This Moving to Work (MTW) Annual Report is prepared in accordance with the “Amended and Restated Moving to Work Agreement” between the Department of Housing and Urban Development (HUD) and Lincoln Housing Authority. This agreement was signed by both parties in April, 2008 and extended the MTW program until the end of the housing authority’s 2018 Fiscal Year. On April 14, 2016, HUD sent a letter further extending the MTW program to the end of the housing authority’s 2028 Fiscal Year. The required elements of the annual plan and report are detailed in HUD Form 50900 (OMB Control Number: 2577-0216 Expiration Date: 03/31/2024)

## I. Introduction

The Lincoln Housing Authority is one of a small number of housing authorities across the country participating in the U.S. Department of Housing and Urban Development (HUD) Moving to Work demonstration program. Originally authorized under the Omnibus Consolidated Rescissions and Appropriations Act of 1996, the MTW program offers public housing authorities the opportunity to design and test innovative, locally-designed housing and self-sufficiency strategies. The statutory goals of the MTW demonstration are:

Reduce cost and achieve greater cost effectiveness in Federal expenditures

Give incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient; and

Increase housing choices for low-income families.

Lincoln Housing Authority and HUD entered into a five-year MTW Agreement in May, 1999. This agreement was amended several times to extend the demonstration program. In 2008, a new Amended and Restated MTW Agreement was signed. This agreement extended the MTW demonstration at Lincoln Housing Authority until 2018. In April 2016, the agreement was extended to 2028.

From the beginning of the demonstration, we have approached MTW reforms with the idea that some persons may always need to receive a basic level of housing assistance - due to age, disability, low wages or other reasons - and that the varying needs of those persons would be best served by maintaining a simplified income-based rent structure. We also understand that for a great many people, housing assistance can and should be a temporary step to greater self-sufficiency. By encouraging work and individual responsibility, we have achieved a high percentage of working families and a strong voucher turnover rate without implementing arbitrary time limits or unaffordable rent structures. In conjunction with an open waiting list and a strong preference system, this has allowed us to continuously issue new vouchers to many of the neediest persons in Lincoln, Nebraska.

Lincoln Housing Authority (LHA) is planning to convert its public housing units from the public housing model to a project-based voucher model to stabilize the funding while continuing to offer high quality assisted housing. Due to the good condition of LHA's public housing units, we

are seeking a simple conversion of subsidy without additional financing and minimal rehabilitation. LHA intends to continue to own and operate the units as affordable rental housing, either directly or through a controlled affiliate. LHA has completed a conversion of Mahoney Manor, a 120-unit senior apartment complex through the Rental Assistance Demonstration (RAD) program and is preparing an application under the Section 18 disposition requirements for scattered site public housing. LHA intends to project-base Tenant Protection Vouchers in most of the scattered site units. We anticipate applying under Section 18 late in the 2021-22 fiscal year or in the 2022-23 fiscal year. We had previously planned to apply in FY20-21 but changes due to Covid-19 limited our ability to do outreach to affected families.

We are concerned that the RAD funding formula will result in contract rents that are significantly below market at conversion, and the RAD rules could result in rent increases for some tenants who currently pay higher ceiling rents. We are using MTW flexibility to enact a fair and reasonable rent policy for the RAD converted units and/or Section 18 disposition units. RAD conversion and/or Section 18 disposition will result in elimination of the Public Housing Capital Fund and Public Housing Operating Fund. LHA will operate the converted properties and establish capital improvement reserves from the rental income stream, which is how LHA operates all its other rental properties. We also plan to use MTW flexibility to utilize the remaining public housing operating reserves for the converted units. The current Capital Fund 5-year plan will be used as a basis for future capital improvement planning. Additional information is found in Section II and in Appendix F.

Lincoln Housing Authority continues to be aware of the need to expand the supply of affordable housing in our community. However, we have not wanted to do so at the risk of decreasing the number of deep subsidy units available through the Housing Choice Voucher and Public Housing Programs. Since the inception of MTW, we have been able to leverage non-HUD sources to add additional rental units, mostly through the Low-Income Housing Tax Credit Program. While these units do not receive deep subsidies, they have expanded the supply of affordable housing available to low and moderate income families and broadened the choice of available units to voucher holders. We plan to continue to develop additional affordable rental housing; however, this is outside the scope of the MTW program.

The city of Lincoln and the state of Nebraska has been fortunate to have maintained low unemployment rates over the past several years. This has been an important factor in the Moving to Work Demonstration. The Nebraska Department of Labor reports the statewide unemployment rate in August 2021 was 2.2%, this is the lowest unemployment rate in the nation and the lowest on record for Nebraska. The national unemployment rate during August 2021 was 5.2%, this is a decrease of 3.2% since August of 2020. In August 2021, there were a

total of 190,842 jobs in the Lincoln Metropolitan Statistical Area (MSA). This is an increase of 1,125 jobs from the prior year. Job growth and low unemployment continue to result in tight labor markets that have pushed up wages and benefits. Low unemployment is an important factor in the continued success of the housing authority's MTW initiatives.

Since beginning the Moving To Work program, Lincoln Housing Authority has concentrated its efforts in the following long-term operational vision for the MTW program.

- Retain program flexibility to meet the many changes encountered in program funding, local housing market conditions, and the needs of the families and individuals participating in Lincoln's Moving To Work program.
- Continue to seek ways to simplify and streamline the Section 8 Housing Choice Voucher program and Public Housing programs while protecting the integrity of the program and accepting accountability for administrative requirements. The traditional Section 8 Housing Choice Voucher program has been needlessly complicated for participants, landlords, and implementing staff. The complexity of the system results in several areas where errors occur with substantial frequency. Tenants are confused about deductions allowed and disallowed and how their portion of rent is determined. Landlords are frustrated by the amount of paperwork and complex rules and regulations that the landlord must follow to be paid. The complexity limits landlord participation. Lack of housing choices results when landlords refuse to participate.
- Continue to promote opportunities for tenant self-sufficiency either through education or meaningful work experience. The need for lower-income participants to complete their education and expand their work experiences will provide a solid base for continued success in their personal and family development.
- Continue the various community partnerships required to enhance participant opportunities in expanding family support services such as social services, education, transportation, and health care programs.

## Goals and Objectives

The Lincoln Housing Authority has a number of goals and specific objectives that are integral to our success as a Moving To Work housing authority. Many of these goals have been integral to our MTW program since the beginning and will continue to be a focal point for the duration of our MTW agreement.

### GOAL I

Increase the number of Section 8 Housing Choice Voucher and Public Housing participants working or making progress towards educational goals, work experience, and self-sufficiency.

#### GOAL I OBJECTIVES:

-Provide incentives for work-able participants to work or seek self-sufficiency through job training or education. Also provide disincentives to work-able participants who choose not to work, seek job training, or further education.

-Form community and state partnerships to provide needed programs and services that encourage participation in recognized self-sufficiency programs.

### GOAL II

Reduce administrative costs and achieve greater cost effectiveness in federal housing assistance expenditures while ensuring the continued integrity of the program.

#### GOAL II OBJECTIVES:

-Simplify the operation of the Section 8 Housing Choice Voucher program and the Public Housing program with the purpose of reducing calculation errors, staff review time, and program administrative costs. This also reduces the burden on tenants by requiring fewer meetings and fewer documents.

-Work with landlords, housing participants, and human service organizations to identify areas of needed change in the operation of the Section 8 Housing Choice Voucher program and the Public Housing program.

### GOAL III

Expand the spatial dispersal of assisted rental units and increase housing choices for voucher holders.

### GOAL III OBJECTIVES:

- Provide incentives to seek housing opportunities outside areas of low-income concentration.
- Create affordable housing opportunities in growth areas of the community.

### MTW INITIATIVES

\* “Planned Number of Unit Months Occupied/Leased” is the total number of months the MTW PHA plans to have leased/occupied in each category throughout the full Plan Year. For public housing, the number of units leased is based upon 98% average monthly occupancy. For HCV, the average HCV voucher utilization is estimated to be approximately 2,900 per month based on current funding levels including VASH Vouchers.

\*\* “Planned Number of Households to be Served” is calculated by dividing the “Planned Number of Unit Months Occupied/Leased” by the number of months in the Plan Year.

^ In instances when a local, non-traditional program provides a certain subsidy level but does not specify a number of units/households to be served, the MTW PHA should estimate the number of households to be served.

ii. Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

HOUSING PROGRAM	DESCRIPTION OF ANTICIPATED LEASING ISSUES AND POSSIBLE SOLUTIONS
-----------------	--

MTW Public Housing

Lincoln Housing Authority converted Mahoney Manor (120 units) to project based vouchers (RAD conversion) effective October 1, 2019 and has 200 scattered site public housing units remaining. We anticipate all 200 units will be leased with an average occupancy rate of 98% and an average unit turnaround rate of approximately 20 days per vacancy. Any vacant units are part of normal tenant turnover; we anticipate no extended vacancy issues. We expect, based on prior year turnover, that 35 to 40 units will experience a vacancy in the coming year. Lincoln Housing Authority still intends to apply for Section 18 Demolition and/or Disposition of Public Housing Property for the remaining 200 scattered site units; the COVID-19 pandemic has delayed this process. The plan is to convert most of these 200 units to project based vouchers

utilizing the disposition provision of Section 18 at some time during this plan year.

The scattered site Public Housing units are family units consisting entirely of single-family and duplex, scattered site homes. They are in good condition and blend-in well with the neighborhoods in which they are located but, the scattered nature of the units make them less efficient to operate.

If the conversion of the scattered site units is successful, new applicants/tenants will need to qualify under the very low income limits of the Section 8 program. This will reduce the number of people who are eligible for the units; however, we currently have a sufficient number of applicants on the waiting list and do not anticipate this to be a significant leasing issue.

### **MTW Housing Choice Voucher**

As funding allows, the HCV program will utilize up to 3,208 HCV and VASH vouchers each month (100% of voucher allocation) under the MTW program. Ongoing increases in rental costs combined with declines in tenant income during the COVID-19 pandemic have caused Housing Assistance Payment (HAP) costs to rise sharply in 2020 and 2021. Current levels of federal funding do not support leasing the full allocation of vouchers. In addition, there are leasing, funding and program rules that impede on the success of utilizing 100% of the voucher allocation. The projected issues are as follows:

The Lincoln rental market for affordable housing remains very competitive with unit vacancy rates remaining extremely low. Unfortunately, LHA voucher holders are often not selected by landlords in this type of rental market due to common low-income tenant traits such as poor rental history or credit history. Additionally, in a low-vacancy rental market, some landlords choose not to participate in the voucher program. LHA established the Landlord Incentive HAP as an MTW initiative in FY 2015 and increased it in FY2021. Currently it provides a \$200 signing bonus to landlords who lease to voucher holders.

Rental application fees and security deposits continue to be a common leasing barrier for voucher holders. Many of the new voucher holders searching for rental units are paying 50-70% of household income for shelter expenses making it very difficult to save for the associated costs of moving to use their voucher. LHA manages a homeless deposit assistance program funded by the City of Lincoln's HOME funds but this program only assisted 6% of yearly new admissions last year. Fortunately, additional resources from CARES act and other federal funding were available to families this past year. LHA continues to work in partnership with other human service agencies to promote tenant training through an established curriculum entitled "Nebraska RentWise", see Initiative 7 under Section IV.

Due to continued increasing rental costs in Lincoln, LHA is proposing to increase Payment Standards in 2022. Depending on federal funding, the increased LHA payment standards and HUD pro-rations on HAP allocations will likely keep voucher unit utilization lower than the unit authorization in the current year and in the upcoming plan year.

<b>WAITING LIST NAME</b>	<b>DESCRIPTION OF PLANNED CHANGES TO WAITING LIST</b>
MTW Housing Choice Voucher	No Planned Changes—Waiting list will be open
Public Housing-Family	We plan to convert most of the Public Housing units to Project-Based Vouchers. If the conversion is successful, new applicants will need to qualify under the very low-income limits of the Section 8 program, which is lower than the current low income limits. This will reduce the number of people who are eligible for the units and could reduce the number of qualified applicants on the waiting list as we serve a lower income demographic. We will continue to have a separate waiting list for these units and the waiting list will be open.

