Column D: Dec funding to be provided to the project before reconciliation (Col B - Col C).

When this amount is negative it means that the project is overfunded for the year.

Overfunded amount must be recaptured, either through de-obligation and/or repayment, as noted below.

Column E: Due to overfunding, the amount will need to be de-obligated.

If the PHA has drawn an amount before the de-obligation is processed, the PHA will have to repay the amount.

Note

that repayment amounts will also be subsequently de-obligated to reduce the contracted obligation amount in eLOCCS.

Column F: Due to overfunding, the amount will need to be repaid to HUD because the PHA

doesn't have sufficient undisbursed funds to process a de-obligation.

Column G: The actual funding amount provided to the PHA. This amount cannot be negative.
