B. Overview

The Housing Authority of Columbus, Georgia (HACG) was created in 1938 and is a public body, both corporate and politic, governed by a seven-member Board of Commissioners appointed to terms by the Mayor of the Columbus Consolidated Government. HACG is located on the west-central part of the State of Georgia in Muscogee County, approximately 90 minutes southwest of Atlanta and ranks as the third largest city in Georgia. Columbus is home to the U.S. Army Fort Benning and The Maneuver Center of Excellence, has the longest urban whitewater course in the world, and a zipline across the Chattahoochee River. The city has transformed the downtown with restaurants, retail, luxury apartments and hotels.

HACG also provides all maintenance, management, financial, and administrative services for three small housing authorities located within a 50-mile radius of Columbus, Georgia. These small authorities each have fewer than 80 dwelling units.

HACG’s Mission Statement:

The mission of the Housing Authority of Columbus, Georgia, is to be the foremost provider of quality, affordable housing in the Columbus region by developing, revitalizing, and managing contemporary housing communities.

HACG is proud to be designated as 1 of 39 MTW agencies. HACG was designated as an MTW agency in December 2012 and entered into a 5-year MTW Agreement with the US Department of Housing and Urban Development (HUD), effective July 2, 2013. On April 14, 2016, the agreement was extended to the end of HACG’s fiscal year 2028. HACG signed the Third Amendment to the Standard MTW Agreement on March 25, 2020. The MTW designation has propelled HACG to accomplish its mission by allowing for redevelopment and RAD conversion. HACG actively supports and encourages other PHAs to participate in the MTW Expansion efforts.

Prior to signing its MTW Agreement with HUD, HACG managed a diverse rental portfolio complete with market-rent units, PH units, Project-Based Rental Assistance (PBRA) units, Project-Based Voucher (PBV) units, Single-Room Occupancy (SRO) certificates, and Tenant-Based Vouchers (TBVs), that addressed various low-income family compositions. Since then, HACG has added Low-Income Housing Tax Credit (LIHTC) units, additional Tenant-Protection Vouchers (TPVs) and Veteran Affairs Supportive Housing (VASH) vouchers to its rental portfolio, which increases programming diversity and complexity.

HACG also sponsors and/or supports a Family Self-Sufficiency (FSS) Program, a Section 8 Homeownership Program, multiple Neighborhood Network Centers (NNC), and provides local transportation services for program participants at HACG-owned sites.

December 2020, HACG was the eighth Public Housing Authority to be awarded the “National Affordable Housing Accreditation” from The Affordable Housing Accreditation Board (AHAB)” and the fourth MTW agency to receive accreditation. The Accreditation is an award for a five-year period. Housing
providers are evaluated on 8 standards and 47 guidelines; each one measuring how effectively the organization’s board, leadership and staff meet their mission of providing high quality affordable housing and related services. AHAB Accreditation encourages accredited organizations to continuously improve and excel in providing safe, well managed, high quality affordable housing in their communities.

MTW is a national demonstration program authorized by Congress which gives HACG the flexibility to waive certain statutes and HUD regulations pertaining to both housing assistance programs (housing choice vouchers and public housing). The MTW Program provides HACG opportunity to utilize the use of Federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families by introducing new innovative ideas to HUD that addressing at least one of the three MTW statutory objectives.

The objectives are:

1. Reduce cost and achieve greater cost effectiveness in federal expenditures.
2. Give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training educational or other programs to assist in obtaining employment and becoming economically self-sufficient; and
3. Increase housing choices for low-income families.

HACG MTW activities are all designed to promote one or more of the MTW statutory objectives. HACG believes its MTW designation is the result of many years of laying the foundation for innovation at HACG and through the successful management of its housing assistance programs, as well as being an industry innovator. The MTW activities allows HACG to learn if the introduced idea provides a positive or negative impact to the agency and/or to the residents.

