User Acceptance Testing

Execution 9/12 – 9/16

Will cover all HIP features updated in the release

Verification of a manual data migration process between IMSPIC and HIP for current records and enough 50058 history to provide PHAs the ability to correct previous submissions.

Any HUD Fed interested in participating in UAT testing please email HUD IT Vendor Comms HUDITVendorComms@hud.gov and cc your supervisor with the request
What’s Next?

Onboarding of MTW Expansion PHAs

- Vendor readiness
- Communications
- Onboarding plan finalization
• Can HUD Staff test HIP?
  Yes, HUD staff are currently testing HIP. We may ask for more help as more features become available for testing.

• How often will PHA information be updated in HIP?
  Real-time for most actions and a 1-hour delay in some cases (Unit Tenant Status changes, inventory regrouping requests)

• Will the existing PIC data be migrated to HIP?
  Yes, we will migrate all current records and enough 50058 history to provide PHAs the ability to correct previous submissions. PHA data will be migrated on a case-by-case basis.
