Overview
In the Consolidated Appropriations Act of 2018 and 2019, Congress provided a total of $200,000,000 for competitive grants to eligible IHBG recipients authorized under NAHASDA in addition to formula-based funding.

Consistent with the Appropriations Act, HUD intends to transfer $2 million to the Program Office Salaries and Expense - Public and Indian account for the administration and oversight of grants awarded under this NOFA leaving funding of up to $198,000,000 available through this NOFA.

This Notice of Funding Availability (NOFA) FR-6300-N-48 announces the availability of Indian Housing Block Grant (IHBG)--Competitive Grants.
Program Authorization

The IHBG program is authorized under Title I of the NAHASDA Act.

Under the program, eligible Indian tribes and Tribally-Designated Housing Entities (TDHEs) receive grants to develop, maintain, and operate affordable housing in safe and healthy environments on Indian reservations and in other Indian areas and carry out other affordable housing activities.

Grant funds must be used to primarily benefit low-income Indian families.
Purpose

Under this NOFA, HUD will give priority to projects that spur construction and rehabilitation, while considering need and administrative capacity.

Applicants may also apply for funding to carry out other eligible activities under NAHASDA.
Purpose

Applicants are encouraged to propose projects that are part of a comprehensive, long-term plan to address local housing conditions, including overcrowding and physically deteriorating units and; future infrastructure and economic development opportunities.

Native Alaskan tribes that are required to designate a Tribally Designated Housing Entities (TDHE) in Alaska for its IHBG formula program may not apply directly for funding under this competition.

Native Alaskan tribes that choose to but are not required to designate a TDHE in Alaska for its IHBG formula program may apply for IHBG competitive funds directly.

Threshold Requirements

Applicants who fail to meet any of the following threshold eligibility requirements will be deemed ineligible.

Applications from ineligible applicants will not be evaluated.
Threshold Requirements

1. Timely Submission of Applications
2. Resolution of Civil Rights Matters
3. Number of Applications and Eligible Activity Project(s)
4. Grant Ceiling
5. Outstanding Audit Findings
6. Threshold Rating Factors
1. **Timely Submission of Applications** - Applications submitted after the deadline that do not meet the requirements of the grace period policy will be marked late. Late applications are ineligible and will not be considered for funding.

2. **Resolution of Civil Rights Matters** If there are any outstanding civil rights matters, they must be resolved to HUD's satisfaction prior to grant award, provided that all applicable legal processes have been satisfied.
3. Number of Applications and Eligible Activity Project(s)

Each eligible applicant may only submit one application under this NOFA. Additionally, the one application may propose one project or multiple projects.

For example: An umbrella TDHE may submit 1 application, but it could cover several projects for the tribes it represents.

Regardless of whether the applicant proposes one or multiple projects for funding, the applicant may not receive a grant that exceeds the maximum $5,000,000 grant ceiling set under this NOFA. Additionally, if an applicant proposes multiple projects, HUD will evaluate all projects covered in the application together and will not separately score each project proposed.
4. **Grant Ceiling**: If an applicant requests more than the maximum grant amount of $5,000,000 under this NOFA, then the application will not be reviewed. Applicants must clearly document the requested Federal funding amount on line 18a of the application for Federal Assistance (SF-424).

5. Outstanding Audit Findings (cont...)

Additionally, if HUD discovers that an applicant has delinquent audit findings or significant and material audit findings with target dates or revised target dates that have been exceeded at the time that the application is reviewed and evaluated, the application will not be further evaluated.
