B. Overview of Short-Term and Long-Term MTW Goals and Objectives

Our PHD Vision is for an Alaska where all people have a safe and affordable place to call home. Our mission is to provide the people of Alaska access to safe and sustainable housing options through innovative strategies and programs.

B.1 Overview of Short-Term Objectives

“DIFFICULTY IS WHAT WAKES UP THE GENIUS.” – NASSIM NICHOLAS TALEB

These goals describe our desired destination – where PHD would like to be at the end of FY2021. They translate our vision into a more focused, actionable set of outcomes. Following are the five primary goals PHD will be pursuing over the FY2021 period, followed by a description of supporting strategies.

1. Maximize financial performance, preservation, and leveraging of existing housing portfolio. PHD will assess and implement strategies that will create financially sustainable housing that meets the needs of low-income Alaskans.
2. Achieve operational excellence. PHD will create a culture of accountability and continuous improvement by developing and implementing a robust performance management process.
3. Increase staff development and capacity. PHD will implement processes and tools to improve staff productivity and increase staff satisfaction and client service.
4. Increase affordable housing opportunities. PHD will increase housing capacity to 6,850 Alaskan households by adding 500 new units/vouchers (+8% vs. FY2017) by leveraging reserves, affordable housing development funds, and the flexibilities of MTW and ACAH.
5. Ensure safety of housing options. PHD will make the safety of its residents, clients, and staff a priority to support its mission and vision by increasing safety measures within its properties, and will train staff in how to maintain their own safety in the workplace.

B.2 Overview of Long-Term Goals

“WHILE I TAKE INSPIRATION FROM THE PAST, LIKE MOST AMERICANS, I LIVE FOR THE FUTURE.” – RONALD REAGAN

These long-term goals describe our desired destination – where PHD would like to be in the next two years. These goals translate our vision into a more focused, actionable set of outcomes. Following are the five primary goals PHD will be pursuing over the next three years.

Our long-term goals also ally with our short term goals, but have a longer-term vision attached to them.

1. Maximize financial performance, preservation, and leveraging of existing housing portfolio. PHD will assess and implement strategies that will create financially sustainable housing that meets the needs of low-income Alaskans. We will do this by increasing our commitment to our Physical Needs Assessments and addressing the highest-level physical needs that impact resident and staff health and safety.
2. Achieve operational excellence. PHD will create a culture of accountability and continuous improvement by developing and implementing a robust performance management process.
3. Increase staff development and capacity. PHD will implement processes and tools to improve staff productivity and increase staff satisfaction and client service. We will do this by increasing staff support for training and onboarding.
4. Increase affordable housing opportunities. PHD will increase housing capacity to Alaskan households by adding new units/vouchers by leveraging resources, affordable housing development funds, and the flexibilities of MTW and ACAH. This will include applying for HUD grants as available and allocating resources toward additional housing assistance.
5. Ensure safety of housing options. PHD will make the safety of its residents, clients, and staff a priority to support its mission and vision.

III. PROPOSED MTW ACTIVITIES

2021-1 Step Program Set Aside Pilot

1. Plan Year Approved, Implemented, Amended

Approved by the AHFC Board of Directors
Reviewed by HUD

March 25, 2020
Pending

2. Description

This activity proposes a set aside of ten (10) percent of AHFC's current voucher allocation (approximately 440) in AHFC's voucher jurisdictions of Anchorage, Fairbanks, Juneau, Mat-Su, and Soldotna to create a Step Set Aside voucher program.

Families will be able to apply for both the Housing Choice Voucher waiting list in a community (if it is open) as well as the new Step Set Aside waiting list. Each jurisdiction will maintain and manage its own waiting list, in the same manner utilized for other AHFC programs. When a family's name reaches the top of the Step Set Aside waiting list, families will be advised of the program structure and obligations in writing; families can decide to go through the eligibility process or remain on the Housing Choice Voucher waiting list.

Any family that meets Housing Choice Voucher Program qualifications is eligible to apply for the Step Set Aside Program voucher. The only additional qualification is that the family agrees to meet the conditions of the Step Program voucher. Those conditions include:

- Voucher assistance is limited to five (5) years, with the possibility of two additional one-year terms based on the family's shelter burden at time of exit and willingness to participate in Jumpstart supportive services.
- A family's first year of assistance is based on a family contribution of 28.5 percent of gross monthly income. A family's contribution is then gradually stepped up; the family receives a percentage of the payment each subsequent year as follows.
 - 60 percent of payment standard in year 2
 - 50 percent of payment standard in year 3
 - 40 percent of payment standard in year 4
 - 30 percent of payment standard in year 5
- See the Hardship Case Criteria section below for a description of the hardship process.

Statutory Objective

- Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational, or other programs that assist in obtaining employment and becoming economically self-sufficient
- Increase housing choices for low-income families

3. Metrics

CE #1: Agency Cost Savings

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Total cost of task in dollars (decrease).	N/A	N/A	N/A	N/A

As AHFC is setting aside a portion of its current voucher allocation, we do not expect to realize cost savings from this activity. We will still be conducting eligibility interviews as normal.

CE #2: Staff Time Savings

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Total time to complete the task in staff hours (decrease).	N/A	N/A	N/A	N/A

As AHFC is setting aside a portion of its current voucher allocation, we do not expect to realize time savings from this activity. We will still be conducting eligibility interviews as normal.

CE #5: Increase in Agency Rental Revenue

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
HAP Savings (increase)	\$15,719,046 (440 vouchers at \$603.65/month for 5 years)	\$2,806,352 saved (440 Step vouchers for 5 years)	Pending	Pending

HAP Savings is calculated based on a one-bedroom family with an assumption that the family complete the entire five years of assistance. This projected savings can be used to offer additional units of housing assistance.

SS #1: Increase in Household Income

Unit of Measurement	Baseline*	Benchmark**	Outcome	Benchmark Achieved?
Average earned income of households affected by this policy in dollars (increase).	\$11,997	\$21,563	Pending	Pending

*This figure is the average earned income as of September 2014.

**This figure is the average earned income as of June 30, 2019 from the FY2019 Annual Report. Minimum wage as of 01/01/2014 was \$7.75 per hour. Baseline is calculated as one adult working full-time (40 hours) at the minimum wage of \$7.75.

SS #2: Increase in Household Savings

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average amount of savings/escrow of households affected by this policy in dollars (increase).	0	\$1,500 for Savings Match Program	Pending	Pending

SS #3: Increase in Positive Outcomes in Employment Status

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Report the following information separately for each category:	0	57 percent of HHs have a full-time earner (August 2019)	Pending	Pending

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
(1) Employed Full-Time (2) Employed Part-Time (3) Enrolled in an Educational Program (4) Enrolled in Job Training Program (5) Unemployed (6) Other				

Minimum wage as of 01/01/2014 was \$7.75 per hour.

- Full-time is calculated as one adult working 40 hours per week at the minimum wage of \$7.75.
- Part-time is calculated as one adult working 20 hours per week at the minimum wage of \$7.75.
- Wage Less Than Part-time is calculated as one adult working less than 20 hours per week at the minimum wage of \$7.75.

