability.

iii. Wood Destroying Insects/Organisms/Termites

The Appraiser must observe the foundation and perimeter of the buildings for evidence of wood destroying pests. The Appraiser's observation is not required to be at the same level as a qualified pest control specialist.

If there is evidence or notification of infestation, including a prior treatment, the Appraiser must mark the evidence of infestation box in the "Improvements" section of the appraisal and make the appraisal subject to inspection by a qualified pest control specialist.

o. Repair Requirements

When examination of New or Existing Construction reveals non-compliance with MPR and MPS, the Appraiser must report the repairs necessary to make the Property comply, provide

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

an estimated cost to cure, provide descriptive photographs, and condition the appraisal for the required repairs.

If compliance can only be effected by major repairs or alterations, the Appraiser must report all readily observable property deficiencies, as well as any adverse conditions discovered performing the research involved in completion of the appraisal, within the reporting form.

Regardless of the Appraiser's suggested repairs, the Mortgagee will determine which repairs are required.

i. Limited Required Repairs

The Appraiser must limit required repairs to those repairs necessary to:

- maintain the safety, security and soundness of the Property;
- preserve the continued marketability of the Property; and
- protect the health and safety of the occupants.

ii. As-Is Condition and Cosmetic Repairs

The Appraiser may complete an as-is appraisal for existing Properties when minor property deficiencies, which generally result from deferred maintenance and normal wear and tear, do not affect the health and safety of the occupants or the security and soundness of the Property. Cosmetic or minor repairs are not required, but the Appraiser must report and consider them in the overall condition when rating and valuing the Property. Cosmetic repairs include missing handrails that do not pose a threat to safety, holes in window screens, cracked window glass, defective interior paint surfaces in housing constructed after 1978, minor plumbing leaks that do not cause damage (such as a dripping faucet), and other inoperable or damaged components that in the Appraiser's professional judgment do not pose a health and safety issue to the occupants of the house.

If an element is functioning well but has not reached the end of its useful life, the Appraiser should not recommend replacement because of age.

iii. Defective Conditions Requiring Repair

The nature and degree of any noted deficiency will determine whether the Appraiser must address the deficiency in the narrative comments area of the report under "condition of the property" or "physical deficiencies" affecting livability or structural soundness.

iv. Conditions Requiring Inspection by a Qualified Individual or Entity

The Appraiser must notify the Mortgagee and make the appraisal subject to an inspection by a qualified individual or Entity when the observation reveals evidence of a potential safety, soundness, or security issue beyond the Appraiser's ability to assess. The Appraiser must report and describe the indication of a particular problem when requiring an inspection of any mechanical system, structural system, or other component requiring a repair.

p. Utility Services

i. Definition

Utility Services refer to those services consumed by the public such as individual electric, water, natural gas, sewage, and telephone.

ii. Required Analysis and Reporting

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if the subject Property is an attached, detached, or manufactured Single Family dwelling and the utilities are not independent for each living unit. This does not apply to ADUs.

The Appraiser must also notify the Mortgagee of the deficiency of MPR or MPS if utilities are not located on Easements that have been permanently dedicated to the local government or appropriate public utility body.

(A) Multiple Living Units Under Single Ownership

The Appraiser should not note a deficiency of MPR or MPS if the Property contains multiple living units under a single Mortgage or ownership (two- to four-family Properties) that utilize common services, such as water, sewer, gas and electricity and is served by one meter in jurisdictions that allow single meter rental properties, unless separate utility service shut-offs are not provided for each.

The Appraiser must notify the Mortgagee of the deficiency of MPR or MPS if other facilities are not independent for each living unit, except common services such as laundry, storage space or heating, which may be provided in two- to four-living unit buildings under a single Mortgage.

(B) Living Units Under Separate Ownership

The Appraiser should not note the deficiency of MPR or MPS if the Property contains living units under separate ownership and part of a larger planned community, that utilize common utility services provided from the main to the building line when protected by an Easement or covenant and maintenance agreement, unless individual utilities serving a living unit pass over, under, or through another living unit without provision for repair and maintenance of utilities without trespass on adjoining properties, or legal provision for permanent right of access for maintenance and repair of utilities.

If a single drain line in the building serves more than one unit, and the building drain clean-outs are not accessible from the exterior, the Appraiser must note the deficiency of MPR or MPS to the Mortgagee.

iii. Public Water Supply Systems

(A) Definition

A Public Water Supply System refers to a system that is owned by a governmental authority or by a utility company that is controlled by a governmental authority.

(B) Standard

When a public water supply system is present, the water quality is considered to be safe and potable and to meet the requirements of the health authority with jurisdiction unless:

- the Appraiser indicates deficiencies with the water or notifies the Mortgagee that the water is unsafe; or
- the health authority with jurisdiction issues a public notice indicating the water is unsafe.

(C) Required Analysis and Reporting

The Appraiser must:

- report any readily observable or known deficiencies with the water;
- notify the Mortgagee when water is determined to be unsafe, report, and provide a cost to cure; and
- address any impact on value and marketability, and make the appropriate adjustments.

iv. Community Water Systems

(A) Definition

A Community Water System refers to a central system that is owned, operated and maintained by a private corporation or a nonprofit property owners' association.

(B) Required Analysis and Reporting

If the Property is on a Community Water System, the Appraiser must note the name of the water company on the appraisal report.

v. Individual Water Supply Systems

(A) Definition

An Individual Water Supply System refers to a potable water source providing water to an individual Property.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

(B) Standard

When an Individual Water Supply System is present, water quality must meet the requirements of the health authority with jurisdiction. If there are no local (or state) water quality standards, then water must be potable, which may be demonstrated by compliance with the current [EPA Manual of Individual and Non-Public Water Supply Systems](#).

(C) Required Analysis and Reporting

The Appraiser must report on the availability of connection to a public and/or Community Water System and any jurisdictional conditions requiring connection.

When the Appraiser obtains evidence that any of the water quality requirements are not met, the Appraiser must notify the Mortgagee and provide an estimated cost to cure.

The Appraiser must note the deficiency of MPR or MPS if the subject Property contains a well located within the foundation walls of an existing dwelling and there is no evidence that the local jurisdiction recognizes and permits such a location, that it is common for the market area, and does not adversely affect marketability unless the well is located within the foundation walls of a New Construction dwelling in an arctic or sub-arctic region.

The Appraiser must report when water to a Property is supplied by dug wells, cisterns or holding tanks used in conjunction with water purchased and hauled to the site. The Appraiser must report whether such systems are readily accepted by local market participants and that the water supply system may violate MPR or MPS.

The Appraiser must note the deficiency of MPR or MPS if the subject Property has a water source that includes a mechanical chlorinator or is served by springs, lakes, rivers, sand-point or artesian wells.

A pressure tank with a minimum capacity of 42 gallons must be provided. However, pre-pressured tanks and other pressurizing devices are acceptable if delivery between pump cycles equal or exceed that of a 42-gallon tank. Tanks must be equipped with a clean-out plug at the lowest point and a suitable pressure relief valve.

The Appraiser must note any readily observable deficiencies regarding the well and require test or inspection if any of the following apply:

- the water supply relies upon a water purification system due to the presence of contaminants;
- corrosion of pipes (plumbing);
- areas of intensive agricultural uses within one quarter mile;
- coal mining or gas drilling operations within one quarter mile;

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

3. Acceptable Appraisal Reporting Forms and Protocols

- a dump, junkyard, landfill, factory, gas station, or dry cleaning operation within one quarter mile; or
- an unusually objectionable taste, smell, or appearance of well water.

The Appraiser must also be familiar with the [minimum distance requirements](#) between private wells and sources of pollution and, if discernible, comment on them. The Appraiser is not required to sketch or note distances between the well, property lines, septic tanks, drain fields, or building Structures but may provide estimated distances where they are comfortable doing so. When available, the Appraiser should obtain from the homeowner or Mortgagee a copy of a survey or other documents attesting to the separation distances between the well and septic system or other sources of pollution.

vi. Shared Wells

(A) Definition

A Shared Well refers to a well that services two to four homes where there is a binding [Shared Well Agreement](#) between the property owners that meets FHA requirements.

(B) Required Analysis and Reporting

If the Property has a Shared Well, the Appraiser must report it and note any readily observable deficiencies. The Appraiser must also obtain a Shared Well Agreement and include it in the appraisal report so that the Mortgagee may review the agreement to determine eligibility. The Appraiser must also require an [inspection and water testing under the same circumstances as an individual well](#).

vii. Individual Residential Water Purification Systems

(A) Definition

An Individual Residential Water Purification System refers to equipment, either point-of-entry or point-of-use, installed on Properties that otherwise do not have access to a continuous supply of safe and potable water.

(B) Required Analysis and Reporting

If a Property is served by an individual residential water purification system, the Appraiser must indicate which type of system is installed on the Property, either point-of-entry or point-of-use.

The Appraiser must report on the conditions requiring connection of the individual residential water purification system.

4. Valuation and Reporting Protocols

q. Onsite Sewage Disposal Systems

i. Definition

An Onsite Sewage Disposal System refers to wastewater systems designed to treat and dispose of effluent on the same Property that produces the wastewater.

ii. Required Analysis and Reporting

The Appraiser must note the deficiency of MPR or MPS and notify the Mortgagee if the Property is not served by an off-site sewer system and any living unit is not provided with an Onsite Sewage Disposal System adequate to dispose of all domestic wastes in a manner that will not create a nuisance, or in any way endanger the public health.

The Appraiser must visually inspect the Onsite Sewage Disposal System and its surrounding area. The Appraiser must require an inspection to ensure that the system is in proper working order if there are readily observable signs of system failure. The Appraiser must report on the availability of public sewer to the site.

The Appraiser must note the deficiency of MPR or MPS and notify the Mortgagee if the Appraiser has evidence that the Onsite Sewage Disposal System is not sufficient.

4. Valuation and Reporting Protocols

a. Photograph, Exhibits and Map Requirements

The Appraiser must include a legible street map showing the location of the subject and each of the comparable properties, including sales, rentals, listings, and other data points utilized. If substantial distance exists between the subject and comparable properties, additional legible maps must be included.

The Appraiser must include a building sketch showing the GLA, all exterior dimensions of the house, patios, porches, decks, garages, breezeways, and any other attachments or out buildings contributing value. The sketch must show “covered” or “uncovered” to indicate a roof or no roof (such as over a patio). The Appraiser must show the calculations used to arrive at the estimated GLA. The Appraiser must provide an interior sketch or floor plan for Properties exhibiting functional obsolescence attributable to the floor plan design.

The Appraiser must provide photographs as required in the table below and any additional exterior and interior photographs, reports, studies, analysis, or copies of prior listings in support of the Appraiser’s observation and analysis.

b. Intended Use and Intended Users of Appraisal

The intended use of the appraisal is solely to assist FHA in assessing the risk of the Property securing the FHA-insured Mortgage ([24 CFR § 200.145\(b\)](#)).

FHA and the Mortgagee are the intended users of the appraisal report.

The FHA Appraiser does not guarantee that the Property is free from defects. The appraisal establishes the value of the Property for mortgage insurance purposes only.

4. Valuation and Reporting Protocols

c. Development of the Market Value

i. Value Required

(A) Definition of Market Value

Market Value refers to the most probable price which a Property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what they consider their own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the Property sold unaffected by special or creative financing or Sales Concessions granted by anyone associated with the sale.

Adjustments to the comparables must be made for special or creative financing or Sales Concessions. No adjustments are necessary for those costs, which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable Property by comparisons to financing terms offered by a third-party institutional lender that is not already involved in the Property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the Appraiser's judgment.

(B) Standard

The Appraiser must determine the Market Value of the subject Property.

(C) Required Analysis and Reporting

The Appraiser must analyze all data researched and collected prior to reporting the value. The Appraiser must include all components of the real estate in the analysis. The Appraiser must not include the value of Personal Property in the appraisal.

ii. Appraisal Conditions

(A) Definition

Appraisal Conditions refer to anything the Appraiser requires to occur or be known before the value of conclusion can be considered valid.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

(B) Standard

Conclusions about the observed conditions of the Property provide the rationale for the opinion of Market Value.

The completed appraisal form, together with the required exhibits, constitutes the reporting instrument for FHA-insured Mortgages. Conditions of the Property, mortgage type and the market will determine if the appraisal is to be performed as-is, or if the value opinion needs to be conditioned upon an extraordinary assumption(s), a hypothetical condition(s), subject to an additional inspection, or completion of construction, repairs or alterations.

(C) Required Analysis and Reporting

The Appraiser must state in the appraisal report whether repairs, alterations or inspections are necessary to eliminate conditions threatening the continued use, security, and marketability of the Property.

The following table illustrates property conditions under which an Appraisal Condition must be made.

Report Conclusion	Appraisal Condition
<ol style="list-style-type: none">1. There is/are no repair(s), alteration(s) or inspection condition(s) noted by the Appraiser.2. Establishing the As-Is Value for a 203(k).3. 4. Valuation and Reporting Protocols

Report Conclusion	Appraisal Condition
Required inspection(s) to meet HUD's Minimum Property Requirements and Minimum Property Standards .as noted by the Appraiser.	"Subject to the following required inspection"

iii. Valuation Development

(A) Standard

There are three valuation approaches as applied to one-to four-residential unit Properties:

- sales comparison approach;
- cost approach; and
- income approach to value.

(B) Required Analysis and Reporting

The Appraiser must obtain credible and verifiable data to support the application of the three approaches to value.

The Appraiser must perform a thorough analysis of the characteristics of the market, including the supply of properties that would compete with the subject and the corresponding demand.

The Appraiser must perform a highest and best use of the Property, using all four tests and report the results of that analysis.

(C) FHA Data Requirements for the Subject and Comparable Properties

The Appraiser must verify the characteristics of the transaction (such as sale price, date, seller concessions, conditions of sale) and the characteristics of the comparable property at the time of sale through reliable data sources.

The Appraiser must verify transactional data via public records and the parties to the transaction: agents, buyers, sellers, Mortgagees, or other parties with relevant information. If the sale cannot be verified by a party to the transaction, the Appraiser may rely on public records or another verifiable impartial source.

MLS records and property site visits alone are not acceptable verification sources.

(D) Effective Age and Remaining Economic Life

(1) Standard

The effective age reflects the condition of a Property relative to similar competitive properties. The effective age may be greater than, less than, or equal

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

to the actual age. Any significant difference between the actual and effective ages requires an explanation.

(2) Required Analysis and Reporting

The Appraiser must state the remaining economic life as a single number or as a range for all property types, including condominiums. The Appraiser must provide an explanation if the remaining economic life is less than 30 years.

The Appraiser must apply the appropriate technique to estimate the economic life of the subject and not just report a number without analysis.

(E) Approaches to Value

The Appraiser must consider and attempt all approaches to value and must develop and reconcile each approach that is relevant.

(1) Cost Approach to Value

The Appraiser may use any of the credible and recognized methods to complete the cost approach (unit in place, segregated costs, price per unit, detailed builder's cost method, or any other credible source that can be duplicated by the reader).

If the Appraiser uses cost estimates provided by the contractor or builder of the Property, the cost estimates must be reasonable and independently verified.

(a) Land Valuation

(i) Standard

If the cost approach is applicable, the Appraiser must estimate the site value. Acceptable methodology used to estimate land value include sales comparison, allocation, and extraction.

(ii) Required Analysis and Reporting

The Appraiser must include a summary of the supporting documentation and analysis in the appraisal. The Appraiser must maintain comparable land sales data and analysis or other supporting information in the Appraiser's file and include it by reference in the appraisal. [For Properties with Excess Land](#), the Appraiser must include all comparable land sale data and analysis in the report.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

(b) Estimate of Cost New for Housing

(i) Standard

The Appraiser may use either the replacement cost or the reproduction cost.

(ii) Required Analysis and Reporting

The Appraiser must state the method used and the source of the data.

The Appraiser must use the current version of a published cost data source recognized by the industry. The Appraiser must report the quality rating selected and utilized, as well as identify the source of the data, and its publication and/or effective date. The Appraiser is expected to be aware of local cost data from builders, contractors, building supply firms, and other building industry participants as a check against the published cost data.

The Appraiser must also provide a supporting explanation when applying adjustments to the published cost data, such as adjustments for:

- transportation and labor in remote areas;
- entrepreneurial profit; or
- fees and charges unique to the area.

Instructions for the cost approach as applied to Manufactured Homes are addressed in the [FHA Single Family Housing Appraisal Report and Data Delivery Guide - Manufactured Home Appraisal Report](#).

(2) Income Approach to Value for Residential Properties

(a) Standard

The Appraiser should apply the income approach to a Single Family residential Property when there is evidence of recently rented and then sold data pairs.

The Appraiser must verify if the subject or the comparable rentals and sales are subject to rent control restrictions. If comparable sales do not have rent control restrictions similar to those of the subject, an appropriate adjustment should be applied.

(b) Required Analysis and Reporting

The Appraiser must analyze rental data and provide support for the estimated market rents and adjustments applied to the comparable rentals in the reconciliation of this approach.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

The Appraiser must derive the Gross Rent Multiplier (GRM) factor from market data and support it prior to applying it to the market rent for the subject.

(3) Sales Comparison Approach

(a) Standard

The sales comparison approach is required for all appraisals.

(b) Required Analysis and Reporting

The Appraiser must present the data, points of comparison, and analysis; provide support for the Appraiser's choice of comparable properties, and the adjustments for dissimilarities to the subject; and include sufficient description and explanation to support the facts, analyses and the Appraiser's conclusion.

If the data from the market area is insufficient to support some of these requirements, the Appraiser must provide the best information available and include an explanation of the issue, the data available, the conclusions reached and the steps taken by the Appraiser to attempt to meet the guidelines.

(c) Comparable Sale Selection

(i) Characteristics of the Property

Comparable sale selection must be based on properties having the same or similar locational characteristics, physical characteristics and the priority the market assigns to each factor, including:

- site;
- site view;
- location;
- design;
- appeal;
- style;
- age;
- size;
- utility;
- quality;
- condition; and
- any other factor that in the Appraiser's professional judgment is recognized as relevant in the subject market.

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

(ii) Characteristics of the Transaction

Definition

An Arm's Length Transaction refers to a transaction between unrelated parties and meets the requirements of Market Value.

Standard

The Appraiser must utilize Arm's Length Transactions for comparable properties except when there is evidence that REO sales or short sale/Pre-Foreclosure Sale (PFS) transactions are so prevalent that normal Arm's Length Transactions are not present or supported by the market trend.

A transaction involving a foreclosure transfer to a mortgagee is not evidence of the Market Value, and is not a valid type of comparable sale for an FHA-insured Mortgage.

The common types of property transfers listed below require investigation and analysis to ensure that they meet the definition of an Arm's Length Transaction:

- REO sale – transfer from mortgagee to new owner;
- short sale/PFS;
- estate sale;
- court ordered sale;
- relocation sale; and
- flip transactions.

Required Analysis and Reporting

The Appraiser must include as many comparable properties as are necessary to support the Appraiser's analysis and conclusion. At a minimum, the Appraiser must include the most recent and relevant sales, preferably within the last six months. The Appraiser must include at least three sales that settled no longer than 12 months prior to the effective date of the appraisal. The Appraiser must provide additional support by including more sales, offerings, offerings now under contract, or relevant sales that settled more than 12 months prior to the effective date of the appraisal.

The Appraiser must analyze the whole market, including when there are a number of sales that may or may not be classified as arm's length sales or may not be classified as directly similar to the Property.

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

(d) Adjusting Comparable Properties

(i) Standard

Calculation of the Contributory Value includes methods based on the:

- direct sales comparison approach;
- cost approach; and
- income approach.

(ii) Required Analysis and Reporting

The Appraiser must apply all appropriate techniques and methods, conduct an analysis, and report the results. The Appraiser must include the reasoning that supports the analyses, opinions, and conclusions in the report.

(e) Comparable Selection in Diverse Real Estate Markets

(i) Standard

Comparable sales should be selected based on similar locational and physical characteristics, not sales price.

Subdivisions, Condominiums or Planned Unit Development Projects

Arm's length resale activity from within the established subdivision, condominium or PUD project is often the best indicator of value.

(ii) Required Analysis and Reporting

The Appraiser must include an analysis of the comparable properties that includes an explanation. The analysis must reflect typical Borrower expectations and behavior.

Subdivisions, Condominiums or Planned Unit Development Projects

If the Appraiser uses sales of comparable properties that are located outside of the subject's subdivision or project, the analysis must reflect typical Borrower expectations and behavior.

For Properties in new subdivisions, or units in new (or recently converted) Condominium Projects, the Appraiser must include, for comparison, properties in the subject market area as well as properties within the subject subdivision or project. Whenever possible, the Appraiser must select at least one sale from a competing subdivision or project and one sale from within the subject subdivision or project so that this market acceptance may be directly compared. If the new project is mature enough

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

to have experienced arm's length resales, the Appraiser must also analyze and report those properties.

(f) Comparable Sale Selection in Rural and Slow Growth Markets

If insufficient comparable sales have occurred within the previous six months, the Appraiser must include at least three sales that occurred less than 12 months prior to the date of appraisal.

Where there is a scarcity of recent comparable sales data, the Appraiser may include sales older than 12 months as additional sales in markets. The Appraiser must report the most recent and relevant sales, and include a thorough explanation of the market conditions, the levels of supply and demand, and a reason for the lack of recent sales data.

(g) Sales Concessions

(i) Definition

Sales Concessions refer to non-realty items, upgraded features in newly constructed houses, or special financing incentives.

(ii) Standard

Adjustments are not calculated on a dollar for dollar cost of the financing or Sales Concession. However, the dollar amount of any adjustment should approximate the market's reaction to the Sales Concessions based on the Appraiser's analysis of observable and supportable market trends and expectations. The adjustment should reflect the difference between the sales price with the Sales Concessions, and what the Property would have sold for without the concessions under typical market conditions.

(iii) Required Analysis and Reporting

The Appraiser must verify all comparable sales transactions for Sales Concessions and report those findings in the appraisal. The Appraiser must clearly state how and to what extent the sale was verified. If the sale cannot be verified with someone who has first-hand knowledge of the transaction (buyers, sellers, real estate agents involved in the transaction, or one of their representatives), the Appraiser must report the lack of verification.

The Appraiser must make market-based adjustments to the comparable sales for any sales or financing concessions that may have affected the sales price. The Sales Concessions of the comparable properties are adjusted to typical market expectations, not to the specific terms or conditions of the sale of the subject. The Appraiser must include an

4. Valuation and Reporting Protocols

explanation of the effect of the Sales Concessions on the sale price of the comparable.

(h) Bracketing

(i) Definition

Bracketing refers to selecting comparable properties with features that are superior to and inferior to the subject features.

(ii) Standard

Comparable properties must be selected based on the principle of substitution, and the analysis will reveal the relevance of that data. Comparable properties should not be chosen only because their prices bracket a desired or estimated value.

(iii) Required Analysis and Reporting

In analyzing the comparable pool to determine the best comparable sales to display and compare in the adjustment grid, the Appraiser must use Bracketing techniques when possible and appropriate.

(i) Market Condition (Time) Adjustments

(i) Definition

Market Condition Adjustments refer to adjustments made to reflect value changes in the market between the date of the contract for the comparable sale and the effective date of the appraisal.

(ii) Standard

Within the sales adjustment grid, the potentially comparable properties may be adjusted if they were contracted for sale during a market period different from that of the date of valuation. If a market-to-market (time) adjustment is warranted, it must be applied to the date of contract rather than the date of closing or deed recordation.

(iii) Required Analysis and Reporting

The Appraiser must provide a summary comment and support for all conclusions relating to the trend of the current market.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

(F) FHA Appraisal Requirements in Changing Markets

(1) Standard

An analysis of market trends for at least the past 12 to 24 months preceding the effective date of the appraisal is necessary in order to establish a benchmark for reporting present market conditions.

The final conclusion must be based on the reconciliation of all data.

(a) Increasing Markets

In an increasing market, positive Market Condition Adjustments should be applied if there is sufficient proof of the trend from a credible source based on a thorough analysis of specific market trends and as evidenced by a sale and resale comparison.

(b) Declining Markets

Although there is no standard industry definition, for purposes of performing appraisals of Properties that are to be collateral for FHA-insured Mortgages, a Declining Market refers to any neighborhood, market area or region that demonstrates a decline in prices or deterioration in other market conditions as evidenced by an oversupply of existing inventory and extended marketing times. Generally, a trend in the housing market is identifiable when it extends for a period of at least six months or two quarters prior to the effective date of the appraisal.

In a Declining Market, negative Market Condition Adjustments should be applied if there is sufficient proof of the trend from a credible source based on a thorough analysis of specific market trends and as evidenced by a sale and resale comparison.

(2) Required Analysis and Reporting

The Appraiser must accurately report market conditions and determine when housing trends are increasing, stable or declining. The Appraiser must provide a summary comment as to the continuance of the current trend or if the trend appears to be changing, and provide support for all conclusions. If the Appraiser bases the adjustment on a published source, the Appraiser must include a copy of which must be included in the addendum.

The Appraiser must include an absorption rate analysis, and at least two comparable sales that closed within 90 Days prior to the effective date of the appraisal. If the Appraiser cannot comply with this requirement due to the lack of market data, a detailed explanation is required.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

4. Valuation and Reporting Protocols

The Appraiser must include a minimum of two active listings or pending sales on the appraisal grid (in addition to at least three recently settled sales).

For active listings or pending sales, the Appraiser must:

- ensure they are market tested and have reasonable market exposure to avoid the use of overpriced properties as comparable properties;
- use the actual contract purchase price, or, when not available, adjust comparable properties to reflect listing to sale price ratios;
- include the original list price, any revised list prices, and calculate the total Days on Market (DOM). The Appraiser must provide an explanation for the DOM that does not approximate periods reported in the “Neighborhood” section of the appraisal reporting form;
- reconcile the Adjusted Values of active listings or pending sales with the Adjusted Values of the settled sales provided; and
- if the Adjusted Values of the settled comparable properties are higher than the Adjusted Values of the active listings or pending sales, determine if a Market Condition Adjustment is appropriate.

(G)Final Reconciliation and Conclusion

(1) Definition

Final Reconciliation refers to the process by which an Appraiser evaluates and selects from among alternative conclusions to reach a final value estimate, and reports the results of the analysis.

(2) Standard

After the approaches to value are completed, the Appraiser must check the data, calculations and conclusions. The Appraiser must reconcile each approach to value, and must reconcile all approaches into a final estimate of value for the Property.

(3) Required Analysis and Reporting

If the appraisal has no conditions, the Appraiser must render an as-is value opinion.

If the Appraiser must conclude the report under a hypothetical condition or extraordinary assumption, the Appraiser must report the issues and requirements as one of the following:

- “subject to completion per plans and specifications on the basis of a hypothetical condition that the improvements have been completed;”
- “subject to the following repairs or alterations (list them) on the basis of a hypothetical condition that the repairs or alterations have been completed;” or

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

- “subject to a required inspection based on the extraordinary assumption that the condition or deficiency does not require alteration or repair.”

(H)Signature

(1) Standard

The FHA Roster Appraiser must sign the certification of the appraisal and perform all parts of the analysis and reconciliation. Appraiser trainees or licensees may not sign the appraisal report.

A trainee or licensee may assist in any part of the appraisal, but the opinions and analysis must be performed by the FHA Roster Appraiser. A trainee or licensee may accompany the FHA Roster Appraiser on the observations but may not perform the observations in place of the FHA Roster Appraiser.

The FHA Roster Appraiser must select the comparable properties and perform all critical analyses contained in the appraisal report as well as the [Market Conditions Addendum](#) to the appraisal form. The FHA Roster Appraiser must also inspect the subject Property and at least the exterior of the comparable properties.

(2) Required Analysis and Reporting

If another appraiser or trainee appraiser provided assistance or participated in the preparation of the appraisal, the FHA Roster Appraiser must disclose the name of the appraiser or trainee appraiser in the report and their role in developing the appraisal.

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

a. Definitions

Manufactured Housing refers to Structures that are transportable in one or more sections. They are designed to be used as a dwelling when connected to the required utilities, which include the plumbing, heating, air-conditioning and electrical systems contained therein. Manufactured Housing is designed and constructed to the federal Manufactured Home Construction and Safety Standards (MHCSS) as evidenced by an affixed HUD Certification Label. Manufactured Housing may also be referred to as mobile housing, sectionals, multi-sectionals, double-wide, triple-wide or single-wide.

A Manufactured Home refers to a single dwelling unit of Manufactured Housing.

b. Standard

The Appraiser must notify the Mortgagee and report a deficiency of MPR or MPS if a Manufactured Home does not comply with the following:

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

- have a floor area of not less than 400 square feet;
- was constructed on or after June 15, 1976, in conformance with the federal MHCSS, as evidenced by an affixed HUD Certification Label in accordance with [24 CFR § 3280.11](#) (Manufactured Homes produced prior to that date are ineligible for insured financing);
- The Manufactured Home and site exists together as a real estate Entity in accordance with state law (but need not be treated as real estate for taxation purposes);
- was moved from the factory or dealer directly to the site;
- was designed to be used as a dwelling with a permanent foundation built to comply with the [PFGMH](#);
- The finished grade elevation beneath the Manufactured Home or, if a basement is used, the grade beneath the basement floor is at or above the 100-year return frequency flood elevation;
- The Structure is designed for occupancy as a Principal Residence by a single family; or
- The lease meets the requirements of [Valuation of Leasehold Interest](#).

c. Foundation Systems

i. New Construction for Manufactured Housing

(A) Definition

New Construction for Manufactured Housing refers to a Manufactured Home that has been permanently erected on a site for less than one year prior to the case number assignment date.

(B) Standard

The space beneath the house must be enclosed by a continuous foundation type construction designed to resist all forces to which it is subject without transmitting forces to the building superstructure. The enclosure must be adequately secured to the perimeter of the house and be constructed of materials that conform, accordingly, to HUD MPS (such as concrete, masonry or treated wood) and the [PFGMH](#) for foundations.

(C) Required Analysis and Reporting

If the Manufactured Home foundation does not meet the requirements for New Construction, the Appraiser must notify the Mortgagee and report the deficiency of the MPR or MPS.

II. ORIENTATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

ii. Existing Construction for Manufactured Housing

(A) Definition

Existing Construction for Manufactured Housing refers to a Manufactured Home that has been permanently installed on a site for one year or more prior to the case number assignment date.

(B) Standard

If the perimeter enclosure is non-load-bearing skirting comprised of lightweight material, the entire surface area of the skirting must be permanently attached to backing made of concrete, masonry, treated wood or a product with similar strength and durability.

Skirting

Skirting refers to a non-structural enclosure of a foundation crawl space. Typically, but not always, it is a lightweight material such as vinyl or metal attached to the side of the Structure, extending to the ground (generally, not installed below frost depth).

(C) Required Analysis and Reporting

If the Manufactured Home foundation does not meet the requirements for Existing Construction, the Appraiser must notify the Mortgagee and report the deficiency in the MPR or MPS.

d. Running Gear

i. Definition

Running Gear refers to a mechanical system designed to allow the Manufactured Housing unit to be towed over public roads.

ii. Standard

The towing hitch and Running Gear must be removed.

iii. Required Analysis and Reporting

The Appraiser must notify the Mortgagee and report deficiency of MPR or MPS if the Running Gear or towing hitch are still attached to the Manufactured Housing unit.

II. ORIGATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

e. Perimeter Enclosure

i. Standard

The space beneath Manufactured Homes must be properly enclosed. The perimeter enclosure must be a continuous wall that is adequately secured to the perimeter of the unit and allows for proper ventilation of the crawl space.

ii. Required Analysis and Reporting

The Appraiser must notify the Mortgagee and report a deficiency of MPR or MPS if the Manufactured Housing unit is not properly enclosed. The Appraiser must call for repairs or further inspection, if warranted.

f. HUD Certification Label

i. Definition

HUD Certification Label, also known as a HUD seal or HUD tag, refers to a two inch by four inch aluminum plate permanently attached to Manufactured Housing.

ii. Standard

Manufactured Homes must have an affixed HUD Certification Label located at one end of each section of the house, approximately one foot up from the floor and one foot in from the road side, or as near that location on a permanent part of the exterior of the house as practicable. Etched on the HUD Certification Label is the certification label number, also referred to as the HUD label number. Label numbers are not required to be sequential on a multi-section house.

iii. Required Analysis and Reporting

The Appraiser must report the HUD label number for all sections, or report that the HUD Certification Label is missing or that the Appraiser was unable to locate it.

g. Data Plate

i. Definition

Data Plate refers to a paper document located on the interior of the Property that contains specific information about the unit and its manufacturer.

ii. Standard

Manufactured Homes have a Data Plate affixed in a permanent manner, typically adjacent to the electric service panel, the utility room or within a cabinet in the kitchen.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

5. Property Acceptability Criteria for Manufactured Housing for Title II Insured Mortgages

iii. Required Analysis and Reporting

The Appraiser must report the information on the Data Plate within the appraisal, including the manufacturer name, serial number, model and date of manufacture, as well as wind, roof load and thermal zone maps.

If the Data Plate is missing or the Appraiser is unable to locate it, the Appraiser must report this in the appraisal and is not required to secure the Data Plate information from another source.

h. Flood Zone

The Appraiser must stop work and contact the Mortgagee if the Appraiser determines that a Manufactured Home is located in FEMA Flood Zones A or V. The Appraiser may continue to work on the assignment if the Mortgagee provides a Letter of Map Amendment (LOMA) or Letter of Map Revision (LOMR) or flood elevation certification. If the Appraiser is provided with a LOMA or LOMR that removes the Property from the flood zone, the Appraiser does not need to indicate that the Property is in a flood zone. If provided with an elevation certificate, the Appraiser must indicate the Property is in a flood hazard area on the appraisal report.

i. Additions to Manufactured Housing

If the Appraiser observes additions or structural changes to the original Manufacture Home, the Appraiser must condition the appraisal upon inspection by the state or local jurisdiction administrative agency that inspects Manufactured Housing for compliance, or a licensed structural engineer may report on the structural integrity of the manufactured dwelling and the addition if the state does not employ inspectors.

j. Measurement Protocols

The Appraiser must calculate GLA based on the overall length, including living areas and other projections that are at least seven feet in height. The Appraiser must not include bay windows, roof overhangs, drawbars, couplings or hitches in the length and width measurements.

k. Sales Comparison Approach for Manufactured Housing

The Appraiser must include a sufficient number of sales to produce a credible value. The Appraiser must include at least two Manufactured Homes in the comparable sales grid.

l. Estimate of Cost New for Manufactured Housing

The Appraiser must apply the cost approach for New Construction Manufactured Housing.

6. Condominium Projects

6. Condominium Projects

a. Definition

Condominium Project refers to a project in which one-family Dwelling Units are either attached, semi-detached, or detached, or are Manufactured Home units, and in which owners hold an undivided interest in Common Elements.

Common Elements refer to the Condominium Project's common areas and facilities including underlying land and buildings, driveways, parking areas, elevators, outside hallways, recreation and landscaped areas, and other elements described in the condominium declaration.

b. Standard

A Condominium Project must be on the list of [FHA-approved condominiums](#) unless it meets the definition for a Site Condominium.

c. Required Analysis and Reporting

The Appraiser must check if the Condominium Project is on the list of [FHA-approved condominiums](#).

d. Site Condominium

i. Definition

A Site Condominium refers to:

- a Condominium Project that consists entirely of single family detached dwellings that have no shared garages, or any other attached buildings; or
- a Condominium Project that:
 - consists of single family detached or horizontally attached (townhouse) dwellings where the unit consists of the dwelling and land;
 - does not contain any Manufactured Housing units; and
 - is encumbered by a declaration of condominium covenants or a condominium form of ownership.

ii. Required Analysis and Reporting

The Appraiser must report the appraisal on [Fannie Mae Form 1073/Freddie Mac Form 465](#), *Individual Condominium Unit Appraisal Report*.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

7. Valuation of Leasehold Interest

e. Manufactured Housing Condominium Projects

i. Standard

Individual Manufactured Housing units in Condominium Projects are eligible for FHA insurance, on both HECM and forward Mortgages.

ii. Required Analysis and Reporting

The Appraiser must report the appraisal on [Fannie Mae Form 1004C/Freddie Mac Form 70-B](#), *Manufactured Home Appraisal Report*.

In addition to the requirements for analysis and reporting of the Manufactured Home, the Appraiser must inspect the Condominium Project and provide the project information data as an addendum to the appraisal report. Required data includes all data elements as found in the Project Information Section of Fannie Mae Form 1073/Freddie Mac Form 465.

7. Valuation of Leasehold Interest

a. Definition

Leasehold Interest refers to real estate where the residential improvements are located on land that is subject to long-term lease from the underlying fee owner, creating a divided estate in the Property.

Ground Rent refers to the rent paid for the right to use and occupy the land. Improvements made by the ground lessee typically revert to the ground lessor at the end of the lease term.

b. Standard

Eligible Leasehold terms must meet the requirements included in [Leasehold Interest](#).

c. Required Analysis and Reporting

The Appraiser must obtain a copy of the lease from the Mortgagee. The Appraiser must analyze and report the terms of the ground lease, including the amount of the Ground Rent, the term of the lease, if the lease is renewable, if the lessee has the right of redemption (the right to obtain a Fee Simple title by paying the value of the Leased Fee to the lessor, thereby cancelling the Ground Rent), and if the Ground Rent can increase or decrease over the life of the lease term.

The Appraiser must estimate and report the value of the Leasehold Interest using the calculation in the box below. The Appraiser must provide support for the capitalization rate selected.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

8. Additional Appraisal Requirements for 223(e) Mortgages

Calculation of the Leasehold Interest
Formulas:
$\text{Value of Leased Fee} = \text{Ground Rent} / \text{Capitalization Rate}$
$\text{Value of Leasehold} = \text{Value of Fee Simple} - \text{Value of Leased Fee}$

In valuing the Leasehold Interest, the Appraiser must apply the appropriate techniques to each of the approaches to value included in the analysis.

- In the cost approach, the value of the land reported must be its Leasehold Interest.
- In the GRM income approach, the sales used to derive the GRM factor must be based on properties under similar Ground Rent terms (or be adjusted to similar Ground Rent terms).
- In the sales comparison analysis, the comparable sales must be adjusted for their lack of similarity to the subject in the “Ownership Rights” section of the sales adjustment grid.

8. Additional Appraisal Requirements for 223(e) Mortgages

Section 223(e) is a mortgage insurance program for Properties located in older, declining urban areas. The program allows for the acquisition, repair, and/or renovation or construction of a residential Property.

The Appraiser must provide a remaining physical life in addition to the remaining economic life if the Mortgagee orders an appraisal for a Property to be insured under the 223(e) program.

9. Unimproved Property Appraisal

a. Definition

Unimproved Property Appraisal refers to the valuation of an interest in land without human made Structures.

b. Standard

An Unimproved Property Appraisal may be warranted when:

- the Property does not include building improvements;
- the prior improvements on the Property were demolished;
- the improvements are in such deteriorated condition as to provide no Contributory Value to the Property; or
- condemnation proceedings by the local authority have acquired the improvements in part or in their entirety.

c. Required Analysis and Reporting

The Appraiser must provide a written narrative format or a commercially available reporting form. The appraisal report must include, at minimum, the following:

- property address;

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

10. Update of Appraisal

- legal description;
- owner of record;
- occupancy;
- assessment and tax information;
- property rights appraised;
- site size;
- zoning;
- highest and best use;
- shape;
- topography;
- drainage;
- availability of utilities;
- if it is located within a FEMA-designated SFHA;
- a sales grid, including:
 - detailed information on at least three comparable sales;
 - a quantitative comparison of those property attributes to the subject; and
 - a comparison of the number of comparable unimproved properties sold with the number of offered and listed for sale to determine supply and demand, absorption rate, and other market data required so that the report is not misleading;
- certification and limiting conditions as included in the *URAR*, [Fannie Mae Form 1004/Freddie Mac Form 70](#); and
- any other forms and documentation necessary to comply with USPAP Standard 2.

When completing the sales grid, the Appraiser must compare and appropriately adjust the sales of comparable unimproved building lots or sites for differences in location, size, zoning, utility connection or availability of utility connection, site improvement and any other pertinent factors. The Appraiser must then reconcile the adjusted sales into a value conclusion.

The Appraiser must calculate and extract any costs to be incurred from razing the existing improvements and cleaning up the site from the value of the supporting land to arrive at a final conclusion of value of the site as if vacant and ready to be put to its highest and best use.

10. Update of Appraisal

Appraisers may perform an update of a previously completed appraisal using the [Fannie Mae Form 1004D/Freddie Mac Form 442/March 2005](#) when requested by the Mortgagee.

The Appraiser must adhere to the Scope of Work and Appraiser's Certification listed on the form, which includes an exterior inspection of the subject Property from, at least, the street; and research, analyze and verify current market data to determine whether the Property has or has not declined in value since the effective date of the appraisal report being updated.

If the Appraiser concurs with the original appraisal report and determines that the value has not declined, the Appraiser must indicate this on the form, provide any necessary comments, and

provide a photo of the front of the subject Property taken from the public street. If the Appraiser does not concur with the original data report or the Property Value has declined, the Appraiser must indicate this on the form and a photo is not required.

11. Market Conditions Addendum, Fannie Mae Form 1004MC/Freddie Mac Form 71, Instructions Applicable to FHA Appraisals

a. Standard

The Appraiser must complete the [Fannie Mae Form 1004MC/Freddie Mac Form 71](#), *Market Conditions Addendum to the Appraisal Report*, for all appraisal assignments. The analysis and valuation of FHA-insured Properties must properly analyze and address market trends in the subject's market. Whether these trends are positive, neutral or negative, proper data collection and reporting are imperative components of a complete market conditions analysis; this is most important where markets are demonstrating negative trends.

b. Required Analysis and Reporting

The Appraiser must analyze the broad market area first (neighborhood analysis), then analyze the specific market (direct sales comparison), and then report how the subject relates to its market area.

The Appraiser must provide support for conclusions regarding housing trends and overall market conditions as reported in the "Neighborhood" section of the appraisal report form. The Appraiser's analysis and conclusions must be based on the information reported on this form. The Appraiser's study of the market affecting the subject Property must include sufficient data for a statistical analysis to be relevant.

The Appraiser must fill in all the information to the extent it is available and reliable and must provide analysis as indicated. If any required data is unavailable or is considered unreliable, the Appraiser must provide an explanation. It is recognized that not all data sources will be able to provide data for the shaded areas on the form; if it is available, however, the Appraiser must include the data in the analysis.

If data sources provide the required information as an average instead of the median, the Appraiser must report the available figure and identify it as an average. The Appraiser must explain any anomalies in the data, such as seasonal markets, New Construction, foreclosures, etc.

12. Programs and Products - Section 248 Indian Land Program

12. Programs and Products

a. Section 248 Indian Land Program

i. Property Rights to be Appraised

The Appraiser must identify the interest to be appraised based on the type of ownership.

(A) Fee Simple Unrestricted

Fee Simple Unrestricted ownership refers to ownership in Real Property that may be bought, sold and transferred between Native American and non-Native American purchasers without review by the tribe or the Bureau of Indian Affairs (BIA).

(B) Tribal Trust Lands, Restricted Trust Land

(1) Standard

The FHA Section 248 program insures Mortgages on houses that are located on Indian tribal trust land or Restricted Trust Lands. For these Properties, leased ownership of the underlying land remains with the tribe and will be subject to a long-term, 50-year ground lease (or a 25-year lease with a 25-year renewable term).

(2) Required Analysis and Reporting

The Appraiser must determine the value for the Leasehold Estate using the analysis and reporting guidance on [Leasehold](#) in this *SF Handbook*.

ii. Access to Property

Tribally owned and maintained streets and utilities are considered publicly owned. The Appraiser must report Easements and maintenance agreements for non-public, common ownership interests that affect the access and utility of the Property.

iii. Approaches to Value

The Appraiser must be familiar with the applicable ownership and use restrictions and develop a credible value for the Property. The supply of comparable sales and rental transactions varies by site and by tribe. Until sufficient sales exist on a reservation or within the specific Indian area to provide a reasonable sales comparison approach for determining the value of tribal trust Leaseholds or allotted land sales, the Appraiser must rely on other value indicators. The appraisal process must be documented more thoroughly than a typical market appraisal. USPAP Standards #1 and #2 are effective in allowing the Appraiser to “correctly employ those recognized methods and techniques that are necessary to produce a credible appraisal.” In addition, “in reporting the results of a Real Property appraisal an appraiser must communicate each analysis, opinion and

conclusion in a manner that is not misleading.” An appraisal on trust land may rely more on the cost approach or data developed from other tribes. HUD will accept the report if the Appraiser has documented the research, information developed and conclusions clearly for the intended users to understand.

iv. Cost Approach to Value

The cost approach is often the primary indication of value based on the unique nature of land rights in the reservation. The value of the site as vacant will depend on the property rights held by an individual. If the Appraiser’s analysis indicates that the value of the site may be zero or a small Leasehold value, the Appraiser must enter this information in the “Cost Approach” section of the form and enter the statement “subject is on Tribal Trust Land with annual rent not capitalized” in the “Comments” section. If a market exists and an interest in the land was purchased, the value is estimated via traditional [cost approach methods](#) described in this *SF Handbook*.

(A) Cost Approach for New Construction

The following are instructions specific to New Construction on tribal lands.

In addition to including the cost of water, septic, and any other onsite costs in the cost approach, for lands within the reservation the Appraiser may provide an allowance for off-site development costs. The lesser of actual pro-rated costs or up to 15 percent of the cost of the construction of the subject house may be added for off-site infrastructure associated with development of the subject lot. This policy applies principally to New Construction where such charges are assessed by tribally approved entities, such as housing entities or housing authorities, or agreements with other federal or local government bodies for providing power, utilities, sewer, water or road construction. The costs to bring utilities, including public water, sewer, electricity and telephone, to sites represent significant development costs. The traditional tract development of residential houses may not be a part of the local culture. Therefore, the utility costs to hook up to any form of a public system in a more rural area can exceed local standards.

In remote areas, the construction costs in construction cost manuals may have to be adjusted for transportation, labor or other costs not included in the basic estimate. Architect fees are not typically reflected in the base building costs. Due to special circumstances, the normal allocation for this fee may not automatically reflect the above actual cost. The Appraiser must provide a supporting explanation for the adjustments to the construction costs.

(B) Cost Approach for Existing Construction

Where market sales are limited, FHA requires the cost approach to be completed on all tribal trust appraisals, including a credible estimate of depreciation. In addition to developing the [cost approach](#) described in this *SF Handbook* the Appraiser must report the following:

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - Section 248 Indian Land Program

1. the name of the cost service;
2. the source and date, if electronic version. Upload as an exhibit into the report when available;
3. the page numbers of cost tables or factors, if paper version. The reviewer or reader must be able to replicate;
4. all current multipliers applicable to locale and time as updated and published by the cost service used; and
5. depreciation due to normal aging, which may be derived from the tables in the cost service book.

A computer-generated cost analysis is acceptable in place of the above as long as the printout contains sufficient information to verify that all significant property features have been properly addressed in the cost analysis.

v. Sales Comparison Approach to Value

The Appraiser must follow the [sales comparison approach](#) instructions outlined in this *SF Handbook*. In addition to the typical data sources the Appraiser must obtain sales information from the local tribal or BIA realty office if available. The Appraiser may consider sales from other reservations within the region if appropriate.

The order of selection preferences for sales depends upon the type of interest in the land being appraised:

- tribal trust Leasehold sales (market sales between tribal members);
- sales of allotted land trust between tribal members;
- Fee Simple within the reservation (residual value of the improvements by adjusting out the land contribution); or
- Fee Simple proximate to the reservation.

The Appraiser must report the property rights in the “Ownership” line of the grid and apply an appropriate adjustment (if any). In addition, the Appraiser must explain the differences in ownership rights of the comparable properties as compared to the subject, and the basis for any adjustment.

vi. Income Approach to Value

If the Appraiser determines that this approach can be credibly completed, refer to the [Income Approach](#) section in this *SF Handbook*. If the Property includes a rental unit(s), the Appraiser must provide an estimate of monthly rent for each unit and note if the rent is limited to the tribal sub-market.

vii. Final Reconciliation of Value

The Appraiser must follow the [final reconciliation of value](#) instructions outlined in this *SF Handbook*. Where market information is limited and the support for the sales comparison analysis is weaker, the Appraiser may need to place greater consideration on the cost approach.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - Section 247 Hawaiian Home Lands Program

b. Section 247 Hawaiian Home Lands Program

Due to the nature of the title and property rights, the Appraiser must develop the cost for both Existing and Proposed Construction. When appropriate, the Appraiser must attempt to apply the income and sales comparison approaches.

The Appraiser must include the following language in the Appraiser report: *“The value defined for this appraisal is not ‘Market Value’ as defined in the standard documents of form appraisal reports. This appraisal has been completed for FHA mortgage insurance purposes, per HUD instructions for Department of Hawaiian Home Lands (DHHL) properties.”*

The Appraiser must develop a cost approach from a published cost service in addition to developing the [cost approach](#) described in this SF Handbook. The Appraiser’s report must include:

- photocopies of all pages used to derive the cost figures, except as noted below;
- application of all current multipliers necessary and published by the cost service;
- no marketing expense to the cost analysis of a DHHL property appraisal because these Properties are not freely marketable;
- entrepreneurial venture may only be included if reasonable profit and overhead are not already included in all costs;
- depreciation due to normal aging, which may be derived from the tables in the cost service book. Depreciation from incurable external or functional obsolescence should be based on verifiable market extractions, by paired-sales analysis and capitalized rent loss.

The Appraiser must include a computer-generated cost analysis as long as the printout conforms to the format of the cost service form and contains sufficient information to verify that all significant property features have been properly addressed in the cost analysis. Accordingly, the Appraiser will not be required to supplement a computer-generated cost analysis with photocopies from the cost service book.

c. Standard 203(k) and Limited 203(k) Rehabilitation Mortgages

The Appraiser may be asked to perform two separate types of valuation by the Mortgagee for Standard 203(k) and Limited 203(k) Rehabilitation Mortgages. The Mortgagee may order both reports from the same Appraiser or select two different Appraisers for the two valuation assignments.

If a Mortgagee requires both an as-is and an after-improved value of the Property, the case will require two separate appraisal assignments and reports:

- an analysis to provide the as-is value; and
- a separate analysis performed under the hypothetical condition that the repairs have been completed.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - Standard 203(k) and Limited 203(k) Rehabilitation Mortgages

i. Appraisal of the Property “As Is”

(A) Standard

Assignment conditions for this appraisal are the same as in all FHA appraisal assignments, except that the value of the Property is to be estimated “as is” even though the Property may not meet the Property Acceptability Criteria required for FHA-insured Properties.

(B) Required Analysis and Reporting

The Appraiser must provide an analysis and report of the value of the subject Property “as is.” If the Appraiser observes property conditions that do not meet the Property Acceptability Criteria, the Appraiser must report those items or conditions and note that the Property, in its “as is” condition, does not meet the Property Acceptability Criteria for an FHA-insured Mortgage. This appraisal must not be rendered “subject to repairs.”

ii. After Improved Value of the Property

(A) Definition

After Improved Value refers to the value as determined by the Appraiser based on a hypothetical condition that the repairs or alterations have been completed.

(B) Standard

The Appraiser must provide an “After Improved Value.” The Appraiser must make the appraisal “subject to the following repairs or alterations on the basis of a hypothetical condition that the repairs or alterations have been completed.”

(C) Required Analysis and Reporting

The Appraiser must review the 203(k) Consultant’s Work Write-Up or the contractor’s proposal and Cost Estimates. The Appraiser must notify the Mortgagee of any health and safety issues in the Property that are not addressed in the Work Write-Up or proposal. When the Consultant or contractor has modified the Work Write-Up or proposal, the Appraiser must complete the appraisal based on the final Work Write-Up or the contractor’s final proposal and Cost Estimates.

The Appraiser must include the Work Write-Up or proposal as an exhibit to the appraisal report.

12. Programs and Products - Special Energy-Related Building Components

d. Special Energy-Related Building Components

i. Special Energy Components

(A) Definition

A Special Energy System refers to any addition, alteration, or improvement to an existing or new Structure that is designed to utilize wind, geothermal or solar energy to produce energy to support the habitability of the Structure.

(B) Standard

Active, passive and photovoltaic solar energy systems are permitted in this program. Solar collectors must be located where they will be free from natural or man-made obstructions to the sun. Special Energy Systems not part of the real estate must not be included in the appraised value.

(C) Required Analysis and Reporting

The Appraiser must analyze and report the local market acceptance of special energy-related building components and equipment, including solar energy components, high-energy efficiency housing features and components, geothermal systems, and wind powered components.

ii. Other Energy Related Building Components

(A) Definition

Other Energy Related Building Components refer to components in the Property designed to reduce energy requirements.

(B) Required Analysis and Reporting

The Appraiser must note which features are installed in a house and calculate how each component affects the value of the Property.

iii. Measurement and Reporting of Contribution to Value

(A) Definition

Contributory Value refers to the change in the value of a Property as a whole, whether positive or negative, resulting from the addition or deletion of a property component.

(B) Standard

Measurement of the Contributory Value of the component is accomplished by the application of techniques based on one or more of the recognized three approaches to value: cost approach, income approach, and sales comparison approach. Each of these

recognized methods and techniques requires the Appraiser to collect, verify, and analyze all information necessary for credible assignment results.

(C) Required Analysis and Reporting

The Appraiser must apply all appropriate methods and techniques necessary for credible assignment results.

(D) Sales Comparison Based Extraction Method

If there is sufficient data based on direct sales comparison to produce credible results, the Appraiser must calculate the adjustment and explain the methodology and analysis supporting the method and results in the appraisal report. The Appraiser must apply the extracted adjustment to the comparable sales and include the reasoning that supports the analyses, opinions, and conclusions in the report.

If there is insufficient data to perform a matched pairs analysis the Appraiser must analyze and report one of the approaches below to calculate an appropriate adjustment.

(E) Cost Approach Based Method

The Appraiser must include the details of the item(s) being valued and measure the Contributory Value of the component(s) to the whole by calculating the cost of the item less accrued depreciation. The Appraiser must include consideration of physical depreciation, functional obsolescence (including superadequacies) and external obsolescence in the estimate of accrued depreciation and apply the resulting calculation of the Contributory Value to the comparable sales.

(F) Income Approach Based Methods

(1) Gross Rent Multiplier Method

If the Property is located in a market where the Appraiser can calculate a GRM, and rental data for properties with similar special energy components is available, the Appraiser must extract an adjustment relevant to the rental value of the feature from the analysis of those similar rentals and apply the appropriate GRM factor to calculate an adjustment for the comparable sales.

(2) Net Income/Savings Capitalization Method

The Appraiser may use an income approach solution based on capitalization of savings attendant to the alternative energy source. The Appraiser may estimate the present value of the future benefit using the discounted cash flow technique or commercially available tools; however, the Appraiser must be competent to use them and provide an explanation of the analysis.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - Special Energy-Related Building Components

(G)Reconciliation of the Approaches

The Appraiser may elect to utilize some of the tools and training available from professional organizations and energy-related firms. The Appraiser must provide a credible analysis and reconciliation explaining the methodology and support for the adjustment.

As related to special building components, the Appraiser must provide an analysis of the information and conclusions supporting the application of adjustments.

The Appraiser must reconcile all the methods utilized and resolve to a final opinion of the adjustment, analyzing both the quantity and quality of available data.

iv. Property Assessed Clean Energy

(A)Definition

Property Assessed Clean Energy (PACE) refers to programs that may provide an alternative means of financing energy and other PACE-allowed improvements for residential Properties using financing provided by private enterprises in conjunction with state and local governments. Generally, the repayment of the PACE obligation is collected in the same manner as a special assessment tax is collected by the local government, rather than paid directly by the Borrower to the party providing the PACE financing.

Generally, the PACE obligation is also secured in the same manner as a special assessment tax against the Property. In the event of a sale, including a foreclosure sale, of the Property with outstanding PACE financing, the obligation will continue with the Property causing the new homeowner to be responsible for the payments on the outstanding PACE amount. In cases of foreclosure, priority collection of delinquent payments for the PACE assessment may be waived or relinquished.

(B) Required Analysis and Reporting

The Appraiser must review the sales contract and property tax records for the Property to determine the amount of any outstanding PACE obligation:

- if the Mortgagee notifies the Appraiser that the subject Property is subject to a PACE obligation;
- when the Appraiser observes that the property taxes for the subject Property are higher than average for the neighborhood and type of dwelling; or
- when the Appraiser observes energy-related building components or equipment or is aware of other PACE-allowed improvements during the inspection process.

The Appraiser must report the outstanding amount of the PACE obligation for the subject Property.

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - HUD Real Estate Owned Properties

Where energy and other PACE-allowed improvements have been made to the Property through a PACE program, the Appraiser must analyze and report the impact on the value of the Property from the PACE-related improvements subject to the PACE assessments being extinguished.

e. HUD Real Estate Owned Properties

i. Definition

A HUD REO Property, also known as a HUD home or a HUD-owned home, refers to a one- to four-unit residential Property acquired by HUD as a result of a foreclosure on an FHA-insured Mortgage or other means of acquisition, whereby the Secretary of HUD becomes the property owner and offers it for sale to recover the mortgage insurance claim that HUD paid to the Mortgagee.

ii. Standard

An appraisal may be ordered on a HUD REO Property as one of one or more evaluation tools to establish list price or subsequent price adjustments.