HACG provides this document for public inspection/review for all interested parties to share their thoughts and comments. The annual document was available for review and comment from January 20, 2021 through February 19, 2021, at the following locations:

2022 NON-MTW SHORT-TERM GOALS AND OBJECTIVES

HACG submitted a demolition application to SAC on January 23, 2020, for our public housing community known as Chase Homes (GA004000407) and it was approved on May 4, 2020. This demolition is based on environmental issues related to a large power station located adjacent to the site, an active rail line running through the site, and the proximity of the existing residential buildings to a busy thoroughfare (2nd Avenue).

In November 2019, HACG was awarded Low-Income Housing Tax Credits (LIHTC) for the redevelopment of affordable housing at this site. The construction of the new development has begun, which will mitigate environmental factors by placing the buildings further away from the power station and rail line. HACG is working with The Mill District Board in the overall objectives and visions of the Mill District and the City of Columbus for this area of the City. The new development in that area will be the catalyst for additional development commercial and residential. HACG and The Mill District Board were awarded and designated a member of Purpose-Built Communities.

HACG will submit a Section 18 demolition application to SAC to demolish two units in Building C301 (Unit #702G and 702H) at Warren Williams/Rivers Homes (GA004000405). These units are considered obsolete due to substantial physical deterioration as a result of foundation issues that cannot be corrected. Previous attempts to resolve the foundation issues did not alleviate the severe settlement problems at this location. The remaining units will continue with RAD conversion. The conversion will be a straight conversion and/or disposition with only critical repairs completed.

HACG received HUD approval on July 30, 2020, to demolish Building 704 consisting of 6 units at Elizabeth F. Canty Homes (GA004000408) due to the building being located in the floodway and could pose a safety risk to the residents and property. The remaining units will continue with the RAD conversion. The conversion will be a straight conversion and/or disposition with only critical repairs completed.

HACG has two mixed-financed properties with public housing units remaining. These properties were not included in the RAD Portfolio Award because they were constructed following the date of the RAD Portfolio Award. HACG will submit RAD applications for Patriot Pointe (24 units) and Columbus Commons (31 units).

The following are HACG plans for additional use of MTW Single Fund Flexibility:

- Expand HACG’s affordable housing portfolio by acquisition of or development of affordable housing units
- Utilize MTW funds for extraordinary maintenance, enhanced security, and rehabilitation of HACG controlled existing affordable housing
- Strategically reduce debt at HACG controlled affordable housing in order to maintain financial viability
- Wireless Wi-Fi Infrastructure at all HACG developments
- Use MTW funds or charge the properties for Community Liaison personnel
MTW LONG-TERM GOALS & OBJECTIVES

✦ Position HACG to become designated as a Regional MTW Agency
  ▪ Continue to monitor guidance documents from HUD, Federal Register, PIH Notices etc.

✦ Support HUD’s efforts in the MTW Expansion
  ▪ Consult/Advise other PHAs of the advantages of the MTW program

✦ Introduce new MTW initiatives that meet MTW Statutory Objectives
  ▪ Propose MTW Activities that meet local housing needs
    o Workforce Housing – HACG may construct or acquire a development for this purpose
  ▪ Evaluate the need for initiatives for targeted populations
    o Create a different rent calculation for elderly, employed and similar families
    o Provide an early childhood education program
    o Develop incentive initiatives related to education and employment
    o Create incentive and/or preference program for non-traditional “custodial parents”
    o Develop a program to “graduate” families off assistance to homeownership, affordable market units or workforce housing
    o Design a re-entry program, in partnership for ex-offenders
    o Establish an incentive for two parent households
    o Establish a minimum earned income

✦ Change Agency’s fiscal year
  ▪ Determine if fiscal year change is beneficial to HACG
    o Review fiscal years of partner agencies e.g., Federal, State, contracted PHAs, etc.
  ▪ HACG is considering a move to a calendar fiscal year January to December
    o Must receive approval from HUD to change the Agency’s fiscal year.

NON-MTW LONG-TERM GOALS & OBJECTIVES

Upon completion of the RAD conversion of Warren Williams (GA004000405) and Canty Homes (GA004000408), HACG will submit a 4% tax credit application to DCA for the rehabilitation and construction of these units.

