**Importance:** Normal

**Sensitivity:** None

---

Dear Executive Directors and Field Office Representatives,

This is to alert HUD Field Office staff and public housing agencies (PHAs) administering the Housing Choice Voucher (HCV) Program to please submit tenant protection voucher (TPV) funding requests with effective dates of September, October or November 1st, 2021 by COB (EST) Wednesday, September 1st, 2021. This will allow the Financial Management Division (FMD) completing all funding actions prior to the start of HUD's 2021 fiscal year-end (FYE) accounting activities, which will interrupt the processing of funding assignments and fund obligations from mid-September 2021 until late October 2021.

The FMD will continue accepting applications after September 1, 2021; however, they will not be processed until FYE activities have concluded.

Should you have any question about this communication or about TPVs in general, please do not hesitate to contact the FMD at [PIH.Conversion.Actions@hud.gov](mailto:PIH.Conversion.Actions@hud.gov). Thanks for your participation in the HCV Program.

Sincerely,  
Miguel Fontanez  
Director  
FMD
