SECTION I - INTRODUCTION

BACKGROUND

Created by Congress in 1996, Moving to Work (MTW) is a Department of Housing and Urban Development (HUD) demonstration program that allows housing authorities to design and test innovative, locally-designed strategies for providing low-income families with affordable housing and new paths to economic independence. MTW is currently the only mechanism through which public housing authorities can wholly transform housing delivery, programs and operations. The broad flexibility to waive statute and regulations allows HACC to better serve and house residents while streamlining internal operations.

MTW has three statutory goals:

- ✚ Reduce cost and achieve greater cost effectiveness in federal expenditures.
- ✚ Give incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient.
- ✚ Increase housing choices for low-income families.

HACC has been designated an MTW agency since 2010. In 2016 HACC signed a new agreement with HUD that ensures our participation in the program until 2028.

The following FY2021 Moving to Work Plan details how HACC intends to use our flexibility in the coming year. Moving to Work enables us to tailor our programs to best meet community needs and to quickly react to changes in the economy and rental market. Our community's affordable housing crisis demands prompt action and thoughtful policy innovation. As described in the sections below, our MTW status is vital to how HACC operates as an effective and efficient public agency while serving over 2,000 households in Champaign County.

OVERVIEW OF MTW GOALS AND OBJECTIVES

The Housing Authority of Champaign County provides affordable housing for the low- and moderate-income residents of our communities through the Low-Income Housing Tax Credit Program, Project Based Vouchers and Tenant Based Housing Choice Vouchers. Our housing delivery model is based on

“Growing and Moving Forward Together”.

Growing... housing options to meet the ever-increasing demand for affordable housing throughout Champaign County; and,

Moving Forward Together... with residents and communities we serve, opening doors to support their success.

Short Term Goals - Upon receipt of the Moving to Work designation, the Housing Authority of Champaign County identified three primary goals that would drive its MTW activities. These goals continue to be our focus but have been refined to coincide with the agency rebranding and specific objectives to be accomplished in the 2021 Plan year.

Goal 1 - Operational Efficiency through Innovation - Streamline business processes and implement advanced technological solutions that will result in operational cost efficiencies and enable reallocation of resources to local initiatives and strategies.

2021 Objectives

- a. Complete implementation of an electronic tenant portal to facilitate rent payment and reporting of changes in household composition and income.
- b. Implement mandatory on-line rent payment for all properties managed by HACC.
- c. Upgrade financial software to MRI to integrate with all operational programs and convert Property Management software for Low Income Housing Tax Credit properties to Tenmast.

Goal 2 - Self-Sufficiency - Provide incentives designed to motivate families to actively seek financial independence and transition from dependency on housing subsidy. Carefully measure success of each incentive to identify and replicate the greatest motivators.

Objectives

- a. Build on the existing MTW Local Self-Sufficiency (LSS) Activity by developing the SHIFT Program designed to encourage compliant LSS households to work towards higher paying jobs or self-employment jobs through entrepreneurial endeavors. Implement a leadership development program that supports clients
- b. Increase post-secondary educational opportunities through implementation of YouthBuild, the SHIFT program, and the Illinois Student Voucher Program, and the Leadership Development Series

Goal 3 - Expand Housing Opportunities – Develop new housing in rural communities currently not served by HACC, leveraging private capital to ensure HACC's economic viability and sustainability.

Objectives

- a. Complete construction of Pinewood Place for disabled individuals with no income awaiting a Social Security Disability designation.
- b. Provide affordable housing opportunities in underserved rural areas throughout central Illinois through completion of construction of Oak Field Place; closing and starting construction of senior housing in Ladd, Robinson and Newton; and, submit 9% LIHTC applications for 2 additional rural communities in 2020.
- c. Expand the Community Improvement and Support Initiative activity to include Sponsor Based Vouchers for organizations partnering with HACC to meet service need of housing insecure, low-income families.
- d. Expand the local home-ownership program to include the provision of a Housing Counseling program intended to divert homelessness and provide counseling on seeking, financing, maintaining, renting, or owning a home. Expand the second mortgage program to include participants of the MTW SHIFT program.

Long Term Goals - HACC's long term MTW goal is to effectuate our Vision

Our Mission - *“Provide a quality living environment as a foundation for individuals to achieve their full potential”*

Our Vision – *“Develop quality affordable housing communities providing opportunity and support to maximize individual potential; while sustaining long term financial viability of HACC.”*

“Develop quality affordable housing communities...”

Development plans for 2021 will continue to be guided by the following principles:

- Provide a direct housing subsidy at all new housing developed to assure affordability to the lowest income residents in Champaign County.
- Take a more active role to address housing for special needs populations including chronically mentally ill and developmentally disabled individuals; taking special consideration to those who are exiting the Illinois criminal justice system; homeless or transient youth; and homeless individuals and families.

“providing opportunity and support to maximize individual potential...”

HACC implemented a mandatory self-sufficiency requirement (LSS) which is driven by the following principles:

- **Self-Sufficiency** - HACC defines self-sufficiency as behavior that exhibits personal accountability and financial responsibility demonstrated through consistent (more than 12 months) employment appropriate to the maximum skill level achievable by the individual.
- **Mandatory Participation** – Participation in a self-sufficiency program is a condition of eligibility for new admissions and a condition of continued occupancy for existing residents and participants.
- **Adult Requirements** - All abled bodied individuals ages 18 through 54 are required to actively pursue activities to achieve economic self-sufficiency with a goal of employment for a minimum of 25 hours per week.
- **Term Limit** – A maximum term limit of 8 years for all households whose head is an able-bodied individual age 18 through 54.
- **Job Retention** – In 2021, HACC will continue to direct resources to job retention.
- **Goal-Based Financial Incentive** - In 2021, HACC will continue implementation of a goal-based financial incentive to be paid to individuals that remain LSS compliant and meet certain benchmarks of self-sufficiency to be paid upon expiration of the maximum term limit or completion of the Contract of Participation.
- **LSS SHIFT Program** – In 2021, HACC will continue the “LSS SHIFT Program” to encourage compliant LSS households to develop additional skills that will lead to higher paying jobs or self-employment through entrepreneurial efforts.

“...while sustaining long term financial viability of HACC.”

HACC will continue to closely monitor financial resources and grow its entrepreneurial capacity to continue to generate non-federal funding for program operations.

SECTION II – OPERATIONAL INFORMATION

Planned New Public Housing Units

The Housing Authority of Champaign County will not add any new public housing units during the Plan Year.

Planned Public Housing Units to be Removed

The Housing Authority of Champaign County has removed all public housing units from its inventory as of December 2018.

Planned New Project Based Vouchers

The Housing Authority of Champaign County does not have any plans for new Project Based Vouchers in 2021.

Existing Project Based Vouchers

The Haven at Market Place is a new development replacing the former Skelton Place Public Housing Community. Skelton was converted under the RAD Program and assistance was transferred to Haven.

The Haven at Market Place consists of Haven Court, a three-story 98-unit, new construction building and Haven Flats, 24 units of special needs housing.

Picture 1 – Haven Court

Picture 2 – Haven Court Flats Under Construction

Units outside Champaign County will be part of HACC's Annual Contributions Contract and HACC will utilize its MTW Authority to administer the PBV's in these locations. If there is an existing Housing Authority, HACC will execute a Letter of Agreement with the Local Housing Authority.

Under the Illinois Housing Authority Act, if there is no Housing Authority and a municipality has a population of less than 25,000, then another Housing Authority can administer vouchers. The Menard County Housing Authority has historically administered vouchers in downstate areas that do not have a Housing Authority. Thus, HACC will secure an Agreement with Menard to administer the MTW Project Based Vouchers for Newton and Robinson.

Ladd is located in Bureau County which does have a Housing Authority. Bureau has a small voucher program but has advised HACC that they do not have the capacity to administer PBV's and agree to allow HACC to administer the PBV's for this project. We will secure an Agreement with Bureau to administer the MTW Project Based Vouchers for Ladd.

Main Street Lofts is located in the City of West Chicago, in DuPage County. HACC has already secured an Agreement with DuPage County Housing Authority to administer the PBV's for this project.