SS #4: Households Removed from Temporary Assistance for Needy Families (TANF)

Unit of Measurement	Baseline	Benchmark*	Outcome	Benchmark Achieved?
Number of households receiving TANF assistance (decrease).	0 2014 - Families receive an average of \$7,864 each.	Reduce usage to 11 percent of families	Pending	Pending

*As of June 30, 2019, 11 percent of voucher families received TANF.

Our Bridge hardship policy encourages those families that have not investigated their eligibility for benefits to see if they can qualify to reduce the impact of financial hardships.

SS #5: Households Assisted by Services that Increase Self Sufficiency

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase self-sufficiency (increase).	0	20 percent of families are enrolled in Jumpstart Level 1	Pending	Pending

As of August 2019, 20 percent of Step Program families are enrolled in Jumpstart Level 1 case management.

SS #6: Reducing Per Unit Subsidy Costs for Participating Households

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average amount of Section 8 and/or 9 subsidy per household affected by this policy in dollars (decrease).	\$741 – average monthly HAP per Step family (September 2014)	\$525 – average monthly HAP per Step family (August 2019)	Pending	Pending

SS #8: Households Transitioned to Self Sufficiency

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households transitioned to self-sufficiency (increase).	0	20 percent of exits are below the shelter burden	Pending	Pending

To measure success, AHFC has established a standard of family shelter burden less than 50 percent of monthly income at the time of exit.

HC #1: Additional Units of Housing Made Available

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of new housing units made available for households at or below 80% AMI as a result of the activity (increase). If units reach a specific type of household, give that type in this box.	N/A	N/A	N/A	N/A

AHFC is using a set aside of its current voucher allocation, so we do not expect to increase the number of housing units at this time.

HC #3: Decrease in Wait List Time

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Average applicant time on wait list in months (decrease).	Anchorage – 176* Fairbanks – 345 days Juneau – 286 days Mat-Su – 446 days Soldotna – 335 days	6 to 12 months or lower	Pending	Pending

*This figure is low as Anchorage uses a lottery system for its waiting list, and this list opened in July 2019 (six months ago).

HC #7: Households Assisted by Services that Increase Housing Choice

Unit of Measurement	Baseline	Benchmark	Outcome	Benchmark Achieved?
Number of households receiving services aimed to increase housing choice (increase).	0	20 percent of families enroll in Jumpstart Level 1	Pending	Pending

4. Cost Implications

AHFC does not anticipate any additional cost to AHFC because of this activity.

5. Need/Justification for MTW Flexibility

AHFC has realized success with the number of families transitioning to self-sufficiency (see FY2019 Report, item D.3). AHFC would like to increase the availability of our Step Program for those families that feel that they are ready to take advantage of its opportunities. A waiting list and vouchers dedicated to identifying those families in the five largest jurisdictions AHFC serves is our pilot program. AHFC plans to examine each of its remaining communities (7) to determine if a Step Set Aside will help serve local families on those lists.

Authorization

Attachment C, paragraphs D.1.b, D.2.a, and D.4

Regulation Citation

None

6. Rent Reform/Term Limit Information

This program will be administered exactly the same as our current Step Program (see Activity 2014-1) with the exception that these families will be selected from a dedicated waiting list.

Impact Analysis

Based on the limited data available for current waiting list families in the five largest areas, we show the following statistics. As shown below, the need for Step Program vouchers is evident for the families currently on AHFC's Housing Choice Voucher Program waiting list.

City	Number on HCV Waiting List	Wait Time	Step	Classic*
Anchorage	2,577	2-3 years	1,591	986
Fairbanks	919	2-3 years	543	376
Juneau	422	18-24 months	247	175
Mat-Su	346	24 months	190	156
Soldotna	399	12-18 months	263	136
Totals	4,663		2,834	1,829

*Classification of the current waiting list is based on the ages of the head of household and co-head/spouse. Disability is a voluntarily disclosed category on the application. Those that have disclosed are shown in the Classic Program. For those that are undisclosed, AHFC will not know until an eligibility interview if a person claims that status for a Classic Program voucher.

Year Started	Step Families	Total Families	Step %	Step Still Active	Total Still Active	Step %
2014	1,082	3,246	33.3%	43	1,063	4.0%
2015	730	1,680	43.5%	239	770	31.0%
Totals	1,812	4,926	36.8%	282	1,833	15.4%

AHFC has tracked Step Program families, their conversion rates to Classic, and their exits. As shown in the table above, while Step Program families comprised a little over one-third of persons converted from the HUD traditional program to rent reform, only 15.4 percent have remained on program after five years. Statistics show that Step Program families are exiting the Housing Choice Voucher Program at a much higher rate than Classic Program families.

The Public Housing Division produces a quarterly report evaluating the Step Program. Data from that report (as of June 30, 2020) is shown in the following tables.

Successful Exits – of those families that exit the Step Program each quarter, a successful exit is one where the family’s shelter burden is less than 50 percent. This table measures the percentage of Step Program families exiting with a shelter burden under 50 percent.

Baseline	N/A
September 30, 2019	46%
December 31, 2019	52%
March 31, 2020	57%
June 30, 2020	52%

Shelter Burden – family gross monthly income as compared to market rents.

	All Step Families	Families on Step 5
Baseline	74.7 %	N/A
September 30, 2019	49.1 %	39.3%
December 31, 2019	50.7%	40.1%
March 31, 2020	52.6%	40.2%
June 30, 2020	54.0%	43.0%

Average Gross Annual Income

	Families on Step 5
Baseline	\$19,929
September 30, 2019	\$39,224
December 31, 2019	\$38,562
March 31, 2020	\$38,112
June 30, 2020	\$36,050

AHFC believes that the reduction for March and June 2020 is largely due to the COVID-19 pandemic.

Hardship Case Criteria

Current hardship procedures for Minimum Rent and the Bridge Process will be available to these families.

Description of Annual Evaluation

AHFC currently has an in-depth analysis of its Step, Classic, and Set Aside Programs (see Activity 2014-d Jumpstart Program and Section C.1 Step Program Evaluation). AHFC plans to track this population separately from its other Step Program families.

Transition Period

Before advertising this voucher set aside opportunity to the public, AHFC will first advertise it to families on its current waiting lists in the communities of Anchorage, Fairbanks, Juneau, Matanuska-Susitna, and Soldotna. Families will have the opportunity to be placed on a new waiting list for the Step Program Set Aside and retain their position on the current Housing Choice Voucher Program waiting list.

AHFC will be using the time between now and the start of the fiscal year to prepare materials and formalize a time line. AHFC is currently investigating the capabilities and opportunities available in its current computer software package for electronic application, waiting list, and intake processes. We anticipate program kick off to be in early 2021.

2010-9 Returning Home Program

1. Plan Year Approved, Implemented, Amended

Approved by the AHFC Board of Directors	April 23, 2009
Reviewed by HUD	August 6, 2009

This activity was started with Numbered Memo 09-30 dated November 25, 2009. The new program began November 25, 2009 for all AHFC voucher locations outside of Anchorage.

- Revised guidance to expand the pool of applicants was issued with Numbered Memo 10-41 on October 28, 2010 with an effective date of November 1, 2010. This change opened the pool of applicants to all persons under a supervision requirement selected by the State of Alaska Department of Corrections. Specifically, the requirement that parolees be persons with disabilities was eliminated.
- Revised guidance to answer questions regarding the supervision requirement was issued with Numbered Memo 12-17 on April 18, 2012. This memo also put in place the time limit for all persons participating in the program that begin in 2009.
- Revised guidance expanding the program to AHFC's Anchorage jurisdiction was issued with Numbered Memo 15-31 on November 20, 2015 and effective December 1, 2015. This expansion made 20 coupons available for Anchorage.

