| <b>APPENDIX 8 - Insurance</b>  |                                      |             |                          |                |
| I. Purpose   |                                      |             |                          |                |
| The purpose of this review is to determine if the<br>recipient has adequate insurance to indemnify the<br>recipient against loss from fire, weather, and liability<br>claims for all housing units owned or operated by the<br>recipient, and will protect the financial stability of the<br>recipient's IHBG program.<br>The purpose also is to determine whether the recipient<br>uses the insurance proceeds for eligible activities and<br>appropriately reduces the grant expenditures for the<br>insurance proceeds. | 24 CFR §<br>1000.136140              |             |                          |                |
| II. On-Site Review   |                                      |             |                          |                |
| A. <u>Insurance Procurement</u> : Insurance is adequate if it<br>is (1) procured from an insurance provider or (2) a<br>plan of self-insurance in an amount that will<br>protect the financial stability of the recipient's<br>IHBG program.   | 24 CFR §<br>1000.138                 |             |                          |                |
| A recipient may purchase the required insurance<br>without regard to competitive selection procedures<br>from nonprofit insurance entities which are owned<br>and controlled by recipients and which have been<br>approved by HUD.   |                                      |             |                          |                |