The chart below identifies all Planned and Existing Project Based Vouchers to be committed, under construction and/or leased during the Plan Year.

Planned Other Changes to the MTW Housing Stock Anticipated During the Plan Year

Other housing changes planned for 2021 includes the repurposing of the 16 Single Family Scattered Site Homes. These units were removed from the Public Housing portfolio on December 20, 2018 through the “de minimis” authority under the Rental Assistance Demonstration (RAD) Program. Two of these homes were acquired at Fair Market Value and demolished by the City of Champaign; and, the remaining 14 units will be repurposed as follows;

- 2 units were used for MTW Activity 2019-1, Re-Entry Transitional Housing Program
- 1 unit is being used as a rental home for the Carle Foundation Hospital *New Beginnings Program* described further in this plan.
- 2 units were auctioned at the 2019 Annual Gala to raise funds for the HACC Scholarship Program which provides educational scholarships to HACC MTW program participants.
- We will continue to work with community organizations to identify uses for the remaining 9 houses in 2021 that directly benefit HACC program participants.
- In 2021 2 units will be repurposed for transitional housing for YouthBuild.

B. LEASING INFORMATION

Planned Number of Households Served

Number of Units to be Occupied/Leased through Local, Non-Traditional, MTW Funded, Tenant-Based Assistance Programs**	0	0
Total Households Projected to be Served	1994	23,928

The noticeable shift in the baseline of total households projected to be served under MTW is due to the increase in housing developments that serve seniors and individuals with special needs. However, moving forward, HACC will adopt a preference to provide vouchers for families with children in order to better meet our baseline.

In order to get closer to our baseline and further analyze numbers, HACC anticipates opening the waiting list in 2021 and providing preferences for families with children.

SECTION III – PROPOSED ACTIVITIES

HACC is proposing one new activity for the 2021 MTW Plan (Year 11).

Activity 2021-01: Construction Trades and YouthBuild Program

DESCRIPTION OF PROPOSED MTW ACTIVITY

Background

On January 1, 2020, The Housing Authority of Champaign County received a \$1.5 million grant to establish a YouthBuild program in our county. YouthBuild is a comprehensive youth and community development program. YouthBuild simultaneously addresses several core issues facing low-income communities: education, housing, jobs, and leadership development. It uniquely addresses the status of unemployed young men and women who have dropped out of school and have no apparent path to a productive future. It allows them to simultaneously serve their communities and build their own future. The YouthBuild program serves individuals who are age 16-24 years old, experiencing unique barriers that make education and employment more challenging.

Description

YouthBuild Pre-Apprenticeship Program

HACC implemented a Mandatory Local Self-Sufficiency (LSS) requirement under its MTW Program in 2012. In reviewing outcomes of the LSS Program, we have identified non-compliance with the educational and work requirements by youth ages 18-24. To creatively address this issue in compliance with HACC's Local Self-Sufficiency Program, HACC will develop a skilled trade Pre-apprenticeship Program that allows heads of households and dependents to participate in YouthBuild. Participation in the YouthBuild Program will be voluntary, but households that experience chronic non-compliance due to members of the household between the ages of 18-24 will be targeted. The YouthBuild Program is intended to expand access to education and provide work opportunities and prevent these individuals from causing their family to lose housing assistance as a result of non-compliance with LSS.

The YouthBuild Pre-Apprenticeship Program shall be comprised of the following components.

Eligibility– Eligibility for the Pre-Apprenticeship Program is limited to individuals from HACC assisted households that have successfully graduated or scheduled to graduate from the YouthBuild Program and continue to reside with the assisted household. Preference will be provided to youth of LSS non-compliant households.

Participation Period – The Pre-Apprenticeship Program shall be for a minimum of 90 days and a maximum period of twelve months. Written performance reviews shall be provided on a quarterly basis so that YouthBuild staff can monitor the individual's performance.

Work Opportunities – To provide participants with maximum opportunity to gain experience in the building trades, work opportunities will be provided at all of HACC's affordable housing development sites. HACC will coordinate with its development partners and general contractors to place participants on construction sites working with skilled tradesmen as often as possible. A YBPA Agreement shall be executed with each work site that identifies the specific duties and responsibilities of each party and assigns an on-site Monitor for the YouthBuild Pre-Apprenticeship participant. If no development projects are in progress at the time of selection of a participant, HACC will provide opportunities to work with HACC staff in building and apartment maintenance.

Pre-Apprenticeship Contract – Each individual selected under the YBPA Program shall execute a Pre-Apprenticeship Contract with HACC prior to commencement of any assigned work. The Pre-Apprenticeship Contract shall outline work responsibilities and performance expectations and shall designate the participant’s assigned Monitor.

Stipend Payments – HACC shall determine a budget on an annual basis for the YBPA Program. Stipends shall be paid by HACC to the YouthBuild Program who will provide a daily stipend to each participant assigned to a HACC development site or working directly with HACC staff. The amount of the stipend shall be determined on an annual basis, but all interns shall receive the same amount.

The stipend will not be included in the family’s income. The stipend will be covered as part of the tuition package for YouthBuild and is intended to assist students with basic needs related to seeking and maintaining educational and career focused goals.

Completion of Pre-Apprenticeship – Successful completion of the Pre-Apprenticeship Program shall be defined as meeting the following criteria:

1. Successful completion of a High School Diploma or GED, or Enrollment in college full time; or starting college part-time and securing a part-time job.
2. Successful completion of an industry recognized credential in an in-demand industry.
3. Accepting a full-time paid position with the General Contractor for whom the participant is working; or, with another company, including HACC.
4. Completing the pre-apprenticeship period as established when initially assigned and actively seeking employment.
5. Leaving due to a medical necessity as documented by a reliable medical source.

Leaving the Pre-Apprenticeship Program for any reason other than those stipulated above shall not be considered successful completion.

Conflict of Interest – In order to ensure that there is no conflict of interest in employing participants, a disclosure form which states that there are no conflicts of interest must be completed by applicants prior to employment.

Statutory Goal Alignment

To meet its MTW statutory goal of “expanding housing choice” and “giving incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient” HACC has embarked on an aggressive schedule to increase the number of affordable housing units developed and owned by HACC or its affiliates, throughout Champaign County and other underserved rural communities of Illinois. HACC intends to utilize its MTW flexibility to develop a pre-apprenticeship program in partnership with the DOL funded YouthBuild program. YouthBuild will provide an opportunity for low-income young people to play a pivotal role in the workforce enlisted to build and develop new units of affordable housing, all while developing valuable skills in the construction trades that will lead to permanent employment, stable housing, and increased overall family income.

IMPLEMENTATION PLAN

Upon HUD approval of each MTW Activity, HACC develops a detailed Implementation Plan which details all operational policies and procedures of the corresponding MTW Activity. More specific operating details of this Activity will be outlined in the Program Implementation Plan which will be incorporated into the Agreement between HACC and YouthBuild.

ANTICIPATED IMPACT OF MTW ACTIVITY

The YouthBuild Program offers young adults ages 16-24 years of age the opportunity to reclaim their futures, gain experience in the building trades, work opportunities and improve the state of housing in their community through a coordinated educational, vocational, and community development curriculum.

COST IMPLICATIONS

Approximately 10 youth from participating households on the MTW Program may participate in the YouthBuild Program. Eligibility will be limited to those who are currently on our MTW Voucher Program. We anticipate all tuition and training material for the YouthBuild Program to be around \$10,000 per participant with a maximum of \$100,000 set aside annually if funding is available.

Additionally, we are requesting that \$40,000 annually be set aside for renovations to former scattered site projects currently owned by HACC's affiliate Maple Grove Development Corporation. These funds will go towards making the homes a valuable part of our community again and expanding the supply of affordable housing in Champaign County.

ANTICIPATED SCHEDULE

The following chart provides the anticipated schedule for development and implementation of this activity.

DATA SOURCE FROM WHICH METRICS WILL BE COMPLETED

HACC Local Self-Sufficiency staff will be responsible for collecting data on a monthly basis from the Program Staff responsible for the management of the YouthBuild Program.