2. Description/Update

This activity was formerly called "Prisoner Re-Entry". Develop a time-limited (two years), tenant-based rental assistance program targeting civilian re-entry of individuals released from the prison system. The purpose of this activity is to encourage reduction of recidivism due to prisoner homelessness upon release from incarceration.

HOME Funding

Operational and staff costs are supported with MTW funds. AHFC has a fee-for-service for each housing unit month. These HOME administrative fees are booked as non-MTW revenue. AHFC is following HOME rules at 24 CFR 92 for tenant-based assistance. Family annual income is calculated using the rules at 24 CFR 5.630, and families meet HOME income eligibility limits.

MTW Funding

AHFC expanded its program to include the Anchorage jurisdiction using MTW block grant funds. Family annual income is calculated using the rules at 24 CFR 5.630, and families meet Housing Choice Voucher income eligibility limits.

The original benchmark was to serve 10 families per year. AHFC set a new benchmark of 20 families per year in 2010 as the eligibility criteria for families was expanded to include all families meeting State of Alaska Department of Corrections release criteria. The Anchorage Program has been so successful, that AHFC has increased the number of coupons from 20 to 30 for the remainder of 2017. This increases the overall benchmark from 70 families per year to 100 per year.

AHFC was pleased to form an additional partnership with the State of Alaska Department of Health and Social Services, Division of Behavioral Health, to receive additional funds for rental assistance in 2017. As these funds were limited to one year, AHFC reimbursed the HOME program so that those funds could be used in a future year.

Statutory Objective

Increase housing choices for low-income families

This program is available in every community currently offering an AHFC Housing Choice Voucher Program. 2. Description/Update

This activity establishes payment standards that do not rely on HUD's Fair Market Rents for AHFC housing choice voucher jurisdictions. AHFC continues to examine each market on an annual basis to determine if the payment standard is appropriate. AHFC also ensures that it establishes a payment standard that reflects, not leads, the market. As one of its tools, staff uses an annual, independent study conducted by AHFC's Planning and Program Development Department in cooperation with the State of Alaska Department of Labor. This study surveys Alaska's communities and landlords about its housing markets including vacancy rates, market conditions, rentals, and utilities. Approved by the AHFC Board of Directors	May 4, 2010
Reviewed by HUD	July 12, 2010

This policy was implemented with the development of MainTree Apartments and Loussac Place in July 2012.

2. Description/Update

Allow AHFC to project-base vouchers (PBV) at market rental properties it owns and exceed the building cap in project-based voucher developments. This waiver was requested as part of the development to replace public housing units at Loussac Manor. In accordance with PBV policy, rent to owner is determined by an independent entity approved by HUD.

- 1248 East 9th Avenue contains four affordable housing units in one building (two efficiency and two one-bedroom units). Two of the four units are fully accessible. All units are subsidized and were available for occupancy November 2013. Units were fully leased as of January 31, 2014.
- Alpine Terrace contains 48 affordable housing units in four buildings (all are two-bedroom units). AHFC began offering project-based rental assistance in August 2018. No residents have been displaced. AHFC will adjust the number of available project-based vouchers based on future vacancies.
- Loussac Place contains 120 affordable housing units of which 60 are project-based vouchers. The vouchers are distributed throughout the bedroom sizes (one through four) in a variety of buildings throughout the development. Based on the configuration of the development (townhouse-style units), it would have been impossible to successfully use project-based vouchers without this waiver. This activity was formerly named “Youth Aging Out of Foster Care.” This is a time-limited (three years), tenant-based rental assistance program targeting youth ages 18 to 24 aging out of Alaskan foster care. The program serves direct referrals from the State of Alaska Department of Health and Social Services, Office of Children’s Services.

- HOME Investment Partnership Program funds pay for the monthly HAP for coupons leased outside the Anchorage jurisdiction. Operational and staff costs are supported with MTW funds. AHFC has developed a fee-for-service for each housing unit month. These HOME administrative fees are booked as Non-MTW revenue. AHFC is following HOME rules at 24 CFR 92 for tenant-based assistance. 2014-1a Population Definitions

1. Plan Year Approved, Implemented, Amended

As listed under 2014-1 above.

2. Description/Update

AHFC is using the following definitions as part of its rent reform activity.

- **Classic Program Family** is defined as 100 percent of adult household members are either a person with a disability (as defined in 24 CFR 5.403) or 62 years of age or older. These families may include a live-in aide (as defined in 24 CFR 5.403), minors, or full-time dependent students.
- **Full-Time Student** is defined as a dependent adult under the age of 24 who is enrolled as a student at an institution of higher education and meets the school's definition of full-time enrollment. AHFC will continue to disregard any income earned by an individual while full-time student status is maintained.
- **Set Aside Program Family** – these are families using special purpose or direct referral vouchers that use AHFC's simplified income calculation method. This includes the Empowering Choice Housing Program, Foster Youth to Independence Initiative (FYI) Vouchers, Mainstream Vouchers, Mainstream 811 Vouchers, Moving Home Program, Non-Elderly Disabled Vouchers, Port-in Vouchers, Project-Based Vouchers, Tenant Protection Vouchers, and Veterans Affairs Supportive Housing Vouchers. 2014-1b Minimum Rent**1. Plan Year Approved, Implemented, Amended**

As listed under 2014-1 above.

2. Description/Update

This supporting activity establishes a minimum rent in exception to HUD regulations. HUD regulations require AHFC to establish a minimum monthly rent for the Public Housing and Housing Choice Voucher programs that does not exceed \$50 per month. AHFC has set the following minimum rents as part of its rent reform activity.

- Classic Program family – the minimum rent is \$25. Because AHFC is anticipating that these families will not have wage earners and have fixed income sources, staff felt that it was more reasonable to set a \$25 rate. AHFC does not require a waiver for this proposal.
- Set Aside Program family – the minimum rent is \$25. AHFC does not require a waiver for this proposal.

2014-1c Utility Reimbursement Payments**1. Plan Year Approved, Implemented, Amended**

As listed under 2014-1 above.

2. Description/Update

HUD regulations require AHFC to establish utility allowance schedules for each Voucher and Public Housing jurisdiction, to update those schedules annually, and to pay a utility reimbursement payment when the utility allowance exceeds the family contribution. This supporting activity eliminates utility reimbursement payments for the Voucher and Public Housing programs. Families that may need an adjustment of their subsidy due to unusual or excessive utility requirements may ask for a hardship. See supporting activity 2014-1I for a discussion of the hardship policy.

2014-1d Jumpstart Program

1. Plan Year Approved, Implemented, Amended

As listed under 2014-1 above. With Numbered Memo 14-10 issued and effective on April 29, 2014, AHFC began transitioning HUD FSS enrollments to the MTW FSS program. Existing participants were allowed to graduate and receive accumulated escrow balances as part of this transition process.