**PLANNED OTHER CHANGES TO MTW HOUSING STOCK ANTICIPATED IN THE PLAN YEAR**

HACG received SAC approval for the Chase Homes demolition application and also received 108 tenant protection vouchers to relocate the residents. Demolition began in December 2020. Once demolition is complete HACG will begin the new development on the original Chase site away from the power station, rail line, and 2nd Avenue. Chase residents will have a preference to return to the new development. HACG is working with the Mill District Board in the overall objectives and visions of the Mill District and the City of Columbus for this area of the City. A new development in the area will be a catalyst for additional development commercial and residential. HACG and The Mill District Board were awarded and designated a member of Purpose-Built Communities.

HACG received HUD approval on July 30, 2020, to demolish Building 704 consisting of 6 units at Elizabeth F. Canty Homes due to the building being located in the floodway and could pose a safety risk to the residents and property.

HACG will submit a Section 18 demolition application to SAC to demolish two units in Building C301 (Unit #702G and 702H) at Warren Williams/Rivers Homes (GA004000405). These units are considered obsolete due to substantial physical deterioration as a result of foundation issues that cannot be corrected. Previous attempts to resolve the foundation issues did not alleviate the severe settlement problems at this location.

HACG anticipates the possibility of acquiring property or building a workforce housing community focused on providing subsidized housing for “working poor” families.

vi. General Description of All Planned Capital Expenditures During the Plan Year
Narrative general description of all planned capital expenditures of MTW funds during the Plan Year.

**GENERAL DESCRIPTION OF ALL PLANNED CAPITAL EXPENDITURES DURING THE PLAN YEAR**

HACG’s Capital Fund (CFP) totals about $2.1M, where the balance of the CFP total will be committed/obligated to RAD Projects II and III. Expenditures may include costs associated with the modernization of Williams and Canty necessary to rehabilitate the sites to meet RAD requirements. Expenditure plans include Section 8 landlord payments and other expenditures related to converting PH units under RAD and/or specialty consulting services, such as environmental testing, survey and legal work, code research, and other activities necessary to complete the RAD portfolio conversion. Also, expenditures may include the purchase and renovation of a new Section 8 office. Finally, CFP planned expenditures may include physical improvements, enhanced security, management improvements, Agency-wide non-dwelling structures and equipment, administrative and operation fees, and costs, as well as preventative and routine maintenance to dwelling structures Agency-wide, minor pre- and post-construction costs for preliminary and completed project plans as well as Gap financing for new developments.

Planned Total Households Served

* “Planned Number of Unit Months Occupied/Leased” is the total number of months the MTW PHA plans to have leased/occupied in each category throughout the full Plan Year.

** “Planned Number of Households to be Served” is calculated by dividing the “Planned Number of Unit Months Occupied/Leased” by the number of months in the Plan Year.

^ In instances when a local, non-traditional program provides a certain subsidy level but does not specify a number of units/households to be served, the MTW PHA should estimate the number of households to be served.

III. PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED

HACG does not have any new proposed activities.
IV. APPROVED MTW ACTIVITIES

A. Implemented MTW Activities

Activity 2015.02 Portability Restrictions - MTW Authorization: D.1.g – Approved: 2015 – Implemented: 2016 – Amended: N/A

Activity 2018.01 Eliminate/Reduce Interim Certification Examinations - MTW Authorization: C.11 – Approved: 2018 – Implemented: 2019 – Amended: N/A

2014.02 Innovations to Reduce Homelessness

This activity sets aside 150 vouchers TBVs that links permanent supportive housing to supportive services for chronically homeless families as a top preference. Secondary preference is homeless individuals or individuals who are living in a place not meant for human habitation or in an emergency shelter, in transitional housing, or are exiting an institution where they temporarily resided up to 90 days. The activity includes a tiered rent schedule, minimum rent waiver and selection preference to the targeted group. Also, HACG is interested to learn if housing stability positively impacts household income, earned income and other socio-economic categories.

Order of preference:
1. Chronically homeless veterans
2. Chronically homeless individuals
3. Homeless veterans
4. Homeless individuals

In addition, the activity places a special emphasis on military veterans, where veterans are a priority preference and newly employed veterans are eligible for employment incentives.

