

FASS PH System Release 16.1.0.0

Notice to FASS PH System Users

The FASS-PH system was updated on Friday March 19, 2021. In this release, the following issues were corrected:

- The Pension Schedule will no longer be mandatory for audited submissions
- Issues with the agreed upon audit procedures (AUP) experienced by some users
- Issues with the FASS score weighted value calculations

We thank you for your patience as we work to ensure the FASS-PH system works as intended
