TURNER, ROBERT	7/1/2022	TO: SAMANTHA H. MARENO, FOIA Liaison H.U.D REGION VIII, 1670 Broadway, 25th Floor DENVER CO, 80202-4801 Dear Ms. Maren: A. This is a request under the Freedom Of Information Act. I am requesting information (in connection with HUD's Multifamily West Region) from the Denver Satellite Office. The desired records pertain to communications sent by or received by multifamily staff in the Asset Management Division (by means of e-mails and voice-mails). This request is structured as follows: (1) List of 4 HUD staff (with e-mail address and phone-number). (2) Identification of 2 e-mail "domain-designations", (e.g.: _____@business.com or _____@ association.org). (3) TIMEFRAME FOR TRANSMISSIONS (emails and/or voicemails) of desired communications to-or-from any of the listed multifamily staff (from-or-to) either of the identified e-mail "domain-designations): FROM 10-8-21 through 11-30-21. B. Information requested is the complete communication in every transmission (as described above) located in a comprehensive FOIA search. The value of the e-mail "domain-designation" search is its scope, as only a few personnel at those domains were involved but which "few" communicated with Denver is uncertain. Please contact me if search-issues arise with this FOIA request. A second option could be to identify the few known "domain-designation" personnel, but that would result in a search missing the unknown few. The key step is locating these multifamily staff's contacts with these domain-designations. (1) MULTIFAMILY STAFF: eileen.m.hearty@hud.gov, (303-672-5433) mercedes.r.maestas@hud.gov, (303-839-2677) zachery.n.pytko@hud.gov, (303-672-5343: desk?) amy.l.meio@hud.gov, (303-672-5103) (2) DOMAIN-DESIGNATIONS: _____@bremertonhousing.org _____@ems-results.com C. I remain unaware of the advantage/disadvantage of receiving/storing printed information on disk-drives/flash-drives/copies. I use Public Library computers/ printers/copiers. Please advise of how HUD F.O.I.A Specialists manage such issues.	22-FI-R08-01166	9/1/2022	Granted/Denied in Part

Sander, Richard	7/7/2022	I'm looking for two different excel databases: 1) The first excel database concerns Fair Housing complaints. I am seeking data on closed fair housing inquiries, complaints, and cases in the FHEO/FHAP system. To minimize disclosure issues, I do not mind not receiving data on open cases, cases with a nondisclosure agreement, or sensitive values for particular variables (e.g., HIV/AIDS values in disability cases). I would like the data going back as far as it is available. I am interested in what can be fairly readily produced from the current, integrated system, and hopeful that for some fields, this data will go back to 1989. The variables of interest are: --Case Key --Inquiry number --Case number --Case number – FHAP --Origin (HUD or FHAP) --Processing responsibility (HUD or FHAP) --Region --Processing Office --Violation date --Dual filing status --Systemic? --Secretary initiated? --FHIP referral? --Initial contact date --Initial contact method --How learned of Fair Housing Act --Inquiry Closure date --FHAP Receipt date --Filing date --Reactivation date --Last office transferred to --Last transfer description --Cause date --FHAP sent to legal for adjudication date --Charge date --Closure date – FHAP --Closure date – HUD --Closure reason --Request for reconsideration date --Type of housing (4 variables) --Violation location a sale or rental? --Violation city --Violation county --Violation state --Special case tag (6 variables/columns, such as "lead paint case") --Bases --Tags for bases (20 variables/columns, including indication of race category in case of race-based complaints) --Issues with codes --Tages for issues (61 variables/columns) --Relief summary --Compensation amount --Victims Fund Amount --Number of additional victims identified --Number of additional victims receiving relief --DOJ Investigation type --Civil penalty amount --FHAP election type --FHAP hearing start date --FHAP hearing outcome --Decision date --Discrimination found? --Order Issued by? --Civil Action Result date --Consent order? --Court of appeals date? --Election date --Election made? 2) The second excel database I'm seeking involves the small subset of fair housing complaints that end up referred to the "ALJ" system that covers the 2001-2021 period. Watkins, Walewska	7/11/2022	Accordingly, I request information and documentation on the nature of the subsidy that Tyson's Tower has applied to (b)(6) tenancy during the last three (3) years. This three (3) year span is important because (b)(6) alleges that the last two recertification cycles resulted significant increases. I also request copies of the three (3) most recent recertification submissions by Tyson's Tower to you or to any other HUD office in connection with (b)(6) tenancy. Most fundamentally, I request that you or one of HUD's subsidy specialists reach out to me or to (b)(6) directly to help him comprehend on what basis his landlord/Tyson's Tower owners have determined that his portion of the subsidized rent should be continuously increased. While they have at times claimed that his medical expenses have decreased, this is not a supported fact. If, however, the type of medical expenses that can be deducted from his income have changed, this could help explain the situation. Since the landlord/owner refuses to engage in any discussion, ascertaining the factor at play has become impossible.	22-FI-R03-01539	10/18/2022	Granted in Full