Employment incentives for veterans include:
- Waiving the minimum rent to assist veterans in focusing on employment (first 12 months)

Employment incentives for “unemployed” veterans that gain employment while in the “program” include:
- Employment – tiered rent calculation (Veterans only)
  - 26% rent calculation for 12 months – year 1
  - 27% rent calculation for 12 months – year 2
  - 28% rent calculation for 12 months – year 3
  - 29% rent calculation for 12 months – year 4
  - 30% rent calculation for 12 months – year 5

HACG anticipates the following for the Innovations to Reduce Homelessness Activity in FYE 2022:
- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity
2014.03 Administrative Reforms (HCV Only)

This activity is designed to improve operational efficiencies and reduce operational costs by streamlining the rent calculation process and increase housing choices for program participants.

The activity supports the creation of forms necessary to self-certify assets at the local level. Self-certification of assets is permitted after the initial verification. Assets are subject to random verification. Additionally, this activity allows families to use more of their income (up to 50%) towards their rental amount.

HACG initiated procedures to close-out the PH elements in its 2017 Annual MTW Report due to RAD conversions using Low-Income Housing Tax Credit funds.

HACG anticipates the following for the Administrative Reforms Activity in FYE 2022:
- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity

2014.04 Administrative Efficiencies (HCV Only)

This activity is designed to improve operational efficiencies and reduce operational costs by introducing a triennial recertification cycle for elderly/disabled families. The opportunity to place elderly/disabled families on a triennial recertification cycle is determined on the head-of-household’s (HOH) designation and the household income source(s).

Activity metrics are being tracked and reported in HACG’s Annual MTW Report. Originally, this activity included public housing element, which has become functionally obsolete due to RAD conversion using Low-Income Housing Tax Credit funds.

Currently, HACG continues to conduct “mini-interims” on off-year program participants to reduce “sticker shock” related to rent changes 3-years later. HACG continues to conduct full certification examinations during participants scheduled triennial period.

HACG anticipates the following for the Administrative Efficiencies Activity in FYE 2022:
- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity
2015.02 Portability Restrictions

This activity restricts the movement of vouchers into and out of HACG’s service jurisdiction. Voucher portability is limited to verifiable employment related reasons. The combined actions of “porting” to higher cost-of-living jurisdictions and voucher holders’ lower earnings, limited HACG’s ability to issue more vouchers and assist families in its own jurisdiction.

Verifiable employment may include the following:

- A letter of intent to employ (job offer letter), reassign, transfer, and similar
- Permanent Change of Station (PCS) orders, transfer orders, and similar
- Document on company letterhead, which will assist HACG in deciding the acceptance of ports in or out of Columbus, GA

Families may lose their rental assistance if a loss of employment occurs at the new location within the first six-months or before agency absorption occurs.

Hardship requests are reviewed on a case-by-case basis in accordance with HACG’s Hardship Policy. HACG will grant ports in cases of Violence Against Women Act (VAWA) and to meet reasonable accommodations.

HACG anticipates the following for the Portability Restrictions Activity in FYE 2022:

- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity

2015.03 Simplify Utility Allowance Calculation

This activity streamlines the rental calculation process with a simplified Utility Allowance Schedule (UA) used throughout all the different rental assistance portfolio of HACG. The activity supports a UA schedule for 3 rental assistance programs in HACG portfolio:

- HCV (PBV and TBV)
- PH and RAD PBV
- Mixed Financed Sites (HUD UA Schedule)

Activity metrics are being tracked and reported in HACG’s Annual MTW Report. The agency actively uses the UA Schedules and transitions schedules between programs due to the PH conversion to RAD PBVs.

HACG anticipates the following for the Simplify Utility Allowance Calculation Activity in FYE 2022:
No non-significant changes to this activity
No modifications to the metrics during the period
No different authorizations are needed to implement this activity than originally proposed
No significant changes to this activity

2015.04 Cap Childcare Deduction

This activity modifies applicable rules and regulations necessary to limit the amount of childcare deduction able to be taken by program participants. The activity allows HACG to place a cap on childcare deductions in line with the Georgia Childcare and Parent Services (GA CAPS) reimbursement amounts. GA CAPS helps low-income families afford safe, and quality childcare by subsidizing childcare costs for children under the age of 13.