In May, 2013, a revised HUD Form 50900 was approved for use by the Office of Management and Budget (OMB). HUD Form 50900 provides details on the required elements of the Annual MTW and Annual MTW Report. The form requires the use of standard metrics, as applicable; in order to allow HUD to analyze and aggregate data across all PHA's with similar activities. The form was further updated in March, 2021. On the following pages, we have identified the standard metric(s) applicable to each initiative.

## Rent Reform 1

### ACTIVITY: INTERIM RE-EXAMINATIONS

<b>Programs Affected:</b>	HCV & PH
<b>Plan Year Approved:</b>	FY 2000
<b>Plan Year Implemented:</b>	FY 2000
<b>Statutory Objectives:</b>	-Reduce cost and achieve greater cost effectiveness in federal expenditures -Give incentives to obtain employment and become economically self-sufficient

#### DESCRIPTION OF ACTIVITY

This initiative reduces the requirement for interim re-examinations:

Income increase: If the family's income increases without a change in family composition, then LHA will wait until the annual re-examination to re-determine any possible rent increase. Families who report zero income will be required to report income changes at their quarterly certification and rents will be changed accordingly.

Income decrease: LHA will not lower rent for payments due to a temporary loss of income of one month (30 days) or less duration. If a family member has reduced or terminated employment income, LHA will process the rent decrease 90 days after the decrease in income occurred or after all verifications are received to re-determine eligibility, whichever is the latest. Families who terminate their employment for good cause will be eligible for an immediate interim review and rent decrease, if applicable. Good cause will include lay-off, reduction in force, accident, injury, or illness which precludes work. In consideration of hardship, families will be exempt from this 90 day re-employment period if they meet one of the exemptions for the Minimum Earned Income (MEI) requirement shown later in this plan (Rent Reform #2). The 90 day re-employment rule will apply for new admissions to both voucher and public housing programs. We will include any income earned within 90 days of the new admission interview date or thereafter.

It should be noted that the policy on income increases does not require a MTW waiver. The

section on income decreases, specifically the 90 day period for a rent adjustment, likely requires MTW flexibility. This interim policy affects households who have reduced or terminated employment. It delays rent decreases for 90 days after the decrease in income occurred or after all verifications are received. HUD regulation at 24 CFR 982.516(c)(2) and (3) states “The PHA must make the interim determination within a reasonable time after the family request. Interim examinations must be conducted in accordance with policies in the PHA administrative plan”. However, HUD has in the past defined “reasonable time” as the first day of the month following the date of the reported change.

We chose to list the above policies together. When LHA initially began the MTW program, the policy on income increases was part of our MTW plan as a way to encourage and reward households for increasing income such as through new employment. As family income increased, they are not subject to an immediate re-examination of income and assets and the corresponding rent increase. The Quality Housing and Work Responsibility Act (QHWRA) of 1998 incorporated this part of Lincoln Housing Authority’s MTW initiative on interim re-examinations.

#### **UPDATE ON STATUS OF ACTIVITY**

This initiative has been part of LHA’s MTW program since the beginning. LHA continues to implement the policy of decreasing rent 90 days after a decrease in employment income has occurred. This policy encourages families to retain employment as well as to make it a priority to seek new employment when job losses occur. Our most recent data shows that of the households who reported job losses, 7.7% did not require a rent change, indicating they obtained new employment. This is down significantly from previous years. We typically see fewer rent decreases following a job loss or job change because families who become unemployed are encouraged to seek and obtain new employment. The Lincoln Metropolitan Statistical Area has historically maintained a low unemployment rate, the current rate is 1.7 % (August 2021) which is important to the success of this initiative.

The economic disruption due to COVID-19 resulted in significant job losses and lay-offs. These COVID-19 related job losses were not subject to the 90 day rule.

### **ACTIVITY: MINIMUM EARNED INCOME**

<b>Program Affected:</b>	HCV & PH Programs
<b>Plan Year Proposed:</b>	FY 2000
<b>Plan Year Approved:</b>	FY 2000
<b>Plan Year Implemented:</b>	FY 2000
<b>Statutory Objectives:</b>	Give incentives to obtain employment and become economically self-sufficient

#### **DESCRIPTION OF ACTIVITY**

LHA will include a minimum amount of earned income when calculating annual income whether or not a family is working. The minimum amount of earned income for families with one eligible adult will be based on 25 hours per week of employment at the federal or state minimum wage, whichever is greater. The minimum amount of earned income for families with two or more eligible adult members will be based on 40 hours per week of employment at minimum wage. LHA will count the higher of the Minimum Earned Income (MEI) or the actual earned income for the household. The minimum earned income will be added to any unearned income the family receives. Eligible adults are persons 18 years of age or older who do not qualify for an exemption from the MEI. All adults in the household must be exempt in order for the household to be exempt from the minimum earned income requirements. LHA has eight categories of exemptions such as illness, elderly or disabled, students, caretakers, and participants in approved self-sufficiency programs. These exemptions serve as the hardship policy for the MEI requirement.

#### **UPDATE ON STATUS OF ACTIVITY**

The MEI has been a part of the housing authority's MTW program from the beginning. MEI promotes and encourages employment by implementing a work requirement with a basic expectation that a work-able adult should work at least 25 hours per week at minimum wage. The family has the flexibility to figure out how to meet the rent generated by the MEI rather than a strict requirement to work a certain number of hours. In that sense it is similar to a minimum

rent. It is not strictly a minimum rent because families can have other sources of income besides MEI that are included in the rent calculation with MEI, or can be exempt from MEI. Over the years, the MEI has gradually increased in step with increases in the federal or state minimum wage as shown in the chart below.

<b>Effective Date</b>	<b>Minimum Wage</b>	<b>MEI for 1 person (25 hours per week)</b>	<b>MEI for 2 persons (40 hours per week)</b>

**COVID-19.** During the course of March 2020, the final month of our FY19-2020 fiscal year, the country underwent a monumental economic shutdown in response to the COVID-19 pandemic. On March 26, 2020 LHA submitted a Technical Amendment to the FY 2020-21 Annual Plan to discontinue applying MEI during income reviews through the remainder of calendar year 2020, which we later extended to June 30, 2021. Because we did not apply MEI at initial, interim or annual recertifications, the data for the most recent fiscal year is skewed. Historically, we removed MEI upon family request at interim reviews or at annual reviews; however due to COVID-19 we did not conduct Annual reviews for most households. For some households, MEI would likely have ended due to increased employment income if we had conducted an Annual review. Instead those households continued to pay rent based on MEI unless they requested a change. Also, MEI would have been added for some households. For these reasons the overall number of households with MEI declined and the number of households whose MEI ended declined. The

most common reason MEI ended was due to the Covid-19 suspension.

With the local unemployment rate now at an historic low, we began implementing MEI again with all reviews effective July 1, 2021. We would expect the data to cycle back to historic norms in future annual reports. As of the end of FY2020, about 10% of voucher households and 11% of public housing households were affected by Minimum Earned Income requirement. The majority (56%) of households were able to discontinue the MEI requirement during that fiscal year through employment or participation in education or an approved self-sufficiency program. Our FY20 annual report data also showed 90% of public housing and 84% of voucher households who are work-able have income from employment.

HAP costs are lower due to MEI, but increasing relative to baseline over time due to increasing rental costs. We are increasing the Benchmark due to increased rental costs. In the Annual Report we'll also compare the TTP of MEI households if MEI were not included, which is another measure of savings not dependent on the rental market costs.

### ACTIVITY: RENT CALCULATIONS

**Programs Affected:** HCV & PH Programs

**Plan Year Proposed:** FY 2009

**Plan Year Implemented:** FY 2009

**For Item E:**

**Plan Year Proposed:** FY 2000

**Plan Year Approved:** FY 2000

**Plan Year Implemented:** FY 2000

**Statutory Objective:** Reduce cost and achieve greater cost effectiveness in federal expenditures

### DESCRIPTION OF ACTIVITY

A. Total Tenant Payment: Total Tenant Payment (TTP) is determined on 27% of gross income with no allowable deductions.

B. Minimum Rent: All subsidized households are responsible to pay the owner a minimum of \$25.00 for tenant rent. The higher of the TTP minus the utility allowance or \$25.00 is used to determine the tenant rent to the owner. This requirement is waived if the head of household is disabled and has a current Social Security application pending.

C. Calculation of Asset Income: For households with total assets for which the face value is equal to or greater than \$5,000, asset income will be based on a 2% rate multiplied by the face value. Verification requirements are modified to allow as first level of acceptable verification the household provided documents such as quarterly or end of year statements.

For assets under \$5,000 in face value, first acceptable verification level is self-certification of face value and income. The income will be excluded if total assets are under \$5,000.

Special Needs Trusts and ENABLE are excluded as assets. ENABLE accounts allow children and adults with qualifying disabilities in Nebraska to save money without jeopardizing their eligibility for government benefits.

Rental properties are considered personal assets and held as investments rather than business assets. Therefore, under MTW policy asset income from rental properties held by applicants/tenants will be calculated using either 1) the actual annual generated income from the asset, or 2) the imputed asset income by using the face value of the property multiplied by 2%, whichever is greater.

D. Verifications: LHA will utilize Enterprise Income Verification (EIV) as the first level of acceptable verification. In lieu of third-party verifications, tenant provided documents would be second level of acceptable verifications for the following situations:

Earned Income: Pay statements (paystubs) covering no less than thirty (30) days will be collected.

Social Security Income: the last Social Security Statement issued to the household by the Social Security Administration.

E: Other: LHA will not implement regulatory provisions related to Earned Income Disregard, public housing flat rents, imputed welfare income and student earned income exclusions for adults 22 and older. Also, LHA will not implement regulatory provisions to include Special Needs Trusts as an asset or income even if the Special Needs Trust is making regular payments on the behalf of the beneficiary. LHA will exclude income received for participation in grant-funded research on the impact that income has on the development of children in low-income families, if the income has also been excluded by the State of Nebraska for use in determining eligibility for Aid to Dependent Children. The exclusion shall not exceed \$4,000 per year for four years. The research income known as the 4MyBaby gift qualifies under this exemption.

For the FSS program, escrow will be calculated using 90% of gross income as the current adjusted income.

In implementing the above, a hardship policy was created for tenants who were adversely affected. Details for the hardship policies are found in the Admissions and Continued Occupancy Plan and Section 8 Administrative Plan found in Tab 1 and Tab 2 of this MTW Plan.

The hardship policy applies to existing tenants or voucher participants as of specified implementation dates. At the next annual re-certification on or after the implementation date, if

it is determined that calculating TTP based on 27% of monthly gross income with no deductions will increase the tenants TTP by more than \$25, then LHA will limit the increase by utilizing the Hardship TTP.

To calculate the Hardship TTP, LHA calculates the Monthly Adjusted Income using the household's current Annual Income minus the amount of pre-existing deductions that were utilized at the last re-examination prior to the implementation date. The Hardship TTP is calculated based on 30% of this Monthly Adjusted Income, plus an additional \$25 for each successive annual re-examination. If a tenant qualifies for the initial Hardship TTP, then LHA will calculate successive Hardship TTPs by adding an additional \$25 at each annual re-examination until the Hardship TTP equals or exceeds the TTP calculated based on 27% of monthly gross income. Each year a tenant must self-certify that the previous deductions are reasonably the same or have increased. If the amount of deductions has decreased for a tenant (for example a family no longer pays day care), then a tenant will no longer qualify for the Hardship TTP. In no case shall the Hardship TTP be less than \$50 or the Tenant Rent be less than the \$25 minimum rent.

#### **UPDATE ON STATUS OF ACTIVITY**

These revised methods of calculating housing assistance for households are much simpler and less prone to errors. Tenants, participants, landlords, and advocates have appreciated the greater simplicity and ease of understanding compared to traditional methods for calculating housing assistance.

