**NOTE:** All questions that address requirements contain the citation for the source of the requirement (statute, regulation, NOFO, NOFA, or grant agreement). If the requirement is not met, HUD must make a finding of noncompliance. All other questions (questions that do not contain the citation for the requirement) do not address requirements, but are included to assist the reviewer in understanding the participant's program more fully and/or to identify issues that, if not properly addressed, could result in deficient performance. Negative conclusions to these questions may result in a "concern" being raised, but not a **''finding.**"

<u>Instructions</u>: This Exhibit is designed to monitor core HOPWA program requirements for all HOPWA formula (HOPWA-CV) and HOPWA competitive (HOPWA-C-CV) CARES Act grants. This Exhibit is also to be used as explained below to monitor FY2020 grant funds that were used in accordance with the flexibilities HUD provided under Section V of Notice CPD-20-05. The Exhibit's questions that pertain to HUD's COVID-19 waivers, which applied to all HOPWA grants, should also be used when monitoring <u>any HOPWA</u> grants subject to those waivers. The questions pertaining to the COVID-19 waivers are as follows:

- **A.1.** Waiver to the Time Limit for Short-Term Rent, Mortgage, and Utility Payments
- C. 19. Waiver of Source Documentation Requirement for Income and HIV Status Determinations
- **D. 27.** Waiver of Submission Deadlines for Consolidated Annual Progress and Evaluation Reports (CAPER) and Annual Progress Reports (APR)
- **G.35.** Waiver of the Rent Standard for HOPWA Rental Assistance
- **G. 40.** Waiver of Property Standards Requirements for HOPWA Rental Assistance

These are the seven sections of the HOPWA CARES Housing Planning and Rent Subsidies Monitoring Exhibit:

- A. Questions Specific to FY 2020 grant funds that were used in accordance with the flexibilities HUD provided under Section V of Notice CPD-20-05
- B. Grant Administration and Responsibilities
- C. Client Eligiblity and Assessment
- D. Record Rention and Access
- E. Reporting
- F. Short-Term Rent, Mortgage and Utility (STRMU) Programs
- G. Rental Assistance Programs

If a grantee designated all or a portion of its FY2020 HOPWA Formula allocation on allowable COVID-19 activities in its Annual Action Plan (AAP), monitors should utilize Section A as well as any of Sections B-G that apply to the grantee's use of the their FY 2020 formula funds for COVID-19 response. The monitor will utilize this Exhibit to review the designated portion of FY

2020 funds for COVID-19 activities and HOPWA Exhibit (10-1) to monitor any FY 2020 funds not specifically designated for COVID-19 activities.

If the grantee did not designate FY 2020 HOPWA Formula funds for COVID-related activities, the monitor should move directly to Section B and all other areas that apply to the grantee's HOPWA-CV or HOPWA-C-CV grants. Sections B-D should be used to monitor all HOPWA-CV and HOPWA-C-CV grant programs. Sections E and F should be used for HOPWA-CV and HOPWA-C-CV grants utilized for STRMU (Section E) and Rental Assistance Program (Section G) activities. Programs that utilized CARES-Act funds for facility-based activities should use HOPWA CARES Act Facility Based Activities Exhibit in addition to this Exhibit to monitor those specific program activities. Reviewers should use a combination of file samples, support documentation, and staff interviews to complete this Exhibit.

### **Applicable Requirements and Waivers**

Notice CPD-20-05: https://www.hud.gov/sites/dfiles/OCHCO/documents/2020-05cpdn.pdf

In addition to the applicable requirements at 24 CFR part 574, this Exhibit assesses compliance with the specific requirements established for CARES Act funding, as provided by the HOPWA-CV and HOPWA-C-CV grant agreements and Notice CPD-20-05: Coronavirus Aid, Relief, and Economic Security Act Implementation Instructions and Related Flexibilities for the Housing Opportunities for Persons With AIDS Program. Notice CPD-20-05, which HUD issued on May 8, 2020 and is incorporated by Article II of the HOPWA-CV and HOPWA-CV grant agreements, clarifies the requirements and authorities provided for HOPWA grants made under the CARES Act.

Importantly, section XII of Notice CPD-20-05 also provided:

- (1) HOPWA waivers HUD made available on March 31, 2020 for COVID-19 response were made applicable under the same conditions for HOPWA-CV and HOPWA-C-CV grants, except that the waivers could also be applied retroactively as described below.
- (2) Regulatory waiver flexibilities offered by HUD specific to the use of amounts in the HOPWA program in response to the COVID-19 pandemic may be deemed effective as of the date a grantee began preparing for coronavirus, which HUD shall presume to be no earlier than January 21, 2020, provided that grantees and project sponsors <u>must</u>:
  - a. maintain documentation demonstrating when the recipient began preparing for COVID-19, such as notes on formal planning meetings or call; and
  - b. maintain documentation to support any costs incurred by the recipient that the recipient plans to cover or reimburse with CARES Act grant funding.

# **HOPWA** Waivers to Prevent the Spread of COVID-19 and Mitigate Economic Impacts Caused by COVID-19

HUD issued a series of memoranda explaining the availability of waivers for certain regulatory requirements associated with several CPD grant programs, including HOPWA CARES Act and non-CARES Act grants, to prevent the spread of COVID-19 and to facilitate assistance to

eligible communities and households economically impacted by COVID-19. Links to the waiver memoranda are included below as a reference for monitors. Each Exhibit question provides required information on the applicability of the COVID-19 waivers.