Reporters Committee for Freedom of the Press, the Supreme Court ruled that the Freedom of Information Act focuses on the citizens' right to know what their government is up to. The court further held that official information that sheds light on an agency's performance of its statutory duties falls squarely within that purpose. We are seeking these letters to determine whether HUD fully evaluated projects for compliance with HUD standards. These projects are partially funded with HUD money, and HUD regulations apply to them. 5 U.S.C.S. § 552(b) provides nine exceptions to the disclosure of documents under the Freedom of Information Act. None of these exceptions apply to this request for the reasons listed below. First, Section 552(b)(1)(A) provides for the withholding of records which are "specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and (B) are in fact properly classified pursuant to such Executive order." 5 U.S.C.S. § 552 (LexisNexis, Lexis Advance through Public Law 116-128, approved March 21, 2020, with gaps of P.L. 116-109 through P.L. 116-122 and P.L. 116-124 through P.L. 116-126). This exception is not applicable to this request, as none of the documents here relate to national defense or foreign policy, and are not classified pursuant to such an order.	22-FI-RO6-01626	10/1/2022	Granted in Full

Volz-Bongar, Tina	7/25/2022	I request that a copy of the following records be provided to me by the authority of HUD: Any emails and/or documents (legal or otherwise) pertaining to the Peekskill Housing Authority's interest in Repositioning aka Rental Assistance Demonstration (aka "RAD") between the Peekskill Housing Authority Board Chair and/or Commissioners, and/or the Peekskill Housing Authority Executive Director Patricia Croslan and/or Assistant (office member) Janneyn Phalen and any potential or existing contractor such as a developer and/or office personnel or designee of such developer, attorney, and consultant (not limited to developer William Balter and/or any of his companies or affiliates); all emails between the Peekskill Housing Authority Board chair and commissioners and City of Peekskill officials such as the Peekskill Mayor and Common Council pertaining to Repositioning and/or RAD and developers and/or office personnel or related designee thereof. In order to help to determine my status to assess fees, you should know that I am a community Tenant organizer and advocate (a role recognized by HUD in federal law 24 CFR Part 245), and I am not affiliated with any specific non-profit housing advocacy agency. I am a volunteer Democratic City Committee district leader (ED-1) in Peekskill NY with Bohlmann Towers public housing complex in my voting advocacy district. I am working with the intention to create a Tenant's Association and also a "Tenant Council" to give tenants status, agency, and rights under the federal rules and policies of HUD. It is my understanding that 24 CFR Part 245 allows for Tenant Participation and part of this are all records, documents and emails that contain information regarding "Repositioning" for the Tenant Commissioners on the designated Peekskill Housing Authority Board. I request a waiver of all fees for this request. I am requesting digital copies of emails and document records. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public housing tenants understanding of the proper and lawful operations or activities of the government, the Peekskill Housing Authority and its Executive Director, and the administration and future financial control of their own public housing. This is not primarily in my own commercial interest. Thank you for your consideration of this request. I'm working on an update story about HUD/FHA refunds available to people who overpaid mortgage insurance: https://entp.hud.gov/dsrs/refunds/ 1). Could you share how many cases are unpaid in Texas and the dollar value based on most recently available numbers? For example, Texas has \$xx,xxx of unpaid cases with the dollar of \$xx,xxx,xxx.xx. 2). Could you share how many cases are unpaid Nationally and the total value based on the most recently available numbers? For example, national unpaid refund cases total xxx,xxx with the dollar amount of \$xxx,xxx,xxx.xx 3). What is the date of the oldest unpaid case (s)? Just the year would suffice. Pendlebury, Sherry	8/5/2022	Dear LA HUD: I am a current tenant at an ex-public housing, now RAD building in the city of Ventura, CA. (Rental Assistance Demonstration.) I am seeking copies of two documents from my housing authority or HUD. Both places likely have copies of these documents? I am not sure who to ask, how to go about this. Do I need to do an FOIA request? Or is this something that my housing authority is obligated to provide me upon request? My housing authority goes by two names: "Housing Authority City of San Buenaventura" "Ventura Housing Authority" The documents/copies I need are: 1) The "RAD Proposal" my HA submitted to HUD. This is the paperwork that my housing authority submitted to HUD to apply for acceptance into the new RAD program. I believe that is the name of it, a "proposal." 