Childcare costs that exceed GA CAPS reimbursement amounts are reduced to categorical maximum amounts filtered by age. Hardship requests are addressed on a case-by-case basis in accordance with the Hardship Policy.

Families continue to furnish proof of their out-of-pocket childcare expenses and HACG staff simply verifies that provided costs are in-line with GA CAPS based on the child’s age and service provider. HACG’s rental assistance departments are charged with maintaining an updated GA CAPS chart.

HACG anticipates the following for the Cap Childcare Dependent Deduction Activity in FYE 2022:

No non-significant changes to this activity
No modifications to the metrics during the period
No different authorizations are needed to implement this activity than originally proposed
No significant changes to this activity

2016.01 Next Step Vouchers

This activity modifies applicable rules and regulations necessary to dedicate up to 10 TBVs for clients of the Georgia Department of Health and Human Services (GA DHHS), Division of Family and Children Services (DFCS) office. The referrals and required verification are through Home for Good. The activity serves as a homelessness prevention tool for youth aging out of Foster Care.

The following are requirements of the participants:

Foster youth must begin, continue, and/or maintain appointments and case management visits with social service providers.
Vouchers expire in 36 months or age 23, whichever comes first.
Foster youth must meet 20-hour/week work requirement.
Work an average of 20-hours per week; and/or
- Attend school an average of 20-hours per week; and/or
- Attend job training course an average of 20-hours per week.

Foster youth are required to exhaust DFCS resources first before being issued a Next Step Voucher (NSV). The primary intent is to ensure Foster youth are stabilized and ready to receive TBV.

HACG anticipates the following for the Next Step Vouchers (NSV) Activity in FYE 2022:
- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity

2016.02 Non-Competitive Project-Basing Process

This activity modifies applicable rules and regulations as necessary to project-base Section 8 rental assistance at HACG owned (direct & indirect ownership) properties without competition.

Under this activity, HACG implemented plans to project-base Section 8 rental assistance at properties it redeveloped which are Patriot Pointe and Columbus Commons. HACG will also use this activity for newly constructed housing and substantially rehabilitated properties to receive subsidy.

HACG will apply activity elements to convert the 55 PH units at Patriot Pointe and Columbus Commons after fiscal year 2021.

HACG anticipates the following for the Non-Competitive Project-Basing Process Activity in FYE 2022:
- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity

2016.03 Project-Basing Flexibilities

This activity allows HACG to modify its HCV Program guidelines. HACG can project-base more than 25% (or in the case of the RAD Program, more than 50%) of the building cap. Also, HACG is allowed to determine rent reasonableness at HACG-owned (direct and indirect ownership) and allows HACG to certify housing at HACG-owned units.

When PHAs exceed the 25% per building cap (or 50% cap on RAD buildings) on PBV units with Section 8 rental assistance in an existing building in multi-family communities, there is a supportive services requirement attached to the current PBV regulations for exceeding these caps. Under this activity HACG
can project-base up to 100% of a building’s units, as well as waive the participation requirement of families in the “excepted” units.

Currently, HACG offers limited Supportive Services at the RAD developments. HACG understands that supportive services must be available, and the families are aware of and strongly encouraged to participate in offered services; however, it is noted that participation by families living in “excepted” units is not mandatory, nor required.

HACG anticipates the following for the Project-Basing Flexibilities Activity in FYE 2022:

- No non-significant changes to this activity
- No modifications to the metrics during the period
- No different authorizations are needed to implement this activity than originally proposed
- No significant changes to this activity

2018.01 Eliminate/Reduce Interim Certification Examinations

This activity allows HACG to modify its Housing Choice Voucher (HCV) and Public Housing (PH) Programs guidelines to increase staff productivity, assist program participants in the preparation for market-rate units, and to eliminate a growing concern of program participants reporting a loss of income shortly after completing and intake and/or annual certification examination.

