SUBJECT: Indian Housing Block Grant (IHBG) Interim Funding Requests in the Grants Evaluation and Management System (GEMS)

Dear Tribal Leader:

The Office of Native American Programs (ONAP) is accepting IHBG Formula interim funding requests via [GEMS](#) until **January 9th, 2026**. This deadline provides time to process awards prior to the expiration of the Continuing Resolution (CR) on January 30th, 2026. After January 9th, any interim funding requests submitted may not be processed before the expiration of the CR.

Interim funding may only be granted if your FY 2026 Indian Housing Plan has been found in compliance, and if you have a low balance in the Line of Credit Control System (LOCCS). For more information, refer to [PIH Notice 2021-28](#): Providing Interim Funding to Recipients of Indian Housing Block Grants.

IHBG interim funding requests should be submitted in GEMS. Refer to the [GEMS Grantee Guide](#) Section VII. How to Complete an interim funding request, for specific instructions on completing and submitting the request. This guide and other GEMS resources can be found at the [GEMS webpage](#) on ONAP's [CodeTalk](#) site. If you need assistance with logging into GEMS or completing the interim funding request in GEMS, contact your Grants Management Specialist.

To ensure interim funding requests are processed before the CR expires, please submit your interim funding request by **January 9th, 2026**. Thank you for your continued partnership and collaboration in serving Indian Country.

Sincerely,