The hardship policy has been used to alleviate any steep increases in rent. The number of hardships decreased steadily over time, and as of March 2021, there were no hardship cases remaining.

Staff continues to save a significant amount of processing time while also improving rent calculation accuracy because of these initiatives. Using comparisons of processing time for MTW participants versus non-MTW participants, the LHA annual report for 2020-2021 shows approximately 32% administrative time savings for new move-ins and 51% administrative time savings for annual re-examinations compared to non-MTW administrative time. That additional time has allowed LHA to add more vouchers (Mainstream, VASH, and Tenant Protection Vouchers) and do more auditing. Time savings varies by experience level of staff. More seasoned staff are assigned to the non-MTW programs. Because of their experience, they are more efficient compared to newer staff assigned a MTW caseload who take more time for annual re-exams.

<b>Plan Year Proposed:</b>	FY 2008
<b>Plan Year Approved:</b>	FY 2008
<b>Plan Year Implemented:</b>	FY 2008
<b>Plan Year Amended:</b>	FY 2009
<b>Statutory Objective:</b>	Increase housing choice for low income families

#### **DESCRIPTION OF ACTIVITY**

The maximum initial rent for a family shall not exceed 50% of their monthly income at the time of approving tenancy and executing a HAP contract.

#### **UPDATE ON STATUS OF ACTIVITY**

When starting MTW in 1999, the housing authority elected to have no cap on rent burden in order to give maximum choice to voucher participants. However, an increasing number of households began putting their housing in jeopardy because their housing choice required 60% or more of household income be spent on shelter expenses. Given this trend, the housing authority in consultation with the Resident Advisory Board felt a rent burden cap was needed but elected to go higher than normal HUD rules. In FY19-20, MTW rules were applied to the Mainstream program as well. This eliminates the non-MTW comparison group for this initiative.

As shown in LHA's most recent MTW annual report, this initiative expands housing opportunities and spatial dispersal of voucher holders. In FY20-21 sixty voucher families utilized Rent Choice to move into twenty-five different census tracts. Among new admission or transfer households who

exceed the 40% cap, 42% are residing in middle to upper income census tracts.

We believe this initiative will continue to be needed in order to maintain voucher utilization. Expanding this variable for families looking for housing gives participating households more housing options within the city of Lincoln. With the option of exceeding the federal rent burden cap of 40%, families can extend their housing search outside of primarily low-income neighborhoods. This larger search area allows families to select housing that fits into a bigger picture of needs that also factors in work, school and family supports.

There has been a decrease in the number of households utilizing this flexibility as we have increased Payment Standards. Since we are planning another significant increase in Payment Standards in 2022, we are anticipating fewer families paying over 40% of income and lowering the benchmark.

### ACTIVITY: AVERAGE UTILITY ALLOWANCES

<b>Program Affected:</b>	HCV Program
<b>Plan Year Proposed:</b>	FY 2000
<b>Plan Year Approved:</b>	FY 2000
<b>Plan Year Implemented:</b>	FY 2000
<b>Statutory Objective:</b>	Reduce cost and achieve greater cost effectiveness in federal expenditures

#### DESCRIPTION OF ACTIVITY

LHA uses one standard utility allowance per bedroom size regardless of tenant utility responsibility and will not issue utility reimbursement checks or payments. The utility allowances were established using the average utility cost per number of bedrooms per unit. The utility allowances are reviewed annually and adjusted based on rate changes.

This activity applies to both tenant-based and project-based vouchers.

The following chart shows the current Fair Market Rents (October 1, 2021) and the payment standards, utility allowances and target rents which are proposed to be effective for November 5, 2021 new admissions and transfers, and March 1, 2022 Annual Recertifications:

SRO	\$ 468	\$ 468	96%	\$ 468	\$ 0
0	\$ 624	\$ 629	101%	\$ 590	\$ 39
1	\$ 689	\$ 739	107%	\$ 655	\$ 84
2	\$ 888	\$ 963	108%	\$ 840	\$ 123
3	\$ 1,237	\$ 1,318	107%	\$ 1,140	\$ 178
4	\$ 1,440	\$ 1,536	107%	\$ 1,300	\$ 236
5	\$ 1,656	\$ 1,773	107%	\$ 1,490	\$ 283
6	\$ 1,872	\$ 2,010	107%	\$ 1,690	\$ 320

Tenant Protection Vouchers (TPVs) are meant to ensure there is no displacement of low-income residents as a result of various actions resulting in a loss of HUD subsidy assistance that is attached to a specific unit. HUD identifies and allocates Tenant Protection Vouchers as the special circumstances arise.

Enhanced Vouchers (EVs) are a form of TPV that, in certain circumstances, allows the gross rent to exceed the local voucher payment standard to allow existing families to remain in their units even if the owner increases the rents. Enhanced vouchers are generally issued to provide continued assistance for a family at the termination of project-based rental assistance program. If the family stays in the same project, the voucher payment standard covers the full market rent. Enhanced vouchers have several special requirements, but in all other respects are subject to rules of the tenant-based voucher program. Some of the differences include a special statutory minimum rent requirement and a special payment standard, applicable to a family receiving enhanced voucher assistance who elects to stay in the same unit. If the family moves, all normal voucher rules apply.

MTW Utility Allowance Hardship: If a household is eligible to receive an enhanced voucher and their unit's utility allowance exceeds the Moving to Work utility allowance at the time of program conversion, then the enhanced voucher household will be granted a Moving to Work Utility Allowance hardship.

The MTW Utility Allowance hardship will allow the enhanced voucher household to retain the utility allowance amount established on the date of the program conversion (i.e. locked-in enhanced utility allowance), as long as the following two conditions exist.

- 1) The tenant remains in the original unit; and
- 2) The MTW Utility Allowance is less than the "locked in" enhanced utility allowance.

Public Housing conversion to Project-Based Vouchers:

Mahoney Manor (AMP 1) was converted (RAD conversion) to project-based vouchers effective October 1, 2019. All utilities are included in the rent so there will not be a utility allowance for this property.

Family Scattered Site units (AMPs 2 & 3) are planned to be converted to project based vouchers during this plan year utilizing provisions of Section 18 Demolition/Disposition of

Public Housing. In order to minimize disruption to existing tenants, the Average Utility Allowance will not be used for the 200 units under the Section 18 conversion. The converted PBV development, Family Scattered Sites, will have its own utility allowances.

#### **UPDATE ON STATUS OF ACTIVITY**

The average utility allowance has been part of the MTW program since 1999. Voucher participants appreciate the simplicity of a single utility allowance as it helps them to know the amount of rent assistance they can expect, making it far easier to search for a unit. They know what target rent they should attempt to achieve, and they understand the value of finding units that are energy efficient or with landlord paid utilities.

Both tenants & landlords support the average utility allowance method. They understand rental assistance is calculated. In a baseline measure, it took nearly five times longer to explain standard utility allowances in a new admission appointment compared to an explanation of average utility allowances. In addition, administrative costs have been saved by not issuing utility reimbursement checks or payments and MTW utility allowance calculations have a very low error rate compared to non-MTW programs. In past HUD studies using data from RIM audits, utility allowance calculations have been in the top 5 of errors. LHA error rates on the simplified MTW utility allowances are extremely low. LHA continues to do an annual evaluation of utility allowances. No other changes are planned for this initiative.

**Statutory Objective:** Reduce cost and achieve greater cost effectiveness in federal expenditures

### DESCRIPTION OF ACTIVITY

LHA will conduct a re-examination of an elderly or disabled household at least every two years. An elderly or disabled household is any family where the head, spouse, co-head or sole member is at least 62 years of age or a person with a disability. If payment standards are increased, households on the biennial cycle for re-examinations will have an interim re-exam completed in the skip year. This interim re-exam will only implement the new payment standard (including target rent and utility allowance) but will not include adjustments to family income. The re-exams will be conducted on the household's annual anniversary date during the skip year. All households will

continue to have interim re-examinations according to administrative policy. All other household compositions will continue with an annual re-examination.

### **UPDATE ON STATUS OF ACTIVITY**

This activity was successfully implemented and is ongoing. Our most recent data shows the number of annual reviews for elderly and disabled households increased from prior years to 860 reviews per year, which is still lower than the baseline number 1,249 reviews. This is 389 fewer reviews or 31% fewer reviews from baseline. However, the total number of elderly and disabled households in the program has increased substantially since the baseline and totaled 1,929 households at the end of the FY2021 fiscal year. We increased the benchmarks in the FY20-21 Annual Plan to reflect this trend, however the number of elderly/disabled biennials increased even more.

Tenants and voucher participants affected by this policy appreciate the reduced burden associated with the review process. In addition, they could have increased income between biennial re-examinations without a corresponding increase in their rent payment. Households continue to be eligible for rent decreases by means of interim re-examinations if they experience decreased income.

Due to the economic disruption and the COVID-19 state of emergency declared by the State of Nebraska on March 13, 2020, LHA extended this policy to all households with Annual Re-examinations due July 1, 2020 through June 30, 2021. LHA placed households with Annual Re-examinations due during those dates on a biennial schedule and began completing the Re-examinations again as of July 1, 2021. LHA continued to complete Biennial Re-examinations that were due. This allowed LHA to prioritize completion of interim reviews from loss of income and to adjust to alternate working arrangements and office closures. Effective with Re-examinations due beginning July 1, 2021, LHA reverted to Biennial Re-examinations for elderly and disabled households only.

### **ACTIVITY: INCOME ELIGIBILITY**

<b>Programs Affected:</b>	HCV & PH Programs
<b>Plan Year Proposed:</b>	FY 2000
Plan Year Approved:	FY 2000
<b>Plan Year Implemented:</b>	FY 2000
<b>Statutory Objective:</b>	Reduce cost and achieve greater cost effectiveness in federal expenditures

#### **DESCRIPTION OF ACTIVITY**

All applicants for HUD subsidized units must provide adequate evidence that the household's anticipated annual income for the ensuing twelve-month period does not exceed the following income limits based on area median income adjusted for family size:

Public Housing: 50% of median income

Housing Choice Voucher: 50% of median income.

Income targeting will not be used.

#### **UPDATE ON STATUS OF ACTIVITY**

Lincoln Housing Authority is using its MTW authority to waive income targeting standards. Rather than use national income targeting standards, LHA has designed its preference system to fit local needs and local program goals. LHA does not measure income targeting on an on-going basis, nor do we alter the order of the waiting list to meet income targeting goals. As part of our annual MTW report, we review admissions income levels relative to targeting standards each fiscal year, and we continue to meet federal targeting standards. In addition, and because of our preferences and the size of our voucher program in relation to the public housing program, we

continue to meet the statutory objective to ensure that at least 75% of the families assisted are very low-income families, as defined in section 3(b)(2) of the 1937 Act. This activity does not interfere with achieving that objective. The Public Housing program is smaller and could be prone to yearly changes in income levels due to small variations in the number of vacancies.

LHA plans to convert the remaining Public Housing portfolio to a project-based voucher (PBV) program. Due to planned conversion under Section 18, LHA is now applying the HCV income limit (50% of area median) for the public housing and converted PBV properties, and public housing income limits no longer apply.

In the Public Housing and Voucher Programs, 100% of Public Housing and voucher new admissions in the last fiscal year were very low income or extremely low income.

<b>Plan Year Approved:</b>	FY 2000
<b>Plan year Implemented:</b>	FY 2000
<b>Statutory Objective:</b>	Reduce cost and achieve greater cost effectiveness in federal expenditures

#### **DESCRIPTION OF ACTIVITY**

Voucher participants will be allowed to port out upon request and only as a reasonable accommodation for employment, education, safety or medical/disability need. LHA will not permit voucher participants to port-out to housing authorities whose Fair Market Rents exceed the LHA Fair Market Rents unless the receiving PHA will absorb the LHA voucher. This restriction is not applicable in cases of Emergency Transfer outlined in Section XXVIII of the Administrative Plan.

#### **UPDATE ON STATUS OF ACTIVITY**

The housing authority's policy continues to provide appropriate opportunities to port while preserving the integrity of our MTW program. Housing staff continues to educate and inform participants and potential participants about the responsible portability policy. Data shows that most requests for portability are approved.