To accomplish this activity, HACG has implemented the following:

- Eliminated interim certification examinations on Contribution Income
- Program participants that report contribution income cannot report a loss of contribution income for 12 months
- Limited program participants to 1 interim certification examination annually for all other income related adjustments (after 90 days or before 90 days of annual re-certification)

In March 2020, Centers for Disease Control and Prevention (CDC) responded to a pandemic of respiratory disease spreading from person-to-person caused by a new coronavirus which they named Coronavirus Disease 2019 (COVID-19) This situation poses a serious public health risk. The federal, state, and local governments encouraged people to stay home and away from large gatherings of 10 or more. Several businesses are taking precaution and closed for two weeks and possibly longer in order to lessen the spread of the disease, which results in many of our residents without work. As of January 2021, COVID-19 still poses a serious risk to public health and continues to impact the employment.

HACG updated the Hardship Case Criteria to include language regarding any health/economic hardships associated with COVID-19, see item D. below. HACG continues to address hardship requests on a case-by-case basis according to the Hardship Policy.
HARDSHIP CASE CRITERIA

HACG will consider extenuating circumstances on a case-by-case basis in which households reporting Contribution Income may be exempted or temporarily waived from these new rent determination rules that include the following:

A. HACG will consider temporarily waiving requirements from these new rent determination rules for program participants when program participants citing Contribution Income as their sole source of income produce evidence that the Contribution Income provider is medically incapacitated. The family’s contributor’s incapacities must be for an extended period (30+ consecutive days) that directly impacts the contributor’s ability to maintain agreed upon monthly contribution. The loss of such contribution must directly impact a family’s independent living needs, such as shelter, food, utilities, and/or similar expenses.

HACG reserves the right to analyze the impact of the contribution to social service benefits, subsidy level, and other circumstances in its calculation to determine length of time and/or reduction in family’s fair share of rent.

B. HACG will consider exemption of requirements from these new rent determination rules for program participants when program participants citing Contribution Income as their sole source of income produce evidence that the Contribution Income provider is deceased. The family has 15-days from contributors passing to provide HACG with the proper documents. HACG will consider retroactive changes when proper documentation within the timeframe is provided. When a family provides the documentation after 15-days, the family remains responsible for their fair share of the rent until changes are made. HACG will make rent changes effective within the standard 30-day timeframe.

HACG reserves the right to analyze the impact of the contribution to social service benefits, subsidy level, and other circumstances in its calculation to determine length of time and/or reduction in the family’s fair share of rent.

C. HACG will not consider hardship cases under this activity when other income sources are included in the rent calculation as a result of the eligibility interview/certification process.

D. HACG will consider temporarily waiving requirements from the rent determination rules for program participants experiencing a reduction in income or work hours as a result of any health/economic hardships associated with COVID-19.

HACG anticipates the following for the Eliminate/Reduce Interim Certification Examinations Activity in FYE 2022:

✦ No non-significant changes to this activity
✦ No modifications to the metrics during the period
✦ No different authorizations are needed to implement this activity than originally proposed
✦ No significant changes to this activity
2018.02 Site-Based Housing Flexibility

This activity allows HACG to over-house eligible, qualified low-income families at all non-Public Housing site-based housing developments as well as Tenant Protection Vouchers (TPV) awarded to HACG for Ralston Towers residents and provide rental payment assistance for over-housed families to the landlord for the difference between assigned unit size and the eligible family’s income means and/or voucher amount up to 120% of the Fair Market Rent (FMR) of the assigned bedroom unit at defined sites until an appropriate sized family becomes available to occupy that assisted unit.

Under this activity, HACG significantly improves the use of federal dollars and reducing vacancies. HACG offers unoccupied, large unit to smaller eligible, qualified families with limited housing options and limited resources.

For all non-Public Housing site-based housing developments once an appropriately sized family and right-size unit becomes available that meets the accommodation needs of the incumbent family, HACG will issue a 30-day notice in accordance with the “transfer form” for the incumbent family to move/transfer to the appropriate unit. The Ralston Towers TPV holders are permitted to remain in their relocated unit for the duration of their voucher or until they move out of their unit to a new unit.