2) All public comments from my community of Ventura related to this RAD event we went through. I do not have the exact years of these documents. There was talk of this program for us tenants as far back as 2012. My particular building went through the actual RAD sell/conversion/rehab back in 2016. Other P.H's in my city's conversion happened a year, or two, earlier. Please help guide me. Thank you,	22-FI-R09-01708	10/3/2022	Granted/Denied in Part

Leslie, Emily	8/5/2022	I'm looking for as much information as I can get about the locations of local housing commissions over time. This includes know when and where new local housing commission offices opened. It also includes knowing when local housing commission office closed or moved locations with a town. For example, I can tell from the directories at the link in my original request that the Albion Housing Commission in Michigan is currently located at 1300 Cooper Street, Albion, MI 49224. I would like to know when this location opened. If it moved from a different address in Albion, I would want to know where it was before and when the changed happened. If the exact dates of openings/closing/moves are not recorded, something like a quarterly or annual snapshot of locations over time would work. Gearhart, Eric	8/9/2022	The document is called "HUD Property Inspection Report." (HPIR) It was uploaded to the Yardi Voyager HUD P260 website, on 4-18-2022, in PDF format. The case number is (b)(6). The property address is (b)(6) (b)(6) Mt. Wolf, PA 17347. The property owner's name is (b)(6) My name is Eric J. Gearhart. (b)(6) is my mother. I have Power of Attorney for her. I will attach a copy of the signed POA to this request...if the system lets me. If it is not attached, that means the system did not allow it for some reason. Please let me know if you have received the POA with this request or not. I will send it to you another way, if you tell me what I need to do. On April 26, 2022, a theft was discovered at this property and antiques were stolen. I am requesting this report so I can see what items are shown in the report. Seeing the pics in the report will help me figure out what was stolen. I have agonized over figuring out what has been stolen. I only now learned that I can get a copy of the report. I am working with the local police to try and solve this case. Items like a (b)(6) riding mower, an antique, brass cash register, an antique wall phone, and numerous antique car models were stolen, along with cash. The loss is close to \$27,000! Today is Monday, August 8, 2022. Please consider emailing me a copy of it ASAP, so I can have some closure to all of this nightmare! Thank you so much! I greatly appreciate it! GARCIA OCADIZ, CESAR GERARDO	8/22/2022	I, Cesar Gerardo Garcia Ocádiz, request you in the most attentive and respectful way the records that myself could have in the next matters: ? ? - Immigration history and records. ? ?The request before is based in the next facts: As an attorney myself, we were helping an American company to process the H2B visas for their work force. After doing this successfully, my firm hired a transport company in order to carry the workers to the United States and to their workplace. Before arriving to the United States, the driver of such transport company, told the workers in a wrongful way that if they give him money, he will take them anyplace they want. So they did, and never arrived to the company. I was held responsible for this and the consequence was that my visa was cancelled, even when I proved that was the driver who asked for money and took the workers to different places than the American company that hired them.	22-FI-RO6-01777	9/7/2022	Other Reasons - Not Agency Record

