Donnelly, Catherine	1/4/2022	<p>The Legal Aid Society of Cleveland requests the following documents pursuant to the Freedom of Information Act (5 U.S.C. § 552, et seq.) on behalf of our client, The Block Club Development Corporation ("The BC"). The BC is an Ohio nonprofit corporation with a charitable purpose of improving conditions in the disadvantaged neighborhood of Hough in Cleveland, Ohio. The BC seeks the records in furtherance of its charitable purpose. Please provide the documents listed below related to real property located at Permanent Parcel Number (b)(6) in the Hough neighborhood known as Woody Woods Homes (the "Project"). The Project is identified with the following addresses: (b)(6)</p> <p>(b)(6) • Any mortgage program under which the Project is receiving assistance; • Any HUD rental assistance program(s) under which the Project is receiving assistance; • For each of the HUD rental assistance program(s) under which the Project is receiving assistance, the number of rental units in the project receiving such assistance; • Any other assistance, financing, or subsidy provided by HUD to the Project since January 1, 2020 to the date of this letter; • Any contract between HUD and Pandion Group Series LLC, with respect to the Project; • All records regarding the 2020 transfer of the Project from Cuyahoga Metropolitan Housing Authority to Pandion Group Series LLC; • All records regarding any affordability requirement or deed restriction imposed or maintained by HUD on the Project since January 1, 2020, including any right to early termination of such requirement or restriction and any attempt to exercise such right; • Any related documents or correspondence about the specified documents or the issues addressed therein, both to and from HUD, Cuyahoga Metropolitan Housing Authority, and Pandion Group Series LLC. The BC also requests that any fees be waived pursuant to 24 C.F.R. § 15.106. The requested disclosure is in the public interest because it is likely to significantly contribute to public understanding of the operations and activities of the government and is not primarily in the commercial interests of The BC. The subject of this request concerns the operations or activities of the government because the Project's affordability restrictions and any assistance to the Project are administered and overseen by HUD. The subject of this request is likely to significantly contribute to an understanding of government operations because it will help The BC gain a better understanding of the status of continued affordability for the Project, the impact of such status on the neighborhood that The BC serves, and the level of oversight that HUD may continue to have in connection with the Project. This disclosure is likely to significantly contribute to the public understanding of government operations or activities because the preservation of existing affordable housing is critical to ensuring the ability of low-income people in the Hough neighborhood to access decent, safe, and sanitary housing. Finally, The BC does not have a commercial interest that would be furthered by the requested disclosure. The BC is a nonprofit corporation with a charitable purpose of improving conditions in the neighborhood where the Project is located. The requested information will only serve to better inform The BC's efforts on behalf of the Hough neighborhood.</p>	22-FI-RO6-00459	2/28/2022	Granted/Denied in Part

Emery, Betsy	1/6/2022	I'm reaching out as Senator Merkley's field representative covering Tillamook, Clatsop, Columbia, Marion, Polk, and Yamhill counties. It's come to my attention that two of the three assisted living facilities Tillamook's community action agency operates will be closing soon given financial and staffing constraints resulting from the pandemic. I'm hoping you can help me understand whether there are any options available to push back or avoid the closures. Unfortunately, they do not have the financial reserves to be able to keep the facility open through the process of refinancing the 232 loan without defaulting. Alternatively, I'm curious whether there is an opportunity to remove the Section 232 loan requirements given that it cannot be operated as a senior assisted living facility any longer. This would allow them to transition the property to affordable housing, of which there is an extremely limited supply, and begin generating income to allow them to continue paying on the loan instead of falling into foreclosure. This is an urgent issue that is unfolding over the coming weeks - potentially displacing more than 34 seniors during the holiday season. Do you have time to hop on a quick call before 2pm this afternoon so I can understand whether there are any options available? Timeframe: • August 16, 2021 – January 12, 2022 Requested Delivery Method: • PDF – Compressed File Download • Alternatives - Thumb Drive of PDF Received on 1/19/22 via email ( please see email attachment) from Joel Hardy, Grants/Special Projects Administrator and Megan Flowers-Phillips as follows: "The request speaks for itself in that we are asking for Ms. Stacia Johnson's HUD emails to/from