The Jumpstart Program replaced the MTW Family Self-Sufficiency Program. The Jumpstart Program was submitted as Amendment One to the FY2016 MTW Annual Plan. Enrollment in the MTW Family Self-Sufficiency Program was suspended with Numbered Memo 15-18 issued and effective on June 1, 2015. Any enrollments in process were converted to the new MTW FSS program effective August 1, 2015.

Approved by the AHFC Board of Directors	July 29, 2015
Reviewed by HUD	December 16, 2015

New enrollments to the Jumpstart Program began November 1, 2015.

2. Description/Update

This activity was formerly called Family Self-Sufficiency Program. AHFC has operated a voluntary Family Self-Sufficiency Program since 1994. In order to meet the needs of families participating in the Step Program, AHFC expanded its program to all its Public Housing and Housing Choice Voucher jurisdictions, as well as increasing the number of families eligible to participate. Jumpstart offers two service levels for families:

- Case Management (level 1) – these families sign a participation agreement, develop an Individual Training and Services Plan, receive individualized coaching and goal-setting services, and are eligible for monetary incentives.
- Incentives Only (level 2) – these families sign a participation agreement and receive counseling regarding available monetary incentives.

Numbered Memo 18-18 dated April 20, 2018 and effective May 1, 2018 increased the amount of incentives available to a Level 1 Case Management family to \$5,000. AHFC also changed its incentive rules to allow a Level 1 family to receive all its incentives in Tuition Assistance.

For families wishing to participate in the Savings Match incentive, AHFC requires that these families complete a financial literacy requirement.

Statutory Objective

Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational, or other programs that assist in obtaining employment and becoming economically self-sufficient

Authorization

Attachment C, paragraph E.

Regulation Citation

Jumpstart is operated under the regulations at 24 CFR 984 and regulations at parts 5, 882, 887, 960, 966, and 982 (except where specifically exempted by this Plan).

Requested waivers are:

- 24 CFR 984.103 – Definition of self-sufficiency; AHFC developed its own definition
- 24 CFR 984.105 – Minimum program size; AHFC expanded the size and jurisdictions under the Jumpstart Program
- 24 CFR 984.202 – Program Coordinating Committee composition; AHFC will be establishing an alternate composition for this committee based on AHFC's geographic challenges
- 24 CFR 984.203 – Family selection; AHFC has defined Jumpstart family selection priorities
- 24 CFR 984.303 – Contract of Participation; AHFC developed its own Agreement for its Jumpstart participants – Jumpstart Participation and Incentives Agreement
- 24 CFR 984.303(a) – Signature of head of household; AHFC is adding a procedure for an alternate head of household
- 24 CFR 984.303(b)(2) – Independence from welfare assistance; AHFC is waiving this condition for fulfillment of a Jumpstart Agreement
- 24 CFR 984.303(b)(4) – Suitable employment; Any adult family member who signs the Agreement can fulfill this requirement.
- 24 CFR 984.303(c) – Contract term; the Jumpstart Agreement will coincide with the Step Program family's subsidized housing term (this may be less than 5 years)
- 24 CFR 984.303(d) – Contract extension; AHFC Jumpstart staff may extend an Agreement at their discretion or if authorized by the Bridge Committee
- 24 CFR 984.303(d)(5)(iii) – Consequences of noncompliance; AHFC will not terminate a family's rental assistance for failure to comply with their Agreement
- 24 CFR 984.303(g) – Completion; An Agreement is complete when the family has fulfilled all of its obligations under the Agreement and the family must be in good standing with AHFC the month they complete the Agreement
- 24 CFR 984.304 – Total tenant payment; AHFC will calculate total tenant payment in compliance with policy in its Housing Choice Voucher Administrative Plan and Public Housing Program Admissions and Occupancy Policy
- 24 CFR 984.305 – FSS Account; AHFC will not offer an FSS Account. AHFC has developed an alternate system of incentives
- 24 CFR 984.306 – Residency and portability requirements; families are not eligible to port Jumpstart participation. Families are not eligible to port FSS Program

participation into AHFC's jurisdiction. AHFC will not accept FSS Account balances from other PHAs. Jumpstart incentives must be earned while in an AHFC jurisdiction.

2014-1e Family Choice of Rent and Flat Rents

1. Plan Year Approved, Implemented, Amended

As listed under 2014-1 above.

2. Description/Update

This supporting activity waives the annual requirement to offer a public housing family the choice of a flat or income-based rent. AHFC currently sets a contract rent rate for its Public Housing units. This contract rent replaces the flat rent. If a family's income rises to a point where their required income-based contribution would exceed the contract rent, AHFC offers the family the contract rent.

AHFC ensures that it establishes a contract rent that reflects, not leads, the market. As one of its tools, staff uses an annual, independent study conducted by AHFC's Planning and Program Development Department in cooperation with the State of Alaska Department of Labor. This study surveys Alaska's communities and landlords about its housing markets including vacancy rates, market conditions, rentals, and utilities.

AHFC continues to compare the fair market rent, current family rent contributions, local rental market vacancy and rental rates, and local advertising materials when selecting a reasonable contract rent. AHFC also continues to add an affordability factor as these rents are meant for low-income families. As an internal control, AHFC sets its contract rents within 15 percent of the State of Alaska Department of Labor market survey rate.

2014-1f Ineligible Noncitizen Proration**1. Plan Year Approved, Implemented, Amended**

As listed under 2014-1 above.

2. Description/Update

This supporting activity offers an alternate methodology for prorating the assistance available to families with ineligible noncitizen members. Current regulations require:

- Public Housing - AHFC must formulate a “maximum” subsidy each year and update it.
- Voucher - AHFC can give families an estimated figure of their prorated subsidy, but the final figure depends upon the gross rent of the unit rented.

Both procedures are administratively burdensome for the low numbers of ineligible noncitizens in AHFC’s portfolio. For a family with ineligible noncitizen members in the household, AHFC will deduct \$50 from the family’s subsidy as long as the ineligible noncitizen members reside in the household.

2014-1g Annual Recertification Requirement

1. Plan Year Approved, Implemented, Amended

As listed under 2014-1 above.

2. Description/Update

This supporting activity develops an alternate recertification schedule for families subject to rent reform activities. AHFC continues to require all families to report changes in family composition within ten business days. AHFC continues to pull the Enterprise Income Verification (EIV) report to track income and how the rent reform activity is affecting its clientele.

- Classic Program – these families receive a triennial (every three years) examination. In the no examination years for Public Housing, AHFC continues to verify household composition and certify compliance with community service obligations.
- Step Program – these families receive an income examination at time of admission to determine eligibility under income limit guidelines and set their income-based rent for the first year. AHFC does not conduct any additional income verification processes unless the family requests a hardship. Each year, AHFC discusses the EIV report with the family, and the family self-certifies to its accuracy. AHFC reports these figures on the 50058.
- Set Aside Program – these families receive an income examination every year.

2014-1h Annual and Adjusted Annual Income Calculation

1. Plan Year Approved, Implemented, Amended

As listed under 2014-1 above.

2. Description/Update

This supporting activity develops an alternate methodology for calculating a family's annual income. AHFC does not deviate from the following regulations:

- Determination of income sources and which sources are included or excluded as part of a family's annual income.
- Determination of asset sources and when an asset becomes annual income.
- Determination of when a welfare benefit reduction affects annual income.

AHFC has previously requested waivers for the following regulations and has absorbed them into this activity.

