GREETINGS FROM THE ADMINISTRATOR

Telework Continues:

Our ONAP offices remain closed, with a rare foray into the Office to check for mail. Everyone is still teleworking, and the Office has been inundated with work trying to get all the CARES Act funding out to our grantees. This involved training everyone on a new program and implementing procedures on how to review and release the money. This has involved a lot of new review techniques as the CARES Act IHP's were downloadable and NOT in EPIC like our regular Indian Housing Block Grant funding is processed. So far, we have processed 38 of 63+ total grants as of

GREETINGS FROM THE ADMINISTRATOR (CONTINUED)

(Continued from page 1)

Friday, May 28th. This means that 25 Grantees have not filed CARES Act IHP's for their portion of funding. ONAP is ready and willing to accept further applications for those who have not yet filed. The one condition is that the Pandemic Crisis must be ongoing at the time of the award and all activities must be to Prepare, Plan or Respond to the COVID-19 crisis.

ICDBG-Imminent Threat $100 Million CARES Act funding released:

Yesterday, the next batch of funding for the ICDBG - Imminent Threat $100 million portion of the CARES Act funding opened at 3 pm. These will be funding on a first come first served basis and will be initially screened by HQ to make sure all regions have equal access to timely funding. Each applicant must have a tribal resolution or a waiver request explaining why it cannot be obtained with the application. Each applicant must demonstrate that the activity they propose will address an immediate need or emergency that is not covered by grants from other Federal sources, except for previous CARES Act funding already received from ONAP. For nearly all applicants in the EWONAP region the potential Grant limits are based on their IHBG Cares Act funding level. So, for example if you received more than $750,000 but less than $2 million in base CARES act IHBG funding, the maximum Grant limit is $1.5 million. If you received less than $750,000 the Grant limit is $900,000. Here is a link to the requirements: https://www.hud.gov/sites/dfiles/PIH/documents/PIH2020-11.pdf

Imminent Treat. There still remains money in the regular 2020 Imminent Threat line item which is available for disaster relief measures such as the repair of homes and buildings after a catastrophic event such as flooding, tornadoes, hurricanes, winter storms, straight line winds and the like. Should your program suffer such an event immediately call your GM specialist to see if you might be able to receive funding from this program.

This is a difficult time for all of us and ONAP wants all Grantees to know we appreciate how difficult this is for your communities. Feel free to call or email your GM or GE Specialist with any questions you may have about these new programs and visit the Codetalk website regularly for updates on program guidance and Frequently Asked Questions [FAQs].

Warmest Regards,

Mark Butterfield, EWONAP Administrator.

DEAR TRIBAL LEADER LETTER- SECTION 184 SKILLED WORKER PROGRAM

Skilled workers are vital to any community's overall wellbeing and ability to achieve sustainable economic growth. Every community needs police officers, doctors, nurses, teachers, engineers, architects, and other technical and skilled workers. Unfortunately, some Tribal communities – particularly those located in very remote areas – have historically struggled to attract skilled workers because of a lack of available housing. The Office of Native American Programs (ONAP) is seeking your feedback on how the Section 184 Skilled Worker Program should be designed and implemented to work for your communities. **Click for more details.**

DEAR LENDER LETTER 2020-06- CLARIFICATION OF EVICTION MORATORIUM AND LOSS MITIGATION OPTIONS

The purpose of this Dear Lender Letter (DLL) is to inform lenders of the special loss mitigation options available to Section 184 and Section 184A borrowers under Section 4022 of the CARES Act, and the 120-day eviction moratorium that is currently in place pursuant to Section 4024 of the Act. This DLL also extends the foreclosure moratorium initially provided under the CARES Act until June 30, 2020 and extends loans processing flexibilities related to appraisals, verification of employment and IRS transcripts. Furthermore, this DLL supersedes PIH Notice 2015-15, Section 184 Indian Loan Guarantee Program Disaster Policy, for borrowers impacted by the Coronavirus Disease 2019 (COVID-19) National Emergency.