(A) Assignment Type

Under “Assignment Type” in the “Subject” section of the appraisal reporting form, the Appraiser must mark the box labeled “other” and indicate that the Property is a HUD REO Property.

(B) Intended Use of Appraisal

The intended use of the appraisal for a HUD REO Property is as one of one or more evaluation tools to establish list price or subsequent price adjustments.

(C) Intended User

The intended user of an appraisal of a HUD REO Property is HUD/FHA or its contractors.

iii. Required Analysis and Reporting

(A) Appraiser’s Inspection

The Appraiser must inspect the interior and exterior of the Property. The Appraiser must describe any differences found between the information contained in the Property Condition Report (PCR) and the Appraiser’s observations. The Appraiser must support this description with photographs when warranted.

II. ORIGINATION THROUGH POST-CLOSING/ENDORSEMENT

D. Appraiser and Property Requirements for Title II Forward and Reverse Mortgages

12. Programs and Products - HUD Real Estate Owned Properties

(B) Utilities - Mechanical Components

If the utilities are off at the time of inspection, the Appraiser must ask to have them turned on and complete all requirements under [Mechanical Components](#). However, if it is not feasible to have the utilities turned on, then the appraisal must be completed without the utilities turned on or the mechanical systems functioning.

(C) Sales Comparison Approach, Use of Real Estate Owned Sales as Comparable Sales

When considering sales to be utilized as comparables, the Appraiser must note the conditions of the sale and the motivation of the sellers and purchasers.

In some markets, non-arm's length sales constitute the majority of recent transactions of similar properties and thus are significant in the analysis of the subject. This assignment is to estimate Market Value, so REO sales, short sales and other non-arm's length transactions must not automatically be chosen as comparables. If there is compelling evidence in the market to warrant their use, the Appraiser must provide additional explanation and support in the "Analysis" section of the sales comparison approach.

Transfers to a Mortgagee or Entity that owns the Mortgage by deed of trust, through foreclosure sale or sheriff's sale, are not acceptable as comparable sales.

Appraisers must exercise due diligence and care in the research and validation of REO sales to ensure similarity to the subject, especially in physical condition.

(D) Appraisal Conditions

The Appraiser must provide an analysis and report of the value of the subject Property "as is." The appraisal report must include the applicable property specific appraisal reporting form, all required exhibits, and a copy of the PCR.

For Manufactured Housing, the Appraiser must **not** require a certification that the foundation complies with the PFGMH.

(E) Extraordinary Conditions

The as-is value can be impacted by extraordinary conditions. If the Property has an illegal use or an extraordinary condition, the Appraiser must estimate the cost to bring the Property into compliance with zoning or typical marketability. The Appraiser must report whether any grandfathered use is allowed. The Appraiser may contact the Asset Management (AM) contractor for guidance and clarification when appraising a HUD home that is impacted by extraordinary circumstances.

(1) Insurable

The Appraiser must state that the Property is insurable if, at the time of the appraisal, the Property meets MPR and MPS without needing repairs.

(2) Insurable With Repair Escrow

If the Property requires no more than \$10,000 in repair, the Appraiser must state that the Property is insurable with a repair escrow.

(3) Uninsurable

If the cost of repairs is greater than \$10,000, the Appraiser must state that the Property is uninsurable.

(G) Submitting the Appraisal

The submission of the appraisal report and data is uploaded in HUD’s P260 web-based internet portal or subsequent system.

The Appraiser must obtain a completed copy of the PCR from the contractor and submit the PCR with the appraisal report.

(H) Claims Without Conveyance of Title Properties

(1) Assignment Type

Under “Assignment Type” in the “Subject” section of the appraisal reporting form, the Appraiser must mark the box labeled “other” and indicate that the Property is a HUD Claims Without Conveyance of Title (CWCOT) Property.

(2) Intended Use of Appraisal

The intended use of the appraisal is to develop the as-is Market Value, which is a Mortgagee’s tool for calculating the Commissioner’s Adjusted Fair Market Value (CAFMV) ([24 CFR § 203.368](#)).

(3) Intended User

FHA is the intended user of a CWCOT appraisal.

(4) Appraiser's Inspection

The Appraiser must inspect the interior and exterior of the Property. If the Appraiser cannot enter the Property, the Appraiser may perform the valuation based on an exterior-only inspection on the [Fannie Mae Form 2055/Freddie Mac Form 2055](#), *Exterior-Only Inspection Residential Appraisal Report*, dated March 2005, or the [Fannie Mae Form 1075/Freddie Mac Form 466](#), *Exterior-Only Inspection Individual Condominium Unit Appraisal Report*, for a condominium Property. The Appraiser must indicate that the Property could not be entered and identify the sources of the factual property data employed by the Appraiser in determining the value.

(5) Appraisal Conditions

CWCOT Properties are to be appraised “as is,” in the condition as it exists on the effective date of the appraisal. The value to be determined is Market Value. The Appraiser must provide an analysis and report of the value of the subject Property “as is.”

Under “Reconciliation” in the “This appraisal is made” segment, the Appraiser must mark the box labeled “as is.”

(I) Pre-Foreclosure Sale Program

(1) Assignment Type

Under “Assignment Type” in the “Subject” section of the appraisal reporting form, the Appraiser must mark the box labeled “other” and indicate that the Property is a HUD Pre-Foreclosure Sale (PFS) Property.

(2) Intended Use of Appraisal

The intended use of the appraisal is to develop the as-is Market Value, which is a Mortgagee's tool for determining the list price of a HUD PFS Property ([24 CFR § 203.370](#)).

(3) Intended User

FHA is the intended user of a PFS appraisal.

(4) Sales Comparison Approach

Sales selection requirements for PFS are the same as the [sales comparison approach](#) in the REO section of this *SF Handbook*.

iv. Appraisals for HUD Real Estate Owned Properties Purchased With a New FHA-insured Mortgage

A new appraisal must be prepared for all transactions involving the purchase of a HUD REO Property with a new FHA-insured Mortgage. The appraisal must be prepared in accordance with the requirements of [HUD Real Estate Owned Properties](#) except as noted.

(A) Property Meets HUD’s MPR

If the appraisal reveals that the Property meets HUD’s MPR, the Appraiser must complete the appraisal report “as is.”

(B) Property Requires Repairs

If the appraisal reveals that the Property requires repairs in order to meet HUD’s MPR, the Appraiser must provide an estimate of the cost to cure and complete the report “Subject to the following repairs or alterations on the basis of the hypothetical condition that the repairs or alterations have been completed.”

13. Mixed Use One- to Four-Unit Single Family Properties

a. Definition

Mixed Use refers to a Property suitable for a combination of uses including any of the following: commercial, residential, retail, office or parking space.

b. Required Analysis and Reporting

The Appraiser must include all components of the real estate in the analysis. The Appraiser must not include business valuation or the value of Personal Property or business fixtures in the appraisal.

The Appraiser must provide measurements and calculations of the building area on the building sketch to show what portion of the Property is allocated to residential use, and what portion is allocated to non-residential use.

The Appraiser must provide a statement as to whether the commercial use will or will not affect the health and safety of the occupants of the residential Property.

i. Receipt of Payments

The Mortgagee must either use a Trust Clearing Account or special custodial account to hold all payments on the insured Mortgage.

The Mortgagee's Trust Clearing Account may be used for collections received on all types of Mortgages. If a Trust Clearing Account is not used, the Mortgagee must immediately transfer payments into a special custodial account.

ii. Application of Payments

Mortgagees using special custodial accounts must withdraw an amount equal to the principal, interest, and service charges within 30 Days after deposit and post to the Borrower's records accordingly.

The Mortgagee must apply Borrower payments in the following order:

An Advance Full Monthly Payment is the payment of an amount larger than the full monthly payment, equaling an additional full monthly payment.

(B) Standard

The Mortgagee must apply Partial Prepayments as requested by the Borrower as either:

- advance full monthly payments; or
- additional payments toward reducing principal and future monthly payments.

In the event that the Borrower does not specify how the Partial Prepayment should be applied, the Mortgagee should communicate with the Borrower to determine the method of application or apply the payment in a manner previously communicated to the Borrower.

If the Borrower elects to have Partial Prepayments equal to a full monthly payment applied as an advance full monthly payment, the Mortgagee must allow the Borrower to skip an equal number of installments in the future without creating a mortgage Default or incurring a Late Charge.

v. Prepayment

(A) Definitions

A Partial Prepayment is a payment of part of the principal amount before the date on which the principal is due.

A Payoff or Prepayment in Full is the payment in whole of the principal amount of the mortgage Note in advance of expiration of the term of the mortgage Note.

(C) Prepayment Procedures

(1) Mortgages Closed On or After January 21, 2015

The Mortgagee must accept a prepayment on a Mortgage closed on or after January 21, 2015, at any time and in any amount. The Mortgagee must calculate the interest as of the date the prepayment is received, not as of the next Installment Due Date.

(2) Mortgages Closed Before January 21, 2015

(a) Mortgages Insured On or After August 2, 1985

The Mortgagee must accept a prepayment on a Mortgage insured on or after August 2, 1985 and closed before January 21, 2015, if the Borrower prepays the Mortgage in full on the first Day of any month in the term of the Mortgage.

If prepayment is offered on a day other than the Installment Due Date, the Mortgagee may:

- refuse to accept the prepayment until the first Day of the next month; or
- accept the prepayment and require the payment of interest to the first Day of the next month. For Prepayment in Full, this option may only be used if the Mortgagee has provided the [Payoff Disclosure](#) to the Borrower.

(b) Mortgages Insured Prior to August 2, 1985

(i) Definitions

Notice of Intent to Prepay refers to the advance notice that Borrowers on Mortgages insured before August 2, 1985 must provide in order to prepay their FHA-insured Mortgages in full without penalty.

(ii) Standard

The Mortgagee must accept prepayment on a Mortgage insured prior to August 2, 1985, if the Borrower:

- submits to the Mortgagee a Notice of Intent to Prepay at least 30 Days prior to the prepayment; and
- prepays the Mortgage in full on the first Day of any month in the term of the Mortgage.

If a prepayment is offered on a day other than the Installment Due Date, the Mortgagee may:

- refuse to accept the prepayment until the first Day of the month following the expiration of the 30-Day Advance Prepayment Notice Period; or
- accept prepayment and require the payment of interest to the first Day of the month following the expiration of the 30-Day Advance Prepayment Notice Period. For Prepayment in Full, this option may only be used if the Mortgagee has provided the Payoff Disclosure to the Borrower.

(iii) Borrower's Notice of Intent to Prepay

For Mortgages insured prior to August 2, 1985, the Borrower must send and the Mortgagee must receive the Borrower's Notice of Intent to Prepay at least 30 Days prior to prepayment.

If the Borrower submits a prepayment without previously sending a Borrower's Notice of Intent to Prepay, the Mortgagee may consider receipt of the prepayment as the Borrower's Notice of Intent to Prepay.

The Mortgagee may choose to:

- provide a Payoff Disclosure, enabling the Mortgagee to:
 - defer acceptance of prepayment until the first Day of the month following the date prepayment is tendered; or
 - accept the prepayment and require the payment of interest to the first Day of the month following the date prepayment is tendered; or
- accept the prepayment on the date tendered, which limits the Mortgagee's collection of interest to that prepayment date.

(iv) Effective Dates for Notice of Intent to Prepay

The effective date of the Notice of Intent to Prepay is the date that the Notice was received by the Mortgagee, unless the Borrower can produce documentation showing that the Notice was received earlier. The 30-Day Advance Prepayment Notice Period required for Mortgages insured prior to August 2, 1985, begins on this date of receipt.

When the Installment Due Date falls on a non-business day, the Mortgagee must consider a Borrower's Notice of Intent to Prepay or the receipt of the prepayment amount for a Mortgage closed before January 21, 2015 timely if received on the next business day.

(3) Payoff Disclosure Requirements

When notified of the Borrower's intent to prepay, the Mortgagee must send the [Payoff Disclosure](#) and copy of the payoff statement directly to the Borrower, even if the Mortgagee is dealing with an Authorized Third Party.

The Mortgagee will forfeit any interest collected after the date of prepayment if these disclosure requirements are not met.

(D) Trustee's Fee for Satisfactions

If specifically provided for in the security instrument, the Mortgagee may charge the Borrower the amount of the trustee's fee, plus any reasonable and customary fee for payment, or for the execution of a satisfaction, release or trustee's deed when the debt is paid in full.

(E) Recording Fees for Satisfactions

The Mortgagee may charge the Borrower a reasonable and customary fee for recording satisfactions in states where recordation is not the responsibility of the Mortgagee.

- within the [maximum amount allowed by HUD](#).

(B) Requests for Approval for Other Fees or Charges

The Mortgagee may request approval from the National Servicing Center (NSC) for any fee, charge, or unusual service not specifically mentioned in this *SF Handbook*. The Homeownership Center (HOC) will determine the maximum amount of any fee based on what is reasonable and customary in the area.

(C) Prohibited Fees and Charges

The Mortgagee must not charge the Borrower for the following services:

- costs of telephone calls, telegrams, personal visits with the Borrower, certified mail, or other activities that are normally considered a part of a prudent Mortgagee's servicing activity;

- preparing and providing evidence of Payoff, Reconveyance, or termination of the Mortgage;
- providing information essential to the Payoff;
- recording the Payoff of the Mortgage in states where recordation is the responsibility of the Mortgagee; or
- fees for services performed by attorneys or trustees who are salaried members of the Mortgagee's staff.

iii. Required Documentation

- that clearly identifies the type of funds being held in that account; and
- the Mortgagee may maintain a "cushion" that may not be increased beyond what is acceptable under RESPA regulations.

Mortgagees utilizing a Trust Clearing Account must withdraw the portion that is to be applied to escrows within 48 hours of the deposit and must transfer the portion to the escrow account for the Borrower's Mortgage.

The Mortgagee must retain any escrow surplus discovered when performing the annual escrow account analysis for a Delinquent Mortgage pursuant to the terms of the mortgage documents and federal law and regulation, including RESPA.

When making payments from escrow accounts, Mortgagees must:

- send payment directly to the billing agency or the taxing authority, or as otherwise directed by state or local law;
- request a bill from the billing agency if a bill has not been received within a reasonable amount of time before the payment due date;
- contact the Borrower, if necessary, to obtain the bill or the information needed to pay such bills if a bill is not received within a reasonable amount of time before the known payment due date; and

(ii) Life Insurance and Disability Insurance

Mortgagees may not deposit premiums for life or disability insurance coverage in the same bank accounts as other escrow payments.

The Mortgagee must maintain separate records for these life or disability insurance coverage payments.

HUD does not require Mortgagees to itemize the Borrower's monthly contribution for life or disability coverage on payment coupons.

(b) Required Documentation

The Mortgagee must note on the initial and annual escrow statements any Borrower's discretionary payment made as part of a monthly Mortgage Payment for optional policies.

ii. Standard

The Mortgagee must remit one-twelfth of the annual MIPs each month to HUD, regardless of whether it was received from the Borrower. The Mortgagee can access the Advance Premium Notice and case-level billing information in FHAC to determine monthly collections of MIPs after the first premium year.

The Mortgagee must remit MIPs in accordance with the original amortization schedule. For refinances, the Mortgagee must remit MIPs on the Mortgage being paid off through the month in which that Mortgage is paid in full.

k. Mortgage Insurance Premium Cancellation and Termination

i. Definition

MIP Cancellation is the ending of MIP payments on an FHA-insured Mortgage closed on or after January 1, 2001, and assigned a case number before June 3, 2013.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

1. Servicing of FHA-Insured Mortgages

ii. Standard

The policies in this section apply only to FHA-insured Mortgages that:

- closed on or after January 1, 2001; and
- have a case number assignment before June 3, 2013.

HUD automatically cancels FHA MIPs under the conditions set forth below. The Loan-to-Value (LTV) ratio is based on the principal balance excluding Upfront MIP (UFMIP). The FHA contract of insurance remains in force for the Mortgage's full term, unless otherwise terminated.

HUD will not consider new appraised values in calculating if the Borrower has reached the required LTV ratio necessary for annual MIP cancellation.

HUD bases the cancellation of the annual MIP on the initial amortization schedule. In cases where Mortgage Payments have been accelerated or modified, HUD may base cancellation on the actual amortization of the Mortgage as provided to HUD by the servicing Mortgagee.

(A) Mortgage Term of More Than 15 Years

For Mortgages with terms more than 15 years, HUD automatically cancels the annual MIP when the LTV ratio reaches 78 percent of the lesser of the initial sales price or appraised value at origination, provided the Borrower has paid the annual MIP for at least five years.

(B) Mortgage Term 15 Years or Less and LTV Ratio of Greater than 90 Percent with Case Numbers Assigned on and after July 14, 2008, and Before June 3, 2013

HUD automatically cancels the annual MIP when the LTV ratio reaches 78 percent of the lesser of the initial sales price or appraised value at origination regardless of the length of time the Borrower has paid the annual MIP for Mortgages that:

- have terms 15 years or less;
- have a case number assigned on and after July 14, 2008, and before June 3, 2013; and
- have LTV ratios greater than 90 percent.

(C) Mortgage Term 15 Years or Less and LTV Ratio of 90 Percent and Greater, Closed on or after January 1, 2001, and with Case Numbers Assigned before July 14, 2008

HUD automatically cancels the annual MIP when the LTV ratio reaches 78 percent of the lesser of the initial sales price or appraised value regardless of the length of time the Borrower has paid the annual MIP for Mortgages that:

(D) Mortgage Term 15 Years or Less and LTV Ratio Greater than 78 percent but Equal or Less Than 90 Percent

HUD automatically cancels the annual MIP when the LTV ratio reaches 78 percent of the lesser of the initial sales price or appraised value at origination regardless of the length of time the Borrower has paid the annual MIP for Mortgages that:

- have terms 15 years or less;
- have case numbers assigned on or after April 18, 2011; and
- have LTV ratios of greater than 78 percent but equal to or less than 90 percent.

HUD does not charge annual MIP for Mortgages that:

- have terms 15 years or less; have a case assigned on or after April 18, 2011, but before June 3, 2013; and have LTV ratios of 78 percent or less;
- have terms 15 years or less; have a case number assigned on or after July 14, 2008 but before April 18, 2011; and have LTV ratios of 90 percent or less; or
- have terms 15 years or less; closed on or after January 1, 2001 and have a case number assigned before July 14, 2008; and have LTV ratios of less than 90 percent.

(E) Borrower-Initiated Cancellation of MIP

A Borrower who meets the following requirements may request cancellation of the collection of annual MIPs through their Mortgagee when:

- the Borrower has reached the 78 percent threshold in advance of the scheduled amortization due to **Borrower** prepayments **to the principal**, but not sooner than five years from the Closing Date, except for 15-year term Mortgages; and
- the Borrower has not been more than 30 Days Delinquent on the Mortgage during the previous 12 months.

As part of the Mortgagee's annual disclosures to Borrowers, Mortgagees must notify Borrowers of their option to cancel the annual MIP in advance of the projected amortization date by making additional payments of mortgage principal.

(F) Artificial Principal Payment Reduction (This section affected by Waiver of Artificial Principal Payment Reduction Requirement (12/16/2019))

A Borrower with an outstanding Partial Claim/second Mortgage is not eligible to cancel their MIP even if all other above requirements have been satisfied.

iii. Annual Prepayment Disclosure Statements

(A) Definition

An Annual Prepayment Disclosure Statement is a statement of the amount outstanding on the Mortgage and, for Mortgages closed before January 21, 2015, the requirements that the Borrower must fulfill upon prepayment to prevent accrual of interest after the date of prepayment.

(B) Standard

The Mortgagee must provide the Borrower with a written [Annual Prepayment Disclosure Statement](#) on an annual basis.

(C) Required Documentation

The Mortgagee must retain a copy of the Annual Prepayment Disclosure Statement in the servicing file.

iv. Statement for Income Tax Purposes

(A) Definition

The Statement for Income Tax Purposes is an Internal Revenue Service (IRS) Form 1098, *Mortgage Interest Statement*, or equivalent that provides documentation of taxes and interest paid by the Borrower during the preceding calendar year.

(B) Standard

The Mortgagee must provide the Borrower with a Statement for Income Tax Purposes by January 30 of each year.

(C) Required Documentation

The Mortgagee must retain a copy of each annual Statement for Income Tax Purposes in the servicing file.

n. Record Retention – Servicing File

i. Definition

The Servicing File is the Mortgagee's record of all servicing activity on an FHA-insured Mortgage.

ii. Standard

Mortgagees must retain all servicing files for a minimum of seven years after the transfer or sale of the Mortgage or termination of mortgage insurance. The Mortgagee must

maintain accurate records for each Mortgage serviced. In addition to the specific documentation requirements stated in this *SF Handbook*, these records must include the following information:

- mortgage origination and endorsement documentation, including copies of the following documents, if applicable: the Conditional Commitment for insurance, the Firm Commitment, form HUD-92900-LT, *FHA Loan Underwriting and Transmittal Summary*, and the Mortgage Insurance Certificate (MIC);
- MIP payments made;
- documentation related to any recovery of hazard insurance proceeds; and
- the FHA-insured Mortgages in the Mortgagee's portfolio and information on which Mortgages have been acquired, sold, paid in full, and voluntarily terminated.

The Mortgagee must also retain, in electronic and hard copy, the Mortgage, mortgage Note, deed of trust, or a lost note affidavit acceptable under state law, with the electronic copy marked "copy."

For cases for which a claim is filed, the Mortgagee must retain documentation in compliance with the [Claim Review File](#) section for at least seven years after the final claim or latest supplemental claim settlement date.

iii. Record Reconciliations

HUD may require Mortgagees to provide information evidencing reconciliation of Mortgagee records with HUD. This information may include identification, by Mortgage, of the following:

- amount of MIP due and paid to HUD by time period for each insured Mortgage;
- date insurance was terminated or servicing transferred, if applicable; and
- date servicing was acquired, for Mortgages acquired after September 1, 1982.

All Mortgagees must ensure that HUD's records accurately reflect the status of the Mortgage and both the correct holder and servicer of record.

iv. Electronic Storage

Where retention of a hard copy or original document is not required, Mortgagees may use electronic storage methods for all servicing-related documents required in accordance with HUD regulations, handbooks, Mortgagee Letters, and notices.

Regardless, the Mortgagee must be able to make available to HUD in the format (electronic or hard copy) requested legible documents within 24 hours of a request or as otherwise prescribed by HUD.

2. Default Servicing

2. Default Servicing

a. Mortgages in Delinquency or Default

i. Definitions

A mortgage account is Delinquent any time a payment is due and not paid.

If the Borrower fails to make any payment or perform any other obligation under the Mortgage, and such failure continues for a period of 30 Days, the Mortgage is considered in Default.

The Date of Default is 30 Days after:

- the first uncorrected failure to perform any obligation under the Mortgage; or
- the first failure to make a monthly payment which subsequent payments by the Borrower are insufficient to cover when applied to the overdue monthly payment in the order in which they become due.

ii. Standard

The Mortgagee must ensure all FHA-insured Mortgages in Delinquency or Default are serviced in accordance with FHA requirements and all applicable laws.

For the purpose of determining the date of Default and timelines related to Default, HUD considers all months to have 30 Days.

b. HUD Default Servicing Contact

The [National Servicing Center \(NSC\)](#) in Oklahoma City, Oklahoma, manages HUD's Loss Mitigation Program. HUD NSC staff is available to provide customer service to Mortgagees, Servicers, counselors, other authorized representatives, and Borrowers on loss mitigation issues.

c. Reporting to Consumer Reporting Agencies and the IRS

The Mortgagee is responsible for:

- complying with applicable law and federal regulations relating to reporting to consumer reporting agencies; and
- ensuring that all reported information is accurate.

The Mortgagee is also responsible for any required IRS reporting regarding acquisition of secured Property or cancellation of mortgage debt, in accordance with the Internal Revenue Code (IRC).

d. Late Charges

i. Definition

Late Charges are charges assessed if a Mortgage Payment is received more than 15 Days after the due date.

ii. Standard

The Mortgagee may consider a Borrower's payment late if the payment is received by the Mortgagee more than 15 Days after the due date. The Mortgagee may assess a late charge on the 17th Day of the month.

For Mortgages assigned a case number on or after March 14, 2016, the Mortgagee may assess a Late Charge, not to exceed 4 percent of the overdue payment of Principal and Interest (P&I) and in accordance with applicable law.

For Mortgages assigned a case number before March 14, 2016, the Mortgagee may assess a Late Charge calculated based on overdue PITI if permitted under the terms of the mortgage Note and under applicable law.

(A) Notifying the Borrower of the Late Charge

Before collecting the Late Charge or returning a Mortgage Payment to the Borrower for failing to pay the Late Charge, the Mortgagee must provide the Borrower with an advance written notice of the charge.

The Mortgagee must include in the advance notice the following information:

- the due date of the payment;
- the amount of the regular monthly payment;
- the date on which the Late Charge will be imposed; and
- the amount of the Late Charge (or the full amount now due which consists of the regular monthly payment plus the Late Charge amount).

(B) Application of Subsequent Payment to Unpaid Late Charges

After advance notice has been sent to the Borrower, the Mortgagee may:

- treat any subsequent payment that does not include the Late Charge in accordance with HUD's [Partial Payment](#) section; and
- deduct amounts due for Late Charges owed for a previous installment.

(C) Default/Foreclosure Due to Unpaid Late Charges

A Mortgage may be technically in Default by its terms if a Late Charge is not paid within 30 Days after it becomes due. However, the Mortgagee may not initiate foreclosure action when the only delinquency is due to:

- unpaid Late Charges that are due on the account; and/or

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- unpaid monthly payments that remain unpaid because the Mortgagee did not comply with HUD's [Partial Payments for Mortgages in Default](#) section.

iii. Required Documentation

The Mortgagee must ensure that its servicing file reflects any Late Charges assessed and includes any advance written notice of such charges sent to the Borrower.

e. Partial Payments for Mortgages in Default

i. Acceptance of Partial Payments

Unless subject to the exceptions in the [Return of Partial Payments for Mortgage in Default](#) section, the Mortgagee must accept any Partial Payment and either:

- apply the payment to the Borrower's account; or
- identify the payment with the Borrower's account and hold the payment in a suspense account. When a full monthly installment due under the Mortgage is accumulated, the Mortgagee must apply that amount to the Borrower's account.

ii. Application of Partial Payments Totaling a Full Monthly Payment

(A) Standard

When Partial Payments held for disposition total a full monthly payment, the Mortgagee must apply these payments to the Borrower's account, after deduction of amounts due to the Mortgagee for Late Charges and refunds of Mortgage advances.

This application of Partial Payments as a full monthly installment advances the date of the oldest unpaid installment, but not the date on which the account first became Delinquent.

(B) Required Documentation

When applying the Partial Payment totaling a full monthly payment, the Mortgagee must:

- report the appropriate [Status Code](#) in the Single Family Default Monitoring System (SFDMS); and
- advance the Oldest Unpaid Installment (OUI) date one month.

iii. Return of Partial Payments for Mortgage in Default

(A) Standard

If the Mortgage is in Default, the Mortgagee may return the Partial Payment to the Borrower with a letter of explanation only under the following circumstances:

- when the payment represents less than half of the full amount then due;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- when the payment is less than the amount agreed to in an oral or written Forbearance Plan;
- when the payment is less than the amount stated in an approved Trial Payment Plan (TPP) Agreement, whether or not an executed Agreement is received by the Mortgagee;
- when the Property is occupied by a rent-paying tenant and the rents are not being applied to the Mortgage Payments;
- when foreclosure has been started; or
- when it is 14 Days or more after the Mortgagee has mailed the Borrower a statement of the full amount due, including Late Charges, which advises that it intends to refuse to accept future Partial Payments (see [Application of Subsequent Payment to Unpaid Late Charges](#)), and either of the following conditions have occurred:
 - four or more full monthly installments are due but unpaid; or
 - a delinquency of any amount, including Late Charges, has continued for at least six months since the account first became Delinquent.

(B) Required Documentation

The Mortgagee must ensure that its servicing file reflects any Partial Payments returned to the Borrower and includes any letters of explanation for the returned payments.

f. Lien Status

The Mortgagee must preserve the first lien status of the FHA-insured Mortgage. HUD will not pay a claim on a Mortgage that lacks first priority position.

g. Imminent Default

i. Definition

A Borrower facing Imminent Default is defined as a Borrower who is current or less than 30 Days past due on their Mortgage Payment and is experiencing a significant, documented reduction in income or some other hardship that will prevent them from making the next required Mortgage Payment during the month that it is due.

ii. Standard

The Mortgagee must obtain documentation necessary to verify that the Borrower is experiencing a significant reduction in income or some other hardship that will prevent them from making the next required Mortgage Payment during the month that it is due.

iii. Required Documentation

The Mortgagee must include in its servicing file documentation of the basis for the determination that the Borrower's financial condition will result in a Default.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

iv. Loss Mitigation Options that are Applicable for Borrowers Facing Imminent Default

Upon reviewing the financials of the Borrower facing Imminent Default, the following Options are to be applied through the normal waterfall process to determine eligibility:

- Forbearance Agreement;
- FHA-Home Affordable Modification Program (FHA-HAMP);
- Pre-Foreclosure Sale (PFS) Program; and
- Deed-in-Lieu (DIL) of Foreclosure.

h. Early Default Intervention

The Mortgagee must determine the Borrower's ability to make monthly Mortgage Payments and take loss mitigation action or commence foreclosure, if loss mitigation is not feasible, within six months of the date of Default, or within such additional time approved by the NSC via EVARS.

The Mortgagee must notify each Borrower, co-signer, and any other party requiring notice by state law that the Mortgage is in Default.

i. Delinquent Mortgage Identification

The Mortgagee must identify Delinquent Mortgages and their payment status and provide such information to appropriate servicing and collection staff on a daily basis.

ii. SFDMS Default Reporting

(A) Definition

Single Family Default Monitoring System (SFDMS) is HUD's system for tracking Mortgagee data on Delinquent Mortgages until a delinquency is resolved through reinstatement or termination.

(B) Standard

The Mortgagee must report in SFDMS the [Delinquency/Default Status Codes](#) that accurately reflect the stage of delinquency or Mortgagee action.

(1) Types of Mortgages to Report

Each month, the Mortgagee must report Delinquent servicing activities for all Mortgages that are 30, 60, and 90 Days or more Delinquent as of the last Day of the month.

The Mortgagee must report the statuses of three classes of Mortgages each month:

- New Delinquencies: The Mortgagee must report Delinquent accounts when one full installment is due and unpaid (30 Days Delinquent - Status

Code 42) and must continue reporting the applicable Status Code until the delinquency is resolved.

- Open Delinquencies: The Mortgagee must continue to report a Status Code 42 until a servicing action has been initiated/approved and/or completed which would warrant a Status Code change.
- Delinquencies Resolved During the Cycle Month: The Mortgagee must report the appropriate Status Code to reflect that the delinquency has been addressed.

(2) Time Frame for Reporting

For every case for which reporting is required, the Mortgagee must submit delinquency data documenting the status as of the end of the month. The Mortgagee must submit this data by the fifth business day of the following month. Mortgagees may submit additional delinquency data throughout the month.

(a) Reporting Accuracy

A Mortgagee must submit an accurate SFDMS report. All the information is important; some is so critical that if that data is inaccurate or missing, the report on that Mortgage or even the entire monthly report is automatically rejected by SFDMS.

(b) Quality Control

A Mortgagee's Quality Control Plan must ensure that:

- the reporting staff is properly trained;
- servicing and foreclosure staff is aware of reporting requirements and of cases reported; and
- report format and content are checked for errors by trained staff, whether it is prepared manually or by an automated system.

(C) SFDMS Codes

(1) Delinquency/Default Status Codes

The Mortgagee must report the correct [Delinquency/Default Status \(DDS\) Code](#) reflecting the status of the Mortgage.

The Mortgagee must include applicable status dates when reporting DDS Codes. SFDMS permits the submission of delinquency data throughout the month.

(2) Delinquency/Default Reason Codes

The Mortgagee must ascertain and report the specific reason for the Delinquency/Default using the [Delinquency/Default Reason \(DDR\) Codes](#).

(D) Error Reports and Correction

The Mortgagee may receive Error Reports from two systems:

- EDI, which provides the All Transaction Sets 824 (TS824) Report (see the [Electronic Data Interchange Implementation Guide](#) for additional information); or
- [FHAC](#).

The Mortgagee is responsible for retrieving Error Reports from these systems and submitting necessary corrections by the fifth business day. HUD will not provide additional time to enter corrections.

(E) Correction of a Previously Reported Status Code

When a Mortgagee discovers that a previous Status Code was reported in error, the Mortgagee must:

- report a Status Code 25, *Cancel*, to advise HUD that the last Status Code reported was in error and should be preserved as a historical record without having an effect on the default sequence; and
- report the correct Status Code.

iii. Collection Communication Timeline

(A) Definition

The Collection Communication Timeline sets forth the servicing actions that Mortgagees must take when contacting a Borrower with a Delinquent Mortgage.

(B) Standard

The Mortgagee must perform in a timely manner the servicing actions set forth in the following Collection Communication Timeline.

Day	Mortgagee Action
1	Payment due date; no action required until the Mortgage becomes Delinquent.
10	The Mortgagee must begin attempts at telephone contact with Borrowers at risk of Early Payment Default or Re-Default in accordance with the Specialized Collection Techniques for Early Payment Default section.

iv. Specialized Collection Techniques for Early Payment Defaults and Re-Defaults

(A) Definitions

Early Payment Defaults refer to all Mortgages that become 60 Days Delinquent within the first six payments.

A Re-Default is a mortgage Default occurring within six months after reinstatement or the successful use of a permanent Home Retention Option.

(B) Standard

For Borrowers at risk of Early Payment Default or Re-Default, the Mortgagee must:

The Mortgagee is expected to:

- vary the times and days of the week of call attempts to maximize the likelihood of making contact with the Borrower; and
- have policies in place to reduce the call abandon rate and minimize the call wait time.

Promptly after establishing live contact, the Mortgagee must determine whether the Borrower is occupying the Property, ascertain the reason for the delinquency, and inform the Borrower about the availability of Loss Mitigation Options.

Mortgagees are encouraged to have written policies in place for their customer service, loss mitigation, foreclosure prevention, and collections departments for handling inbound and outbound collection calls in accordance with the requirements of this section. Mortgagees should also include in their [Quality Control \(QC\) Plans](#) their methodologies for assessing their compliance with these policies.

- email;
- secure web portals (such as online account management tools accessible by Borrowers); and
- other reliable communication methods through which the Mortgagee has been able to effectively communicate with Borrowers in the past.

The Mortgagee must ensure that their electronic signature technology complies with all requirements of the [Electronic Signatures in Global and National Commerce \(E-SIGN\) Act, 15 U.S.C. 7001 et seq.](#) The Mortgagee must include within the electronic communication the Mortgagee's email address, telephone number, and/or website address.

An Occupancy Follow-Up is an attempt to communicate with the Borrower via letter, telephone, or other method of communication, other than on-site inspection, to determine occupancy when the Mortgage remains in Default after the initial inspection and the Mortgagee has not determined the Borrower’s occupancy status.

The Mortgagee must continue to perform exterior-only visual inspections until the Default is cured, the Property is disposed of, or the bankruptcy court has granted approval for the Mortgagee to contact the Borrower or to take any required Property P&P actions.

If the Mortgagee determines that the Property is vacant or abandoned during the period in which the Mortgagee is prohibited from contacting the Borrower, the Mortgagee must note:

In order to proceed with a Formal Forbearance Plan the Mortgagee must receive a signed Formal Forbearance Plan from the Borrower, after which an authorized Mortgagee representative must execute the Formal Forbearance Plan and file it in the Claim Review File.

Informal and Formal Forbearances are not eligible for loss mitigation incentive payments.

(C) Forbearance Reporting

The Mortgagee must report the appropriate [Delinquency/Default Status \(DDS\) Code](#) reflecting the use of Informal and Formal Forbearance.

(2) Borrower Qualifications

(a) Standard

The Mortgagee must ensure that the Borrower meets all of the following eligibility requirements for an SFB-Unemployment Option:

- The Borrower has recently experienced a verified loss of income or increase in living expenses due to loss of employment.
- The Borrower must be an Owner-Occupant Borrower and will occupy the Property as a Principal Residence during the term of the SFB-Unemployment Agreement, unless an exception is granted.
- One or more Borrowers is not currently receiving Continuous Income or, alternatively, an analysis of the financial information under [FHA-HAMP](#) resulted in a Mortgage Payment greater than 40 percent of current gross monthly income and one of the Borrowers has a verifiable unemployment status.
- A Borrower has a verified unemployment status and:
 - no Borrower is currently receiving Continuous Income; or
 - an analysis of Borrower financial information under the Home Retention Priority Waterfall indicates that the SFB-Unemployment Option is the best or only option available for the Borrower.

(b) Exception to Owner-Occupant Requirement for Sale or Assumption

The Mortgagee may offer an SFB-Unemployment Option to an unemployed Borrower when the Mortgagee has knowledge that the mortgaged Property is for sale or an assumption of the Property is in process.

(c) Required Documentation

The Mortgagee must obtain from the Borrower such supporting documentation of the Borrower's unemployment as:

- Third Party Documentation including receipts of unemployment benefits; or
- an affidavit signed by the Borrower, stating the date that the Borrower became unemployed and stating that the Borrower is actively seeking, and is available, for employment.

The Mortgagee must retain this documentation in the Claim Review File.

(3) Property Condition

The Mortgagee must conduct any review it deems necessary, including a property inspection, when the Mortgagee has reason to believe that the physical conditions of the Property adversely impact the Borrower's use or ability to support the debt as follows:

- financial information provided by the Borrower shows large expenses for property maintenance;
- the Mortgagee receives notice from local government or other third parties regarding property condition; or
- the Property may be affected by a disaster event in the area.

If significant maintenance costs contributed to the Default or are affecting the Borrower's ability to make payments under the Mortgage or SFB-Unemployment Agreement, the Mortgagee may provide in the SFB-Unemployment Agreement a period of mortgage forbearance during which repairs specified in the agreement will be completed at the Borrower's expense.

(C) Review under the Loss Mitigation Home Retention Priority Waterfall

The Mortgagee must assess the Borrower's financial ability to repay their mortgage delinquency and must determine if the loss of employment is the major cause which has resulted in mortgage Default.

The Mortgagee must use the five-step process of the [Loss Mitigation Home Retention Option Priority Waterfall](#) to:

- determine that it is a Borrower of record who has experienced the loss of employment;
- determine the loss of employment has had a direct impact on the Borrower's ability to make the monthly Mortgage Payment; and
- enable the Mortgagee to determine a reasonable monthly Mortgage Payment while the Borrower is performing on the SFB-Unemployment Option, even if the Borrower has a negative surplus amount.

2. Default Servicing

Once the Mortgagee's review of the Borrower's financials has been completed and it has been determined that the SFB-Unemployment is the most appropriate Option, the Mortgagee will develop the SFB-Unemployment Agreement.

(D) Special Forbearance – Unemployment Agreement

(1) Definition

The Special Forbearance-Unemployment Agreement is a written agreement between a Mortgagee and the Borrowers, one or more of whom has become unemployed, allowing for reduced and/or suspended Mortgage Payments.

(2) Standard

The Mortgagee must prepare a Special Forbearance-Unemployment Agreement that provides for the following:

- identifies the specific months for which the account is Delinquent and notes the total arrearage that accrued prior to the beginning of the Agreement;
- suspends and/or reduces the current monthly Mortgage Payment;
- ensures that the forbearance payment installments required under the terms of the Agreement are based on the Borrower's [ability to pay](#);
- disallows late fees to be assessed while the Borrower is performing under the terms of the Special Forbearance-Unemployment Agreement;
- indicates that if the Borrower's financial circumstances change, the Mortgagee may adjust the monthly payment based on an evaluation of the Borrower's new financial information;
- disallows the accrued arrearage to exceed the equivalent of 12 months Delinquent Principal, Interest, Taxes, and Insurance (PITI) (the 12 months of PITI for Adjustable Rate Mortgages (ARM), Graduated Payment Mortgages (GPM), and Growing Equity Mortgages (GEM) will be calculated by multiplying 12 times the monthly payments due on the date of Default);
- specifies the date that the Special Forbearance-Unemployment Agreement will expire if it is not earlier revised or terminated because of a change in the Borrower's financial circumstances; and
- permits the Borrower to pre-pay the mortgage delinquency at any time.

The SFB-Unemployment Agreement will not include terms for reinstatement because the Mortgagee must re-evaluate the Borrower for more permanent Loss Mitigation Options to cure a Default once the Borrower is gainfully employed and/or the SFB-Unemployment Agreement expires.

(3) Required Documentation

The Mortgagee must retain in the Claim Review File:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- evidence that the Mortgagee analyzed the Borrower's financial condition;
- evidence that the SFB-Unemployment Agreement is supported by the financial analysis; and
- a copy of the SFB-Unemployment Agreement, executed by at least one Borrower and by an authorized agent of the Mortgagee.

(4) Effective Date

The Executed SFB-Unemployment Agreement date is the date the Mortgagee executes the SFB-Unemployment Agreement.

The SFB-Unemployment Agreement is considered "executed" when:

- at least one of the Borrowers has signed and dated the Agreement;
- the Agreement has been returned to the Mortgagee; and
- the authorized Mortgagee representative has signed and dated the Agreement as well.

(5) Cancellation or Suspension of Foreclosure

(a) Standard

Upon execution of an SFB-Unemployment Agreement, if foreclosure has already been initiated, the Mortgagee must cancel or temporarily suspend foreclosure action, where such suspension is permissible under state law.

(b) Required Documentation

The Mortgagee must include in the Claim Review File documentation showing that the Borrower provided new information that made them eligible for an SFB-Unemployment Option after foreclosure was initiated.

(6) Review of SFB-Unemployment Agreements

(a) Standard

The Mortgagee must review the Borrower's continued eligibility for SFB-Unemployment on a monthly basis and must adjust the terms of the Agreement if there is a change in financial circumstances.

(b) Required Documentation

The Mortgagee must clearly document in the Claim Review File the Borrower's compliance with the terms of the Agreement and any adjustment of terms due to changes in financial circumstances.

(7) Re-Evaluation of the SFB-Unemployment Agreement

The Mortgagee must review the Borrower's continued eligibility for SFB-Unemployment or, alternatively, eligibility for other Loss Mitigation Options if the Borrower presents evidence that their financial circumstances have changed. The Mortgagee must ensure that the re-evaluated SFB-Unemployment Agreement will not allow for the Mortgage to become more than 12 months of PITI Delinquent.

(E) Payment Application

The Mortgagee may reduce, suspend, or both, the required monthly Mortgage Payment for the time period of the SFB-Unemployment Agreement.

The Mortgagee must place payments submitted by the Borrower during the SFB-Unemployment period in a suspense or memo fund account which is to be identified as belonging to the Borrower. When the suspense funds total a full monthly payment, the Mortgagee must apply the payment to the Borrower's account.

If the Borrower does not complete the SFB-Unemployment Agreement, all funds held in suspense will be applied to the Borrower's account.

(F) Foreclosure-Related Fees and Costs

The Mortgagee may address foreclosure-related fees and costs due to a foreclosure cancellation/suspension through the qualification of a permanent Loss Mitigation Option or at the expiration of the SFB-Unemployment Agreement.

The Mortgagee must not require the Borrower to pay more than the foreclosure-related fees and costs HUD has identified as customary and reasonable. See [Appendix 4.0 – HUD Schedule of Standard Attorney Fees](#).

(G) Expiration of SFB-Unemployment Agreement

(1) Re-evaluation of Borrower

During the month in which the SFB-Unemployment Agreement is to expire, the Mortgagee must evaluate the Borrower to determine if the Borrower qualifies for:

- an additional period of forbearance beyond the initial expiration, but not allowing for more than 12 months of Delinquent PITI, due to continued unemployment; or
- a permanent Loss Mitigation Option.

(2) Notification to Borrower

The Mortgagee must notify the Borrower, in writing, the results of the review, including the following information:

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

- whether or not they qualify for a Loss Mitigation Option;
- the reason for denial; and
- allowing the Borrower a minimum of seven Days to submit additional information that may impact the Mortgagee's evaluation.

(H) Option Failure

An SFB-Unemployment Option is considered failed if the Borrower:

- abandons the Property;
- informs the Mortgagee that the terms of the SFB-Unemployment Agreement will not be fulfilled; or
- fails to perform under the terms of the SFB-Unemployment Agreement for 60 Days, without any advisement to the Mortgagee of any problems that prevented the Borrower from complying with the Agreement's terms.

If the SFB-Unemployment Option fails, the Mortgagee must initiate foreclosure or complete another Loss Mitigation Option. HUD provides an automatic 90-Day extension during which the Mortgagee must take one of these actions.

(I) Special Forbearance Incentive

The Mortgagee may claim an [incentive](#) for each SFB-Unemployment Agreement. Mortgagees with "A" Tier Ranking System (TRS) II scores will be eligible for an incentive of \$200 per SFB-Unemployment claim. The Mortgagee may not file more than one SFB-Unemployment incentive claim per Default due to the Borrower's unemployment.

(J) Reporting of SFB-Unemployment

The Mortgagee must report in SFDMS the use of an SFB-Unemployment.

v. FHA-HAMP

(A) Definition

The FHA-HAMP Option is a Loss Mitigation Option using a Loan Modification and/or Partial Claim to allow the Mortgage to be reinstated, by establishing an affordable monthly payment, and providing for principal deferment as needed.

A Partial Claim is FHA's reimbursement of a Mortgagee advancement of funds on behalf of the Borrower in an amount necessary to assist in reinstating the Delinquent Mortgage under the FHA-HAMP Option.

(B) Eligibility

(1) Mortgage Status

(a) Defaulted Mortgage

The Mortgagee must ensure that the Mortgage meets the following eligibility criteria for an FHA-HAMP:

- the Mortgage is in Default or Imminent Default;
- at least 12 months have elapsed since the date of the first payment on the original Mortgage, as evidenced on HUD's [Neighborhood Watch](#) system;
- a minimum of four Mortgage Payments have been paid by the Borrower on the current Mortgage;
- Default is due to a verified loss of income or increase in living expenses;
- the Mortgage must not be in foreclosure at the time the FHA-HAMP documents are executed; and
- three or more full monthly payments are due and unpaid (i.e., 61 Days or more past due) when the FHA-HAMP documents are executed.

(b) Mortgage in Imminent Default

To modify a Mortgage facing Imminent Default under FHA-HAMP, the Mortgagee must ensure that the following conditions are met:

- at least 12 months elapsed since the Closing Date of the original Mortgage, as evidenced on HUD's [Neighborhood Watch](#) system;
- a minimum of four Mortgage Payments have been paid by the Borrower on the current Mortgage;
- Imminent Default due to a verified loss of income or other hardship as explained in the definition of [Imminent Default](#);
- the Mortgagee obtains documentation evidencing the cause of the Imminent Default; and
- three or more full monthly payments are due and unpaid (i.e., 61 Days or more past due) when the FHA-HAMP documents are executed.

(c) FHA Streamline Refinance Mortgage

If the Mortgage is an FHA Streamline Refinance, the Mortgagee may use previous payment history on the prior FHA-insured Mortgage to determine if the Borrower has met the minimum requirement for four Mortgage Payments. A Streamline Refinance or change in FHA case numbers will not reset the 30 percent maximum Partial Claim statutory limit.

(2) Borrower Qualifications

The Mortgagee must ensure that the Borrower meets the following eligibility criteria for the FHA-HAMP Option:

- The Borrower has recently experienced a verified loss of income or increase in living expenses and all Borrowers on the Note have signed and submitted hardship affidavits attesting to and describing the hardship.
- One or more Borrowers receives Continuous Income.
- The Mortgagee's calculations show that the resulting monthly Mortgage Payment not exceeding 40 percent of the Borrower's gross monthly income can be offered, provided that either:
 - the Borrower(s) front-end ratio is **greater than 31** percent; or
 - 85 percent of the Borrower's surplus income is insufficient to cure arrearages within six months.
- The Borrower has successfully completed a TPP based on the FHA-HAMP monthly Mortgage Payment amount.
- The Borrower has not executed an FHA-HAMP agreement in the past 24 months, unless the FHA-HAMP agreement was executed as part of a Disaster Loss Mitigation made available to the Borrower in a [Presidentially-Declared Major Disaster Area](#) (PDMDA).

The Mortgagee must ensure that the Borrower is an Owner-Occupant Borrower who is occupying the Property as a Principal Residence. FHA-HAMP may not be used as a means to reinstate a Mortgage prior to sale or assumption.

(3) Property Condition

The Mortgagee must conduct any review it deems necessary, including a property inspection, when the Mortgagee has reason to believe that the physical conditions of the Property adversely impact the Borrower's use or ability to support the debt as follows:

- financial information provided by the Borrower shows large expenses for property maintenance;
- the Mortgagee receives notice from local government or other third parties regarding property condition; or
- the Property may be affected by a disaster event in the area.

(C) Review under the Loss Mitigation Home Retention Priority Waterfall

The Mortgagee must use the five-step process of the Loss Mitigation Home Retention Option Priority Waterfall to:

- project the Borrower's surplus monthly net income for a minimum of three months;
- determine if the Borrower is eligible for an Informal Forbearance, a Formal Forbearance, and/or SFB-Unemployment before considering the FHA-HAMP Option; and

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- determine whether FHA-HAMP is appropriate for a Borrower whose surplus income is negative, but the resulting FHA-HAMP Mortgage Payment is 40 percent or less of the Borrower's gross monthly income.

(D) FHA-HAMP Options

The Mortgagee must complete a retroactive escrow analysis of the Mortgage.

The Borrower must not receive any cash from the FHA-HAMP Option. The modified payment must be 40 percent or less of the Borrower's gross monthly income.

The Mortgagee must use the calculations in [HUD's Loss Mitigation Option Priority Waterfall](#) to determine which, if any, FHA-HAMP Option is most appropriate. See [FHA-HAMP Loan Modification Provisions](#) for interest rate and principal balance requirements for FHA-HAMP Loan Modifications.

(1) FHA-HAMP Standalone Loan Modification

The Mortgagee may offer an FHA-HAMP Standalone Loan Modification if:

- the Mortgagee can achieve an affordable Mortgage Payment at or below the targeted payment without the use of an FHA-HAMP Partial Claim; and
- the Borrower meets all requirements of the FHA-HAMP Option.

If Partial Claim funds are exhausted, the Mortgagee may offer an FHA-HAMP Standalone Loan Modification up to a final Mortgage Payment not exceeding 40 percent of gross monthly income, provided that all other program requirements have been met.

(2) FHA-HAMP Standalone Partial Claim

The Mortgagee must offer an FHA-HAMP Standalone Partial Claim as an appropriate Loss Mitigation Option for Owner-Occupant Borrowers if all the following criteria are met:

- The Borrower's current interest rate is at or below the Market Rate.
- The Borrower's current Mortgage Payment with re-analyzed escrow is at or below the targeted monthly payment.
- A Mortgage Payment at or below the targeted monthly payment cannot be achieved by re-amortizing the Mortgage/outstanding debt for 360 months at the Market Rate.
- The FHA-HAMP Partial Claim will not exceed the 30 percent maximum statutory limit for all Partial Claims combined.
- The Borrower meets all requirements of the FHA-HAMP Option.
- Three or more full monthly payments are due and unpaid (i.e., 61 Days or more past due) when the Partial Claim promissory Note is executed.

2. Default Servicing

(a) Statutory Maximum for Partial Claims

The maximum cumulative value of all Partial Claims paid with respect to a Mortgage must not exceed 30 percent of the Mortgage's unpaid principal balance. This maximum cumulative value must be established as of the date of Default at the time of payment of the initial Partial Claim on such Mortgage, and will remain constant for the life of the Mortgage.

(b) Interest on Partial Claims

No interest will accrue on the Partial Claim.

(c) Payment of Partial Claim

HUD will not require payment on the Partial Claim until the maturity of the FHA-HAMP Mortgage, the sale of the Property, or the Payoff or non-FHA refinancing of the Mortgage.

(3) Combination of FHA-HAMP Loan Modification and the FHA-HAMP Partial Claim

The Mortgagee may offer FHA-HAMP Loan Modification and FHA-HAMP Partial Claim together for Mortgages in Default or in Imminent Default.

The Mortgagee may utilize an FHA-HAMP Combination Loan Modification Partial Claim when establishing an affordable monthly payment that requires a Partial Claim in an amount needed to cover:

- arrearages
- legal fees and foreclosure costs
- principal deferment

If the amount of arrearages, legal fees and foreclosure costs, and principal deferment exceed the statutory maximum for the Partial Claim, the Mortgagee may still utilize this combination of an FHA-HAMP Combination Loan Modification and Partial Claim for an eligible Borrower, so long as the modified payment is 40 percent or less of the Borrower's gross monthly income.

(E) Capitalization of Delinquency in FHA-HAMP Loan Modification

The Mortgagee may only include the following in the FHA-HAMP Loan Modification:

- arrearages for unpaid accrued interest (outstanding arrearages capitalized into the FHA-HAMP Loan Modification are not subject to statutory limits on Partial Claims);
- Mortgagee advances for escrowed items; and
- related legal fees and foreclosure and bankruptcy costs for work actually performed for the current Default episode as of the date of the foreclosure

cancellation and not higher than the foreclosure-related fees and costs HUD has identified as customary and reasonable.

The Mortgagee must not capitalize:

- late fees; and
- costs to complete needed repairs as part of the FHA-HAMP agreement.

(F) FHA-HAMP Loan Modification Provisions

(1) Standard

The Mortgagee must ensure that the FHA-HAMP Loan Modification fully reinstates the Mortgage and complies with the interest rate and modified principal balance provisions below. The Mortgagee must complete an escrow analysis of the Mortgage. The Mortgagee must not provide the Borrower with any cash from the FHA-HAMP Loan Modification.

(2) Interest Rate

The Mortgagee must ensure that any modified loan, including ARM, GPM or GEM is a fixed rate Mortgage.

At the Mortgagee's discretion, the Mortgagee may reduce Note interest rates below Market Rate; however, discount fees associated with rate reductions are not reimbursable. When increasing Note interest rates, the Mortgagee must calculate the maximum interest allowable as the Market Rate.

(a) Market Rate

Market Rate is a rate that is no more than 25 bps greater than the most recent Freddie Mac Weekly Primary Mortgage Market Survey (PMMS) Rate for 30-year fixed rate conforming Mortgages (U.S. average), rounded to the nearest one-eighth of 1 percent (0.125 percent), as of the date a TPP is offered to a Borrower.

(b) Market Rate Resources

The Weekly Primary Mortgage Market Survey results are published on the [Freddie Mac website](#).

(3) Modified Loan Term

The Mortgagee must re-amortize the total unpaid amount due over 360 months from the due date of the first installment required under the modified FHA-insured Mortgage.

(G)FHA Mortgage Insurance Coverage and MIP

When the FHA-HAMP Loan Modification has been processed in accordance with HUD requirements, HUD will extend FHA mortgage insurance coverage to the new principal balance and modified maturity date. FHA insurance will remain in force until the Mortgage has been paid in full or otherwise terminated. The amount of MIP will continue to be based on the scheduled unpaid principal balance of the original Mortgage, without taking into consideration delinquencies or prepayments.

(H)FHA-HAMP Trial Payment Plans

The Mortgagee must ensure that the Borrower successfully completes a TPP prior to executing any FHA-HAMP Option.

(1) Definition

A Trial Payment Plan (TPP) is a payment plan for a minimum period of three months, during which the Borrower must make the agreed-upon consecutive monthly payments prior to final execution of the FHA-HAMP agreement.

(2) Standard

The Mortgagee must ensure that the Borrower successfully completes a TPP before executing permanent FHA-HAMP agreements, for a minimum of three months.

(3) Entering into the Trial Payment Plan Agreement

(a) Definition

A Trial Payment Plan (TPP) Agreement is a written document codifying the TPP terms, which must be agreed upon by all Borrowers.

(b) Standard

(i) Trial Payment Plan Starts 12 Months after Closing Date

Where a Borrower is eligible for an FHA-HAMP Option, the Mortgagee must ensure that the Borrower's TPP begins only after 12 months have elapsed since the Closing Date of the FHA-insured Mortgage.

(ii) Trial Payment Plan Terms

The Mortgagee must ensure that the following apply to interest rates and monthly payments, and causes of TPP failure under the TPP Agreement:

- The interest rate for the TPP and the permanent FHA-HAMP Loan Modification must not be greater than Market Rate.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- The permanent Market Rate is established when the TPP is offered to the Borrower.
- The established monthly permanent FHA-HAMP Loan Modification Payment must be the same or less than the established monthly trial payment.
- Agreement documents stipulate that after successfully completing the TPP, the Borrower must continue making payments in accordance with the terms of his or her signed TPP Agreement until his or her permanent FHA-HAMP Mortgage has been ratified by all parties.
- Agreement documents stipulate the causes of TPP failure. The Borrower has failed the TPP when one of the following occurs:
 - the Borrower does not return the executed TPP Agreement within the month the first trial payment is due;
 - the Borrower vacates or abandons the Property; or
 - the Borrower does not make a scheduled TPP payment by the last Day of the month the payment was due.