The purpose of responsible portability in our MTW program is to reduce costs and prevent families from porting out with their voucher because of our MTW policies. It was anticipated that some families would choose to port out just to avoid the work requirements and other expectations of

the MTW program. Portability is allowed for specific reasons as listed above. Families are given information about our responsible portability policy and it is recognized that once people are aware of the policy, few formal requests are made. Our policy represents a highly successful implementation of a more responsible portability policy that could be adapted on nationwide basis. Portability represents a difficult and time-consuming administrative issue in voucher programs across the country. Allowing HA's to adopt policies that limit ports only for verifiable, good cause reasons would improve efficiency in voucher program administration nationwide.

In 2014, LHA did a time study on the amount of administrative time it takes per portable voucher and set a benchmark of 4.43 hours per voucher. Our baseline data reflects the results of this time study in the benchmark.

LHA has seen an increase in recent years of waiting list shopping – applicants from other parts of the country applying for a voucher in Lincoln to take back to their home state. Most of the increase in portability is a result of this practice. Often applicants are working in their home state, leave their job so they can come to Lincoln for a voucher and then port back home under the employment exception to return to the same job or a similar job that they had prior to moving to Lincoln. In the past fiscal year, we had 12 ports out of 13 requests for employment reasons. Our baseline level in 2008 was 5 ports out of 5 requests for employment reasons.

In April 2019, LHA modified its Administrative Plan to not permit voucher participants to port-out to housing authorities whose Fair Market Rents exceed the LHA Fair Market Rents unless the receiving PHA will absorb the LHA voucher. This restriction is not applicable in cases of Emergency Transfer outlined in Section XXVIII of the Administrative Plan.

#### **DESCRIPTION OF ACTIVITY**

To encourage participating landlords and tenants to maintain their units in compliance with Housing Quality Standards (HQS), the required annual inspection will be waived for one year if the annual inspection meets 100% HQS upon first inspection at initial or annual inspection. All units will be inspected at least every other year. This initiative will also allow inspections to coincide with the next annual re-examination date rather than HUD's interpretation that inspections be conducted within 365 days of the previous inspection. HUD's interpretation resulted with a schedule of re-inspections every 10 months to ensure compliance with the interpretation of "every 365 days." Special inspections will continue to occur as determined by LHA.

HUD's Request for Tenancy Approval (RFTA) form was modified to satisfactorily implement this inspection incentive initiative. LHA developed a local form, the Request for Inspections and Unit Information form which is used in lieu of HUD's RFTA form HUD 52517, to reflect a city ordinance change that required all landlords to provide all trash services. In addition, LHA also changed this local form after the Landlord Advisory Committee requested a statement be added to the form to indicate when assistance will start. The local form can be found in Appendix B.

## **UPDATE ON STATUS OF ACTIVITY**

This initiative is ongoing since April 1, 2009. Tracking the next inspection date and collecting data on skipped inspections are very time consuming. LHA monitors the impact of this policy through a variety of measurements including: 1) number of annual voucher program inspections completed; 2) percentage of annual HQS inspections passing at the first inspection; and 3) the number of complaint inspections. If the policy was to complete biennial inspections for all units regardless of the results of the inspection, it would be much simpler to implement and audit. However, to ensure the quality of units, it is necessary to retain an annual inspection cycle for some properties.

The inspection waiver policy no longer needs a Moving to Work waiver as the HCV voucher program rules have changed as noted in final rule number 5743-F-03 published March 8, 2016 in the Federal Register. However, the use of the modified Request for Tenancy Approval form and the ability to coincide annual inspections with recertification dates does require a waiver.

The inspection waiver policy continues to have positive impact on the voucher program by providing administrative cost savings to LHA and improving Lincoln's housing stock. LHA conducted significantly less inspections in the last fiscal year due to Covid-19 shutdowns. LHA restarted all inspections again in June 2021.

<b>Program Year Approved:</b>	FY 2012

#### **DESCRIPTION OF ACTIVITY**

LHA will perform all Inspections and Rent Reasonableness determinations on all tenant and project-based voucher units regardless of ownership of property management status including those that are owned or managed by LHA.

#### **UPDATE ON STATUS OF ACTIVITY**

LHA performs inspections and rent reasonableness determinations on the property owned or managed by LHA. This initiative has eliminated the administrative work and cost of acquiring and maintaining a contract to perform inspections and rent reasonableness determinations. Cutting out the middle man, the contractor; improves administrative efficiencies, eliminates confusion for the voucher participant, and improves the response time for performing inspections. LHA properties are generally in better condition than the average rental units participating in the voucher program. Our most recent report showed 95% of LHA properties passed at first inspection compared to 68.4% for all voucher properties. For 2020-2021, cost savings by not hiring an outside contractor was estimated at \$1,605. This is significantly lower than past years, due to the 78% reduction in inspections completed because of COVID-19.

## **NON-SIGNIFICANT CHANGES OR MODIFICATIONS**

LHA plans to convert the Family Scattered Site Public Housing portfolio to the project-based voucher (PBV) program. Upon conversion, the converted PBV units will also be a part of this initiative. Although this will increase the number of inspections under this initiative, the same LHA staff are currently inspecting these units as part of the public housing program requirements. Therefore, there will be no net increase in work or cost to the agency.

### ACTIVITY: PROJECT-BASED SECTION 8 UNITS

**Program Affected:** HCV Program

Project-based units LHA owned or managed properties:

**Plan Year Proposed:** FY 2010

**Plan Year Approved:** FY 2010

**Plan Year Implemented:** Pending receipt of a viable application

Project-based units through other competitive process:

**Plan Year Proposed:** FY 2013

**Plan Year Approved:** FY 2013

**Plan Year Implemented:** FY 2013 to FY 2016

**Statutory Objective:**

- Increase housing choice for low income families
- Reduce cost and achieve greater cost effectiveness in federal expenditures

#### DESCRIPTION OF ACTIVITY

The Moving to Work waivers being used are: 1) to transition LHA owned or managed units into Section 8 project-based assistance without a competitive bid, 2) allow the project-based sites to maintain a site-based waiting list, 3) allow the 25% unit allocation per project cap be removed, 4) allow unit amendments to the project-based HAP contract beyond the three year limit in order to add units not initially included, 5) eliminate the requirement to furnish a copy of each inspection report to the HUD field office, 6) allow zero HAP participants to occupy a unit indefinitely and the unit will remain designated as a project-based unit under contract, 7) implement the utility allowances in accordance with Rent Reform #5, 8) allow LHA to perform the functions of rent

reasonableness determinations, HQS inspections, and enter into agreements to the terms of the HAP contract without the need for an independent entity for LHA-owned units, and 9) Adjust some rent requirements for public housing conversions to project-based vouchers.

For tenants with zero HAP, if the tenant's income decreases, we will reinstate HAP payments. A zero HAP tenant will be eligible to move with a voucher in accordance with Housing Choice Voucher regulations. LHA complies with Housing Quality Standards, subsidy layering requirements, and other federal requirements regarding project-based assistance as set forth in Title 24 of the Code of Federal Regulations.

Project-based units through other competitive process:

LHA plans to project-base an additional 20 vouchers to serve the disabled through an "other competitive" process. Under MTW, LHA will allow the selected project-based site to maintain a separate site-based wait list. In a cooperative effort with the local Veterans Administration, LHA was awarded additional VASH Vouchers to be project-based.

In late 2017 LHA entered into a HAP contract for 70 project-based VASH vouchers at Victory Park Apartments. The project is the result of a collaboration between HUD, the Veterans Administration, LHA and the Lincoln Senior Foundation, a local non-profit organization that is redeveloping the Lincoln VA campus. HUD awarded LHA 45 project-based VASH vouchers for the development, and LHA converted an additional 25 tenant-based VASH vouchers into project-based vouchers for use in Victory Park Apartments. This development is part of the broader redevelopment of the VA campus. The "other competitive process" was the VA's selection process for an enhanced use lease agreement. LHA executed the Housing Assistance Payment Contract (HAP) for this project on December 1, 2017. All 70 units were ready for occupancy on December 1, 2017 and leasing started the same day.

As of July 17, 2015, the HUD Voucher Office has already authorized LHA to use 15 different MTW alternative requirements when administering HUD-VASH vouchers. On July 6, 2017, HUD approved an additional flexibility request to allow Victory Park Apartments to maintain a site-based waiting list and to implement the utility allowances in accordance with Rent Reform #5.

Project-based units LHA owned or managed properties:

LHA will provide project-based Section 8 assistance to property owned or managed by LHA, without a competitive bid. Site selection for LHA owned or managed property will be based on the need to increase, maintain and preserve affordable housing. Each site may create a separate

wait list for applicants interested in renting project-based units. LHA will eliminate the restriction on the percentage of units leased in a building or project.

LHA signed a contract effective July 1, 2012 to phase-in the project-based assistance at Crossroads House during a three-year period. The phase-in period allowed the opportunity to maintain 100% leasing without undue hardship on the voucher program budget and leasing requirements as well as preventing the displacement of any households over the 50% median income limit. The phase-in period has been completed.

Crossroads House Apartments is an elderly apartment complex with 58 one-bedroom units located in downtown Lincoln at 1000 O Street. These units were selected for project-based assistance because of the ongoing community need to preserve existing affordable housing for the elderly population in this area. Since Crossroads House is a “tax credit” project, the definition of elderly is defined as 55 years or older, so residents must meet that age requirement to be eligible. The income eligibility limit for Crossroads House was set at the voucher program limit of 50% of median income rather than the tax credit limit of 60% median income. All 58 units are now project-based.

#### Public Housing conversion to PBV properties

LHA will operate Public Housing converted PBV developments in accordance with the HUD requirements, the MTW Agreement, and this LHA’s MTW Plan, including the provision that LHA will conduct inspections and determine rent reasonableness for these vouchers.

LHA will calculate rent in the following way for tenants who’s Total Tenant Payment (TTP) equals or exceeds the Gross Rent for the unit (Zero HAP tenants) in RAD developments.

#### Mahoney Manor

Both existing tenants (pre-RAD conversion) and new tenants (post-RAD) conversion will pay rent based on their TTP up to the Gross Rent for the unit. Zero HAP tenants will continue to pay the Gross Rent for the unit indefinitely until their income decreases or the Gross Rent increases to a point where they qualify for HAP again. A tenant’s portion of rent will not increase above the RAD PBV Gross Rent for the unit.

Rent Phase-in/Hardship Policy: We have developed the following phase-in of potential rent increases for households whose TTP exceeded the 2018 public housing ceiling rents at the time of conversion. At the first scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$25.00. At the

second scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$50.00. At the third scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay up to the gross rent at the time of the recertification. This applies to all conversions from public housing to PBV.

Recertification Cycles: Upon conversion from public housing to project-based vouchers, the family's last public housing annual or interim income recertification will serve as the initial certification for the voucher program. The family will remain on the same annual or biennial review cycle and schedule. This applies to all conversions from public housing to PBV.

Utility Allowances. LHA will continue to calculate unit-based utility allowances for converted Public Housing units rather than use the single Voucher utility allowance under Rent Reform Initiative #5. This will minimize disruption in the rent calculation for in-place public housing residents converting to vouchers.

#### **UPDATE ON STATUS OF ACTIVITY**

LHA will continue to accept applications through an "other competitive process" to project-base a maximum of 20 units for persons with disabilities. A previous application submitted on May 25, 2011 was not approved because it failed the environmental review. No additional applications have been received.

#### **NON-SIGNIFICANT CHANGES OR MODIFICATIONS**

LHA plans to convert the remaining Family Scattered Site Public Housing units to project-based vouchers under the Section 18 Disposition of Public Housing requirements. Conversion details for this initiative are found in the description above. Because of work restrictions due to COVID-19, we have delayed outreach to the families in these properties. We will not complete an application for conversion until we are able to complete outreach activities.

