

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-1000

OFFICE OF PUBLIC AND INDIAN HOUSING

June 13, 2019

Dear Executive Director:

Subject: 2019 Family Self-Sufficiency (FSS) Program Coordinator Funding

The Department is issuing this letter to help your agency prepare for the upcoming Fiscal Year (FY) 2019 Family Self-Sufficiency Notice of Funding Availability (NOFA) competition. Please review this letter carefully and share it with your FSS Program Coordinator(s), your Chief Financial Officer, and any other staff or individuals that work in the administration of your agency's FSS program, including the process of preparing and submitting FSS applications through Grants.gov.

PIC Data/FSS Addendum:

Historically, HUD has used the number of FSS families in an applicant's FSS program to determine funding amounts for eligible applicants. The number of FSS participants has generally been based on Public and Indian Housing Information Center (PIC) data (which is obtained from PHA submission into the PIC system of information on the form HUD-50058 and HUD-50058-MTW). The number of FSS program participants shown in PIC includes enrollment, progress, and exit reports during the NOFA's target period (1/1/18 – 12/31/18). The PIC numbers have been made available as part of the NOFA for every eligible applicant. In the past, applicants have been allowed to submit documentation to correct the numbers reflected in PIC if the numbers in the report published with the NOFA are incorrect and the correct number would result in more funding. Since the FY2017 FSS NOFA, HUD has relied on PIC exclusively and may continue to rely solely on PIC in future NOFAs.

Under the FY2019 FSS NOFA, HUD may rely solely on the numbers of FSS families in an applicant's FSS program that are reported in PIC and continue to allow only Moving to Work MTW PHAs and PHAs that serve RAD-Affected PBRA FSS participants to submit documentation to correct such numbers. To avoid any potential impact on their FSS funding in FY2019, PHAs should work diligently to ensure that the number of FSS families is accurately reflected in PIC. Resources have been made available to assist PHAs in ensuring that PIC submissions are accurate.

Notice PIH 2016-08 (published on May 6, 2016) provides detailed guidance to non-MTW PHAs on PIC FSS reporting requirements. An eight-part webcast on the provisions of PIH 2016-08 (originally aired on August 12, 2016) is available in the webcast archives on HUD.gov. It can also be found on [here](#).

PHAs may also contact their local PIC coaches for additional assistance related to PIC. The PIH-REAC Technical Assistance Center (TAC) is located at the following webpage to also assist with PIC issues: https://www.hud.gov/program_offices/public_indian_housing/reac/support/tac.

Also note that as of May 6, 2015, HUD established a set of warnings and fatal edits related to FSS PIC reporting. More information can be found on the following websites.

FSS PIC Reporting Instructions and Webcast:

https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/fss

PIC Coach Contact List:

https://www.hud.gov/program_offices/public_indian_housing/systems/pic/help

Enclosed is a **preliminary report* that shows the number of FSS families in each eligible applicant's FSS program. This report covers the target period of 1/1/2018 — 12/31/18. The report counts all distinct FSS families (head of household) that had an enrollment, progress, or exit report during this period. Please note that data in this preliminary report is extracted from current and historical PIC records. PHAs that are currently not showing enough participants to support the most recent number of awarded positions are highlighted in the report. PIC Coaches will not be able to replicate this exact data using the 50058 Ad-Hoc PIC Report; the ad-hoc PIC reports only extract data from current (not historical) records.

This will **not** be the final report used in the NOFA. The report that will be used for NOFA purposes will be pulled from PIC **after June 30, 2019**.

If you believe that your participants are being undercounted, please revisit the guidance above. You may also review records from your software and may also contact your software vendor.

Only PHAs that believe that they were serving more families during the target period than reflected in the PIC report, and that the discrepancy might affect their funding request (i.e. renewal positions), may contact FSS@hud.gov, to request a report of all FSS participants reflected in the current and historical databases. Please use the subject line: FSS PIC Participant Report Request. Only requests from PHAs whose preliminary PIC data does not support renewal positions will be responded to.

All request for reports must be sent to FSS@hud.gov by **June 21, 2019**. Requests made after this date will not be processed. PHAs can expect a response within two business days. **In order for a change to be reflected for the PIC report in the FY19 FSS NOFA, it must be made by June 30, 2019.**

Please note that, as in previous NOFAs, MTW agencies may be allowed to submit corrections to the PIC report numbers. PHAs that serve RAD-affected PBRA residents may be allowed to submit a list of FSS participants in PBRA units to add to their PIC report numbers (as PBRA residents are not reflected in PIC).

Composite Score:

On November 15, 2018, HUD published the Notice of the Final Rule for the new performance measurement system (“Composite Score”) for the Family Self-Sufficiency program

(<https://www.federalregister.gov/documents/2018/11/15/2018-24949/family-self-sufficiency-performance-measurement-system-composite-score>) The full methodology can be found here [https://www.hud.gov/sites/dfiles/PIH/documents/Complete Description of FSS Performance Measurement System 2018 11 15.pdf](https://www.hud.gov/sites/dfiles/PIH/documents/Complete%20Description%20of%20FSS%20Performance%20Measurement%20System%202018%2011%2015.pdf). This FSS performance measurement system, gives a composite score to PHAs with existing FSS programs with the exception of MTW agencies, because they are not required to report or report differently in PIC.

The baseline scores and most recent scores can be found here [https://www.hud.gov/sites/dfiles/documents/Copy of FSS PMs Measures 2018-11-13 final website.xlsx](https://www.hud.gov/sites/dfiles/documents/Copy_of_FSS_PMs_Measures_2018-11-13_final_website.xlsx). Column N reflects the baseline scores published with final rule which used PIC data through 12/31/17 for income increase and graduation and FY17 Appendix D for participation (through 12/31/2016)

Column V reflects updated scores that use PIC data through 12/31/17 for income increase and graduation and PIC data through 12/31/17 (Appendix C in the FY18 NOFA) for participation.

HUD anticipates the score will use PIC data for the income increase and graduation metrics and the FY19 Appendix C for the participation metric.

System for Award Management (SAM) and DUNS status:

Please take a moment to check your SAM and DUNS status and to ensure that you have the correct password. Please note that SAM registration must be renewed and revalidated at least every 12 months from the date the applicant last certified and submitted the registration in SAM, and sooner if the applicant's information changes. Obtaining your SAM registration can take up to four weeks; therefore, your agency is encouraged to start this process or check your status immediately. For more information about SAM, please visit <https://www.sam.gov/portal/public/SAM>.

If you have any questions concerning this letter, please contact FSS@hud.gov.

Sincerely,

Robert Mulderig
Acting Deputy Assistant Secretary for
Public Housing Investments

Preliminary PIC Report as of 06/12/2019