(iii) Start of Trial Payments

The Mortgagee must send the proposed TPP Agreement to the Borrower at least 15 Days before the date the first trial payment is due with notification of an established deadline date for Borrower acceptance or rejection of the Trial Payment Plan Terms. The acceptance/rejection deadline date must be on or before the first trial payment due date.

(iv) Trial Payment Plan Signatures

All parties on the original Note and Mortgage and all parties that will be subject to the modified Mortgage and/or Partial Claim must execute the TPP Agreement unless:

- a Borrower or co-Borrower is deceased;
- a Borrower and co-Borrower are divorced; or
- a Borrower or co-Borrower on the original Note and Mortgage has been released from liability in connection with an assumption performed in accordance with HUD's requirements.

On a case-by-case basis, the Mortgagee may provide an exception to the above TPP signature requirements when a Borrower is unable to sign a TPP Agreement due to physical disability, mental condition, or military deployment.

In order to proceed with a TPP the Mortgagee must receive a signed TPP from the Borrower, after which an authorized Mortgagee representative must execute the TPP and file it in the Claim Review File.

(c) Required Documentation

The Mortgagee must retain the following in the Claim Review File:

- a copy of the signed TPP Agreement; and
- documentation evidencing the Mortgagee's review and approval of the TPP Agreement (per the requirements in this section), if the TPP Agreement was not signed by all parties on the original Note and FHA-insured Mortgage.

(4) Waiver of Late Charges

The Mortgagee must waive Late Charges under the original Mortgage as long as the Borrower is on or paying its agreed Loss Mitigation Option.

(5) Trial Payment Plan – Application of Payments

For FHA-HAMP Mortgages, the Mortgagee must treat a trial payment in an amount less than a full monthly payment under the existing Mortgage as a Partial Payment and place them in the Borrower's suspense account. These Partial Payments are to then be applied in accordance with HUD's [Partial Payments for Mortgages in Default](#) guidance and any applicable federal regulations.

For unapplied funds remaining at the end of the trial payment period that do not total a full PITI Mortgage Payment, the Mortgagee may apply the Borrower's funds towards:

- any calculated escrow shortage;
- the unpaid principal balance when calculating the FHA-HAMP Mortgage's monthly Mortgage amount; or
- the FHA-HAMP Partial Claim amount.

(6) End of Trial Payment Plan Period

(a) Standard

The Mortgagee must offer the Borrower a permanent FHA-HAMP Option after the Borrower's successful completion of a TPP.

The Mortgagee must:

- prepare the permanent FHA-HAMP Modification Agreement early enough to allow sufficient processing time for the modification to be effective no later than the first day of the second month following the final Trial Payment Plan month;
- provide the Borrower with the permanent FHA-HAMP documents to be executed by required parties at least 30 Days before the effective date of the modification with notification of the date by which signed documents must be returned;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- sign the FHA-HAMP Modification Agreement and provide a fully ratified copy to the Borrower no later than 15 Days following receipt of the Borrower-signed documents; and
- update its servicing system and files to reflect the FHA-HAMP transaction.

(b) Trial Payment Plan Failure

The Borrower has failed the TPP when one of the following occurs:

- the Borrower does not return the executed TPP Agreement within the month the first trial payment is due;
- the Borrower vacates or abandons the Property; or
- the Borrower does not make a scheduled TPP payment by the last Day of the month the payment was due.

(c) Review for Other Loss Mitigation Options after Trial Payment Plan Failure

(i) Standard

The Mortgagee must re-evaluate the Borrower's eligibility for other appropriate Loss Mitigation Options if a Borrower fails to successfully complete a TPP associated with an FHA-HAMP Option, as follows:

- if the Borrower provides documentation demonstrating their financial circumstances have changed since the Mortgagee's previous loss mitigation evaluation, the Mortgagee must verify the change in financial circumstances and re-evaluate the Borrower for Loss Mitigation Options; or
- if the Borrower does not provide documentation demonstrating their financial circumstances have changed since the Mortgagee's previous loss mitigation evaluation, the Mortgagee must evaluate the Borrower for Home Disposition Options prior to initiating foreclosure.

(ii) Required Documentation

The Mortgagee must include documentation supporting any changes in the Borrower's financial circumstances or employment status in the Mortgagee's Claim Review File.

(7) Funds Remaining at the End of Trial Payment Period

(a) Successful Completion of Trial Payment Plan

For unapplied funds remaining at the end of the trial payment period that do not total a full PITI payment, the Mortgagee must apply these funds to any

calculated escrow shortage or to reduce any amounts that would otherwise be capitalized onto the principal balance.

(b) Trial Payment Plan Failure

If the Borrower does not complete the TPP, the Mortgagee must apply all funds held in suspense to the Borrower's account in the established order of priority.

(8) Trial Payment Plans during Foreclosure

The Mortgagee must suspend and/or terminate foreclosure action, depending on state law requirement, during the TPP. In the event the Borrower fails to make a payment required under a TPP, the Mortgagee must review the Borrower for other appropriate Loss Mitigation Options before commencing or continuing a foreclosure.

HUD provides an automatic 90-Day extension for the Mortgagee to commence or recommence foreclosure or initiate another Loss Mitigation Option, should a TPP fail.

(9) Reporting of Trial Payment Plans

The Mortgagee must report the use of an FHA-HAMP Option in SFDMS.

(I) FHA-HAMP Loan Modification Documents

The Mortgagee must ensure that the Mortgage is not in foreclosure at the time the FHA-HAMP Loan Modification documents are executed. The Mortgagee must remove the Mortgage from foreclosure prior to executing the FHA-HAMP documents. See [Loss Mitigation during the Foreclosure Process](#).

FHA does not provide a model for FHA-HAMP Loan Modification documents, but the Mortgagee must ensure the FHA-insured Mortgage remains in a first lien position and is legally enforceable.

(J) FHA-HAMP Partial Claim Documentation and Delivery Requirements

(1) FHA-HAMP Partial Claim Promissory Note and Subordinate Mortgage

(a) Standard

The Mortgagee must prepare the Partial Claim promissory Note and subordinate Mortgage as follows:

- the promissory Note must be executed with the name of the Secretary;
- the subordinate Mortgage must be prepared and recorded; and

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

- the Partial Claim promissory Note and subordinate Mortgage/deed of trust must include:
 - the full FHA Case Number;
 - the provisions of HUD's model [Partial Claim Promissory Note and Partial Claim Subordinate Mortgage](#) or a substantially similar document; and
 - any amendments as required by state or federal law or regulations.

The Mortgagee must provide the Borrower with a Partial Claim promissory Note and subordinate Mortgage to be signed by the Borrower and recorded by the Mortgagee.

(b) Required Documentation

The Mortgagee must retain in its Claim Review File:

- a copy of the executed Partial Claim promissory Note and subordinate Mortgage;
- evidence that the Mortgage was timely submitted for recording; and
- the date the Mortgagee received the executed Partial Claim documents from the Borrower and the date the subordinate Mortgage was sent to be recorded.

(2) Recordation of FHA-HAMP Partial Claim Documents

The Mortgagee must submit executed Partial Claim security instruments for recordation within five business days from the date of receipt from the Borrower or, where HUD execution is required, receipt from HUD. The Mortgagee must submit the security instruments for recordation before filing the FHA-HAMP incentive claim with HUD.

The Mortgagee must ensure that the recordation of the Partial Claim security instruments does not jeopardize the first lien status of the FHA-insured Mortgage; there is no lien priority requirement for the filing of a Partial Claim.

(3) Legal Fees and Foreclosure Costs for Partial Claims

The Mortgagee may include actual foreclosure fees and costs incurred as of the date of the foreclosure cancellation in the Partial Claim.

HUD will not reimburse attorney's fees in excess of the amounts reflected in the [HUD Schedule of Standard Attorney Fees](#).

The Mortgagee must not include in subsequent disposition claims foreclosure fees and costs that were included and paid in the Partial Claim.

2. Default Servicing

(4) Execution of Partial Claim Documents after Trial Payment Plan

The Mortgagee must ensure that the Borrower has successfully completed a TPP before executing the Partial Claim promissory Note and subordinate Mortgage.

(5) Reconciliation of Partial Claim Proceeds to Promissory Note Amounts

If the Mortgagee miscalculates the Partial Claim amount, resulting in an overpayment to the Mortgagee, the Mortgagee must remit the overpaid amount immediately to HUD's [Servicing Contractor](#).

In the event the Mortgagee claimed less than the actual Partial Claim promissory Note amount, the Mortgagee must absorb the cost of the miscalculation.

The Mortgagee must include their review process for ensuring the accurate calculation of Partial Claims in their required QC Plan.

(6) Delivery of Partial Claim Documents

(a) Standard

The Mortgagee must deliver to HUD's [Servicing Contractor](#):

- no later than 60 Days from the execution date, the original Partial Claim promissory Note;
- no later than six months from the execution date, the recorded subordinate Mortgage; and
- with each delivery of Partial Claim documents, the Mortgagee must include a cover letter with the FHA case number for the documents that are being delivered.

(b) Partial Claim Discrepancies

When HUD has received Partial Claim documents that do not fully support the amount claimed by the Mortgagee, HUD will consider the documents incomplete. The Mortgagee must timely correct the deficiencies to satisfy the six-month deadline for the Mortgage to provide complete and accurate Partial Claim documents.

The Mortgagee may use the monthly Missing Documents Report to determine if any Partial Claim documents are missing and outside of the delivery times.

HUD's [Servicing Contractor](#) may follow up with the Mortgagee if there are any discrepancies between the Mortgagee's cover letter and the documents received.

(7) Requests for Extensions of Time for Delivery of Partial Claim Documents

(a) Standard

Mortgagees must periodically check on the status of all unreturned recorded Partial Claim Mortgages by, for example, using the Missing Documents Report.

The Mortgagee may request an extension by submitting the request to the NSC for HUD approval via EVARS when:

- Partial Claim document delivery has been delayed due to events beyond the Mortgagee's control; or
- circumstances have occurred preventing the Mortgagee from timely delivery.

The Mortgagee must request the extension in EVARS by:

- checking Box 7, "Unable to submit recorded partial claim Mortgage within 6 months of execution;"
- entering the number of Days needed to meet HUD's delivery requirements;
- indicating the reason for the delay in "Basis for Extension Request;" and
- detailing any attempts to follow up on documents, including specific dates where possible.

HUD will not approve extensions pertaining to Partial Claim promissory Notes.

(b) Required Documentation

The Mortgagee must retain in the Claim Review File documentation of any extensions received from HUD.

(8) Failure to Timely Provide Partial Claim Note and Subordinate Mortgage

When the Mortgagee fails to provide HUD with the Partial Claim promissory Note and subordinate Mortgage within the required time frames, HUD may require reimbursement of the full amount of the Partial Claim.

When directed by HUD, the Mortgagee must reimburse:

- the full claim amount (insurance benefits consisting of the arrearage, principal deferment, if necessary, and any HUD-allowed costs paid in the Mortgagee's claim for mortgage insurance benefits); and
- the incentive fee.

Upon reimbursement of the full amount of the Partial Claim, HUD will endorse any Partial Claim documents in its possession over to the Mortgagee and return

them. The Mortgagee must properly record such documents within 30 business days of receipt from HUD.

The Mortgagee must not reverse the application of the Partial Claim funds. The Mortgagee may only pursue repayment of the Partial Claim funds from the Borrower under the original terms of the Partial Claim promissory Note and subordinate Mortgage.

HUD will not accept any documentation regarding the Partial Claim and HUD will not refund any funds to the Mortgagee after the Mortgagee has repaid the Partial Claim in accordance with this section.

(9) Servicing of FHA-HAMP Partial Claims

The Mortgagee remains responsible for servicing the FHA-HAMP Partial Claim until the debt and security instruments are legally recorded in the appropriate jurisdiction and delivered to HUD.

Mortgagees must notify HUD when the first Mortgage is being paid in full or refinanced in order for HUD to provide a payoff figure on a Partial Claim. HUD's [Servicing Contractor](#) must be contacted to request a payoff quote on the outstanding Partial Claim.

(K) Lien Status

The Mortgagee must ensure first lien status of the modified Mortgage and must comply with any applicable state or federal laws and regulations in recording the subordinate FHA-HAMP documents.

(1) Subordination Request

If title to the Property is encumbered with an FHA Title I Mortgage and the Mortgagee servicing the Title II Mortgage has determined that a Subordination Agreement is necessary to ensure HUD's first lien status, the Mortgagee may forward a subordination request to:

U.S. Department of Housing and Urban Development
Home Improvement Branch
451 7th Street, SW, Room 9272
Washington, DC 20410

For Partial Claims or Secretary-held Mortgages, the Mortgagee must contact HUD's Loan Servicing Contractor.

(2) Subordination Notification

If title to the Property is encumbered with an FHA Title I Mortgage which has been assigned to the Secretary and the Mortgagee servicing the Title II Mortgage has determined that a Subordination Agreement is not required to ensure HUD's first lien status, the servicing Mortgagee of the Title II Mortgage may send a written notification to:

U.S. Department of Housing and Urban Development
Albany Financial Operations Center
52 Corporate Circle
Albany, NY 12203

(L) Option Failure

(1) Option Failure as New Default

If the Mortgage becomes Delinquent following use of the FHA-HAMP Option, the Mortgagee must treat this as a new Default and service the Defaulted Mortgage accordingly.

(2) Delivery of FHA-HAMP Documents to HUD

If the Mortgage is foreclosed following use of the FHA-HAMP Option, the Mortgagee must upload the FHA-HAMP Loan Modification into [P260](#) when a [conveyance claim](#) is filed.

(M) FHA-HAMP Incentive

The Mortgagee may claim an [incentive](#) for use of the FHA-HAMP Option if:

- the permanent FHA-HAMP documents are executed within 60 Days of the Borrower's successful completion of their TPP;
- the Mortgagee reports to HUD the characteristics of the FHA-HAMP Loan Modification; and
- three or more full monthly payments are due and unpaid (i.e., 61 Days or more past due) when the FHA-HAMP documents are executed.

(N) No Charge to Borrower for FHA-HAMP Loan Modification

The Mortgagee may not charge the Borrower a fee for processing and recording an FHA-HAMP modification of a Mortgage that is in Default or Imminent Default.

(O) Reporting of FHA-HAMP Loan Modification Terms

The Mortgagee must report in SFDMS the use of FHA-HAMP.

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

When an FHA-HAMP Loan Modification is used, the Mortgagee must report the characteristics of the modified Mortgage, whether or not the Mortgagee is eligible for an incentive for that modification, through [FHAC](#) or EDI.

(P) Loss Mitigation Assumption

(1) Definition

Loss Mitigation Assumption refers to the assumption of personal liability for repayment of the Mortgage in accordance with agreed loss mitigation terms by a non-borrower, who has acquired a title interest in a Property securing an FHA-insured Mortgage and satisfies established criteria for loss mitigation approval.

(2) Standard

The Mortgagee must obtain the signature of each non-borrower assumptor on:

- all associated written agreements for the approved Loss Mitigation Option; and
- an assumption agreement that conforms with applicable state law for assumption of personal liability for repayment of the Mortgage in accordance with agreed loss mitigation terms.

(Q) Non-Incentivized Loan Modification

The Mortgagee may modify Mortgages in Imminent Default. HUD does not offer incentives for these types of Loan Modifications unless performed under FHA-HAMP requirements. See [Modifying a Performing Mortgage](#).

(R) Reporting of Non-Incentivized Loan Modification Terms

The Mortgagee must report in SFDMS the use of a Loan Modification.

If the Mortgage is in Default, the Mortgagee must report the characteristics of all modified Mortgages through [FHAC](#) or EDI. For non-incentivized modifications of performing Mortgages, the Mortgagee must report the characteristics of the Loan Modification in [FHAC](#).

I. Home Disposition Options

Home Disposition Options are the Loss Mitigation Options of PFS and DIL.

2. Default Servicing

ii. Pre-Foreclosure Sales

(A) Definitions

A Pre-Foreclosure Sale (PFS), also known as a Short Sale, refers to the sale of real estate that generates proceeds that are less than the amount owed on the Property and the lien holders agree to release their liens and forgive the deficiency balance on the real estate. There are three types of PFS transactions:

- Streamlined PFS;
- Streamlined PFS for Servicemembers with Permanent Change of Station (PCS) Orders; and
- Standard PFS.

(B) Eligibility

(1) Defaulted Mortgage Status

The Mortgagee may consider the PFS Option for Borrowers who are in Default or who are current but facing Imminent Default. The Borrower need not be in Default for Mortgagee approval of the PFS option; however, on the date the PFS closing occurs, the Mortgagee must ensure that the Mortgage is in Default status (minimum 31 Days Delinquent).

(2) Property Maintenance

Until the PFS transaction has closed, the Borrower must maintain the Property in “ready to show” condition, make basic property repairs, and perform all normal property maintenance activities (e.g., interior cleaning, lawn maintenance, etc.). The Borrower must report all damage and/or repair expenses resulting from fire, flood or other natural causes immediately to the insurance company and Mortgagee.

(3) Borrower Eligibility

(a) Streamlined PFS

(i) Definition

A Streamlined PFS is a PFS Option available for Owner-Occupant and Non-Occupant Borrowers and does not require verification of hardship.

(ii) Streamlined PFS Standards

The Mortgagee must ensure that Non-Occupant Borrowers meet the following requirements:

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

- Borrower(s) are 90 Days or more Delinquent on their FHA-insured Mortgage as of the date of the Mortgagee's review; and
- each Borrower has a credit score of 620 or below.

The Mortgagee must ensure that Owner-Occupant Borrowers meet the following requirements:

- Borrower(s) are 90 Days or more Delinquent on their FHA-insured Mortgage as of the date of the Mortgagee's review;
- each Borrower has a credit score of 620 or below; and
- Borrowers must have been reviewed for Loss Mitigation Home Retention Options as follows:
 - the Borrower has failed a TPP within the last six months;
 - the Borrower has failed on an FHA-HAMP Option within the last two years;
 - the Borrower has been deemed ineligible for a Loss Mitigation Home Retention Option;
 - the Borrower received an SFB - Unemployment but did not otherwise qualify for a permanent Loss Mitigation Home Retention Option by the end of the Special Forbearance period; or
 - the Borrower has been deemed eligible for and offered a Loss Mitigation Home Retention Option. However, all Borrower(s) must have a credit score below 580 and must provide written documentation stating that they choose not to accept the Loss Mitigation Home Retention Option.

(iii) Eligible Properties

The Mortgagee may offer the Streamlined PFS process for all Properties securing FHA-insured Mortgages, provided that all Borrowers meet all program requirements. Such Properties may be vacant but cannot be condemned.

(b) Streamlined PFS for Servicemembers with PCS Orders

(i) Definition

A Streamlined PFS for Servicemembers with PCS Orders is a Streamlined PFS that may be offered to servicemembers who must relocate to a new duty station at least 50 miles away from their existing residence, without the Mortgagee verifying hardship.

(ii) Streamlined PFS for Servicemembers with PCS Orders Standards

The Mortgagee must ensure that servicemembers meet the following requirements for a Streamlined PFS for Servicemembers with PCS Orders:

III. SERVICING AND LOSS MITIGATION

- The servicemember has PCS Orders to relocate to a duty station at least 50 miles away from their existing residence and provides the Mortgagee with a copy of such orders.
- The servicemember submits an affidavit certifying that:
 - the Property securing the FHA-insured Mortgage is or was their Principal Residence when the PCS orders were issued; and
 - new permanent housing has been or will be obtained as a result of the orders.

(iii) Eligible Properties

The Mortgagee may offer the Streamlined PFS process for all Properties securing FHA-insured Mortgages, provided that all Borrowers meet all program requirements. Such Properties may be vacant, but cannot be condemned.

(c) Standard PFS

(i) Definition

A Standard PFS Option is a PFS Option available for Owner-Occupant Borrowers who are experiencing a hardship affecting their ability to sustain their Mortgage, as determined by the Deficit Income Test (DIT) and:

- are in Default; or
- are current or less than 30 Days past due but facing Imminent Default due to a hardship as described in the [Eligible Borrowers](#) section.

(ii) Standard PFS Standards

The Mortgagee must first assess whether the Borrower meets the requirements of a Streamlined PFS Option, prior to reviewing the Borrower for a Standard PFS.

(iii) Eligible Properties

The Mortgagee may offer the Standard PFS process for all owner-occupied Properties securing FHA-insured Mortgages, provided that all Borrowers meet all program requirements.

(iv) Eligible Borrowers

The Mortgagee may consider for Standard PFS transactions those Borrowers in Default or in Imminent Default due to one or more of the following hardships:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- a loss of or reduction in income that was supporting the Mortgage;
- a change in household financial circumstances;
- death of a co-Borrower;
- long-term/permanent illness or disability of a Borrower or dependent Family Member;
- divorce or legal separation of a Borrower; or
- distant employment transfer or relocation greater than 50 miles one-way from the Borrower's current Principal Residence to be closer to employment.

(v) Required Imminent Default Documentation

When approving a Borrower for a Standard PFS based on the Borrower's Imminent Default for one of the reasons listed in the Eligible Borrowers section above, the Mortgagee's Claim Review File must include the following:

- evidence of the Borrower's Imminent Default hardship(s); and
- evidence that the DIT results in a negative value.

(vi) Required Financial Documentation for Standard PFS

Prior to approving a Borrower for a Standard PFS, the Mortgagee must obtain the following documentation of the Borrower's finances:

- for DIT, at least one of the following:
 - at least two of the Borrower's most recent pay stubs or, if self-employed, the most recent quarterly or year-to-date profit and loss statement, compiled by a Certified Public Accountant (CPA);
 - the Borrower's Social Security Income (SSI) statements and/or disability payment statements, if applicable; or
 - the Borrower's most recent Form W-2, Form 1099, or federal tax return; and
- for Cash Reserve contribution calculations, all of the following:
 - the three most recent monthly bank statement(s);
 - the three most recent months of brokerage statement(s); and
 - the most recent federal tax return at the time the Borrower requests an approval for a Standard PFS.

(vii) Deficit Income Test for Standard PFS

Definition

The Deficit Income Test (DIT) is a financial analysis test used for Standard PFS transactions to determine if a Borrower can sustain their Mortgage.

Verification of Income and Expenses

For Standard PFS transactions, to determine a Borrower's income and expenses for the DIT, the Mortgagee must:

- verify the Borrower's monthly net income by obtaining one of the following:
 - at least two of the Borrower's most recent pay stubs or, if self-employed, the most recent quarterly or year-to-date profit and loss statement, compiled by a CPA;
 - the Borrower's SSI statements and/or disability payment statements, if applicable; or
 - the Borrower's most recent Form W-2, Form 1099, or federal tax return; and
- verify the Borrower's monthly expenses by ensuring that all expenses on the Borrower's credit report are factored into the DIT along with any other expenses that are supported by bills, payment receipts, and/or the standard payment amounts under an IRS Index (such as the IRS Collection Financial Standards). For large past-due balances or for accounts included in bankruptcy proceedings, the Mortgagee should refer to the minimum monthly payment required prior to the delinquency when using the DIT.

DIT Calculation

In performing the DIT, the Mortgagee subtracts the Borrower's total monthly expenses from the total monthly net income.

DIT Results

A DIT yielding a negative amount indicates that the Borrower's expenses exceed their income each month and thus a PFS may be an appropriate Loss Mitigation Option for the Borrower.

The Mortgagee must review a Borrower with a positive DIT amount for Loss Mitigation Home Retention Options, unless that Borrower was previously denied for those options or if that Borrower qualifies for a Streamlined Option.

(viii) Exceptions for Non-Owner Occupants in Standard PFS Transactions

HUD authorizes Mortgagees to grant exceptions to Non-Occupant Borrowers when the following can be demonstrated:

- need to vacate: the non-occupancy was related to the cause of Default; and

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

- not purchased/used as rental: the subject Property was not purchased as a rental or used as a rental for more than 18 months prior to the Borrower's acceptance into the PFS Program.

(d) Corporations or Partnerships Requesting PFS Option

The Mortgagee must submit a variance request to use the PFS Option to the NSC via EVARS when the Property is owned by a corporation or partnership.

(4) Property Condition

(a) Surchargeable Damage

(i) Definition

Surchargeable Damage is damage to a Property caused by fire, flood, earthquake, tornado, boiler explosion (for condominiums only) or Mortgagee Neglect.

(ii) Standard

The Mortgagee is responsible for the cost of Surchargeable Damage.

(iii) PFS Request for Damaged Property

The Mortgagee must request NSC approval via EVARS before approving the use of the PFS Option for a Property with Surchargeable Damage as follows:

- The Mortgagee must first obtain the Government's Estimate of the Cost to Repair the Surchargeable Damage by contacting HUD's Mortgagee Compliance Manager ([MCM](#)).
- Upon receipt of the Government's Estimate of the Cost to Repair, the Mortgagee must submit form [HUD-90041](#), *Request for Variance: Pre-foreclosure Sale Procedure*, via EVARS to obtain NSC approval prior to entering into a PFS Agreement with the Borrower. The Mortgagee must note on the variance request the specific reason for the request and attach any supporting documents needed for the NSC's review.

(iv) "As-Is" Subject to Surchargeable Damage

If the Property is being sold "As Is" subject to the Surchargeable Damage, the Mortgagee must deduct the Government's Repair Cost Estimate of the damage from its PFS Claim.

III. SERVICING AND LOSS MITIGATION

(v) “As Repaired” Subject to Surchargeable Damage

If the Property is being sold “As Repaired” and funds for surchargeable repairs will be escrowed or provided as a credit to the Borrower at closing, the Mortgagee must not include in its Net Sale Proceeds calculation the amount of the repair escrow or repair credit.

(b) Damage other than Surchargeable Damage

If the damage is not considered Surchargeable Damage, the Mortgagee is not required to obtain NSC approval prior to approving the PFS Agreement.

(c) Hazard Insurance Claim

Where applicable, the Mortgagee must work with the Borrower to file a hazard insurance claim and either:

- use the proceeds to repair the Property; or
- adjust the PFS Claim by the amount of the insurance settlement (Non-Surchargeable Damage) or the Government’s Repair Cost Estimate.

(d) Disclosure of Damage after PFS Approval

In the event the Mortgagee becomes aware that the Property has sustained significant damage after a Borrower has received the Approval to Participate in the PFS Program, the Mortgagee must re-evaluate the Property to determine if it continues to qualify for the PFS Program or terminate participation if the extent of the damage changes the Property’s Fair Market Value (FMV).

(5) Condition of Title

The Mortgagee must ensure that all FHA-insured mortgaged Properties sold under the PFS Program have marketable title.

Before approving a Borrower for participation in the PFS program, the Mortgagee must obtain a title search or preliminary report and determine whether the title is impaired by:

- unresolvable title problems;
- liens that cannot be discharged as permitted by HUD; or
- a PACE obligation.

(C) PFS Outreach Requirements

(1) Form HUD-90035

When a Borrower has expressed an interest in participating in the PFS program or has been identified by the Mortgagee as a qualified candidate for the PFS Program, the Mortgagee must mail form [HUD-90035](#), *Information Sheet: Pre-*

(2) Disclosure Requirements for PFS Transactions

Before approving the Borrower for the PFS Option, the Mortgagee must notify the Borrower in writing of the following:

- The Mortgage must be in Default on the date the PFS transaction closes, pursuant to section 204(a)(1)(D) of the National Housing Act, 12 U.S.C. 1710.
- PFS transactions are reported to consumer reporting agencies and will likely affect the Borrower's ability to obtain another Mortgage and other types of credit.
- If the Borrower is a servicemember, it is recommended that the Borrower obtain guidance from their employer regarding the PFS's impact on their security clearance and employment.

Where the Property is encumbered with a PACE obligation, the property sales contract must indicate whether the obligation will remain with the Property or be satisfied by the seller at, or prior to closing. Where the obligation will remain, all terms and conditions of the PACE obligation must be fully disclosed to the buyer in accordance with applicable law (state and local) and made part of the sales contract.

(D) Owner-Occupant Borrower Compensation

(1) Compensation Amount

HUD offers Owner-Occupant Borrowers who act in good faith and successfully sell their Properties using the PFS Option a compensation of up to \$3,000 as follows:

- The Owner-Occupant Borrower who is required to make a Cash Reserve contribution may only receive the amount necessary to satisfy those costs, up to the \$3,000 consideration limit.
- The Owner-Occupant Borrower who is not required to make a minimum Cash Reserve contribution may receive any remaining amount for transition or relocation assistance only.

(2) Use of Compensation

The Owner-Occupant Borrower may:

- apply the entire amount of the \$3,000 compensation or a portion of it to resolve liens, including a PACE obligation; and/or
- offset the sales transaction costs not paid by HUD (including a home warranty plan fee, costs of optional repairs, and the buyer's closing expenses).

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

The Mortgagee must instruct the Closing Agent to:

- pay the HUD relocation or transition assistance from Net Sale Proceeds; and
- itemize on the Closing Disclosure or similar legal document any relocation or transition assistance received by HUD or from other entities.

(3) Required Documentation

The Mortgagee must ensure that the Closing Disclosure or similar legal document accurately reflects the use of any Borrower compensation amount.

(E) Cash Reserve Contributions for Standard PFS Transactions

(1) Definition

Cash Reserves include all non-retirement liquid assets available for withdrawal or liquidation from all financial institutions. Such accounts include, but are not limited to, the following:

- brokerage, mutual funds, checking, savings, money market or certificate of deposits, other depository accounts, and stocks;
- other equity instruments such as marketable debt of federal, state, or local governments, Government-Sponsored Enterprises (GSE), corporations and other businesses; and
- other securities and commodities (including futures, traded on an exchange or marketplace generally available to the public) for which values can be readily verified using Schedules B (Interest & Dividends), D (Capital Gains & Losses) and E (Supplemental Income & Loss) of the Borrower's most recent federal tax return.

(2) Standard

Before approving a Borrower to participate in a Standard PFS transaction, the Mortgagee must:

- calculate the total Cash Reserves using the highest ending balance of each Cash Reserve asset; and
- disclose to the Borrower the amount of the Borrower's Cash Reserve contribution to be applied towards the Standard PFS transaction.

HUD does not require Cash Reserve contributions for Streamlined PFS transactions.

(3) Cash Reserve Contribution Threshold

The Cash Reserve contribution threshold is \$5,000.

(4) Cash Reserves Greater than the Threshold

The Mortgagee must require the Borrower with Cash Reserves greater than the contribution threshold to contribute 20 percent of the total amount exceeding the contribution threshold towards the mortgage debt.

The Mortgagee must not require the Borrower to contribute more than the difference between the unpaid principal balance and the appraised value of the Property.

(5) Cash Reserves At or Below the Threshold Amount

If the Cash Reserve calculation returns an amount at or below the contribution threshold amount, or a negative amount, the Mortgagee is not required to obtain a contribution from the Borrower in connection with the PFS transaction.

(F) PFS Program Participation Requirements

(1) Approval to Participate

(a) Definition

A PFS Approval to Participate is an agreement signed by the Borrower to confirm their willingness to comply with the PFS Program requirements.

(b) Standard

After determining that a Borrower and Property meet the PFS eligibility requirements, the Mortgagee must notify the Borrower by sending:

- an Approval to Participate in the PFS Program (form [HUD-90045, Approval to Participate](#)), including the date by which the Borrower's Sales Contract must be executed under [Pre-Foreclosure Sale Marketing Period](#) guidance; and
- a Pre-Foreclosure Sale Addendum.

The Mortgagee must send these documents to the Borrower via methods providing confirmation or a timestamp of delivery.

The Mortgagee must receive the signed Approval to Participate within 10 Days of the date on the Approval to Participate.

(2) Use of Real Estate Broker

(a) Borrower Retention of Real Estate Broker

The Borrower is responsible for retaining the services of a real estate broker/agent within seven Days of the date of the Approval to Participate.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

(b) Required Listing Disclosure

The Mortgagee must ensure that the established Listing Agreement between the seller and the agent/broker includes the following cancellation clause: “Seller may cancel this Agreement prior to the ending date of the listing period without advance notice to the Broker, and without payment of a commission or any other consideration if the Property is conveyed to the mortgage insurer or the mortgage holder. The sale completion is subject to approval by the mortgagee.”

(c) Real Estate Broker Duties

The real estate broker/agent must market the Property within the pre-established time frame stated in the Approval to Participate and list the Property in accordance with the [property valuation](#) requirements.

(d) Real Estate Broker Conflicts of Interest

The real estate broker/agent selected must have no conflict of interest with the Borrower, the Mortgagee, the Appraiser or the buyer associated with the PFS transaction. The broker/agent must not claim a sales commission on a PFS of a broker's/agent's own Property or that of a spouse, sibling, parent, or child.

Any conflict of interest, appearance of a conflict, or self-dealing by any of the parties to the transaction is strictly prohibited.

(3) Arm's Length PFS Transaction

(a) Definition

An Arm's Length PFS Transaction is between two unrelated parties that is characterized by a selling price and other conditions that would prevail in an open market environment and without hidden terms or special understandings existing between any of the parties (e.g., buyer, seller, Appraiser, sales agent, Closing Agent, and Mortgagee).

(b) Standard

The Mortgagee must ensure that the following arms-length requirements apply to parties involved in PFS transactions:

- Any PFS proposed by the Borrower or their agent and approved by the Mortgagee must be an Arm's Length Transaction between the Borrower and prospective buyer, subject to the exceptions in the [Permitted Non-Arms-Length Transaction](#) section.
- Except for real estate agents and brokers representing a party to the PFS, no party that is a signatory on the sales contract, including addenda, can serve in more than one capacity.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- The broker hired to sell the Property must not share a business interest with the Mortgagee. If the Mortgagee knows that a shared interest exists between Appraiser and sales agent, the Mortgagee must note this in the Claim Review File.
- All doubts will be resolved in a manner to avoid a conflict of interest, the appearance of conflict, or self-dealing by any of the parties.

(c) Permitted Non-Arms-Length Transactions

HUD permits non-Arm's Length PFS Transactions, to the extent necessary to comply with state law, where state law prohibits placement of an Arm's Length Transaction requirement on property sales.

If clauses (a) and (c) of the PFS Addendum are impermissible under state law, the Mortgagee may strike these clauses from the PFS Addendum prior to execution, provided that the transaction complies with all PFS program requirements.

(d) Relocation Service Contribution

The Mortgagee may permit a Relocation Service affiliated with the Borrower's employer to contribute a fixed sum towards the proceeds of the PFS transaction without altering the arms-length nature of the sale, so long as the result is an outright sale of the Property and cancellation of the FHA mortgage insurance.

(4) Mortgagee Monitoring of PFS Transaction

The Mortgagee must monitor the PFS transaction in its entirety to ensure the Borrower's compliance with the terms in the Approval to Participate and with all PFS Program requirements.

The Mortgagee must terminate a Borrower's participation in the PFS Program in the event of noncompliance.

(5) Property Maintenance

The Mortgagee must inspect Properties during the PFS period if:

- the Property is [vacant](#);
- the Mortgagee has reason to suspect that the Property has become vacant; or
- the Borrower or Authorized Third Party has not maintained contact with the Mortgagee.

(G) Property List Price and Valuation

(1) List Price

The Mortgagee must ensure that the Borrower lists the Property for sale at no less than the “As Is” value as determined by an appraisal completed in accordance with the requirements in the [Appraiser and Property Requirements for Title II Forward and Reverse Mortgages](#) section of this *SF Handbook*.

(2) Appraisals

(a) Standard

The Mortgagee must obtain a standard electronically-formatted appraisal performed by an [FHA Roster Appraiser](#) pursuant to the following requirements:

- The appraisal must contain an “As-Is” FMV for the subject Property.
- A copy of the appraisal must be provided to the homeowner, sales agent, or HUD, upon request.

(b) Appraisal Validity Period

The as-is appraisal used for a PFS transaction is valid for 120 Days. If a Mortgagee determines that a subsequent as-is appraisal is required, the Mortgagee may obtain a new as-is appraisal, even if the Property was appraised by an FHA Roster Appraiser within the preceding 120 Days.

(c) Required Analysis and Reporting of a PACE Obligation

The Appraiser must review the sales contract and property tax records for the Property to determine the amount outstanding and the terms of the PACE obligation:

- if the Mortgagee notifies the Appraiser that the subject Property will remain subject to a PACE obligation;
- when the Appraiser observes that the property taxes for the subject Property are higher than average for the neighborhood and type of dwelling; or
- when the Appraiser observes energy-related building components or equipment or is aware of other PACE-allowed improvements during the inspection process.

The Appraiser must report the outstanding amount of the PACE obligation for the subject Property and provide a brief explanation of the terms.

Where energy and other PACE-allowed improvements have been made to the Property through a PACE program, and the PACE obligation will remain outstanding, the Appraiser must analyze and report the impact on value of the

(3) Request for Variance for Property Valuation

(a) Standard

A Mortgagee must submit a request for a variance through EVARS to approve a PFS transaction if one of the following conditions exists:

- the current appraised value of the Property is less than the unpaid principal balance by an amount of \$75,000 or greater;
- the appraised value is less than 50 percent of the unpaid principal balance; or
- the appraisal is deemed unacceptable because the as-is value cannot be affirmed using a Broker's Price Opinion (BPO) or Automated Valuation Model (AVM) within 10 percent of the value.

(b) Variance Request

The Mortgagee must note on the variance request the specific reason for the request and attach any supporting documents needed for HUD review. The Mortgagee must obtain approval before authorizing the marketing of the Property.

(4) Broker's Price Opinions and Automated Valuation Models

(a) Standard

When the appraisal has been deemed unacceptable, the Mortgagee must obtain a BPO or AVM that is within 10 percent of the value of the Property as determined by the as-is appraisal performed by an FHA Roster Appraiser. An acceptable BPO or AVM is one that is utilized by the Mortgagee in its existing standard business processes.

(b) Required Documentation

The Mortgagee must retain in the Claim Review File a copy of the BPO or AVM supporting the Property Value.

(H) Pre-Foreclosure Sale Marketing Period

This 15-Day minimum marketing period must occur during the Marketing Period following the date of the Borrower's Approval to Participate.

(3) Extension to PFS Marketing Period

HUD provides an automatic two-month extension to the deadline to initiate foreclosure for completion of a PFS transaction under the following conditions:

- the Mortgagee has an "A" TRS II/Tier 1 score under HUD's TRS II; or
- there is a signed Contract of Sale, but settlement has not occurred by the end of the fourth month following the date of the Borrower's Approval to Participate in the PFS Program.

(4) Monthly Review of Marketing Status

On a monthly basis, Mortgagees must review the Property's marketing status with the Borrower and/or real estate broker/agent.

(5) Previously Initiated Foreclosures

The Mortgagee must not cancel a foreclosure to initiate a PFS marketing period for a Property of a Borrower meeting the PFS eligibility requirements. The Mortgagee may only cancel a scheduled foreclosure sale if the Mortgagee has received an acceptable Contract of Sale that meets the PFS requirements.

(I) Evaluation of Offers

(1) Standard

The Mortgagee must receive from the listing real estate agent/broker an offer that:

- yields the highest net return to HUD; and
- meets HUD's requirements for bids.

The listing agent/broker must ensure that:

- all offers submitted to the Mortgagee for approval are signed by both the seller and the buyer prior to submission; and
- the PFS Addendum is signed by all of the applicable parties (except for the Closing Agent).

(2) Back-up Offers

Once an offer has been submitted to the Mortgagee for approval, the listing agent/broker must retain any offer that the seller elects to hold for “back-up” until a determination has been made on the previously submitted offer.

(3) Required Documentation

The listing agent/broker must retain all offers received, including offers not submitted for approval, in accordance with state law.

(J) Contract Approval by Mortgagee

(1) Standard

In reviewing the Contract of Sale, the Mortgagee must:

- ensure that the PFS sale is an outright sale of the Property and not a sale by assumption;
- review the sales documentation to determine that there are:
 - no hidden terms or special agreements existing between any of the parties involved in the PFS transaction; and
 - no contingencies that might delay or jeopardize a timely settlement; and
- determine that the Property was marketed pursuant to HUD requirements and that the minimum required Tiered Net Sale Proceeds have been met.

The following anti-fraud measures apply to PFS transactions:

- A Mortgagee must not approve a Borrower for a PFS if the Mortgagee knows or has reason to know of a Borrower’s fraud or misrepresentation of information.
- All parties involved in a PFS transaction must sign and date a PFS Addendum as a contingency for a PFS transaction to close.

(2) Sales Contract Review Period

After receiving an executed Contract of Sale from the Borrower, the Mortgagee must send to the Borrower form [HUD-90051](#), *Sales Contract Review*, no later than five business days from the Mortgagee’s receipt of an executed Contract for Sale.

(3) Net Sale Proceeds

(a) Definition

Net Sale Proceeds are the proceeds of a PFS sale, calculated by subtracting reasonable and customary closing and settlement costs from the property sales price.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

(b) Standard

Regardless of the Property's sale price, a Mortgagee may only approve a PFS Contract for Sale if the Tiered Net Sale Proceeds are at or above HUD's minimum allowable thresholds. HUD's requirements for minimum Tiered Net Sale Proceeds, as based on the length of time a Property has been competitively marketed for sale under an Approval to Participate, are as follows:

- First 30 Days of marketing: The Mortgagee may only approve offers that will result in minimum Net Sale Proceeds of 88 percent of the "as-is" appraised FMV.
- Next 30 Days of marketing: The Mortgagee may only approve offers that will result in minimum Net Sale Proceeds of 86 percent of the "as-is" appraised FMV.
- For the remaining duration of the PFS marketing period: The Mortgagee may only approve offers that will result in minimum Net Sale Proceeds of 84 percent of the "as-is" appraised FMV.

The Mortgagee has the discretion to deny or delay sales where an offer may meet or exceed the 84 percent, if it is presumed that continued marketing would likely produce a higher sale amount.

The Mortgagee is liable for any FHA Insurance Claim Overpayment on a PFS transaction that closes with less than the required Tiered [Net Sale Proceeds](#), unless a variance has been granted by HUD.

(c) Settlement Costs

(i) Allowable Settlement Costs

The Mortgagee may include the following settlement costs in its Net Sale Proceeds calculation:

- sales commission consistent with the prevailing rate but, not to exceed 6 percent;
- real estate taxes prorated to the date of closing;
- local/state transfer tax stamps and other closing costs customarily paid by the seller, including the seller's costs for a Title Search and Owner's Title Insurance;
- compensation payable to the Owner-Occupant Borrower of \$3,000, if not required to pay a cash contribution;
- upon extinguishing the Owner-Occupant Borrower's compensation of \$3,000, HUD will allow an additional \$1,500 of Net Sale Proceeds to be used to resolve junior liens, for a total of \$4,500;
- for Non-Occupant Borrowers, HUD will allow \$1,500 of Net Sale Proceeds to be used to resolve junior liens;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- the entire outstanding Partial Claim amount must be paid when calculating the Net Sale Proceeds. The seller, buyer, or other Interested Party may contribute the difference if the amount of Net Sale Proceeds falls below the allowable threshold; and
- up to 1 percent of the buyer's first mortgage amount if the sale includes FHA financing.

(ii) Unacceptable Settlement Costs

The Mortgagee must not include the following costs in the Net Sale Proceeds calculation:

- repair reimbursements or allowances;
- home warranty fees;
- discount points or mortgage fees for non FHA-financing;
- Mortgagee's Title Insurance fee; and
- [third-party fees](#) incurred by the Mortgagee or Borrower to negotiate a PFS.

(d) Third-Party Fees

With the exception of reasonable and customary real estate commissions, the Mortgagee must ensure that third-party fees incurred by the Mortgagee or Borrower to negotiate a PFS are not included on the Closing Disclosure or similar legal documents unless explicitly permitted by state law.

The Mortgagee, its agents, or any outsourcing firm it employs must not charge any fee to the Borrower for participation in the PFS Program.

(e) Partial Claim

The Mortgagee must ensure that all outstanding Partial Claims are paid in full.

The Mortgagee must deduct any outstanding balance on a Partial Claim Note from the [Net Sale Proceeds](#). The Mortgagee must send proceeds from the PFS sufficient to satisfy the Partial Claim directly to HUD's Loan Servicing Contractor.

If, after satisfying the Partial Claim, the Net Sale Proceeds fail to meet the applicable Tiered Net Sale Proceeds requirement, the Mortgagee must request and obtain approval from HUD via EVARS before closing.

(4) Title I Liens

If the Mortgagee discovers that a Borrower has a HUD Title I Mortgage secured by the Property, the Mortgagee must contact the Title I subordinate lien holder to advise of the Borrower's participation in a PFS. HUD may require the Mortgagee to negotiate the release of the lien in order to proceed with a PFS.

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

If the Title I Mortgage has been assigned to HUD, the Mortgagee must contact HUD's Financial Operations Center for guidance:

52 Corporate Circle
Albany, New York 12203.
1-800-669-5152/ fax (518) 862-2806

(5) Section 235 Recapture

The Mortgagee must first determine if the Mortgage is subject to recapture as referenced in [Section 235 Mortgages](#). If a recapture amount is owed to HUD, the Mortgagee must contact HUD's [Servicing Contractor](#) prior to approving the PFS.

(K) Closing and Post-Closing Responsibilities

Prior to closing, the Mortgagee must provide the Closing Agent with:

- form [HUD-90052](#), *Closing Worksheet*, which lists all amounts payable from Net Sale Proceeds; and
- the PFS Addendum that was signed by:
 - buyers;
 - buyers' agent;
 - sellers;
 - sellers' agent (listing agent);
 - escrow closing agent; and
 - transaction facilitators/negotiators, if applicable.

The Mortgagee will receive from the Closing Agent a calculation of the actual Net Sale Proceeds and a copy of the Closing Disclosure or similar legal document.

(1) Mortgagee Review of Final Terms of PFS Transaction

The Mortgagee must ensure that:

- the final terms of the PFS transaction are consistent with the purchase contract;
- only allowable settlement costs have been deducted from the seller's proceeds;
- the Net Sale Proceeds will be equal to or greater than the allowable thresholds;
- form HUD-90052 is included in the Claim Review File; and
- they report the PFS Sale to consumer reporting agencies.

(2) Closing Agent Responsibilities after Final Approval

Once the Mortgagee gives final approval for the PFS and the settlement occurs, the Closing Agent must:

- pay the expenses out of the Net Sale Proceeds and forward the Net Sale Proceeds to the Mortgagee;
- forward a copy of the Closing Disclosure or similar legal document to the Mortgagee to be included in the Claim Review File no later than three business days after the PFS transaction closes; and
- sign the PFS Addendum on or before the date the PFS transaction closes, unless explicitly prohibited by state statute.

(3) Satisfaction of Mortgage Debt

Upon receipt of the portion of the Net Sale Proceeds designated for mortgage satisfaction, the Mortgagee must satisfy the Mortgage debt and may file a [claim for mortgage insurance benefits](#).

(4) Discharge of Junior Liens

The Mortgagee must provide for the discharge of junior liens as follows:

- If the Borrower has the financial ability, the Borrower must be required to satisfy or obtain release of liens.
- If the Owner-Occupant Borrower receives compensation (\$3,000), this compensation may be applied towards discharging liens.
- If no other sources are available, both the Owner-Occupant Borrower and the Non-Occupant Borrower may obligate up to an additional \$1,500 from sale proceeds towards discharging liens or encumbrances.

(L) Early Termination of PFS Program Participation

(1) Standard

(a) Borrower-Initiated Termination

The Mortgagee must permit a Borrower to voluntarily terminate participation in the PFS Program at any time.

(b) Mortgagee-Initiated Termination

The Mortgagee may terminate a Borrower's PFS Program participation at its discretion for any of the following reasons:

- discovery of unresolvable title problems;
- determination that the Borrower is not acting in good faith to market the Property;
- significant change in property condition or value; or

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

- re-evaluation based on new financial information provided by the Borrower that indicates that the case does not qualify for the PFS Option.

(c) Notification of PFS Program Participation Termination

The Mortgagee must forward to the Borrower a date-stamped written explanation for terminating their program participation. This letter is to include the “end-of-participation” date for the Borrower.

(2) Required Documentation

The Mortgagee must retain a copy of the Notification of PFS Program Participation Termination in the servicing file.

(M) Failure to Complete a PFS Transaction

At the expiration of the PFS marketing period, should the Borrower be unable to complete a PFS transaction, the Mortgagee must re-evaluate available Loss Mitigation Options as follows:

- determining eligibility for one of the Loss Mitigation Home Retention Options, if the Borrower’s financial condition has improved to the point that reinstatement is a viable option; and
- trying to obtain a DIL of Foreclosure, if reinstatement is not feasible.

Within 90 Days after the expiration of the PFS marketing period, the Mortgagee must consider and approve the Borrower for an alternate Loss Mitigation Option or complete the first legal action to initiate foreclosure.

Should additional time be needed to complete a DIL or to initiate foreclosure, Mortgagees must submit a request for an extension of time to the NSC via EVARS.

(N) Extensions of Foreclosure Time Frame for PFS

(1) Standard

After PFS early termination or option failure, HUD provides an automatic 90-Day extension to the [deadline](#) to complete a Loss Mitigation Option or to perform the first legal action initiating foreclosure. The automatic 90-Day extension begins the Day after the PFS Approval to Participate expires or is terminated.

If the Mortgagee has not yet received the Net Sale Proceeds from the Closing Agent and the automatic 90-Day extension is nearing expiration, the Mortgagee must submit a request for extension to the NSC via EVARS.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

(2) Required Documentation

The Mortgagee must note the use of any extensions, whether automatic or requested, on form HUD-27011.

(O) Deficiency Judgments

If a foreclosure occurs after the Borrower unsuccessfully participated in the PFS process in good faith, neither the Mortgagee nor HUD will pursue the Borrower for a deficiency Judgment.

(P) PFS Incentive

The Mortgagee may claim an [incentive](#) for each completed PFS transaction that complies with all HUD PFS requirements.

(Q) Mortgage Insurance Termination

The Mortgagee must not submit a mortgage insurance termination on PFS transactions. HUD can only pay FHA mortgage insurance benefits when the status of the mortgage insurance is “active.”

(R) Reporting of PFS

The Mortgagee must report in SFDMS the appropriate Claim Termination of Insurance Code to indicate when the PFS has been held.

iii. Deed-in-Lieu of Foreclosure

(A) Definition

A Deed-in-Lieu (DIL) of Foreclosure is a Loss Mitigation Home Disposition Option in which a Borrower voluntarily offers the deed as collateral Property to HUD in exchange for a release from all obligations under the Mortgage. There are three types of DIL transactions:

- Streamlined DIL;
- Streamlined DIL for Servicemembers with PCS Orders; and
- Standard DIL.

(B) Eligibility

(1) Mortgage Status

The Mortgagee must ensure that the Mortgage meets the following eligibility requirements for the DIL Option:

- the Mortgage is in Default and the cause of Default must be incurable; or

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- the Borrower is at risk of Imminent Default and the Borrower provides to the Mortgagee documentation that supports their Imminent Default.

(2) Borrower Eligibility

HUD expects Borrowers to first attempt to market the Property under the PFS Program prior to use of the DIL Option.

(a) Streamlined DIL

(i) Definition

A Streamlined Deed-in-Lieu (DIL) is a DIL transaction for Owner-Occupant Borrowers and Non-Occupant Borrowers and does not require verification of hardship.

(ii) Streamlined DIL Standards

The Mortgagee must ensure that the Borrowers:

- meet the requirements for [Streamlined PFS transactions](#); and
- have attempted to complete a PFS transaction.

(iii) Eligible Properties

The Mortgagee may offer the Streamlined DIL process for all Properties securing FHA-insured Mortgages, provided that all Borrowers meet all program requirements. Such Properties may be vacant, but cannot be condemned.

(b) Streamlined DIL for Servicemembers with PCS Orders

(i) Definition

A Streamlined DIL for Servicemembers with PCS Orders Option is a Streamlined DIL that may be offered to servicemembers who must relocate to a new duty station at least 50 miles away from their existing residence, without the Mortgagee verifying hardship.

(ii) Streamlined DIL for Servicemembers with PCS Orders Standards

The Mortgagee must ensure that servicemembers meet the requirements for a [Streamlined PFS for Servicemembers with PCS Orders](#) and have attempted to complete a PFS Option.

(iii) Eligible Properties

The Mortgagee may offer the Streamlined DIL process for all Properties securing FHA-insured Mortgages, provided that all Borrowers meet all

program requirements. Such Properties may be vacant, but cannot be condemned.

(c) Standard DIL

(i) Definition

A Standard DIL is a DIL available for Owner-Occupant Borrowers who experienced a verifiable hardship that has affected their ability to sustain their Mortgage but who do not meet the requirements of a Streamlined DIL Option.

(ii) Standard DIL Standard

Borrowers applying for the Standard DIL Option must provide verification of hardship and must submit a Complete Loss Mitigation Request for review. The Mortgagee must evaluate the Borrower's financial information to determine whether the Borrower's financial circumstances have changed to make them eligible for other Loss Mitigation Options.

(d) DIL Exceptions for Borrowers with More than One FHA-Insured Mortgage

The Mortgagee must submit a request for NSC approval via EVARS for approval to offer a DIL Option to a Borrower who owns more than one FHA-insured Property.

(e) Exceptions for Non-Occupant Borrowers in Standard DIL Transactions

HUD authorizes Mortgagees to offer Standard DIL to Non-Occupant Borrowers when the following can be demonstrated:

- Need to vacate: the non-occupancy was related to the cause of Default; or
- Not purchased/used as rental: the subject Property was not purchased as a rental or used as a rental for more than 18 months prior to the offering of the DIL Option.

The Mortgagee must submit a variance request to use the DIL Option to the NSC via EVARS when the Property is owned by a corporation or partnership.

(3) Condition of Title

The Borrower or Mortgagee must be able to convey a clear and marketable title to the Secretary. The Mortgagee must obtain a title search or preliminary report and determine whether the title is impaired by:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- unresolvable title problems;
- liens that cannot be discharged as permitted by HUD; or
- a PACE obligation.

(4) Deficiency Judgment

HUD will not accept a DIL when it has elected to pursue a deficiency Judgment against the Borrower.

(C) Disclosure Requirements for DIL

Before approving a Borrower for a DIL, the Mortgagee must notify the Borrower in writing of the following:

- The Mortgage must be in Default on the date the DIL special warranty deed is executed, pursuant to Section 204 of the National Housing Act (12 U.S.C. 1710).
- DIL transactions are generally reported to consumer reporting agencies, and will likely affect the Borrower's ability to obtain another Mortgage and other types of credit.
- If the Borrower is a servicemember, it is recommended that the Borrower obtain guidance from their employer regarding the DIL's impact on their security clearance and employment.

(D) Cash Reserve Contributions for Standard DIL Transactions

(1) Standard

Prior to approving a Borrower to participate in a Standard DIL transaction, the Mortgagee must calculate and disclose to the Borrower the amount of the Borrower's Cash Reserve contribution to be applied towards the Standard DIL transaction. HUD does not require Cash Reserve contributions for Streamlined DIL transactions.

The Mortgagee must calculate the total Cash Reserves using the highest ending balance of each cash reserve asset.

(2) Cash Reserve Contribution Threshold

The Cash Reserve contribution threshold is \$5,000.

(3) Cash Reserves Greater than the Threshold

The Mortgagee must require the Borrower with Cash Reserves greater than the contribution threshold to contribute 20 percent of the total amount exceeding the contribution threshold towards the mortgage debt.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

The Mortgagee must not require the Borrower to contribute more than the difference between the unpaid principal balance and the appraised value of the Property. If the appraisal used for the PFS program is no longer valid, the Mortgagee may use the most recently obtained appraisal for the purpose of calculating the Cash Reserve contribution.

(4) Cash Reserves At or Below the Threshold Amount

If the Cash Reserve calculation returns an amount at or below the contribution threshold amount, or a negative amount, the Mortgagee is not required to obtain a contribution from the Borrower in connection with the DIL transaction.

(E) DIL Borrower Consideration

(1) Consideration Amount

HUD offers Owner-Occupant Borrowers a consideration of up to \$2,000 upon vacating the Property and satisfaction of the requirements of the DIL Agreement. HUD will not pay this consideration if the Property is occupied at conveyance.

(2) Use of Consideration Amount

The Owner-Occupant Borrower may apply the entire amount of the consideration or a portion of it to resolve liens, including PACE obligation liens.

The Owner-Occupant Borrower who is required to make a Cash Reserve contribution may only receive the amount necessary to satisfy liens, up to the consideration limit.

(F) DIL Agreement

(1) Standard

The Borrower and the Mortgagee must execute a DIL Agreement in writing. HUD does not require a specific format for documenting a DIL Agreement. The Mortgagee must ensure that the DIL documentation is in compliance with all applicable laws and regulations.

