Subfactor 3.1- IHBG Competitive Priorities

- 3.1.a. New Housing Construction Projects
- 3.1.b. Housing Rehabilitation Projects
- 3.1.c. Acquisition of Units
- 3.1.d. Affordable Housing-Related Infrastructure Projects
- Maximum 10 points possible for this Subfactor
Subfactor 3.1- IHBG Competitive Priorities

Scoring methodology:

- Step #1: HUD will calculate the percentage of funding proposed towards the eligible activity.

- Note: HUD will not include any administration and planning costs in this calculation.
Subfactor 3.1- IHBG Competitive Priorities

Scoring methodology:
- Step #2: Multiple activities -> HUD will take the percentage of funding from Step #1 and will determine which Subfactor category (3.1a-3.1e) to apply.
- HUD will use the category that would provide the applicant with highest points.
Subfactor 3.1 - IHBG Competitive Priorities

Scoring methodology (cont.):

- Acquisition projects with construction, rehab, or infrastructure costs -> rate under Subfactor depending on nature of the project proposed

- Example: Acquisition of manufactured housing would be rated under “construction” since such housing is constructed before acquisition

- Acquisition projects without construction, rehab, or infrastructure costs -> rate under 3.1.c. Acquisition of Units
Subfactor 3.1-
IHBG Competitive Priorities

Scoring methodology (cont.):

- HUD will apply standard rounding rules. Therefore 74.5% would be rounded to 75% while 74.4% would be rounded to 74%.
3.1.a. New Housing Construction Projects

**Point distribution:**

- 100% of funds: 10 points
- 80-99% of funds: 8 points
- 60-79% of funds: 6 points
- 40-59% of funds: 4 points
- Less than 39%: 2 points
- Ineligible activity: 0 points
Subfactor 3.1-IHBG Competitive Priorities

3.1.b. Housing Rehabilitation Projects

Point distribution:

- 75-100% of funds  7 points
- 50-74% of funds  5 points
- Less than 49%  3 points
- Ineligible activity  0 points
Subfactor 3.1 - IHBG Competitive Priorities

3.1.c. Acquisition of Units

Point distribution:

- 75-100% of funds 7 points
- 50-74% of funds 5 points
- Less than 49% 3 points
- Ineligible activity 0 points
Subfactor 3.1- IHBG Competitive Priorities

3.1.d. Affordable Housing Related Infrastructure Projects

Point distribution:
- 75-100% of funds: 7 points
- 50-74% of funds: 5 points
- Less than 49% of funds: 3 points
- Ineligible activity: 0 points
Subfactor 3.1- IHBG Competitive Priorities

3.1.e. Other NAHASDA-eligible activities

Point distribution:
- 100% of funds  2 points
- Ineligible activity  0 points

Reminder: Model activities under Section 202(6) of NAHASDA are ineligible under this NOFA.

Subfactor 3.2- Project Implementation Plan (up to 10 points)
Components:

1. Description of how the project is feasible and cost-effective
2. Rational behind the project design
3. Location of the project (e.g. include a map, address and/or aerial photo), site control of location, and whether units are on fee-simple or trust land
Components:

4. Section 3 of the Housing and Development Act of 1968 requirements

a. Description of how applicant will train and/or employ residents under Section 3

or

b. Contract with Section 3 businesses to provide other economic opportunities
Components:

5. Describe how applicant will comply with Indian Preference requirements

Conflicts between Indian Preference and Section 3:
- Describe nature of the conflict
- How applicant will address the conflict
Components:

6. Infrastructure projects supporting development of affordable housing in the near future:
   
   a. Describe plans for the housing development project(s)
   
   b. Anticipated completion date
Subfactor 3.2 - Project Implementation Plan

Additional criteria to address:

1. Affordability period (NAHASDA Sec. 205):
   a. Must establish minimum period for IHBG-eligible families
   b. Max points for minimum period of at least 20 years

2. Estimated cost savings due to building design, construction methods, or energy efficient measures that will be realized in future years
Additional criteria to address:

3. Size and number of units
4. Type of units (e.g. number of bedrooms proposed, single-family vs. multi-family units)

Reminder: If applicable, include page references to any specific Workplan Narrative Supporting Attachments!

Subfactor 3.3- Project Implementation Schedule and Project Readiness (up to 10 points)
Subfactor 3.3 - Project Implementation Schedule and Project Readiness

Implementation Schedule (HUD-53247) and Narrative Components:

1. Identify specific tasks and timelines for completing project on time and within budget.
   - Include work of both applicant and any contractors, consultants, subgrantees, etc.

2. Identify each significant activity and milestones
   - Include start and completion dates! These should all fall within the Period of Performance the dates identified on the SF-424
Subfactor 3.3- Project Implementation Schedule and Project Readiness

Project Readiness = Applicant has already completed or will quickly implement key milestones. Examples include:

1. Developing proposed plans or specifications
2. Proposed site for new development
3. Initiating bid process for procurement
4. Securing leveraged financing
5. Beginning coordination efforts
Subfactor 3.3-
Project Implementation Schedule and Project

Environmental review process:

Applicant must ensure that no choice limiting actions will occur prior to completion of environmental review and approval of Request for Release of Funds.

Note: This is different than the “Environmental Review-Expression of Intent” application submission requirement listed on p. 24 of the NOFA.
Subfactor 3.3- Project Implementation Schedule and Project Readiness

Choice limiting actions examples:

- Real property acquisition; demolition
- Disposition
- Rehabilitation
- New construction
- Site preparation or clearance
- Ground disturbance
- Leasing

Subfactor 3.4-Budget (up to 10 points)
HUD evaluation criteria:

1. Thoroughness of the Cost Summary (HUD-53246) and budget narrative

2. Costs are eligible under NAHASDA

3. Costs are allowable, allocable, reasonable, and necessary for implementing the project and activities, in accordance with the 2 CFR Part 200 Subpart E-Cost Principles
HUD evaluation criteria:

4. Housing and Non-Dwelling Structures
   - Applies if the applicant proposes to develop, acquire, or assist using IHBG competitive funds
   - Must meet the standards of 24 CFR 1000.156-1000.162 on moderate cost or design
HUD evaluation criteria: Definitions overview

1. Eligible = costs are in keeping with NAHASDA Sec. 202.
2. Allowable = costs meet the Cost Principles criteria in 2 CFR 200 Subpart E.
   - Example of unallowable cost: alcohol and entertainment!
3. Allocable = all costs must be tied to the workplan activities and incurred within the Period of Performance, including leveraging
   - Exception: Pre-award proposal costs or land acquisition
4. Reasonable = “prudent person” test
5. Necessary = Costs crucial for implementing activities
Budget components:

1. Breakdown of cost estimates by line item for each proposed activity, including administration and planning costs
2. Budget calculations must be mathematically correct!
3. The SF-424, Cost Summary (HUD-53246), Budget Narrative, and supporting documentation must be consistent
Budget components:

4. Include information showing moderate cost, design, and maximum Total Development Cost (TDC) requirements are met
   - If applicable, submit copy of approved TDC limit waiver!

5. Cost estimate preparation
   - Describe qualification and experience of individual(s) that prepared the cost estimate
   - Explanation of how the experience is recent and relevant to the proposed project
Budget components:

6. Indirect costs: If applicable, include how this is calculated in accordance with the IDC rate or use of de minimus rate.

- IDC costs will count as part of the admin and planning cap

7. Breakdown of how leveraged resources would be used towards project (if applicable)