<b>Program Affected:</b>	HCV Program
<b>Plan Year Proposed:</b>	FY 2012
<b>Plan Year Approved:</b>	FY 2012
<b>Plan Year Implemented:</b>	FY 2012
<b>Statutory Objective:</b>	Increase housing choice for low income families Reduce cost and achieve greater cost effectiveness in federal expenditures

#### **DESCRIPTION OF ACTIVITY**

Lincoln Housing Authority is using combined MTW funds to support Nebraska RentWise, a tenant education program. This activity serves only households under 80% AMI and is related to the MTW objective of increasing housing choices for low-income families by providing training and education.

RentWise is a structured curriculum to educate renters on responsibilities necessary to become successful tenants with stable housing. Lincoln Housing Authority formed a collaborate group, the Lincoln RentWise Network consisting of representatives from an array of human service agencies in the Lincoln community. Network members identified the need for the program because of the common knowledge that many low-income families had great difficulty obtaining rental housing because of past problems. Those problems include rental or credit history, lack of experience (first time renters), stigmas associated with rental assistance programs, or other issues that cause potential landlords to see them as high-risk tenants.

Using certified trainers, RentWise teaches the knowledge and skills to be a successful renter and the issues that lead to problems for tenants. RentWise teaches participants how to secure and maintain safe and affordable rental housing. The six-module program is offered at no cost to participants and covers topics such as how to take care of and maintain the rental unit; how to

improve communication and reduce conflict between tenants and landlords; and how to improve the rental experience, manage money, and information on legal rights and responsibilities. The 12-hour curriculum uses lectures, workbooks, worksheets, demonstrations, and question & answer formats.

The Lincoln RentWise Network offers the six module educational series at least twice per month during both day and evening hours at a central location with city bus service. Lincoln Housing Authority provides coordination for registration, materials, interpreters, scheduling, tracking, and issuing certificates of completion.

### **UPDATE ON STATUS OF ACTIVITY**

This activity was implemented October 1, 2011. Each twelve-hour series is scheduled over three days and each series is scheduled either once or twice a month. The program allows for 60 registrants per session and sessions are currently scheduled two months in advance. The number of classes offered is sufficient to meet the registration requests. RentWise is a pre-housing activity and participants are determined as income-eligible for RentWise based on self-declaration of income.

The program has been very well received by tenants and landlords. Some landlords offer incentives to RentWise graduates such as waiver of application fee or reduced deposit. LHA offers a secondary preference for the voucher program for RentWise graduates.

We have had increased requests for interpreters for the RentWise program. In order to more efficiently use interpreters and manage costs as well as reduce the distractions of having interpreters in a classroom setting, LHA obtained local grants for specialized equipment to be used by interpreters and participants.

Due to Covid-19, RentWise classes were not held in the fiscal year ending March 31, 2021. Over the history of RentWise, 48.5% of those who register complete all requirements of the program. Studies in the field of housing and the use of vouchers show that one of the biggest impediments to increasing housing choice, decreasing concentrated poverty and expanding housing opportunities is the knowledge base of the tenant, their understanding of the rental market, and their connections to the community. The RentWise program improves the knowledge base and thereby increases housing choice.

The Lincoln RentWise Network was able to resume classes with limited attendance to assist with social distancing in April of 2021.

### **ACTIVITY: RESIDENT SERVICES PROGRAM**

<b>Program Affected:</b>	HCV Program
<b>Plan Year Identified:</b>	FY 2012
<b>Plan Year Approved:</b>	FY 2012
<b>Plan Year Implemented:</b>	FY 2012
<b>Statutory Objectives:</b>	Increase housing choice for low income families

#### **DESCRIPTION OF ACTIVITY**

The resident services program provides outreach, case management, service coordination, and supportive services to tenants who are frail elderly or disabled and residing at Crossroads House apartments. Through an interlocal agreement, the program is operated by the Lincoln Area Agency on Aging (LAAA). This activity serves only households under 80% AMI and is related to the MTW objective of increasing housing choices for low-income families by providing a supportive services program which will allow residents to remain independent and prevent premature or unnecessary placement in assisted living facilities or nursing homes.

The resident services program is modeled after HUD's Congregate Housing Services Program which LAAA (grantee) currently offers at LHA's Burke Plaza (91 units) and Mahoney Manor (120 units). All residents are eligible for outreach, case management and service coordination. Residents who are frail with 3 or more deficits in Activities of Daily Living (ADLs) or who are disabled are eligible for supportive services which include personal care, housekeeping, and transportation subsidy. Participation in services by residents is not mandatory and is at the option of the resident. Individual supportive services under the contract are limited by an amount established annually.

A Professional Assessment Committee (PAC) reviews an assessment of each potential participant in supportive services to ensure each participant is an elderly person deficient in at least three ADLs or is a disabled individual.

A service coordinator provides general case management and referral services to all potential participants in the program and provides referrals to the PAC of those individuals who appear eligible for the program. The service coordinator educates residents about the services available, assists with applications, and monitors ongoing services. The service coordinator also coordinates the delivery of third party purchased supportive services for residents who are ineligible for the program supportive services in order to establish a continuum of care and assures access to necessary supportive services.

The LAAA contracts with qualified providers to furnish participants with supportive services including personal care, transportation, and housekeeping services. These three services are provided and funded as part of the program. MTW funds are used to provide reimbursement to LAAA under the interlocal agreement.

Personnel costs for the service coordinator are reimbursed at 100% for .35 FTE to serve Crossroads House. Supportive services are reimbursed at 75% with the remaining 25% billed to the participant receiving services. There is an annual limitation on individual supportive services to the program with an initial cap set at \$2,000 and adjusted annually as needed.

The resident services program is enhanced by the location of the downtown senior center located directly across the street from Crossroads House. This location affords easy access to the programs operated by the LAAA at the senior center which include education, recreation, social activities, health activities, and nutritional programs including a daily noon meal. This location also affords easy access to the service coordinator office and program administration, also located at the senior center site.

#### **UPDATE ON STATUS OF ACTIVITY**

LHA continued this initiative in the past year through an interlocal agreement with Lincoln Area Agency on Aging. The most recent annual report shows there were 58 individuals receiving service coordination in the program. There are 22 individuals who were at high risk for a higher level of service but were able to continue in independent living with supportive services. Without these supportive services, these 22 individuals would likely move to assisted living or nursing home care. This results in substantial savings of Medicaid dollars to remain in independent living versus assisted living or nursing home care.

Through service coordination, residents also receive assistance with services not funded under this program. The service coordinator explains services and benefits to residents and families, communicates and problem solves with service agencies, physicians, and other health care providers and building managers. New problem situations arise regularly, and they are addressed quickly. The service coordinator works with residents who are hospitalized or have temporary nursing home stays to plan for return home with supportive services.

### **ACTIVITY: LANDLORD INCENTIVE HAP**

<b>Program Affected:</b>	HCV Program
<b>Plan Year Proposed:</b>	FY 2015
<b>Plan Year Approved:</b>	FY 2015
<b>Plan Year Implemented:</b>	FY 2015
<b>Statutory Objective:</b>	Increase housing choice for low income families

#### **DESCRIPTION OF ACTIVITY**

As an incentive for landlords to participate in the MTW tenant-based voucher program, Lincoln Housing Authority will provide the landlord a one-time additional Housing Assistance Payment (HAP) of \$200 upon the execution of the HAP contract for the new unit and tenant. This HAP payment will be included with all other HAP reported in VMS. The landlord is not eligible for \$200 additional HAP payment if the contract is executed for a transfer in units with the same landlord, or if the contract is executed due to a lease renewal or change. The following properties are also excluded from the additional landlord incentive payment of \$200: 1) properties managed or owned by Lincoln Housing Authority, or 2) properties receiving Low Income Housing Tax Credits.

This initiative came from discussions with our Landlord Advisory Committee who identified some of the following burden factors to participating in the voucher program: 1) the HAP contract creates additional paperwork and time, 2) inspection requirements result in repairs to units not otherwise required for a market-rate tenant, 3) landlords take time out of their busy schedule to meet with inspectors for HQS inspections, 4) landlords must wait for their first rental payment until after inspections and contracts are approved rather than on the day the lease is signed, and 5) landlords lose rental revenue while waiting for units to pass inspections. This initiative creates an incentive that recognizes these barriers and compensates the landlords accordingly.

## **UPDATE ON STATUS OF ACTIVITY**

A goal of this initiative is to maintain or increase the number of landlords participating in the voucher program. Given the competitive rental market in Lincoln, landlord participation has been decreasing which is making it more difficult for voucher holders to obtain affordable housing. Adding participating landlords increases the success rate for vouchers issued and shortens the time it takes to lease a voucher.

After the implementation of the original \$150 Landlord incentive, the voucher success rate improved by from 60% to 77% and the voucher lease time improved during the first 60 days of voucher issuance. The success rate since declined to around 71%, and LHA increased the incentive payment from \$150 to \$200 effective April 1, 2020. While we have not seen an increase in the success rate, the rate has also not declined further.

The initial improvements with the voucher leasing success rate and faster leasing time are quite impressive considering the challenges of Lincoln's rental market. If this incentive had not been implemented, it is quite possible the voucher lease times and success rates would have decreased because many landlords use stricter selection criteria when the rental market experiences low vacancy rates.

With the implementation of the Emergency Housing Vouchers (EHV), we are using the service fees from that program to implement a higher \$500 incentive fee for EHV vouchers only. Although this is outside the MTW program, we will be interested to see if this substantially increased incentive payment for EHV along with other incentives has a positive impact on the EHV success rates.

**iii. Description of Planned Application of MTW Funding Flexibility**

See Section IV, Initiatives 7 and 8

Upon conversion of the remaining Public Housing to project-based vouchers under the Section 18 disposition process, LHA will transfer and/or use any remaining Public Housing operating reserves or capital funds for the operation of the converted public housing units until those funds are depleted.

In addition, following conversion of Public Housing units under Section 18, LHA anticipates receiving Asset Repositioning Funds (ARF) and Demolition Disposition Transitional Funding (DDTF). LHA will utilize the funds for capital improvements at the converted public housing properties, supplement voucher program administrative or HAP costs, or keep the funds in reserve for future use.

**(IV.) PLANNED APPLICATION OF PHA UNSPENT OPERATING FUND AND HCV FUNDING**

<b>Original Funding Source</b>	<b>Beginning of FY - Unspent Balances</b>	<b>Planned Application of PHA Unspent Funds during FY</b>

\*Unspent HAP funding should not include amounts recognized as Special Purpose Vouchers reserves.

HCV unspent HAP balance will be available for HAP expenses. The average HAP has been increasing and we plan to increase the payment standard which will result in higher HAP expenses as well.

HCV unspent Admin Fee will be available to offset future losses in operating the program. LHA is currently looking for new housing software which could use approximately \$300,000 of the unspent Admin Fee reserves.

**(V.) LOCAL ASSET MANAGEMENT PLAN**

- ii. Is the MTW PHA implementing a local asset management plan (LAMP)? NO**

- iii. **Has the MTW PHA provided a LAMP in the appendix?** **NO**
- iv. **If the MTW PHA has provided a LAMP in the appendix, describe any proposed changes to the LAMP in the Plan Year or state that the MTW PHA does not plan to make any changes in the Plan Year: Not Applicable**

**(VI.) RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION**

**i. Description of the RAD Participation**

LHA submitted its application for the RAD program on August 31, 2018. Lincoln Housing Authority plans to convert assistance of most of its 320 public housing units (AMP 1, AMP 2, and AMP 3) to Section 8 Project-based Vouchers which will be administered by LHA under a Voucher Annual Contributions Contract (ACC) and the Moving To Work Agreement. LHA created a nonprofit controlled affiliate, Lincoln Public Housing, Inc, to serve as the legal ownership entity. We have completed the RAD conversion for Mahoney Manor as of October 1, 2019.

LHA plans to convert the remaining Family Scattered Site Public Housing units to project-based vouchers under the Section 18 Disposition of Public Housing requirements in FY2022-23. Because of work restrictions due to COVID-19, we have delayed outreach to the families in these properties. We will not complete an application for conversion until we are able to complete outreach activities.

