DETERMINATION AND ORDER

The findings of fact and conclusions of law entered orally into the record at the hearing held in this case on June 15, 1987 are incorporated in this Determination and Order, and constitute the Determination in this case pursuant to 24 C.F.R. §24.8 and 24. C.F.R. §26.24(d). The parties were apprised of their right to request secretarial review at the hearing.

In summary, the Temporary Denial of Participation (TDP) imposed by the Jackson, Mississippi office of the U.S. Department of Housing and Urban Development was modified to reflect that the irregularities in Respondent's conduct occurred in the Section 235 program, not the Section 203 program. It was further found that imposition of the TDP was proper at the time it was imposed but that it is no longer in the public or Government's interest to continue the sanction at this time because Respondent is presently a responsible contractor. It was determined that the TDP shall be terminated effective June 15, 1987.

ORDERED this 17th day of June, 1987.

JEAN S. COOPER
Administrative Judge
