GREETINGS FROM ADMINISTRATOR

Greetings,

Mark Butterfield

ONAP remains working remotely due to the increasing COVID-19 cases as localities and governments relax restrictions as vaccinations increase. Remember, COVID-19 variants have been shown to spread more easily than in the past, so despite our general weariness of wearing masks that precaution should continue until otherwise advised. Most grantees still have CARES Act funding to use to ameliorate transmission. More and more offices have clear partitions between cashiers or customer service representative and customers to prevent aerosol transmission.

GREETINGS FROM THE ADMINISTRATOR (CONTINUED)

(Continued from page 1)

Staffing Changes. EWONAP has undergone a large turnover in employees this past year. Our office suffered a recent loss with the departure of Sara Stapleton of our GE staff to the USDA and celebrated the promotion of Gentri White to the position of Lead GE Specialist formerly held by David C. Thomas who retired at the end of last year. Gentri's promotion created an additional opening in the GE Specialist ranks so Eastern Woodlands will soon be hiring two new GE Specialists.

New Funding. The American Rescue Plan of 2021 or ARP was recently announced. On March 12th, ONAP published a [Dear Tribal Leader letter](#) that provides an overview of the funding provided through the ARP. Additionally, ONAP published the new IHBG ARP allocation amounts for all eligible Tribes. You can reference IHBG ARP allocation chart via the link below. https://www.hud.gov/sites/dfiles/PIH/documents/IHBG-ARP_for_Codetalk3.24.21.pdf?utm_medium=email&utm_source=govdelivery.

On Tuesday, April 13th, ONAP published the IHBG-ARP Implementation Notice which provides instructions on applying for funding, programmatic requirements, and addresses waivers. You can review the implementation Notice via the link below. <https://www.hud.gov/sites/dfiles/OCHCO/documents/2021-11pihn.pdf>

It is important to think ahead and plan for the next project that could be funded by an Indian Housing Block Grant to help your tribe. For IHBG funded projects all Grantees are eligible, including Tribes and TDHEs but not both.

Also, on the funding front, the ICDBG NOFA is in clearance with OMB. While it is not known when this will be published, it is always a good idea to be prepared. It is important, because to have a successful application there are often requirements that require advanced planning such as public or community meetings, Tribal resolutions in support of the project, letters in support of the project from contributing partners, commitments of in-kind or matching contributions such as land or Tribal support, conceptual drawings or architectural sketches, feasibility studies, etc. Due to the difficulty many Tribes are having getting together for regular meetings, a long lead time is especially important as only Tribes are eligible for ICDBG grants. If you had a previously planned project, it may be necessary to update pricing given the run up in the cost of building materials due to the 25+% increases we have seen across the region.

Wishing you well during these difficult times.

Mark Butterfield, EWONAP Administrator

AMERICAN RESCUE PLAN ACT OF 2021 INDIAN HOUSING BLOCK GRANT PROGRAM AWARDS

President Biden signed the American Rescue Plan Act of 2021 (ARP), Public Law 117-2, which provides additional funding to prevent, prepare for, and respond to the national impacts of the coronavirus pandemic. ARP included \$450 million for the Indian Housing Block Grant program. [Linked here](#) you will find a funding summary for each eligible Tribe ("Indian Housing Block Grant- American Rescue Plan (IHBG-ARP) Formula Allocations"). The \$450 million in funding was allocated based on the Fiscal Year (FY) 2021 tribal allocations. Each tribe will receive 69.1376421680391 percent of their FY 2021 IHBG formula allocation. This percentage is equal to the amount appropriated in the ARP divided by the total amount allocated in FY 2021 under the IHBG formula before repayments and grant adjustments (\$450,000,00/ \$650,875,537). The Office of Native American Programs (ONAP) is working on awarding this funding as quickly as possible and intends to publish an ICDBG-ARP Implementation Notice outlining how Indian Tribes can apply for this funding. ONAP is seeking your feedback on how ICDBG-ARP funds should be awarded. Read the full Dear Tribal Leader letter [here](#).

CDC EXTENDS EVICTION MORATORIUM THROUGH JUNE 30

The Centers for Disease Control and Prevention (CDC) [announced the extension](#) of its eviction moratorium on Monday through June 30, 2021. CDC Director Dr. Rochelle Walensky has signed an extension to the eviction moratorium further preventing the eviction of tenants who are unable to make rental payments. The moratorium that was scheduled to expire on March 31, 2021 is now extended through June 30, 2021. The COVID-19 pandemic has presented a historic threat to the nation's public health. Keeping people in their homes and out of crowded or congregate settings — like homeless shelters — by preventing evictions is a key step in helping to stop the spread of COVID-19.
