QUICK REFERENCE GUIDE:

Adding a User under User Administration Function

As of EPIC Release 5.0 (December 2020), Field Office Users (HUD Users) are able to obtain the “Create User” Role, which allows the creation and editing of Public Housing Agency (PHA) User IDs in EPIC. This ability is also automatically added for all Recipient Administrators. Both HUD and PHA users are restricted to adding/editing users within their currently assigned Field Office or PHA.

To add a user to EPIC from the Home Screen:

1) Click on User and Group Tools

2) Click on User Administration

3) Check to see if the user is already registered in EPIC by searching for their ID Number in the Search Box:

Current as of March 2021
4) Click the Create New User Box on the Lower Left

7) Search for the PHA by using either the PHA Code, Name, or City and State:
8) Add User to PHA (s) by selecting the check box and clicking Add User to Groups. Then click go back to List.

9) Check to make sure the user information is correct and that correct grants show up by clicking on the blue link with User Name.