AUTHORIZATIONS

HACC is authorized to undertake this activity through Attachment C(E) which waives certain provisions of Section 23 of the 1937 Act and 24 CFR 984; and Attachment C(B)1 which waives certain provisions of Sections 8 and 0 of the 1937 Act and 24 CFR 982 and 990 as necessary.

WHY AUTHORIZATION IS NEEDED

The YouthBuild Program offers young adults ages 16-24 years of age the opportunity to reclaim their futures and the state of housing in their community through a coordinated educational, vocational, and community development curriculum.

Authorizations are needed to enable HACC to:

- Invest in the renovation of former public housing scattered site homes with the intention to increase access to affordable housing for families in our community;
- Cover the cost of high school diploma attainment for the 10 participants we are proposing to serve through this program and;
- Provide entry level credentials aimed at assisting participants' endeavors in entering the construction industry or other high-paying trades associated with construction or building maintenance.

Activity 2011-2: Triennial Re-certifications

Description - Households in which all members are elderly and/or disabled and there is no earned income shall be re-certified on a triennial basis. Recertifications for households in which all household members are 65 and older or disabled, even if household members have earned income, will be re-certified only on a triennial basis. Households that fall into the category above, will be required to report changes in income and an interim recertification shall be conducted and tenant rent adjusted accordingly.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified in 2019 and no further modifications are planned for 2021.

Activity 2011-3: Mandatory LSS Program

Description - Participation in a self-sufficiency program is a condition of eligibility for new admissions and a condition of continued occupancy for existing residents and participants. All able-bodied individuals ages 18 through 54 are required to actively pursue activities to achieve economic self-sufficiency. The head of the household is required to develop a self-sufficiency plan that identifies goals and objectives for each household member required to participate in the Mandatory LSS Program and is held accountable for progress of all household members.

LSS Requirement – Work requirements shall be based on annual earned income. The minimum earned income for compliance with the work requirement shall be based on the years in which the household has received assistance. Each year, the earned income requirement will increase to prepare individuals for exit from assistance at the end of the 8-year term limit. The income tiers shall be based on percent of the area median income for Champaign County. The chart below reflects the earned income requirements for 2021.

Years on Assistance	Year 1	Year 2	Year 3-4	Year 5-6	Year 7	Year 8
Minimum Earned Income	\$8,580	\$11,700	\$15,600	\$19,565	\$24,960	\$31,200
% of Champaign County AMI	12%	17%	22%	28%	36%	45%

Non-exempt household members may also be enrolled on a full-time basis (as defined by the institution) in an educational program that offers a degree or certificate. Household members enrolled in an educational program must demonstrate successful progress towards the degree or certificate. Progress shall be defined as successfully completing 75% of all required course work on an annual basis.

New Admissions - New Admissions households including households porting from another jurisdiction will be provided one year from the date of the initial lease up in Champaign County to become compliant with LSS requirements.

If a New Admission household is not compliant with LSS requirements prior to submission of a Request for Tenancy Approval, they must meet with an LSS Case Worker and develop an LSS Plan. HACC will not approve a RFTA until the household has developed a plan and executed the LSS Contract.

If a member of a household claims self-employment and is establishing a new business, they must provide documentation required by local, state or federal law of the creation and/or existence of the business.

Rent Changes - If a household member is compliant with the employment requirements and subsequently experiences loss of employment, they shall be granted a 90-day waiver for the employment requirement. No rent change will be processed during the 90-day waiver period. Failure of a household member to re-secure employment within the 90 days shall be grounds for termination of housing assistance. Upon securing new employment, a rent change shall be processed to reflect the new employment wages. Only one waiver period shall be permitted within each calendar year.

If loss of employment is through no fault of the individual (lay-off, company closure, etc.) an extension of a second 90-day waiver may be granted provided the individual can demonstrate that they are actively searching for new employment. In these circumstances, a rent adjustment will be processed as applicable. Failure to secure new employment after a second 90-day waiver period shall be grounds for termination of housing assistance.

Self-Employment - Individuals who are self-employed including childcare home providers must have a total annual gross income equivalent to the applicable State of Illinois minimum wage times 1,300 hours to be considered in compliance with the employment requirements under the LSS Program. Copies of income tax forms filed with the IRS must be provided to claim self-employment; no other documentation shall be acceptable.

Term Limit – Effective January 1, 2016, non-exempt households shall be limited to a maximum housing assistance term not to exceed eight years. The following provisions shall apply.

- The eight-year term shall commence at the first annual recertification that occurs after January 1, 2016.
- All households must comply with all requirements of the LSS Program at all times while receiving housing assistance. Failure to do so will result in termination of housing assistance prior to the maximum term.
- Households whose annual income exceeds 80% of the Champaign County median income at the time of annual recertification shall no longer be eligible for housing assistance. Housing assistance will cease at the end of 60 days from the effective date of the annual recertification.
- If a non-exempt household member becomes exempt while receiving housing assistance the term limits shall no longer apply. If a household previously received housing assistance for a maximum time period but later becomes exempt, they may re-apply for housing assistance and the term limits shall no longer apply.
- Households may not designate an alternate head of household for the purpose of extending term limits. All adult household members shall be subject to the applicable term limit for the household.

SHIFT (LSS Next Steps) – in 2020, HACC added a new component to be known as LSS Next Steps (SHIFT). The recently received FSS Coordinator grant will be used to assist families that are in compliance with LSS requirements but have not yet achieved sufficient self-sufficiency to exit the HCV Program. Focus will be primarily on assisting head of households in developing skills that will lead to higher paying employment opportunities.

Financial Incentive - Financial Incentives will be provided in the form of a goal-based payment system. Families will be required to meet certain benchmarks of self-sufficiency and as a result, they will earn varying cash incentives with a maximum earning potential of \$16,000. In order to receive a credit for a milestone, the household must be in compliance with all MTW requirements for the quarter that the goal was achieved. HACC will establish an escrow account and as goals are achieved the credit will be applied to the account. The goal-based credits will only be paid upon voluntary exit from the program(s) in good standing or completion of Contract of Participation. All credits will be forfeited for any household that is terminated from the program for cause or ports to another jurisdiction for any reason.

No partial credits will be provided; no credit will be earned if any member of the household was non-compliant for any time during the 12-month calendar period. The annual credits will accrue and will only be paid upon voluntary exit from the program(s) in good standing or upon expiration of the 8-year

term limit. All credits will be forfeited for any household that is terminated from the program for cause or ports to another jurisdiction for any reason.

In order to successfully complete the LSS Contract of Participation, participants must meet the following criteria:

1. The head of household has obtained suitable employment and met the minimum annual earned income for compliance. Suitable employment is defined as working full time for at least 12 months.
2. All members of the household have been independent of welfare for at least twelve consecutive months. Welfare is defined as assistance from federal or state welfare programs. It does not include social security, child support payments, Medicaid or similar benefits.
3. Activities listed on the Individual Training and Service Plan must be completed within the designated timeframe.
4. The household is in full compliance with the lease, including no monies owed for repayment agreements to HACC or landlords.

Case Coordination – To assist in the client's successful completion of their Contract of Participation, LSS Coordinators will assist the family in the development of an Individual Training and Services Plan and assure that LSS Program participants are linked to supportive services they need to achieve their economic self-sufficiency goals.

Mandatory Job Retention Training - Individuals who lose employment more than once, for any reason other than a reduction in force, shall be required to enroll, attend and complete a job retention program as directed by their LSS Case Manager.

Dependent School Requirements - School requirements for dependents ages 5 through 18 shall be eliminated as the school district will not provide documentation to HACC regarding attendance. School attendance of a minor dependent will not have any impact on the continued assistance of the assisted household at any time now or in the future.

Update on Status of Activity – This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – The following modification to the LSS Activity in the 2021 Plan is the renaming of the LSS Next Steps program to SHIFT

Activity 2011-4: Tiered Flat Rents and Minimum Rents by Bedroom Size

Description – Flat rent schedules are established annually and are effective on January 1st of each calendar year. Tenant rent is calculated as gross annual income with no deductions or allowances. Gross annual income is calculated pursuant to the HUD regulatory requirements. However, employment income for dependents is included in total household income if they are not also pursuing a training certification or educational degree. Current income exclusions as defined by HUD continue to apply.

