FASS PH System Updates
November 13, 2020

(a) **Auditor Attestation**

HUD requires an independent public accountant (IPA) to complete an agreed-upon procedure and provide an agreed-upon procedure (AUP) report to HUD. Click auditor attestation for more information

(b) **Pension Schedule**

a new tab for Pension Schedule (a required supplementary information) is added under the Notes and Findings link. If the PHA does not have pension benefit plan, please attached a document indicating this information

(c) **Known issues resulting from 11/13/2020 Release**

HUD is aware of these issues and is working towards resolving them

1. XML submissions will not process
2. Unable to create draft submission using download previous submission
3. Edit Flags are not generated
4. PHAs with more than 10 AMPs are not able to generate reports
   e.g. entity wide balance sheet