HACG amended this activity in FY 2021 to include all future TPV’s to be eligible up to one size larger and provide the rental payment assistance for the families to the landlord for the difference between the assigned unit size and the eligible family’s income means and/or voucher amount up to 120% of the Fair Market Rent (FMR) of the assigned bedroom unit.

HACG anticipates the following for the Site-Based Housing Flexibility Activity in FYE 2022:

♦ No non-significant changes to this activity
♦ No modifications to the metrics during the period
♦ No different authorizations are needed to implement this activity than originally proposed
♦ No significant changes to this activity

2019.01 Eliminate/Reduce Utility Reimbursement Payments (URPs)

HACG seeks to improve its cost efficiency and promote self-sufficiency through the implementation of this activity. Elimination of this task achieves Cost Effectiveness of federal dollars.

Under this activity, HACG will increase the minimum rent to $150 to eliminate URPs (or at the least significantly reduce the number of URPs processed) over the next two years. The increase in minimum rent across all rental assistance programs significantly reduces negative rent situation that require an URP check.
Further, HACG’s schedule for increasing the minimum rent is as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Monthly Rent</th>
<th>Effective Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>2018</td>
<td>$50</td>
<td>N/A</td>
</tr>
<tr>
<td>2019</td>

<td>January 1, 2019</td>
</tr>
<tr>
<td>2020</td>
<td>$150</td>
<td>July 1, 2019</td>
</tr>
</tbody>
</table>

HACG provided significant lead time of notification to residents and does not anticipate any undue hardship because of the URP elimination. As needed, HACG will confer with its Hardship Policy on a case-by-case basis.

HACG anticipates the following for the Eliminate/Reduce Utility Reimbursement Payments (URPs) Activity in FYE 2022:

✦ No non-significant changes to this activity
✦ No modifications to the metrics during the period
✦ No different authorizations are needed to implement this activity than originally proposed
✦ No significant changes to this activity

**2020.01 Sponsor-Based Emergency Voucher Program (EVP)**

This activity sets aside 24 TBV’s for Emergency Housing for families affected by local natural disasters, fire, flooding or notice to condemn property prompted by local government action in Muscogee County. The TBV’s is limited to a 6-month period which allows the individual or families to process insurance claims, contract family members and stabilize their finances. This activity is not intended to assist individual single families housing displaced by natural disasters but rather families residing in multifamily developments where six or more units are affected by natural disasters, fire, flooding, or government condemned properties. HACG offers a top preference for eligible families on our waiting list that experience these types of emergencies. However, all the families receiving these temporary emergency vouchers are currently not in HACG assisted housing.

HACG will issue a flat-rate subsidy of $600 per month per family to the Sponsor-Based Partner. HACG entered into a partnership agreement with Home for Good (HfG) on January 27, 2020. When emergency situation occurs, HfG will contact HACG to arrange for emergency housing provided with the EVP MTW Activity. To expedite the move-in-process, the family will have 30 days to income qualify. HfG will provide basic HQS inspections on the selected housing before move-in.

HACG anticipates the following for the Sponsor-Based Emergency Voucher Program (EVP) Activity in FYE 2022:

✦ No non-significant changes to this activity
♦ No modifications to the metrics during the period
♦ No different authorizations are needed to implement this activity than originally proposed
♦ No significant changes to this activity

B. NOT YET IMPLEMENTED ACTIVITIES

HACG does not have any activities on hold.

D. CLOSED OUT ACTIVITIES

Activity 2014.01 Community Choice – MTW Authorizations: D.2.a, D.2.b – Approved in 2015, Implemented in 2015, and Closed in 2019 – HACG closed out this activity because the evaluation period was complete.

Activity 2014.05 Streamline HQS Inspections – (Moved to 2016.03) - MTW Authorizations: D.5 (moved to 2016.03) – Approved in 2014, Implemented in 2015, and Closed in 2017 – Authorizations for this activity is granted under Notice PIH 2016-05, therefore HACG closed this activity.