(2) DIL Agreement Terms

The Mortgagee must ensure that the DIL Agreement contains the following:

- certification that the Borrower does not own other Property subject to a Mortgage insured by or held by HUD;
- the Transfer Date;
- notification of possible income tax consequences;
- acknowledgement that Borrowers who comply with all requirements of the Agreement will not be pursued for deficiency Judgments;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- a statement describing the physical condition in which the Property will be conveyed;
- agreement with the Borrower to convey the Property vacant and free of Personal Property, unless HUD has approved an Occupied Conveyance;
- itemization of keys, built-in-fixtures, and equipment to be delivered by the Mortgagee on or before the Transfer Date;
- evidence that utilities, assessments, and HOA dues are paid in full by the Transfer Date, unless otherwise agreed to by all parties; and
- the amount of consideration payable to and/or on behalf of the Borrower will not exceed \$2,000.

(3) Required Documentation

The Mortgagee must retain a copy of the executed DIL Agreement in the Claim Review File.

(G)DIL Conveyance to HUD

(1) Mortgage in Default

The Mortgagee must ensure that the Mortgage is in Default when the DIL is recorded and the Property conveyed to HUD.

(2) Discharge of Liens

The Mortgagee must provide for the discharge of liens as follows:

- The Mortgagee must complete a title search and must ensure that the secure release of liens and/or endorsements to the title policy are obtained.
- HUD will not accept titles subject to most liens, including IRS and HOA liens. HUD will allow liens securing repayment of Section 235 assistance payments, Partial Claim advances, and Title I liens.
- HUD will allow a notice of lien recorded in the land records securing repayment of a PACE obligation that may only become subject to an enforceable claim (i.e., a lien) for delinquent regularly scheduled PACE special assessment payments and otherwise complies with the eligibility and acceptability criteria for Properties encumbered with a PACE obligation provided in Section II.A.1.b.iv(A)(6) of the prior *SF Handbook* published in December 2016.
- If the Owner-Occupant Borrower receives consideration, this consideration may be applied towards discharging liens.

(3) Special Warranty Deed

The Borrower and the Mortgagee must convey the Property through a special warranty deed and, when possible, the Borrower must convey title directly to

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

HUD. The Mortgagee must cancel and surrender to the Borrower the original credit instrument, indicating that the Mortgage has been satisfied.

If it is necessary to convey title to the Mortgagee, and then to HUD, the Mortgagee must document the reason in the Claim Review File.

(4) Conveyance Time Frame

The Mortgagee must record the special warranty deed and deliver the original, recorded deed to HUD's [MCM](#) within 45 Days of the date the clear and marketable title was conveyed to the Secretary.

(5) Occupied Properties

The Mortgagee must ensure that the Property is vacant at the time of conveyance.

HUD will not accept a DIL if the collateral Property is occupied at the time of conveyance to HUD, unless authorized for [Occupied Conveyance](#).

(6) Option Not to Convey

The Mortgagee may elect not to convey title to HUD and to terminate the contract of mortgage insurance. If this occurs, the Mortgagee must use form HUD-27050-A in [FHAC](#) to notify HUD.

(H) DIL Compensation

The Mortgagee may submit a claim for an [incentive](#) for each completed DIL transaction that complies with all HUD DIL requirements.

(I) Extensions for Foreclosure Time Frames

The Mortgagee must complete the DIL or initiate foreclosure within six months of the date of Default as follows, unless the Mortgagee qualified for an automatic 90-Day extension by first attempting a Loss Mitigation Option or has received an extension approved by the NSC via EVARS:

- If the DIL follows a failed SFB-Unemployment Agreement or PFS, the DIL must be completed or foreclosure initiated within 90 Days of the failure.
- If the DIL follows any other Loss Mitigation Option, it must be completed or foreclosure initiated within six months of the date of Default.

(J) Reporting to Consumer Reporting Agencies and the IRS

The Mortgagee must not report DIL transactions to consumer reporting agencies as foreclosures.

(K) Reporting of DIL

The Mortgagee must report in SFDMS the appropriate Claim Termination of Insurance Code to indicate when the DIL was completed.

m. Loss Mitigation Incentives

The Mortgagee may submit a [claim](#) for an incentive for the successful completion of the approved Loss Mitigation Actions listed below.

Loss Mitigation Action	Compensation
SFB-Unemployment	\$100 (\$200 for Mortgagees with an “A” TRS II/ Tier 1 Score).
FHA-HAMP	\$500 for an FHA-HAMP Partial Claim. \$750 for an FHA-HAMP Loan Modification, plus up to \$250 for reimbursement of title search, endorsement to the title policy, and/or recording fees actually incurred.
PFS	\$1,000
DIL	\$250

Mortgagees receiving “Pay for Success” payments from the U.S. Department of Treasury are still eligible to receive Loss Mitigation incentives from FHA.

n. Non-Monetary Default

By executing the deed of trust and Note for an FHA-insured Mortgage, the Borrower agrees to submit the monthly Mortgage Payment by the first of each month and to adhere to the uniform covenants listed in the deed of trust and Note. The following provides guidance associated with the Borrower’s failure to adhere to these covenants.

i. Definition

Non-Monetary Default is a Default where the Borrower fails to perform obligations, other than making monthly payments, contained in the mortgage security instrument for a period of 30 Days.

ii. Mortgagee Cure

When the Non-Monetary Default may be cured or otherwise resolved by Mortgagee action without resorting to foreclosure action, the Mortgagee must advance and charge to the Borrower all amounts due for servicing activities, as defined in the mortgage agreement, if:

- the Borrower fails to make required payments or charges;
- the Borrower fails to perform any other covenants and agreements contained in the security instrument; or
- there is a legal proceeding that may affect the Mortgagee’s rights in the Property.

iii. Hazard Insurance

If the Borrower fails to maintain hazard insurance coverage when it is stated as an obligation in the Mortgage, the Mortgagee may advance funds or force-place insurance as follows.

(A) Mortgagee Advances

The Mortgagee may advance the funds to pay the renewal premiums. The Mortgagee must renew the same type of policy and the same coverage carried previously by the Borrower.

(B) Force-Placed Insurance

If Borrowers fail to renew hazard insurance coverage when required, the Mortgagee may force-place Hazard and/or Flood Insurance where consistent with federal regulations. While the Mortgagee may, at its discretion, obtain more coverage than is necessary to protect the Mortgagee's interest, HUD limits its reimbursement of these [premiums](#).

iv. Taxes, Assessments and Government or Municipal Charges

The Mortgagee may advance funds and charge the Borrower when the Borrower fails to pay taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions not included in the Borrower's monthly Mortgage Payment.

v. Homeowners' Association Fees

If the Borrower fails to pay Condominium/HOA Fees, the Mortgagee must take any action necessary to protect the first lien position of the FHA-insured Mortgage against foreclosure actions brought by a condominium/HOA or any other junior lien holder.

vi. Code Violations

If the Borrower fails to address a code violation notice from the municipality where the Property is located, the Mortgagee must perform activities necessary to preserve and protect the Property, as authorized under the security instruments. See [Mortgagee Property Preservation and Protection](#).

vii. Demolition Orders

The Mortgagee must forward copies of all notices pertaining to demolition orders and hearings to HUD's [MCM](#) immediately upon discovery.

The MCM will advise the Mortgagee as to whether to proceed with the demolition or to postpone the demolition until after conveyance to HUD.

RESERVED FOR FUTURE USE

This section is reserved for future use, and until such time, FHA-approved Mortgagees and any other interested participants must continue to comply with all applicable law and existing Handbooks, Mortgagee Letters, Notices and outstanding guidance applicable to their participation in FHA programs.

p. Claims Without Conveyance of Title

i. Definitions

A Claims Without Conveyance of Title (CWCOT) is a procedure under which the Mortgagee attempts to secure a third party purchaser for the mortgaged Property so that conveyance to HUD is not required in exchange for mortgage insurance benefits.

A Competitive Sale is a CWCOT-related sale where a Mortgagee elects to use an independent third-party provider to conduct the foreclosure sale or in connection with any Post-Foreclosure Sales Efforts and where the Property is marketed for a minimum of 15 Days.

A Non-Competitive Sale is a CWCOT-related sale where a Mortgagee elects not to use an independent third-party provider to conduct the foreclosure sale or in connection with any Post-Foreclosure Sales Efforts and/or the Property is not marketed for a minimum of 15 Days.

ii. Qualification Criteria for Use of Commissioner's Adjusted Fair Market Value

(A) Definition

The Commissioner's Adjusted Fair Market Value (CAFMV) is the estimate of the FMV of the mortgaged Property, less adjustments, which may include without limitation, HUD's estimate of holding costs and resale costs that would be incurred if title to the mortgaged Property were conveyed to HUD.

(B) Standard [Text was deleted in this section.]

Unless otherwise required by statute or jurisdiction, the Mortgagee must use the CAFMV for all foreclosure sales and Post-Foreclosure Sales Efforts for Mortgages in Default when all of the following criteria are met:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- the FHA mortgage insurance is still active for the FHA case number;
- the Mortgagee has worked with the Borrower to exhaust all Home Retention Options and has determined that the Borrower's case does not meet the criteria for a Home Disposition Option, or the Mortgagee has been unable to locate the Borrower, and the Property is vacant or has been abandoned by the Borrower;
- the Property has no Surchargeable Damage; and
- the Mortgagee's projected conveyance claim amount would be equal to or greater than the CAFMV.

(C) Small Servicer Exemption

(1) Definition

Small Servicers are those Servicers defined in 12 CFR 1026.41(e)(4)(ii).

(2) Standard

HUD permits but does not require the use of CAFMV by small servicers.

iii. Property Valuation and CAFMV

(A) Required Appraisal

Unless otherwise directed by HUD, Mortgagees must first obtain and review for accuracy an "as-is" FHA appraisal, which includes both an interior and exterior evaluation of the Property.

If the Property is occupied and an interior appraisal cannot be obtained, an "exterior-only" appraisal may be used.

(1) Appraisal Validity

The appraisal must be valid on the date of the foreclosure sale. Appraisals are valid for 120 Days.

(2) Extension to Appraisal Validity Period

HUD provides an automatic 30-Day extension from the appraisal expiration date for delays due to bankruptcy, court delays or delays outside of the Mortgagee's control. The Mortgagee must request and obtain HUD approval via EVARS for extensions beyond the automatic 30-Day extension.

(3) Required Analysis and Reporting of a PACE Obligation

The Appraiser must review property tax records for the Property to determine the amount outstanding and the terms of the PACE obligation:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- if the Mortgagee notifies the Appraiser that the subject Property will remain subject to a PACE obligation;
- when the Appraiser observes that the property taxes for the subject Property are higher than average for the neighborhood and type of dwelling; or
- when the Appraiser observes energy-related building components or equipment or is aware of other PACE-allowed improvements during the inspection process.

The Appraiser must report the outstanding amount of the PACE obligation for the subject Property and provide a brief explanation of the terms.

Where energy and other PACE-allowed improvements have been made to the Property through a PACE program, the Appraiser must analyze and report the impact on value of the Property, whether positive or negative, of the PACE-related improvements and any additional obligation (i.e., the PACE special assessment).

(4) Required Documentation

If the Property is to be conveyed to HUD, the Mortgagee must upload into [P260](#) a copy of the appraisal used to determine CAFMV.

(B) Determining the CAFMV

After determining the Property's appraised value, the Mortgagee's authorized employees must access the CAFMV link in [FHAC](#) to determine a Property's CAFMV.

The CAFMV remains valid and in effect for 120 Days from the date of the appraisal.

(C) Damage to the Property after Appraisal

The Mortgagee must submit a variance via EVARS if it becomes aware of any damage that occurs to the Property after the appraisal has been completed. The Mortgagee will be provided with additional instructions as appropriate.

(D) Updated Appraisals due to Postponed Foreclosure Sales

If the foreclosure sale does not take place within 120 Days from the date of the appraisal, and within such additional time provided under [Extension to Appraisal Validity Period](#), the Mortgagee must request an updated appraisal and obtain an updated CAFMV.

iv. Independent Third-Party Providers

(A) Definition

An Independent Third-Party Provider is a party that conducts the foreclosure sale or additional Post-Foreclosure Sales Efforts under CWCOT procedures.

(B) Standard

Mortgagees may utilize an Independent Third-Party Provider to conduct the foreclosure sale and market a Property (securing an FHA-insured Mortgage) prior to such sale, where permitted by jurisdiction.

The Mortgagee must ensure that the Independent Third-Party Provider is not one of the following:

- an Affiliate or subsidiary of the Mortgagee;
- any Entity over which the Mortgagee has significant influence; or
- any Entity with which the Mortgagee has a conflict of interest in fact or appearance.

For successful third-party sales, HUD will reimburse Mortgagees for Independent Third-Party Provider service fees incurred up to an amount that does not exceed 5 percent of the Property's net sales price. Revenue sharing agreements of the reimbursed fee between the Mortgagee and the Independent Third-Party Provider are not permitted.

v. CWCOT Bidding Procedures

The Mortgagee must bid the CAFMV [at the foreclosure sale](#).

Either the Mortgagee or a third party will be the successful bidder at the foreclosure sale. Notwithstanding the foreclosure sale, the Borrower or a third party may exercise a legal right and redeem the Property.

vi. Reporting CWCOT

If a third party purchased the Property at foreclosure through CWCOT procedures, the Mortgagee must report in SFDMS the appropriate Claim Termination of Insurance Code.

q. Reinstatement

i. Standard

The Mortgagee must allow reinstatement of the Mortgage if the Borrower offers, in a lump sum payment, all amounts to bring the account current, including costs incurred by the Mortgagee in instituting foreclosure, except under any of the following circumstances:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- within the two years immediately preceding the initiation of the current foreclosure action, the Mortgagee has accepted reinstatement in a previous foreclosure action;
- reinstatement will preclude foreclosure following a subsequent Default; or
- reinstatement will adversely affect the priority of the mortgage lien.

ii. Incurred Costs

(A) Property Inspections/Preservation

When a Mortgage in Default is reinstated, the Mortgagee may charge the Borrower the costs of property inspections and/or preservation, so long as the costs are:

- reasonable and customary for those services, as established in the [Mortgagee Property Preservation and Protection Action](#) section; and
- consistent with HUD requirements, state law, and security instruments.

(B) Inspection Cost Collected from Borrower

The Mortgagee may collect the cost of the inspections from the Borrower only when:

- the Mortgage was reinstated or paid in full;
- the Mortgagee has performed and properly documented the inspections pursuant to HUD requirements; and
- the cost of each inspection was reasonable and within the cost limitation established by HUD.

The Mortgagee must not collect inspection costs from the Borrower's escrow account or charge for an Occupancy Inspection performed after successful contact with the Borrower or occupant.

(C) Attorney's and Trustees' Fees

If the Mortgagee cancels a foreclosure action for a Loss Mitigation Option, a reinstatement, or a payment in full, the Mortgagee may charge the Borrower for attorney's fees as follows:

- The attorney's fees to be paid by the Borrower must be commensurate with the work actually performed to that point.
- The amount charged may not be in excess of the fee that HUD has established as [reasonable and customary](#) for claim purposes.

iii. Reinstatement during CWCOT

If the Mortgagee is using CWCOT procedures and the Borrower reinstates the Mortgage after foreclosure has been instituted, the Mortgagee must:

- cancel the appraisal if the appraisal has not yet been completed; or
- request that the Borrower reimburses the Mortgagee for the cost of the appraisal as part of foreclosure-related expenses, if the appraisal cost was validly incurred.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

iv. Reporting Reinstatements

When a Delinquent Mortgage is reinstated, the Mortgagee must report the appropriate Account Reinstated Code in SFDMS to indicate whether:

- use of repayment plans or HUD's Loss Mitigation Options assisted in the reinstatement;
- reinstatement was due to a sale of the Property using a mortgage assumption; or
- the Borrower was able to reinstate the Mortgage on their own.

r. Foreclosure

When a Borrower with a Mortgage in Default cannot or will not resume and complete their Mortgage Payments, the Mortgagee must take steps to acquire the Property or see that it is acquired by a third party. Before starting foreclosure, the Mortgagee must review its servicing record to be certain that servicing has been performed in accordance with HUD guidance. When foreclosure is appropriate, Mortgagees must initiate and complete foreclosure in a timely manner.

i. Mortgagee Action Before Initiation of Foreclosure

The Mortgagee must exercise reasonable diligence in collecting past due Mortgage Payments by:

- utilizing Early Delinquency Servicing Workout tools;
- determining eligibility of HUD's Loss Mitigation Program when appropriate;
- performing the first legal action to initiate foreclosure, to acquire title and possession of the Property, when necessary;
- ensuring that the Mortgage has been accurately reported to consumer reporting agencies in accordance with applicable federal law; and
- ensuring that any former Borrower, co-Borrower and/or co-signer personally liable for payment of the mortgage debt has been notified, as appropriate.

(A) Assignments for Special Mortgages

The Mortgagee must not foreclose on Mortgages insured pursuant to Sections 203(q), 247, and 248 of the National Housing Act. The Mortgagee must comply with HUD's [collection communication requirements](#) and may then assign the Mortgage to HUD as follows:

- Section 203(q) Mortgages: may assign the Mortgage to HUD, after the Mortgage has been in Default for 90 Days.
- Section 247 Mortgages: may assign the Mortgage to HUD, after the Mortgage has been in Default for 180 Days.
- Section 248 Mortgages: may assign the Mortgage to HUD, after the Mortgage has been in Default for 90 Days.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

(B) Time Frame for Utilization of Loss Mitigation or Initiation of Foreclosure

The Mortgagee must utilize a Loss Mitigation Option or initiate foreclosure within six months of the date of Default. FHA considers the Mortgagee to have satisfied this requirement if, within the six-month time frame, the Mortgagee takes one or a combination of the following actions:

- enter into an SFB-Unemployment Agreement;
- complete a refinance of an insured cooperative housing Mortgage;
- complete an assumption;
- execute a Trial Payment Plan Agreement for an FHA-HAMP Option;
- execute a PFS Approval to Participate;
- execute a DIL agreement; or
- initiate the first legal action to begin foreclosure.

(C) When to Initiate Foreclosure

After at least three consecutive full monthly Mortgage Payments are due but unpaid, a Mortgagee may initiate a foreclosure for monetary Default if one of the following conditions is met:

- The Mortgagee has completed its review of the Borrower's loss mitigation request, determined that the Borrower does not qualify for a Loss Mitigation Option, properly notified the Borrower of this decision, and rejected any available appeal by the Borrower.
- The Borrower has failed to perform under an agreement on a Loss Mitigation Option, and the Mortgagee has determined that the Borrower is ineligible for other Loss Mitigation Options.
- The Mortgagee has been unable to make a determination of the Borrower's eligibility for any Loss Mitigation Option due to the Borrower not responding to the Mortgagee's efforts to contact the Borrower.

(D) Exceptions to Foreclosure Initiation Time Frame

(1) Standard

A Mortgagee may initiate foreclosure on a Delinquent Mortgage if one of the following conditions is met:

- The Mortgagee has determined that the mortgaged Property has been abandoned, or has been vacant for more than 60 Days.
- The Borrower, after being clearly advised of the Options available for relief, including the PFS and DIL Options, has clearly stated to the Mortgagee, in writing, that they have no intention of fulfilling their obligation under the Mortgage.
- The mortgaged Property is not the Borrower's Principal Residence and it is occupied by tenants who are paying rent, but the Rental Income is not being applied to the mortgage debt.
- The Property is owned by a corporation or partnership.

2. Default Servicing

(a) Vacant or Abandoned Properties

If the Mortgage is in Default, the Mortgagee must commence foreclosure:

- no later than six months after the date of Default; or
- no later than 120 Days after the latter of the date that:
 - the Property becomes vacant; or
 - the Property is discovered or should have been discovered vacant or abandoned; or
 - for Properties that have 2, 3, or 4 units, all units are discovered or should have been discovered vacant or abandoned.

(b) Prohibition of Foreclosure due to State Legislation

In some states, the Mortgagee must delay, cancel, and/or reschedule a foreclosure action to comply with state law requirements. HUD provides an automatic 90-Day extension after the expiration of the time during which foreclosure is prohibited to commence foreclosure where:

- the foreclosure sale would have been conducted in the required time frame but was canceled to comply with state law; and
- the initial legal action to commence foreclosure was timely.

(c) Prohibition of Foreclosure due to Federal Law or Regulations

Where a federal regulation requires a delay in the initiation of foreclosure, the Mortgagee must initiate foreclosure no later than 90 Days after the expiration of the time during which foreclosure is prohibited. The status of the Defaulted Mortgage should be reported in SFDMS using the established [Delinquency/Default Reason \(DDR\) Code](#) for federally mandated delay.

(d) Prohibition of Foreclosure due to Bankruptcy

If federal bankruptcy does not permit commencement of foreclosure within the standard six-month time frame, or requires foreclosure to be discontinued, the Mortgagee must commence or, if applicable, recommence foreclosure within 90 Days after the applicable release of stay or bankruptcy discharge date.

(e) Prohibition of Foreclosure due to Servicemembers Civil Relief Act

Mortgagees are allowed an automatic 90-Day extension from the date the applicable SCRA foreclosure moratorium expires.

(f) Moratorium on Foreclosure due to Disaster

Mortgages secured by Properties in Presidentially-Declared Major Disaster Areas (PDMDA) are subject to a 90-Day moratorium on foreclosures following the disaster. See [Presidentially-Declared Major Disaster Areas](#).

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

HUD provides the Mortgagee an automatic 90-Day extension from the date of the moratorium expiration date to commence or recommence foreclosure action or evaluate the Borrower under HUD's Loss Mitigation Program.

(2) Automatic Extensions for Foreclosure Initiation Time Frame for Loss Mitigation Option

HUD provides automatic 90-Day extensions to the deadline to complete a Loss Mitigation Option or to perform the first legal action initiating foreclosure, provided the Mortgagee has:

- evaluated and approved the Borrower for a Loss Mitigation Home Retention Option prior to the expiration of the initial six-month period to initiate foreclosure, or issued an Approval to Participate in the PFS Program resulting in early termination or option failure;
- reported the Loss Mitigation Option via SFDMS; and
- from the date the Borrower defaulted under a Loss Mitigation Option or a TPP Agreement failed, initiated foreclosure action after review of the Borrowers for other Loss Mitigation Options.

Mortgagees may use these automatic extensions as outlined in [Automatic Extensions to HUD's Initiation of Foreclosure Timeline](#).

HUD does not provide automatic extensions for completion of a DIL; the Mortgagee must submit any request for extension of time for completion of a DIL to the NSC for HUD approval via EVARS. HUD does not provide automatic extensions for attempting a repayment plan, Formal Forbearance, Informal Forbearance, Delinquent refinance, or assumption.

(3) Loss Mitigation Denial

The Consumer Financial Protection Bureau (CFPB) Loss Mitigation regulations are at RESPA (Regulation X) at 12 CFR 1024.41.

HUD provides an automatic 90-Day extension to the initiation of foreclosure timeline in any case in which the Mortgagee needs additional time to comply with the appeals process required by the CFPB. The 90-Day extension begins on the date the Mortgagee denies loss mitigation and sends the Borrower the notice required under CFPB regulations.

(4) Requests for Other or Additional Extensions to the Time Requirement to Utilize Loss Mitigation Option

For additional time extensions, and for extensions of time for any other reason not listed above, the Mortgagee must request the extension via EVARS prior to the expiration of the existing time frame and provide:

- the dates that required notices were sent to the Borrower;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- the date that the Mortgagee received the Complete Loss Mitigation Request;
- the date that the Mortgagee approved or denied the Borrower for Loss Mitigation Options; and
- a clear explanation of the Mortgagee's need for an extension to this deadline.

(5) Required Documentation

The Mortgagee must retain documentation of form HUD-50012, *Mortgagee's Request for Extensions of Time*, in the Claim Review File and must ensure that all extensions of time to initiate foreclosure are reflected in its claim submission.

For all extensions of time requests, the Mortgagee must:

- note the reason for the extension and relevant dates that necessitated the extension and retain documentation supporting the reason and dates in the Claim Review File;
- report the applicable status codes in [SFDMS](#); and
- report on form HUD-27011, Part A:
 - the dates relating to the extension;
 - in Block 19, the Expiration Date of the 90-day extension being used;
 - in the "Mortgagee's Comments" section, the extension being used and the reason(s) for the extension; and
 - in the "Mortgagee's Comments" section, the statement, "I certify that the use of this extension is for the reason(s) stated above."

(E) Curtailment of Claims

Mortgagees are responsible for [self-curtailment](#) of interest and property expenses on Single Family claims when Reasonable Diligence Time Frames or reporting requirements are not met. Property expenses do not include real estate taxes and hazard insurance premiums.

(F) Management Review

The Mortgagee must review its records before initiation of foreclosure in making a decision to foreclose as follows:

- The Mortgagee must develop a form or checklist to document that they have reviewed the Mortgage for foreclosure. A supervisor higher than the person submitting the Mortgage for foreclosure must sign or electronically acknowledge that they have reviewed and approve the document evidencing the decision to foreclose.
- The Servicer must have the mortgage holder's approval of its decision to foreclose or have the delegated authority to make such decisions.
- The Mortgagee is expected to continue to service the Mortgage throughout foreclosure proceedings and to work with the Borrower to avoid foreclosure

pursuant to the [Loss Mitigation During the Foreclosure Process](#) section requirements and program requirements related to changes in the Borrower's financial circumstances.

(G) Manufactured Housing Review

Due to the [title evidence requirements](#) for Manufactured Housing, the Mortgagee must:

- review each Property at the time of foreclosure referral to determine if the collateral for the FHA-insured Mortgage is a Manufactured Home; and
- ensure that all the [Title Evidence for Manufactured Housing](#) requirements are met before conveying a Manufactured Home to HUD.

(H) PACE Obligation Review

The Mortgagee must:

- review each Property at the time of foreclosure referral to determine if the Property is encumbered with a PACE obligation;
- confirm that any identified PACE obligation may only become subject to an enforceable claim (i.e., a lien) for delinquent regularly scheduled PACE special assessment payments and otherwise complies with the eligibility and acceptability criteria for Properties with a PACE obligation provided in Section II.A.1.b.iv(A)(6) of the prior *SF Handbook* published in December 2016; and
- contact the HUD National Servicing Center for guidance if a noncompliant PACE obligation is identified.

ii. Conduct of Foreclosure Proceedings

When foreclosure is necessary, the Mortgagee must give timely notice to HUD via SFDMS and exercise reasonable diligence in processing and completing foreclosure proceedings to acquire good marketable title and possession of the Property. HUD expects Mortgagees to comply with all federal, state and local laws when prosecuting a foreclosure and pursuing a possessory action.

(A) Initiating Foreclosure

(1) First Legal Action to Initiate Foreclosure

The Mortgagee must perform the first legal action to initiate foreclosure for each state as provided in [Appendix 5.0 – First Legal Actions to Initiate Foreclosure and Reasonable Diligence Time Frames](#).

(2) Notice to HUD of Foreclosure Initiation

The Mortgagee must give notice to HUD within 30 Days of initiating foreclosure by reporting the foreclosure status in the monthly SFDMS report.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

The Mortgagee must report the foreclosure status for the current cycle or following cycle in which the first required public legal action is taken to initiate foreclosure.

(3) Notice to HOA or Condominium Associations

As part of the foreclosure proceedings, the Mortgagee must notify and serve all Interested Parties of the pending foreclosure, pursuant to state law. Unless otherwise specified by state law, Interested Parties include all condominium management companies and HOAs that are reflected in the mortgage loan/origination documents, recorded covenants/declarations, initial foreclosure referral and/or title search review, or made known to the Mortgagee during the foreclosure proceedings.

(4) Outstanding HOA or Condominium Association Fees

Unless prohibited by state law, the Mortgagee must ensure that outstanding HOA/Condominium Fees are included as part of the foreclosure proceeding.

(B) SCRA Protection during Foreclosure

The Mortgagee must obtain court permission before foreclosing on a Mortgage falling under provisions of the SCRA. A foreclosure sale or Manufactured Housing repossession during the period of military service and subsequent periods specified within the SCRA is invalid unless it is:

- made pursuant to a court order granted before such sale with a return made and approved by the court; or
- held pursuant to a written agreement, entered into after the commencement of Active Duty, between the parties involved.

(C) Loss Mitigation During the Foreclosure Process

The Mortgagee may evaluate the Borrower for a Loss Mitigation Option during the foreclosure process where:

- the Borrower submits their initial Complete Loss Mitigation Request; or
- the Mortgagee has determined that the Borrower was ineligible for loss mitigation based on a Complete Loss Mitigation Request; and a change in circumstances has occurred so that a Borrower may be eligible for a subsequent loss mitigation review.

(1) Requests Received during Foreclosure

2. Default Servicing

(a) 45 or More Days to Scheduled Foreclosure Sale Date

(i) Response

When the loss mitigation request is received 45 Days or more prior to the scheduled foreclosure sale date, the Mortgagee must notify the Borrower in writing within five business days of receiving the request that:

- the Borrower's request has been received; and
- the request is complete or incomplete.

(ii) Review

Within 30 Days of receiving a Complete Loss Mitigation Request, the Mortgagee must review a Borrower's request for eligibility for all Loss Mitigation Options.

(iii) Foreclosure Action

A Mortgagee must not move forward with a scheduled foreclosure sale during its loss mitigation review.

(b) More than 37 Days but Less than 45 Days to Scheduled Foreclosure Sale Date

(i) Review

Within 30 Days of receiving a Complete Loss Mitigation Request, the Mortgagee must review a Borrower's request for eligibility for Loss Mitigation Options when received more than 37 Days but less than 45 Days to the scheduled foreclosure sale date.

If an incomplete request is received and is not completed despite the Mortgagee's repeated requests to the Borrower for information, the Mortgagee may, at its discretion, evaluate an incomplete loss mitigation request and offer a proprietary, non-incentivized Loss Mitigation Option.

(ii) Foreclosure Action

The Mortgagee must not move forward with a scheduled foreclosure sale during its loss mitigation review.

III. SERVICING AND LOSS MITIGATION

(c) 37 or Fewer Days Prior to the Scheduled Foreclosure Sale Date

(i) Review

A Mortgagee must use its best efforts to complete a thorough and accurate review when the Borrower's request is received 37 Days or fewer prior to the scheduled foreclosure sale date.

(ii) Foreclosure Action

HUD does not require the Mortgagee to suspend the foreclosure sale. The Mortgagee may proceed with a foreclosure sale if the Mortgagee:

- determines after its review of available information that a Borrower is ineligible for loss mitigation; or
- using its best efforts, is still unable to complete a thorough and accurate review of a Borrower's request by the scheduled foreclosure sale date.

(2) Terminating Foreclosure Proceedings for Loss Mitigation

When a Borrower requests loss mitigation assistance after the Mortgagee has initiated foreclosure, the Mortgagee must suspend and/or terminate the foreclosure proceedings, depending on the state law requirement, after all of the following have occurred:

- verifying that a Borrower's financial situation qualifies them for a Loss Mitigation Option;
- allowing the Borrower at least 14 Days to consider the Mortgagee's offer of loss mitigation assistance, if the request for loss mitigation was received more than 37 Days prior to the scheduled foreclosure sale date; and
- receiving an executed Loss Mitigation Option Agreement from the Borrower, indicating that the Borrower understands and agrees to the Loss Mitigation Option terms; receiving a signed sales contract under an approved PFS program participation; or receiving a DIL agreement executed by the Borrower.

(3) Communication Between Departments

The Mortgagee must ensure that strong communication lines are established between their Loss Mitigation and Foreclosure departments to facilitate the coordination of loss mitigation efforts and the sharing of documentation and information relating to a Borrower's delinquency. Both departments must be aware when a Borrower's file is under review for HUD's Loss Mitigation Program.

(D) Borrower Sale of the Property before Foreclosure Sale

HUD encourages the Mortgagee, when possible, to provide the Borrower with an opportunity to sell the Property and to provide a reasonable time to complete the sale. The Mortgagee should not initiate foreclosure if it appears that a sale is probable and should accept payments tendered while the Property is for sale and before foreclosure is started.

(E) Reasonable Diligence in Completing Foreclosure

(1) Definition

The Reasonable Diligence Time Frame is the period of time beginning with the first legal action required by the jurisdiction to commence foreclosure and ending with the later date of acquiring good marketable title to, and possession of, the Property.

(2) Standard

The Mortgagee must exercise reasonable diligence in processing foreclosures and in acquiring title to and possession of Properties, in accordance with HUD's [Reasonable Diligence Time Frames](#).

When circumstances beyond the Mortgagee's control occur, the Mortgagee may treat delays in completing the foreclosure process as exceptions to the Reasonable Diligence Time Frames and may exclude such delays when calculating the time to complete a foreclosure if an extension has been granted by HUD.

(a) Delay Due to Use of Loss Mitigation Home Retention Option

When determining compliance with the Reasonable Diligence Time Frame, the Mortgagee may exclude the time that the Borrower was performing under an SFB-Unemployment Agreement or TPP.

(b) Delay Due to Foreclosure Mediation

Where mediation is required after the initiation of foreclosure but before the foreclosure sale, the Mortgagee may exclude the time required to complete the mediation when determining compliance with the Reasonable Diligence Time Frame.

(c) Delay Due to Active Duty Military Service

If a Borrower is on Active Duty military service and the Mortgage was obtained prior to entry into Active Duty military service, the Mortgagee may exclude the period during which the Borrower is on Active Duty military service when computing the Reasonable Diligence Time Frame.

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

(d) Delay Due to Bankruptcy

When a Borrower files bankruptcy after foreclosure proceedings have been initiated, an automatic extension for foreclosure and acquisition of the Property will be allowed as long as:

- the Mortgagee ensures that all necessary bankruptcy-related legal actions are handled in a timely and effective matter;
- the case is promptly referred to a bankruptcy attorney after the bankruptcy is filed; and
- the Mortgagee monitors the action to ensure that the case is timely resolved through dismissal, termination of the automatic stay, or trustee abandonment of all interest in the secured Property.

HUD will reimburse legal expenses related to resolving bankruptcies in accordance with [Attorney's Fees](#).

The time frame for completing the bankruptcy action will vary based on the chapter under which the bankruptcy is filed.

(i) Chapter 7 Bankruptcy

HUD allows the Mortgagee an additional 90 Days from the date of the release of stay of the Chapter 7 bankruptcy to recommence the foreclosure.

(ii) Chapter 11, 12 or 13 Bankruptcy

When the Mortgagee cannot proceed with foreclosure action because of a Chapter 13 (or Chapter 11 or 12) bankruptcy, the Mortgagee must closely monitor the payments required by the bankruptcy court. If the Borrower becomes 60 Days delinquent in payments required under a Chapter 13 (or Chapter 11 or 12) plan, the Mortgagee must ensure that prompt legal action is taken to resolve the matter.

Any delay the Mortgagee encounters must be fully documented and must be beyond the Mortgagee's control.

(e) Delay in Acquiring Possession

When a separate legal action is necessary to gain possession following foreclosure, an automatic extension of the Reasonable Diligence Time Frame will be allowed for the actual time necessary to complete the possessory action.

HUD provides this automatic extension if the Mortgagee takes the first legal action to initiate the eviction or possessory action within 30 Days of:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

2. Default Servicing

- the completion of foreclosure proceedings; or
- the expiration of federal or local restrictions on eviction.

The additional time needed under applicable federal, state, or local laws to obtain possession of a Property is taken into consideration when evaluating a Mortgagee's compliance with HUD's Reasonable Diligence Time Frame. Upon the expiration period associated with the applicable occupancy rights, Mortgagees are expected to proceed promptly with possessory actions.

(3) Required Documentation

The Mortgagee must document in its Claim Review File any delay in completing foreclosure and all activities performed by the Mortgagee to mitigate and abide by these time frames. The Mortgagee must maintain a comprehensive audit trail and chronology to support any delay in compliance with the Reasonable Diligence Time Frames.

Where the Mortgagee has submitted a request for an extension of time to the NSC via EVARS, the Mortgagee must maintain a copy of the NSC's written response in the Claim Review File.

For automatic extensions, the Mortgagee must reflect these extensions in form HUD-27011 and retain in the Claim Review File documentation supporting those extensions.

(F) HUD Schedule of Attorney Fees

(1) Definition

The HUD Schedule of Attorney Fees (Schedule) states the maximum fee amount that may be reimbursed in an FHA insurance claim for a foreclosure attorney, bankruptcy clearance, possessory action, and completion of a DIL.

(2) Standard

The HUD Schedule of Attorney Fees reflects the customary legal services pertinent to mortgage Defaults. Each fee on the Schedule is the total maximum amount, instead of an hourly rate, reimbursable in a [claim for mortgage insurance benefits](#).

The HUD Schedule of Attorney Fees does not reflect additional expenses incurred due to foreclosure and/or mediation because of the wide differences in costs and lengths of time of foreclosure completion, depending on the jurisdiction in which the foreclosure actions are occurring. For any additional expenses incurred due to required legal actions, such as mediation or probate proceedings, the Mortgagee may [claim](#) these amounts by submitting a documented cost breakdown and retaining in the Claim Review File a written justification for those costs.

(G)CWCOT Bidding at the Foreclosure Sale

(1) Mortgagee as Successful Bidder

(a) Amount Equal to the CAFMV

If the Mortgagee is the successful bidder for an amount equal to the CAFMV, the Mortgagee may elect to either:

- retain title to the Property and file a claim for insurance benefits under CWCOT; or
- convey the title to the Property to HUD and its claim for insurance benefits as a conveyance claim.

(b) Amount Greater than CAFMV

Where the Mortgagee is the successful bidder for an amount greater than the CAFMV, unless the sheriff or other appropriate local authority has mandated the subject bid as the minimum bid that could be set for the Property, the Mortgagee is deemed to have elected to retain title of the Property and therefore must not convey title to the Property to HUD.

(2) Third Party as Successful Bidder

(a) Amount Equal to or Greater than CAFMV

Where a third party is the successful bidder at the foreclosure sale for an amount equal to or greater than the CAFMV, the Mortgagee must submit its claim for insurance benefits under CWCOT.

(b) Amount Less than CAFMV

Where a third party is the successful bidder at the foreclosure sale for an amount less than the CAFMV, the Mortgagee may not file a claim for any insurance benefits.

(3) Borrower or Third Party Redemption

Where the Borrower or a third party redeems the Property and acquires title for an amount not less than the CAFMV, the Mortgagee must submit its claim for insurance benefits under CWCOT.

(H)CWCOT Post-Foreclosure Sales Efforts

If the Property does not sell to a third party at the foreclosure sale, the Mortgagee may pursue additional sales efforts and may utilize independent third-party providers to conduct such sales, concurrently with processes for conveyance of the Property to HUD.

III. SERVICING AND LOSS MITIGATION

2. Default Servicing

The Mortgagee must still comply with HUD's conveyance time frames, unless a sales contract has been ratified. Where a sales contract has been ratified, HUD provides Mortgagees with an automatic 30-Day extension from the deadline for conveyance.

(I) Electronic Record Retention of Foreclosure-Related Documents

The Mortgagee must retain documents relating to loss mitigation review in electronic format, in addition to requirements for retaining hard copies or originals of foreclosure-related documents, for foreclosures occurring on or after October 1, 2014. These documents include, but are not limited to:

- evidence of the Servicer's foreclosure committee recommendation;
- the Mortgagee's Referral Notice to a foreclosure attorney, if applicable; and
- a copy of the document evidencing the first legal action necessary to initiate foreclosure and all supporting documentation.

(J) Foreclosure Reporting

The Mortgagee must report in SFDMS the Account in Foreclosure Codes that accurately reflect the current stage of foreclosure.

s. Acquiring Possession

On the date the deed is filed for recording, the Mortgagee must certify that the Property is vacant and free of Personal Property, unless HUD has agreed to accept title with the Property occupied. This, and the procedures described below, applies whether title is acquired by foreclosure or by DIL of Foreclosure.

i. Applicable Law Protecting Tenants

When determining compliance with the reasonable diligence requirement, the Mortgagee may exclude the time required to comply with federal, state, and local laws extending the time required to complete possessory actions.

ii. Identification of Property Occupants

Before completion of foreclosure the Mortgagee must:

- confirm the identity of all occupants;
- determine each occupant's possible rights for continued occupancy under HUD's Occupied Conveyance procedures; and
- follow HUD's Occupied Conveyance procedures by sending occupants the Notice to Occupant of Pending Acquisition (NOPA) 60 to 90 Days before the Mortgagee expects to acquire title.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

iii. Notice to Occupant of Pending Acquisition

(A) Definition

The Notice to Occupant of Pending Acquisition (NOPA) is a notice to the Borrower and heads of household that the Mortgagee will be acquiring title to the Property and then conveying Property to HUD.

(B) Standard

At least 60 Days but not more than 90 Days before the Mortgagee reasonably expects to acquire title, the Mortgagee must notify the Borrower and each head of household occupying a unit of the Property of the possibility that the Mortgagee will convey the Property to HUD following foreclosure.

In the event the foreclosure sale is postponed, the NOPA is valid up to 120 Days from the date it was originally mailed.

The NOPA must:

- provide a summary of the conditions under which continued occupancy is permissible;
- advise the Borrower:
 - that potential acquisition of the Property by HUD is pending (see the [NOPA Letter](#));
 - that HUD requires Properties be vacant at the time of conveyance to HUD, unless the Borrower or other occupant can meet the regulatory conditions for continued occupancy, the habitability criteria, and the eligibility criteria (see form [HUD-9539](#), *Request for Occupied Conveyance*);
 - of the process for requesting to remain in the Property (see [Continued Occupancy and/or Temporary Nature of Continued Occupancy](#)); and
 - that the Property must otherwise be vacated before the scheduled time of acquisition; and

The Mortgagees may use any qualified individual or business to perform P&P services on Properties that were secured by FHA-insured Mortgages; however, the Mortgagee remains fully responsible to HUD for its actions and the actions of its agents, individuals and firms that performed such services.

The Mortgagee remains responsible for property damage or destruction to vacant or abandoned Property resulting from Mortgagee Neglect. Such neglect includes, but is not limited to:

Where the AHJ requires additional or more extensive P&P actions than required by HUD for conveyance, the Mortgagee may submit an over-allowable request via P260. The Mortgagee must upload with its request all documentation supporting the proposed additional work requirements and expenses necessary for compliance.

(c) Required Documentation

Where state or local law inhibits the Mortgagee performing HUD's required Property (P&P) actions, the Mortgagee must note the restriction in the Claim Review File and include a copy of the notice to the MCM, the MCM's approval or denial of the Mortgagee's proposal, and the applicable state, local, or AHJ requirement.

HUD will consider any damage caused by freezing and not documented at the FTV Property Inspection to be the responsibility of the Mortgagee and not reimbursable by HUD.

(10) Demolition

If the Mortgagee proposes to demolish or remove a primary dwelling structure, a significant section of the structure or a secondary structure that is associated with the origination collateral, the Mortgagee must request approval from the MCM to demolish and convey as a vacant lot. The Mortgagee is not required to request HUD approval to demolish damaged or unusable sheds and outbuildings that were not included in the property value at origination. For requests to demolish a primary dwelling structure, the Mortgagee must submit to the MCM:

- a BPO analysis estimating the value of the Property as-is and as a vacant lot;
- proposed demolition costs; and
- a detailed chronology of the servicing and Property P&P activities related to the Property, including all efforts to address any damages or violations.

Where a local jurisdiction mandates demolition of a Property after foreclosure, the Mortgagee must provide the following to the MCM immediately upon discovery of the demolition order:

- copies of all notices pertaining to demolition orders and hearings; and
- inspection reports and photographic documentation establishing the condition of the Property when the Mortgagee first entered or took possession of the Property.

The MCM will advise the Mortgagee as to whether to proceed with the demolition or to postpone the demolition until after conveyance to HUD.

(a) Requests Less than Five Business Days before Conveyance

The MCM will reject any requests received less than five business days before the end of the time frame to convey to HUD, unless the Mortgagee can demonstrate that it had received the demolition notification with insufficient time to make a request by the five business day deadline.

(b) Cost of Demolition

The cost of demolition is not included in the maximum cost limit per Property.

(c) Damage due to Mortgagee Neglect

If HUD determines that the damage to the Property is due to Mortgagee Neglect, the Mortgagee is responsible for the cost to demolish the Property. The MCM will determine the acceptance of the vacant lot.

(2) Conveyance Requiring HUD Approval

(a) Request to HUD

The Mortgagee must request and obtain approval from the MCM before conveyance under any of the following circumstances:

- conveyance of a Property damaged while under the control of the Mortgagee or as a result of Mortgagee Neglect;

- for Properties with unfinished renovations, violations, liens, or other outstanding state and local law compliance issues:
 - the BPO showing the value of the Property as-is and the value with repairs completed;
 - copies of violations, liens, or relevant state or local law;
 - hazard insurance claim information;

- a detailed description of the reason(s) that the Mortgagee cannot feasibly repair or secure the Property, proposed actions or actions taken, and a detailed repair estimate of the damages; and
- a detailed estimate of cost to repair the Property.

If no documentation or inadequate documentation is received from the Mortgagee, HUD will attribute all damage to the Mortgagee.

(3) Mortgagee Failure to Obtain Required HUD Approval

If the Mortgagee fails to obtain HUD approval when required, prior to conveying a damaged Property, HUD may:

- reconvey the Property;
- require a reduction to the claim for insurance benefits:
 - the hazard insurance recovery or HUD's estimate of the cost of repairing damage; or
 - the cost to repair and restore the Property to required conveyance condition; or
- take other such action as permitted by regulation.

(4) Appeal of Surchargeable Damage Decision

The Mortgagee may appeal a surchargeable request decision via P260. The Mortgagee may submit an additional appeal to HUD via P260. The second appeal decision is final and no further appeals will be accepted.

(E) Hazard Insurance Recovery

The Mortgagee must take all appropriate action to recoup all available hazard insurance proceeds, including recoverable depreciation.

(1) Extension of Time to Convey Title to HUD

Where conveyance of title to HUD jeopardizes the Mortgagee's ability to receive hazard insurance proceeds, the Mortgagee must request an extension of time from the [MCM](#), providing a specific reason why the extension is warranted.

(2) Reimbursement for Recoverable Depreciation

The Mortgagee must seek reimbursement for any recoverable depreciation after repairs have been completed; all damages must be repaired prior to conveyance.

(3) Recovery for Vandalism or Theft

(a) Standard

If there is evidence of vandalism or theft resulting in damage or missing built-in appliances, equipment, or fixtures, the Mortgagee must file a claim to obtain all available insurance proceeds for damages to the Property.

Unless the Mortgagee obtains [HUD approval to convey](#) with unrepaired insurable damage and insurance repair proceeds, the Mortgagee must use these insurance proceeds funds or corporate funds to fully repair or replace the structures, appliances, equipment, or fixtures damaged.

(b) Required Documentation

The Mortgagee must document in the Claim Review File all relevant claim correspondence with the insurance company.

(F) Requests for Pre-Conveyance Inspection

(1) Definition

A Pre-Conveyance Inspection is an inspection performed by HUD, at the Mortgagee's request, before conveyance to determine if a Property meets HUD's conveyance standards.

(2) Standard

The Mortgagee may request a Pre-Conveyance Inspection of a Property that has sustained damage due to Borrower neglect or Surchargeable Damage, and not Mortgagee Neglect.

(3) Submission of Pre-Conveyance Inspection Request

The Mortgagee may submit a request for a Pre-Conveyance Inspection to the [MCM](#) before the deed to HUD is recorded or sent for recording and before the submittal of a claim.

(4) HUD Review of Request

The MCM will review the request to determine whether a Pre-Conveyance Inspection is needed and may consider the following criteria in its decision:

- The Property has completed over-allowable repairs exceeding \$10,000.
- The Property is affected by re-occurring vandalism and the Mortgagee is requesting approval to convey the Property as-is to HUD.
- The Property has code violations and the Mortgagee is requesting approval to convey the Property as-is to HUD.

- The Property has uninsurable and unfinished renovations and the Mortgagee is requesting approval to convey the Property as-is to HUD.

(5) Pre-Conveyance Inspection

If the request for the Pre-Conveyance Inspection is approved, the MCM will order the Pre-Conveyance Inspection from HUD's Field Service Manager (FSM), who will contact the Mortgagee to coordinate the inspection. Upon completion of the inspection, the FSM will provide an inspection report indicating:

- whether the Property is in conveyance condition; or
- which further actions the Mortgagee must take to place the Property into Acceptable Conveyance Condition.

The Mortgagee must ensure that all required actions identified on the Pre-Conveyance Inspection report are completed before conveyance to HUD.

iii. Condition of Title

The Mortgagee must convey good and marketable title to the Secretary.

HUD regulations list certain specific and common exceptions to title to which HUD will not object. HUD may waive additional objections, based on local practice and the general marketability of title clouded by those objections, or if the Mortgagee is willing to accept a reduced claim for mortgage insurance benefits.

(A) Liens

HUD will not accept title subject to liens, other than the following.

(1) IRS Liens

HUD will not object to title where there is a lien in favor of the IRS, regardless of its position, if the following conditions are met:

- The IRS has been notified of the foreclosure.
- The IRS lien was established after the date of the mortgage lien.
- The Mortgagee bid at least the full amount of the indebtedness plus the cost of foreclosure.

Prior to the conveyance of a Property to HUD, the Mortgagee must satisfy all taxes and special assessment, including any PACE assessments:

- That are due and payable prior to or on the date of conveyance; or

(b) Required Documentation

The Mortgagee must:

- certify that all available tax and assessment bills due at conveyance and within 30 Days of conveyance are paid as of the date of conveyance;
- document such payment and identify the most recent period for which taxes were paid in Item 32, “Schedule of Tax Information,” of form HUD-27011, Part A; and
- upload to [P260](#) documentation, such as a paid receipt or a copy of the Mortgagee’s tax payment history screen, validating that such payment was made.

The Mortgagee must also retain invoices, paid bill receipts, or other proof of payment in the Claim Review File.

(2) Tax Penalties

When late fees and/or interest penalties are incurred a result of the Mortgagee’s failure to pay taxes prior to conveyance, HUD will not reimburse the Mortgagee for late fees and/or interest penalties paid by the Mortgagee, and the Mortgagee must reimburse HUD for any late fees and/or interest penalties paid by HUD.

(2) Standard

Prior to the conveyance of a Property to HUD, the Mortgagee must pay HOA/Condominium Fees that are due and that become due within 30 Days of the date of conveyance. While the payment of Condominium and HOA Fees is the Borrower's responsibility, Mortgagees must ensure that Properties conveyed to HUD have clear title.

The Mortgagee must take the following actions:

- provide notice of foreclosure proceedings to HOAs/condominium management companies;
- unless prohibited by state law, ensure that outstanding HOA/Condominium Fees are included as part of the foreclosure proceedings in the event that the HOA/condominium management company does not pursue these amounts in foreclosure;
- negotiate the amount required to obtain a release of outstanding HOA/Condominium Fees;
- obtain a release of outstanding HOA/Condominium Fees;
- ensure that the HOA/condominium lien, if any, is removed from the title to the Property prior to conveying the Property to HUD; and
- pay the HOA/Condominium Assessment required under applicable law before conveyance to HUD, where HOA/Condominium Fees do not survive foreclosure or result in a lien on the Property.

(1) Standard

The Mortgagee must retain utility accounts including electricity, gas, home heating oil, water, and sewer in its name until conveyance of the Property to HUD.

- Reconvey the Property to the Mortgagee.

iv. Notice of Property Transfer

The Mortgagee must notify the Commissioner on the date the deed to the Secretary is filed for recording, by:

HUD considers a Property conveyed by the Mortgagee to HUD when:

- the Mortgagee has deeded the Property to HUD; and
- HUD accepts conveyance of the Property, as evidenced by the payment of Part A of the claim from HUD to the Mortgagee. For [suspended claims](#), the Mortgagee remains responsible for the Property, and any loss or damage thereto, notwithstanding the filing of the deed to the Secretary for record, and such responsibility is retained by the Mortgagee until HUD regulations have been fully complied with.

Where HUD requires the Mortgagee to pursue a deficiency Judgment, HUD will provide the Mortgagee with instructions and with its estimate of the FMV of the Property, less adjustments. Upon receipt of such notification, the Mortgagee must:

- tender a bid at the foreclosure sale in that amount; and
- attempt, in accordance with state law, to obtain a deficiency Judgment.

(B) Mortgages Insured Before March 28, 1988

3. Programs and Products - Adjustable Rate Mortgages

i. Definitions

The Change Date is the effective date of an adjustment to the interest rate, as shown in Paragraph 4(A) of the model [Adjustable Rate Note](#) form.

The Initial Index Figure is the most recent figure available before the Closing Date of the Mortgage.

The Current Index Figure is:

- the most recent index figure available 30 Days before the date of each interest rate adjustment, for Mortgages closed before January 10, 2015; and
- the most recent figure available 45 Days before the date of each interest rate adjustment, for Mortgages closed on or after January 10, 2015.

ii. Adjusting the Interest Rate on an ARM

To set the new interest rate on an ARM annually, the Mortgagee must review the mortgage documents containing interest rate provisions, and:

- determine the change between the Initial Index Figure and the Current Index Figure; or
- add a specified margin to the Current Index Figure.

Once the new adjusted interest rate is calculated, the Mortgagee must provide notice of the change to the Borrower.

(A) Determining the Current Index Figure on an ARM

The table below describes the Current Index Figure to use based upon the particular day of the week on which the 30th Day falls.

When the 30 th Day falls on a ...	AND the 30 th Day prior to a Change Date...	Then use the index figure issued on...
Monday that is a business day	and the issue date of an H.15 release both occur on the same day (that is, they both occur on a Monday)	that Monday.
Monday that is a federal holiday	falls on a Monday that is a federal holiday	the prior week.
day of the week other than Monday	n/a	the Monday of that week (or issued on Tuesday, if Monday is a federal holiday).

(B) Determining the Calculated Interest Rate on an ARM

The calculated interest rate is the current index plus the margin (the number of Basis Points (bps) identified as “margin” in Paragraph 4(C) of the model [Adjustable Rate Note](#)), rounded to the nearest 1/8th of one percentage point (0.125 percent).

(C) Determining the New Adjusted Interest Rate on an ARM

To determine the new adjusted interest rate, the Mortgagee must compare the calculated interest rate to the existing interest rate in effect for the preceding 12 months.

(1) Calculated Rate is Equal to Existing Rate

If the calculated interest rate is equal to the existing interest rate, then the new adjusted rate will be the same as the existing interest rate.

(2) Calculated Rate is Less than Existing Rate

If the calculated interest rate is less than the existing interest rate, then the new adjusted rate will be:

- the calculated interest rate for 1-, 3-, and 5-year ARMs if the calculated interest rate is less than one percentage point higher or lower than the existing interest rate; or
- the calculated interest rate for 5-, 7-, and 10-year ARMs if the calculated interest rate is less than two percentage points higher or lower than the existing interest rate.

(3) Calculated Rate is More than Existing Rate

If the calculated interest rate is more than the existing interest rate, then the new adjusted rate will be:

- limited to one percentage point higher or lower than the existing interest rate for 1-, 3-, and 5-year ARMs, if the new calculated interest rate is more than one percentage point (100 bps) higher or lower than the existing interest rate. (Note: index changes in excess of one percentage point may not be carried over for inclusion in an adjustment in a subsequent year); or
- the calculated interest rate for 5-, 7- and 10-year ARMs, if the calculated interest rate is more than two percentage points (200 bps) higher or lower than the existing interest rate. (Note: index changes in excess of two percentage points may not be carried over for inclusion in an adjustment in a subsequent year).

(D) Interest Rate Adjustments over the Term of the ARM

The Mortgagee must not adjust the interest rate over the entire term of the Mortgage resulting in a change in either direction of more than:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Adjustable Rate Mortgages

- five percentage points (500 bps) from the initial contract interest rate for 1-, 3-, and 5-year ARMs; or
- six percentage points (600 bps) for 5-, 7-, and 10-year ARMs.

(E) Effective Date of the ARM Interest Rate Adjustment

The adjusted interest rate is effective on the Change Date and remains in effect until the next Change Date.

During the term of the Mortgage, the Change Date must fall on the same date of each succeeding year.

iii. Computing the Monthly Installment Payment after an ARM Adjustment

The Mortgagee must determine a new monthly payment each time there is an interest rate adjustment. The Mortgagee must calculate the portion of the monthly payment attributable to P&I by:

- determining the amount necessary to fully amortize the unpaid principal balance for the remaining term of the Mortgage;
- crediting all eligible prepayments; and
- not debiting any delinquency.

To calculate the monthly installment, the Mortgagee must use the scheduled principal balance that would be due on the Change Date, but reduced by the amount of any prepayments made to the principal.

All ARM adjustments affect interest rates only; negative amortization is not permitted.

iv. ARM Adjustment Notices

(A) Standard

At least annually and before any adjustment to a Borrower's monthly payment may occur, the Mortgagee must provide written notification regarding the adjustment.

(1) Time Frame

(a) For Mortgages Closed Before January 10, 2015

If the notice follows an adjustment in the monthly payment, the Mortgagee must provide the Borrower notice:

- at least 25 Days before any adjustment; or
- at least 30 Days before the adjustment if the mortgage agreement contains a provision stating that 30-Day requirement.

(b) For Mortgages Closed On or After January 10, 2015

- the new mortgage interest rate;
- the amount of the new monthly payment;
- the current index interest rate value; and
- how the payment adjustment was calculated.

(3) Sending the ARM Adjustment Notice

The Mortgagee must send the Adjustment Notice to the Borrower:

- by Certified Mail, return receipt requested; or
- by first-class mail to all property owners identified on its records.