- Activity 2010-2 raised the asset threshold from \$5,000 to \$10,000. Now moved under supporting activity 2014-1j.
- Activity 2010-3 eliminated the Earned Income Disallowance program for persons with disabilities and families engaging in work activities. Now moved under supporting activity 2014-1k.

As part of this plan, AHFC is implementing the following waivers. Families that believe they suffer from a financial hardship due to the elimination of these allowances may request a hardship (see supporting activity 2014-1l in this Plan).

- Elimination of the annual \$400 allowance for an elderly/disabled family.
- Elimination of the allowance of \$480 for each minor dependent in a household.
- Elimination of the medical allowance for out-of-pocket expenses for elderly/disabled families.
- Elimination of the handicap allowance for out-of-pocket expenses that allow a person with disabilities to engage in work activities.
- Elimination of the childcare allowance for out-of-pocket expenses for care of minors under the age of 13 to allow an adult household member to engage in work activities.

2014-1i Portability

1. Plan Year Approved, Implemented, Amended

Approved by the AHFC Board of Directors	August 21, 2013
Reviewed by HUD	December 31, 2013

This activity was issued with Numbered Memo 14-01 on January 13, 2014.

- Families were allowed to port under traditional HUD rules before their first annual examination for transition to rent reform.
- AHFC was administering vouchers as of February 1, 2014 and classified those families into the Set Aside Program.
- AHFC absorbed all families that ported into AHFC as of August 1, 2014, but continued to administer new port-in vouchers. These families were allowed to retain their right to port out under traditional HUD rules before their first annual examination for transition to rent reform.
- AHFC began absorbing all port-in families as of August 1, 2015. The policy change was issued with Numbered Memo 15-12 issued on April 20, 2015.
 - New port-in families as of August 1, 2015 were classified into the Step or Classic Program.
 - Families in the Set Aside Program were allowed to retain their right to port out under traditional HUD rules before their first annual examination for transition to rent reform.

2. Description/Update

This supporting activity changes AHFC's Housing Choice Voucher Administrative Plan requirements that Step Program families must meet before allowing a family to port AHFC's

voucher to another housing authority's jurisdiction. These changes do not impact current HUD regulations regarding portability for Foster Youth to Independence Initiative (FYI), Non-Elderly Disabled (NED), Mainstream, Enhanced or Tenant Protection, or Veterans Affairs Supportive Housing (VASH) vouchers. AHFC also continues to offer portability under current HUD regulations to all MTW tenant-based voucher holders that are classified as Classic Program families.

AHFC did not make any changes to the rules governing port-in vouchers, except to streamline the calculation of family income as specified in Activity 2014-1h.

- AHFC continues to enforce the regulations regarding nonresident applicants under 24 CFR 982.353(c).
- AHFC also continues to enforce the regulations regarding income eligibility under 24 CFR 982.353(d).
- AHFC did not make any changes to the regulations under 24 CFR 982.355 regarding administration by receiving PHAs.

AHFC proposes the following limitations for Step Program families seeking to port a voucher from AHFC's jurisdiction.

- **Absorption by the Receiving PHA** – if a receiving PHA is absorbing vouchers, the Step Program family may port their tenant-based voucher if they meet the requirements under 24 CFR 982.353(b).
- **Reasonable Accommodation** – if a Step Program family needs to move their tenant-based voucher to another PHA's jurisdiction in order to accommodate a family member with a disability, AHFC will allow those with appropriate documentation. The family must meet the requirements under 24 CFR 982.353(b).
- **VAWA Protections** – if a Step Program family needs to move their tenant-based voucher to another PHA's jurisdiction in order to receive protections afforded under the Violence Against Women Act (VAWA), AHFC will allow those with appropriate documentation. The family must meet the requirements under 24 CFR 982.353(b).

2014-1I Hardship Policy and Process

1. Plan Year Approved, Implemented, Amended

Approved by the AHFC Board of Directors	January 8, 2014
Reviewed by HUD	April 30, 2014

The Bridge Process was implemented with the rent reform activity 2014-1:

- On February 1, 2014 for Housing Choice Voucher families
- On May 1, 2014 for Public Housing Program families

This was formerly listed in the Appendix of the Annual Plan and updated as part of the FY2018 Annual Plan. This was wrapped into Activity 2014-1 as establishing a method for families to grieve an adverse impact due to a rent reform activity is an MTW Agreement obligation.

2. Description/Update

As a Moving to Work agency, AHFC must develop a reasonable rent policy that encourages employment and self-sufficiency. AHFC refers to this policy as Rent Reform. As part of overall rent reform activities, AHFC must also adopt a hardship policy to meet the individual needs of families that request a modification to, exemption from, or temporary waiver to:

- Family requirements under Moving to Work Activity 2014-1 Reasonable Rent and Family Self-Sufficiency; or
- A family's requirement to pay a minimum rent under 24 CFR 5.630; or
- AHFC's elimination of interim examinations under Moving to Work Activity 2014-1.

AHFC's hardship policy is called the Bridge Process. Families transitioning from the traditional rent calculation method to AHFC's rent reform model had access to a one-time "Safety Net". AHFC continues to offer a Minimum Rent Exemption procedure for those families subject to the minimum rent.

Beginning in November 2016, AHFC refined the Bridge Policy to a three-tiered process to expedite the processing of family requests. This change was distributed to staff with Numbered Memo 16-27 issued October 20, 2016 and effective November 1, 2016.

The Safety Net period for unexpected loss of income was extended from two months to three months effective February 20, 2017. This was distributed to staff with Numbered Memo 17-10 on February 20, 2017.

2.A Bridge Tier 1

These requests are processed by each local AHFC office. If a family meets the qualifying conditions, staff has the authority to grant a temporary reduction of rent to address the family's hardship. Hardships include:

- Permanent Loss of a Household Member with Income – AHFC will remove the individual and their associated income. If the family is on an income-based formula, the family's contribution is recalculated. If the family is on the Step schedule and experiencing a shelter burden, they may qualify for a temporary reduction of rent as listed in the Safety Net below.
- Safety Net – Unanticipated Income Loss causes a shelter burden for the family. Staff may grant a reduction of the family portion to 50 percent of monthly income for a period of three months. The family is also referred to the Jumpstart program for a consultation and possible enrollment.
- Safety Net – Short-Term Medical/Health Condition of an employed adult that results in the loss of income. Staff may grant a reduction of the family portion to 50 percent of monthly income for a period of three months.

2.B Bridge Tier 2

This level of review is for families with hardship circumstances that exceed staff authority to grant and to provide a level of review for families that disagree with the relief offered at Tier 1. Review at this level also includes recommendations for family requests to

appear before the Bridge Committee. Hardship relief that can be granted at this level includes:

- Medical or Child Care Expense Allowance – an allowance for out-of-pocket expenses can be considered when the expenses cause a shelter burden in excess of 50 percent of family monthly income. A reduction of the family portion to 50 percent of monthly income for a period of six months can be granted. Persons with disabilities who request the medical expense deduction are handled through the reasonable accommodation process.
- Extension to Tier 1 Safety Net – if a family’s initial reduction of rent for three months is not sufficient, the family can ask for an additional three months. If the extension is needed due to the unanticipated loss of income, the family must be an active Jumpstart participant and receive their recommendation for an extension.