In addition to the above description, refer to Appendix F for further RAD information.

**ii. Has the MTW PHA submitted a RAD Significant Amendment in the appendix?**

See Appendix F

**iii. If the MTW PHA has provided a RAD Significant Amendment in the appendix, state whether it is the first Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment:**

### **B. Documentation of Public Process**

As a part of the Moving To Work Annual Plan public process, the Housing Authority of the City of Lincoln, Nebraska published two notices of the public hearing in the city's only newspaper. The first public notice was published in the Lincoln *Journal-Star* on November 1, 2021, and a second notice was published on December 2, 2021. Both notices informed the public of the December 9, 2021 public hearing for the FY 2022-2023 Moving To Work Annual Plan. Each public notice provided information on how citizens could obtain and review a draft copy of the proposed Moving To Work Annual Plan. A copy of the draft Plan was available for review at eight (8) public libraries located throughout the city of Lincoln. The draft Plan was also available for review on the LHA website: [www.L-housing.com](http://www.L-housing.com). Printed copies were available in LHA's main office lobby.

The Lincoln Housing Authority's Resident Advisory Board met on November 2 and 16, 2021 to review the details of the Plan including the proposed Capital Fund budget, the MTW initiatives, and proposed changes to the Section 8 Administrative Plan and Admissions and Continued Occupancy Policy. Each Resident Advisory Board member received a full copy of the plan. Minutes of both meetings are inserted under Tab 1, Appendix G.

A public hearing was held on December 9, 2021.

The Plan was submitted to the LHA board for final approval on January 13, 2022. The board passed a resolution approving the FY 2022-2023 Moving to Work Annual Plan.

**G. Violence Against Women Act (VAWA)**

Lincoln Housing Authority's program policies and procedures intend to support or assist victims of domestic violence, dating violence, sexual assault, or stalking. The following policies or activities have been established to support these victims.

- \* LHA collaborates with all domestic violence agencies. Applications are made available at the local shelter. Domestic violence staff is provided an opportunity to be trained by LHA staff on how to complete on-line applications. The use of on-line applications allows the applications to be expedited and allows the victim to stay in their secured environment. LHA provides a grant to a local domestic violence agency and provides 13 transitional housing units and 12 single family shelter units for domestic violence victims.
- \* A preference is established for the Public Housing and Housing Choice Voucher waiting lists for domestic violence victims.
- \* The domestic violence victim retains their voucher during a household separation.
- \* Housing Choice Voucher participants are able to port-out their vouchers out of the LHA jurisdiction for domestic violence or other safety reasons.
- \* LHA has adopted emergency transfer plans for the Housing Choice Voucher program and for all LHA properties. Families are allowed to transfer their voucher from the contracted unit during a 12-month period if the family is fleeing for their safety which requires relocation.
- \* LHA reviews police activity in all units owned by LHA or assisted by Section 8

monthly to determine the need for family support services. A LHA Family Support Worker will contact the victim to assist with obtaining the appropriate resources.

\* Through the City of Lincoln's Urban Development Department, LHA provides security deposit assistance to homeless domestic violence victims that are voucher participants.

\* Through the Housing Choice Voucher program, a Homeless program has been established with homeless agencies. The local domestic violence agency is a committee member and case manager for this Homeless program. The Domestic Violence case manager provides referrals to the program. This program allows the victim to receive a specialized voucher and provide supportive assistance to stabilize the family.

\* During Public Housing admissions and Housing Choice Voucher program admissions, eligibility denial, and program terminations, participants are notified of the VAWA and provided the HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and HUD form 5380 Notice of Occupancy Rights under the Violence Against Women Act.

\* Landlords participating in the voucher program are notified of the VAWA responsibilities via the HAP contract and newsletter. The HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking is added to each new HAP contract.

## **H. Assessment of Fair Housing**

In accordance with HUD's Affirmatively Furthering Fair Housing rule, LHA entered into a Collaboration Agreement with City of Lincoln and completed an Assessment of Fair Housing (AFH). The City of Lincoln was the lead entity and submitted the AFH to HUD in December 2017. Following submission, HUD delayed implementation of the rule and did not review, approve or comment on Lincoln's AFH.

## **I. Smoke-free Public Housing**

HUD's Smoke-Free Public Housing Rule required that all Public Housing units must be covered by smoke-free policies by July 30, 2018. Lincoln Housing Authority Implemented HUD'S rules effective June 1, 2018.

SUBJECT: MTW flexibility for VASH participants

Dear Mr. Ozdinec:

The Housing Authority of Lincoln, Nebraska is proposing to operate the HUD Veterans Affairs Supportive Housing (VASH) program in accordance with our approved Moving to Work (MTW) standard agreement. Based on the success of our MTW policies, we would like to expand them to VASH participants.

The following table is a summary of LHA's MTW initiatives for the voucher program, along with our assessment as to whether or not the veteran would benefit from the MTW policy and if the policy has a conflict with VASH program policies.

MTW Initiative	VASH appropriate	In conflict with VASH policies
1. Coincide inspection due dates with annual re-exam dates. Biennial inspections for units that pass HQS at first inspection visit.	Veterans and VA case managers would benefit through the reduction in administrative work. It is easier to case manage when the inspections and annual re-examination dates coincide. Veterans and their landlords should be rewarded for maintaining their units to meet HQS standards.	
2. Biennial re-examinations for elderly and disabled	Veterans and VA case managers would benefit by the reduced administrative work and redundancy of meeting with PHA worker. Most VASH households are disabled thus this policy would reduce the veteran's PHA office visits to one in a two year period.

<p>3. Asset Income and verifications- self-certification for assets under \$5,000 and assets over \$5,000 calculated at 2% of the face value</p>	<p>Veteran would benefit from the reduced verification standards as eligibility decisions could be completed faster.</p>	
<p>4. Verifications- Accepting the last issued Social Security statement rather than requiring statement to be issued within 60 days.</p>	<p>Veteran would benefit from the reduced verification standards as eligibility decisions could be completed faster.</p>	
<p>5. Earned Income Disregard, imputed welfare income and student earned income exclusions.</p>	<p>Veteran households tend to not be impacted by these policies.</p>	
<p>6. Standard utility allowance designated by bedroom size only. No utility reimbursements issued.</p>	<p>Veterans and VA case managers would benefit from the policy simplification by understanding how to locate more affordable units. Tenant rent portions would reduce for some veterans, specifically for those who reside in units where utilities are included in the rent.</p>	
<p>7. TTP calculated at 27% of gross income</p>	<p>Veteran would benefit as this would reduce the TTP of all current veteran households.</p>	
<p>8. Maximum initial rent can not exceed 50% of monthly adjusted income.</p>	<p>Veterans would benefit through more housing choice opportunities.</p>	
<p>9. 90 day delay in interims for reducing employment income without good cause.</p>		<p>Exempt VASH participant from the policy as they are working in a self sufficiency program with the VA case manager.</p>
<p>10. Income targeting will not be used in new admissions.</p>		<p>Not applicable- VA referrals controls the new admissions selection.</p>

13. Minimum Earned Income- work requirement of 25 hours per week @ minimum wage for adults who do not qualify for exemption.		Exempt VASH participant from the policy as they are working in self sufficiency program with VA case manager.

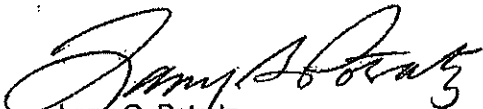

As noted in the table above, most of the initiatives would not conflict with the regulations or the intentions of the VASH program. Rather, these MTW initiatives would actually make the program administration more efficient for our agency and the Veteran's Affairs (VA) plus benefit the veteran served by the Lincoln Housing Authority (LHA). LHA has reviewed the above policy changes with the VA case manager and Program Coordinator who also support the proposed policy changes.

LHA is also requesting to submit all HUD-VASH participant 50058 records via the MTW-50058 to ensure all 50058 records are accepted and recorded properly in the PIH information Center (PIC) system.

We want to assure your office that LHA would at all times follow any and all applicable rules that are specific to the VASH program such as administering the program in accordance with HUD-VASH operating requirements, maintaining separate tracking of all HUD-VASH funds, using special program codes in the PIC system and continuing to report HUD-VASH separately from MTW vouchers. If you have any questions about this proposal please feel free to contact Seanna Collins, Tenant Based Housing Manager at (402) 434-5505 or [seanna@l-housing.com](mailto:seanna@l-housing.com).

Thank you for considering our request. We look forward to hearing back from you so we may start implementing these activities for our veterans as soon as possible.

ASSISTANT SECRETARY FOR

September 21, 2011

Mr. Larry G. Potratz  
Executive Director  
Lincoln Housing Authority  
P. O. Box 5327  
5700 R Street  
Lincoln, NE 68505

Dear Mr. Potratz:

On September 8, 2011, you submitted a request on behalf of the Lincoln Housing Authority (LHA) to establish alternative requirements to Section i. of the *Implementation of the HUD-VA Supportive Housing Program (Operating Requirements)* published in the Federal Register on May 6, 2008. This request included all Moving to Work (MTW) provisions that apply to the voucher program.

Section i. of the Operating Requirements states that HUD-Veterans Affairs Supportive Housing (HUD-VASH) vouchers must be administered in accordance with the Operating Requirements and are not eligible for fungibility under MTW agreements. Also, HUD-VASH vouchers must be reported on separately from vouchers under the agency's MTW Agreement.

Specifically, LHA requested to operate its 60 HUD-VASH vouchers in accordance with all applicable provisions of its MTW Agreement. LHA believes that administering all HUD-VASH vouchers in accordance with its MTW Agreement would simplify administration of the program and benefit the veterans.

In reviewing LHA's request, the standard applied is a straightforward one: HUD-VASH assistance must always be administered in accordance with the Operating Requirements, the statutory provisions governing this assistance (in particular, the requirements contained in the applicable Appropriations Act), and any other HUD-VASH voucher requirements (i.e., any supplemental requirements that are established in addition to those stated in the Operating Requirements). If a MTW Agreement provision is inconsistent with the HUD-VASH requirements, the latter requirements prevail with respect to administration of these vouchers.

LHA completed an assessment of 13 MTW initiatives that would be applied to the HUD-VASH voucher program. The Department agrees with LHA's assessment that the initiative would either benefit the veteran or not be applied. Therefore, it has been concluded that LHA's MTW initiatives do not conflict with the HUD-VASH voucher requirements (particularly those involving eligibility, admission and continued assistance for HUD-VASH veterans). Given this determination, and the fact that it should have no adverse impact on HUD-VASH families since hardship exemptions are provided, LHA may administer HUD-VASH vouchers under the MTW voucher provisions.

The approval to allow LHA to administer its HUD-VASH vouchers in accordance with its MTW Agreement does not extend to HUD-VASH program funding. HUD-VASH voucher funding is not eligible for fungibility and the funds must be accounted for separately in the Voucher Management System (VMS).

Please note that in accordance with Sections II.i. and III of the Operating Requirements, MTW agencies are required to use the regular form HUD-50058 for HUD-VASH families when reporting into the Public and Indian Housing Information Center (PIC), not the form HUD-50058 MTW. At your request, since LHA will be operating its HUD-VASH program in accordance with its MTW Agreement, LHA may report these families on the form HUD-50058 MTW since the rent calculations would be rejected on the regular form HUD-50058.

Your HUD-VASH program will be monitored through PIC reporting, VMS and information provided by the Department of Veterans Affairs. HUD reserves the right to withdraw or modify this approval at any time if, in HUD's determination, the MTW alternative requirements are having a negative impact on the veterans receiving assistance under the HUD-VASH program.

Should you wish to discuss this matter further, please contact Phyllis Smelkinson, Housing Program Specialist, Housing Voucher Management and Operations Division, at (202) 402-4138.

SUBJECT: MTW flexibility for VASH participants

Dear Mr. Ozdinec:

The Housing Authority of Lincoln, Nebraska was previously approved on September 21, 2011 to administer eight (8) of the thirteen (13) Moving to Work (MTW) local initiatives within the HUD-VASH program. Enclosed is a copy of our previous request and HUD's approval to operate MTW initiatives within the HUD-VASH program.