(B) Required Documentation

The Mortgagee must retain the following in the servicing file:

- evidence that timely notice was sent to the Borrower; and
- annual adjustment computations for the mortgage term.

(C) Failure to Provide the ARM Adjustment Notice

If the Mortgagee fails to provide notice to the Borrower for more than one year, then the Mortgagee must determine an adjusted interest rate for each omitted year, in order to determine the adjusted interest rates for subsequent years, and perform the following:

(1) Interest Rate Increase

If the Mortgagee's calculations result in an increase of the interest rate, the Mortgagee has forfeited their right to collect the increased amount and the Borrowers are relieved from the obligation to pay the increased payment amount.

(2) Interest Rate Decrease

If the Mortgagee's calculations result in a decrease of the interest rate, the Mortgagee must refund the excess, plus interest from the date of the excess payment to the date of repayment at a rate equal to the sum of the margin and index in effect on the Change Date.

The Mortgagee must first apply any refund to any existing delinquency, and if excess funds remain, the Mortgagee must, at the Borrower's request:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Adjustable Rate Mortgages

- provide the Borrower with a cash refund; or
- apply the remaining excess to the unpaid principal balance of the Mortgage.

(D) Errors in the ARM Adjustment Notice

HUD requires that errors be corrected if:

- the Mortgagee miscalculates the interest rate and/or the monthly payment; and
- the errors are reflected in the notice.

v. Commencement of Monthly Payment after ARM Adjustment

After the Mortgagee gives the Borrower proper notice of the adjustment, the Borrower will begin paying the new monthly payment 30 Days after the Change Date.

vi. Assumptions of ARMs

In addition to sending the applicable [Notice to Homeowner, Release of Personal Liability](#) in [Assumptions](#), the Mortgagee must attach a copy of the original ARM Disclosure Statement that established the index, margin, and the Change Date.

3. Programs and Products - Assumptions

b. Assumptions

i. Assumability of FHA-Insured Mortgages

All FHA-insured Mortgages are assumable. The Mortgagee must not impose, agree to, or enforce legal restrictions on conveyances or assumptions after closing except when:

- specifically permitted by HUD regulations; or
- the restriction had been specified in a junior lien granted to the Mortgagee after settlement.

The Mortgagee must review the mortgage documents to determine what restrictions have been placed on the Mortgage.

ii. Notice to Homeowner

The Mortgagee must send the applicable [Notice to Homeowner: Release of Personal Liability](#) to:

- all applicants for FHA-insured Mortgages, before settlement; and
- sellers or buyers who request information on HUD's creditworthiness review criteria or procedures for assumptions or releases from personal liability.

iii. Fees for Assumptions

(A) Allowable Charges Separate from Assumption Processing Fees

The Mortgagee may charge the assuming Borrower reasonable and customary fees not to exceed the actual costs for third party expenses incurred in connection with assumption processing:

- non-refundable fees for credit reports and verifications of employment; and
- up to \$45.00 for fees for the preparation and execution of release of liability forms (form [HUD-92210.1](#), *Approval of Purchaser and Release of Seller*), where a Borrower requests an executed release of liability form as evidence that the Borrower was released during a previous creditworthiness review.

(B) Refund of Assumption Processing Fees

In the event a Mortgage is not assumed, Mortgagees must refund one-half of its processing fees if the assumptor's credit is approved, but assumption does not occur for reasons beyond the control of the assumptor.

(C) Change of Hazard Insurance

The Mortgagee may not assess a fee for processing the assumptor's request to change hazard insurance coverage when the existing policy has not yet expired.

3. Programs and Products - Assumptions

(D) Section 143 of the Internal Revenue Code of 1986

The Mortgagee must not charge the Borrower any additional fees for ensuring that assumptions of mortgage revenue bond Mortgages comply with requirements of the Internal Revenue Code (IRC).

iv. Notification to HUD of Changes

The Mortgagee must notify HUD via [FHA Connection \(FHAC\)](#) of assumptions:

- within 15 Days of any change of Borrower; or
- within 15 Days of the date the Mortgagee receives actual or constructive knowledge of the transfer of ownership.

v. Payment of Partial Claim Due to Assumption

When the Borrower no longer owns the Property, the Partial Claim becomes due and payable.

At the time of the assumption, the Mortgagee must acquire an official Partial Claim payoff letter from [HUD's Servicing Contractor](#).

vi. Exercise of Due-on-Sale Clause

When a prohibited sale or transfer of the Property occurs, the Mortgagee must enforce the due-on-sale clause by:

- requesting approval from the National Servicing Center (NSC) via fax to accelerate the Mortgage, provided that acceleration is permitted by law; and
- accelerating the Mortgage if approval is granted.

vii. Acceleration of the Mortgage

(A) Requests for Acceleration

The Mortgagee may request approval from the NSC to accelerate Mortgages for assumptions made:

- without credit approval; or
- where HUD assumption requirements are not met and the Borrower cannot or will not comply with HUD's requirements at the time the assumption is discovered.

(B) Acceleration not Permitted

The Mortgagee may not accelerate for the assumptions when:

- acceleration for assumption without credit approval is prohibited by state law;
- the seller retains an ownership interest in the Property; or
- the transfer is by [devise or descent](#) (with or without a will).

viii. Communication with Borrowers Regarding Assumptions

Upon any inquiry by a seller regarding HUD's assumption requirements or upon learning that an assumption has occurred, the Mortgagee must:

- attempt to obtain the forwarding address of the selling Borrower;
- advise the selling Borrower to update the mailing address as needed; and
- advise the selling Borrower that any existing PACE obligation that will remain with the Property must be fully disclosed to the buyer in accordance with applicable law (state and local) and made part of the sales contract.

ix. Reporting of Defaults on Assumed Mortgages to Consumer Reporting Agencies

If an assumed Mortgage goes into Default, the Mortgagee must not report these Defaults to consumer reporting agencies for former Borrowers, whether those Borrowers remain legally liable for the mortgage debt or have been released from liability. The Mortgagee should notify any Borrowers that remain liable for the mortgage debt that the assumed Mortgage is in Default.

3. Programs and Products - Presidentially-Declared Major Disaster Areas

c. Presidentially-Declared Major Disaster Areas

i. Disaster Declarations

Under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, the President has authority to declare a major disaster for any area which has been affected by damage of sufficient severity and magnitude to warrant major disaster assistance. Disaster Declarations and information regarding available federal assistance for each disaster incident are posted on the [Federal Emergency Management Agency's \(FEMA\) website](#).

Whenever the President declares a major disaster, the Mortgagee must implement the procedures set forth in this section for each designated area that is eligible for federal disaster assistance.

ii. Moratorium on Foreclosures

(A) Standard

FHA-insured Mortgages secured by Properties located in Presidentially-Declared Major Disaster Areas (PDMDA) will be subject to a moratorium on foreclosures following the Disaster Declaration. The foreclosure moratorium is:

- effective for a 90-Day period beginning on the date of the Disaster Declaration for that area (HUD may communicate further specific guidance for extension of moratorium periods for individual disasters);
- applicable to the initiation of foreclosures and foreclosures already in process; and
- considered an additional period of time approved by HUD for the Mortgagee to take loss mitigation action or commence foreclosure.

The Mortgagee may submit a request for an extension to HUD's foreclosure-related deadlines via HUD's Extensions and Variances Automated Requests System (EVARS) when prohibited from performing a required activity due to the foreclosure moratorium.

(B) Required Documentation

The Mortgagee must retain in its Claim Review File any approved extensions from HUD related to a foreclosure moratorium.

(C) Hazard or Flood Insurance Settlement

The Mortgagee must take no action to initiate or complete foreclosure proceedings, after expiration of a disaster-related foreclosure moratorium, if such action will jeopardize the full recovery of a hazard or flood insurance settlement.

iii. Monitoring of Repairs to Substantially Damaged Homes

(A) Definition

A building is considered to be “Substantially Damaged,” as defined in the National Flood Insurance Program (NFIP) regulations, when “damage of any origin is sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.”

(B) Standard

The Mortgagee must take appropriate actions to ensure that repairs to Substantially Damaged Properties comply with the federal building elevation standards, including those established by FEMA. The Mortgagee must ensure compliance with any higher applicable building elevation standard adopted by the state or local government.

iv. Loss Mitigation for Borrowers in PDMDAs

Should Presidentially-Declared Major Disasters adversely impact a Borrower’s ability to make on-time Mortgage Payments, the Mortgagee must provide the Borrower with forbearance and HUD loss mitigation assistance, where appropriate, as provided in applicable FHA policy guidance.

(A) Loss Mitigation Owner-Occupant Requirement

The Mortgagees must not deny a Borrower any Loss Mitigation Option solely for failure to occupy a mortgaged Property if the following conditions are met:

- the mortgaged Property is located within a PDMDA;
- the dwelling was the Principal Residence of a Borrower immediately prior to the disaster event;
- a Borrower intends to re-occupy the mortgaged Property upon restoration of the home to habitable condition; and
- the total accumulated mortgage arrearages have not exceeded the equivalent of 12 months Principal, Interest, Taxes, and Insurance (PITI).

(B) Forbearance Options for **Borrowers in PDMDAs**

Before considering an affected Borrower for a permanent solution utilizing one of [FHA’s Loss Mitigation Home Retention Options](#), the Mortgagee must first evaluate the Borrower for a forbearance, which allows for one or more periods of reduced or suspended payments without specific terms of repayment.

The Mortgagee may offer forbearance relief to a Borrower with a mortgaged Property or place of employment located within a PDMDA as follows.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Presidentially-Declared Major Disaster Areas

(1) Informal Forbearance for Borrowers in PDMDAs

The Mortgagee may consider Borrowers in PDMDAs for an Informal Forbearance and may offer additional Informal Forbearance periods if the foreclosure moratorium is extended.

(2) Formal Forbearance for Borrowers in PDMDAs

The Mortgagee may consider Formal Forbearances for Borrowers in PDMDAs while they are pursuing home repairs and/or resolving verifiable financial difficulties related to the disaster, provided that:

- the forbearance period does not exceed the estimated time needed to complete home repairs as supported by a contract or repair estimate; and
- the total accumulated mortgage arrearages during the forbearance period does not exceed the equivalent of 12 months PITI.

(C) Disaster Loan Modification

For Borrowers who receive Informal or Formal Forbearances based solely on location of their mortgaged Property or place of employment within a PDMDA, the Mortgagee must offer Rate and Term modifications at the end of the forbearance period based on the following criteria.

(1) Eligibility for Disaster Loan Modification

The Mortgagee must ensure that Borrowers and their FHA-insured Mortgages meet the following eligibility and term requirements for a Disaster Loan Modification:

- The Mortgage was current or less than 30 Days past due as of the date of the applicable Disaster Declaration.
- The Mortgagee confirms Borrower income is equal to or greater than it was prior to the Disaster using a recent pay stub for income, W-2, bank statement or other documentation reflecting the amount of income.
- As an alternative to providing income documentation, the Borrower can complete a three month Trial Payment Plan (TPP), which will confirm that their income has returned to pre-disaster levels. The TPP does not have to be signed by the Borrower.
- The Property is owner-occupied.

(2) Terms of the Disaster Loan Modification

The Mortgagee must modify the Mortgage as follows:

- The total Principal and Interest (P&I) amount of a Borrower's monthly Mortgage Payment does not change.
- The Mortgagee must capitalize into a modified mortgage balance:
 - the accumulated arrearages for unpaid accrued interest; and

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Presidentially-Declared Major Disaster Areas

- eligible unreimbursed Mortgagee advances and related fees and costs chargeable to the Mortgage.
- The Mortgagee waives the Borrower's accumulated late fees.
- The Mortgagee sets the interest rate at no greater than the Market Rate⁴ as defined by HUD.
- The term for the modified loan is 360 months. The term may be less than 360 months if (i) requested by the Borrower and (ii) a term that is less than 360 does not result in the modified P&I being greater than current P&I.
- Borrower(s) can only receive one Permanent Loss Mitigation Home Retention Option for a PDMDA.

(D) Disaster Standalone Partial Claim

The Mortgagee must evaluate Borrowers for a Disaster Standalone Partial Claim at the end of the Forbearance period if the Borrower does not qualify for a Disaster Loan Modification. Use of the Disaster Standalone Partial Claim requires that each criterion below be met:

- The Mortgage was current or less than 30 Days past due as of the date of the applicable Disaster Declaration.
- The Mortgagee confirms Borrower income is equal to or greater than it was prior to the Disaster using a recent pay stub for income, W-2, bank statement or other documentation reflecting the amount of income.
- As an alternative to providing income documentation, the Borrower can complete a three month Trial Payment Plan (TPP), which will confirm that their income has returned to pre-disaster levels. The TPP does not have to be signed by the Borrower.
- The Property is owner-occupied.
- The total Principal and Interest (P&I) amount of a Borrower's monthly Mortgage Payment does not change.
- The Mortgagee waives the Borrower's accumulated late fees.
- The Disaster Standalone Partial Claim is subject to the maximum statutory value of all Partial Claims⁵ for an FHA-insured Mortgage.

⁴ The term "Market Rate" is defined as a rate that is no more than 25 basis points greater than the most recent Freddie Mac Weekly Primary Mortgage Market Survey (PMMS) Rate for 30-year fixed-rate conforming mortgages (U.S. average), rounded to the nearest one-eighth of one percent (0.125%), as of the date a Trial Payment Plan is offered to a Borrower for an FHA-HAMP option or the date the borrower is offered a permanent Disaster Rate and Term Loan Modification. The Weekly PMMS results are published on Freddie Mac's website at <http://www.freddiemac.com/pmms/>.

⁵ The statutory maximum value of all Partial Claims (i.e., combined) is 30 percent (30%) of the Unpaid Principal Balance of each FHA-insured Mortgage and any costs that are approved by the Secretary. For purposes of calculating the maximum Partial Claim value for each loss mitigation action, it is the lesser of: (1) the Unpaid Principal Balance as of the date of Default associated with the initial Partial Claim, if applicable, multiplied by 30 percent, less any previous Partial Claim(s) paid on the FHA-insured Mortgage; (2) if there are no previous Partial Claim(s), the Unpaid Principal Balance as of the date of the current Default multiplied by 30 percent; or (3) the total amount required to meet the targeted Mortgage payment. The Partial Claim amount may include arrearages, legal fees and foreclosure costs related to a canceled foreclosure action and principal deferment.

3. Programs and Products - Presidentially-Declared Major Disaster Areas

- Borrower(s) can only receive one Permanent Loss Mitigation Home Retention Option for a PDMDA.

(E) Required Financial Evaluation for other Loss Mitigation Home Retention Options

Following evaluation for and completion of approved forbearances, the Mortgagee must evaluate those Borrowers who do not qualify for either the “Disaster Loan Modification” or “Disaster Standalone Partial Claim” Options for other [Loss Mitigation Home Retention Options](#).

Borrowers who do not currently have an increase in living expenses but are Delinquent due to a forbearance received following a Disaster Declaration are deemed to satisfy the eligibility conditions for FHA Loss Mitigation Home Retention Options.

(1) Terms of the Mortgage Loan are Unaffected

Nothing in Handbook 4000.1 confers any right to a Borrower to any loss mitigation or any other action by HUD or the Mortgagee. Further, nothing in this Handbook interferes with any right of the Mortgagee to enforce its private contractual rights under the terms of the Mortgage Loan. All private contractual rights and obligation remain unaffected by anything in this Handbook. Where a Mortgagee chooses to enforce its contractual rights after expiration of any automatic foreclosure moratorium, the standard timeframes to initiate foreclosure and reasonable diligence in prosecuting foreclosure following expiration of a foreclosure moratorium will apply.

(2) Use of Loan Modification Option

The Mortgagee must ensure that the Borrower occupies the dwelling as an owner-occupant before completing a Loan Modification.

(F) Home Disposition Options

Home Disposition Options are also available to Borrowers that are in disaster areas.

Pre-Foreclosure Sale or Deed in Lieu of Foreclosure

- The Mortgage was current or less than 30 Days past due as of the date of the applicable Disaster Declaration.
- The Mortgagee obtains from the Borrower a recent pay stub for income, W-2, bank statement or other documentation reflecting the amount of income.
- The Property was owner-occupied.

i. Face-to Face Meetings Not Required

The Mortgagee is not required to conduct a face-to-face interview if:

- the Borrower does not live in the mortgaged Property;
- the Borrower has clearly indicated that they will not cooperate with a face-to-face interview; or
- the Borrower's payment is current due to an agreed-upon repayment plan or Forbearance Plan.

3. Programs and Products - Section 222 Mortgages

f. Section 222 Mortgages

Authority for Mortgages insured under Section 222 of the National Housing Act was repealed on July 30, 2008. The following policies apply for existing Section 222 Mortgages, for which Mortgage Insurance Premiums (MIP) are paid by the servicemember-Borrower's branch of the military service until the servicemember's eligibility is terminated.

i. Requirements for Section 222 Mortgages

(A) Military Branch Responsibility

The military branch is responsible for payment of MIP on a Section 222 Mortgage when the Borrower is:

- a certified servicemember at the time of application; and
- the owner of the Property at the time of FHA endorsement.

(B) Establishing Eligibility

The servicemember-Borrower must submit the original and two copies of a written certification of a servicemember's eligibility, issued by the servicemember's commanding or personnel officer, with their application for mortgage insurance under Section 222. The respective service branch determines benefits eligibility.

ii. Transfers to Section 222

If the original Mortgage is insured under another section of the National Housing Act, the servicemember may request to transfer the insured Mortgage to Section 222.

(A) Transfer Requests

A servicemember requesting transfer of an insured Mortgage to Section 222 must provide the Mortgagee with the original and two copies of a written certification of a servicemember's eligibility, issued by the servicemember's commanding or personnel officer.

(B) Forwarding Documents

If in agreement with the transfer, the Mortgagee must forward these copies with a letter requesting transfer of the Mortgage to the following address:

U.S. Department of Housing and Urban Development
Insurance Operations Division
Attention: Systems Management Branch
Washington, DC 20410

The Mortgagee must pay MIP until notified by the FHA Comptroller that the request to transfer has been completed.

iii. Sale of a Property Covered by a Section 222 Mortgage

When a servicemember-Borrower sells the mortgaged Property, the Mortgagee must complete a Mortgage Record Change in [FHAC](#).

(A) Sale of Mortgaged Property to Another Eligible Servicemember

If a mortgaged Property is sold to another eligible servicemember who assumes the Section 222 Mortgage, the Mortgagee must request from the assumptor written certification from their service branch of their eligibility for a Section 222 Mortgage.

If the Mortgagee fails to provide this certification to HUD when requesting insurance, HUD will hold the Mortgagee, and not the service branch, responsible for payment of MIP. The Mortgagee should continue to collect premiums from the servicemember-Borrower and pay the premiums to FHA.

(B) Collection of MIP from Servicemember Assumptor

When a mortgaged Property is sold to another eligible servicemember who will assume the Section 222 Mortgage, the Mortgagee must continue to collect premiums from the assumptor until advised by FHA that the service branch will be responsible for future premiums.

If the Mortgagee has been paying the MIP as a result of prior termination of the service branch's responsibility for payment of premiums, the Mortgagee must continue to collect premiums from the servicemember-Borrower and pay the premiums to FHA.

iv. MIP Payments upon Notice of Termination

Under Section 222, HUD does not require the Mortgagee to collect MIP from the Borrower or to remit premiums to FHA until advised by FHA that the service branch will no longer pay the premiums.

When FHA is notified that the mortgaged Property has been sold or that the servicemember has been discharged, retired, or has died, FHA will:

- request confirmation from the service branch of the termination of MIP; and
- notify the Mortgagee to begin collecting MIP from the servicemember-Borrower.

v. Continued Payment of MIP by Service Branch When Servicemember Dies on Active Duty

The service branch is responsible for determining continued eligibility of servicemember-Borrowers. If a servicemember-Borrower dies while on Active Duty and is survived by a spouse, the service branch will be responsible for the following:

- continuing to pay MIP on the Mortgage until two years after the servicemember's death or until the spouse disposes of the Property, whichever occurs first;

i. Owner-Occupancy Term

The Good Neighbor Next Door (GNND) participant must live in the Property as their sole residence for an owner-occupancy term of 36 months, beginning on one of the following dates:

- 30 Days after closing if the home requires no more than \$10,000 in repairs before occupancy;
- 90 Days after closing if the home requires more than \$10,000, but not more than \$20,000 in repairs; or
- 180 Days after closing if the home requires more than \$20,000 in repairs prior to occupancy.

(A) Annual Certification

(1) Standard

GNND participants must certify on [form HUD-9549-D](#), *Good Neighbor Next Door Sales Program*, every year of the owner-occupancy term that they are living in the Property.

HUD's Loan Servicing Contractor will mail form HUD-9549-D to the GNND participant. The GNND must sign, date, and return the form according to the instructions in the letter.

(2) Failure to Return Certification

If the GNND participant fails to complete and return the annual certification, HUD will take action to determine whether the GNND participant still meets program requirements. These actions include, but are not limited to:

- referral to an investigator, who may perform an on-site visit to verify the occupancy of the Property; and
- referral to HUD's Office of Inspector General (OIG) for further investigation and possible prosecution.

(B) Term Interruption Requests

When the GNND participant requires an interruption to the owner-occupancy term, the Borrower may request approval for a term interruption from HUD.

The GNND participant must submit a written and signed request at least 30 Days before the anticipated interruption to HUD's [Servicing Contractor](#). The request must include the following information:

- the reason(s) why the interruption is necessary;
- the dates of the intended interruption; and
- a certification that:

- the GNND participant is not abandoning the home as their permanent residence; and
- the GNND participant will resume occupancy of the home upon the conclusion of the interruption and complete the remainder of the 36-month owner-occupancy term.

(C) Active Duty Military Service

Eligible GNND program participants who are also military service members protected by the SCRA are not required to submit their written request to HUD 30 Days in advance of an anticipated interruption, but must submit their written request as soon as practicable upon learning of a potential interruption.

HUD may grant exceptions to the occupancy requirement for participants who are called to Active Duty service. These participants must notify the NSC when Active Duty military service would require temporary relocation outside of the commuting area of the Property purchased under the GNND program.

(D) Failure to Complete Owner-Occupancy Term

If the GNND participant sells their home or stops living in the home as their sole residence prior to the expiration of the owner-occupancy term, they will owe HUD the amount due on the second Mortgage as of the date the Property is either sold or vacated.

ii. Second Mortgage and Note Servicing

HUD's [Servicing Contractor](#) is responsible for the servicing of GNND second Mortgages.

GNND Participants must submit requests for subordinations, pay-off amounts, mortgage releases, or other servicing information to HUD's Servicing Contractor.

(A) Subordinations

To request subordination of a GNND Mortgage, the GNND participant, or the Closing Agent responsible for closing the new Mortgage must:

- contact HUD's Loan Servicing Contractor to receive a Subordination Information Sheet; and
- submit the required documentation, as listed in the Subordination Information Sheet, to HUD's Loan Servicing Contractor.

(B) Payoffs

To pay off a GNND Mortgage before the expiration of the owner-occupancy term, the GNND participant must mail or fax to HUD's Loan Servicing Contractor a request for a Payoff, including the following information:

3. Programs and Products - Good Neighbor Next Door

- GNND participant's name;
- full property address;
- estimated date of Payoff;
- name, address, telephone number, and return fax number of the Entity requesting the Payoff; and
- signed permission of the GNND participant to collect this information.

(C) Releases

At the end of the required owner-occupancy term, HUD will release the GNND second Mortgage as long as all of the following conditions are met:

- The GNND participant has completed and returned the required annual certifications.
- The GNND participant is not currently under investigation by OIG.
- The GNND participant is in compliance with all GNND regulations.

HUD's Loan Servicing Contractor will prepare this release and file the mortgage satisfaction with the GNND participant's local county recorder's office.

3. Programs and Products - HOPE for Homeowners

h. HOPE for Homeowners

The Housing and Economic Recovery Act of 2008 amends the National Housing Act to authorize the temporary Homeownership and Opportunity for People Everywhere (HOPE) for Homeowners Program (also referred to as the H4H Program). Under the program, a Borrower facing difficulty paying their Mortgage will be eligible to refinance into an affordable FHA-insured Mortgage. The H4H Program was effective for endorsements on or after October 1, 2008, through September 30, 2011.

i. HUD Contact

Mortgagees should contact HUD's [Servicing Contractor](#) for questions related to servicing or satisfaction of H4H Exit Premium Mortgages (EPM).

ii. Annual Premium

The Mortgagee must collect the annual premium at 0.75 percent of the Base Loan Amount. The Mortgagee must follow standard FHA guidelines for the cancellation of the annual premium.

iii. Voluntary Termination of Mortgage Insurance

The Borrower and Mortgagee may mutually request termination of mortgage insurance. The Borrower will not receive a refund of any UFMIP received by HUD and will remain obligated for the exit premium and appreciation Mortgages.

iv. Sale and Payoff

Upon sale or other disposition of the Property securing an H4H Mortgage, the Borrower must satisfy HUD's equity interest, if not already satisfied through refinance. HUD is entitled to its respective percentage of the initial equity amount as stated in the EPM, even if there are no net proceeds or if net proceeds are negative.

Upon receipt of a payoff request, HUD's [Servicing Contractor](#) will calculate the payoff amount for its equity interest and issue a payoff demand to the Closing Agent.

v. Refinancing

HUD will permit the refinancing of an H4H Mortgage subject to the requirements established in this section. In the event of any refinance of the H4H Mortgage, the Borrower must pay to HUD its full equity interest as stated in the EPM.

HUD will permit the refinancing into another conventional loan product no earlier than 12 months from the date of closing on the H4H Mortgage. The Borrower may refinance if:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - HOPE for Homeowners

- the refinance results in a 30-year amortizing fixed rate Mortgage with a Principal and Interest (P&I) payment that is lower than the P&I payment due on the existing H4H Mortgage;
- the proceeds from the refinance are sufficient to pay off the percent of initial equity due to HUD; and
- the cash received by or on behalf of the Borrower is limited to the Borrower's applicable percentage of initial equity created by the H4H Mortgage, as stated in the EPM, any earned equity the Borrower has accrued, and any appreciation.

vi. Default and Loss Mitigation

The Mortgagee may utilize HUD's Loss Mitigation Program for H4H Mortgages, subject to the following special considerations.

(A) FHA-HAMP Loan Modifications

HUD will subordinate the EPM to the modification of an H4H Mortgage completed in accordance with HUD's Loss Mitigation Program.

(B) FHA-HAMP Partial Claim

For a Partial Claim Note, HUD does not require subordination of the EPM.

(C) Pre-Foreclosure Sale

The Mortgagee must include the total dollar amount of the EPM in the total debt calculation for the negative equity ratio calculations.

(D) Deed-in-Lieu

HUD will accept a DIL subject to the EPM lien.

vii. Exit Premium

(A) Definition

Initial equity is the lesser of:

- the appraised value at the time of the H4H loan origination less the original principal balance on the H4H Mortgage; or
- the outstanding amount due under all existing mortgages less the original principal balance on the H4H Mortgage.

(B) Standard

In the event of refinance, sale, or other disposition, HUD is entitled to receive the following percentage of initial equity:

i. Nehemiah Housing Opportunity Grants Program

Title VI of the Housing and Community Development Act of 1987 established the Nehemiah Housing Opportunity Grants Program (NHOP), which authorized HUD to make grants to nonprofit organizations enabling them to provide Mortgages to families purchasing homes constructed or substantially rehabilitated in accordance with a HUD-approved program. The program was funded by Congress in 1989, 1990, and 1991. It is no longer an active program as grant funds were exhausted in April 1991. HUD's [Servicing Contractor](#) handles the satisfaction of liens still outstanding from this program.

i. Servicemembers Civil Relief Act

The [Servicemembers Civil Relief Act of 2003](#) (SCRA) as amended by [Public Law 108-189](#), effective December 19, 2003, provides legal protections and debt relief for persons in Active Duty military service. The following protections apply to the servicing of FHA-insured Mortgages:

- mortgage relief;
- termination of leases;
- protection from eviction;
- 6 percent cap on interest rates;
- stays of proceedings; and
- reopening Default Judgments.

(A) Relief Provisions for the Military

SCRA provides legal protections and debt relief for persons in Active Duty military service the criteria for which are established in [50 U.S.C. App. § 3911](#). Dependents of servicemembers are entitled to protection in limited situations. “Dependents” is also defined in [50 U.S.C. App. § 3911](#).

(B) Obligations and/or Liabilities Prior to Entering into Active Military Service

(1) Interest Rate Cap

(a) Standard

Obligations or liabilities incurred by a servicemember and/or servicemember’s spouse jointly before entering into active military service must not bear interest at a rate in excess of 6 percent per year during the period of military service and one year thereafter (unless superseded by updates to the SCRA Act), in the case of an obligation or liability consisting of a Mortgage, trust deed, or other security in the nature of a Mortgage.

(b) Required Documentation

The Mortgagee must apply the interest rate cap if it receives from the servicemember the documents listed below no later than 180 Days after the date of the servicemember’s termination or release from military service:

- a written notice;
- a copy of military orders calling the servicemember to military service; and
- orders further extending military service, if any.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Servicing FHA-Insured Mortgages for Servicemember-Borrowers

(c) Mortgagee Implementation

The Mortgagee must limit interest to 6 percent per year effective the date on which the servicemember is called to military service. Only a court may grant exceptions if the ability of the servicemember to pay interest upon the obligation or liability at a rate in excess of 6 percent per year is not materially affected by being in military service.

(2) Reduction of Monthly Payments

When interest must be reduced to 6 percent on an FHA-insured Mortgage due to SCRA, the Mortgagee may calculate interest due for the period of Active Duty on a per diem basis or permit the lower interest rate for the entire first and last months of service.

(a) Mortgagee is Notified of SCRA Applicability

Where the servicemember notifies the Mortgagee of their eligibility for SCRA protection, the Mortgagee must:

- advise the servicemember or representative of the adjusted amount due;
- provide adjusted coupons or billings; and
- ensure reduced payments are not returned as insufficient.

(b) Mortgagee is Not Notified of SCRA Applicability

Where the servicemember does not notify the Mortgagee of their eligibility for SCRA protection and submits a reduced payment, the Mortgagee must:

- attempt to contact the Borrower or representative to determine whether the Borrower is on Active Duty; and
- return insufficient payment if appropriate explanation is not provided and otherwise in compliance with HUD guidance.

(C) Verification of Military Service

The Mortgagee may request a statement of military service from the U.S. Department of Defense's [Servicemembers Civil Relief Act \(SCRA\) website](#).

ii. Postponement of Foreclosure

(A) Reasonable Diligence Time Frame Calculation

When calculating deadlines to commence foreclosure or acquire Property by other means, the Mortgagee may exclude the period of time when the Borrower is in Active Duty military service. HUD does not consider postponement or delay in initiating a foreclosure while the Borrower is Active Duty military service a failure to exercise reasonable diligence.

3. Programs and Products - Section 235 Mortgages

k. Section 235 Mortgages

Effective May 4, 2015, HUD removed the regulations for its Section 235 Program, which authorized HUD to provide mortgage subsidy payments to Mortgagees to assist lower-income families who were unable to meet the credit requirements generally applicable to FHA mortgage insurance programs. Authority to insure new Mortgages under Section 235 expired October 1, 1989. To the extent that any Section 235 mortgages remain in existence, or second mortgages for the recapture of subsidy payment pursuant to HUD's regulations governing the Section 235 Program, the removal of these regulations does not affect the requirements for transactions entered into when Section 235 Program regulations were in effect. A Borrower with an existing Section 235 Mortgage may still refinance the Mortgage.

Section 235 Mortgages have additional servicing requirements due to the Assistance Payment Contract. The Mortgagee must continue servicing Section 235 Mortgages in accordance with published guidance, preserved here verbatim. Mortgagees should direct questions regarding Section 235 Mortgage servicing to the [NSC](#).

i. Section 235 Mortgages

Formerly HUD Handbook 4330.1, REV-5, Chapter 10

10-1 GENERAL (24 CFR 235). Under the Section 235 program, HUD assists mortgagors in making their monthly mortgage payments by paying directly to the mortgagee a portion of the mortgagor's monthly payment as long as the mortgagor remains eligible for subsidy under this program.

Servicing of Section 235 mortgages is generally the same as that described in the previous chapters of this handbook for mortgages insured under other HUD programs, except this program has added requirements due to the assistance payments contract (Subpart C of 24 CFR 235).

- A. Mortgages Subject To Recapture (24 CFR, Part 235, Subpart C). Pursuant to a firm commitment issued on or after May 27, 1981, all or part of the assistance payments is subject to recapture under certain circumstances. (Recaptures and mortgagees' responsibilities with respect to recaptures are discussed in detail in Chapter 11).
- B. Reactivation Of Section 235. The Appropriations Act of 1984 reactivated the Section 235 program in accordance with Section 226 of the Housing and Urban Rural Recovery Act (HURRA) of 1983. The provisions of the reactivated program (which is known as Section 235 Revised/Recapture/10), are discussed in Paragraph 10-36.

10-2 CONTRACT FOR MONTHLY ASSISTANCE PAYMENTS (24 CFR 235). The terms and conditions of the assistance payment contract are contained in Subpart C of Part 235 of the HUD regulations. The issuance of the Mortgage Insurance Certificate (MIC), Form HUD-59100, to the HUD-approved mortgagee incorporates these provisions by reference to the contract between HUD and the mortgagee.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- A. What Constitutes Execution Of The Contract (24 CFR 235.310). Issuance of form HUD-59100 constitutes execution of the contract for assistance payments with respect to that particular mortgage. The date of endorsement of the MIC does not affect the term of the contract.
- B. Date Contract Term Begins. The term of the contract begins on either the date of disbursement of the mortgage proceeds or the date the mortgagor occupies the property, whichever occurs later.

NOTE: “Date of disbursement” in this instance means the date the funds escrowed to assure completion (in accordance with Form HUD-92300, Mortgagee’s Assurance of Completion), have been disbursed.

- C. Date Contract Term Ends (24 CFR 235.345). The term of the contract ends on the first day of the month following the occurrence of one of the events listed under Paragraph 10-19.
- D. Definitions (24 CFR 235.5). Listed below are definitions of some of the terms used in this chapter as they pertain to the Section 235 program.
 - 1. “Family” or “Household” (24 CFR 235.5). These terms mean:
 - a. a pregnant woman, or two or more persons related by blood, marriage, or operation of law, who occupy the same unit;
 - b. a handicapped person who has a physical or mental impairment which is expected to be of a continued duration and which impedes his/her ability to live independently unless suitable housing is available; or
 - c. a single person, 62 years of age or older.
 - 2. “Adjusted Annual Income” (24 CFR 235.5). This term means the annual family income remaining after making certain exclusions from gross annual income as shown in 24 CFR 235. 5(a)(1), (2) and (3).
 - 3. “Gross Annual Income” (24 CFR 235.5). This term means the total income (i.e., before any adjustments, tax deductions or any other deductions), received by all members of the mortgagor’s household for those items listed in Paragraph 10-9.
 - 4. “Minor” (24 CFR 235.3). This term means a person under the age of 21 but shall not include a mortgagor or the spouse of a mortgagor.
 - 5. “Cooperative Member” (24 CFR 235. 325). This term means a person who is a member of a cooperative association which operates a housing project financed with a mortgage insured under Sections 213 or 221 of the National Housing Act and meets the conditions set forth under 24 CFR 235.325 and 235 330.
 - 6. “Active Contract”. This term means a Section 235 assistance payment contract that is not currently suspended or terminated.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

7. “Recertification of Family Income and Composition”. This term means the process for determining whether a mortgagor’s household;
 - a. continues to qualify for the Section 235 assistance now being received; and/or
 - b. is eligible for more or less assistance than is currently being received.

10-3 CONTRACT FOR MONTHLY ASSISTANCE PAYMENTS UNDER THE HOUSING AND URBAN RURAL RECOVERY ACT OF 1983. The Section 235

Revised/Recapture/10 Program provides for the following:

- A. an assistance payments contract executed by the mortgagee and HUD which includes the “Notice To Buyer”, signed by the mortgagors; and
- B. the mortgagee must submit to the local HUD Field Office having jurisdiction over the mortgage the completed and executed contract along with the closing package at the time of insurance endorsement. (HUD will execute the contract and return it to the mortgagee with the Mortgage Insurance Certificate.)

10-4 CONTINUING ELIGIBILITY FOR ASSISTANCE. Once the assistance payments contract has been executed and the mortgage insured, many of the initial eligibility requirements (such as owning other property, family size, etc.,) no longer restrict the mortgagor’s continuing eligibility for assistance.

- A. Requirements To Continue Receiving Assistance. In order to continue receiving assistance payments, the mortgagor must meet all four of the following conditions:
 1. Owner-occupancy Continues. Must be a mortgagor (as described in 24 CFR 235.315) or a cooperative member (as described in 24 CFR 235.325) and live in the mortgaged property;
 - a. Co-mortgagors. Where there are co-mortgagors, this requirement will be satisfied as long as one co-mortgagor lives in the mortgaged property.
 - b. Absentee Occupant. If a mortgagor is away from the mortgaged property for a period up to one year this requirement will be satisfied if the absence is due to circumstances beyond his/her control and the mortgagor has taken no action which would indicate this property is no longer his/her primary residence. Each case must be decided on its own merit as to whether the circumstances meet the occupancy requirement. If additional guidance is needed, the HUD Field Office having jurisdiction over the mortgaged property should be contacted. Examples of an “absentee occupant” may include, but not necessarily be limited to, a member of the armed forces, and/or a hospitalized mortgagor.

NOTE: Assistance payments must be suspended where the mortgagor:

- (1) actually collects rent for the mortgaged property;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- (2) vacates the mortgaged property for any reason other than for a temporary absence;
- (3) offers the property for rent or sale;
- (4) fails to make the mortgage payments after vacating the property;
- (5) rents another property which the mortgagor is occupying for any reason other than for a temporary absence (as described in (1) - (4) above) from his mortgaged property;
- (6) purchases and occupies another property (mortgagor or co-mortgagor)

- c. Appointed Trustee/Guardian. In the event of the death of the mortgagor and a trustee/ guardian was appointed as the only survivors were minors, this requirement may be satisfied if the appointed trustee/guardian lives in the mortgaged property with the surviving minors.
- 2. Contract Remains Active. Must be under an assistance payments contract that has not been suspended or terminated;
 - 3. Meets Income Requirements. Mortgagor has insufficient income to make the full monthly mortgage payment with 20 or 28 percent of income depending on the firm commitment date of the mortgage; and

NOTE: The 20 percent calculation applies to mortgages insured pursuant to a firm commitment issued on or before October 26, 1984. The 28 percent calculation applies to mortgages insured pursuant to a firm commitment issued on or after October 27, 1984.

- 4. Recertifies As Required. Recertifies as to occupancy, employment, family composition, and income at least annually and at such other times as required by HUD regulations 24 CFR 235.350.
- B. Basis Of Assistance Calculation. If the four conditions cited in Paragraph A above are met, only the amount of assistance remains to be calculated. This calculation is based on periodic recertifications of income, family composition, occupancy and employment as discussed in Paragraph 10-5.
 - C. Disclosure And Verification Of Social Security Number (SSN). The disclosure and verification of the SSN is an explicit condition of continued eligibility for Section 235 assistance. All mortgagors (and members of their households six years of age and older) are required to disclose and verify complete and accurate SSNs in connection with any recertification.
 - D. Verification Of The SSN Is A One-time Requirement. If a mortgagor provides the mortgagee with documentation to verify the SSN at the time of an annual recertification (October 1990), it is not necessary to provide the documentation to verify the SSN for any subsequent recertifications. However, disclosure of the SSN must be provided at the time of each recertification. Mortgagees must advise mortgagors of the requirements in writing.

III. SERVICING AND LOSS MITIGATION

E. Documentation Requirements.

1. Documentation is required for each SSN disclosed. To document the SSN, all individuals should furnish a copy of a valid Social Security Card (SSC) issued by the Social Security Administration of the Department of Health and Human Services. (The SSN has nine digits separated by hyphens as follows: 000-00-0000).
2. In those cases where the individual is unable to provide a copy of a valid SSC, mortgagees may accept copies of any two of the following documents which would contain the SSN and the individual's identity:
 - a. A drivers license.
 - b. An identification card issued by a Federal, state or local agency.
 - c. An identification card issued by an employer or trade union.
 - d. Earnings statements or payroll stubs.
 - e. Bank statements or personal checks.
 - f. Internal Revenue Service (IRS) Form 1099.
 - g. Unemployment benefit letter.
 - h. Retirement benefit letter.
 - i. Life insurance policies.
 - j. Court records: such as marriage and divorce judgments or bankruptcy records.
 - k. Other documents that the mortgagee determines adequate evidence of a valid SSN.

F. Individuals who have applied for legalization under the Immigration Reform and Control Act of 1986 (IRCA) are an exception to the documentation requirements stated above.

1. These individuals have a SSN to disclose but will not have the copy of the SSC as documentation. Acceptable documentation from those individuals is a letter from the Immigration and Naturalization Service (INS) assigning them the SSN.
2. IRCA applicants generally applied for a SSC at the time they applied for amnesty. The Social Security Administration assigned these individuals a SSN and issued a SSC. However, this card was forwarded to INS and was placed in the applicant's file. INS sends a letter to IRCA applicants informing them that a SSN has been assigned and they may use it until they are granted temporary lawful resident status.

G. Unacceptable Documentation. Mortgagees may not accept documents that:

1. Are produced or completed by individuals, such as business cards, self completed wallet identification cards, or other store purchased cards. (People often purchase a plastic or metal SSC from companies or mail order firms.)
2. Have little or no importance, such as club membership or library cards.
3. Mortgagees have the discretion to include similar documents in this category.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- H. Invalid Or False Documents. A mortgagee may reject documents that are invalid or false. To be considered invalid or false, the document must fall under one of the following categories:
1. Invalid Social Security Numbers - Some individuals use invalid numbers taken from sample cards put in new wallets or from similar advertising.
 2. False Documents - False Identification documents can be either counterfeit, altered, or impostors:
 - a. Counterfeit - A forgery of a genuine document or a copy of a document which may appear authentic but is not legally issued.
 - b. Altered - A genuine document that has had some identification changed to match the bearer. Most often the name, photograph, address or age and physical description are changed on altered documents.
 - c. Imposter - A genuine document obtained under false pretenses, or a blank genuine document stolen from the issuing agency.
- I. Procedures For Rejecting SSNs Or Documentation. When a mortgagee suspects that it has been given an invalid or false document to evidence the SSN, it should notify the homeowner and require an explanation or additional proof of the SSN. If the additional documentation is questionable, the mortgagee may require the SSC be provided, or a duplicate card obtained if the original is not available. If the additional documentation does not satisfy the mortgagee that it is valid or genuine, the following actions must be taken:
1. The assistance payments contract must be suspended effective the 1st day of the first month after receipt of the additional documentation.
 2. The assistance payments contract cannot be reinstated until the validity of the SSN can be verified. The mortgagee must advise the homeowner in writing of the action.
 3. If the validity of the SSN is verified, the assistance payments contract is to be reinstated effective the 1st day of the month following receipt of the documentation.
- J. Certifications.
1. If individuals disclose their SSN, but are unable to meet the verification requirement, a written certification must be executed by the individual to this effect. The certification should state the individual's name, SSN, and that he/she is unable to submit the documentation. The certification must be signed, and dated by each individual who does not have the documentation. If the individual is under 18 years of age, the certification must be executed by his/her parent or guardian.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

2. The individual then has 60 days from the date of certification to obtain necessary documentation to verify the SSN disclosed. If an individual is at least 62 years of age, the mortgagee may at its discretion, extend the period up to an additional 60 days (or 120) days after certification).
3. The mortgagee may refer the homeowner to the local Social Security Office so that he/she may complete and submit Form SS-5, "Application for Social Security Card," to request a duplicate Social Security Card.
4. If any individual has not been assigned a SSN, a certification executed by that individual is required. The certification should state the individual's name, and that he/she has not been assigned a SSN. The individual should then date and sign the certification. If the individual is under 18 years of age, the certification must be executed by/his parent or guardian. This certification is required annually. No further action is needed. A mortgagee cannot require an individual to apply for a SSN.

K. Criminal Violations.

1. Since the SSN was considered an administrative tool for many years, it was not considered necessary to have a penalty provision covering the fraudulent application for or use of a SSN. However, as time passed and the SSN came into broader use, the need to protect it became more apparent. Penalty provisions were added to the Social Security Act and are contained in 42 U. S. C. 408(f), (g) or (h). Violations of these statutes include:
 - a. Providing false information to obtain a SSN.
 - b. Using a SSN based on false information to get a federally financed benefit.
 - c. Using someone else's SSN.
 - d. Misusing a SSN for any reason.
 - e. Making, possessing, buying, or selling counterfeit Social Security cards.
2. If documentation obtained indicates that the homeowner knowingly intended to deceive the mortgagee, referral of the information should be forwarded to the Office of Inspector General for the Department of Health and Human Services (DHHS) may be contacted by toll free hotline: 1-800-368-5779 or by contacting a Regional Inspector General for investigation.

10-5 RECERTIFICATION OF INCOME, FAMILY COMPOSITION, OCCUPANCY AND EMPLOYMENT.

- A. Recertification Requirements. In an effort to fully apprise mortgagors of their responsibility and the importance of reporting all required information timely, mortgagees must notify mortgagors of the requirement not only at the time of the annual recertification but also at an additionally specified time within 30 days after the end of each calendar year. It is suggested that this be accomplished at the same time the mortgagor is provided a statement of the interest paid and the taxes disbursed from the escrow account during the preceding year.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

1. Requirement For All Mortgages (24 CFR 235. 350 and 235. 355). Mortgagees must secure recertifications of gross income, family composition, occupancy, and employment at least annually and as otherwise required by HUD regulations to ensure that the amount of assistance paid on behalf of the mortgagor is that which is authorized by statute.
2. Disclosure and Verification of Social Security Numbers (24 CFR 235.350(d)). Mortgagor must meet the disclosure and verification requirements for Social Security Numbers in connection with any recertification.
3. Requirement For Mortgages Insured On Or After January 5, 1976. The annual recertification must contain a statement of the total gross income (i.e., before adjustments and/or deductions) reported for all adult family members living in the household as shown on their last federal income tax returns.

NOTE: If the “total” gross income reported on their last federal income tax returns is “individually or collectively” more than 25 percent above the income reported on the recertification, the mortgagee must require a written explanation of the difference in income from the mortgagor.

- B. Recertification Form To Be Used. The only acceptable form on which mortgagors and their families may recertify is the Form HUD-93101, Recertification of Family Income and Composition, Section 235(b). The recertification must include the following:
1. the signature of at least one mortgagor;
 2. the date of the signatures;
 3. current income, total income for last 12 months and expected income for next 12 months of all family members;
 4. names and addresses of sources of income for verification purposes; and
 5. Social Security Numbers of all family members 6 years of age and older.

10-6 WHEN RECERTIFICATIONS ARE REQUIRED (24 CFR 235.350).

A. Annual Recertifications.

1. Date Recertification Must Be Performed. Except where the mortgagor has been recertified within 90 days prior to the anniversary (or arbitrary anniversary) date, the mortgagee must recertify the mortgagor at least annually on either:
 - a. the anniversary date of the first mortgage payment due under the mortgage; or
 - b. an arbitrary anniversary date established by the mortgagee for its entire portfolio of Section 235 mortgages.
2. Events Which Permit Recertification Anniversary Dates To Be Changed. Once established, annual and arbitrary anniversary dates are to remain constant except when:

3. Programs and Products - Section 235 Mortgages

- a. the mortgage is recast;
- b. the mortgage is transferred to a new mortgagee or servicer; and/or
- c. prior written approval has been obtained from the local HUD Field Office where the mortgagee is located with a copy of such approval must be maintained in each individual case file. A copy must also be provided as an attachment to the Form HUD-93102 assistance payment request form notifying HUD Headquarters Office of Finance and Accounting's Subsidy Accounting Branch.

NOTE: When any of the above events occur, the mortgagee or servicer automatically has the option of:

- (1) using the anniversary date of the first mortgage payment due under the mortgage;
- (2) using the same arbitrary anniversary date (assuming an arbitrary date was being used) as the transferring mortgagee or servicer; or
- (3) selecting a different arbitrary anniversary date.

B. Intermittent Recertifications.

1. For Mortgages Insured Before January 5, 1976. Recertifications must be done within 30 days of the effective date of any "addition to" the adult family's "source of income". An "additional" source of income" may be due to, but not necessarily limited to, the following:
 - a. a family member (other than a mortgagor) may have reached the age of 21. If this family member was a wage earner, this would require that his/her wages now be taken into consideration when computing assistance payments;
 - b. an adult who did not work previously may have obtained employment;
 - c. an adult who had a job may have elected to get an additional part-time job; and/or
 - d. a family wage earner may have gotten married.
 - e. an adult wage earner joins the family through marriage.

NOTE: Unless the increase was due to a change in source, the mortgagor needs only to recertify at the next anniversary—at which time the increase must be reported to the mortgagee.

2. For Mortgages Insured On Or After January 5, 1976. Recertification is required within 30 days of the date when the total gross income increases by \$50 or more per month, regardless of whether the source changes.

It is the mortgagor's responsibility for providing this information to the mortgagee.

Mortgagors must be made aware that their failure to advise the mortgagee of an increase in income within the 30-day time frame could result in that mortgagor being required to repay a significant amount of overpaid assistance (24 CFR 235.350(c)).

III. SERVICING AND LOSS MITIGATION

3. Programs and Products - Section 235 Mortgages

- C. Recertifications. At The Direction Of The Secretary Of HUD. The Secretary of HUD, and/or his designee, may require recertification any time there is reason to believe recertification is warranted (24 CFR 235.350(a)(3)).
- D. Optional Recertifications. At The Request Of The Mortgagor (24 CFR 235.355). The mortgagor has the option of requesting that the mortgagee accept a recertification any time there is a reduction (of any amount) in the adult family income.

Should the change not be made within the 30-day time frame due to the mortgagor's failure to notify the mortgagee, any increase in assistance resulting from income decrease will be made effective the first day of the month following the date the recertification is received by the mortgagee and not retroactively. (24 CFR 235.360).

1. Acceptable Reasons For Performing Optional Recertifications. The mortgagor may request an optional recertification due to, but not necessarily limited to, any of the following reasons:
 - a. an adult wage earner's death;
 - b. an adult wage earner moving out of the property;
 - c. an adult wage earner becoming unemployed; and/or
 - d. an adult wage earner's loss and/or reduction of overtime or salary.

NOTE: If the mortgagor is already receiving the maximum assistance allowed based on income (i.e., maximum allowed under Formula Two), the recertification requesting that assistance be increased need not be processed. However, the mortgagor must be advised, in writing, of the reason for the mortgagee's inability to increase the assistance payment.

2. Time Frame For Making The Request.
 - a. In the case of self-employed adult family members, the reduction must have continued for at least 90 days prior to the mortgagor's request for recertification. The best information available must be used to ensure that the reduced income has been in effect for 90 days. Assistance must not be based on the unsupported word of the mortgagor.
 - b. For mortgagors NOT self-employed, the reduction or loss of income must reduce the family income to less than the income that was used in computing the most recent assistance.
3. Time Frame for Mortgagee To Process Optional Recertification. The mortgagee must request on HUD Form 93101-A to make any assistance increase effective the first day of the month following the month the mortgagor's recertification is received.

10-7 ANNUAL RECERTIFICATION OF MORTGAGORS.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

A. Time Frame For Requesting Recertifications. Unless the assistance payments contract has been suspended or terminated, annual recertifications must be secured by the mortgagee:

1. no earlier than 60 days before and no later than 30 days after the mortgage (or arbitrary) anniversary date; and
2. the HUD-93101-A must be received by HUD Headquarters Office of Finance and Accounting's (OFA's) Subsidy Accounting Branch no later than 45 days after the mortgage anniversary (or arbitrary anniversary) date.

NOTE: The Subsidy Accounting Branch (SAB) will identify as suspended the subsidy payments on cases when required annual recertifications are not received by the 45th day after the anniversary date. SAB will notify mortgagees by letter that an account has been identified as suspended.

When subsidy is identified as suspended by SAB due to untimely recertification, it will not be paid retroactively unless the HUD-93114 request for reinstatement and the HUD-93101-A are accompanied by a statement from the mortgagee. The statement must include the reason for mortgagee's failure to adhere to recertification requirements.

Assistance payments identified as suspended by SAB shall not be retroactively reinstated because a mortgagor failed to properly respond to a timely request from the mortgagee for recertification.

For examples of the effective dates of payment changes resultant from recertifications, see Paragraph 10-15C.

B. "Reasonable Effort" Action Required Of Mortgagee. A reasonable effort must be made by the mortgagee to comply with the time frames shown in Paragraph 10-7A. In order for the mortgagee's actions to meet the "reasonable effort" requirement, the mortgagee's actions must include, but not necessarily be limited to, the following:

1. sending a written notice to the mortgagor, early enough to result in obtaining recertification no earlier than 60 days before and no later than 30 days after the mortgage anniversary (or arbitrary anniversary) date, which:
 - a. advises the mortgagor of the annual recertification requirement;
 - b. transmits a Form HUD-93101 that must be filled out and returned to the mortgagee;
 - c. advises the mortgagor that failure to return the completed HUD-93101 within the required time frame will result in suspension of subsidy payments;
 - d. advises the mortgagor that assistance payments will not be made retroactively and that the mortgagor will be responsible for making the full mortgage payment during the period of suspension;
 - e. advises the mortgagor that the reinstatement of suspended subsidy payments will not be effective until the first payment month which occurs after 30 days from the date of the mortgagee's receipt of HUD-93101 from the mortgagor; and

3. Programs and Products - Section 235 Mortgages

- f. provides a telephone number and contact name to be used by the mortgagor to obtain responses to recertification questions.
2. providing special help (whether requested or not) to mortgagors who are unable to recertify due to lack of education, language barrier, physical or emotional impairments.

NOTE: Mortgagees are expected to assist mortgagors in completing forms and/or advising relatives or community assistance agencies when mortgagors need assistance in filling out forms.

10-8 MORTGAGOR FAILS TO RECERTIFY WITHIN TIME FRAME (24 CFR

235.375(b)(4)). If the mortgagor fails to respond to the mortgagee's request for recertification within the required time frame, the mortgagee is required to request via Form HUD-93114 that the HUD Headquarters OFA's Subsidy Accounting Branch suspend assistance payments effective the first month after the date that the recertification was required.

NOTE: The Subsidy Accounting Branch will identify the case as suspended and will not pay assistance payments when a recertification is due and neither a HUD-93101-A nor a HUD-93114 is received from the mortgagee by the 45th day after the anniversary date.

- A. **Mortgagor Recertifies After Suspension.** If the recertification is received by the mortgagee after assistance payments have been suspended, the mortgagee must submit Form HUD-93114, together with HUD-93101-A, requesting that the assistance payments be reinstated as an adjustment transaction Code 2 on the next regular month's billing Forms HUD-93102 and HUD-300.

NOTE: The billing forms and all adjustment transaction documents (i.e., Forms HUD-93114, HUD-93101-A, HUD-93102 and HUD-300) should be submitted as one package to the Subsidy Accounting Branch for processing. The reason for the adjustment in Column 3 on Form HUD-300 should be noted as "Late mortgagor recertification".

The reinstatement will be effective on the first payment month which occurs after the date of the mortgagee's receipt of Form HUD-93101 from the mortgagor.

NOTE: No assistance will be paid for the period during which a recertification should have been received (i.e., 30 days after it was requested) and the date it was actually received.

- B. **Contract Suspended Due To Mortgagee's Failure To Meet "Reasonable Effort" Requirement.** In situations where HUD determines that the action taken by the mortgagee when contacting the mortgagor with regard to the recertification fails to meet the "reasonable effort" requirement (as stated in Paragraph 10-7B) and the assistance was subsequently suspended, the mortgagee must go back to that mortgagor and allow that mortgagor to recertify as long as he/she recertifies within 30 days of this second written request. The mortgagee must:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

1. secure recertification and complete verification;

NOTE: If more than one recertification was missed, for each missed recertification the mortgagee must reconstruct family income as accurately as possible for each anniversary date.

2. make any resulting change in assistance effective retroactive to the period for each recertification in question; and
3. if the recertification results in overpaid assistance, careful consideration must be given in order to choose a method which will allow for the recovery of overpaid assistance that may have accumulated without creating an undue hardship on the mortgagor.

However, the mortgagee must immediately refund the total overpaid assistance amount to HUD. The overpaid amount should be included as an adjustment transaction on the next regular month's billing which should be accompanied by applicable Forms HUD-93114 (requesting reinstatement) and HUD-93101-A (recertifying income). The periods of overpayment (i.e., month and year) must be included in Column 3 of Form HUD-300. The reason for adjustment should be noted as "Late Recertification Request".

NOTE: When assistance has been suspended and a request for reinstatement is retroactive, the current monthly billing amount should be treated as a Code 1 transaction on Form HUD-300. The retroactive billing amount should be treated as a Code 2 adjustment transaction on Form HUD-300.