The tiered flat rent amount is based on income ranges established in increments of 5% of the Area Median Income (AMI). The applicable flat rent for an assisted household is the corresponding rent for the range in which the gross annual income of the household falls. The flat rent is the amount that the tenant will pay towards rent. Utility allowances are eliminated. Households with gross annual income less than 5% of the Area Median Income (AMI) pay a minimum rent based on bedroom size of the assisted housing unit.

RAD Project Based Vouchers - RAD Project Based Voucher households will pay the applicable flat rent even if it exceeds the contract rent for the unit.

Interim Recertifications - The flat rent determined at the most recent recertification will remain in effect regardless of any increase or decrease in income until the next regularly scheduled recertification. Interim recertifications will be completed only as applicable under the Local Self-Sufficiency Program.

Conclusion of Assistance - Project Based Voucher households with incomes equal or greater than 100% of area median income will no longer be eligible for housing assistance and will be provided with

a 90-day notice to vacate. Tenant Based Voucher participants whose tenant rent exceeds the contract rent on the unit will be provided with a 60-day notice of cancellation of their voucher.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified as described above in the 2016 Plan and was further modified in the 2018 Plan. No further modifications will be made in 2021.

Activity 2011-5: Modified Definition of Elderly

Description - The definition of elderly families in the Public Housing Program and the HCV Program was modified from head or co-head aged 62 or older to all household members aged 55 or older.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – No modifications to this activity are planned for 2021.

Activity 2011-6: Local Homeownership Program

Description - HACC partnered with Habitat for Humanity to utilize its MTW flexibility to fill a gap in affordable homeownership needs in Champaign County. HACC refers existing residents of HACC programs that complete the MTW Mandatory Local Self-Sufficiency Program through compliance with employment requirements. Habitat selects from referrals in accordance with the Habitat Partner Family Selection Process.

Habitat provides all homeownership program services including pre and post home purchase counseling; financial literacy, credit repair and counseling; sweat equity by the home buyer; and, home mortgages at 0% interest, amortized at 25 years. HACC provides a second mortgage at the time of construction completion and closing of permanent financing for the difference between the appraised value of the home and the maximum mortgage that can be supported by the purchaser.

However, HACC's maximum second mortgage is limited to \$40,000 per home. The second mortgage is forgivable at the rate of 5% per year over a 20-year period.

Home Purchase Options - HACC will provide a second mortgage to eligible households to purchase other homes anywhere in Champaign County. The second mortgage is available to cover closing costs, down payment assistance or to write down the price of the home. The second mortgage will be limited to \$40,000 per household; 50% of the total amount will be forgiven at 10% per year over 10 years.

The remaining 50% of the second mortgage shall become due and payable to HACC upon transfer of title to anyone other than the original head(s) of household at the time of the home purchase.

Eligible households will be limited to first time homebuyers who have annual gross earned income of \$40,000 or more per year but less than 80% of AMI; have a continuous employment history of 3 years or more, have a credit score of 650 or more; and are fully compliant with all other MTW LSS requirements. Households with no earned income shall not be eligible for the MTW Homeownership Program. Eligible households must attend pre-purchase and post-purchase counseling programs and be pre-approved by a lending institution located in Champaign County.

Units to be purchased are limited to a single unit such as a single-family home, townhome or condominium. No multi-family structures shall be eligible.

The unit to be purchased must be no more than 15 years old or must have been substantially rehabilitated within the past 10 years and must pass a preliminary inspection by HACC prior to execution of a purchase contract.

HACC will determine on an annual basis the amount of MTW Block Grant funds that will be allocated to the MTW Homeownership Program based on prescreened applicants that meet all eligibility criteria above.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified as described above in the 2015 Plan and in the 2018 Plan. This activity will be further modified in 2021 to eliminate the MOA with Habitat for Humanity. Instead, HACC will expand its Local Homeownership Program to include the provision of a housing counseling program that will provide first time home buyers with pre- and post- purchase counseling, foreclosure prevention and access to homeownership classes, credit counseling and financial education and coaching activities. Additionally, HACC will expand the second mortgage program to any MTW voucher holder participating in self-sufficiency activities leading to homeownership through the SHIFT Program.

Activity 2011-7: Local Project Based Voucher Program

Description - HACC developed and implemented a local Project Based Voucher (PBV) Program to ensure that a greater number of quality units are available to low-income families throughout Champaign County. The local PBV Program includes the following components:

- a. Provision of Project based assistance at properties owned by HACC or an affiliate of the Authority that are not public housing.
- b. Adoption of alternate standards for determining the location of existing, newly constructed or substantially rehabilitated housing to receive subsidy in compliance with the requirements outlined in Attachment C of the MTW Agreement.
- c. Establishment of project-based waiting lists and processing of all project-based activities at the property by the respective property management company.
- d. Elimination of the automatic conversion to tenant-based assistance after one year in the project-based unit.
- e. Project Based Vouchers will be limited to new construction projects or projects that are undergoing substantial rehabilitation. No PBV's will be awarded to existing properties.
- f. HACC will not limit the number of vouchers to be project based in totality or to any individual project. Annually, HACC will identify the PBV's to be committed in its annual MTW Plan.
- g. HACC will commit Project Based Vouchers for units owned directly by HACC or an affiliate that is wholly controlled by HACC without the need for a competitive process if the project is included in the Annual MTW Plan as Affordable Housing Development.
- h. Competitive processes for award of PBV's to other owners will be through a process initiated by HACC or any other entity that requires an application process to award funding for the project. HACC may provide an up-front commitment of Project Based Vouchers contingent on the award of funding. This up-front commitment will not impact the subsequent award of Project Based Vouchers to the project post-funding even if used as a scoring advantage for the project.
- i. A commitment letter provided by HACC shall serve as the Agreement to Enter into a Housing Assistance Payments Contract (AHAP); no further documentation will be utilized until completion of rehabilitation or new construction. A local HAP contract inclusive of all HACC's MTW provisions will be executed upon acceptance of the units by HACC.
- j. Contract rents for Project Based Voucher units shall be limited to 120% of the MTW Local Payment Standard for the applicable PRESM (primary real estate submarket) in which the property is located. All rents shall be supported by an independent third-party market study whether owned directly or indirectly by HACC or another entity.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified/clarified in the 2018 Plan. No further modifications will be made in 2021.

Activity 2012-1: Local Payment Standards

Description – Champaign County has a geographic area of 997 square miles consisting of the urban cities of Champaign and Urbana, the Village of Rantoul and various other small villages and towns.

The diversity of HACC's jurisdiction results in real estate markets that demand rent schedules far beyond those of the HUD published Fair Market Rents.

Utilizing a third-party market research firm, HACC identified that Champaign County has nine (9) Primary Real Estate Sub-Markets. To facilitate administration of Local Payment Standards, HACC identified boundaries for each PRESM that include the entire Village, Town or Township in rural areas of the County and complete census tracts in the urban areas of the County. Using rent analysis data collected by the market research firm, HACC established a unique local payment standard schedule for each of the nine PRESMs. The Local Payment Standards are based on the median market rent by bedroom size within each corresponding PRESM. Each PRESM has two Local Payment Standard Schedules:

1. Schedule for structures that are single family homes, townhomes, duplexes or condominiums.
2. Schedule for structures that contain three or more apartment units.

The Local Payment Standard is the “net” rent and is the maximum rent that HACC will approve except at Project Based Properties. On an annual basis, HACC secures an updated market rent study and analysis and reviews the Local Payment Standards. If local market rents have changed (increased or decreased) by more than 5% in a given year, the corresponding payment standard schedule is adjusted accordingly.

Update on Status of Activity – This activity is fully implemented and will remain ongoing during 2021.

Changes or Modifications – This activity was modified in 2020, we do not expect any changes or modifications in 2021.

Activity 2012-2: Acquisition without HUD Prior Approval

Description - To facilitate the development activities described, HACC will utilize its authorization to acquire sites without prior HUD approval and will certify that the HUD site selection requirements have been met.