Activity 2014.06 Rent Reform (Farley) – MTW Authorizations: C.4, C.11 – Approved in 2014, Implemented in 2014, and Closed in 2018 – HACG closed out this activity because the evaluation period was complete.

Activity 2015.01 Eliminate Child Support Income from Rent Calculation – MTW Authorizations: C.11 – Approved in 2015, Implemented in 2015, and Closed in 2017 – HACG used LIHTC funds to meet RAD requirements, which made this MTW Activity functionally obsolete.

Also closed out the Public Housing (PH) elements under MTW Activities 2014.03 and 2014.04. HACG used LIHTC funds to meet RAD requirements, which made PH elements functionally obsolete.

iii. Description of Planned Use of MTW Single Fund Flexibility
The MTW PHA shall provide a thorough narrative of planned activities that use only the MTW single fund flexibility. Where possible, the MTW PHA may provide metrics to track the outcomes of these programs and/or activities. Activities that use other MTW authorizations in Attachment C and/or D of the Standard MTW Agreement (or analogous section in a successor MTW Agreement) do not need to be described here, as they are already found in Section (III) or Section (IV) of the Annual MTW Plan. The MTW PHA shall also provide a thorough description of how it plans to use MTW single fund flexibility to direct funding towards specific housing and/or service programs in a way that responds to local needs (that is, at a higher or lower level than would be possible without MTW single fund flexibility).

### PLANNED USE OF MTW SINGLE FUND FLEXIBILITY

| HACG uses the MTW Single-Fund flexibility to combine its funding sources to form the MTW Block Grant that will be used to administer current and future MTW Activities, rehabilitation associated with RAD, construction and/or Gap/Debt Financing of new developments, and to purchase and renovate a new Section 8 office. Additional Use of MTW Single Fund Flexibility is the following: Expand HACG’s affordable housing portfolio by acquisition of or development of affordable housing units; utilize MTW funds for extraordinary maintenance, enhanced security, and rehabilitation of HACG controlled existing affordable housing; assist with providing Wi-Fi Infrastructure for all HACG properties; fund Community Liaison personnel; and strategically reduce debt at HACG controlled affordable housing in order to maintain financial viability. The MTW Single-Fund Flexibility will be used to continue operations during any current and future government shutdown. |

VI. ADMINISTRATIVE

A. RESOLUTION ADOPTING THE ANNUAL MTW PLAN

The Board resolution adopting the 2022 Annual MTW Plan is located in the Appendix Section. HACG Board of Commissioners adopted Resolution #3378 at its March 17, 2021, board meeting.

B. DOCUMENTATION OF PUBLIC PROCESS

The Annual MTW Plan was available for public review from January 20, 2021 through February 19, 2021, at the following locations:

- The Columbus Public Library, 3000 Macon Road;
- HACG’s Central Office, 1000 Wynnton Road (front desk);
- HACG’s Facebook: https://www.facebook.com/The-Housing-Authority-of-Columbus-Georgia-110059770673833
- HACG Website: http://www.columbushousing.org

RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION

HACG received a Portfolio Award January 7, 2014 to convert 1,321 to Project-Based Vouchers under RAD Component One.

As of this Plan date, HACG has converted 783 units to RAD PBV as well as 410 units to HCV PBV. Chase Homes (GA004000407) consisting of 108 units are removed from the RAD conversion due to SAC Section 18 demolition approval. The CHAP for Chase Homes was returned on May 14, 2020. Elizabeth F. Canty Homes (GA004000408) Building 704 consisting of 6 units are removed from the RAD conversion due to the building being located in the floodway and could pose a safety risk to the residents and property. HACG has received CHAP awards for the remaining 427 units. HACG has two mixed-financed properties with public housing units remaining. These properties were not included in the RAD Portfolio Award because they were constructed following the date of the RAD applications for Patriot Pointe (31 units) and Columbus Commons (24 units). Including these properties, HACG will have a total of 482 units to convert to RAD, as well as 126 HCV PBV included in the new development of Chase Homes (Mill Village) and Warm Springs Senior Village.