Both the reason for adjustment (i.e., late mortgagor recertification, recertification request; suspended in error, etc.) and the beginning and ending effective period (month and year) must be included in Column 3 of Form HUD-300. Failure to provide this information or failure to attach the required Forms HUD 93101-A and HUD-93114, as appropriate, will result in non-payment of the adjustment amount.

Disallowed adjustment amounts due to lack of documentation must be included on the next regular month's billing. The HUD Headquarters OFA's Subsidy Accounting Branch will process only one Form HUD-93102 for each billing period.

10-9 DETERMINING INCOME.

- A. Gross Annual Income (24 CFR 235.5(d)). Assistance is based on gross income which is made up of the total income (prior to any adjustments, taxes or other deductions) received by all members of the mortgagor's household.

NOTE: Members of the mortgagor's "family or household" are considered to be all persons living in the mortgaged property who are related to the mortgagor by blood, marriage or operation of law.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

1. **Income Sources Included.** For the purposes of annual or other required recertifications which project income, the following sources must be included:
 - a. wages, child support, alimony, and rental income;
 - b. Social Security or welfare benefits;
 - c. retirement benefits, military and veterans' usability benefits;
 - d. unemployment benefits;
 - e. interest and dividend payments;
 - f. lottery winnings paid over extended periods; and
 - g. insurance benefits paid on a fixed schedule.
 2. **Income Sources Excluded.** Income from the following sources must NOT be included:
 - a. lump sum insurance benefits;
 - b. lump sum winnings from a lottery;
 - c. hospital or other medical insurance benefits;
 - d. bonuses and/or overtime (if they DO NOT represent a pattern of annual payments over a period of time);
 - e. food stamps;
 - f. scholarships; or
 - g. any unusual income such as payments made to Vietnam Veterans from the Agent Orange Settlement Fund.
- NOTE: The Agent Orange Compensation Exclusion Act (Public Law 101-201) requires that none of the payments made to Vietnam Veterans from the Agent Orange Settlement Fund be considered income for the purpose of determining eligibility for or the amount of benefits under any Federal or federally assisted program. This requirement must be adhered to when processing Section 235 Annual or other required Recertifications of Family Income and Composition.
- h. any temporary income such as income of a wage earner from temporary employment that has been discontinued at the time recertification is taking place.

- B. **Income Requiring Special Consideration.** The mortgagee is to use the mortgagor's verified current income or the mortgagor's stated "expected income", WHICHEVER IS HIGHER.

"Expected income" is different from income received over the past 12 months (or year-to-date income) in that if there has been a recent increase in the mortgagor's (and/or family member's) hourly wage or salary, that new hourly rate or salary would serve as the basis for projecting the "expected income" for the next 12-month period.

1. **Overtime Pay.** Overtime pay must be included in the total income if the employer verifies that overtime is currently being paid on a regular basis regardless of whether the employee states (or fails to state) at the time of verification that the overtime is expected to continue in the future. If there is a continuing record of overtime work,

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

the only time the overtime income is to be excluded is when the employer verifies that overtime will be discontinued.

2. Self-Employment. Include in gross income all income listed on Internal Revenue Service's (IRS) Form 1040. When calculating the income of self-employed mortgagors, the deductions set out in Schedule C, Profit (or Loss) from Business or Profession, must be recalculated for HUD purposes. Salary or wage distributions for the mortgagor or co-mortgagor, depletion or depreciation) are not deducted from the gross business income for HUD purposes.

NOTE: For example, Schedule C is not the only form where self-employment income is claimed, farmers may have a Schedule F instead of a Schedule C. All sources of self-employment income must be included.

- a. Recalculate Business Income On IRS Form 1040. Mortgagees must recalculate the business income (Item 12 on IRS' Form 1040). If the recalculated income shows a loss, that loss cannot be used to offset other forms of income reported on Items 7 through 22 on IRS Form 1040.
 - b. Item 12 on the mortgagor's IRS Form 1040 may reflect a negative amount in some cases. However, when the mortgagee recalculates the Schedule C as prescribed in Paragraph 2a above, it could result in a positive amount to be included in income. Elimination of the deductions for depletion and depreciation may, from HUD's perspective, result in a business profit.
3. Special-Purpose Payments. These are payments made to the mortgagor's household that would be discontinued if not spent for a specific purpose. Payments which are intended to defray specific expenses of an unusual nature and which are expended solely for those expenses should not be considered as income. Examples include, but are not necessarily limited to, the following:
 - a. Medical Expenses. Funds provided by a charitable organization to defray medical expenses, to the extent to which they are actually spent to meet those expenses.
 - b. Foster Children. Payments for the care of foster children who are not otherwise related to the mortgagor's household by blood, marriage, or operation of law.

NOTE: Foster children are not considered members of the family. Therefore, no \$300 adjustments to income are to be made because of their presence.

- c. VA Educational Benefits and/or Scholarships. VA educational benefits and/or the proceeds of scholarships are not considered income to the extent the benefits or proceeds are actually used for educational expenses (i.e., tuition, books, lab fees, etc.). Any excess income after deducting actual educational expenses must be included as income.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

NOTE: Costs of transportation to and from school or for cost of housing for living away from home to attend school are not considered educational expenses.

- d. Payments In Kind. Items such as food stamps, meals, clothing, or transportation provided by the employer is not considered as income if used for that expressed purpose. However, cash reimbursement for any of these items is considered as income to the extent it continues when not spent to defray a specific expense.
- e. Insurance Benefits.
 - (1) Health/Accident/Disability Insurance.
 - (a) Premiums Paid By Mortgagor. Benefits received from policies where the mortgagor is both the insured and the beneficiary are not to be considered income if the mortgagor paid the premiums.
 - (b) Premiums Not Paid By Mortgagor. If these premiums were paid by someone outside the mortgagor's household (such as an employer), the benefits would be considered as income.
 - (2) Other Types of Insurance. The benefits of other type insurance policies would be considered as income if the benefits are paid in two or more installments unless they meet the test of special purpose payments as described in Paragraph 10-9B3 above.

Regardless of the type or reason for payment, insurance benefits paid in a lump sum are not to be considered income. However, if the mortgagor chose to invest any or all of the money from this lump sum payment, all interest (or other gain) from this investment would be considered as income.
- f. Earnings of Minors. Income of all family members within the mortgagor's household must be included in the family's total gross income which is used as a base for computing the assistance.

All income of all members of the family is included in gross family income. In arriving at the family's adjusted income, five percent of this total is subtracted before subtracting the earnings of minors. Note that only the earnings of minors are subtracted. Income of minors from sources other than earnings is not subtracted.

For example, income to a minor from a trust or an insurance policy is not earnings and is not subtracted. It is thus immaterial whether income other than earnings is paid to a minor or to an adult family member for the benefit of the minor. In neither case would it be deducted in arriving at adjusted income.
- g. Military Pay and Allowances. All cash payments to a member of the armed forces are considered as income, regardless of the reason for the payment, unless the

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

payment is made only once and for a special purpose, such as a lump sum re-enlistment bonus.

Many military personnel may exercise a degree of choice in some areas of compensation. For example, they may choose between eating in a government cafeteria without charge or receiving an allowance for rations in cash and paying for any meals consumed in the cafeteria. If the allowance is received in cash, it is income. Otherwise, it is not.

- h. Reimbursement for Expenses. If the family member's employment requires spending considerable time away from home on a regular basis and the employer provides reimbursement for the unusual living expenses incurred as a result, the reimbursement is not normally considered to be income.

Exceptions to this rule:

- (1) If the reimbursement is paid for periods other than when the employee is actually away from home, the entire reimbursement is considered as income regardless of whether the employee accounts to the employer for actual expenses and the reimbursement is fixed on a daily basis (or some other standard) and is inadequate to cover all normal living expenses; and
- (2) if the employee accounts to the employer for expenses, and the expenses equal or exceed the reimbursement, the reimbursement is not considered income. However, if the reimbursement exceeds the expenses, the excess reimbursement is considered income.

NOTE: Where expenses exceed the reimbursement, the amount not covered by the reimbursement cannot be deducted from the family's gross annual income.

10-10 VERIFYING INCOME. To calculate assistance payments, the mortgagor's verified current income, or the reported expected income, **WHICHEVER IS HIGHER**, must be used. The mortgagor's option to recertify is his/her only protection when there is a loss of income. When mortgagees fail to use the highest income reported, overpaid assistance results.

- A. Third-party Verification Required. Third-party verification of the mortgagor's statements, similar to that required when a mortgage is originated, is required at the time of each recertification.

EXCEPTION: Third-party verifications are not required for self-employed persons.

- B. Verification Not Available. Where third-party verification cannot be obtained and/or the mortgagor's statements cannot be reconciled with the verification, the local HUD Field Office having jurisdiction over the mortgaged property should be contacted for assistance in establishing the income.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- C. Unacceptable Forms Of Verification. Examples of unacceptable forms of verification include, but are not necessarily limited to, the following:
1. Federal income tax returns or Forms W-2's (withholding tax forms), except for self-employed persons and where HUD has reviewed the case and has established that this would be the best information available;
 2. where verifications have passed through the hands of the mortgagor and/or the person whose income is being verified; and/or
 3. checks and/or pay stubs which show only the net amount of the check.
- D. Acceptable Forms Of Verification. The most difficult part of income verification is determining that all sources of earned income have been reported by all members of the mortgagor's household.
1. Listed below, ranked in the order of preference, are acceptable forms of verification for earned income.
 - a. Pay Stubs and Checks. If these show gross income as well as net, these documents are considered to be the most reliable source of accurate information concerning recent income.
 - (1) Documentation for Preceding Six months Is To Be Requested. The most recent information available is to be used for recertifications. Salary information requested should include at least any pay stubs and/or copies of check(s) received by any household member just prior to the mortgagee's request as well as any checks or income received within at least the last six-month period.
 - (2) Each Source of Income Must be Documented. Care should be taken to assure that the mortgagor provides information with respect to each source of income. If a source is missing, one of the other forms of verification should be used with respect to that source.
 - b. HUD Form 92004-G Request for Verification of Employment. This form of verification is acceptable (or similar forms designed by the mortgagee to elicit the same information) only if it is delivered directly to and from the employer without passing through the hands of the mortgagor and/or the employee whose salary is being verified.
- NOTE: If the HUD form is used, it should be modified to add, in the remarks section, a request for information about anticipated wage increases.
- c. Telephone Verification. While some employers may be reluctant to provide income information by telephone, they will usually verify that the mortgagor is or is not employed with that company. In using the telephone:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- (1) Contact Designated Personnel. It should be established by the mortgagee that the person spoken to is either:
 - (a) the mortgagor's supervisor; or
 - (b) an employee of that company who has been authorized by that company to give out employment verifications.
- (2) Maintain Mortgagor's Privacy. The detailed reason for the call (i.e., to determine if the employee remains eligible for Sections 235 subsidy) should not be disclosed to any parties other than those described in the preceding paragraph.
- (3) Document Telephone Call. Each telephone call should be fully documented as follows:
 - (a) the date;
 - (b) the time;
 - (c) the parties of the conversation; and
 - (d) the information provided by the employer.

- d. Use of Standard Benefit Scales. Some localities have established that a family with a given composition receiving public assistance or unemployment compensation as its sole source of income must receive assistance in a set amount.

NOTE: Where this is the case, the income taken from the current schedule of benefits established by that source may be accepted as the family's income without individual verification of the benefits.

- e. Use of Public Housing Authority's Standard Minimum Income Scales. Some Public Housing Authorities have established schedules of minimum incomes for various occupations in their areas, especially those with fluctuating, seasonal, and irregular patterns. These schedules are based on experience indicating that workers in each of the covered occupations can be expected to earn at least a minimum each year under normal working conditions.
 - (1) Income Reported At Or Above Minimum Scale. If the mortgagor has stated an income at or above the minimum found in these tables, the mortgagor's statement may be accepted without further verification.
 - (2) Income Reported At Less Than Minimum Scale. Where the mortgagor can provide convincing evidence that a lower income is accurate, the lower figure may be used.
2. Income from Self-Employment. As noted in Paragraph 10-9 with respect to self-employment, the income of self-employed persons must often be adjusted to avoid reducing it for non-cash expenditures such as depletion and depreciation. Supporting

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

documentation (such as statements showing deposits consistent with claimed income) should be obtained from self-employed mortgagors.

- a. Audited Profit and Loss Statements. A copy of the latest audited Profit and Loss Statement may be requested from the mortgagor.

NOTE: Due to the expense involved, mortgagors are not to be required to obtain an audited Profit and Loss Statement for the sole purpose of the mortgagee using it for income verification to determine Section 235 subsidy. However, should a recent audited Profit and Loss Statement exist for other purposes, the mortgagee may require that a copy be provided for income verification.

- b. Unaudited Profit and Loss Statements. These are acceptable only if prepared by someone other than the mortgagor. Even then, they are of questionable validity as they are based solely on information provided to the preparer by the mortgagor. Any apparent discrepancy should be followed up thoroughly.
- c. Financial Statements. A financial statement is a picture of the financial condition of the business at a specific time. It must be noted that a financial statement does not provide information about the income of the mortgagor, but only serves as a basis for determining that the business can afford to pay the mortgagor what is claimed as earned income.

NOTE: When the self-employed mortgagor is a principal owner of a corporation, that person's income is generally a combination of salary and dividends on investment in the corporation.

In these situations, the corporation's undistributed earnings should also be considered as income of the mortgagor to the extent of that person's ownership.

3. Unearned Income. Income from sources other than employment or self-employment must also be verified, and there are probably as many ways to do this as there are different sources of income. It is left to mortgagees to determine the best source of information in each case.

E. Verification Not Required. Certain types of income need not be verified.

1. Minors. Incomes of minors (persons living in the household who are under the age of 21) need not be verified. Only the income of "adult" members of the family need be verified. "Adult" for this purpose is any mortgagor and spouse of any mortgagor (regardless of age) and any other person related to any mortgagor by blood, marriage, or operation of law who occupies the mortgaged property and is 21 years old or older.
2. Latest Verification Performed Within Last Six Months. On mortgages insured prior to January 5, 1976, income which has been verified within the six months preceding the mortgagee's receipt of the signed Form HUD-93101 need not be verified if:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- a. the family members report no change in employers; and
 - b. the income reported is either the same as that verified earlier or reflects a change which was expected and/or verified as a part of the previous verification.
3. Disqualifying Income. If either the current or expected income as reported by the mortgagor is adequate to enable the mortgagor to make the full monthly payment with 20 or 28 percent of income (depending on when the mortgage was insured), no further verification is necessary before suspending the assistance payments contract.

10-11 FAMILY COMPOSITION. Family composition need not be verified, but, all changes in the status of adult and family members must be questioned.

- A. Separations. Where a mortgagor has left the property due to a separation, the remaining mortgagor may certify as to the composition of the remaining portion of the household.
- B. Death. Normally, if there is no owner-mortgagor occupying the property, assistance cannot be paid. In the event of the death of one or more mortgagors, there could be a question as to both the title to the property and the mortgage obligation. The status may be even more uncertain if the only survivors are minor children.
1. Obtaining Clear Title/Disposing of Property. Where the only survivors are minor children, it may be necessary to initiate court proceedings in order to have a guardian appointed for the purpose of clearing and/or disposing of the title of the property.
 2. Commencement of Assistance Payments. In the event of a death or separation leaving no owner-mortgagor, the mortgagee may begin billing for assistance immediately as though there had been an assumption at the time of the death or separation, provided the mortgagee can identify an individual who meets all of the following conditions:
 - a. is a member of the surviving family (even though he/or she may not have qualified as a “family” member for assistance purposes earlier);
 - b. will probably become the holder of title (either in his/her own name or in trust for one or more of the survivors);
 - c. will assume the mortgage obligation in the same capacity;
 - d. will occupy the mortgaged property with the survivors; and
 - e. will qualify for assistance within the limits prescribed for initial eligibility (see Paragraph 10-22).
 3. Establishing Eligibility. It must be recognized that to determine who will most likely inherit or be appointed as a guardian or trustee on behalf of the survivors before the estate is settled can only be based on assumptions. Once the mortgagee can reasonably determine who that individual will be and whether the conditions in Paragraph 10-11B2 have been met, eligibility must be established.

NOTE: Establishing eligibility need not be delayed until the disposition of title has been completed and the mortgage obligation is formally assumed by the new mortgagor.

Should it become evident that those assumptions are incorrect, the assistance payments contract must be suspended effective with the date of death or separation and any assistance paid in the interim must be refunded to HUD.

10-12 COMPUTING ASSISTANCE (24 CFR 235.335). The maximum monthly assistance that can be paid by HUD is the lesser amount computed under two formulas, commonly referred to as “Formula One” and “Formula Two”. Instructions for these computations are given on Form HUD-93101-A under Section A and B.

- A. Formula One. The “Formula One” assistance payment is the difference between the full monthly mortgage payment (i.e., principal, interest, and all escrowed items) due under the mortgage and either 20 or 28 percent of the mortgagor’s adjusted monthly income. (See Section A and B of the Form 93101-A to determine how the assistance payment is computed.)

NOTE: The 20 percent calculation applies to mortgages pursuant to a firm commitment issued on or before October 26, 1984. The 28 percent calculation applies to mortgages insured pursuant to a firm commitment issued on or after October 27, 1984.

The “Formula One” payment must be recomputed whenever there is a change in the total payment or when there is a change in the income or family composition reflected in a recertification.

- B. Formula Two. The “Formula Two” assistance payment is the difference between the actual monthly payment to principal, interest, and the mortgage insurance premium (MIP) under the mortgage and the monthly payment to principal and interest (without the MIP) that the mortgagor would have to pay if the mortgage bore interest at some lower rate. Those lower rates vary, depending on when the mortgage was insured, as indicated below:

Date of Closing Note Rate	Note Rate	Interest Rate to Compute Second Element of Formula Two	P&I Factor per \$1,000 Term
8/9/68-1/4/76	No difference	1.00%	\$3.22
1/5/76-3/6/78	No difference	5.00%	\$5.37
3/7/78-3/8/81	No difference	4.00%	\$4.78
3/9/81 and later	13.50% or lower	4.00%	\$4.78
	13.75-14.00%	4.75%	\$5.22
	14.25-14.50%	5.50%	\$5.68
	15.00%	6.00%	\$6.00
	15.50%	6.75%	\$6.49
	16.00%	7.25%	\$6.83
	16.50%	8.0%	\$7.34

10-13 INTERIM ASSISTANCE PAYMENTS. When it is impossible to complete the verification of all or part of the family's income at the time of the effective date of a change in the assistance payment, the assistance payment should be temporarily adjusted, if appropriate, based upon information provided by the mortgagor on Form HUD-93101 until all income can be verified or until the local HUD Field Office makes a decision as to the amount of assistance to be paid based on available documentation.

- A. Basis For Computing Interim Assistance Payments. Interim changes in assistance payments should be based on the highest family income figure which can be developed from any source (or sources) until the mortgagor's family income can be verified or a decision is made by the local HUD Field Office.
- B. Affect On Payments. Interim changes in assistance payments should:
 - 1. not result in overpayment of subsidy unless the mortgagor understates income;
 - 2. result in the Formula One assistance (after verification) being equal to or greater than the interim adjustment; and
 - 3. not affect Formula Two calculations as the Formula Two are not income related.
- C. HUD Assistance Requested. Whenever acceptable verifications cannot be obtained, the local HUD Field Office should be asked to make a decision as to the total family income to be used to determine the amount of assistance to be paid on behalf of the mortgagor.
- D. Documentation Needed. Requests to local HUD Field Offices for assistance in determining correct assistance should include:
 - 1. Form HUD-93101, Recertification of Family Income and Composition, Section 235(b);
 - 2. all income verifications received to date that pertain to this recertification, including summaries of any received verbally;
 - 3. copies of any correspondence related to the recertification or verification of income.
 - 4. a summary of any attempted verifications or reconciliation of differences may not have been made clear by the basic documentation; explain the problem encountered; and
 - 5. the names, addresses and telephone numbers of any income source identified by or for any family member.

10-14 FIRST MONTHLY ASSISTANCE PAYMENT. Where mortgage closings do not take place on the first day of a month, the first assistance payment on a new mortgage will normally be smaller or larger than subsequent assistance payments (depending on how interest for the first partial month is collected from the mortgagor).

If the interest is collected at closing or as a separate payment of interest only on the first of the month following closing, the initial assistance payment will be smaller. If the interest is collected as a part of the first full monthly installment, both that payment and the assistance payment will be larger.

3. Programs and Products - Section 235 Mortgages

In calculating this first assistance payment, the mortgagee's basic calculations are the same. Both "Formula One" and "Formula Two" assistance payments are to be calculated, but the mortgagor's income and the full monthly payment used in "Formula One" and the monthly payments to principal, interest and MIP on the actual mortgage and to principal and interest on a mortgage at the appropriate interest rate used in "Formula Two" must be adjusted to reflect the number of days for which interest was actually collected.

10-15 ASSISTANCE PAYMENTS ADJUSTMENTS (24 CFR 235.360). Most adjustments take place as a result of changes in income or family composition reflected in a recertification or due to an increase in the full monthly payment required by the mortgage.

- A. Adjustments. Assistance payment adjustments will be made either retroactively or prospectively as described below.
1. Retroactively. Assistance payments may be adjusted retroactively (i.e., adjusted back to the date the change should have taken effect). Payments may be adjusted retroactively under the following circumstances:
 - a. to correct errors or to include previously unreported income (i.e., \$50.00 increases);
 - b. to reinstate a suspended assistance payments contract when:
 - (1) there is an assumption and the assumptor is found eligible for assistance; or
 - (2) a foreclosure action is withdrawn;
 - c. when an "interim" assistance payment was put into effect in accordance with Paragraph 10-13; and
 - d. when directed to do so by HUD.
 2. Prospectively. Most assistance payments will be adjusted prospectively (i.e., adjustments made effective within 30 days after the processing of recent or anticipated changes when reported by the mortgagor as required). These changes may be due to, but not necessarily limited to, the following:
 - a. changes in income or family composition reflected in a recertification; or
 - b. an increase in the full monthly payment required under the mortgage.
- B. Computation Changes. "Formula Two" assistance payments change every twelve months (on the anniversary of the beginning of amortization) at the time MIP changes for the coming year.

NOTE: This adjustment must be made even when the mortgagee has established an arbitrary anniversary date for the purpose of processing recertifications.

- C. Effective Dates Of Changes (24 CFR 235. 360). The effective date of payment change recorded in Block 19 on Form HUD-93101-A must be in accordance with the following schedule:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

Action Requiring Change	Effective Date
Annual recertification if mortgagor's share of payment increases	First day of first or second month after receipt of Form HUD 93101 at the mortgagee's discretion
Annual recertification if mortgagor's share of payment decreases	THE first day of the first month after receipt of Form HUD-93101
Reported increase in income	THE first day of the first month after the effective date of income increase
Reported decrease in income	The first day of the first month after receipt of Form HUD-93101
Change in total monthly payment required under the mortgage	The date of the monthly payment amount change
Change in "Formula Two" assistance due to an MIP change	The anniversary date of the beginning of amortization

10-16 ADVISING MORTGAGORS OF CHANGES. The mortgagee must notify the mortgagor of changes in assistance payments no less than 10 days before the due date of the first payment affected by the change.

- A. Required Advance Notice Not Given. Any time there is an increase in the mortgagor's share of the payment and the required 10-day advance notice cannot be given to the mortgagor, the mortgagee must arrange a schedule that is acceptable to both parties (must be one that is realistic and does not put an undue hardship on the mortgagor) for collecting any additional amounts that may become due before the 10-day advance notice period can be given.

NOTE: Payment schedule arrangements made between the mortgagor and the mortgagee should not result in overpaid assistance. The amount of assistance requested from HUD on Form HUD-93102 should be reduced effective on the effective date of payment change in accordance with the schedule provided in Paragraph 10-15C, regardless of when the mortgagee collects the higher mortgagor's share of the monthly payment amount.

- B. Written Notice To Mortgagor. The notice to the mortgagor should include, but not necessarily be limited to, the following information:
1. the total monthly mortgage payment, excluding items not required by the mortgage (such as premiums for life and/or disability insurance);
 2. HUD's share of the mortgage payment and whether it was computed under "Formula One" or "Formula Two";
 3. the mortgagor's share of that payment;
 4. any additional amounts that must be paid by the mortgagor in connection with the mortgage payment which was excluded in Item 1 above (such as premiums for life and/or disability insurance);

III. SERVICING AND LOSS MITIGATION

5. the monthly gross income used to calculate the assistance payment for the purpose of providing a bench mark to help the mortgagor know when to report increases of \$50 or more per month;
6. the due date of the first payment due from the mortgagor which reflects the increase.

10-17 RETENTION OF DOCUMENTATION (24 CFR 235.365). Form HUD-93114 and all other pertinent records must be in the mortgagor's case file for the life of the insured mortgage plus three years. In the event the mortgage is transferred to another mortgagee or servicer, and/or assigned to HUD, this documentation must remain a part of the mortgagor's case file and must be conveyed to the new mortgagee, servicer, and/or HUD which shall retain the entire case file for the life of the mortgage plus [seven] years.

10-18 SUSPENSION OF ASSISTANCE PAYMENTS (24 CFR 235. 375).

A. Events Which Require Suspension. Events listed below (and are also given under Item 15 of Form HUD-93114 require the suspension of assistance payments. Effective dates are also given as to when each is to be suspended.

1. When the mortgagor or cooperative member ceases to meet the occupancy criteria for continued assistance;

Effective Date: the first day of the month following the date the mortgagor or cooperative member ceased to meet the criteria;

2. The mortgagee determines that the mortgagor or cooperative member ceases to qualify for assistance payments because of income increases enabling the mortgagor or cooperative member to pay the full monthly payments using 20 or 28 percent (whichever applies) of the family income.

Effective Date: the date that the mortgagor received the increase in family income which enabled payment of the full monthly mortgage payment with 20 or 28 percent of the adjusted gross family income;

3. The required recertification of occupancy, employment, income and family composition cannot be obtained from the mortgagor.

Effective Date: For annual recertifications, the assistance payment contract must be suspended if the recertification Form HUD-93101 has not been received 30 days after the anniversary date, or the disclosure and verification of the Social Security numbers are not provided. For other required recertifications, the contract is suspended as of the first day of the month following expiration of the 30-day period given the mortgagor for recertification.

NOTE: Assistance payments are not to be suspended when a mortgagor requests recertification due to a reduction in income (i.e., optional recertification), and then fails to recertify.

4. Mortgage obligation or cooperative membership is assumed by a party before eligibility has been established.

Effective Date: The first day of the month following the date on which the seller fails to meet the occupancy criteria as set out in paragraph, or the assumptor assumes the mortgage or cooperative membership, whichever is earlier.

5. Foreclosure is initiated.

Effective date: The first day of the month following the date the first legal action required by state law is taken by the mortgagee's attorney to foreclose on the mortgage.

- B. Suspension Notification Required. A notice shall be sent to the mortgagor advising of the suspension when:

1. the suspension of assistance payments is the result of a mortgagor being able to make the full monthly payment using the appropriate 20 or 28 percent of family income;
2. the mortgagor fails to submit a required recertification; or
3. the mortgagor fails to meet the disclosure and verification requirements for Social Security numbers in connection with a recertification.

- C. Content Of Suspension Notice. The notice to the mortgagor must include the following:

1. the date of the suspension;
2. the reason for suspension (as stated in Paragraph 10-18A);
3. the mortgagor's total required monthly mortgage payment;
4. a statement advising that for a period of 3 years immediately following the suspension, assistance payments may be reinstated at any time within that 3-year period if:
 - a. circumstances occur which would eliminate the reason for the suspension; and
 - b. provided that another event (listed in Paragraph 10-18A) has not taken place which would in itself require that the assistance payment contract continue to be suspended.

- D. Reinstatement Effective Dates. A suspended assistance payment contract shall be reinstatement as follows:

1. Suspension Due To Mortgagor's Non-occupancy Status. Assistance payments may be reinstated effective with the first monthly billing after the mortgagee receives Form HUD-93101 notification that the mortgagor meets the occupancy requirement.
2. Suspension Due to Over-Income Mortgagor. Assistance payments may be reinstated effective the first day of the month after the mortgagee receives Form HUD-93101 notification that the mortgagor is no longer "over income" and meets all other continued eligibility criteria.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

NOTE: Reinstatement may be as a result of a reduction in the mortgagor's family income and/or due to an increase in the total monthly mortgage payment (such as an increase in amount being escrowed).

3. Suspension Due To Mortgagor's Failure to Recertify. Assistance payments may be reinstated effective the first day of the month after the mortgagee receives the required Form HUD-93101.
4. Suspension Due To Mortgagor's Failure to Disclose and Verify Social Security Numbers (24 CFR 235.375(b)(4)). Assistance payments may be reinstated effective the first day of the month after the mortgagee receives the social security number information.
5. Suspension Due To Initiation of Foreclosure. Upon the withdrawal of foreclosure action, assistance payments may be reinstated retroactively to the date of suspension provided that, during the period the assistance payments were suspended, the mortgagor continued to meet all other criteria for receiving assistance payments.
 - a. Negotiation of Reinstatement Terms. The terms of reinstatement of the mortgage (i.e., whether the delinquency is to be paid in a lump sum, or additional sums are to be paid each month until the mortgage is current etc.) may be negotiated between the mortgagee and the mortgagor. However, the terms agreed upon must be realistic and may not affect the monthly mortgage payment on which the Formula One assistance payment is based.
 - b. Reimbursement of Foreclosure Costs. Mortgagee retains the right to be reimbursed by the mortgagor for any costs incurred with respect to the withdrawn foreclosure action. However, these costs must be kept separate and apart from any Section 235 assistance. These costs may not be added to the monthly mortgage payment used to calculate the assistance payments and may not be billed to HUD as a separate item.

10-19 TERMINATION OF ASSISTANCE PAYMENT CONTRACT (24 CFR 235.375).

- A. Events Which Require Termination. Events are listed below (and also given under Item 16 of HUD-93114) which require the termination of the assistance payment contract:

1. when the contract of mortgage insurance is terminated;

EXCEPTION: The assistance payment contract is not terminated because HUD accepts an assignment of the mortgage.

2. the mortgage is assumed by a mortgagor or cooperative member who is not eligible for assistance; or
3. the assistance payment contract has been properly suspended for three consecutive years without the subsidy being reinstated within that three-year period of suspension; or

3. Programs and Products - Section 235 Mortgages

4. when the assistance payment contract for Section 246 10-year mortgages terminate unless extended by the Secretary.

B. Termination Effective Dates. Assistance payment contracts terminated for the events cited in the preceding paragraph shall be made effective the first day of the month following the date of the event which requires the termination of the contract.

C. Contracts Terminated In Error. Where the assistance payment contract is terminated in error, the mortgagee shall reinstate the contract immediately upon discovering the error. Form HUD-93114 must be submitted with the box checked under Item 17(1). (Item 17(1) denotes “Terminated in Error” as the reason for the reinstatement.) Documentation of the error is to be retained in the mortgagor’s case file for the life of the mortgage.

NOTE: Once a Section 235 assistance payment contract has been properly terminated it may not be reinstated.

10-20 ESCROW ACCOUNTS. Basically escrow accounts for Section 235 mortgages are serviced the same as escrow accounts for other insured mortgages (i.e., in accordance with procedures discussed in Chapter 2). However, certain differences will be encountered. Mortgagees must determine which escrow items and/or what portion of the premium for an acceptable escrow item may be included in the total monthly mortgage payment prior to computing the amount of subsidy the mortgagor is entitled to under the Section 235 program. Guidance for making this determination is as follows:

A. Escrow Items Which May Be Included In Assistance Computations. Only certain items required under the mortgage may be included in the assistance computations. The escrow items that are acceptable, and the guidelines for determining the acceptable portion of the premium for that escrow item (if the entire amount cannot be included) are listed below:

1. Hazard Insurance. Only the cost of either the standard fire and extended coverage or basic homeowner’s policy may be included in the assistance calculations. If a basic homeowner’s policy is used, the mortgagee must be sure that any premiums for other items, such as cars, boats or other properties are not included in the assistance calculations. If the cost of the basic homeowner’s policy appears excessive, the mortgagee must contact the agent and establish the cost of a standard fire and extended coverage policy and use the lesser of the two.

NOTE: Do not include disability or life insurance premiums.

2. Flood Insurance. The entire premium may be included in the computation if the insurance is required by HUD or the mortgagee.
3. Taxes. The entire amount for taxes and special assessments which are levied by a government body may be included in the assistance calculations. Caution, specified assessments may be payable over several tax years. Only the prorated portion due for a specific tax year may be included.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

NOTE: Do not include ground rents, assessments by mortgagors' associations, and special assessments levied by persons or private organizations.

B. Additional Disclosures Required Prior To Closing. Prior to closing, mortgagees must make mortgagors aware of the following:

1. the availability of any tax exemption (i.e., available to the mortgagor at the time of closing) for which the mortgagor may qualify;
2. that the responsibility for applying for the exemption is that of the mortgagor;
3. that their assistance payments will be computed based on the assumption that the mortgagor will be receiving the tax exemption for which they qualify;

C. Adjustment Of "Excessive" Surpluses And Shortages. Where an escrow analysis reveals an "excessive" surplus or an "excessive" shortage, a retroactive analysis must be performed.

NOTE: Definition of "Excessive" Surpluses and Shortages. An "excessive" surplus or shortage is defined as any amount that is greater or less than requirements by more than 15 percent of the actual disbursements from the account during the most recent full year. Before applying the 15 percent rule, the mortgagee may add one-sixth to the actual disbursements if it has chosen to maintain the surplus permitted in Chapter 2 of this Handbook.

D. When Retroactive Adjustments Are Required. Retroactive adjustments must be made at the following times:

1. When The First Analysis Is Performed After Settlement. If a shortage or surplus is discovered at this time, the shortage or surplus was probably caused by an incorrect amount being collected at settlement to establish the escrow account.

NOTE: If the cause is due to an improper amount being collected at settlement, HUD would not be billed for any portion of the shortage or refunded any portion of the surplus.

2. When The Escrow Analysis Reveals an "excessive" surplus or shortage Allowed (as stated in the "NOTE" under Paragraph 10-20C).
3. When The Mortgage Is Being Assumed Or Paid In Full. Any necessary adjustment revealed by the required escrow analysis must be made prior to completion of either of these transactions. However, if this is not possible and/or the mortgagee later discovers an adjustment should have been made for underpaid assistance, make the appropriate refund to the mortgagor and bill HUD for the underpayment amount using an adjustment transaction Code 2 on the next regular month's billing Forms HUD-93102 and HUD-300. The specific reason for adjustment must be provided in Column 3.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

For example, underestimated tax escrow. The beginning and ending effective periods of the adjustment (month and year) must be included in the reason for adjustment in Column 3 on Form HUD-300. A copy of the escrow analysis clearly depicting the cause of escrow shortage and the period must accompany Forms HUD-93102 and HUD-300.

4. When The First Escrow Analysis Of A Suspended Or Terminated Contract Is Performed.
 5. When A Prospective Adjustment Would Reduce Assistance To Zero. (A retroactive adjustment is required to confirm the proper suspension of the assistance payments contract.)
- E. Prospective Adjustments. Except as cited above, the mortgagee may exercise its option to make prospective adjustments.
- F. Adjustment Procedure. Regardless of whether the adjustment is to be prospective or retroactive, the procedure is the same:
1. Adjust the “Formula One” Assistance Payment.
 - a. Determine the exact amount needed in order to make proper disbursements as they become due;
 - b. Determine if there were any reported changes (i.e., valid recertifications submitted to the mortgagee) in the mortgagor’s household income during the period for which escrow is being collected;
 - c. Recalculate the “Formula One” assistance payment for any period where the income differed;
 2. Verify Accuracy of the “Formula Two” Assistance Payment. If there was an anniversary of amortization during the period, the “Formula Two” payment should have been adjusted at that time because of the change in MIP. If no adjustment was made, the “Formula Two” payment must be recomputed for the period after that anniversary.

NOTE: A common error to look for when verifying Formula Two computations is the use of the wrong column in the Section 235 Factor Table Amortization Year - Formula Two when determining the anniversary factor. The first column on each page of this Factor Table is the factor for the first year (the origination factor) -- not the factor for the first recertification.

For example, to compute the Formula Two assistance for the first annual recertification of a mortgage, the factor shown in the 2nd column would be the correct factor to use.

3. Compare the Two Results. For each period where the mortgagor’s household income differed, the smaller of the recomputed “Formula One” assistance payment and the

correct “Formula Two” assistance payment is the amount that HUD should have been billed. Total the correct payments for the entire disbursement period for which money was being collected and compare these payment amounts with the amounts actually billed. The difference is the overpayment or underpayment of assistance.

10-21 BILLING FOR ASSISTANCE/HANDLING CHARGES. In order to receive Section 235 Original, Revised, Revised with Recapture or Revised, Recapture/10 Program assistance payments and handling charges, mortgagees must submit billings to HUD on a monthly basis using an original and one copy of Form HUD-93102, Mortgagee’s Certification and Application for Assistance or Interest Reduction Payments. Both the original and the copy of the Form-HUD-93102 must contain original signatures of an authorized mortgagee official.

NOTE: Only one Form HUD-93102 per mortgage will be accepted for processing each month regardless of the mortgagee’s servicing organization or billing procedures. Form HUD-93102 will be returned unprocessed if it is not accompanied by Form HUD-300 detailing as required all billing amounts included in Blocks 1, 2, 3 or 5 on Form HUD-93102.

- A. Time Frame For Submitting Form HUD-93102. The Form HUD-93102 must be submitted to HUD (at the exact address shown on the back of the Form) no earlier than the 5th and no later than the 20th of each month in accordance with the instructions printed on the back of this Form.

NOTE: Adjustment amounts determined necessary subsequent to submission of a Form HUD-93102 for a given month must be included on the next regular month’s billing on the Form HUD-93102 line(s) provided for billing adjustment amounts. Duplicate Forms HUD-93102 submitted in the same month will be returned to the mortgagee unprocessed.

- B. Submission/Completion Of HUD-93102.

1. A Single Form HUD-93102 For The Total of All Section 235 Program Assistance Payment Requests. One billing must be submitted on Form HUD-93102 which includes billing amounts for all Section 235 assistance payments due for either the Original program in Block 1, the Revised program in Block 2, the Revised with Recapture program in Block 3, or the Revised Recapture/10 program in Block 5. The billing must be submitted with an original and one copy of Form HUD-93102. Both the original and the copy must contain original signatures of an authorized mortgagee official. Failure to submit the original and a copy will cause payment processing delays.

NOTE: Mortgagees are no longer required to submit two separate Forms HUD-93102 for Section 235 assistance payments.

The current Form HUD-93102, dated March 1988 must be used. Expired Forms HUD-93102 will be returned unprocessed.

If a billing is resubmitted for any reason, it must be clearly marked “Resubmission” on its face.

Payments will be made to the servicer identified in HUD's records regardless of any directions to the contrary that may be inserted on the billing form. HUD will only send payments to the servicer of record. Form HUD-92080, Mortgage Record Change must be submitted in accordance with Chapter 6 to report a change of servicers.

2. Adjustments To The Regular Monthly Billing Amounts. The adjustment Line 2 in each Block 1, 2, 3 or 5 on Form HUD-93102 must be used to request retroactive payment of assistance for prior months.

Line 1 in Blocks 1, 2, 3 or 5 should include the total amount of assistance for the current billing period only.

Any billing amounts included on an adjustment Line 2 on Form HUD-93102 must be reflected as adjustment transactions using transaction Code 2 listed on Form HUD-300 should balance with the sum of the adjustment amounts on Lines 2 in Blocks 1, 2, 3 or 5 on Forms HUD-93102. Failure to verify that the adjustment amounts and the regular billing amounts on Form HUD-93102 balance with transaction code 1, regular billing and transaction Code 2, adjustment billing amounts on Form HUD-300 will cause payment processing delays.

3. Prior month billing amounts, adjustment transaction Codes 2. Prior month billing amounts must reflect the beginning and ending effective period (month and year) and an explanation of adjustment code in Column 3 as defined below. Any adjustment must also be supported by documentation requirements as defined below.

Reason for Adjustment	Adjustment Code	Documentation Required
Reinstatement of after suspension or termination in error	1	HUD-93114
Reinstatement after borrower's failure to recertify timely	2*	HUD-93114, HUD-93101-A
Handling charges returned due to mortgagee's failure to meet contractual obligations	3	None
Suspension	4	HUD-93114
Termination	5	HUD-93114
Escrow Shortage	6	Escrow Analysis
Escrow Surplus	7	Escrow Analysis
Income Increase	8	HUD-93101-A, HUD-93101
Increase Decrease	9	HUD 93101-A, HUD-93101

III. SERVICING AND LOSS MITIGATION

3. Programs and Products - Section 235 Mortgages

NOTE: If more than one explanation of adjustment code applies to a single transaction, all applicable codes should be recorded in Column 3 on Form HUD-300 and all applicable documentation should be submitted.

Failure to identify the period of billing, the explanation of adjustment code or the documentation required, as defined above will cause non-payment of assistance for the affected cases. The mortgagee will have to re-bill non-paid cases on the next monthly billing. Payment may not be requested on a second bill for the same month.

Adjustment Code 2 must not be used in connection with the 7% interest penalty assessed due to fraud, misrepresentation and/or failure to meet contractual obligations. The 7% penalty must be submitted to HUD in accordance with Paragraph 10-29A.

C. Submission/Completion Of Form HUD-300. A Form HUD-300, Monthly Summary of Assistance Payments Due Under Sections 235(b), 235(j), or 235(i), or of Interest Reduction Payments Due Under Section 236, must accompany the completed Form HUD-93102.

1. Mortgagees using facsimile versions of Form HUD-300 must include on the modified version, all data required on the actual Form HUD-300.
2. Any transaction Code 1, current month's regular billing amount which is more or less than the amount billed in the prior month must be supported by appropriate documentation as follows:

Reason for Change	Documentation Required
Case reinstated	Form HUD-93114 and unless suspended in error, Forms HUD-93101-A and HUD-93101
Income increase or decrease	Form HUD-93101-A
Monthly mortgage payment amount changed due to escrow shortage or surplus	A copy of the escrow analysis clearly depicting what caused the required decrease or increase in escrow (e.g., taxes underestimated by \$20 per month)

D. Review For Billing Accuracy. HUD will review billings for propriety, legality and correctness. When a billing is received that is not signed by an authorized mortgagee official, not accompanied by a Form HUD-300, and/or requests amounts which cannot be reconciled to FHA/HUD case detail provided on Form HUD-300, it will be returned to the mortgagee unpaid. No payment will be made until the mortgagee has submitted a corrected billing for that month.

When the amount billed for a case is more or less than the amount billed in the prior month, no payment will be made for the case unless the billing is accompanied by the

required Form HUD-93101-A, escrow analysis, or HUD mortgage recapture approval letter, whichever is applicable.

When a mortgagee determines that an income increase is not retroactive, as reflected by the “effective date of payment change” entered in Block C (7) on Form HUD-93101-A (i.e., the mortgagor’s income increase was not received prior to the date that the mortgagee received the mortgagor’s recertification), a copy of HUD-93101 must be attached to the Form HUD-93101-A for accounting office verification of the overpaid subsidy determination.

When the effective date of payment change reflects that an income decrease is retroactive, Form HUD-93101 must be attached to Form HUD-93101-A for verification of the underpayment determination (also see Paragraph 10-31).

No payment will be made on cases when non-retroactive subsidy decrease, or retroactive subsidy increase amounts as described above are not documented for verification by attachment of both Forms HUD-93101-A and HUD-93101 to the billing Form HUD-93102.

Subsidy increases due to escrow shortage will not be paid for any case unless:

1. the billing is accompanied by an escrow analysis; and
2. for each escrow item disbursed which was included in the subsidy amount calculation, copies of the canceled checks and invoices for accounting office verification of the shortage computation are attached.

- E. Mortgagee Liability (24 CFR 235. 361(b)). Mortgagees are responsible for the accuracy of the billings and shall be held liable for fraud or false certification made on these billings (see Paragraph 10-28B). All billings must be signed by an authorized mortgagee official. Improper billings may result in the imposition of substantial financial penalties as the Program Fraud Civil Remedies Act applies to assistance payments.

NOTE: Mortgagee signing officials should give special attention to the meaning of the certification signed by authorized mortgagee officials on Form HUD-93102. The signing official is certifying, subject to the Program Fraud Civil Remedies Act, that:

1. the assistance payment amount requested for each case included in the bill has been correctly calculated both for the amounts and the periods claimed due in accordance with the provisions of this Handbook;
2. the bill does not include any amounts on behalf of mortgagors who have not complied with recertification requirements within the time limits specified in this Handbook, or in the manner set forth in 24 CFR 235. 350;
3. the bill does not include amounts on behalf of mortgagors not eligible for assistance in accordance with provisions set forth in 24 CFR 235 and as set forth in this Handbook;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

4. no amount in the billing has been previously claimed in an outstanding bill, determined by HUD as not payable in a previous bill (i.e., determined not payable after a HUD review of required billing support documents) or paid in a previous bill;
5. supporting details, records and worksheets, together with a copy of the applicable billing are being held in the mortgagee's file; and
6. all aforementioned documents will be furnished or made available upon request of an authorized official of HUD or of the Comptroller General of the United States. A determination made upon review that certification to the above was false may result in the imposition of substantial financial penalties.

F. Receipt Of HUD's Payment. When a billing is submitted to HUD in accordance with outstanding instructions and within the time frame shown in Paragraph 10-21, payment should reach the mortgagee on or about the first day of the following month.

G. Monthly Billing. HUD will process payment for only one monthly billing form. Duplicate requests will be returned to the mortgagee unprocessed.

1. Monthly billings must be submitted on the current Form HUD-93102, dated March 1988 which may be obtained from the Government Printing Office. Obsolete Forms HUD-93102 will be returned unprocessed.
2. Recertifications of income which accompany the billing must be submitted on the current Form 93101-A, dated March 1990
3. Monthly billings should include:
 - a. the assistance amount due for the current billing period on Line 1 of the appropriate Block 1, 2, 3 or 5; plus
 - b. the assistance amount for any prior months the mortgagor was entitled to assistance but for which the assistance amount was not paid on a previously submitted Form HUD-93102 or included on an outstanding Form HUD-93102 on Line 2 of the appropriate Block 1, 2, 3 or 5; minus
 - c. adjustments for overpaid amounts due HUD which is also on Line 2 of the appropriate Block 1, 2, 3 or 5;
 - d. the net total of Line 1 and Line 2 on Line 3 of the appropriate Blocks 1, 2, 3 or 5; and
 - e. the summary total from Line 3 of Blocks 1, 2 and 3 in Block 4.

NOTE: Overpaid subsidy identified in response to HUD conducted mortgagee reviews requiring retroactive assistance payments reviews to be performed by mortgagees should not be included on the regular monthly billing. The required review must be completed within the time frame specified by HUD's (or its agent's) mortgagee review report. Overpayment must be submitted on a separate billing clearly denoted in large print at the top of the billing as a "Retroactive Review Billing".

This billing must be accompanied by:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- (1) a check made payable to HUD for the total overpayment amount; and
- (2) a mortgagee review findings report which lists in columns, the following information:
 - (a) the name of each overpaid mortgagor;
 - (b) the FHA case number;
 - (c) the month and year of the beginning and ending period of overpaid subsidy (i.e., 3/86-5/88);
 - (d) the overpayment amount;
 - (e) an explanation of:
 - i. the cause of overpayment (using explanations of adjustment codes from Paragraph 10-21);
 - ii. the date of the event which resulted in the overpayment; and
 - iii. the effective period of the adjustment.
 - (f) the mortgagee's calculation of the overpayment amount; and
 - (g) attachments Forms HUD-93101-A, HUD-93101, HUD-93114 (one HUD-93114 to suspend the assistance payments and one to reinstate the assistance payments for retroactive suspensions resulting in overpayments) and/or escrow analyses as applicable to the explanation given for overpayment.

Copies of the check and Forms HUD-93102 and HUD-300 must also be sent to the appropriate HUD local Office that conducted the review.

H. Rounding Off Billing Amounts. At the option of the mortgagee, assistance may be billed in either of the following ways:

1. using the exact amount to which the mortgagor is entitled; or
2. using the amount arrived at after rounding off the exact amount to the nearest dollar (i.e., \$. 01-\$. 49 round down to zero; \$. 50-\$. 99 round up to \$1. 00).

Regardless of which method is used when billing HUD, mortgagees must be consistent and must use the same method (i.e., rounding off or using the exact amount) must be used for all amounts billed and used when crediting the individual mortgagor's account.

I. Billing Of Handling Charges. The mortgagee is entitled to a \$3. 00 handling fee per month, per active Section 235 mortgage account.

10-22 ASSUMPTIONS. Assistance may be continued on behalf of an assumptor if that assumptor meets all qualifying requirements as of the day the mortgage assumption actually takes place (i.e., the day the mortgage is executed by the assumptor at closing).

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- A. Assistance Eligibility. The information on Form HUD-93100-4 must reflect that, on the day of closing, the assumptor's status qualified him/her for assistance based on the eligibility criteria for new mortgagors.

NOTE: The assumptor's household is not required (as the original mortgagor was) to have five or more members if the property has four or more bedrooms.

- B. Additional Underwriting Requirements For Section 235 Assumptions. Assumptions of Section 235 mortgages are treated the same as those insured under any other section of the Act except for the following additional underwriting requirements:

1. where subsidy eligibility must be determined, the assistance application (Form HUD 93100-4) is to be reviewed before the credit application and, if assistance is to be authorized, the amount of assistance is to be used as income in the credit evaluation; and
2. if the firm commitment to insure the original mortgage or direct endorsement underwriter's credit approval was issued on or after May 27, 1981, the assumptor must sign, at closing, a note agreeing to pay any recapture of assistance that may be due HUD in order to satisfy this lien on the property (24 CFR 235.12). (See Chapter 11).

- C. Mortgagee Responsibility. In addition to enforcing the [HUD's creditworthiness requirements], when the mortgagee becomes aware there has been or will be an assumption, the following action must be taken:

1. make the assumptor aware that he/she may be eligible for assistance;
2. prepare the necessary documents to determine eligibility for assistance (if assumptor wishes to be considered for assistance);
3. where the assumptor appears to be eligible for assistance, processing must be delayed until the local HUD Office has determined whether assistance can be approved in order that any assistance may be considered in the credit analysis;
4. make the assumptor aware of his/her recapture responsibilities (as listed below) if the firm commitment (or direct endorsement credit approval) was issued on or after May 27, 1981:
 - a. there is an existing lien against the property in favor of HUD which shall remain there until satisfied;
 - b. the recapture will become due immediately due if he/she does not:
 - (1) qualify for assistance;
 - (2) agree to accept the assistance for which he/she qualifies;
 - (3) agree to execute a new note at closing;
 - c. the recapture becomes due once the assumptor acquires title to the property. He/she will be held liable for the full amount required to satisfy HUD's lien on the property;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

5. where appropriate, take the necessary action to obtain and prepare the required documentation and collect the amount due HUD to satisfy the recapture lien in accordance with Chapter 11; and
6. suspend the assistance payments contract if the mortgage is assumed before HUD approves the assumptor for assistance.

D. HUD Responsibility. In addition to enforcing [HUD's creditworthiness requirements], when HUD becomes aware that there has been or will be an assumption, it will:

1. determine the assumptor's eligibility for assistance;
2. if eligible, determine the initial amount of assistance for which the assumptor qualifies;
3. where appropriate, determine whether the assumptor's credit qualifies (if the case is not being processed by a direct endorsement mortgagee);
4. where appropriate, take the necessary action to:
 - a. obtain and prepare the required documentation to determine the recapture amount due in order to satisfy the Section 235 lien;
 - b. collect and deposit the amount due HUD;
 - c. prepare the satisfaction of the recapture lien in accordance with instructions provided in Chapter 11;
 - d. obtain the signatures of an authorized HUD official and get the satisfaction notarized; and
 - e. forward the executed and notarized satisfaction to the mortgagee in accordance with instructions outlined in Chapter 11.

E. Cut-off/Start-up Dates For Assistance. Assistance should be cut off and started as follows:

1. When assumptors are approved before acquiring title:
 - a. subsidy will cease on behalf of the seller effective the first day of the month after he/she moves out of the property;
 - b. subsidy will begin on behalf of the approved assumptor effective the first day of the following month (i.e., the month after the seller moved out) PROVIDED the assumptor has moved into the property and has acquired title to the property by the effective date.

NOTE: For this purpose, the acquisition date may be considered as the date the deed was recorded unless the mortgagor can demonstrate an earlier date.

- c. if the assumptor does not acquire title and occupy the property within 90 calendar days after the seller moves out, the assistance payments must be suspended.

NOTE: Suspension will continue until the first day of the month after the assumptor has moved into the property and has acquired title to the property.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

2. When assumptors are approved after acquisition of title:
 - a. subsidy will cease on behalf of the seller effective with the first day of the month after occupancy ends;
 - b. subsidy will begin on behalf of the assumptor effective (depending on the length of delay between the assumption and application for assistance) as follows:
 - (1) Delay of 90 Days or Less. If no more than 90 days elapse between title acquisition and application for assistance, payments shall be made retroactive to the first day of the month following title acquisition or occupancy of the property, whichever is later.
 - (2) Delays of More Than 90 Days. If more than 90 days elapse between title acquisition and application for assistance, payments shall be made effective from the first day of the month following application, PROVIDED the assumptor has title and occupies the property when the application is submitted and through the time that the application for assistance is approved.

10-23 DELINQUENCIES AND DEFAULTS. Mortgagees are expected to treat Section 235 mortgages in the same manner as other insured mortgages when they become delinquent. The mortgagor remains eligible for assistance until the mortgagee takes the first legal action required to initiate foreclosure or until some other event requires suspension or termination of the assistance payments contract.

- A. Partial Payments. Assistance payments for periods when the mortgagor fails to make his/her share of the mortgage payment are not to be considered partial payments of the mortgagor's share of the full monthly mortgage amount. HUD assistance payments must be accepted regardless of the amount or the length of the delinquency. Before foreclosure may be started, all partial payments of the mortgagor's share must be applied toward the unpaid monthly installments, beginning with the earliest unpaid installment.
 1. All assistance payments earned up to the time of the action to foreclose the mortgage must be billed for and applied to complete the monthly installments in the order in which they become due, e.g., to MIP, escrow, interest, and principal, beginning with the earliest unpaid installment. All unearned assistance payments should be applied as a reduction towards the amount billed HUD monthly on Form HUD-93102.
 2. Reinstatement of the account by the mortgagor may not be delayed pending receipt of earned but unpaid assistance payments, and those payments must be billed for promptly when the mortgagee decides to accept reinstatement from the mortgagor.

NOTE: The rules governing return of partial payments in Paragraph 7-9 apply only to the mortgagor's share of the payment, not to the portion that is paid by HUD.

- B. Forbearance. Assistance payments are not affected by forbearance agreements. They are treated as partial payments as described in the preceding paragraph. During these periods, however, the mortgagor must maintain eligibility for assistance (i.e., by continuing to

occupy the property, providing required recertifications, etc.) and the mortgagee must continue to make adjustments to the amount of assistance for which the mortgagor is entitled as though the mortgagor were making his/her portion of the monthly payments as required.

- C. Special Forbearance. Assistance payments are not affected by special forbearance agreements. The special forbearance agreement:
1. shall be prepared in accordance with instructions outlined in Paragraph 8-4; and
 2. shall include an additional provision recognizing that the assistance payments will continue to be adjusted as required under the Section 235 program;
- D. Recasting. When a Section 235 mortgage is recast, the monthly payment due under the mortgage as recast becomes the base for calculating both “Formula One” and “Formula Two” assistance payments. The new principal amount after recasting is considered the original mortgage amount for amortization purposes and the new maturity date governs.

NOTE: MIP is not affected by recasting. Regardless of the new unpaid principal balance, the MIP continues to be calculated on the original scheduled unpaid balances.

10-24 ASSIGNMENT TO HUD. Assistance payments are not affected by an assignment of the mortgage to HUD. The assistance payment contract shall remain in effect up to the date the assignment is filed for record.

NOTE: The last assistance payments for which the mortgage should bill HUD are those for the month immediately preceding the month in which the mortgage is assigned.

10-25 PREPAYMENTS. Section 235 prepayments shall be as follows:

- A. Partial. If partial prepayments have been applied to reduce future monthly payments (see Paragraph 5-3A2), both “Formula One” and “Formula Two” must be recalculated based on the revised payments.
- B. In Full. The last assistance payment payable will be for the month the mortgage was paid in full presuming the mortgagor was in occupancy and was the legal owner on the first day of the month.

10-26 TRANSFER OF SERVICING. A transfer of servicing has the following effect on a Section 235 mortgage:

- A. Assistance Eligibility. A mortgagor’s eligibility for assistance will not be affected;
- B. Recertifications. Annual recertification may be affected if:
1. the mortgagees involved in the transfer use different anniversary dates for recertification; and
 2. the transfer would result in a lapse of more than 15 months between recertifications.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- C. **Additional Recertification Required.** Where the situation described in Paragraph 10-26B occurs, the new mortgagee or servicer must require recertification twice in the first year after acquisition—one on the anniversary date used previously by the former mortgagee or servicer and the second one on the anniversary date that is being used by the new mortgagee or servicer.
- D. **Additional Notice To Mortgagor.** Within 10 days of the transfer, the new mortgagee or servicer must:
1. advise the mortgagor of the transfer of the mortgage; and
 2. provide the mortgagor with the new recertification schedule.