The documentation requested will then be used at a U.S. Equal Employment Opportunity Commission (EEOC) administrative hearing and the findings regarding HUD's compliance with Title VII of the Civil Rights Act of 1964 in my case will eventually become part of case law public record, which the EEOC often makes available online through its web site (www.eeoc.gov). We would like to obtain the list of all administrative actions taken since 2008 against lenders (Banks or independent mortgage originators) in regard to FHA lending violations. 2. We would like to obtain separately the list of all administrative actions against these lenders that were followed up/pursued under the False Claims since 2008. 3. We would like to obtain whichever of the following data that you are able to release regarding closed cases: (a) start of investigation date (b) Notice sent to lenders in relation to the violation (c) date of administrative action (d) date of the filing of a lawsuit under the False Claims Act (e) and date of settlement or fine. Martin, Andrew	9/1/2022	Andrew Martin and Jason Leopold reporters Bloomberg News 731 Lexington Ave. New York, NY 10022 212-617-7828 310-201-3450 FOIA Officer Department of Housing and Urban Development Headquarters 451 7th Street, SW Room 10139 Washington, DC 20410-3000 September 01, 2022 FOIA REQUEST Dear FOIA Officer: Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of: 1. Any and all NON PUBLIC damage assessments and incident reports and reports of investigation relating or referring to a widely known cyberattack that became public in December 2020 and was often referred to as the Solarwinds hack. For reference, a Dec. 13 emergency directive from CISA on the incident specifically mentions Solarwinds Orion products. Such reports may have been filed to CISA and/or the US Computer Emergency Readiness Team, the Office of Management and Budget, or Congress. 2. Cost assessments associated with the so-called Solarwinds hack. The records should include spreadsheets or a similar document itemizing the funds the agency has spent to date spent to respond to the breach. 3. Any and all after-action reports and official agency timelines mentioning or referring to the source of the attack, the response by the agency to the attack and lessons learned. 4. Any and all talking points the agency has prepared relating or referring to the Solarwinds hack. INSTRUCTIONS REGARDING SEARCH 1. Request for Public Records: Please search for any records even if they are already publicly available. 2. Request for Electronic and Paper/Manual Searches: We request that searches of all electronic and paper/manual indices, filing systems, and locations for any and all records relating or referring to the subject of our request be conducted. We further request that the agencies conduct a search of its "soft files" as well as files in its locked cabinets. 3. Request regarding Photographs and other Visual Materials: We request that any photographs or other visual materials responsive to our request be released to us in their original or comparable forms, quality, and resolution. For example, if a photograph was taken digitally, or if the agencies maintains a photograph digitally, we request disclosure of the original digital image file, not a reduced resolution version of that image file nor a printout and scan of that image file. Likewise, if a photograph was originally taken as a color photograph, we request disclosure of that photograph as a color image, not a black and white image. Please contact us for any clarification on this point. 4. Request for Duplicate Pages: we request disclosure of any and all supposedly "duplicate" pages. Scholars analyze records not only for the information available on any given page, but also for the relationships between that information and information on pages surrounding it. As such, though certain pages may have been previously released to us, the existence of those pages within new context renders them functionally new pages. As such, the only way to properly analyze released information is to analyze that information within its proper context. Therefore, we request disclosure of all "duplicate" pages. 5. Request to Search Emails: Please search for emails relating to the subject matter of our request. 6. Request for Search of Records Transferred to Other Agencies: we request that in conducting its search, the agencies disclose releasable records even if they are available publicly through other sources outside the agencies, such as NARA. Raghavan, Anita	9/6/2022	I am interested in details on two loans that I understand were backed by HUD. One is a \$16.5 million first mortgage loan to Atrium Health & Senior Living, a New Jersey-headquartered company, in Feb. 2014 and the other is a \$7.3 million loan to Atrium Health & Senior Living in Feb. 2016. You can find both loans referenced on this link: https://midcapfinancial.com/transactions/real-estate-lending I believe the loans were backed by HUD because the attached internal document from Atrium Health & Senior Living refers to HUD props revolver on line 19 and shows \$60,000 interest was paid each month on the loan. Johnson, Carolyn	9/22/2022	Representing a tenant, (b)(6) in one of Empire Homes 811 projects at 1741 Park Avenue. Her neighbor on the 2nd floor is reporting that her gas and electric has been turned off. This is the second time BGE service has been cut to this property, previously (b)(6) unit was affected. I am requesting that someone reach out to AIRS/Empire Homes to get this resolved. Also attached are documents showing that none of the properties for Don Miller