2.C Bridge Review of Determinations Under Tier 2

This level of review is for families that disagree with the relief offered at Tier 2. Review at this level also includes recommendations for family requests to appear before the Bridge Committee.

2.D Step Extension Process

Analysis of Step Program families’ progress toward financial self-sufficiency indicates that while some families have achieved great success, others are still struggling. This revision to the Bridge Process helps those families that need additional time to achieve goals or stabilize income. This was issued with Numbered Memo 18-30 on September 20, 2018 with an effective date of November 1, 2018.

- Extension One to Step Program Assistance – a family must apply for this extension prior to the end of their fifth year of the Step Program. To qualify, families must have a shelter burden greater than 50 percent of monthly income and enroll in Jumpstart. Those families that qualify will receive 20 percent of the applicable payment standard or pay 80 percent of a public housing unit’s contract rent.
- Extension Two to Step Program Assistance – a family must apply for this extension prior to the end of their first extension to the Step Program. To qualify, families must have a shelter burden greater than 50 percent of monthly income and have maintained active participation in Jumpstart during Extension Year 1. Those families that qualify will receive 20 percent of the applicable payment standard or pay 80 percent of a public housing unit’s contract rent.

This activity began with Numbered Memo 14-27 issued on September 22, 2014 and effective on October 1, 2014.

2. Description/Update

For project-based voucher (PBV) developments, AHFC requires flexibility when determining the number of annual and quality control inspections. The number required may vary depending on the development configuration and number of PBV units.

AHFC is basing its initial and annual inspection requirement on the needs of each individual development. AHFC reserves the right to inspect any time it suspects that the owner is not complying with Housing Quality Standards (HQS) or if the fail rate reaches 20 percent at the development. AHFC will continue to investigate tenant complaints regarding the condition of a PBV unit. AHFC will also continue to conduct the initial property and unit inspections before entering into a HAP Contract for the development.

AHFC has an additional quality assurance process for those developments with PBV and Low Income Housing Tax Credit Programs, as AHFC's Internal Audit Department conducts reviews of the property that include unit inspections. AHFC's quality assurance staff will review Internal Audit's findings and consider those inspections as part of its inspection universe.

2015-1 Modify Reasonable Rent Procedure for 5 Percent FMR Decrease**1. Plan Year Approved, Implemented, Amended**

Approved by the AHFC Board of Directors	May 14, 2014
Reviewed by HUD	April 6, 2015

This activity was implemented on March 20, 2017 with Numbered Memo 17-13 with an effective date of April 1, 2017. There were no changes to the payment standard in this reporting period.

2. Description/Update

Current HUD regulations require a PHA to re-determine rent reasonableness within 60 days of a five percent decrease in the Fair Market Rent (FMR) for any unit under contract. Under Moving to Work Activity 2011-2, Local Payment Standards, AHFC sets each voucher jurisdiction's payment standard to respond to local market conditions. These are monitored annually and any changes of 5 percent or more in the local market require an adjustment of the payment standard. Payment standard evaluation and adjustment do not typically occur at the same time that HUD publishes revised FMRs.

AHFC continues to evaluate rent reasonableness prior to signing any new HAP contracts for families that wish to move and for landlord rent increase requests. For those families that are renewing their HAP Contract for their current unit, AHFC conducts rent reasonableness

as part of each family's regular examination process. The revised payment standard and rent reasonableness coincide with the effective date of the family's examination.

AHFC expects that this activity will have minimal impact to families as Step Program families receive a reduced percentage of the payment standard each year, and Classic Program families receive triennial examinations.

2016-1 Mainstream 811 Tenant-Based Assistance

1. Plan Year Approved or Amended

Approved by the AHFC Board of Directors	Pending
Reviewed by HUD	Pending

2. Description

Formerly called Housing First Sponsor-Based Assistance RFP. Under the Moving to Work Demonstration Program, approved housing authorities have the authority to fund rental assistance outside of Section 8 and 9 regulations under the 1937 Housing Act. Since this activity was first proposed in AHFC's FY2018 Annual Plan, AHFC received a grant from HUD for Section 811 project-based rental assistance. To market the program and attract private market owners, the Public Housing Division pledged 50 project-based vouchers. To date, AHFC has only had one private rental market owner interested in the Section 811 program. AHFC has not provided any PBV or tenant-based assistance as of the date of this plan.

Statutory Objective

Increase housing choices for low-income families.

MTW Authorization and Need

Attachment D of the MTW Agreement signed January 30, 2012.

Regulation Citation

3. Planned Non-Significant Changes

No changes to this activity during this fiscal year.

4. Planned Changes to Metrics/Data Collection

No changes to this activity during this fiscal year.

5. Planned Significant Changes

To date, AHFC has been unable to attract sufficient private market owners who wish to take advantage of the Section 811 assistance and AHFC project-based vouchers. AHFC's partner in this endeavor, the State of Alaska Department of Health and Social Services, has transferred funds to AHFC to assist the unserved population with tenant-based rental assistance.

AHFC plans to take referrals for those individuals eligible for the Section 811PRA program that are not served due to a lack of landlord participation. AHFC will be using the funds to subsidize these individuals in the private rental market with a voucher. At this time, AHFC is receiving funds to serve approximately ten (10) individuals each year.

2018-1 Sponsor-Based Assistance, Forget-Me-Not Manor

Approved by the AHFC Board of Directors	July 26, 2017
Reviewed by HUD	August 18, 2017

The policy for this activity was implemented on February 20, 2018 with Numbered Memo 18-10. Our partner submitted their first billing statement effective November 1, 2017. This development was originally named Alder Manor in AHFC's FY2018 Plan. This is a local, non-traditional program.

2. Description/Update

Fund rental assistance outside Section 8 rules consistent with "broader uses of funds" authority in Attachment D of the Agreement. Provide the funding equivalent of 32 project-based voucher units at a Housing First development, Forget-Me-Not Manor in Juneau. AHFC continues to monitor the funding requests each month.

Statutory Objective

Increase housing choices for low-income families

3. Planned Non-Significant Changes

No changes to this activity during this fiscal year.

4. Planned Changes to Metrics/Data Collection

No changes to this activity during this fiscal year.

5. Planned Significant Changes

In FY2021, Forget-Me-Not Manor is planning to expand the number of units available at its complex by building a new wing. AHFC plans to increase its sponsor-based rental assistance available at this complex to match the number of new units (32). AHFC is in the process of reviewing the proposed tenant selection plan, funding sources, and contract documents. It appears that AHFC will be providing subsidy for only 24 of the 32 units as eight units will receive subsidy from another funding source.

AHFC will conduct an inspection of all newly constructed units prior to beginning any subsidy. At this time, the new units are projected to be ready sometime in June 2020.

1. Plan Year Approved, Implemented, Amended

Approved by the AHFC Board of Directors	April 23, 2009

2. Description

Offer down payment assistance in lieu of a monthly HAP payment. AHFC currently has 22 voucher holders receiving assistance for homeownership under a HAP plan. AHFC suspended applications for this program in 2008, when administrative costs exceeded planned expenses. The Board of Directors approved the permanent closure on March 9, 2011.