Update on Status of Activity - This activity is fully implemented and will be ongoing with no changes or modifications.

Changes or Modifications – No change or modifications of this activity will be undertaken in 2021.

Activity 2012-3: Affordable Housing Development

Description - To facilitate development activities, HACC will utilize its authorization under the Second Amendment to the Amended and Restated Moving to Work Agreement (Amendment to Attachment D) to use Replacement Housing Factor Funds for Development under Option 3. HACC

Update on Status of Activity - This activity is fully implemented and will be ongoing with no changes or modifications. The following developments are expected to be ongoing during 2021:

ONGOING DEVELOPMENT IN 2021	
PROJECT NAME	DESCRIPTION
Ladd Senior Housing	Development of 40-unit senior project in the Village of Ladd as part of HACC's goal to expand housing to underserved rural areas of the State. Partnership with Laborers Home Development Corporation, a local non-profit affiliated with the Labor Unions. HACC, through a related affiliate will be a member of the GP and have first right of refusal and will provide 11 Project Based Vouchers. Closing anticipated in Q4 of 2020 and construction completion scheduled in 2021.
Sugar Creek Crossing	Development of 43-unit senior project in the Village of Robinson as part of HACC's goal to expand housing to underserved rural areas of the State. Partnered with a for-profit developer, HACC, through a related affiliate will be a member of the GP and have first right of refusal and will provide 11 Project Based Vouchers. Closing anticipated in Q4 of 2020 and construction completion scheduled in 2021.
Newton Senior Housing	Development of 35-unit senior project in the Village of Newton as part of HACC's goal to expand housing to underserved rural areas of the State. Partnered with a for-profit developer, HACC, through a related affiliate will be a member of the GP and have first right of refusal and will provide 9 Project Based Vouchers. Closing anticipated in Q4 of 2020 and construction completion schedule in 2021.
Main Street Lofts	Development of a 24-unit permanent supportive housing for individuals with special needs located in West Chicago. HACC has entered into an Agreement with the DuPage County Housing Authority to administer MTW Vouchers for this project. Closing anticipated in Q4 of 2020 and construction completion schedule in 2021.
Other Rural Sites	Identification and submission of additional 9% Low Income Housing Tax Credit applications to continue the goal to expand housing to underserved rural areas of the State.

Update on Status of Activity – This activity is fully implemented and will be remain ongoing during 2021.

Changes or Modifications – No change or modifications of this activity will be undertaken in 2021.

Activity 2013-1: Rightsizing Vouchers

Description - Housing Choice Voucher Program participants will be required to lease a unit equal to or smaller than the size of the voucher issued. HACC will utilize the existing subsidy standards as detailed in its HCV Administrative Plan to determine the size of a voucher to be issued to a family.

A Request for Tenancy Approval will be considered only if the unit selected by the family contains an equal or lesser number of bedrooms than those listed on the voucher issued.

Update on Status of Activity - This activity was approved in the 2013 Plan and was closed out in 2016. This was initially a one-time activity that was fully implemented over a three-year period. All existing participants were right sized during the implementation period and all newly admitted participants may only lease a right sized unit. However, we would like to re-open this Activity with the following modifications.

Changes or Modifications – This activity was modified/clarified in the 2019 Plan. No further modifications will be made in 2021.

Activity 2015-1: Emergency Family Shelter Program

Description - The Emergency Family Shelter Program provides temporary shelter and intensive case management services for homeless families with dependent children. Families are eligible to stay in a shelter unit for a temporary period of 30 days with extensions up to 45 days. Families must agree to participate in case management services to remain in the shelter.

The Emergency Family Shelter Program is located at Maple Park Manor; a property consisting of two buildings of 12 units: 2 one-bedroom units and 10 two-bedroom units. Of the 24 units, 1 unit is an office to deliver case management services; 8 units are temporary emergency shelter; and the remaining 15 units are Permanent Supportive Housing for homeless families.

Under a three-way Memorandum of Agreement, the Champaign County Continuum of Care is responsible for administration and oversight of all program policies and procedures for the eight shelter units including furnishings, housekeeping and preparing units for re-occupancy. United Way funds intensive case management services and manages the Case Management Services Contract with Regional Planning. HACC is responsible for property management and building maintenance services for all units in the property. HACC provides Project Based Vouchers for the 15 transitional units and an operating subsidy to support the 8 Emergency Shelter Units. The operating subsidy is equal to the actual per unit operating costs.

Upon successful completion of one year of compliance with Case Management Services and residing in a Permanent Supportive Housing unit, families will be eligible to request conversion of project-based assistance to a tenant-based voucher. Case Management staff will assist the families in locating alternate housing with the tenant-based voucher. This turnover will provide for the availability of a Permanent Supportive Housing unit to another family in the Emergency Shelter Program.

Families residing in the Shelter units will transfer to the Transitional Housing units or may be eligible to receive a tenant-based voucher to locate alternate housing when determined by the Case Management Staff.

Families in the Transitional Housing units shall be eligible to receive a tenant-based voucher to locate alternate housing when determined by the Case Management Staff but may not remain in the Transitional Housing unit beyond 12 months.

Case Management Staff will assist the families in locating alternate housing with the tenant-based voucher. This turnover will provide for the availability of a Transitional Housing unit to another family in the Emergency Shelter Program.

Families receiving a tenant-based voucher will be exempt from the MTW Local Self-Sufficiency requirements for one year. Upon the first anniversary of the lease agreement under the tenant-based voucher, families must be compliant with MTW LSS requirements.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified/clarified in the 2019 Plan. No further modifications will be made in 2021.

Activity 2020-2: Community Improvement and Support Initiative

Description – HACC will implement a Community Improvement and Support Initiative to repurpose fourteen single family scattered site homes. The anticipated use of the homes is described below.

- 2 units are being used for MTW Activity 2019-1, Re-Entry Transitional Housing Program
- 1 unit is being used for MTW Activity 2020-2, Community Improvement and Support Initiative as a rental home for the Carle Foundation Hospital *New Beginnings Program*.
- We will continue to work with community organizations to identify uses for the remaining 6 houses in 2020 that directly benefit HACC program participants.

The following provisions will apply to this activity.

1. HACC will not be paying for or providing any direct services under this activity.
2. The non-profit organizations will not pay any rent to HACC but will assume all operating costs of the house(s).
3. HACC may provide or complete rehab up to a maximum of \$20,000 per house.

Update on Status of Activity – This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity will be modified in 2021 to combine already approved MTW activities 2019-1 Re-entry Transitional Housing Program, 2020-1 Illinois Commitment Student Voucher Program and 2020-2 Community Improvement and Support Initiative under one program called the Sponsor Based Voucher Program.

Sponsor Based Voucher Program

Objective – To provide housing choices for vulnerable populations that need housing stability in order to be more successful in their participation in a self-sufficiency initiative.

Background – To meet the MTW statutory goals of expanding housing choice and building self-sufficiency, the Housing Authority of Champaign County proposes the development and implementation of a Sponsor Based Voucher Program. Through this program, HACC intends to creatively address the housing needs of “hard to house” populations through strategic engagement, goal mapping, and need stabilization for low-income families being serviced by one of our community partners.

In previous plans, HACC has received approval for the following MTW activities:

1. 2019-01 Re-entry Transitional Housing Program
2. 2020-01 Illinois Commitment Student Voucher Program
3. 2020-02 Community Improvement and Support Initiative

In order to better streamline the current process that serves individuals through these approved activities while also expanding our services to meet the needs of other vulnerable populations, the Sponsor Based Voucher Program will work to effectively address the needs faced by families hard to house due to inability to be approved by a landlord based on background, lack of income, income level, and/or credit score.

Priority will be given to providers serving families with children working toward self-sufficiency. MTW funds will be used to provide a rental subsidy to a third-party entity (other than a landlord or tenant) who manages intake and administration of the subsidy program.

