What did Embrace include in this budget? What does HUD require to be repaired? Our toilets leak, and the popcorn ceiling is peeling and chunks are falling all over our Apts. The small particles are breathed in, a serious health hazard. Yet Embrace is not removing the popcorn ceiling or replacing the leaking toilets. Doesn't HUD require a remodel partly funded by you to ensure that unsafe conditions are repaired? What info did Embrace give to HUD RE: this remodel? Who chose the contractors,who have misplaced,lost,and damaged some tenants' belongings already. (2 floors of 6 are almost completed) Please provide a list of all inspections of this location in the last 10 years and the results. What was inspected? Is there a time limit for this remodel? Please provide the temporary remodel regulations that HUD gave to Embrace. Provide all the info Embrace gave HUD re: type of flooring, cabinetry, etc. and all expenditures they expect. They're putting lipstick on a pig with taxpayer dollars. But it's still a pig.	22-FI-RO5-01105	6/1/2022	Granted/Denied in Part
Hamill, Sean	5/4/2022	This is a request under the Freedom of Information Act. As I noted in our phone call today, I am looking for copies of the city of Pittsburgh's 2009 and 2008 CAPER reports to HUD, detailing how they are spending CDBG money. Please provide copies of both reports. In addition, I am looking for copies of any supporting documentation in either 2007, 2008 or 2009 from the city of Pittsburgh requesting or informing HUD that it would be spending some of the city's CDBG money on repairs to a bridge in the city known commonly as the Fern Hollow Bridge, but sometimes the Forbes Avenue Bridge over Fern Hollow. I have a city document from the summer of 2007 indicating that the city intended to spend about \$300,000 of CDBG money in 2008 on repairs for this bridge. The city does not seem to be able to come up with additional supporting documents either detailing how this money was to be spent, or if it was spent and in what year (hence my request to search 2007, 2008 and 2009). Please let me know if you have any questions for me that might help search for these documents. Granger, Williamena	5/9/2022	My name is Willa Granger, and I am a researcher at Harvard University. I'm doing some historical work into HUD's Section 232 loan program for nursing homes -- I'm specifically looking at its earliest years, in the 1960s. While I am very, very familiar with HUD's/FHA's files over at NARA, I wanted to reach out to inquire if you have, quite simply, a database of projects that received the Section 232 loans throughout the 1960s. Specifically, I am curious if the Americana Nursing Home (a chain throughout the Midwest), relied on this this funding opportunity. I know that some of your historic publications / datasets are posted online, but I could not locate this specific information. I would welcome your guidance! I was told by a HUD employee that: "You can find statistical data on our main ORCF webpage here, under "Queues, Reports, and Statistics." I have also included a link for the Multifamily Mortgage Database here, which provides Section 232 property information before 2009 and is updated monthly. However, if you are looking for older records (before 1999), you would need to file a Freedom of Information Act (FOIA) request." To that end, because I am looking for records before 1999 (I am looking for 1958 to 1975), I am filing this FOIA request. Hamann, Angela	5/20/2022	We are an insurance defense firm representing the Defendant in case number (b)(6) v. NW Real Estate Capital Corp. Briefly, this case involves a person who receives an entitlement for housing and with this entitlement, there is a traceable relationship between HUD and the beneficiary that may help us resolve the above matter by showing a pattern of behavior. If you can provide records of her tenancy/tenancies prior to July 30, 2020 and after February 28, 2021 it may be possible to show a pattern of behaviors that actually speak to her need for housing assistance but not an entitlement to an insurance claim. Specifically, I am asking for details regarding any of (b)(6) tenancies while receiving this housing benefit. It is not her benefit that we are interested in nor will that be scrutinized. We are interested in looking at records that can show a pattern of behavior and we believe that HUD might possess these records. Thank you. Perez, Rob	5/24/2022	I tried several times to submit this FOIA request via HUD's online portal, but I was unable to do so. Please consider this a formal Freedom of Information Act request. I am seeking any and all HUD emails, memos, letters and other written correspondence from 2014 to present related to the department's decision to freeze HUD investments/mortgages in the former Waikoloa Maneuver Area due to concerns about unexploded ordnance in late 2014 or early 2015. The policy essentially outlines the steps required to "unfreeze" HUD investments within the former WMA. Please provide copies of such correspondence in electronic or digital format, if possible. As a reporter for a general circulation newspaper, I intend to use the information to enhance reporting for a story on the former Waikoloa Maneuver Area that will be distributed widely to the public through publication in the Honolulu Star-Advertiser. Midyette, William	6/2/2022	I am a citizen of Engelhard, in Hyde county NC..Recently a friend asked for help concerning problems with her sewer system. The system goes under the name of Engelhard Sanitary District. I was at a meeting with the sanitary district board members recently but only received very little information. My friend was billed for replacement of components in the sewer tank. When I questioned the maintenance program for the tanks I was told there was no maintenance program. This doesn't seem right that a customer of the sewer system will be responsible for replacement of components in a 22 year old system tank. As a taxpayer in Hyde County and also in North Carolina, I am trying to get a better understanding of how my tax dollars are accounted for regarding the Engelhard Sanitary district. First, I need to know where the funding originates. I do know from talking with the Hyde county manager that Hyde county doesn't provide funding and that the main source was through a community development block grant. Does the Engelhard Sanitary district operate from HUD grant money? If not, can you direct me to possible sources of funding? If HUD does provide funding for this system, I want to make a FOIA request for the following: Any HUD grant funding amounts and guidelines for funding for the years 2021-2022, Expense records including repairs and maintenance allotments, meeting minutes if a grant requirement. I appreciate any help with this information' Thanks, William Midyette (Date Range for Record Search: From 1/1/2021 To 6/3/2022)	22-FI-RO4-01298	7/18/2022	Granted in Full