NOTE: The above disclosures may be included with the notice of servicing transfer required by Paragraph 6-11B or sent as a separate notice. However, if the above disclosure is sent as a part of the normal notice required by Paragraph 6-11B when a mortgage is transferred, the notice must be received by the mortgagor at least 10 days before the due date of the first payment to the new mortgagee or servicer.

- E. **Seller's/Purchaser's Servicing Responsibility.** When an insured mortgage is sold, the purchasing mortgagee succeeds to all rights and becomes bound by all of the obligations of the selling mortgagee under the contract of mortgage insurance. Purchasing mortgagees should be aware that they will be held fully responsible to HUD financially for errors or omissions on the part of the selling mortgagee (or its agents), discovered after the transfer is reported, even though those errors or omissions may have taken place before it was reported to HUD.

10-27 POSSIBLE VIOLATIONS OF LAW OR REGULATIONS. Mortgagees are not expected to seek out evidence of wrongdoing on the part of mortgagors. Neither are they expected to extensively investigate allegations of wrongdoing brought to their attention. However, if a matter can be reasonably explained and/or resolved without extensive investigation, those facts should be used in computing assistance.

A. Mortgagee Responsibility.

1. **General.** The mortgagee's actions taken independently of instructions from HUD must always be exercised with due care, using the best information available including recent information reflected in the mortgagor's recertification, with its supporting verifying data.
2. **Report Clues/Evidence of Mortgagor's Possible Wrongdoing.** Possible clues and/or evidence of possible wrongdoing on the part of the mortgagor are to be forwarded to the local HUD Office for whatever action it deems appropriate. Until notified by the local HUD Office as to the action that will be taken (if any), the mortgagee should make the appropriate adjustments in assistance payments as instructed in Paragraph 10-27A1. Such clues and/or evidence may include, but are not limited to, the following:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- a. a verification of income showing a date of employment or an increase in income much earlier than the date(s) certified to by the mortgagor which cannot be reconciled;
 - b. an application for another type of loan which shows a new spouse with income and/or other additional sources of income not shown in the recertification;
 - c. a disclosure, during negotiation of a repayment plan to cure a default, that the mortgagor or other family members have income not reported in the recertification;
 - d. a name change of the person or a different person signs the recertification for which no reason is known;
 - e. the receipt of allegations from either identified or anonymous sources containing enough specific information that would lead a person to believe that the recertification might contain false information; and
3. Information Not to be Reported. The mortgagee is charged with acting on its own initiative, basing its actions on the best information available (as outlined in Paragraph 10-27A1), and for documenting its files as to why a particular action was taken.

The following are the examples of cases where the mortgagee shall take appropriate action including completion of all required retroactive recertifications and therefore, need not refer the case to HUD include, but not limited to, the following:

- a. where the mortgage was insured before January 5, 1976, and the mortgagor did not report an increase in income caused by a change in the source of income of any adult family member until the first normal recertification following the increase; and

NOTE: Reason for Not Reporting to HUD—A \$50 increase (or more) per month on these mortgages does not require an additional recertification. The assistance payments are adjusted at the time of the annual recertification effective as of the date the income increase occurred.

- b. where the mortgage was insured on or after January 5, 1976, and the mortgagor failed to notify the mortgagee of changes in total family income as noted in (a) above or the mortgagor did not report a \$50 increase (or more) per month in adult family income until the annual recertification and overpaid assistance resulted.

NOTE: Reason for Not Reporting to HUD—While the mortgagor is obligated to report a \$50 increase (or more) per month in adult family income when they are received, it was reported at the time of the annual recertification. Once the mortgagee learns that such an increase did go into effect and went unreported by the mortgagor, the mortgagee is to take the necessary steps to determine when the \$50 (or more) income increased per month. Assistance must then be recomputed and the overpaid assistance refunded to HUD.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- B. HUD Field Office Responsibility. The HUD Field Office Manager will review any information sent in with respect to possible wrongdoing on the part of a mortgagor and will determine whether further investigation is warranted.
1. Where An Investigation Is Warranted. Where it is warranted, the Field Office Manager will take the necessary steps to refer a case to the appropriate HUD office for investigation.
 2. Where An Investigation Is Not Warranted. Where administrative action is appropriate and former investigation is not warranted, the Field Office Manager will notify the mortgagee, in writing, of its decision. Written instructions will also be provided to the mortgagee as to how it should proceed with the adjustment of the assistance payments.
- C. Office Of The HUD Inspector General. The actual conduct of investigations into possible fraud or referral of information to other agencies for further investigation and decisions relating to prosecution is the responsibility of the Inspector General. Mortgagees will not normally be advised of the progress of investigations and should make no assumptions as to their possible outcome and its impact on assistance payments.

10-28 CAUSES OF OVERPAID ASSISTANCE. Overpaid assistance exists anytime assistance is billed and paid for any amounts greater than those for which a mortgagee/mortgagor is entitled. Listed below are the most common situations which result in overpaid assistance:

- A. Mortgagee's Failure To Meet Contractual Obligations. This occurs when the mortgagee fails to meet its obligations under the assistance payments contract as follows:
1. requesting a handling charge on cases when recertifications have not been requested timely;
 2. failing to act in a timely manner when:
 - a. requesting a required recertification at the proper time;
 - b. recalculating assistance payments;
 - c. submitting Form HUD-93101-A and HUD-93114, as applicable;
 - d. adjusting subsidy payments when a recertification Form HUD-93101 is received containing information which requires suspension or adjustment of assistance payments billed;
 - e. retroactively calculating adjustments in assistance payments from the date of income increases and crediting overpaid assistance amounts to HUD when annual or interim recertifications reflect income increases;
 - f. timely requesting HUD to suspend assistance payments when mortgagors fail to respond to recertification requests within the specified time frame;
 - g. requesting reinstatements to be non-retroactive when suspensions were due to mortgagors failure to timely respond to certification requests; and/or
 - h. verifying recertified income in the manner set forth in Paragraph 10-10.

- B. Mortgagee Fraud Or Misrepresentation. This occurs when:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

1. mortgagees falsify certifications on monthly billing Form HUD-93102 submitted to HUD for assistance payments (see Paragraph 10-21E); or
2. any other fraud and/or misrepresentation in the Section 235 program.

C. Mortgagor Errors Or Omissions. The most common mortgagor errors are failures (for whatever reason) to:

1. report increases of adult family income of \$50 or more per month when the mortgage was insured on or after January 5, 1976;
2. advise the mortgagee when the property is sold;
3. advise the mortgagee when he/she no longer meets occupancy or some other basic eligibility requirement; and/or
4. include an income source on a required recertification.

D. Mortgagor Fraud Or Misrepresentation. When a mortgagor fails to include income amounts or sources, and/or misrepresents occupancy or other eligibility data, on a recertification in an attempt to receive assistance for which he/she is not eligible.

10-29 REPAYMENT OF OVERPAID ASSISTANCE (24 CFR 235.361).

A. Overpayments Caused By The Mortgagee. The mortgagee must refund to HUD all overpaid assistance and all handling charges for each month during which there was an overpayment, plus interest computed at the rate of seven percent per annum on the entire amount from the date of the first overpayment when an overpayment results from the following circumstances:

1. fraud or misrepresentation on the part of the mortgagee; and/or
2. the mortgagee's failure to meet a contractual obligation, as described in Paragraph 10-28.

The total overpayment amount must be credited on the next month's billing on Form HUD-93102 and should include return of handling charges paid for each period of overpayment for each case. Form HUD-300, Column 3, must reflect an explanation of the overpayment cause and the affected beginning and ending period (month and year).

The 7% interest amount must be sent in a separate check made payable to HUD with an itemized listing of the 7% calculation and total interest due for each overpaid case. The check with the itemized listing should accompany the Form HUD-93102 billing.

B. Overpayment Caused By Error. When an overpayment is caused by an error on the part of the mortgagee or the mortgagor only the overpaid assistance need be refunded. The mortgagee shall refund the overpaid assistance by:

1. reimbursing HUD the total overpaid amount on the next month's billing (on Form HUD-93102); and

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

2. collecting the overpaid assistance from the mortgagor in a lump sum or in installments while exercising due caution not to cause a default by the manner of collection selected (24 CFR 235.361(c)).
3. Only as a last resort should the mortgagee apply a mortgage payment or payments to the recovery of the overpaid amount.

NOTE: If the error which created the overpaid assistance was caused by the mortgagee then the mortgagee must repay HUD, however, HUD does not require the mortgagee to collect repayment from the mortgagor.

C. Mortgagor No Longer Obligated Under The Mortgage.

1. On cases where the mortgagor is no longer obligated under the mortgage, the mortgagee must send the mortgagor's last known address to the HUD Office having jurisdiction over the mortgage.
2. The Claims Collection Officer in the HUD Field Office is responsible for the collection activities.

10-30 CAUSES OF UNDERPAYMENTS. Listed below are circumstances which may result in underpayments and are the only causes for which a mortgagee may bill for underpaid assistance:

- A. math errors;
- B. using a wrong factor in calculating the "Formula Two" assistance payment;
- C. underestimating escrow requirements; and/or
- D. the mortgagee's failure to initiate an optional recertification after notification from a mortgagor of a reduction of income.

NOTE: Failure of a mortgagor to request an optional recertification at the time of a reduction in the income of an adult family member is not a justification to bill for an underpayment at a later date.

10-31 COLLECTING UNDERPAID ASSISTANCE. The total underpayment amount may be added to the next month's billing (on Form HUD-93102). Retroactive billings for underpaid subsidy must be accompanied by Forms HUD-93101-A and 93101, Form HUD-93114 requesting reinstatement of a suspension in error, or an escrow analysis with support documents as defined in Paragraph 10-21D.

NOTE: Underpayment requests will not be paid when the required documentation does not accompany Form HUD-93102, or the explanation of adjustment is not provided on Form HUD-300 with documentation required as defined in Paragraph 10-21B3.

10-32 RECORDS MAINTENANCE (24 CFR 235.365 and 235.830). HUD Field Offices will periodically review mortgagee records to establish that assistance is being billed properly. These

reviews will normally cover recertifications, verifications, billings, suspensions, terminations, documentation, and escrow analysis. In addition to the records maintenance required on other types of mortgages, mortgagees must have complete records to support the amounts billed each month on each mortgage from the time of origination through termination of assistance payments (also see Paragraph 10-17), including recapture of assistance where applicable (see Chapter 11). These records must be adequate to support every dollar of assistance billed. Where records do not exist to substantiate the amount of assistance billed, assistance will be considered overpaid and must be refunded unless the mortgagee can reconstruct adequate records to support the payments. For each case, the records must include:

- A. all initial applications (Forms HUD-93100-4) and required recertifications (Form HUD-93101 and 93101-A), with supporting verifications and other related documentation;
- B. all optional recertifications that resulted in changes in assistance, with supporting verifications and other related documentation;
- C. for each suspension, reinstatement, or termination:
 - 1. a Form HUD-93114;
 - 2. all individual escrow analyses related to overpaid or underpaid assistance; and
 - 3. individual ledgers (or other records) showing application of assistance to the account;
- D. all monthly billings (Forms HUD-93102) for assistance payments with supporting documentation for all adjustments for overpaid or underpaid assistance;
- E. for each monthly billing (Form HUD-93102), a case-by-case summary showing, for each case included in the billing, the following data elements:
 - 1. the date of endorsement for insurance;
 - 2. the original mortgage amount;
 - 3. the certified adjusted annual income used that month;
 - 4. the total mortgage payment that month;
 - 5. the “Formula One” calculation;
 - 6. the “Formula Two” calculation;
 - 7. the amount of assistance due;
 - 8. the explanation of adjustment code as provided in Chapter 10-21B3;
 - 9. the beginning and ending effective dates (month and year) of adjustment transactions Code 2;
 - 10. the handling charge; and
 - 11. the total bill.

10-33 RESPONSIBILITY FOR TRANSFERRING RECORDS. Mortgagees acquiring mortgages from other mortgagees and/or changing servicers are fully responsible for records that should have been maintained by the selling/transferring mortgagee or servicer.

NOTE: If it is determined after a change of servicers that assistance has been overpaid, the servicer at the time of the discovery will be responsible for refunding the overpayment.

10-34 REPORTING TO HUD. For monitoring purposes, the following Section 235 reports are to be submitted to HUD Headquarters.

NOTE: These reports should not be submitted to Field Offices unless specifically requested.

- A. Reports On Recertifications. A Form HUD-93101-A must be submitted on each case recertified. The appropriate address is printed on the form.
- B. Ad Hoc Reporting. As needed, HUD will request information on the cumulative assistance paid on an account to date (i.e., from origination through termination of the assistance contract) to determine the amount of recapture due HUD in order to satisfy the recapture lien. Records must be maintained in such a manner as to enable the mortgagee to provide this information. Such information must be made available to HUD upon request.

10-35 INFORMATION TO MORTGAGORS (24 CFR 203.508(c) and 235.1001). Within 30 days after the end of each calendar year, the mortgagee must provide the mortgagor with a statement advising the following:

- A. the total amount of assistance applied to the mortgagor's account during the preceding year;
- B. the taxes and interest paid on the mortgagor's behalf during the year; and
- C. a notice as to the probable deductibility of interest payments using substantially the language shown below:

"If you itemize deductions on your income tax returns, please read this notice. Under Section 1.163-1(d) of Federal Income Tax Regulations, you, as the mortgagor, may deduct for Federal income tax purposes, only that part, if any, of mortgage interest payments made during the year which exceeded the amount of assistance payments made by HUD during the year. You are urged to contact your tax advisor or State and local tax offices for guidance regarding the deductibility of payments on your State or local income tax returns."

10-36 REVISED/RECAPTURE/10 PROGRAM (24 CFR 235.12). The Appropriations Act of 1984 reactivated the Section 235 Program as revised by the Housing and Urban Rural Recovery Act of 1983. Mortgages insured under Section 235 beginning in early 1985 are identified with case number suffixes (the last three numbers) 246, 346, and 546. The assistance payments contract on these mortgages is limited by the Housing and Urban Rural Recovery Act of 1983 to 10 years after mortgage origination. When the 10 year period ends, the mortgagee must terminate the assistance payment contract, if there is not a request by the Department to continue such assistance. The assistance paid during the contract period is subject to recapture by HUD under certain circumstances. Procedures and requirements of these mortgages are the same as for other Section 235 mortgage except as indicated below:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- A. Documentation At Origination. Assistance payments on these mortgages are disbursed and monitored using an automated system. In order to set up a new case in the automated system, the HUD Field Office must have:
1. the completed Mortgage Insurance Certificate indicating the FHA/HUD case number;
 2. the separate assistance payments contract which has been executed by both HUD and the mortgagee and the “Acknowledgement of Mortgagors”, signed by the mortgagors;
 3. the mortgage interest rate;
 4. the due date of the first principal and interest payment;
 5. the mortgagee and/or servicer’s complete name, address and mortgagee number assigned by HUD;
- B. “Formula One” Assistance. Under this program, the “Formula One” assistance payment is the difference between the full monthly mortgage payment and 28 percent of the mortgagor’s adjusted monthly family income (as opposed to 20 percent under earlier versions of the program). The actual assistance paid is still the lesser of the “Formula One” and “Formula Two” payments.
- C. Recapture Of Assistance (24 CFR 235.12). In addition to the limited term of assistance, these mortgages are distinguished by a provision for recapture of assistance when the property is sold. (See Chapter 11 for detailed recapture procedures.)
- D. Mortgage Assumptions. Mortgages insured under this program are assumable under the same conditions as are any other insured mortgages. However, mortgagors will not be eligible for assistance after the tenth anniversary of the first payment due under the original mortgage. Assumptors and potential assumptors should be advised of these limitations and how these limitations shall affect them.

NOTE: Allowable fees for assumptions of Section 235 mortgages are found in Chapter 4, Paragraph 4-4A3.

10-37 ALIEN MORTGAGORS. To be eligible for assistance, a mortgagor must be a citizen of the United States or an alien admitted for permanent residence.

- A. Citizenship/Permanent Alien Status Proof Required. Evidence of this eligibility must be submitted to the mortgagee whenever:
1. there is a new application for assistance;
 2. an existing cooperative membership is purchased;
 3. an assisted mortgage is assumed;
 4. an assisted mortgage is assigned to HUD; or
 5. an assisted mortgage that has been in default is reinstated under 24 CFR 203.608.
- B. Forms Of Acceptable Proof. When any of the events in the preceding paragraph occur, the mortgagee must ask the mortgagor to provide proof of eligibility based on citizenship. Acceptable proof may include:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

1. a Birth Certificate;
2. a United States Passport
3. an Alien Registration Card (i.e., “Green Card”); or
4. a Naturalization Certificate.

C. Mortgagee Certification. The mortgagee must then certify that acceptable proof as stated in the preceding paragraph has been submitted by all persons from whom it is required. NOTE: If the mortgagee cannot make this certification, the assistance payments contract must be suspended and the mortgagor notified of the consequences.

D. Fraudulent Or Invalid Documentation (24 CFR 235.361(b)). If the documentation should prove to be fraudulent, invalid or inadequate, the mortgagor will be required to repay all assistance payments to HUD. In addition, the mortgagee may be required to refund overpaid assistance payments, plus handling charges and interest.

E. When Assistance May Be Reinstated. Assistance payments may be resumed at HUD’s discretion if all aliens not able to establish eligibility have moved from the property or have established eligibility.

ii. Recapture of Section 235 Assistance Payments

Formerly HUD Handbook 4330.1, REV-5, Chapter 11

11-1 GENERAL. The Housing and Community Development Acts of 1980 and 1981 changed Section 235 of the National Housing Act to allow the Secretary of the Department of Housing and Urban Development (HUD) to require recapture of all, or a portion of, the assistance payments made on behalf of mortgagors under Section 235(i) who obtain FHA-insured mortgages.

11-2 MORTGAGES AFFECTED BY RECAPTURE PROVISION (24 CFR 235.12(a)).

Section 235 mortgages are subject to a recapture where a firm commitment (or, under the Direct Endorsement Program, where the underwriter’s approval of the Mortgage Credit Analysis Worksheet) was dated on or after May 27, 1981.

- A. If the Firm Commitment date is on or before May 26, 1981, the first mortgage is not under the Section 235 Recapture Program, even though the settlement date occurred after May 26, 1981. The suffix of the FHA case number of mortgages insured under the first and second Section 235 Assistance Program allocations ends in the number five (5).
- B. If the Firm Commitment date is on or after May 27, 1981, the first mortgage is under the Section 235 Recapture Program, even though the suffix of the FHA case number may end in the number five (5). The suffix for mortgages insured under the Section 235 Recapture Program ends in the numbers fifty-six (56) and sixty-six (66).
- C. If the Firm Commitment date is on or after October 22, 1984, the first mortgage is under the Section 235 Revised/Recapture/10 Program. The suffix of the FHA case number for

mortgages insured under the Section 235 Revised/Recapture/10 Program ends in the number forty-six (46). (Refer to paragraph 10-36).

11-3 METHOD OF SECURING REPAYMENT (24 CFR 235.12(d)). The mortgagor is required to execute, at the time of closing of the first mortgage, a second note and mortgage or deed of trust (referred to as the security instrument or the HUD lien), with addendum, in favor of the Secretary to secure repayment of the assistance. The property is pledged as security for the second mortgage (i.e., the recapture lien).

11-4 MORTGAGEE'S RESPONSIBILITY PRIOR TO INSURANCE ENDORSEMENT.

Upon making application with the mortgagee for assistance under the Section 235 program, the mortgagee shall make the mortgagor aware of the recapture provision by providing a copy of the "Notice To Buyer"

A. Contents Of "Notice To Buyer". This notice describes:

1. the provisions of the law which requires the repayment of all, or a portion of, the assistance payments which are paid on the mortgagor's behalf (and any subsequent assumptor of the mortgage) prior to the release of the second mortgage on the property;
2. the events which will "trigger" the recapture;
3. the formula used by HUD to determine the amount of recapture due to satisfy the second mortgage;
4. the importance of retaining all paid receipts and/or
5. bills relating to improvements made to a property; and
6. the financial responsibility that is acquired by an assumptor if the mortgage is assumed.

B. Mortgagor's Written Acknowledgement Required. At closing, the mortgagor must acknowledge that he/she has been made aware of the recapture provision by signing and dating an original and two copies of the "Notice To Buyer".

C. Position Of Lien. It is the mortgagee's responsibility to assure that the recapture lien, drawn in favor of the Secretary, is properly recorded in the appropriate position. The recapture lien may not be junior to any lien other than an FHA-insured first lien, unless:

1. there is a second lien held by a state or local government agency required by law to hold a second lien (such as a lien to secure repayment of funds advanced under a housing assistance program to make the initial cash investment or to assist in making mortgage payments); or
2. HUD has determined that it would be in the Secretary's best interest to accept a junior lien position.

D. Preparation Of Closing Documents. Upon approval of Form HUD-93100-4 on Section 235 cases subject to the recapture provision, the HUD Field Office will add the following paragraph as a condition to its firm commitment:

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

“Second mortgage with addendum, and note in the format prescribed by HUD to be executed and recorded for the maximum amount of assistance as established by Formula II which could be paid over the term of the mortgage. \$_____ (Amount to be entered on second note and mortgage (or deed of trust)).”

1. Security Instruments. Upon issuance of a firm commitment, the HUD Field Office having jurisdiction over the mortgage will instruct the mortgagee to modify the HUD-approved mortgage or deed of trust document for insured mortgages in that particular State to include the information for the Section 235 recapture mortgage or deed of trust, as follows:

- a. under the document caption, insert the words “with Addendum, for Repayment of Section 235 Assistance”;
- b. enter the words “the Secretary of Housing and Urban Development” as the mortgagee and delete any reference to a corporation;
- c. delete any reference to monthly installments;
- d. enter a statement that the principal sum of the mortgage will not exceed the amount computed under the note. The following language is acceptable:

“... but not to exceed an amount computed under the terms of a note executed by the mortgagor on _____; with interest, if any, according to the terms of the note.”;

- e. delete the two paragraphs relating to the payment of escrow items; and
- f. an addendum should also be added to provide for the special repayment provisions required by Section 235.

NOTE: The Note must be reproduced locally. HUD Field Office Counsel shall review model security instruments to be used to determine that they comply with local law and meet HUD requirements.

2. Information to be Inserted. The mortgagee completes these documents by inserting the following information:

- a. appropriate dates;
- b. names;
- c. property description;
- d. interest rate (which will be the same as the rate on the first mortgage); and
- e. the maximum amount of assistance that may be paid over the full term of the mortgage.

NOTE: The maximum amount will be the “Formula II” assistance payment shown on the Application for Assistance, Form HUD-93100-4, Line G-7.

E. Title Insurance. The title insurance does not need to recognize the junior recapture lien.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- F. Hazard Insurance. The Secretary does not need to be named as a payee in the hazard insurance policy.

11-5 REQUIREMENTS AT CLOSING. The originating mortgagee is responsible for the following at the time of closing:

- A. Execution Of Lien Documents (24 CFR 235.12(d)). The documents creating the lien in favor of the Secretary shall be executed at the same time as those creating the first lien.
- B. Identifying Costs. Costs associated with the transaction may be paid by either the buyer or the seller, subject to the usual underwriting restrictions on such costs. Costs associated with both mortgages may be shown on the same HUD-1, Settlement Statement, as long as the HUD-1 clearly reflects what the costs were for and which costs were paid by the seller and which were paid by the purchaser.

11-6 RECORDING THE LIENS. The documents creating the second lien should be delivered for recording at the same time as those creating the first lien. It is the mortgagee's responsibility to assure that the liens are recorded in the proper order.

NOTE: Should the recapture lien be inadvertently recorded in first-lien position, HUD will agree to subordinate its lien to correct this error as the mortgagee's lien will not be insurable if it is not in first-lien position.

11-7 INSURANCE ENDORSEMENT. The mortgagee's lien is submitted for mortgage insurance endorsement in the normal manner, accompanied by the following documents: the executed, original "Notice to Buyer"; a copy of the Note in favor of the Secretary; and copies of the executed security instruments with evidence that the originals have been delivered for recording (unless the original, recorded documents have been returned before the case is submitted for insurance endorsement).

NOTE: The application for FHA insurance will not be processed unless it is accompanied by the Notice to Buyer.

- A. Where it is not customary for recorders to provide receipts for documents accepted for recording, the mortgagee's certification will be accepted as adequate evidence that the original documents have been delivered for recording.
- B. When the original documents have been recorded and returned, they are to be forwarded immediately to the appropriate HUD Field Office with the original note in favor of the Secretary. They will be retained by that HUD Field Office until the lien is satisfied.

11-8 GENERAL SERVICING. Servicing of the mortgage is governed by the procedures outlined in Chapter 10 until one of the events described in Paragraph 11-9 occurs which will "trigger" the recapture provision.

NOTE: Should the mortgagee find at any time that a case is not under the Recapture Program, but that a second mortgage (or deed of trust) with addendum and a note was executed by the

mortgagor and recorded by the mortgagee, the mortgagee must contact the HUD Field Office, single Family Loan Management Branch. The insurance binder must be reviewed by HUD and a justification prepared for satisfying the HUD lien without calculating a recapture amount.

11-9 EVENTS TRIGGERING RECAPTURE PROVISION (24 CFR 235.12(a)). The recapture provision is “triggered” when any one of the following events occurs:

- A. a property is sold to a party not eligible for assistance;
- B. the mortgage is assumed by a party eligible for assistance but does not agree to accept assistance and/or assume liability for repayment of assistance paid on behalf of the seller (and previous mortgagors);
- C. a property is rented (or, in the case of properties with more than one unit, the owner’s unit is rented) for more than one year; or
- D. the mortgagor (or the mortgagor’s agent) requests that the Secretary’s lien be released.

11-10 FORMULA FOR CALCULATING RECAPTURE (24 CFR 235.12(b) and (c)). When the recapture provision is “triggered”, the amount of recapture shall be determined by HUD to be THE LESSER OF:

- A. the total amount of assistance paid on behalf of the mortgagor (and any previous mortgagors); or
- B. 50 percent of the net appreciation (as determined by HUD) of a property.

NOTE: Net appreciation is any increase in the value of a property over the original purchase price, minus reasonable costs of sale, costs of refinancing the first mortgage or cost of the appraisal when paying off the HUD lien, and minus the reasonable costs of improvements made to a property.

11-11 MORTGAGEE’S ROLE IN RECAPTURE PROCESS. Whenever one of the events described in Paragraph 11-9 occurs, the mortgagee is charged with the responsibility for the following:

- A. Advising both the HUD Field Office having jurisdiction over the mortgage and the HUD Headquarters Office of Finance and Accounting, Subsidy Accounting Branch that an event has occurred which “triggers” the recapture provision. This notification shall include as much information as the mortgagee has available (i.e., FHA case number, the date of a prepayment associated with a sale; the name and address of the assumptor, if the assumptor is not living at the property address; the date the mortgage was assumed and the fact that the assumptor elected not to receive or did not qualify for assistance, etc.).
- B. Providing both the local HUD Field Office and the HUD Headquarters Office of Finance and Accounting, Subsidy Accounting Branch, a statement in writing, signed by an officer of the company, of the total amount of assistance paid on behalf of the original mortgagor

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

and all assumptors, if any, less handling charges and the total of any assistance payments which may have been inadvertently applied to the mortgagor's account.

- C. Providing copies of original documents (i.e., signed settlement statements, sales contracts, etc., which are contained in the mortgagee's case file) that the mortgagor cannot provide, but are needed by HUD to determine the amount of recapture due to satisfy the HUD lien.
- D. Serving as the "go-between" where necessary and advising the mortgagor of the documentation required to calculate the recapture amount due HUD.

NOTE: THE MORTGAGEE MUST NOT CALCULATE THE RECAPTURE AMOUNT.

NOTE: If the mortgagee receives the recapture amount due either directly from the mortgagor or as a disbursement from closing, the mortgagee shall promptly forward these funds directly to the local HUD Office.

THE MORTGAGEE MUST NOT ASSUME ANY DUTIES CONCERNING THE CALCULATION OF THE RECAPTURE AMOUNT.

- E. Verifying and certifying that all appropriate recertifications (from the time of inception through the time of termination of the assistance payments contract) have been correctly processed and billed.

At the request of a Field Office, the mortgagee shall submit recertifications for review by that Field Office before the recapture process begins.

- F. Repaying any overpaid assistance (that may have been discovered as a result of Paragraph 11-11E) as described in Chapter 10.

NOTE: Any amounts of overpaid assistance paid to HUD because of this requirement are to be so indicated and subtracted from the amount reported in compliance with Paragraph 11-11B.

Any overpaid assistance should be handled as a separate transaction from the recapture amount when processing a recapture case for satisfaction of HUD's lien.

NOTE: If a check for an overpaid assistance amount is received or if the overpaid assistance is included in the same check as the recapture amount, the check must be forwarded to HUD Headquarters, Office of Finance and Accounting and a copy should be sent to the HUD Field Office having jurisdiction over the mortgage immediately along with the back-up documentation for the overpaid assistance amount.

- G. Terminating the assistance payment contract in accordance with Chapter 10, Paragraph 10-19.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

NOTE: If the mortgagor is refinancing the first mortgage, the mortgagee is charged with the responsibility for items B, D, E, F, and G.

11-12 HUD'S ROLE IN THE RECAPTURE PROCESS. When the local HUD Field Office is advised by a mortgagee, an attorney, a title company or other settlement party, of a pending or accomplished event which triggers recapture (as listed in Paragraph 11-9), the HUD Field Office may request the following items in order to compute the recapture amount due to satisfy the HUD lien:

- A. a copy of the recorded second mortgage (or deed of trust) with addendum and executed note (should the HUD Field Office not have the original documents in its files);
- B. a copy of the executed sales contract and HUD-1 settlement statement (signed by the settlement attorney) where the original mortgagor purchased the property;
- C. a copy of the executed sales contract and HUD-1 settlement statement (signed by the settlement attorney) of any assumptor who purchased the property prior to the last mortgagor;
- D. a copy of the executed sales contract and HUD-1 settlement statement (signed by the settlement attorney) when the last mortgagor (i.e., the last one receiving assistance) sold the property;
- E. copies of paid receipts and/or bills marked "paid in full" for any improvements made to a property (by the original mortgagor and/or any assumptor);
- F. a letter from the mortgagee, signed by an officer of the company, stating the total amount of assistance paid on behalf of the original mortgagor and all assumptors (if any).
- G. an appraisal report on the property and a statement of the cost of the appraisal, if needed; and
- H. a statement of the costs of refinancing the first mortgage, when needed.

11-13 DETERMINING THE RECAPTURE AMOUNT. To determine the recapture amount for a Section 235 recapture case, the documentation requested in Paragraph 11-12 must be reviewed. A formula is used to calculate the recapture amount. The cost of sale (or the cost of refinancing the first mortgage) and the cost of improvements to a property are subtracted from the appreciation of the property to arrive at net appreciation. See Paragraph 11-10.

11-14 REASONABLE COSTS OF SALE. Since the title of the property changes when the property is sold, the costs of sale must clearly indicate which costs were paid by the seller and which were paid by the purchaser and are subject to the usual underwriting restrictions on such costs. Costs of sale shall also conform to what is considered by the local HUD Field Office to be reasonable and customary for that area of the country. Otherwise, the excess will be disallowed. Costs of sale must be clearly identified on a HUD-1, Settlement Statement, signed by the

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

appropriate person. If there is no HUD-1, the costs of sale must be itemized and supported by receipts.

A. Costs Allowed. Costs of sale items which HUD will allow to be claimed against the net appreciation of a property if the costs are paid by the original mortgagor and/or subsequent assumptors of the mortgage are:

1. broker's commission;
2. discount points (not origination fee);
3. property survey;
4. appraisal fee;
5. State and local taxes (charged in connection with the transaction, such as transfer taxes (not property taxes or amounts escrowed for the future payment of taxes);
6. attorney fees;
7. fees for the preparation and recording of documents;
8. notary fees;
9. costs of advertising the property for sale (but not if these costs are paid by the broker and included in the commission);
10. title search, but not if included in attorney's fee;
11. title insurance;
12. pest control inspection;
13. pumping out septic tank as a condition of sale (where required by State law);
14. buyer's protection plans providing the buyer with a warranty as to the condition of the property and covering repair or replacement of certain elements of the property for a limited time; and/or
15. any other costs resulting from a State and/or local requirement.

B. Costs Not Allowed.

1. buydown fee (If there are no discount points allowed (see A.2. above), the buydown fee can be claimed against the appreciation of the property);
2. tax funding service fee; and
3. VA funding fee.

11-15 REASONABLE COST OF REFINANCING THE FIRST MORTGAGE. Since the title to a property does not change when the first mortgage is refinanced, the costs of refinancing do not include all of the costs allowed for costs of sale when a property is sold. Refinancing costs must be clearly identified on a HUD-1, Settlement Statement, signed by the appropriate person. If there isn't a HUD-1, the cost of refinancing should be itemized and supported by receipts.

A. Costs Allowed. If there are any prior assumptors of a mortgage that is being refinanced, the costs of assuming the mortgage (for each transaction) can be claimed against the appreciation of a property if the charges are documented. Costs of refinancing the first mortgage which HUD will allow to be claimed against the appreciation of a property (if the costs are paid by the last eligible mortgagor) are:

1. appraisal fee;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

2. one discount point (not origination fee);
3. property survey;
4. pest control inspection;
5. title search;
6. lender's title insurance; and
7. fees for the preparation and recording of documents.

B. Costs Not Allowed.

1. Buydown fee (if there are no discount points, one point of the buydown fee can be claimed against the appreciation of the property);
2. tax funding service fee;
3. VA funding fee; and
4. mortgagor's title insurance (title of property).

11-16 REASONABLE COSTS OF IMPROVEMENTS.

A. To qualify As An Improvement. Improvements must be over and above deferred or routine maintenance to be allowed as claims against the appreciation of a property. They must be:

1. acceptable to HUD;
2. improvements that were not present or a part of a property at the time the mortgage was originated, unless it is an upgrade (see Paragraph 11-16B9 below);
3. considered to be permanent improvements in that they will remain with a property when it is sold as they cannot be removed from the property without causing damage to existing structures and/or the property; and
4. improvements for which the mortgagor can substantiate the cost with documented proof that such improvements were done to the mortgaged property site and for which the mortgagor has receipts marked "paid-in-full" as required in Paragraph 11-12E.

B. Allowable Improvements. Acceptable types of improvements which HUD will allow to be claimed against the appreciation of a property when computing the recapture amount include, but are not necessarily limited to, the following:

1. room additions and other permanent additions, such as, but not necessarily limited to, porches, patios, decks, garages and carports;
2. permanent landscaping and/or other site improvements that tend to increase the value of a property, such as fences, trees, shrubbery, lawns (if no lawn was provided initially) retaining walls, etc.;
3. built-in bookshelves, cabinets, etc.,
4. appliance additions (stoves, refrigerators, built-in dishwashers, built-in microwave ovens, clothes washers and dryers, and attic and ceiling fans) which are conveyed to buyer by seller;

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

NOTE: If items in #4 above are replacement items, they are not allowed against the appreciation of a property.

If the mortgagor bought original appliances after purchase of a new property, original costs of appliances can be claimed against the appreciation of a property. (In some sections of the country, appliances are not furnished by the builder, unless requested by the mortgagor.)

Portable appliances are not allowed against the appreciation of a property.

The Field Office Evaluation staff shall be notified on a case-by-case basis to determine whether washers and dryers or other such permanent fixtures that are considered to be regional appreciation value assets can be claimed against the appreciation of a property.

5. finishing or refinishing of basements or other rooms when the area was unfinished at the time of origination or the refinishing substantially alters the nature of the area and enhances the value of a property;
6. the addition of storm windows and/or doors or replacing regular windows with replacement windows (for the purpose of saving energy);
7. installation of permanent heating or cooling systems where none existed, the addition of a solar heating system or replacing a conventional heating system with a solar heating system;
8. carpeting areas where floors were previously without finished coverings (such as, a room addition, or a basement area);
9. upgrading: appliances, cabinets, carpeting, electrical and plumbing fixtures, etc.

NOTE: If the mortgagor upgraded an item that the builder was to install at the time the structure was erected, the cost of the improvement is the difference in price for upgrading. If such items are replaced, the replacements cannot be claimed against the appreciation of a property.

10. television dish. (If the dish is listed in the sales contract and/or appraisal report and cannot be removed from the property without damaging the landscape, it can be claimed against the appreciation of the property.)
11. sheds and outbuildings. (If structures enhance a property and cannot be removed without damaging the landscape, they can be claimed against the appreciation of a property.)
12. building permits and inspection fees for property additions;
13. swimming pools are allowed as improvements on a case-by-case basis if:
 - a. the swimming pool is below ground and enhances the value of a property (per appraisal) and/or is taxed by the municipality, its cost can be claimed against the appreciation of a property;
 - b. the swimming pool is above ground, it may or may not be allowed against the appreciation of a property depending on the area of the country it is located. If the

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

pool is not taxed by the municipality or is not given a value in the appraisal of the property, its cost cannot be claimed against the appreciation of a property;

- c. a swimming pool or other such fixture, i.e., outdoor hot tub, is affixed to a property and cannot be moved without damaging the fixture or the landscape, is taxed by the local municipality and/or enhances the value of the property (per appraisal), its cost can be claimed against the appreciation of a property;
14. special assessments, such as water and sewer lines connecting a property to the water and sewer lines of a municipality, the paving of streets, sidewalks and alleys, wiring for electricity and telephones and piping for gas must be handled on a case-by-case basis; and
15. land issues (those considered to be improvements must be handled on a case-by-case basis).

NOTE: The HUD Field Office must be contacted for guidance in handling special assessments and land issues as improvements and their costs as claims against the appreciation of a property.

- C. Miscellaneous Improvements Of Less Than \$100 Per Project. Miscellaneous improvements which are less than \$100 per project are to be considered incidentals and are not to be allowed as a claim against the appreciation of a property. Included in this category are such items as molding, weatherstripping, sod, grass seed, fertilizer, etc.
- D. Group Improvements As Projects. When a major improvement which involve the purchase/rental of numerous items of equipment and/or materials is claimed, it must be grouped together as one project. However, each item purchased for that project must reflect its own separate cost.
- E. “Sweat Equity”. Where the work is performed by the mortgagor (i.e., “sweat equity”), no monetary value will be given for the “sweat equity” with respect to being used as a claim against the appreciation of a property. However, the cost of building permits, inspections, renting items of equipment and purchasing the supplies and materials necessary to accomplish the work can be allowed.
- F. Rental Equipment. Costs of renting equipment for the specific use in completing an acceptable improvement (as described in Paragraph 11-16B) may be used as claims against the appreciation of a property.
- 1. Rental equipment which may qualify as claims against the appreciation of a property includes, but is not necessarily limited to, backhoes, bulldozers, cement mixers, jackhammers, electric or airdriven nail/brad/staple guns, posthole augers, fencewire stretchers, etc., which were rented for the sole use in completing a specific home improvement listed in Paragraph 11-16B.
 - 2. Equipment which does not qualify as a claim against the appreciation of the property includes miscellaneous tools and equipment purchased for use in completing an improvement as described in Paragraph 11-16D and will also be used for performing

other tasks and/or home improvements. Such items may include, but are not necessarily limited to, shovels, picks, ladders, carpenter levels, saws, drills, hammers, utility knives, screwdrivers, wire cutters, wrenches, caulking guns, cement trowels, etc.

- G. Where The Cost Of An Improvement Is Paid Using A Monthly Installment Payment Plan. Where an improvement is paid for on a monthly installment plan (whether paid to the company providing the service, a bank, a credit card company, etc.) only the initial cost of the improvement (excluding any interest, finance charges or late charges) may be used as a claim against the appreciation of a property.
- H. Receipts/Documentation Of Improvements. In order to support the cost of an improvement, the mortgagor must present receipts or invoices on company letterhead marked “paid-in-full” for each allowable home improvement. Receipts which are written on paper without a business letterhead, or without specific (or legible) entries as to what service was provided, who provided the service, the date the service was provided, and/or what type of material was purchased, and where appropriate, at what property address the service was performed, etc., may be subject to further scrutiny and/or rejection by the HUD Field Office.
- I. Replacements. Items such as roof replacements, heating system replacements (except solar heating systems), and exterior and interior painting are home maintenance. They must not be claimed against the appreciation of a property as improvements.
- J. Items Not Allowed As Improvements.
1. Draperies, curtain rods, window shades and blinds are never allowed as improvements unless they are approved by Headquarters.
 2. Plumbing fixtures (such as faucets and water purifiers) and light fixtures cannot be claimed against the appreciation of a property unless they are installed as part of a major improvement or they are approved by Headquarters.
 3. Intercommunications systems must not be claimed against the appreciation of a property.

11-17 FRAUD AND ABUSE. Careful scrutiny is to be given where substantial improvements have been made over a short period of time, shortly after purchase of a property, and/or over an extended period, which exceed \$10,000 while assistance was still being paid.

NOTE: Occurrences such as these, will lead to the HUD Field Office questioning the mortgagor’s need for assistance and/or the possibility of fraud in the original application process.

11-18 CALCULATING THE RECAPTURE AMOUNT.

- A. Calculating The Recapture Amount. The HUD Field Office shall calculate the amount of recapture due in order to satisfy the lien using the formula shown in Paragraph 11-10 and

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

on the Recapture of Assistance Payments Worksheet. Only the HUD Field Office shall calculate the amount of assistance to be recaptured.

- B. Selling Price. If the HUD Field Office feels that the reported selling price is substantially below the property value or discovers that the property is being sold for less than the amount for which it was purchased, the HUD Field Office has the option of requesting that the mortgagee obtain an appraisal of the property.

NOTE: If the appraised value is five (5) percent or more above the sales contract price, the recapture will be based on the appraised value rather than the selling price shown on the sales contract.

11-19 DISPOSITION OF THE RECAPTURE CHECK. The HUD Field Office has the responsibility of collecting the recapture amount from the mortgagor or the mortgagor's representative. Should the recapture amount be collected by the mortgagee, the check must be forwarded to the appropriate HUD Field Office and the Office shall forward it to a lockbox in Atlanta, Georgia.

11-20 RELEASING THE RECAPTURE LIEN. Upon receiving the full recapture amount required to satisfy the second mortgage, or second deed of trust, the HUD Field Office will prepare, execute, record and forward the recorded Satisfaction of Lien to the mortgagee or the agent representing the mortgagor. The mortgagee or mortgagor's agent will then be responsible for forwarding the document to the mortgagor.

11-21 SATISFYING THE LIEN BEFORE OBTAINING RECAPTURE AMOUNT. If the settlement on a property is imminent, the second mortgage or second deed of trust has not been satisfied, and there is a request to satisfy the lien before closing, the mortgagor must be informed that since there is not enough time to do the recapture formula to determine the recapture amount, the full amount of assistance paid on the mortgagor's behalf must be submitted to HUD so that the HUD lien can be satisfied before settlement of the mortgage. When the recapture calculation has been completed, if there is an overpayment, the overpayment shall be refunded to the mortgagor.

11-22 ASSIGNMENT TO HUD. In those cases where the HUD Field Office has decided to accept an assignment of the first mortgage, the recapture lien shall remain in place. The mortgagee must advise both the HUD Field Office and the HUD Headquarters Office of Finance and Accounting, GPA - Subsidized Housing Programs Division, Attention: Accounts Payable Section (the mailing address on Form HUD-93102) in writing, signed by an officer of the company, of the total amount of assistance paid through the date of assignment.

11-23 FORECLOSURES - HUD-ACQUIRED PROPERTIES. For those properties conveyed to HUD as a result of foreclosure, the mortgagee must advise the HUD Field Office, in writing, signed by an officer of the company, of the total amount of assistance paid over the term of the mortgage. It will not be necessary for HUD to prepare a satisfaction of lien for the HUD lien. A foreclosure that is properly processed by the mortgagee's foreclosing attorney will wipe out all existing liens on the property, including HUD's lien. However, if the HUD lien exists after

III. SERVICING AND LOSS MITIGATION

3. Programs and Products - Section 235 Mortgages

foreclosure of the first mortgage, the HUD Field Office must satisfy the lien at the request of the foreclosing attorney.

11-24 DEED-IN-LIEU OF FORECLOSURE. For the mortgage that is conveyed to HUD as a result of a deed-in-lieu of foreclosure, the recapture lien shall remain in place. The mortgagee must advise the HUD Field Office, in writing, signed by an officer of the company, of the total amount of assistance paid over the term of the mortgage.

NOTE: Once the property is in HUD's Property Disposition inventory, the HUD Field Office will prepare and record a satisfaction of the recapture lien in order to provide a clear title when the property is sold by HUD.

11-25 RELOCATION OF MORTGAGOR BY EMPLOYER.

- A. Termination Of Assistance. If an employer requires a Section 235 mortgagor to relocate, and the employer assumes the responsibility of selling the mortgagor's property, the mortgagee must terminate the assistance at the appropriate time. (Chapter 10, Paragraph 10-19.) The mortgagee must furnish the HUD Field Office with a statement of the total amount of assistance paid on behalf of the original mortgagor and any assumptors of the mortgage.
- B. Value Of Property. The mortgagee must provide the HUD Field Office with an appraisal to determine the fair market value of a property or the HUD Field Office must request an appraisal of the property.

11-26 DISLOCATION OF MORTGAGOR (EMINENT DOMAIN).

- A. Relocate To Another Property. If a State or local government dislocates a Section 235 mortgagor because it needs the property for public use, the mortgagor may relocate to another property under the same mortgage. The FHA case number must remain the same for the purpose of paying assistance on the mortgagor's behalf.
 - 1. The State or local government must NOT pay the first mortgage in full.
 - 2. The mortgagee must agree to transfer the first and second mortgages or first and second deeds of trust to a new property.
 - 3. The mortgagee must amend the first and second mortgages or deeds of trust security instruments to read the legal description of the new property.
 - 4. The new property must be equal in value to the old property.
 - 5. The mortgagee must transfer the Section 235 assistance with the first mortgage or deed of trust to the new property.
 - 6. The amended mortgages or deeds of trust must be executed, dated, and recorded to reflect the transfer of these documents to the new property.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

7. The mortgagee must send the recorded, amended second mortgage or deed of trust to the HUD Field Office where it will be filed with the original security instruments.

B. Unable To Transfer Mortgages. If the mortgagor is unable to get the first and second mortgages or first and second deeds of trust on a property transferred to another property of equal value, the State or local government must purchase the property from the mortgagor. The mortgagee must contact the HUD Field Office of the pending sale of the property. The HUD Field Office must take the appropriate steps to satisfy the HUD lien on the property.

11-27 SUBORDINATION OF THE HUD LIEN. If subordination of the HUD lien on a property is in the best interest of the Secretary, the HUD Field Office may approve subordination of a recapture lien in the case of refinancing a first mortgage or securing a Title I loan for improving the property. The mortgagee must contact the HUD Field Office for details on subordinating the HUD lien.

11-28 SUMMARY. The appropriate HUD Field Office should be notified if any one of the following events occurs:

- A. The first mortgage on a property has been paid in full through sale of the property.
- B. The first mortgage has been assumed by a mortgagor not eligible for assistance or the new mortgagor does not want to participate in the Section 235 Assistance Program.
- C. The first mortgage has been refinanced.
- D. The first mortgage has been assigned to HUD.
- E. The property has been rented for more than a year. (If more than one unit, the owner's unit is rented.)
- F. The assistance has been terminated after a 36-month suspension.
- G. The mortgagor has been relocated or dislocated from a property under circumstances beyond his/her control.
- H. The mortgagor has requested that the HUD lien be subordinated to a lessor position when the first mortgage is refinanced

Explanations of A through H above.

In A., above, the mortgagor must be notified that the Recapture Provision becomes effective.

In B., above, the mortgagor must be notified that the Recapture Provision becomes effective.

In C. above, the mortgagee refinancing the first mortgage should notify the HUD Field Office if it (the mortgagee) wants the HUD lien satisfied due to the fact that the HUD lien moves into first-lien position when the original first mortgage is paid-in-full.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

In D. above, if the first mortgage is assigned to HUD, the mortgagee must submit a statement of the full amount of assistance paid by HUD on behalf of the original mortgagor and all assumptors of the mortgage to the HUD Field Office. In E. above, the HUD Field Office must calculate the recapture amount and maintain a file on the case. In F. above, the HUD Field Office must request a decision from the mortgagor as to whether he/she wants the HUD lien satisfied after termination of the assistance.

In G., above, there are specific procedures to follow for processing the relocation case. For the dislocation case, there are special conditions that must be considered to retain the original first mortgage and Section 235 assistance by transferring both to another property of equal value. In H., above, there are special conditions under which a Section 235 Recapture mortgage can be subordinated.

iii. Maintenance of Escrow Accounts - Analysis

Formerly HUD Handbook 4330.1, REV -5, Section 2-7E

2-7 MAINTENANCE OF ESCROW ACCOUNTS - ANALYSIS (24 CFR 203.550(b)).

- E. Mortgages Insured Under Section 235. [HUD's escrow requirements apply] equally to mortgages insured under Section 235. With these mortgages, the logical time for escrow analysis is on or just after the anniversary date of the first payment due under the mortgage since it is then that the MIP changes and annual recertification is required. Both of these events may affect the amount of assistance to which the mortgagor is entitled and delays in analysis could result in a need for significant retroactive adjustments.

Both Formulas I and II must be recomputed as of the anniversary date regardless of changes in escrow requirements. Mortgagees may, however, elect to analyze Section 235 escrow accounts at any time, provided assistance is recomputed at the time of annual recertification to reflect any changes in the mortgagor's income or family composition, as well as the annual change in MIP. (See Chapter 10 for detailed instructions.)

iv. Statement For Income Tax Purposes

Formerly HUD Handbook 4330.1, REV-5, Section 2-10B

2-10 PROVIDING LOAN INFORMATION (24 CFR 203.508).

- B. Statement For Income Tax Purposes (24 CFR 203.508(c)). By January 30 of each year, the mortgagee must furnish the mortgagor with a statement of taxes and interest paid during the preceding calendar year (24 CFR 203.508(c)). HUD takes no position on the income tax impact of these amounts.

If the mortgage is insured under Section 235, the statement must also include an accounting of the total amount of assistance paid by HUD and applied to the account during the preceding year (24 CFR 235. 1001). This Section 235 Statement may be a part

of the escrow accounting or may be in a separate statement accompanying the Income Tax Statement (See Paragraph 10-35B). The mortgagee may either:

1. report the excess of interest payments over assistance payments during the year, or
2. report both the total interest and assistance payments during the year.

NOTE: This Income Tax Statement must include or be accompanied by a statement which includes substantially the following language:

“If you itemize deductions on your income tax returns, please read this notice. Under Section 1. 163-1(d) of Federal Income Tax Regulations, you, as the mortgagor, may deduct for Federal income tax purposes only that part, if any, of mortgage interest payments made during the year that exceeded the amount of assistance payments made by HUD during the year. You are urged to contact your tax advisor or State and local tax offices for guidance regarding the deductibility of payments on your State or local income tax returns.”

v. Late Charges

Formerly HUD Handbook 4330.1, REV-5, Section 4-2D

4-2 LATE CHARGES (24 CFR 203.25).

D. Computing Late Charges.

NOTE: When the mortgage is insured under Section 235, OR the mortgage is subject to a buy-down, only the mortgagor's portion of the monthly payment is used when computing a late charge.

vi. Assumptions

Formerly HUD Handbook 4330.1, REV-5, Section 4-4

4-4 ASSUMPTIONS.

A. Maximum Allowable Fees. Fees for processing assumptions must be based on the mortgagee's actual costs and cannot exceed the maximum amount authorized in this Handbook. (See Chapter 6 for requirements concerning assumptions.) The maximum amounts allowed by HUD for processing various types of assumption are as follows:

1. Section 235 Assumptions.
 - a. Assumption Without A Release of Liability and Where Assistance Is Requested But Disapproved. Where no credit checks are required and the mortgagor applies for assistance but is not considered eligible for Section 235 subsidy the maximum fee that may be charged is \$140.00.

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

- b. Assumption Without A Release of Liability and Where Assistance Is Requested and Approved. Where a credit check is not required and the Section 235 subsidy will be terminated, the maximum fee that may be charged is \$185.00.
- c. Assumption With A Release of Liability and Where Assistance Is Not Requested or Approved. Where a credit check is required and the Section 235 subsidy will be terminated, the maximum fee that may be charged is \$500.00.
- d. Assumption With A Release of Liability and Assistance Is To Continue. Where a credit check is required and the Section 235 subsidy will continue on behalf of the assumptor, the maximum fee that may be charged is \$500.00.

vii. Escrow Balance Returned to Mortgagor

Formerly HUD Handbook 4330.1, REV-5, Section 5-2

5-2 PREPAYMENT IN FULL (24 CFR 203.558).

- G. Escrow Balance Returned to Mortgagor. When the mortgage insurance is terminated without payment of a claim for insurance benefits (i.e., payment in full) the remaining funds held in escrow for the payment of taxes and hazard insurance shall be * released to the mortgagor promptly (i.e., no later than 30 calendar days after the payoff). *

EXCEPTION: An analysis must be performed in accordance with Paragraph 10-20D3 on all Section 235 prepayments in full prior to refunding any escrow money to the mortgagors.

- H. Section 235 Mortgages. In addition to the other requirements cited under Paragraph 5-2, for all Section 235 mortgages that are prepaid in full, the following requirements apply:
- 1. mortgagees must perform an analysis in accordance with Paragraph 10-20D3 prior to refunding any escrow money to the mortgagor as stated in the “Exception” cited in the preceding paragraph; and
 - 2. mortgagees must determine in accordance with the instructions outlined in Chapter 11 if the mortgage is insured pursuant to a firm commitment issued after May 27, 1981 as to whether;
 - a. the prepayment has triggered the recapture provision in connection with HUD's Section 235 mortgage on the property; and
 - b. the appropriate action has been taken as required by Chapter 11.

viii. Partial Payments

Formerly HUD Handbook 4330.1, REV-5, Section 7-9

III. SERVICING AND LOSS MITIGATION

A. Title II Insured Housing Programs Forward Mortgages

3. Programs and Products - Section 235 Mortgages

7-9 PARTIAL PAYMENTS (24 CFR 203.556). ... When the mortgage is insured under Section 235, the “full amount due under the mortgage” is considered to be the full amount due from the mortgagor only.

ix. SCRA Interest Rate Cap

Formerly Mortgagee Letter 2006-28 Mortgage and Foreclosure Rights of Servicemembers under the Servicemembers Civil Relief Act (SCRA)

A few Section 235 mortgages still have assistance payments from HUD applied to them on behalf of lower-income mortgagors. Assistance for these mortgages may be affected by the six percent interest rate limitation. On all accounts receiving assistance when the note rate of interest exceeds six percent, the amount of assistance must be reanalyzed, and the subsidy amount must be recalculated using the full mortgage payment at a six percent rate when determining the amount of assistance. For some accounts, the interest rate deduction will cause the suspension of assistance for the period of active duty. Whenever an interest rate reduction is made with retroactive effect and the Section 235 assistance is reduced, any over-billed subsidy must be returned to HUD as a refund or adjustment to the subsequent Section 235 monthly billing. When active duty terminates and the note rate resumes, the assistance must be recalculated and restored in accordance with the usual procedures. Any income recertification requests received from mortgagors in accordance with 24 CFR § 235.355 must be processed expeditiously. Please also reference ML 91-20, *Effect of the Soldiers' and Sailors' Civil Relief Act of 1940 on FHA Insured Mortgages* for additional guidance in calculating Formula 2 subsidy.

The Date of Final Claim Settlement is the date that HUD approves the settlement of Part B of form HUD-27011 for payment.

Part B

HUD will compute interest on expenditures from the date of the submission of Part B to the date of the final claim settlement.

(b) Interest up to Disbursement Date

(B) Calculating Interest for an Expenditure using Daily Interest Rate Factors

(1) Definition

The Daily Interest Rate Factor is the annual interest rate expressed as a decimal, divided by 365 (or 366 in leap years), and rounded to the fourth place to the right of the decimal, for the purpose of calculating interest on claimed expenditures.

(2) Standard

The Mortgagee must calculate the amount of interest to be claimed for an expenditure as follows:

- identify the [effective debenture interest rate](#) based on the endorsement date of the mortgage for mortgages endorsed before January 23, 2004, or the date of Default for mortgages endorsed on or after January 23, 2004;
- find the Daily Interest Rate Factor (see Appendix 8.c Daily Interest Rate Factor in the [Claim Filing Technical Guide](#)) corresponding to the effective debenture interest rate;
- multiply the Daily Interest Rate Factor by the amount paid; then
- multiply this result by the number of Days (see Appendix 8.b Julian Calendar in the [Claim Filing Technical Guide](#)) from the date paid (or Default date, if later) for each line Item to the earlier of:
 - the date in Item 104 (submission date for Part B); or
 - the date of the earliest time requirement missed (Items 204 and 304).