Homes or Lakeview Properties have a Baltimore City rental license, and all have large outstanding water bill balances. I do not yet have the information for Charles North Housing but would expect to see similar issues. In Baltimore City it is illegal to rent or offer to rent, or to charge, accept, retain, or seek to collect any rental payments for a dwelling that does not have a license. There are likely tenants in these properties that have been paying and are continuing to pay their TTP that should be advised to stop making these rental payments. These tenants ought to be refunded the rental payments made during the time period the property was unlicensed. I would like to have a further conversation with HUD on behalf of my client about what action HUD is contemplating taking under its 811 contracts for 1741 Park Avenue, and in the meantime what the plan is to ensure maintenance needs are being met. In addition, I am requesting copies of the following documents for 1741 Park Avenue: Project Rental Assistance Agreement, any and all inspection reports for 2021 and 2022, and REAC scores for 2021 and 2022.	22-FI-R03-01957	-	-

McKeown, Mick	9/26/2022	This letter constitutes a request under the federal Freedom of Information Act (FOIA), 5 U.S.C. § 552. The Chinese Communist Party is one of the gravest threats to the economic well-being and democratic values of the United States. Its sphere of influence continues to grow and loom over the heads of the American people. Soon after taking office, the Biden Administration decided to suspend previously imposed sanctions which prohibited investment in Chinese Communist Military Companies. The move to lift these sanctions has left many to speculate about the true motive behind allowing such organizations a spot in the U.S. market. In an effort to better understand the relationship between the United States and China, The Center to Advance Security in America requests the following records from the U.S. Department of Housing and Urban Development (HUD): 1. From January 20, 2021, though the date this request is processed, records of communications between the following list of HUD officials, and Chinese organizations: Officials: I. Marcia L. Rattner, Sherman	9/27/2022	Good Evening Mr. Dominick, Thank you for your response on behalf of Secretary Fudge to my letter of August 15, 2022. Attached is a response to your letter. I do hope you will appreciate how very disconcerting it is to have the Secretary refer my complaint back to the very same people I am complaining about. In the meantime, the notion that a thorough review was conducted is factually nonsensical when the person approving the transfer misstates the costs by over \$10 million as just one example of how wrong they were. Please also consider this email as a formal request under the Freedom of Information Act for all documentation, analysis, reports, communications, and assessments of any and every kind used by HUD in what you describe in your letter as the "thorough review" used to approve the transfer. Sincerely, Sherman Rattner	22-FI-RQ4-01981	-	-

reyes, cecilia	9/29/2022	2/14/2022 AMENDED REQUEST VIA EMAIL AS FOLLOWS: amending your request to receive : An export of all data from the Homeless Management Information System (HMIS) submitted to HUD by Chicago's Continuums of Care, "All Chicago," from 2016 to now. (now 2/14/2022) -----PREVIOUS REQUEST SHOWN BELOW: I'd like to file this media request pursuant to the Freedom of Information Act: 1. Please provide an export of all data from the Homeless Management Information System (HMIS) submitted to HUD by Chicago's Continuums of Care, "All Chicago," from 2010 to now. 2. I am particularly interested in fields tracking the outcomes, length of stay and demographic information of those entered into the database, but am not seeking identifiable information. Please include a data dictionary for the dataset provided. 3.To be clear, I am seeking electronic records. For accessibility, the data could be in excel, .csv or a different format that can be opened with standard database software (.txt, .dbf, .db, .sqlite, etc). 4. This request would require HUD to determine which fields of data are public and write programming code to extract those fields of data and provide them to me in a commonly accepted format. Please note such a response for this type of request is required under longstanding case law. 5. My goal is get the data I need while limiting the burden on HUD. I'm willing to work with your agency to make this request as easy to process as possible, for example, with the database's field layout or schema, we can work through (perhaps with an agency IT person) what fields would be easiest to retrieve while getting me the data I need for my research. 6. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the law, as well as indicate whether amendments to my request could guarantee its approval. I will also expect the release of all segregable portions of otherwise exempt material.