Statutory Objective

- Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational, or other programs that assist in obtaining employment and becoming economically self-sufficient
- Increase housing choices for low-income families

MTW Authorization and Need

Attachment C, paragraph D.8.a

Original Benchmarks

Metric	Baseline	Benchmark	Outcome
Reduce administrative costs of the homeownership program.	\$6,250 per participant	\$1,562 per participant	Lack of available funds has postponed implementation.

3. Implementation Plan

AHFC is currently conducting a study of its current voucher allocation and available funding. Staff is also exploring the possibility of other sources that may be available to fund the down payment while using MTW funds to cover the administrative cost. AHFC is also seeking to provide this assistance as a path to homeownership by families participating in our Jumpstart Program (2014-1d). Activity is on hold pending the exploration of alternatives and possible implementation strategies.

D. Closed Out**2010-1 Reexamination of Income****1. Plan Year Approved, Implemented, Amended**

Approved by the AHFC Board of Directors	April 23, 2009
Reviewed by HUD	August 6, 2009

This activity was implemented with Numbered Memo 10-45 on December 7, 2010. After comments from staff, AHFC implemented this for elderly/disabled Public Housing residents only with Numbered Memo 11-08 on January 27, 2011.

2. Description

Transition elderly and disabled families on fixed income to a biennial examination schedule.

Statutory Objective

Reduce cost and achieve greater cost effectiveness in Federal expenditures

MTW Authorization and Need

Attachment C, paragraph C.4 (changed, HCV eliminated)

Regulation Citation

24 CFR 960.257

3. Closure Reason

This activity is closed as AHFC's reasonable rent activity implements an alternate annual family income calculation. This activity was superseded by Activity 2014-1 and its alternate rent structure. This activity is completed.

Final Outcomes and Lessons Learned

Staff reported positive results from reducing the number of annual examinations for families with all adults on fixed income. Success in this activity led to the use of a triennial examination schedule for Classic Program families. We also learned that the more complicated rent calculation method proposed under this activity was difficult to administer. This led to the development of the simple 28.5 percent calculation under activity 2014-1.

Describe any Statutory Exceptions that Might Have Provided Benefit to Activity

No comments at this time.

Summary Table

Because this activity was changed from all elderly/disabled households to just Public Housing elderly/households, the original benchmark was revised.

Metric	Baseline	Benchmark	Outcome
Number of reexaminations a year	Zero	Reduction of 1,300 reexaminations a year	Modified in January 2011

Revised Metric	Baseline	Revised Benchmark	Outcome
Staff time to perform annual examinations for a population on fixed income	Zero	Reduction of hours spent in reexamination of 100 percent elderly/disabled families.	462 families are 100 percent elder/disabled. This equates to a savings of 347 staff hours every year (1.5 hrs/exam x (462 ÷ 2) exams/yr.).

2. Description

Develop an alternate rent structure.

Statutory Objective

Reduce cost and achieve greater cost effectiveness in Federal expenditures

MTW Authorization and Need

Attachment C, paragraphs C.11 and D.2.a

Regulation Citation

24 CFR 5.609

3. Closure Reason

With the implementation of Activity 2014-1 Reasonable Rent and Family Self-Sufficiency, this activity was no longer needed.

Final Outcome and Lessons Learned

Staff reported positive results from former activity 2010-2 (Asset Threshold) as it decreased staff time verifying small asset balances. It also decreased error rates for posting and updating small asset balances. Positive results from this activity encouraged the incorporation of former activity 2010-2 into activity 2014-1 as 2014-1h.

Former activity 2010-3 (EID Elimination) showed immediate results in the decrease of staff administrative time. AHFC wanted to incentivize families to increase income from wages, but past results from the Earned Income Disallowance did not produce long-term results by encouraging families to retain employment once the disallowance period ended. AHFC considered these results when evaluating how to better incentivize families to retain employment. AHFC decided to incorporate former activity 2010-3 into activity 2014-1h and provide incentives related directly to employment as well as a plan to gradually increase family responsibility for rent.

Reviewed by HUD	August 6, 2009

2. Description

Statutory Objective

Reduce cost and achieve greater cost effectiveness in Federal expenditures

MTW Authorization and Need

Attachment C, paragraph C.2

Regulation Citation

24 CFR 982.205

3. Closure Reason

On July 1, 2012, AHFC altered its application process to remove the availability of preferences in favor of a list that is ranked by date and time of application. AHFC honored preferences for those families who applied for the old preference-based waiting list. AHFC exhausted its last preference-based waiting list in FY2017. This activity is closed.

Final Outcome and Lessons Learned

AHFC had proposed this activity as families with homeless preferences were declining a public housing unit offer while they “waited” for a voucher. AHFC never instituted this activity as we eliminated preferences from all our waiting lists. As those lists were being exhausted and closed, the need for this activity diminished.

3. Closure Reason

With the implementation of Activity 2014-1 Reasonable Rent and Family Self-Sufficiency Initiative, AHFC provided time limits to its work-able families. The remaining population, Classic Program families, consist of elderly and disabled families. These are the most vulnerable families, and AHFC does not wish to place restrictions on these families.

This activity is closed as part of the submission of the FY2018 Annual Plan.

Statutory Objective

Increase housing choices for low-income families

MTW Authorization and Need

- * Attachment C of the MTW Agreement, paragraph C.5 (Public Housing admission)
- * Attachment C of the MTW Agreement, paragraph D.3 (Housing Choice Voucher admission)

Regulation Citation

In the Moving to Work Agreement (Section II.D), AHFC agreed to ensure that at least 75 percent of families assisted are very low income (50 percent of area median income) families. AHFC continues to measure this compliance each year as part of its annual reporting process.

3. Closure Reason

This activity has been incorporated into AHFC's Moving to Work planning process. With the implementation of set asides for vulnerable populations, AHFC feels it has addressed the need for affordable housing for its poorest and most vulnerable families.

Final Outcome and Lessons Learned

AHFC's certification as part of its Annual Report demonstrates that AHFC continues to serve the poorest families in its jurisdictions. This was achieved through development of the Empowering Choice Housing Program (Activity 2013-2), Making A Home Program (Activity 2013-1), Moving Home Program (Activity 2010-10), Returning Home Program (Activity 2010-9), and Sponsor-Based Rental Assistance Programs (Activities 2012-4, 2018-1, and 2018-2).

2. Description

For project-based voucher (PBV) developments that also utilize Low Income Housing Tax Credit (LIHTC) Program financing, AHFC would like to substitute the LIHTC Tenant Income Certification (TIC) for income and asset verification and determination of subsidy.

Statutory Objective

Reduce cost and achieve greater cost effectiveness in Federal expenditures

Attachment C, paragraphs D.2.a. and D.3.

Regulation Citation

HUD regulations at 24 CFR 983.2(c)(6)(ii) which refers to 24 CFR 982.516.

3. Closure Reason

AHFC began talks with an operator of its project-based vouchers and discovered after further consultation that AHFC staff would prefer to mirror traditional Classic and Step Program calculations for ease of administration. AHFC began the process of converting its current traditional project-based voucher families to a streamlined rent calculation instead. This activity is closed as part of the submission of the FY2018 Annual Plan.

Final Outcome and Lessons Learned

Initial cooperation with third-party managers of properties with project-based vouchers demonstrated that this might be an administrative efficiency that AHFC could implement. Further discussions with these managers after implementation of rent reform revealed that these managers liked AHFC’s Classic and Step program models. AHFC has since implemented these models for new developments (Ridgeline Terrace and Susitna Square) and implemented the streamlined calculation method (2014-1h) for existing project-based locations.