(3) Interest for Expenditures Before the Date of Default

- date of initiation of foreclosure proceedings;
- date of acquisition of title and possession by DIL of Foreclosure;
- date the Property was acquired by the Commissioner under a direct conveyance from the Borrower; or
- 90 Days after the date of the Default of the SFB-Unemployment Agreement or Special Forbearance Agreement; or such other date as HUD may approve in writing prior to expiration of this 90-Day period.

(b) Calculating Mortgage Note Interest using Daily Interest Rate Factors

To obtain the amount of accrued mortgage interest due, the Mortgagee must:

- multiply the Daily Interest Rate Factor (see Appendix 8.c Daily Interest Rate Factor in the [Claim Filing Technical Guide](#)) by the amount of the unpaid principal balance; and
- multiply the result by the number of days from the due date of the last completely paid installment to the date selected above as the “ending date.”

This debenture interest period ends on the date of the initial claim payment or the date of interest curtailment.

IV. CLAIMS AND DISPOSITION

A. Title II Claims

2. Claim Types

(d) Calculating Debenture Interest

HUD will compute the debenture interest at the time of payment of Part B, using the rate in effect at the time of the mortgage Default. Where “Mortgage Note Interest” is claimed on Part B because of an SFB-Unemployment Agreement or SFB Agreement, HUD will subtract from the claim any debenture interest already paid for the same period.

(2) Interest on Claim Form

The Mortgagee must reflect the use of an SFB-Unemployment Agreement or SFB Agreement by entering the following in Item 121:

- From: Enter the date of the last completely paid installment after all funds received under the Agreement are applied according to the terms of the Mortgage (Item 8, part A). The Mortgagee must self-curtail interest on Single Family claims when it fails to meet HUD's foreclosure, reasonable diligence, or reporting time frame requirements as of the date on which the required action should have been taken.

If more than one time requirement is missed and there are no applicable extensions, the Mortgagee must calculate the interest to the earliest missed time requirement.

(a) Failure to Timely Initiate Foreclosure

The Mortgagee must curtail interest if it fails to meet the [time requirement](#), including applicable extensions, to initiate foreclosure, regardless of whether later payments advanced the date of Default.

(b) Failure to Give HUD Notice of Foreclosure

The Mortgagee must curtail interest if it fails to meet the [time requirement](#) to give notice to HUD of the foreclosure via SFDMS. Until the Mortgagee properly reports the foreclosure initiation, the Mortgagee must reduce its claim by an amount equivalent to 30 Days of interest for each SFDMS reporting cycle missed.

If the actual recovery amount is less than the amount estimated, the Mortgagee may request reimbursement of the difference between the amount of proceeds expected and the proceeds received if both are greater than HUD's estimate of damage.

The Mortgagee is not entitled to a reimbursement if it would reduce the deduction in insurance benefits to less than HUD's estimate of damage.

For CWCOT and PFS claims, HUD will calculate the claim and issue the Mortgagee a settlement letter.

e. Advice of Payment and Title Approval

When a claim is processed in the HUD Claims system, HUD will provide the Advice of Payment and Title Approval (where applicable) via FHAC. Mortgagees may locate both the Advice of Payment and Title Approval under the Single Family Insurance Claims Processing menu in the Single Family FHA/Single Family Servicing section of FHAC. For Mortgages insured on or after November 19, 1992, the Mortgagee must also reimburse HUD for its holding costs and expenses incurred in the acquisition and Reconveyance of the Property.

(C) Reduction of Insurance Benefits due to Changes in Value

For Mortgages insured on or after November 19, 1992, if there is a reduction in the estimate of value from the time of Reconveyance to the time of reapplication for insurance benefits, HUD will deduct from the claim amount the difference in value.

(1) Insured On or After November 19, 1992

For Mortgages insured under a Firm Commitment issued on or after November 19, 1992, or under Direct Endorsement processing where the credit worksheet was signed by the Mortgagee's approved underwriter on or after November 19, 1992, HUD may require the Mortgagee to correct title defects within 60 Days after the Mortgagee receives notice from the Secretary or within such further time as the Secretary may approve in writing.

The Mortgagee may retain the insurance benefits already paid, but HUD will not reimburse the Mortgagee for any costs involved in correcting the title.

(2) Insured before November 19, 1992

For Mortgages insured under a Firm Commitment issued before November 19, 1992, or under Direct Endorsement processing where the credit worksheet was signed by the Mortgagee's approved underwriter before November 19, 1992, HUD may require the Mortgagee to correct title defects within such time as the Secretary may approve in writing.

(3) Reimbursement to HUD for Holding Costs and Interest

If a title defect is not corrected within HUD's time frame, the Mortgagee must reimburse HUD for holding costs and interest on the paid insurance benefits from the date of the notice to the date the defect is corrected or to the date the Secretary reconveys the Property, within the time frame stated by HUD in its Demand Letter.

(4) Costs Associated with Correcting Title

IV. CLAIMS AND DISPOSITION

A. Title II Claims

4. Withdrawal or Cancellation of Conveyance Claims

(5) Improper Deed to HUD

(F) Property Preservation Costs

(1) Standard

The Mortgagee is responsible for any damages the Property has sustained while in the Mortgagee's possession, if the Property was conveyed without prior notice and approval by HUD.

HUD has established a two-stage appeal procedure for disputes between Mortgagees and HUD regarding Reconveyance requests due to property condition.

(1) Appealing to the MCM

If the Mortgagee disagrees with HUD's decision to reconvey, the Mortgagee may appeal the Reconveyance via email in P260 to the MCM within 10 Days from the date the response was due or received from HUD.

(A) Reacquisition

(1) Definition

Reacquisition is the process by which a Mortgagee conveys to HUD a Property that has been previously reconveyed to the Mortgagee.

(2) Standard

After the Mortgagee has corrected the problem causing Reconveyance, the Mortgagee may request reacquisition by HUD of a reconveyed Property and resubmit the claim.

(C) Resubmission of Claim

Once the Mortgagee receives MCM approval to convey, the Mortgagee may reapply for insurance benefits. The Mortgagee must send a new original paper form HUD-27011, **Part A**, and, where applicable, a new original paper form HUD-27011, **Part B**, with “Re-Conveyance” written at the top of both **Part A and Part B**, along with any required attachments to HUD at:

5. Post-Claim Reviews

a. Definition

A Post-Claim Review is a review of the claim file by HUD or its agent to determine the Mortgagee’s compliance with HUD’s claim guidance and to verify the accuracy and appropriateness of amounts claimed.

IV. CLAIMS AND DISPOSITION

A. Title II Claims

5. Post-Claim Reviews

b. Standard

HUD or its agent (e.g., FHA Claims Branch, Quality Assurance Division (QAD), Office of Inspector General (OIG), HUD contractors, U.S. Department of Justice (DOJ), etc.) may conduct a post-claim review at any time within three years after the claim is paid. This time frame does not apply to or limit enforcement reviews. If the Mortgagee is notified within the three-year period that its claims will be reviewed by HUD or its agent, all claim files must be maintained until completion and final settlement of the review.

The Mortgagee must be able to show support for all information entered on the application for insurance benefits. When filing a claim, the Mortgagee is responsible for the completeness and accuracy of the claim submission and for any overpayments identified on claims by HUD.

If a question arises regarding the support of an amount reimbursed on an insurance claim, the burden of proof is on the Mortgagee to show that the amount is valid and reasonable.

c. Selection of Claims for Review

HUD may use statistical sampling to select claims for review and, based upon the results of the statistical sampling, may extrapolate the amount of any overpayment over all claims paid during the subject review period to determine the amount due HUD for overpayments.

d. Frequency of Reviews

HUD may review any paid claim file at any time within three years after the claim is paid.

Where state Housing Finance Agencies (HFA) have settled 50 or fewer FHA mortgage insurance claims in a 12-month period, the HFA may elect to defer the review to a biennial (occurring every two years) schedule.

e. Notification to Mortgagee of Claim Review

HUD will notify Mortgagees by letter before beginning its claims review. The Mortgagee must make available to HUD copies of identified claim files, in the format (electronic or hard copy) requested, within 24 hours of a request or such other time as permitted by HUD. Refer to [HUD Requests for Information](#) and [Missing Claim Files](#) for additional guidance.

Denial of access to a file may be grounds for [enforcement](#) action.

f. HUD's Initial Report

HUD will review the result of the claims review prior to the issuance of a report.

After completion of the reviews, HUD will issue the initial report identifying:

- any discrepancies resulting from inaccuracies, omissions, missed time requirements or unsupported claim information;

IV. CLAIMS AND DISPOSITION

A. Title II Claims

6. Debt Collection and Administrative Offset

- the Mortgagee's potential liability (potential amount owed); and
- whether or not the Mortgagee is in compliance with HUD's claim filing guidelines.

g. Mortgagee Response Procedures to HUD's Initial Report

The Mortgagee may provide any additional documentation that could affect the review results within 45 Days from the date of the initial report. If no additional documentation is provided within 45 Days, HUD will consider the report final and the potential liability identified will become the amount owed.

h. Findings Based on Mortgagee Response

HUD will review additional information provided by the Mortgagee within the response timeline and, if applicable, will make adjustments to the potential amount owed. HUD will issue a follow-up report stating the revised Finding, if any, and any new Findings.

i. Mortgagee Response Procedures to HUD's Follow-Up Report

Within 21 Days from the date of the follow-up report, the Mortgagee may provide additional documentation that could affect the review results. If no additional documentation is provided within 21 Days, HUD will consider the report final and the potential liability identified will become the amount owed.

If further documentation is submitted to refute the Findings in the follow-up report, HUD will review the documentation and issue a final report stating:

- the revised Findings (if any);
- any new Findings; and
- that the review is being referred to the Albany Financial Operations Center (FOC) for enforced debt collection, if applicable.

j. Referral for Collections

HUD will send the post-claim review to the Albany FOC for collection of the outstanding amount. HUD will pursue any outstanding amounts via Treasury Offset if the amount remains outstanding.

k. Referral for Enforcement Review

HUD may, at its discretion, refer cases to the appropriate office(s) for enforcement review based on the post-claim review.

6. Debt Collection and Administrative Offset

HUD may use the debt collection and administrative offset process to collect money owed by the Mortgagee due to an improper claim amount.

IV. CLAIMS AND DISPOSITION

A. Title II Claims

6. Debt Collection and Administrative Offset

a. Demand Letter [Text was deleted in this section.]

To establish the debt, HUD will send a Demand Letter to the Mortgagee. Within 30 Days of the date of the Demand Letter, the Mortgagee must:

- remit overpaid amounts; or
- take other such action, including submitting a rebuttal, as provided in the Demand Letter.

b. Notice of Intent to Collect Administrative Offset

i. Issuance of Notice of Intent to Collect by Administrative Offset

HUD will issue a Notice of Intent to Collect by Administrative Offset to the Mortgagee, should the Mortgagee fail to respond to the Demand Letter or should HUD determine that the Mortgagee's rebuttal fails to demonstrate that the Mortgagee is not responsible for the debt.

ii. Required Mortgagee Action

The Mortgagee must remit funds within 30 Days from the date of the Notice of Intent to Collect by Administrative Offset.

iii. Request for HUD Review

After receiving a Notice of Intent to Collect by Administrative Offset, the Mortgagee may request a review of the case in accordance with 24 CFR Part 17 and/or as otherwise instructed in the Notice.

iv. Departmental Review

- whether the cost of demolition exceeds the cost of rehabilitating the Property to meet MPS; and
- whether the Property is listed on or eligible for the National Register of Historic Places or located in a historic district. If it is, a Section 106 consultation with the State Historic Preservation Officer and other interested parties is required before HUD approves the Property for demolition.

(b) Cost of Demolition

If HUD approves the Property for demolition, HUD will pay for the demolition and clearing of the debris.

(c) Sale after Demolition

Following demolition, HUD will list the land for sale to the general public for 10 Days at its Fair Market Value (FMV).

If no acceptable offers are received from the general public, HUD will offer the land to local governments for \$1 for 10 Days.

If the land is not purchased by local governments, HUD will relist the Property to all classes of bidders until the Property is sold.

ix. HUD Rescission of Listing

HUD, at its discretion, may remove a listing or cancel a sales contract and may return all or a portion of a buyer's earnest money deposit if:

HUD will allow at least one back-up bidder and, in the case of GNND, two back-up bidders.

h. Bid Acceptance During Competitive Sales Periods

i. Standard

For Properties sold in competitive sales, HUD will accept the bid that produces the greatest net return to HUD and meets all the terms and conditions pertaining to HUD's offering, with priority given to Owner-Occupant Buyers for Properties being offered with insured Mortgages.

For Properties marketed as uninsurable, HUD will give priority to Governmental Entities and HUD-approved Nonprofits before Owner-Occupant Buyers.

IV. CLAIMS AND DISPOSITION

B. Title II Disposition

2. REO Property Disposition

The net return is calculated by subtracting from the bid price the dollar amounts for financing and [closing costs](#), as stated on Line 5 of form HUD-9548, *Sales Contract*, and real estate sales commissions to be paid by HUD.

(A) Multiple Bids

Selling brokers may submit an unlimited number of bids on a Property, provided that each bid is from a different buyer. If a buyer submits multiple bids on the same Property, HUD will only consider the bid producing the highest net return to HUD.

If a prospective Owner-Occupant Buyer submits a bid on more than one Property, the bid that produces the greatest net return to HUD will be accepted and all other bids from that buyer will be eliminated from consideration. However, if the prospective Owner-Occupant Buyer has submitted the only acceptable bid on another Property, then that bid must be accepted and all other bids from that buyer on any other Properties will be eliminated from consideration.

(B) Identical Net Offer

Where two or more bids result in identical net offers, HUD will give preference to the Owner-Occupant Buyer.

If the identical bids were submitted by two or more Owner-Occupant Buyers, or by two or more Investor Buyers, HUD will choose the winning bid by lottery.

ii. Counteroffers

If all bids received are unacceptable, HUD may, at its discretion, offer counteroffers to one or more bidders via P260, and those bidders may resubmit bids during a specified period of time.

If HUD elects to counteroffer, HUD will accept the highest acceptable net bid received within the specified time period.

i. Selection of Winning Bid

i. Notification by HUD of Winning Bid

HUD will alert the buyer or selling broker if they are the winning bidder.

ii. Submission of Sales Documents [Text was deleted in this section.]

- access the Property to conduct any inspections, tests, or risk assessments at their expense; and
- for Properties constructed before 1978, review all available records and reports relating to lead-based paint or lead-based paint hazards in the Property.

If the HUD REO appraisal was completed without the utilities being activated and the buyer is using FHA-insured financing, the Mortgagee or buyer must complete the systems check while the utilities are activated. The Mortgagee or buyer may contact the Field Service Manager (FSM) to request activation of utilities; HUD may charge a fee for this service.

ii. Repairs Necessary to Comply with Mortgage Lender or State, Tribal, or Local Law Requirements

HUD sells REO Properties as-is. When necessary to comply with mortgage lender requirements or state, tribal, or local law, a buyer may submit a request to the AM for repairs. The buyer must include with its request:

RESERVED FOR FUTURE USE

This section is reserved for future use, and until such time, FHA-approved Mortgagees and Title I Lenders must continue to comply with all applicable law and existing Handbooks, Mortgagee Letters, Notices and outstanding guidance applicable to their participation in FHA programs.

b. Title II Mortgagee Monitoring Reviews

i. Notice

FHA provides Mortgagees with notice prior to FHA monitoring reviews. Such notice may be transmitted via email to the Mortgagee's administrative contact, which is described in the [Doing Business with FHA](#) section of this *SF Handbook*. The Mortgagee may access the [Loan Review System](#) for detailed information about such monitoring review.

ii. Production of Loan Files and Records

The Mortgagee must provide all records related to the loans selected for review, including any and all files, whether hard copy or stored, in the Mortgagee's systems that include data or information on the specific loans identified.

iii. Scope

FHA will, in its sole discretion, determine the scope of any monitoring review. FHA may conduct limited reviews of a Mortgagee's origination, underwriting, and servicing of FHA-insured Single Family Mortgages, or more comprehensive reviews that include not just the Mortgagee's files, records, and practices, but also the Mortgagee's overall operations and policies with respect to Mortgagee relationships, quality control and risk management, escrow administration, wholesale Mortgages, and certain FHA product lines.

For reviews of mortgages conducted as part of a monitoring review, results will be documented in accordance with the [Title II Loan Reviews/Findings](#) section of this *SF Handbook*.

c. Servicer Tier Ranking System II

i. Definition

The Tier Ranking System (TRS) II is a methodology for measuring a Mortgagee's performance in complying with HUD's Loss Mitigation Program.

ii. Standard

TRS II evaluates Mortgagees' overall performance in Delinquent mortgage servicing, based on the following elements:

- foreclosure prevention;
- Re-Defaults;
- SFDMS reporting; and
- loss mitigation engagement.

See [TRS II – Scorecard Calculation Methodology – Servicer Narrative](#) for complete instructions.

iii. Who Will be Scored

(A) Eligibility

HUD will score Mortgagees meeting the following criteria under TRS II:

- approved to service Single Family Mortgages;
- Mortgagee approval status is active; and
- the Mortgagee is the Mortgagee of record for a seriously Delinquent portfolio of five Mortgages or more, as reflected in Neighborhood Watch for the last month in the scoring quarter.

(B) Opt-Out Option

A Mortgagee may opt out of being rated if:

- the Mortgagee meets the eligibility criteria above; and
- the Mortgagee has a seriously Delinquent portfolio of between 5 and 25 Mortgages, as reflected in Neighborhood Watch for the last month of the scoring quarter.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

C. Mortgagee Monitoring

2. Institutional Mortgagee Monitoring

(1) Use of Scores

HUD will continue to issue TRS II Scorecards to all eligible Mortgagees; HUD will use scores for Mortgagees who have exercised the opt-out option for informational purposes and HUD reviews and metrics only.

(2) Publication

HUD will not make available on a public website the scores of Mortgagees who have opted out of scoring.

(3) Loss Mitigation Financial Incentives

Mortgagees who have opted out of scoring will not be eligible for increased loss mitigation financial incentives for the following calendar year.

(C) Process for Opting Out

To request to opt out of scoring, the Mortgagee must submit a request to NSC via email to sfdatarequests@hud.gov, no later than October 31 of each calendar year for which the Mortgagee requests to opt out of scoring. The Mortgagee must include in the request:

- “TRS II Opt-Out” in the subject line of their email; and
- their Mortgagee five-digit ID number.

Once NSC verifies the Mortgagee’s status, the Mortgagee will receive a confirmation email that the Mortgagee has opted out of scoring for the fiscal year.

iv. TRS II Elements

There are four elements that comprise TRS II:

- Foreclosure Prevention: evaluates a Mortgagee’s foreclosure initiation actions, time frames, and intervention practices;
- Re-Defaults: evaluates the loss mitigation performance after a permanent Home Retention Loss Mitigation Option is utilized by the Mortgagee;
- SFDMS Reporting: determines a Mortgagee’s compliance with Default reporting regulations; and
- Loss Mitigation Engagement: measures a Mortgagee’s loss mitigation attempts and utilization of permanent Loss Mitigation Options.

Mortgagees may calculate their own TRS II scores by following the instructions provided in the [TRS II – Scorecard Calculation Methodology – Servicer Narrative](#).

v. Extra Credit

The Mortgagee may receive extra credit added to their final fiscal year end score by attending, participating in, and/or completing delinquent servicing training pursuant to

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

C. Mortgagee Monitoring

2. Institutional Mortgagee Monitoring

the attendance and completion requirements in the [TRS II – Scorecard Calculation Methodology – Servicer Narrative](#).

vi. Scores, Grades and Tiers

HUD evaluates each scoring element separately, based on activity for each month in the quarter, and then averages the elements for a quarterly score.

HUD will provide Mortgagees with a TRS II Scorecard each quarter, along with a corresponding letter grade and tier ranking. HUD will average quarterly scores to produce a final annual fiscal year score and grade.

Final Fiscal Score	Assigned Grade	Corresponding Tier
90.00% - 100.00+%	A	1
80.00% - 89.99%	B	2
70.00% - 79.99%	C	3
60.00% - 69.99%	D	3
59.99% or Less	F	4

vii. Notification of TRS II Scores

Mortgagees will receive quarterly TRS II Scorecards consisting of the Mortgagee's scores, grades, and Tier via email after the conclusion of each fiscal year quarter.

HUD will only send hard copy letters containing scores, grades, and Tiers if the NSC cannot reach the Mortgagee electronically. See the [TRS II – Scorecard Calculation Methodology – Servicer Narrative](#) for information on how to request electronic distribution.

viii. Public Availability of Scores and Grades

All scored Mortgagees, except those which have chosen to opt out, may have their names and scores published on HUD's [Tier Ranking System](#) website at the close of each calendar year, after all [appeals](#) have been evaluated and after Mortgagees that have submitted appeals have been notified of the results.

ix. Appeals

(A) Basis of Appeal

The only basis for an appeal by the Mortgagee receiving an "F"/Tier 4 is disagreement with the data used by HUD to calculate the Mortgagee's grade. If HUD determines that the Mortgagee's "F"/Tier 4 grade rating was based on incorrect or incomplete data, HUD will recalculate the Mortgagee's performance and will provide a corrected score.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

C. Mortgagee Monitoring

2. Institutional Mortgagee Monitoring

(B) Time Frame

Mortgagees receiving a grade of “F”/Tier 4 may appeal their final score no later than 30 Days after the issue date of the final fiscal year grade.

(C) Process

The Mortgagee must submit the appeal to HUD’s Deputy Assistant Secretary for Single Family Housing or their designee and request an informal HUD conference.

x. Increased Incentives

HUD will use TRS II to determine those Mortgagees earning “A”/Tier 1 scores and may therefore qualify for increased loss mitigation financial incentives for the following calendar year.

3. Program Office Actions and Sanctions

FHA's Office of Single Family Housing is authorized to take the following enforcement actions against Mortgagees that do not comply with FHA requirements.

a. Actions and Sanctions Against Mortgagees

i. Probation of Title II Direct Endorsement Authority

FHA may place a Mortgagee on DE probation for a specified period of time for the purpose of evaluating the Mortgagee's compliance with the requirements of the DE Program. The scope of the probation depends upon the seriousness of the problems and deficiencies exhibited by the Mortgagee. For additional information on this authority, see [24 CFR § 203.3\(d\)\(1\)](#). This action is separate and apart from probation imposed by the MRB.

(A) Scope

(1) Training

The Mortgagee's underwriter, or other technical staff, may be required to attend training sessions, as appropriate.

(2) Title II Loan Reviews

FHA may increase the percentage of the Mortgagee's cases subject to [Title II loan reviews](#).

(3) Mortgagee Audit and Monitoring Review

FHA may require the Mortgagee to perform a review or audit of its underwriting processes, or to hire an independent third party to assess the Mortgagee's operational controls and systems, and report the results to FHA. FHA may also conduct an on-site monitoring review of the Mortgagee.

(4) Quality Control Plan

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

3. Program Office Actions and Sanctions

(a) Time Frame

Test Case Phase review status continues until the Mortgagee corrects its underwriting deficiencies or until the Mortgagee's DE approval is withdrawn.

(b) Cause

A return to Test Case Phase review status may result from, but is not limited to, the following circumstances:

- final Title II loan review results that demonstrate a Mortgagee's failure to follow FHA requirements;
- a pattern of fraud identified by FHA, of which the Mortgagee was aware, or should have been aware; or
- the results of on-site or other reviews of the Mortgagee.

(6) Additional Elements

FHA may impose additional elements of probation reasonably related to the Mortgagee's underlying violations that allow FHA to monitor the Mortgagee and assist FHA with bringing the Mortgagee into compliance with FHA regulations.

(B) Notice

FHA will send a written notice of probation to the Mortgagee. The probation notice will list the violations that precipitated the probation and explain the elements being applied to the Mortgagee's probation.

(C) Effective Date

Probation is effective immediately upon the receipt of the notice of probation by the Mortgagee.

ii. Withdrawal of Title II Direct Endorsement Authority

FHA may withdraw the DE authority of any Mortgagee that demonstrates a pattern or practice of failing to comply with FHA underwriting guidelines or program requirements. This action is separate and apart from the termination action described in the [Credit Watch Termination](#) section.

(1) Informal Conference

FHA will expeditiously arrange for a conference where the Mortgagee may present information and argument in opposition to the proposed withdrawal. The Mortgagee may be represented by counsel.

(2) Determination

After consideration of the material presented, FHA will issue a decision in writing stating whether the proposed termination is rescinded, modified, or affirmed.

(3) Appeal and Final Agency Action

The Mortgagee may appeal the decision to the Deputy Assistant Secretary (DAS) for Single Family Housing or his or her designee. A decision by the DAS for Single Family Housing or his or her designee constitutes final agency action.

iii. Credit Watch Termination of Title II Mortgagees

HUD may terminate a Mortgagee's authority to originate or underwrite FHA-insured Single Family Mortgages in any geographic area where the Mortgagee has an excessive rate of early defaults and claims in accordance with the Credit Watch Termination regulations at [24 CFR § 202.3\(c\)\(2\)](#). Credit Watch Termination is separate and apart from any action that may be taken by the MRB.

(A) Frequency and Scope

FHA reviews the default and claim rate of FHA-insured Single Family Mortgages on a quarterly basis. FHA compares the rate of each participating Mortgagee with the rates of other Mortgagees in the same geographic area. The review is limited to Mortgages with an amortization date within the preceding 24 months.

(B) Cause

FHA may terminate the origination or underwriting authority of any Mortgagee whose default and claim rate exceeds both the national default and claim rate and 200 percent of the default and claim rate within the geographic area served by a HUD field office.

E. Enforcement

3. Program Office Actions and Sanctions

(C) Notice and Appeal

FHA will issue a Proposed Credit Watch Termination Notice to the Mortgagee prior to terminating the Mortgagee's approval. (1) Informal Conference

The Mortgagee or its representative may make an oral and/or written presentation to oppose the proposed termination. FHA will only consider presentations that specifically address relevant mitigating factors and present facts and circumstances to explain the Mortgagee's poor performance.

(2) Mitigating Factors

FHA will consider relevant mitigating factors in deciding whether to terminate a Mortgagee's origination and/or underwriting authority.

(3) Determination

After the informal conference, FHA will make a determination whether to sustain or withdraw the termination. FHA will notify the Mortgagee of its decision in writing via a Final Notice of Determination. If sustained, the termination will not take effect until the Mortgagee receives the Final Notice.

(4) Waiver of Appeal

If a Mortgagee does not request an informal conference within 30 Days of receiving the Proposed Credit Watch Termination Notice, the Mortgagee has waived its appeal and its authority will be terminated 60 Days from the date of the Proposed Credit Watch Termination Notice without further notice from HUD.

(D) Effect of Termination

A Mortgagee whose authority has been terminated under Credit Watch is prohibited from originating or underwriting FHA-insured Single Family Mortgages within the area of the HUD field office(s) listed in the Notice. The Mortgagee's general FHA approval and supplemental authorities (see [Supplemental Mortgage Authorities](#)) remain unaffected.

3. Program Office Actions and Sanctions

(b) Standard

During the period of credit watch termination, FHA will not endorse any Mortgage originated by the Mortgagee, unless prior to the date of termination a Firm Commitment has been issued by HUD relating to any such Mortgage or a Direct Endorsement (DE) underwriter approved the Mortgage.

Mortgages that closed or were approved before the termination became effective may be endorsed. Cases at earlier stages of processing cannot be submitted for insurance by the terminated Mortgagee. However, the cases may be transferred for completion of processing and underwriting to another Mortgagee authorized to underwrite FHA-insured Mortgages in that area.

(2) Public Notice

HUD will publish a list of Mortgagees who have had their authority terminated in the Federal Register and on HUD's website with a general explanation of the cause and effect of the termination.

(E) Reinstatement

(1) Waiting Period

A terminated Mortgagee may request to have its authority reinstated no earlier than six months after the effective date of the termination.

(2) Independent Review

The Mortgagee must obtain an independent review of the terminated area's operation and mortgage origination or underwriting, specifically including the FHA-insured Mortgages cited in the termination notice. The analysis must identify the underlying cause for the Mortgagee's high default and claim rate. The review must be conducted and issued by an independent Certified Public Accountant (CPA) qualified to perform audits under Government Auditing Standards as set forth by the General Accounting Office.

(3) Corrective Action Plan

The Mortgagee must submit a corrective action plan to address each of the issues identified in the CPA's report, along with evidence that the plan has been implemented. FHA reserves the right to impose additional requirements for reinstatement.

The application for reinstatement must be submitted through the Lender Electronic Assessment Portal ([LEAP](#)). The application must be accompanied by the CPA's report and the corrective action plan.

iv. Suspension or Termination of Title II Lender Insurance Authority

(A) Definition

The Lender Insurance (LI) Compare Ratio is the percentage of Mortgages underwritten by the Mortgagee that are in claim or default status compared with the percentage of Mortgages in claim or default status for all Mortgagees operating in the same state(s) over the preceding two-year period.

(B) Scope

FHA monitors Mortgagees participating in the LI program whose LI Compare Ratios exceed 150 percent.

(C) Cause

FHA may immediately terminate or temporarily suspend a Mortgagee's LI authority for any cause set forth in [24 CFR § 203.4\(d\)](#).

(D) Notice and Appeal

FHA will provide written notice to any Mortgagee whose LI authority has been suspended or terminated. Mortgagees may appeal the suspension or termination by requesting an informal conference with the DAS for Single Family Housing or its designee.

(1) Informal Conference

The suspension or termination letter will provide the address to where the request for an informal conference may be sent, and the time frame for the informal conference. The informal conference must be requested in writing within 30 Days of the notice of suspension or termination.

(2) Determination

The DAS or the designee will issue a decision in writing after the informal conference to either affirm the suspension or termination, or reinstate the Mortgagee's LI authority. This decision represents a final agency action pursuant to section 256(d) of the National Housing Act ([12 U.S.C. § 1715z-21\(d\)](#)) and is not subject to further appeal or judicial review.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

3. Program Office Actions and Sanctions

(3) Waiver of Appeal

If a Mortgagee does not request an informal conference within 30 Days of receiving the suspension or termination letter, the Mortgagee has waived its right to appeal.

(E) Effective Date

The suspension or termination of the Mortgagee's LI authority is effective immediately upon the receipt of the notice by the Mortgagee.

(F) Effect of Suspension or Termination

A Mortgagee must submit every case binder to HUD for a pre-endorsement review and endorsement consideration.

A Mortgagee's DE authority is not affected by the suspension or termination of its LI authority. Mortgagees who have had their LI authority suspended or terminated may continue to underwrite and close FHA Mortgages without prior review by HUD.

(G) Reinstatement

(1) Waiting Period

A Mortgagee whose LI authority has been terminated is prohibited from applying for reinstatement of its LI authority for six months from the date of termination.

(2) Claim and Default Rate

At the time of the application for reinstatement, the Mortgagee must have unconditional DE authority and a two-year claim and default rate that does not exceed 150 percent of the aggregate claim and default rate for the states in which it underwrote Mortgages.

(3) Application for Reinstatement

Applications for reinstatement of LI authority must be submitted to FHA through [LEAP](#). The application must include:

- a copy of the *Acknowledgment of Terms and Conditions for LI* page from [FHAC](#) signed by an authorized official registered with HUD;

(2) Noncompliance with Condominium Project Approval Requirements

Failure to comply with Condominium Project Approval requirements may result in one of the following actions:

- The Mortgagee is returned to Conditional DELRAP Authority status.
- The Mortgagee's Unconditional DELRAP Authority is withdrawn.

(B) Notice

FHA will send written notice listing the violations that precipitated the action(s) to the Mortgagee.

(E) Determination

FHA will issue a determination following the informal conference stating whether Unconditional DELRAP Authority is approved or denied. If Unconditional DELRAP Authority is denied, the determination will state the reasons for the denial.

(F) Reinstatement

(1) Waiting Period

A Mortgagee may request reinstatement of the Mortgagee's DELRAP authority no earlier than six months after the date of the termination notice.

b. Loan Level Actions and Sanctions

FHA has the authority to pursue loan level actions and sanctions reasonably related to a Mortgagee's underlying violations.

4. Mortgage Review Board Actions and Sanctions

The MRB is authorized to impose civil money penalties and take administrative action against any FHA-approved Mortgagee that does not comply with HUD and FHA statutory, regulatory, and any Handbook requirements, the Real Estate Settlement Procedures Act (RESPA), or the non-discrimination requirements of the ECOA, the Fair Housing Act, or Executive Order 11063 on Equal Opportunity in Housing.

a. Actions and Sanctions

The following actions and sanctions may be imposed by the MRB:

- a letter of reprimand;
- probation;
- suspension;
- withdrawal of FHA approval; and
- civil money penalties.

The MRB may also enter into settlement agreements with non-complying Mortgagees.

The following are general descriptions of the types of actions and sanctions that may be taken by the MRB and are for informational purposes only. The specific requirements for and procedures applicable to these actions are set forth in sections 202(c) and 536 of the National Housing Act ([12 U.S.C. §§ 1708\(c\) and 1735f-14](#)), and Parts 25 and 30 of Title 24 of the Code of Federal Regulations ([24 CFR Parts 25 and 30](#)).

i. Letter of Reprimand

The MRB may issue a letter of reprimand to inform a Mortgagee of its violation of FHA requirements. A letter of reprimand is effective upon receipt of the letter by the Mortgagee.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

4. Mortgage Review Board Actions and Sanctions

(A) Case Status

A letter of reprimand has no impact on the Mortgagee's authority to originate, underwrite, or service FHA-insured Mortgages.

(B) Duration

There is no time duration associated with a letter of reprimand.

(C) Appeal

The Mortgagee has no right to appeal a letter of reprimand within HUD.

ii. Probation

The MRB may place a Mortgagee on probation for violation of FHA requirements. The MRB will specify the scope, terms, and conditions of the probation, which are designed to allow FHA to monitor the Mortgagee and assist FHA with bringing the Mortgagee into compliance with FHA regulations.

(A) Case Status

Unless specified in the terms of the probation, a Mortgagee on probation retains its origination, underwriting, and servicing authorities, as applicable.

(B) Duration

The MRB may place a Mortgagee on probation for a period of up to six months.

(C) Appeal

The Mortgagee has the right to appeal a probation action in accordance with the provisions of [24 CFR Parts 25 and 26](#).

iii. Suspension

Suspension is a temporary measure that is applied to a Mortgagee when there is adequate evidence that the interests of HUD or the public would not be served by continuing to allow the Mortgagee to participate in FHA programs, pending the completion of any investigation, other review, or legal or administrative proceedings the Mortgagee is involved in.

(A) Effective Date

If the MRB determines there is adequate evidence that immediate action is required to protect the financial interests of HUD or the public, the MRB is authorized to suspend a Mortgagee's FHA approval immediately upon issuance of the notice of suspension

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

4. Mortgage Review Board Actions and Sanctions

and without prior issuance of a [Notice of Violation](#) (NOV) as set forth in [24 CFR § 25.7\(d\)](#).

Any other suspension is effective upon the Mortgagee's receipt of the notice of suspension as set forth in [24 CFR § 25.5\(d\)](#).

(B) Case Status

During the period of suspension, HUD will not endorse any Mortgage originated by the suspended Mortgagee unless it was an Approved Mortgage prior to the date of suspension.

The Mortgagee must transfer all other applications in process to another FHA-approved Mortgagee for completion of processing, submission, and endorsement.

(C) Duration

Suspension is generally imposed for a period of six months to one year, but may be extended for an additional six months in accordance with the provisions of [24 CFR Part 25](#).

(D) Appeal

The Mortgagee has the right to appeal a suspension in accordance with the provisions of [24 CFR Parts 25 and 26](#).

iv. Withdrawal of FHA Approval

Only the MRB may withdraw a Mortgagee's FHA approval. Withdrawal of FHA approval applies to all offices of the Mortgagee.

(A) Effective Date

If the MRB determines there is adequate evidence that immediate action is required to protect the financial interests of HUD or the public, the MRB is authorized to withdraw a Mortgagee's FHA approval immediately; in this case, the withdrawal is effective upon the Mortgagee's receipt of the notice of withdrawal.

Any other withdrawal is effective upon either:

- the expiration of the 30-Day appeal period, if the Mortgagee does not request a hearing; or
- the receipt of the Administrative Law Judge's final decision, if the Mortgagee does request a hearing within the 30-Day appeal period.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

4. Mortgage Review Board Actions and Sanctions

(B) Case Status

HUD will not endorse any Mortgage originated by the withdrawn Mortgagee unless it was an Approved Mortgage prior to the date of withdrawal.

The withdrawn Mortgagee must transfer its servicing portfolio to another FHA-approved Mortgagee (see [Transfers of Servicing](#) and [Sales of Mortgages](#)).

Withdrawn FHA approval means that the Mortgagee may not originate, underwrite, service, or purchase any FHA-insured Mortgages.

(C) Duration

The MRB's withdrawal of a Mortgagee's FHA approval will be for a reasonable, specified period of time, but not less than one year. The MRB may permanently withdraw a Mortgagee's FHA approval if it finds the Mortgagee's violations to be egregious or willful.

A withdrawn Mortgagee's approval is not reinstated at the end of the period of withdrawal. The Mortgagee may reapply for FHA approval after the period of withdrawal has expired.

(D) Appeal

The Mortgagee has the right to appeal a withdrawal of its FHA approval by the MRB in accordance with the provisions of [24 CFR Parts 25 and 26](#).

v. Civil Money Penalties

The MRB may impose civil money penalties against any FHA-approved Mortgagee who knowingly and materially violates FHA requirements as set forth in [24 CFR § 30.35](#).

(A) Complaint

If the MRB elects to seek civil money penalties against a Mortgagee, HUD will file a complaint to initiate legal action. A civil money penalty may be imposed against a Mortgagee in addition to any other administrative action taken by the MRB.

(B) Maximum Civil Money Penalties

The MRB is authorized to impose a civil money penalty, in accordance with the provisions of [24 CFR Part 30](#), against a party that knowingly and materially violates FHA program regulations or requirements. A civil money penalty may be imposed with respect to each insured Mortgage or other separate occurrence of a violation up to the maximum permitted under Part 30.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

4. Mortgage Review Board Actions and Sanctions

(C) Mitigating and Aggravating Factors

In determining the amount of a civil money penalty, the MRB will consider the following factors:

- the gravity of the offense;
- the Mortgagee's history of prior offenses;
- the Mortgagee's ability to pay the penalty;
- the injury to the public;
- the benefits received by the violator;
- the extent of potential benefit to other persons;
- deterrence of future violations; and
- the degree of the violator's culpability.

vi. Settlement Agreements

The MRB is authorized to enter into settlement agreements with non-complying Mortgagees at any time in order to resolve grounds for an administrative sanction or civil money penalty, as set forth in [12 U.S.C. § 1708\(c\)\(3\)\(E\)](#) and [24 CFR § 25.5\(a\)](#). Failure by the Mortgagee to comply with the terms of a settlement agreement may result in a suspension or withdrawal of the Mortgagee's FHA approval.

b. Procedures

The following is a brief summary of the procedures of the MRB under [24 CFR Parts 25, 26, and 30](#).

i. Notice of Violation

The MRB will send the Mortgagee an NOV detailing the Mortgagee's alleged violations.

(A) Mortgage Response

The Mortgagee may provide the MRB with a written response within 30 Days of receiving the NOV. The MRB will consider the Mortgagee's response, as well as other relevant material, when deciding which administrative action to take, if any, and whether to seek civil money penalties against the Mortgagee.

If the Mortgagee fails to respond to the NOV within 30 Days, the MRB will make a final determination based upon the information available to it.

(B) Preservation of Documents

Upon receipt of the NOV, the Mortgagee is required to preserve and maintain all documents and data, including electronically stored data, within the Mortgagee's possession or control that may relate to the violations alleged in the NOV.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

4. Mortgage Review Board Actions and Sanctions

ii. Notice of Administrative Action

If the MRB decides to take administrative action against the Mortgagee, the MRB will issue a Notice of Administrative Action to the Mortgagee describing the nature and duration of the action and setting forth the basis for the action being taken.

iii. Appeal

(A) Request for Hearing

Mortgagees may appeal a probation, suspension or withdrawal action by the MRB by submitting a written request for a hearing within 30 Days of receipt of the Notice of Administrative Action. The Mortgagee's request for a hearing must specifically respond to the violations set forth in the Notice of Administrative Action.

(B) Hearing Process and Procedures

Hearings are conducted before an impartial Administrative Law Judge in accordance with the procedures set forth in [24 CFR Part 26, Subpart B](#).

(C) Waiver of Appeal

If a Mortgagee fails to request a hearing within the 30-Day period, the MRB action becomes final.

iv. Public Notice

(A) Federal Register

Pursuant to the National Housing Act ([12 U.S.C. § 1708\(c\)\(5\)](#)), HUD publishes a description of and the cause for each administrative action against an FHA-approved Mortgagee in the [Federal Register](#). The Federal Register notices include details on all MRB actions, including letters of reprimand, probations, suspensions, withdrawals of FHA approval, settlement agreements, and civil money penalties.

(B) Agency Notifications

If the MRB suspends or withdraws the approval of a Mortgagee, FHA is required to notify certain state, federal, and other interested agencies that interact with the Mortgagee, including:

- Conference of State Bank Supervisors/NMLS
- CFPB
- Fannie Mae
- Federal Deposit Insurance Corporation (FDIC)

a. Limited Denial of Participation

i. Definition

A Limited Denial of Participation (LDP) is an action that excludes a party from further participation in a specified HUD program area based on the participant's failure to comply with HUD program standards. LDPs are issued under the authority of [2 CFR § 2424.1100](#).

The LDP sanction may be imposed for a period not to exceed 12 months.

v. Processing and Appeals

An individual or other program participant may appeal the LDP by requesting an informal conference with the authorizing official or a hearing before the Departmental Hearing Officer within 30 Days of receipt of the notice of LDP.

Violations of statutes or serious or repeated violations of FHA requirements may lead to the suspension of an individual or other FHA program participant.

i. Definition

Suspension is a government-wide action that temporarily renders an individual ineligible to participate in most federal government programs pending the completion of an investigation or legal proceedings.

ii. Cause

FHA may suspend an individual for the reasons listed in [2 CFR § 180.700](#), including:

- the existence of an indictment for, or other adequate evidence to suspect, an offense listed under [2 CFR § 180.800\(a\)](#); or
- the existence of adequate evidence to suspect any other cause for debarment listed under [2 CFR § 180.800\(b\) through \(d\)](#); and
- a determination made by the suspending official that immediate action is necessary to protect the public interest.

iii. Effective Date

A suspension is effective when the suspending official signs the decision to suspend.

iv. Duration

If legal or debarment proceedings are initiated at the time of, or during a suspension, the suspension may continue until the conclusion of those proceedings. If proceedings are not initiated, a suspension may not exceed 12 months. The suspending official may extend the 12-month limit for an additional six months under limited circumstances described in [2 CFR § 180.760](#). In no event may a suspension exceed 18 months without initiating legal or debarment proceedings.

v. Processing and Appeals

An individual may appeal a proposed suspension by providing the suspending official with information in opposition to the suspension within 30 Days of receipt of the notice of suspension. Information may be provided orally or in writing; important information provided orally must also be submitted in writing for the official record.

Suspension processing and appeal procedures are set forth in [2 CFR §§ 180.700 through 180.760](#).

- violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program;
- knowingly doing business with an ineligible person;
- failure to pay a single substantial debt, or a number of outstanding debts, owed to any federal agency or instrumentality, provided the debt is uncontested, or, if contested, provided all legal and administrative remedies have been exhausted; or
- any other serious or compelling cause that affects the present responsibility of the individual.

iii. Effective Date

A debarment is not effective until the individual has received a notice of proposed debarment and has had an opportunity to contest the proposed debarment. After the debarring official issues a decision, the debarment is effective immediately.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

5. Actions and Sanctions Against Individuals and Other Program Participants

iv. Duration

The period of debarment is based on the seriousness of the cause(s) upon which the debarment is based. Generally, the period of debarment should not exceed three years. However, if circumstances warrant, the debarring official may impose a longer period of debarment.

v. Processing and Appeals

An individual may appeal a proposed debarment by providing the debarring official with information in opposition to the debarment within 30 Days of receipt of the notice of debarment. i. Appraisers

(A) Notice of Deficiency

(1) Standard

A Notice of Deficiency (NOD) refers to a formal notification from FHA to an Appraiser when a review identifies an error or lack of compliance. An NOD is not a sanction and is not considered severe enough to require remedial education or removal.

An NOD is noted on the Appraiser's record and multiple NODs may result in further action by FHA.

(2) Cause

An Appraiser may receive an NOD if an FHA review has determined gaps in due diligence and professionalism or errors or noncompliance.

(3) Notice

FHA will provide the Appraiser with written notice outlining deficiencies found in a specific appraisal.

(4) Appeal

An NOD is not a sanction and no appeal is available.

(B) Remedial Education

(1) Standard

FHA may require an Appraiser to take remedial education on appraisal-related topics for failure to comply with the requirements outlined in this *SF Handbook*.

The Appraiser must complete remedial education within 60 Days of the date of notification and provide proof of successful completion. Failure to comply with a remedial education action may result in escalation of the action to an administrative sanction, including removal from the [FHA Appraiser Roster](#).

(2) Cause

Cause for remedial education includes, but is not limited to, identification of more serious deficiencies in the appraisal report that indicate lack of competence, including incomplete data collection or support for analysis and conclusions.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

5. Actions and Sanctions Against Individuals and Other Program Participants

(3) Notice

FHA will provide the Appraiser with written notice of the required remedial education that identifies the ground for the requirement.

(4) Appeal

Remedial education is not a sanction and no appeal is available.

(C) Removal

(1) Standard

FHA may remove an Appraiser from the [FHA Appraiser Roster](#) for failure to comply with the requirements outlined in this *SF Handbook*. The Appraiser may be required to take remedial education in addition to the removal.

FHA will notify the state licensing or certification agency in writing when an Appraiser has received a final notice of removal from the FHA Appraiser Roster. HUD is required by law to refer Appraisers to these boards if HUD considers the actions to be of such magnitude or frequency as to warrant such referral.

(2) Causes

Causes for removal include, but are not limited to, any of the following:

- significant deficiencies in appraisals, including non-compliance with Civil Rights requirements regarding appraisals;
- losing standing as a state-certified Appraiser due to disciplinary action in any state in which the Appraiser is certified;
- prosecution for committing, attempting to commit, or conspiring to commit fraud, misrepresentation, or any other offense that may reflect on the Appraiser's character or integrity;
- failure to perform appraisal functions in accordance with instructions and standards issued by HUD;
- failure to comply with any agreement made between the Appraiser and HUD or with any certification made by the Appraiser;
- issuance of a final debarment, suspension, or limited denial of participation;
- failure to maintain eligibility requirements for placement on the Appraiser Roster as set forth under this subpart or any other instructions or standards issued by HUD; or
- failure to comply with HUD-imposed education requirements.

(3) Notice

An Appraiser that is debarred, suspended, subject to a limited denial of participation or has lost standing as a state-certified Appraiser due to disciplinary

action or expiration of a state certification, will be automatically removed from the FHA Appraiser Roster and notified of the removal.

In all other cases, the Appraiser will be given written notice of the proposed removal, and the notice will include the reasons for the proposed removal and the duration of the proposed removal.

(4) Appeal

The Appraiser will have 20 Days from the date of the notice of removal to submit a written response appealing the proposed removal and to request a conference. A request for a conference must be in writing and must be submitted along with a written response.

Within 30 Days of FHA's receipt of the Appraiser's written response, or if the Appraiser has requested a conference, within 30 Days after the completion of the conference, an FHA official, designated by the Secretary, will review the appeal and will send a final decision either affirming, modifying, or canceling the removal from the Appraiser Roster. FHA may extend this time upon giving notice. The FHA official designated by the Secretary to review the appeal will not be someone involved in FHA's initial removal decision nor will it be someone who reports to a person involved in that initial decision.

If the Appraiser does not submit a written response, the removal will be effective 20 Days after the date of FHA's initial removal notice. If the Appraiser submits a written response, and the removal decision is affirmed or modified, the removal or modification will be effective on the date of FHA's notice affirming or modifying the initial removal decision.

(5) Duration

Removal from the [FHA Appraiser Roster](#) may be for a period of up to 12 months.

If removal is the result of expiration or a disciplinary action by the licensing state, removal from the [FHA Appraiser Roster](#) will remain in effect until the appraisal credentials are reinstated by the issuing state.

ii. 203(k) Consultants

Removal

(A) Standard

FHA may remove a Consultant from the Roster for any cause that HUD determines to be detrimental to HUD or its programs.

(B) Cause

Cause for removal includes:

- poor performance on a HUD QC review;
- failure to comply with applicable regulations or other written instructions or standards issued by HUD;
- failure to comply with applicable civil rights requirements;
- misrepresentation or fraudulent statements;
- failure to retain standing as a state-licensed architect or state-licensed engineer (unless the Consultant can demonstrate the required three years of experience as a home inspector or remodeling contractor);
- failure to retain standing as a state-licensed home inspector, if the Consultant is located in a state that requires such licensing; or
- failure to respond within a reasonable time to HUD inquiries or requests for documentation.

A 203(k) Consultant who is debarred or suspended, subject to a Limited Denial of Participation (LDP), or otherwise ineligible to participate in an FHA transaction will be removed from the Roster.

(C) Notice

HUD will give the Consultant written notice of the proposed removal with reasons for the proposed removal and instructions for appeal or reinstatement.

iii. Nonprofits and Governmental Entities

(A) HUD Homes – Excess Profits

FHA limits the costs that are eligible to be included in the [NDC](#) calculation and prohibits the nonprofit organization or Governmental Entity from reselling the repaired or improved properties at prices in excess of 110 percent of the allowed NDCs.

If the Governmental Entity's or HUD-approved Nonprofit's resale price of the HUD Home exceeds 110 percent of the NDCs, or if non-allowable items that are included in the NDCs result in an excessive sales price, the HUD-approved Governmental Entity or Nonprofit must use the excess profit to pay down the existing Mortgage associated with that particular resale.

(B) Removal from Roster

(1) Standard

FHA may remove a nonprofit from the list of [HUD-approved nonprofit agencies](#) for any cause that HUD determines to be detrimental to FHA or any of its programs.

E. Enforcement

5. Actions and Sanctions Against Individuals and Other Program Participants

Nonprofit agencies removed from the approved list must reapply to HUD in accordance with instructions contained in [Nonprofit and Governmental Entities, Application and Approval Process](#).

(2) Cause

Cause for removal includes, but is not limited to, any of the following:

- failure to comply with applicable Single Family regulations in this *SF Handbook* or other written instructions or standards issued by HUD;
- failure to comply with applicable civil rights requirements;
- holding a significant number of FHA-insured Mortgages that are in Default, foreclosure, or claim status (in determining the number considered “significant,” HUD may compare the number of insured Mortgages held by the nonprofit organization against the similar holdings of other nonprofit organizations);
- debarment, suspension, being subject to a Limited Denial of Participation (LDP) or otherwise sanctioned by HUD;
- failure to further all objectives described in the Affordable Housing Program Plan (AHPP);
- misrepresentation or fraudulent statements; or
- failure to respond to FHA inquiries, including recertification requests or other requests for further documentation, within 30 Days.

(3) Notice and Appeal

A nonprofit organization that is debarred or suspended, or subject to an LDP, will be automatically removed from the [HUD Nonprofit Roster](#).

In all other cases, the following procedures for removal apply:

- HUD will give the nonprofit organization written notice of the proposed removal. The notice will include the reasons for the proposed removal and the duration of the proposed removal.
- The nonprofit organization will have 20 Days from the date of the notice (or longer, if provided in the notice) to submit a written response appealing the proposed removal and request a conference. A request for a conference must be in writing and must be submitted along with the written response.
- A HUD official will review the appeal and provide an informal conference if requested. The HUD official will send a response affirming, modifying, or canceling the removal. The HUD official will not have been involved in HUD’s initial removal decision. HUD will respond with a decision within 30 Days of receiving the response, or, if the nonprofit organization has requested a conference, within 30 Days after the completion of the conference. HUD may extend the 30-Day period by providing written notice to the nonprofit organization.

V. QUALITY CONTROL, OVERSIGHT AND COMPLIANCE

E. Enforcement

5. Actions and Sanctions Against Individuals and Other Program Participants

- If the nonprofit organization does not submit a timely written response, the removal will be effective 20 Days after the date of HUD's initial removal notice (or after a longer period provided in the notice). If a written response is submitted, and the initial removal decision is affirmed or modified, the removal will be effective on the date of HUD's notice affirming or modifying the initial removal decision.

iv. Real Estate Brokers

(A) Removal for Good Cause

HUD may rescind real estate brokers' HUD registration and prohibit those brokers from participating in the sale of HUD REO Properties for good cause. Good cause includes, but is not limited to:

- conviction under 18 U.S.C. 371 or 1010 of a broker or by an agent supervised by that broker and acting within the scope of their duties; and
- any of the following actions by a broker or an agent supervised by that broker and acting within the scope of their duties:
 - falsifying mortgage documents or aiding or abetting others in the use of false or misleading information including, but not limited to, forged or fraudulent gift letters and owner-occupant certifications;
 - acting in concert with an Appraiser to arrive at an artificial appraised value;
 - engaging in fraudulent activities that have led to Default and payment of an insurance claim;
 - failing to comply with earnest money collection, management, and disbursement procedures;
 - failing to maintain a current state license;
 - violating the Real Estate Settlement Procedures Act (RESPA);
 - failing to comply with civil rights requirements, including the Fair Housing Act and ECOA, in any real estate related transaction;
 - involvement in, or knowledge of, any fraudulent activity by any person involved in the HUD REO sales transaction; and
 - any other actions or omissions that evidence a lack of business integrity or non-compliance with the laws, regulations, and rules applicable to housing, lending, or real estate sales.

Good cause, as identified above, includes apparent criminal activity. If and when apparent criminal activity is identified, it must be immediately reported to HUD's Office of Inspector General (OIG).

- state the reasons that HUD is taking the action;
- identify the violations or deficiencies involved;
- provide a citation to the relevant regulation, statute, or policy; and
- state the effective date and duration of the suspension or termination.

(C) Effective Date of Removal

The real estate broker's suspension, termination, and/or deactivation is effective 30 Days from the date of HUD's written notice, unless the broker submits a written response or requests a conference.

(D) Real Estate Broker Response and Conference

Within 20 Days after the date of the notice or within such time provided in the notice, the real estate broker may submit a written response to HUD opposing the proposed removal and may request a conference.

The real estate broker must submit a request for a conference in writing and must submit this request with the written response.

HUD will delay suspension, termination, and/or deactivation until it makes a final determination on the real estate broker's response and conference. HUD will notify the real estate broker in writing of its decision; the written decision by HUD shall constitute final agency action.

(E) Effect of Removal Proceedings on Bids

HUD will honor all bids submitted and commissions earned by the real estate broker before removal, unless HUD determines that the bids or commissions were made under fraudulent circumstances.

v. Closing Agents

HUD reserves the right to sanction or remove any Closing Agent that does not abide by HUD's closing instructions and requirements.

Analyzing IRS Form 1120, *U.S. Corporation Income Tax Return*

A Corporation refers to a state-chartered business owned by its stockholders.

To determine the Borrower's income, the adjusted business income must be multiplied by the Borrower's percentage of ownership in the business.

Corporate compensation to the officers, in proportion to the percentage of ownership, is shown on the corporate tax return (IRS Form 1120), and individual tax returns. If the Borrower's percentage of ownership does not appear on the tax returns, the Mortgagee must obtain the information from the corporations' accountant, along with evidence that the Borrower has the right to any compensation.

The table below describes the items found on IRS Form 1120 for which an adjustment must be made in order to determine adjusted business income.

Adjustment Item	Description of Adjustment
Depreciation and Depletion	Add the corporation's depreciation and depletion back to the after-tax income.
Fiscal Year vs. Calendar Year	If the corporation operates on a fiscal year that is different from the calendar year, an adjustment must be made to relate corporate income to the individual tax return.
Cash Withdrawals	The Borrower's withdrawal of cash from the corporation may have a severe negative impact on the corporation's ability to continue operating.

Analyzing IRS Form 1120S, *U.S. Income Tax Return for an S Corporation*

An "S" Corporation refers to a small start-up business, with gains and losses passed to stockholders in proportion to each stockholder's percentage of business ownership.

Income for owners of "S" corporations comes from W-2 wages, and is taxed at the individual rate. The IRS Form 1120S, Compensation of Officers line item is transferred to the Borrower's individual IRS Form 1040.

Depreciation and depletion may be added back to income in proportion to the Borrower's percentage of ownership in the corporation.

The Borrower's income must be reduced proportionately by the total obligations payable by the corporation in less than one year.

Analyzing IRS Form 1065, *U.S. Return of Partnership Income*

A Partnership refers to when two or more individuals form a business, and share in profits, losses, and responsibility for running the company. Each partner pays taxes on their proportionate share of the partnership's net income.

Both general and limited partnerships report income on IRS Form 1065, and the partners' share of income is carried over to Schedule E of IRS Form 1040.

Both depreciation and depletion may be added back to the income in proportion to the Borrower's share of the income.

The Borrower's income must be reduced proportionately by the total obligation payable by the partnership in less than one year.