Sponsor Based Voucher Program

Over the past two years, HACC has been diligent in the research and development of community need-based housing programs. HACC proposes to utilize its MTW flexibility to develop a Sponsor Based Voucher (SBV) Program that addresses housing insecurity of high-need families. HACC intends to partner with local service providers that work directly with the hard-to-house population including individuals with psychiatric, developmental and behavioral disabilities, and criminal backgrounds. Participants of the program receive housing assistance from HACC and intensive support services/case management from the local service provider/HACC partner. It is important to note that service providers may serve more than one household/individual per voucher during the fiscal year. The following table reflects HACC's plan for sponsor-based housing.

Service Provider	Start Date (Anticipated)	Target Population	# of Sponsor Based Vouchers
Women in Need Recovery	Implemented 2018	Women's Re-entry	6
First Followers	Implemented 2018	Men's Re-entry	6
University of Illinois	<i>Approved 2019 Anticipated implementation 2020</i>	Students in assisted households seeking opportunities for higher education	5
YouthBuild	<i>Proposed January 2021</i>	YouthBuild participants aged 16-24 experiencing homelessness	5
(Unselected) Family Service Provider	<i>Proposed January 2021</i>	Families	10

Implementation Plan

Upon HUD approval of each MTW Activity, HACC develops a detailed Implementation Plan which details all operational policies and procedures of the corresponding MTW Activity. More specific operating details of this Activity will be outlined in the Program Implementation Plan which will be incorporated into the Agreement between HACC and YouthBuild.

Activity 2020-3: Good Steward Lease Purchase Program

Description

HACC will work with owners of Low-Income Housing Tax Credit rental properties where the units have been designed to be compatible with homeownership units in the applicable community and which meet local City codes to be sold as homeownership.

The Good Steward Program will be offered during the initial tax credit compliance period to prepare rental residents for homeownership and shall be comprised of the components described below.

Rental Phase – The initial 8 years of the tax credit compliance period at any applicable LIHTC property shall be the rental phase only of the program. Beginning in year 9, existing residents must elect to convert their tenancy to a lease purchase arrangement. Residents opting out of the lease purchase program shall exit the program if at the end of the MTW Term limit; move to another Project Based Voucher unit; or receive a Tenant-Based Voucher for the remaining period of their MTW Term limit.

First Right of Refusal – Beginning with year 9 of the tax credit compliance period, existing residents and all newly admitted residents will execute a first right of refusal agreement which provides them with the option to purchase the unit at the end of the tax credit compliance period. The FROR will detail all provisions of the Good Steward Lease Purchase Program.

Right Size Unit – During the rental phase of the project, residents will be required occupy an appropriate size unit in accordance with the number of household members. If an appropriate size unit does not exist at the property, residents will be right sized to the smallest unit size available. Upon execution of the First Right of Refusal, residents shall be eligible to remain in the unit which they intend to purchase regardless of changes in household size. HACC shall enter into a separate agreement with the corresponding municipality, for each applicable LIHTC property participating in the Good Steward Lease Purchase Program, to pay the costs of the difference between the right size unit and the actual unit until such time that the unit is purchased by the resident.

Financial Literacy and Credit Repair – Upon determination of eligibility for the Low-Income Housing Tax Credit rental unit, a credit report will be reviewed to determine the current credit score of each household. A credit repair or credit stabilization plan will be developed for each household as needed, to enable sufficient time to repair credit and/or maintain good credit prior to the end of the tax credit compliance period. Financial literacy classes will be offered on a regular basis to support residents progress on the credit repair or credit stabilization plan and will include such topics as personal budgeting; energy conservation; understanding recourse versus non-recourse debt, home equity and other financial topics.

Counseling and Training – During the rental phase of the Good Steward Program, expectations and standards to which residents must maintain their housing unit will be clearly defined. Training classes will be offered to residents and will focus on interior and exterior maintenance; energy cost savings; being a good neighbor; and other topics to support compliance with lease requirements while preparing for homeownership. Individual counseling will be required when residents are in violation of lease requirements.

Equity Credits - Rental residents can earn equity credits to be used for the purchase of their housing unit at the end of the tax credit compliance period. Credits will be earned based on compliance with the following requirements:

1. Maintaining the exterior areas for which tenants have responsibility and the interior of the unit in accordance with requirements stipulated in the lease agreement.
2. Timely payment of tenant rent and other charges pursuant to the lease agreement.
3. Adherence to all other terms and conditions of the lease agreement and addenda including policies regarding visitors and guests.
4. Compliance with obligations set forth in the Project Based Voucher Statement of Family Obligations.
5. Compliance with all MTW Self-sufficiency requirements as stipulated in the MTW Local Self-Sufficiency contract.

Residents will earn a Good Steward credit of \$500 each calendar quarter towards the purchase of the housing unit in which they reside when they have remained compliant with all criteria outlined above during that quarter. At least annually, residents will be provided with a written statement of the amount of their earned equity credit. Credits shall only be applicable towards the purchase of a unit at the Tax Credit property and are not transferable to any other housing unit and cannot be claimed in cash.

The Property Management Agent for the property will conduct quarterly inspections to determine compliance with lease provisions. HACC will certify compliance with PBV and MTW requirements and provide certifications to the Property Management Company who will be responsible for tracking each tenant's accumulated credits.

Purchase Qualification – Residents must meet the following qualification criteria to be eligible to purchase their housing unit.

1. Total annual household income cannot exceed 80% of the area median income for Champaign County at the time of purchase.
Households must be able to secure a minimum mortgage from a qualified financial institution equal to the difference between the established value of the housing unit and the total amount of the Good Steward equity credits earned as a rental tenant. If equity credit is insufficient, tenants may secure down payment assistance from other sources or provide the required down payment amount from personal resources.
2. Maintain their housing unit so that it will pass the required home inspection of the lender and/or have the available resources to correct any deficiencies required as a condition of closing.

Approximately one year prior to the expiration of the tax credit compliance period, each resident desiring to purchase their housing unit shall be pre-qualified by a local financial institution approved by HACC, to determine the mortgage amount for which they can qualify. The Good Steward Program will provide the financial institution with confirmation of the total equity credit earned by the resident and the applicability of the credit as “down payment” towards the purchase of the housing unit.

Minimum Sales Price

The purchase price of each home shall be based on the costs to convert the project from rental housing to for-sale housing. These costs shall include the balance of the outstanding debt at the end of the tax credit compliance period plus an amount not to exceed the estimated exit taxes of the private partners in the ownership structure. The total of these costs divided by the number of units converting to homeownership plus the maximum Good Steward equity credit of \$30,000 and estimated closing costs shall establish the minimum per unit sales price.

An estimated sales price will be calculated and stated in the first right of refusal agreement executed by each resident. If at the end of the tax credit compliance period, the appraised value of the home is

less than the established sales price, HACC will fund the difference between the appraised value and the minimum sales price based on availability of funds.

A minimum of twenty-four months prior to the end of the tax credit compliance period, residents must advise management of their intent to exercise their first right of refusal.

Any resident who chooses not to exercise the FROR, shall be provided with a twelve-month notice of non-renewal of their lease agreement. No further housing assistance will be provided to the resident and they shall forfeit all Good Steward Equity Credits.

This activity will be implemented as follows.

1. Only properties in which HACC or a related affiliate have an ownership interest will be considered for this activity.
2. Properties must be located in Champaign County to participate in this activity.
3. The initial activity will be a Pilot program for Bristol Place and will be implemented in conjunction with the City of Champaign under the Intergovernmental Agreement between HACC and the City.
4. All services to be provided to residents to prepare for homeownership under this activity will be provided through community partnerships and not directly by HACC.

ACTIVITIES NOT YET IMPLEMENTED

ACTIVITIES ON HOLD

HACC has no MTW Activities on hold.

ACTIVITIES CLOSED OUT

The following activities have been closed out.

Activity 2011-1: Local Investment Policies

This activity was approved in the 2011 Plan and was closed out in 2017 due to the conversion of the Public Housing portfolio under RAD and changes in HUD's cash management policies for the Voucher/MTW Block Grant Funding.

An MTW activity is no longer needed as funds generated from affiliated owned properties (RAD and others) are not federal funds and HACC can invest these funds pursuant to State regulation. HUD now retains the previous MTW Block Grant funds in a HUD held reserve resulting in minimal cash available to invest at the local level.