As of July 1, 2015 a new MTW initiative called the "Landlord Incentive HAP" will be implemented encouraging landlords to participate with the tenant-based voucher program. The city of Lincoln is experiencing a very tight rental market with limited availability of affordable housing, therefore voucher holders are having a difficult time finding available units and landlords who will participate in the voucher program. The Veteran Affairs staff for the HUD-VASH program repeatedly report that it is very difficult to find affordable housing in Lincoln and even more difficult to find landlords who are interested in participating in an administratively burdensome program. Landlords report working with the Section 8 Housing Choice Voucher program increases their costs of doing business due to the program's additional inspection, lease, and HAP contract requirements. These requirements are additional expenses not incurred when renting to a market renter, therefore discourages landlords from renting to voucher participants.

The "Landlord Incentive HAP" initiative will reimburse the landlord for a portion of the additional business expenses created by the tenant-based voucher program through a one-time additional HAP payment of \$150 when a new HAP contract is executed with LHA. We would like to expand this incentive to landlords who will execute HAP contracts with LHA for HUD-VASH participants.

MTW initiative	VASH Appropriate
Provide landlords with a one-time additional HAP payment of \$150 upon the execution of the HAP contract for a new unit and tenant. Tax Credit properties and properties owned or managed by a PHA are excluded from this incentive payment.	Veteran and VA case managers would benefit with more housing choice opportunities by offering an incentive to landlords who are willing to participate with the HUD-VASH program. The additional HAP costs to the VASH program would be \$150 @ 44 estimated new admissions= \$6,600 during the next 12 months.

As noted in the table above the initiative would not conflict with the regulation or intentions of the HUD-VASH program. LHA has reviewed the above policy change with the VA case manager and VA Supervisor who also supports the proposed policy change.

We want to assure your office that LHA would at all times follow any and all applicable rules that are specific to the VASH program such as administering the program in accordance to HUD-VASH operating requirements, maintaining and tracking all HUD-VASH funds separately, using special program codes in the PIC system and continuing to report HUD-VASH separately in VMS. Dear Mr. Potratz:

On June 22, 2015, you submitted a request on behalf of the Lincoln Housing Authority (LHA-NE002) to waive certain requirements under the Housing Choice Voucher (HCV) program so that the HUD-Veterans Affairs Supportive Housing (VASH) program could comport with the LHA's Moving to Work (MTW) Agreement. Section II (*Special Rules for the HUD-VASH Voucher Program*) of the *Implementation of the HUD-VASH Program* (Operating Requirements) published in the Federal Register on March 23, 2012, allows for alternative requirements necessary for the effective delivery and administration of these vouchers. Section II.j. (*MTW Agencies*) states that HUD-VASH vouchers must be administered in accordance with the Operating Requirements and are not eligible for fungibility under a public housing agency's MTW Agreement.

In reviewing your request, the standard applied is a straightforward one: HUD-VASH assistance must always be administered in accordance with the Operating Requirements, the statutory provisions governing this assistance (in particular, the requirements contained in the applicable Appropriations Act), and any other HUD-VASH voucher requirements (i.e., any supplemental requirements that are established in addition to those stated in the Operating Requirements). If a MTW Agreement provision is inconsistent with the HUD-VASH requirements, the latter requirements prevail with respect to administration of these vouchers.

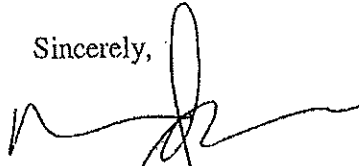

By way of background, on September 21, 2011, the Department approved 13 MTW initiatives for the LHA's HUD-VASH program. The LHA requested to add a new MTW provision that was approved and effective July 1, 2015. This initiative is called the "Landlord Incentive Housing Assistance Payment (HAP)." Through this initiative, the LHA will reimburse a new landlord for a portion of the additional business expenses created by the HCV program through a one-time additional HAP of \$150 when a new HAP contract is executed with the LHA.

In reviewing this request, HUD has determined that this approved MTW provision does not conflict with the HUD-VASH voucher requirements (particularly those involving eligibility, admission and continued assistance for HUD-VASH veterans). Therefore, the LHA may apply this provision of its MTW agreement.

Your HUD-VASH program will be monitored through PIC reporting, VMS and information provided by the Department of Veterans Affairs. HUD reserves the right to withdraw or modify this approval at any time if, in HUD's determination, the MTW alternative requirements are having a negative impact on the veterans receiving assistance under the HUD-VASH program.

**SUBJECT:** MTW flexibility for VASH participants

Dear Mr. Ozdinec:

The Housing Authority of Lincoln, Nebraska was previously approved to administer nine (9) of the fourteen (14) Moving to Work (MTW) local initiatives within the HUD-VASH program. Enclosed is a copy of our previous requests and HUD's approvals on September 21, 2011 and July 17, 2015 to operate these MTW initiatives within the HUD-VASH program.

Construction completion on an apartment complex for homeless veterans is anticipated for November 2017. Once the apartments are constructed and ready for occupancy, Lincoln Housing Authority will be administering HUD-VASH project-based voucher's (PBV) at these apartments. We would like to apply a couple MTW PBV initiatives to the HUD-VASH PBV program to give these veterans the same benefits as our Moving to Work PBV participants.

MTW initiative	VASH Appropriate
Allow the use of the MTW standard utility allowance by bedroom size regardless of tenant or owner utility responsibility in the tenant rent portion calculation for HUD-VASH project-based vouchers.	The veteran would benefit by paying a lower portion of their household income towards tenant rent. This keeps the tenant-based voucher and project-based voucher tenant rent calculations reasonably the same. Therefore providing a smoother transition for any veterans transferring from the tenant-based voucher to a project-based voucher program.

Allow the owner to maintain a site-based waiting list for the HUD-VASH PBV property.

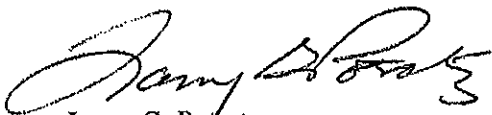

The veteran would benefit by quicker tenant selection and a more efficient application process. This initiative was approved under the Housing Opportunity Through Modernization Act of 2016 (HOTMA) without the need of a MTW approval, but HUD has not yet released the policy to implement this initiative.

Neither of these initiatives would conflict with the regulation or intentions of the HUD-VASH program. LHA has reviewed the above policy change with the VA Supervisor who also supports the proposed policy change.

We want to assure your office that LHA would at all times follow any and all applicable rules that are specific to the VASH program such as administering the program in accordance to HUD-VASH operating requirements, maintaining and tracking all HUD-VASH funds separately, using special program codes in the PIC system, and continuing to report HUD-VASH HAP separately in VMS. If you have any questions about this proposal, please contact Seanna Collins, Tenant-based Housing Manager at (402) 434-5505 or [seanna@l-housing.com](mailto:seanna@l-housing.com).

Thanks you for considering our request. We look forward to hearing back from you so we may starting implementing these activity for our veterans as soon as the project-based voucher property is available.

Dear Mr. Potratz:

On June 12, 2017, you submitted a request on behalf of the Lincoln Housing Authority (LHA-NE002) to waive certain requirements under the Housing Choice Voucher (HCV) program so that the HUD-Veterans Affairs Supportive Housing (VASH) program could comport with the LHA's Moving to Work (MTW) Agreement. Section II (*Special Rules for the HUD-VASH Voucher Program*) of the *Implementation of the HUD-VASH Program (Operating Requirements)* published in the Federal Register on March 23, 2012, allows for alternative requirements necessary for the effective delivery and administration of these vouchers. Section II.j. (*MTW Agencies*) states that HUD-VASH vouchers must be administered in accordance with the Operating Requirements and are not eligible for fungibility under a public housing agency's MTW Agreement.

In reviewing this request, the standard applied is a straightforward one: HUD-VASH assistance must always be administered in accordance with the Operating Requirements, the statutory provisions governing this assistance (in particular, the requirements contained in the applicable Appropriations Act), and any other HUD-VASH voucher requirements (i.e., any supplemental requirements that are established in addition to those stated in the Operating Requirements). If a MTW Agreement provision is inconsistent with the HUD-VASH requirements, the latter requirements prevail with respect to administration of these vouchers.

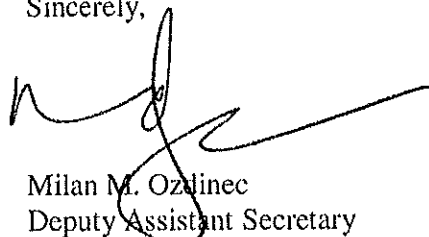

By way of background, on September 21, 2011, the Department approved 13 MTW initiatives for the LHA's HUD-VASH program. The LHA requested to add a new MTW provision that was approved and effective July 1, 2015. This initiative is called the "Landlord Incentive Housing Assistance Payment (HAP)." Through this initiative, the LHA will reimburse a new landlord for a portion of the additional business expenses created by the HCV program through a one-time additional HAP of \$150 when a new HAP contract is executed with the LHA.

In reviewing this request, HUD has determined that this approved MTW provision does not conflict with the HUD-VASH voucher requirements (particularly those involving eligibility, admission and continued assistance for HUD-VASH veterans). Therefore, the LHA may apply this provision of its MTW agreement.

Your HUD-VASH program will be monitored through PIC reporting, VMS and information provided by the Department of Veterans Affairs. HUD reserves the right to withdraw or modify this approval at any time if, in HUD's determination, the MTW alternative requirements are having a negative impact on the veterans receiving assistance under the HUD-VASH program.

Subject: MTW flexibility for EHV Program

Dear Ms. Gipson:

The Housing Authority of the City of Lincoln, Nebraska (LHA) is proposing to administer the HUD Emergency Housing Voucher (EHV) Program in accordance with the flexibilities in our approved Moving To Work (MTW) Annual Plan. According to PIH Notice 2021-15, we are requesting approval from the HUD Office of Housing Voucher Programs through the local Field Office. We are also copying the HUD MTW Office in this request.

LHA has been operating as a MTW agency since 1999. We have a particular program design, including a rent structure, inspection requirements and annual/biennial review requirements that apply to all Housing Choice Vouchers, VASH Vouchers and Mainstream Vouchers. We have close working relationships with the homeless service providers and other Continuum of Care agencies in Lincoln and are already working closely in the implementation of this new program.

Our service partners and community landlords are familiar with our existing rent and inspection rules. It would be an extreme burden on LHA, our partners and our participants to create a program with completely different rent and inspection requirements than all other vouchers in the community. Implementation of the EHV program will be more efficient and successful if it matches the existing MTW program flexibilities. It is critically important that all six rent-related initiatives and both inspection initiatives are applied to the EHV Program.

Email: <a href="mailto:Info@L-Housing.com">Info@L-Housing.com</a>	<a href="http://www.L-Housing.com">www.L-Housing.com</a>

The following are the initiatives in our approved MTW Annual Plan. We are specifically requesting to apply the MTW flexibilities encompassed by Rent Reform Initiatives 1 through 6, and Other Initiatives 1, 2, 4 and 5 to the EHV Program. We understand that MTW funding flexibility is not part of the EHV Program.

