MTW Supplement for PHA Fiscal Year Beginning : (MM/DD/YYYY): 7/1/2023

PHA Program Type: Combined

MTW Cohort Number: Landlord Incentives

MTW Supplement Submission Type: Amended Annual Submission

B. MTW Supplement Narrative.

The Housing Authority of Joliet is dedicated to increasing the quality of life for those clients we serve by partnering with landlords to provide more housing in high opportunity areas to our participants. We believe the added incentives for new landlords to join our program will allow families to locate and reside in homes in "Opportunity Areas" throughout Will County. Opportunity areas have been determined to be areas that have more access to jobs, better schools, and quality family environments.

We think incentivizing landlords with a \$500.00 one-time signing bonus for new owners who have not received HAP in the past 5 years will increase participation among landlords in the greater Will County area. We project the pool of landlords will increase by 10%.

Another of our goals is to retain units that are already scarce in the private rental market inventory. We will offer payments to owners for up to 1 month of HAP if they re-rent a unit previously occupied by an HCV participant within 3 months of contract cancelation. We hope this will encourage landlords to lease up with another participant as opposed to seeking market rate renters immediately. This payment will be made upon execution of the next HAP contract.

Finally, will allow landlords to submit damage claims to HAJ for damages beyond normal wear and tear to encourage continued participation. Damages will be limited to two months or less of contract rent after the security deposit has been applied. This payment will only be made when the landlord signs the next HAP contract.

One of the overarching considerations with landlord non-participation is linked to a lack of knowledge and awareness regarding how the housing voucher program works. Negative perceptions have tended to be more powerful than the factual realities. We believe the initiatives we are proposing will help to change the perceptions and stigmas of the HCV program and provide some reassurance to new landlords to help mitigate some of their concerns.

The damage claim payment will be paid out to a landlord when the next HAP contract is executed between the owner and the PHA. At the time of receiving payment, new landlords are also given the opportunity to complete a survey to provide feedback on their experience with the lease-up process so we can continually improve our policies and procedures. HAJ projects that their owner/LL pool will increase by 10% due to new owners participating in the voucher program because of this incentive.
