Lender submits separately a payment to HUD for \$_____ covering the first mortgage insurance premium, together with the other items called for in the Firm Commitment as set forth above and in any extensions or amendments thereof. Lender certifies that all conditions of the Firm Commitment have been fulfilled to date, including any work done prior to initial/final endorsement of the Note that has been approved by HUD, in writing, and all HUD-imposed conditions have been met with respect to such work.
2. Lender submits separately the appropriate financing statement(s) covering all of the Mortgaged Property that, under applicable law, may be subject to a security interest under the Uniform Commercial Code (**“UCC”**), whether acquired now or in the future, and all products and cash proceeds and non-cash proceeds thereof (**“UCC Collateral”**).
3. Lender submits separately a signed, sealed, and certified survey of the Mortgaged Property, if required by HUD, and a title policy as specified in Program Obligations together with evidence that the Mortgaged Property is properly zoned.
4. Lender agrees that the amount approved for disbursement by HUD shall not be released unless the current endorsement to the title policy, insuring Lender and HUD, evidences that (a) the lien of the Borrower’s Security Instrument is prior to all liens and encumbrances that may have attached or defects that may have arisen subsequent to the recording of the Borrower’s Security Instrument, except such liens or other matters approved in writing by HUD, including tax liens not delinquent, and (b) the lien of the Borrower’s Security Instrument is prior to all mechanics’ and materialman’s liens filed of record subsequent to the recording of the Borrower’s Security Instrument, regardless of whether such liens attached prior to the recording date.

As long as the Note is insured by HUD, any successor Lender and/or servicer must be an approved lender or servicer in accordance with Program Obligations.

10. Lender certifies that all insurance policies on the Project comply with the terms of the Borrower's Security Instrument and, where applicable, that those insurance policies have attached thereto a standard mortgagee clause making the loss payable to Lender, as its interest may appear, and where applicable, Lender is shown as an additional insured.