Activity 2014-1: Local Inspection Standards

This activity was approved in the 2014 Plan and modified in the 2015 Plan; however, it was never implemented. The activity was closed out in 2016. The intent of the Local Inspections Standards was to utilize local building codes for inspection of Housing Choice Voucher units. Champaign County has three major municipalities, and each has a distinct building maintenance code.

In development of this activity, HACC had anticipated that the local building inspectors would perform the inspections in their corresponding jurisdiction. After further analysis local building code inspectors were not cost effective. Additional analysis demonstrated that having HACC inspections staff utilize four different inspections standards proved an administrative burden. Therefore, it was determined that it was best to close out this activity as it would not meet any of the statutory objectives under the MTW Program.

HACC will continue to utilize the Federal Housing Quality Standards (HQS) for the Housing Choice Voucher Program and will conduct biennial inspections; initial move in inspections; and complaint inspections. HACC will contract with a third-party inspection firm to conduct all inspections of any units owned directly or indirectly by HACC or an affiliate.

ACTIVITY 2019-1: RE-ENTRY TRANSITIONAL HOUSING PROGRAM

Description - The Reentry Council identified housing as the key issue impacting the success of individuals returning to Champaign County after prison. At the request of the Champaign County Reentry Council and its member organizations, HACC partnered with two local non-profits that provide direct services to individuals returning to the community from prison to provide Reentry Transitional Housing.

First Followers is a community-based organization that since 2015 has run a drop-in center where they provide services and support for people returning from prison. First Followers' First Steps Community Housing (FSCH) will be a transitional residence for six people returning home from men's prison in the IDOC. The goal of First Step Community Housing is to provide a safe, stable, and supportive living environment for people transitioning from prison to the community. FSCH will provide residents with trauma-informed guidance and support to help them achieve employment, educational development and healing as well as gain access to social services and healthcare. FSCH will also assist residents to strengthen family and community relationships and install a spirit of "giving back" in

keeping with First Followers' motto: *"Building Community through Reentry."* The estimated overall time period in which individuals will reside in the Re-entry Transitional House is 90 days to 12 months.

Women in Need (WIN) Recovery is a community-based organization that provides a reentry and recovery foundation for women and the LGBTQ community. The WIN Recovery House will be a transitional residence for women and the LGBTQ population that are returning from prison and/or have completed treatment and are returning from another shelter or halfway house. The goal of the Recovery House is to provide individuals with stable housing based on recovery support groups and peer mentoring.

The WIN Recovery Housing transitional program will use a three-phase approach: Phase I – Build a stable foundation in reentry and recovery (90 days); Phase II – Maintain stable foundation in reentry and recovery and establish employment and/or educational desires (4 to 8 months); and, Phase III – Finalize groundwork to achieve independence.

HACC provided two 4-bedroom houses that were rehabilitated to support the Reentry Transitional Housing Programs and entered into a "Use Agreement" with First Followers and Women in Need Recovery for use of the houses. HACC provides an operating subsidy to support the Reentry Transitional Houses, equal to the actual per unit operating costs for maintenance, and insurance.

HACC is responsible for property management of the houses; performs any critical maintenance to structures or systems and provides insurance coverage. First Followers and WIN are responsible for managing the day to day operations of the housing units including routine maintenance, utilities, cleaning and turnover of vacant rooms, and provision and replacement of all furnishings and supplies.

Upon successful completion of the transitional housing period as certified by First Followers and WIN, individuals will be eligible to request a tenant-based voucher. HACC will allocate MTW Reentry Tenant Based Vouchers for the program each calendar year. Provided that funding is available, 24 vouchers for individuals successfully exiting the Re-Entry Transitional Housing Program will be provided annually.

HACC policies regarding criminal background shall be waived for individuals determined eligible for an MTW Reentry Tenant-Based Voucher with the exception of registered sex offenders and individuals with a conviction for the production or manufacture of methamphetamine on the premises of federally assisted housing. Individuals with these crimes will be ineligible for an MTW Reentry Tenant-Based Voucher. Individuals receiving an MTW Reentry Voucher will have one year from the effective date of the initial HAP contract to be compliant with all MTW self-sufficiency requirements.

Case Management and/or Peer Mentors will advocate with local landlords to assist individuals with the MTW Reentry Tenant-Based Voucher to locate alternate housing. Extensions of the Reentry vouchers will be granted for a period not to exceed six months to allow sufficient time to secure alternate housing.

This activity was modified to expand and include the Re-Entry Rental Housing Support Demonstration Program which will provide rental assistance for individuals exiting the State prison system. The program will serve two extremely low-income populations:

1. Elderly and/or disabled; and
2. Enrolled in a graduated reintegration program with a post-release plan that includes employment.

Rental assistance will be provided to landlords in quarterly payments equal to the difference in the

reasonable rent for the unit and the tenant portion of rent, which will be based on a percentage of income. Eligible tenants will be referred by the Illinois Department of Corrections (IDOC) to the selected Re-Entry Program housing provider as well as a local social service provider. Potential participants will have received in-depth programming prior to release and will be released on parole directly into an RHS Re-Entry unit. Potential tenants will have a post release service plan as well as the support of a local service provider. This demonstration program will use Rental Housing Support (RHS) funds, which originate from a \$10 real estate document recording fee, to fund the rental assistance.

Rental Assistance provided to participants under this Activity will be for housing located only within Champaign County.

Update on Status of Activity - This activity is fully implemented and will be ongoing in 2021.

Changes or Modifications – This activity was modified in 2021 to be implemented under the approved MTW Activity 2020:02 Community Improvement and Support Initiative.

Activity 2020-1: Illinois Commitment Student Voucher Program

Description

Illinois Commitment is a financial aid package that provides scholarships and grants to cover tuition and campus fees at the University of Illinois for students who are Illinois residents age 17 to 24 and have a family income of \$61,000 or less. DACA and undocumented students do not qualify for this program. Students age 24 and over will be reviewed on a case-by-case basis. Illinois Commitment will cover tuition and campus fees for new freshmen for up to four (4) years, eight (8) semesters of continuous enrollment, and tuition and campus fees for up to three (3) years, six (6) semesters of continuous enrollment for new transfer students. The University will cover the cost of tuition and campus fees not covered by other federal, state, institutional and private awards including Federal Pell Grant, State of Illinois MAP Program (MAP), and other awards.

Illinois Commitment does not cover the additional costs associated with room and board, course fees, summer classes, winter classes, intercampus enrollment, concurrent enrollment, study abroad, co-op, internship or other student expenses.

The Housing Authority of Champaign will offer Student Vouchers to members of HACC assisted households who are compliant with HACC's MTW Local Self-Sufficiency Program; have been approved for admission at the University of Illinois, Urbana-Champaign Campus; and are receiving assistance under Illinois Commitment. The Student Voucher will cover the full cost of on-campus housing during the time the student is actively enrolled at the UIUC Campus as a full-time student and maintains a passing grade point average.

The following provisions will apply to this activity.

1. The costs covered under the Program are for shelter (room) costs only. There is not student contribution (no tenant rent).
2. The selected student will be removed from the household once approved for this program. If the assisted family is over-housed when the student moves to campus housing, the household will be rightsized to an appropriate size voucher.
3. Students will be allowed to return to the assisted household as a "guest". HACC will provide an exception to the "guest" policy for students enrolled in this program that would enable the guest to be in the household for up to 90 days in a calendar year.

4. Students selected for the program are not considered “voucher” holders as no actual voucher will be issued; thus, no voucher provision will apply, and the assistance is not portable and cannot be used anywhere except for campus housing.
5. HACC will determine an annual budget for this activity and the number of students selected will be based on the designated budget amount. HACC will launch this activity as a Pilot program in 2020 and allocate \$50,000 for this activity to serve up to 5 students.
6. This activity is not limited only to HACC participants but will be available to anyone throughout the State of Illinois. However, priority shall be provided in order to: a) HACC assisted households; b) HACC wait list applicants; c) other residents of Champaign County; and 4) other residents of the State of Illinois.

