<th>State</th>
<th>Project Summaries</th>
</tr>
</thead>
<tbody>
<tr>
<td>AK</td>
<td>The Alaska Native Tribal Health Consortium on behalf of the Village of Nanwalek will use the grant ($725,202) to replace the potable water distribution system in Nanwalek, Alaska. The existing system frequently breaks and leaks excessively.</td>
</tr>
<tr>
<td>AK</td>
<td>The Alaska Native Tribal Health Consortium on behalf of the Village of Russian Mission will use the grant ($800,000) to build an access road where a new landfill will be constructed in Russian Mission, Alaska. This will help improve the health and safety of residents by locating the landfill further away from the community.</td>
</tr>
<tr>
<td>AK</td>
<td>The Alutiiq Tribe of Old Harbor will use the grant ($800,000) to build a 5,000 square feet community center and tsunami shelter. It will replace three severely dilapidated structures and be located in a tsunami safety zone. In total, the project is estimated to cost $4 million.</td>
</tr>
<tr>
<td>AK</td>
<td>The Cook Inlet Tribal Council will use the grant ($800,000) to build a 45,000 square feet facility, which will provide child care services and youth, workforce, and economic development programs in Anchorage, Alaska. In total, the project is expected to cost $42 million.</td>
</tr>
<tr>
<td>AK</td>
<td>The Chuloonawick Native Village will use the grant ($800,000) to rehabilitate 25 housing units, which will include replacing windows, sewer and water pipes, floors, walls, as well as installing arctic entries.</td>
</tr>
<tr>
<td>AK</td>
