Relief Sought
A temporary partial waiver of Mortgagee Letter 2017-05 (Page 4, Number 8, Word "Signed"). This waiver builds upon previous waivers to allow for additional flexibilities due to the COVID-19 National Emergency. This waiver allows Mortgagees to submit a CT-22 Assignment Claim without having to obtain a signature from the HECM borrower on an occupancy certification. Mortgages must continue to obtain the HECM borrower’s annual certification. However, mortgagors are not required to obtain a signed occupancy certification. This temporary waiver on obtaining signatures will be in effect through February 28, 2021.

7. Employee Justification (attach additional pages if necessary)
Due to the COVID-19 Presidentially Declared National Emergency, HECM borrowers are experiencing significant logistical and financial difficulties. These difficulties include public health recommendations for all individuals, particularly those over age 62, or with preexisting health conditions, to maintain physical distance from others not residing in their home. Compliance with these recommendations has made it more difficult for HECM borrowers to travel in order to carry out routine tasks, such as sending and receiving mail.

This temporary partial waiver builds on the prior partial waiver, dated October 30, 2020, and expiring on December 31, 2020. Similar to that prior partial waiver, this waiver provides HECM borrowers with flexibilities during the COVID-19 Presidentially Declared National Emergency. This waiver is necessary due to the aforementioned difficulties HECM borrowers face in receiving and sending mail due to COVID-19 related public health guidelines. As all HECM borrowers are age 62 and above, and this population is particularly susceptible to COVID-19, this waiver mitigates public health risks by allowing for continued HECM borrower annual certification without requiring a signed occupancy certification.