stacia.l.johnson@hud.gov that include the word "Pearland" for the period between August 16, 2021 and January 12, 2022. I concur with Megan's experience involving the FOIA portal, as it isn't working for me either. I request a registration and receive nothing back, not even in my spam or junk email folder/file. Therefore, we ask that HUD accept our request as it has been presented. Finally, we request that this information be considered applicable to Section 15.105(b) of the FOIA regulations, as the information is compelling per 15.105(b)(1), as the failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety in our community. The requestor is acting on behalf of our organizations search for factual information pertinent to the requestor's professional concerns regarding coronavirus relief resources available to our community, which have a nexus to life, health and safety issues in our community (COVID-19). In addition, because public involvement and citizen participation are regulatory compliance issues our organization must adhere to per 24 CFR 91.105, and the underlying COVID-19 resources purport to having an urgent, emergency impact on local pandemic relief and recovery, there is an urgency to inform the public concerning actual or alleged Federal Government activity. Our efforts to obtain public information from HUD, within the boundaries of normal, acceptable responsiveness, has gone unattended to and been ignored, despite requests from various staff and elected officials representing our organization. Therefore, we have no choice but to request this information via FOIA. We agree to any and all costs incurred and will provide payment upon indication this information is ready and available for the requestor to retrieve, if applicable. We hope to be able to receive this information prior to the end of this week, if not by Wednesday, January 26, 2022." (now 2/14/2022) -----PREVIOUS REQUEST SHOWN BELOW: I'd like to file this media request pursuant to the Freedom of Information Act: 1. Please provide an export of all data from the Homeless Management Information System (HMIS) submitted to HUD by Chicago's Continuums of Care, "All Chicago," from 2010 to now. 2. I am particularly interested in fields tracking the outcomes, length of stay and demographic information of those entered into the database, but am not seeking identifiable information. Please include a data dictionary for the dataset provided. 3.To be clear, I am seeking electronic records. For accessibility, the data could be in excel, .csv or a different format that can be opened with standard database software (.txt, .dbf, .db, .sqlite, etc). 4. This request would require HUD to determine which fields of data are public and write programming code to extract those fields of data and provide them to me in a commonly accepted format. Please note such a response for this type of request is required under longstanding case law. 5. My goal is get the data I need while limiting the burden on HUD. I'm willing to work with your agency to make this request as easy to process as possible, for example, with the database's field layout or schema, we can work through (perhaps with an agency IT person) what fields would be easiest to retrieve while getting me the data I need for my research. 6. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the law, as well as indicate whether amendments to my request could guarantee its approval. Howell, Mike	2/11/2022	February 11, 2022 Dear HUD FOIA office, On November 16, 2021 a Notice by the Department of Housing and Urban Development (HUD) was posted on the Federal Register that: "In accordance with the Privacy Act of 1974, the Department of Housing and Urban Development (HUD) proposes to establish a new system of records titled, "HR Case Management Solution." This system of records covers HUD's collection and maintenance of records on applicants for employment, employees, and other individuals who participate in HUD programs or activities who request or receive reasonable accommodations or other appropriate modifications from HUD for medical and religious reasons." The notice can be located at <a href="https://www.federalregister.gov/documents/2021/11/16/2021-24892/privacy-act-of-1974-system-of-records">https://www.federalregister.gov/documents/2021/11/16/2021-24892/privacy-act-of-1974-system-of-records</a> Pursuant to the Freedom of Information Act, I respectfully request the following documents (or documents containing the following information): 1. Housing Action Illinois requests data on Emergency Solutions Grant (ESG) expenditures by current entitlement communities located in the State of Illinois, as well as the State of Illinois' non-entitlement communities award administered by the Illinois Department of Human Services, for the federal fiscal years 2019, 2020, 2021 and from the CARES Act (both first and second allocation amounts). Zoga, Diana	2/18/2022	This is a request under the Freedom of Information Act. I handle consumer reporting NBC 5 in Dallas. I'm working on a story about HUD/FHA refunds available to consumers: <a href="https://entp.hud.gov/dsrs/refunds/">https://entp.hud.gov/dsrs/refunds/</a> I