Update on Status of Activity – This activity is still in its development phase but is anticipated to be fully implemented by the fall 2021 college semester.

Changes or Modifications – This activity was modified in 2021 to be implemented under the proposed MTW Activity 2020:02 Community Improvement and Support Initiative.

CERTIFICATIONS OF COMPLIANCE

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT OFFICE OF PUBLIC AND INDIAN HOUSING

Certifications of Compliance with Regulations: Board Resolution to Accompany the Annual Moving to Work Plan

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chairman or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning (01/01/ 2021), hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- (1) The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.
- (2) The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.
- (3) The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).
- (4) The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
- (5) The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- (6) The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the MTW PHA's jurisdiction and a description of the manner in which the Plan is consistent with the applicable Consolidated Plan.
- (7) The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(0) and 24 CFR 903.15(d), which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(0)(3). Until such time as the MTW PHA is required to submit an AFH, and that AFH has been accepted by HUD, the MTW PHA will address impediments to fair housing choice identified in the Analysis of Impediments to fair housing choice associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.
- (8) The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
- (9) In accordance with 24 CFR 5.105(a)(2), HUD's Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
- (10) The MTW PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
- (11) The MTW PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
- (12) The MTW PHA will comply with requirements with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
- (13) The MTW PHA will comply with requirements with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.

- (14) The MTW PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
- (15) The MTW PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
- (16) The MTW PHA will provide HUD or the responsible entity any documentation needed to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58. Regardless of who acts as the responsible entity, the MTW PHA will maintain documentation that verifies compliance with environmental requirements pursuant to 24 Part 58 and 24 CFR Part 50 and will make this documentation available to HUD upon its request.
- (17) With respect to public housing and applicable local, non-traditional development the MTW PHA will comply with Davis-Bacon or HUD determined wage rate requirements under section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
- (18) The MTW PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
- (19) The MTW PHA will comply with the Lead-Based Paint Poisoning Prevention Act and 24 CFR Part 35.
- (20) The MTW PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments) and 24 CFR Part 200.
- (21) The MTW PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the Moving to Work Agreement and Statement of Authorizations and included in its Plan.
- (22) All attachments to the Plan have been and will continue to be available at all times and all locations that the Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the MTW PHA in its Plan and will continue to be made available at least at the primary business office of the MTW PHA.

22 October 2020

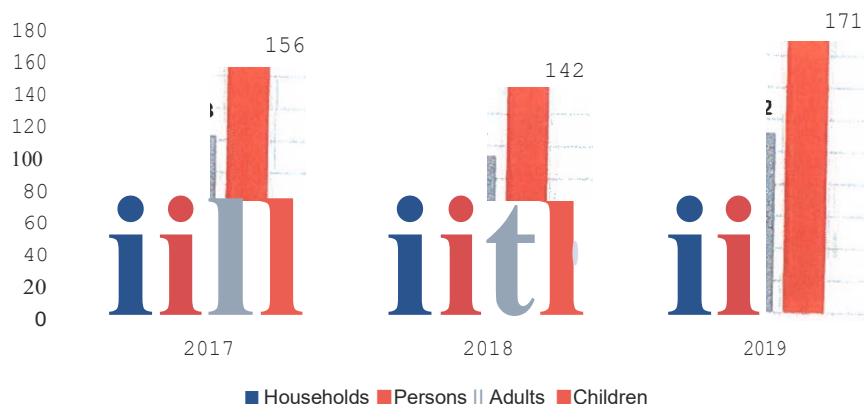

Dear Mr. Northern & Housing Authority Board of Commissioners,

The Champaign County Continuum of Service Providers to the Homeless (CSPH) is grateful to the Housing Authority of Champaign County for opening public comments on the 2021 Move to Work Administrative Plan. The CSPH is a consortium of over 30 agencies working to end homelessness in Champaign County. We value the HACC's membership in our group, and your continued collaboration in our work together.

We make four recommendations for the 2021 MTW Administrative Plan:

- 1) Expand the number of Emergency Shelter Units offered through Project **Based Vouchers in the set-aside collaboration between HACC, United Way, and the Regional Planning Commission**. Currently, 8 of the 12 units in the building are utilized for emergency shelter (one is used as an office for on-site services). The wait list for the emergency shelter project often hovers between 2 and 4 households. The remaining 3 units in the building are already PBV units in use for transitional housing, shifting them to emergency shelter **is a** minor adjustment that would assist our community in ensuring there is sufficient supply of emergency shelter for families with children in Champaign County.

2) **Restore the homeless preference eliminated in the 2019 MTW Admin Plan.**

Prior to the 2019 change, HACC maintained a preference for those in the community experiencing homelessness to access housing vouchers. This preference ensured those most in need received housing assistance. HUD rewards communities who do have homeless preferences at their housing authorities through the HUD Continuum of Care Program Competition, which specifically asks if the PHA has a general or limited homeless preference. The restoration of this preference will allow the CSPH to be more competitive in HUD grant competitions.

Throughout COVID-19, the HACC restored this preference on a temporary basis in recognition of the critical need of the homeless population, a need which will persist in 2021. Throughout, the HACC and CSPH agencies have coordinated in an unprecedented way to ensure our most vulnerable are referred to HACC vouchers with CSPH agencies supporting applicants during the referral. There has been no better time than now to codify this preference, when it will do the most to protect both our most vulnerable and our community at-large.

3) **Provide flexibility for households who are not able to submit payments electronically.** The 2021 MTW Plan continues a goal to move to mandatory online payments for all properties managed by HACC. Access to technology, including internet access and the ability to maintain a bank account, are barriers for some households to meet this mandate. The CSPH asks the HACC to continue offering flexible payment methods for tenants, as is current practice, and write such flexibilities into the MTW Plan to ensure all clients can successfully complete rent payments.

4) **Increase engagement with the CSPH.** The CSPH, as the IL-503 HUD Continuum of Care, and the HACC, as the HUD PHA for Champaign County, are two entities with similar missions, similar rules and regulations, and who are both accountable to HUD. HUD has issued guidance over the years to encourage and facilitate strengthening collaborations between CoCs and PHAs. In some communities, PHAs are the flagship agencies for Continuums. Specifically, there are several areas in the 2021 MTW Plan where HACC could name the CSPH and utilize our expertise in working with the most vulnerable:

- a. Page 2, Goal 3, item d, CSPH has recently completed intensive technical assistance to improve diversion efforts in the community, and a collaboration here could be fruitful.
- b. Page 5, second bullet under "Development plans for 2021..." the CSPH membership holds expertise on several of these populations and would speak to the needs of the most vulnerable.

As the HUD Public Housing Authority for Champaign County, the HACC is the leading agency for housing and access to housing related supports. Among all the intersections associated with homelessness, housing is the foundational need, which must be addressed before any other interventions can succeed. The Department of Housing & Urban Development emphasizes this with their identification of Housing First as best practice in housing and homelessness programs alike.

The CSPH's mission of ending homelessness relies, above all else, on the **availability** of housing and housing supports. We believe these recommendations, if adopted, would significantly enhance our community's **ability** to make homelessness rare, brief, and one-time. We look forward to continuing our partnership with the HACC for years to come.

Sincerely,

The Continuum of Service Providers to the Homeless

RE: Public Comment on 2021 MTW Plan

Community Improvement & Support Initiative Modification Request

As a supporter of the YouthBuild program and an advocate for the needs of young people in our community, I am requesting that the housing authority cover the cost of housing YouthBuild participants in the upcoming transitional housing partnership through the community improvement and support program.

The cost to house participants of the YouthBuild program is a \$48,000 investment into the prevention of homelessness for minority young people ages 16-24.

In HACC's new plan There are two (single room occupancy) SRO traditional living houses with a total of 8 living bedrooms (4 per home) monthly rent priced at \$250 per unit. The yearly cost totals to \$48,000. for both dwellings.

Requested Budget Adjustment

As opposed to tenant responsibility for monthly rent costs, it is proposed to use MTW Single Funds Flexibility to offset the rent expense due to the financial hardship/low-income status of its residents (YouthBuild students).

Thank you,

Maurice Hayes