B.3 Public Comments from the March 3, 2020 Public Hearing

A transcript of the entire proceeding is on record at the AHFC Public Housing Division headquarters. Excluding AHFC staff members attending (two), no members of the public attended the public hearing.

Michael Courtney provided an introduction to the public hearing and explained the purpose of the hearing. Mr. Courtney then provided a short description of the two proposed activities.

Patricia M. Brown, Resident Advisory Board member, commented:

Ms. Brown stated that she was pleased to see the level of detail AHFC provides in its Plan. Ms. Brown stated that she appreciates AHFC's efforts toward serving persons in different locations around the state.

AHFC: AHFC thanked Ms. Brown for her comments.

Carl Church, Resident Advisory Board member, commented:

Mr. Church asked AHFC about their efforts toward landlord outreach in different communities. He stated that he thought more landlords would be involved if they had more information about AHFC programs; he believes that some landlords have negative impressions of the persons and programs.

Mr. Church had some additional questions regarding the Section 811 program and AHFC's commitment to provide project-based voucher equivalents. He wondered why the program was not more successful.

AHFC: AHFC thanked Mr. Church for his comments.

Mr. Courtney clarified that each office location does outreach to landlords in its community. We provide information to persons interested in becoming landlords, and staff speak with landlords they know to encourage participation. AHFC tries to highlight the positive aspects of being a voucher landlord, but some decide not to participate.

Mr. Courtney discussed the Section 811 monies, its restrictions, and its requirements for owners. He then talked about how AHFC is repositioning a part of the program to offer tenant-based assistance for the same population served by the project-based version.

Marlene Sadowski, Resident Advisory Board member, commented:

Ms. Sadowski stated that she was shocked to read about the number of families on AHFC waiting lists. She said she appreciates AHFC's efforts toward serving these families.

AHFC: AHFC thanked Ms. Sadowski for her comments.

B.4 Written Public Comments

There were no written public comments submitted during the public comment period.

B.5 Resident Advisory Board Comments

The Board members were given the opportunity to provide comment during the public comment period. Electronic and paper copies of the Plan were distributed to the members in conjunction with the publication of the Public Comment Notice.

C. Planned and Ongoing Evaluations

Step Program Evaluation

The goals of the evaluation are to maintain a systematic approach to collecting, analyzing, and using information to answer key questions about Step's efficiency and efficacy. Main areas of focus include housing income changes and employment status, current and projected shelter burden, and identification of data gaps and program recommendations.

The evaluation, conducted quarterly, measures current program data against baselines obtained in September 2014. AHFC utilizes household shelter burden (housing costs compared to income) as a measure of housing affordability. The evaluation looks at data for the entire Step population (all families participating in the quarter) with specific sub-populations (Rural, Economic Impact Areas, Single Caregivers with more than Two Children and Families who Transitioned into Step with implementation of the program).

Household Income

As of December 31, 2019, average household income for Step participants has increased 52% (from \$19,929 to \$29,885) and average household earned income has increased 80% (from \$11,997 to \$20,546). Families reporting full-time employment (at least 32 hours per week at minimum wage), has increased from 40% to 54%. Families reporting at least part-time employment have increased from 54% to 70%.

As of December 31, 2019, Step Year 5 and Extension Year 1 families had average gross annual income of \$38,562.

Shelter Burden

As of December 31, 2019, current average household shelter burden, for all Step households equaled 29.7 percent. Anticipated average shelter burden at program exit for all participants is anticipated to be 50.7%. For the subgroup of households nearing end of participation in the 5 year program, (those who are in the 5th year and first Extension year) shelter burden at exit is anticipated to be 40.1 percent.

At Risk Families

Three of the four groups (Rural communities, Economic Impact Areas, and those families who transitioned into the program in 2014) are achieving income gains and anticipated shelter burden at approximately the same, or better, rate as the Step population as a whole. One group, Single Caregivers with 2 or more Dependents (Single Caregivers), identified as potentially needing greater case management support and time to achieve self-sufficiency. These families are now referred to Jumpstart for assistance earlier in their participation. As of December 31, 2019, anticipated average shelter burden at exit for this sub-population was anticipated to be the greatest at 52.5%. AHFC has formed a task force to explore an additional hardship process for families not ready to enter the private market at the end of Year 5.

Jumpstart

Families identified through the examination or hardship process as anticipated to pay a 50% or greater shelter burden are referred to Jumpstart (AHFC's self-sufficiency program) for case management support and financial incentives. During the initial five years of a family's Step participation, Jumpstart is voluntary. Step program enrollment on December 31, 2019 was 25% of Step households.

E. Appendix – Non-MTW Activities

AHFC submits these activities to its Board of Directors for approval as part of its overall Plan. These activities fall within current authority granted under HUD regulations and do not require HUD MTW approval.

E.1 Alaska Corporation for Affordable Housing (ACAH)

The Alaska Corporation for Affordable Housing (ACAH) is a nonprofit subsidiary of the Alaska Housing Finance Corporation formed for the acquisition, development, management, or operation of affordable housing. ACAH's purpose is to undertake the types of affordable housing and services that are not open to AHFC directly, but which support AHFC's mission of providing affordable housing and services to individuals and groups in need. Properties developed through ACAH are positioned to leverage private sector resources such as low-income housing tax credits and debt financing.

During this period, ACAH hired an operations and development manager to direct the operations of ACAH and investigate affordable housing opportunities in the state. ACAH is actively researching available funding, partners, and opportunities for additional affordable housing developments.

E.2 Activities

The following is a table of ongoing activities.

2010N-7 Designated Housing

212. Description and Status

Designation of certain Public Housing buildings as elderly or disabled only. HUD approved the designation of 104 units at Chugach Manor as elderly. Sixteen units are reserved for persons with disabilities. HUD granted approval of the designated housing plan on May 10, 2011. Numbered Memo 12-10 dated February 24, 2012 with an effective date of March 1, 2012 issued waiting list and operational procedures for staff.

- AHFC received approval to extend this designation on February 26, 2016 from HUD.
- AHFC received approval to extend this designation on January 31, 2018 from HUD.

Activity is ongoing.

2011N-6 Elder Housing Preference

Description and Status

Mimic the policies governing the Section 8 Multifamily project-based assistance units that AHFC owns and operates to allow for an elderly super-preference, with a clause reserving at least ten percent of the units for younger, disabled households.

AHFC is monitoring its use of the "super elderly" preference at its buildings in Fairbanks and Anchorage. AHFC will be investigating elder/disabled buildings in other communities to research if this option is appropriate for those communities. Activity is ongoing.

2019N-1 Disposition of Six Public Housing Properties

1. Description

AHFC proposes to dispose of six (6) single-family properties in its Public Housing Program portfolio through a sale to low-income families. The disposition will be conducted in accordance with HUD regulations at 24 CFR 970 Public Housing Program – Demolition or Disposition of Public Housing Projects.

2. Background

An in-depth analysis of AHFC's Public Housing portfolio coupled with development of a plan for increasing affordable housing opportunities has determined that the following properties provide homeownership opportunities to low-income families.