have two questions: 1). There is a dataset available online that lists unpaid cases by state. It was updated in 2019. I understand they become publicly available in two-year cycles. Is there a more recent dataset available to share with me in 2022? <a href="https://www.hud.gov/program_offices/administration/foia/fharefundstate">https://www.hud.gov/program_offices/administration/foia/fharefundstate</a> 2). Could you share how many cases are unpaid in the state of Texas? How many are unpaid nationally? (The most recent available numbers) I am a journalist working for the NBC station in Dallas, Texas. This request is made as part of news gathering and not for commercial use. I am willing to pay fees for this request up to a maximum of \$20. If you estimate that the fees will exceed this limit, please let me know. Additionally, I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. Our story focuses on reuniting people with money they are due. HUD has stated that this is also the agency's goal. Thank you for your consideration of this request.	22-FI-HQ-00704	3/3/2022	Granted in Full

My place of birth is (b)(6) (b)(6) I am a previous Whistle blower and request the right not to be retaliated against by Houston Housing Authority management and residents located at (b)(6) Houston, TX 77036. According to the Freedom of Information Act of 1974, I am entitled to receive any information relating to my personal information (PI or PII) which can negatively impact my reputation or damage my financial income due to retaliation. Recently a coworker reported to Channel 13 News that I am being bullied daily in the parking lot of Bellerive apartments due to no fault of my own and that my vehicle was illegally towed and marked as an ongoing target for any tow truck driver. Nothing was done to relieve my circumstances so therefore I must conclude that this is a case of ongoing slander and violent behavior by several residents. The violence ranges from lewd behavior of genital exposure, vehement profanity, and dangerous driving by Bellerive residents. Houston Police department has refused to act with due diligence regarding any of my reports to them. Further, the Houston Legal Aid and HUD officer Revon Spain continues refusing to assist me. I am a licensed insurance agent in the states of Texas and Ohio, however these frequent daily assaults have negatively affected my work, my religious activities and my daily life as a whole. Please provide this information as soon as possible. I am willing to pay for the fees associated with my request. Broughal, Gabriela	3/11/2022	I purchased a house in October 1992 with HUD loan from Great Western bank. The maturation date of this loan is 11/2022. Loan # (b)(6) The loan is now with CHASE bank. I have consulted with the branch in regards to documents pertaining to loan. They informed me they did not possess these documents pertaining to my loan while it was with Great Western bank. In the past 30 years, I have made additional payments to the loan that have been classified as "unapplied". These unapplied payments are added to the principal, then I am given a misapplication reversal which subtracts them from my principal. So basically I do not get credit for my additional payments. Ex. At the origination date of the loan, I was scheduled for 12 payments of 1160.73. Two payments were made every month the first year of the loan. This was not reflected in any change in principal amount nor change the second years payment amount. Year 2 of the loan, I was scheduled to make 12 payments of 1247.78. Then the remaining years 335 payments of 1312.78. The additional payments I made were not applied to my principal, they were added after they were unapplied (+ added to principal. Then misapplication reversal (subtracted from the principal. I am requesting all documents that HUD has in regards to this loan including 1. Annual tax and interest statement 1992-2021 2. A disclosure statement that includes amount of loan, the annual percentage rate (APR), finance charges (including application fees, late charges, prepayment penalties), a payment schedule and the total repayment amount over the lifetime of the loan. 3. Any documents pertaining to prepaid funds. 4. Sexton, Andrew	3/15/2022	Good afternoon, I am requesting all documents related to HUD approved rent increases at (b)(6) Brooklyn NY 11207, (b)(6) Towers HDFC. The rent for my client, (b)(6) was raised from \$1,397 to \$2,200 per month starting August 16, 2020. However, the only documentation she was provided proving same is the application (b)(6) submitted to HUD. However, the application notes the raises are based on OCAF. And OCAF at the time of the rent increase was 2.5%. So by my calculation the rent should have increased, at the most, to \$1,425 per month. Can you send any and all documents that might shed light on why my calculation is so different than the actual rent increase claimed by (b)(6) in housing court? And can you also send documents related to previous increases? Thank you very much. (Date Range for Record Search: From 01/01/2015 To 03/15/2022)	22-FI-RO2-00841	6/16/2022	Granted in Full
