Public reporting burden for this collection of information is estimated to average one hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number. The content of this form is pursuant to HUD’s authority to grant certain statutory and regulatory waivers and establish alternative requirements for Public Housing Agencies (PHAs) pursuant to the CARES Act (Public Law 116-136). PHAs benefit from using these waivers to relieve administrative and regulatory burdens during the coronavirus pandemic. HUD uses the information to inform responses to future emergencies.