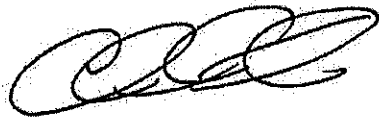

MTW Initiative	Description	EHV Appropriate
<b>Rent Reform Initiative 1</b>	<b>Interim Re-Examinations.</b> Provides incentives to seek re-employment and increase income between re-examinations.	It does not conflict with EHV requirements and is part of our overall rent and recertification structure.
<b>Rent Reform Initiative 2</b>	<b>Minimum Earned Income.</b> Provides incentive to seek earned income from work	It does not conflict with EHV requirements. It is anticipated that most EHV participants will be disabled and not eligible for Minimum Earned Income, or be exempt due to their service plans, but some may qualify.
<b>Rent Reform Initiative 3</b>	<b>Rent Calculations.</b> This is the base model for calculating Total Tenant Payment, including using 27% of monthly income and a minimum rent of \$25	It does not conflict with EHV requirements. It is a much simpler rent structure, requires less documentation and makes rent determinations easier. EHV participants and case managers will benefit from reduced verification and paperwork requirements. This is the system all of our partners understand.
<b>Rent Reform Initiative 4</b>	<b>Rent Choice.</b> This allows participants to rent a unit at up to 50% of monthly income in some instances	It does not conflict with EHV requirements and makes a wider range of units available to participants
<b>Rent Reform Initiative 5</b>	<b>Average Utility Allowance.</b> This is a simplified utility allowance calculation.	It does not conflict with EHV requirements and is a much easier to understand and use utility allowance that is integral to our rent and payment standard system.
<b>Rent Reform Initiative 6</b>	<b>Biennial Re-examinations.</b> Elderly and Disabled households have rent and Income recertifications every two years.	It does not conflict with EHV requirements and is likely allowable under current HUD guidelines. It is anticipated that many EHV participants will benefit from less frequent re-examinations.

<p><b>Other Initiative 1</b></p>	<p><b>Income Eligibility</b> Maintains 50% of AMI eligibility and eliminates federal income targeting.</p>	<p>This conforms with existing guidance that EHV are not subject to income targeting requirements. EHV's will be referred by the COC and subject to 50% AMI income limit.</p>
<p><b>Other Initiative 2</b></p>	<p><b>Responsible Portability.</b> Porting is allowed for good cause such as work, disability needs and fleeing domestic violence. Families may port to higher rental cost areas only if the PHA absorbs the voucher.</p>	<p>This does not conflict with the EHV requirements in the Notice. We would comply with the portability requirements in the Notice including the waiver for non-resident applicants, for example. In Lincoln, most porting occurs by waiting list shoppers moving across the country from very high-cost areas to get a voucher and then move back. This is unlikely to be the situation for EHV participants referred by the COC.</p>
<p><b>Other Initiative 3</b></p>	<p>Removed</p>	<p>NA</p>
<p><b>Other Initiative 4</b></p>	<p><b>HQS Inspections Waiver.</b> This initiative provides a method to distinguish higher quality properties and inspect them on a two-year cycle. It also makes improvements/modifications to the Request for Tenancy Approval Form.</p>	<p>This does not conflict with the EHV requirements and is critical for ongoing landlord acceptance of the vouchers.</p>
<p><b>Other Initiative 5</b></p>	<p><b>Inspections and Rent Reasonableness.</b> This allows LHA to inspect LHA-owned properties.</p>	<p>It does not conflict with EHV requirements and will allow high quality LHA LIHTC or other properties to be available to EHV</p>
<p><b>Other Initiative 6</b></p>	<p><b>Project-Based Vouchers</b></p>	<p>Since EHV's cannot be project-based, this initiative would not apply.</p>
<p><b>Other Initiative 7</b></p>	<p><b>RentWise Tenant Education</b></p>	<p>We will make RentWise classes available to EHV participants, but the particulars of this initiative would not apply since it deals with MTW funding flexibility.</p>
<p><b>Other Initiative 8</b></p>	<p><b>Resident Services Program</b></p>	<p>This initiative is not applicable to EHV.</p>
<p><b>Other Initiative 9</b></p>	<p><b>Landlord Incentive HAP</b></p>	<p>In consultation with the COC, we will likely offer landlord incentives such as signing bonuses to EHV's utilizing the</p>

		EHV Service Fees or another source. Since this is allowed under EHV but will come from a EHV source of funding rather than MTW, this initiative does not apply to EHV.

Chris Lamberty  
Executive Director  
Housing Authority of the City of Lincoln, Nebraska  
5700 R Street  
Lincoln, NE 68505

Dear Mr. Lamberty:

This correspondence responds to your agency's letter regarding the extension of Moving to Work (MTW) flexibilities to the Emergency Housing Voucher (EHV) program. In that letter, the Housing Authority of the City of Lincoln, Nebraska (LHA- NE002) requested the following flexibilities be applied to the administration of Emergency Housing Vouchers (EHVs) made available through Notice PIH 2021-15:

- Delaying rent increases until next annual reexamination
- Applying minimum earned income to calculations of annual income
- A simplified rent calculation, including setting total tenant payment (TTP) at 27% of gross income and applying \$25 minimum rent
- Allowing participants to rent a unit at up to 50% of monthly income in some instances
- Providing a simplified utility allowance
- Holding biennial reexaminations for elderly and disabled households
- Waiving income targeting
- Restricting portability except as part of a reasonable accommodation for employment, education, safety, or medical/disability need and requiring the receiving PHA to absorb the voucher if the receiving PHA's FMRs exceed those of LHA
- Waiving inspections for one year if the annual inspection meets 100% of HQS upon first inspection at initial or annual inspections
- LHA performing inspections and rent reasonableness determinations on all tenant and project-based units
- Providing a voluntary 12-hour curriculum on issues related to tenant readiness

In your letter, you explain that implementing a new set of rent and inspection requirements for EHV would be burdensome for LHA and allowing EHV rent and inspection requirements to match existing MTW program flexibilities will result in a more efficient and successful program. Section 10 of PIH Notice 2021-15 states that "MTW agencies that administer EHVs are bound by the terms and conditions of this notice. As discussed above in section 9, all HCV statutory and regulatory requirements and HUD directives are applicable to EHVs unless waived by this notice." EHV funding, including HAP and administrative fees, is not eligible for fungibility and must only be used for EHV eligibility activities and to assist EHV eligible families.

However, per the American Rescue Plan Act, “the Secretary may waive or specify alternative requirements for any H. R. 1319—57 provision of the United States Housing Act of 1937 (42 U.S.C. 1437 et seq.) or regulation applicable to such statute other than requirements related to fair housing, nondiscrimination, labor standards, and the environment, upon a finding that the waiver or alternative requirement is necessary to expedite or facilitate the use of amounts made available in this section.” As stated in Section 10 of PIH Notice 2021-15, MTW agencies may request approval from HUD to administer EHV in accordance with the HCV programmatic flexibilities approved under the PHA’s Annual MTW Plan or MTW Supplement to the PHA Plan, as permitted by its MTW Agreement or the MTW Operations Notice, provided that HUD determines that the requested flexibilities do not directly conflict with an EHV waiver and would not have a detrimental impact on EHV families.

In reviewing the details of your request, I have determined that some of the requested flexibilities do not directly conflict with an EHV waiver and would not have a detrimental impact on EHV families. Therefore, I find good cause to approve LHA’s request for the following flexibilities:

- Delaying rent increases until next annual reexamination
- A simplified rent calculation, including setting total tenant payment (TTP) at 27% of gross income, \$25 minimum rent, and a \$5000 asset test
- Improving rent choice by ensuring that maximum initial rent does not exceed 50% of monthly income
- Providing one standard utility allowance per bedroom size regardless of tenant utility responsibility
- Holding biennial reexaminations for elderly or disabled households
- Waiving inspections for one year if the annual inspection meets 100% of HQS upon first inspection at initial or annual inspections
- Performing all inspections and rent reasonableness determinations on all tenant and project-based units regardless of property management ownership
- Providing a voluntary 12-hour curriculum on issues related to tenant readiness

Your request to apply the following requested flexibilities is denied after determining that they would have a detrimental impact on EHV participants and/or conflict with an EHV waiver or alternative requirement:

- Applying minimum earned income to calculations of annual income
- Restricting portability except as part of a reasonable accommodation for employment, education, safety, or medical/disability need and requiring the receiving PHA to absorb the voucher if the receiving PHA’s FMR exceeds those of LHA

Families entering the EHV program may face significant barriers to immediately securing employment due to a variety of factors, including health and financial challenges resulting from the COVID-19 pandemic. As you note in your letter, while many EHV families may be exempted from minimum earned income through the hardship policy, some may be subjected to the minimum earned income. The minimum earned income policy may have a detrimental

impact to those families resulting in an annual income calculation that is not reflective of their current economic circumstances.

Due to the target populations for EHV, participants may face additional barriers to successfully using their voucher. To help ensure that EHV participants can find a suitable unit by providing maximum housing choice, HUD has removed the restriction on portability at Section 8(r)(1)(B)(i) of the United States Housing Act of 1937 and 24 CFR 982.53(c). Restricting portability except under certain circumstances conflicts with the EHV waiver alternative requirements for portability under EHV.

A flexibility to waive income targeting requirements for EHV is not needed as per Section 9j of PIH Notice 2021-15, HUD has waived the income targeting requirements of Section 16(b) of the United States Housing Act of 1937 and § 982.201(b)(2).

Should you have any questions regarding this matter, please contact Emily Warren, Voucher Program Specialist, Housing Voucher Management and Operations Division, at [Emily.J.Warren@hud.gov](mailto:Emily.J.Warren@hud.gov).

Sincerely,

*Danielle Bastarache*

### **Rental Assistance Demonstration (RAD)**

#### **Significant Amendment**

## Rental Assistance Demonstration (RAD) Significant Amendment

RAD provides the opportunity to convert public housing properties to long-term, project-based Section 8 rental assistance to achieve certain goals, including the preservation and improvement of these properties through enabling access by PHAs to private debt and equity to address immediate and long-term capital needs. RAD is also designed to test the extent to which residents have increased housing choice after conversion and the overall impact on the subject properties.

Lincoln Housing Authority (LHA) submitted its application for the RAD program on August 31, 2018. Lincoln Housing Authority plans to convert assistance most of its 320 public housing units (AMP 1, AMP 2, and AMP 3) to Section 8 Project-based Vouchers via RAD and/or Section 18 Disposition which will be administered by LHA under a Voucher Annual Contributions Contract (ACC) and the Moving To Work Agreement. Contract rents will be established in accordance with HUD requirements and adjusted annually by HUD's Operating Cost Adjustment Factors (OCAF) on each anniversary of the HUD contract, subject to the availability of appropriations of each year of the contract and rent reasonableness. The initial contract will be for a period of at least 15 years. At the expiration of the initial contract and each renewal contract, the Voucher Agency shall offer and the authority shall accept a renewal contract. Each RAD conversion project with a Project-based Voucher HAP contract will also be subject to a RAD Use agreement that will renew with the HAP contract. Residents of RAD projects will have a choice-mobility option following a one year initial lease. Flexibilities of the Moving to Work (MTW) agencies shall be retained with respect to the voucher program.

LHA completed the RAD conversion of Mahoney Manor (AMP 1) to Project-based Vouchers effective October 1, 2019. LHA withdrew from the CHAP for the remaining public housing scattered site units (AMP 2 and AMP 3) due to its decision to pursue Section 18 disposition and Tenant protection Vouchers for those properties.

Regardless of any funding changes that may occur as a result of conversion under RAD, Lincoln Housing Authority certifies that it will maintain its continued service level at Mahoney Manor and the scattered site public housing units.

The following information is provided in accordance with PIH Notice 2012-32, Attachment 1D-Requirements for RAD-Specific PHA Plan and/or Significant Amendment to the PHA Plan Submission.

1. Description of Units to be covered:

	Mahoney Manor	Turnkey	P30	F39	A12	ALL PROJECTS
	AMP 1	AMP 2	AMP 2	AMP 3	AMP 3	
	Elderly and Near Elderly	Family	Family	Family	Family	
Bedroom Size						TOTAL
0	63					63
1	52			10		62
2	5	6	30	21		62
3		89		8	12	109
4		19				19
5		5				5
<b>TOTAL UNITS</b>	<b>120</b>	<b>119</b>	<b>30</b>	<b>39</b>	<b>12</b>	<b>320</b>

LHA has 320 total public housing units divided into three Asset Management Projects (AMP) Mahoney Manor (AMP 1) is a senior high rise with 120 apartments, almost all zero and 1 bedroom. AMP 2 and AMP 3 are single-family and duplex units in scattered locations throughout the city, which primarily serve families with children due to the bedroom sizes of the units. LHA plans to convert all three Public Housing AMPs to two project-based voucher projects: Mahoney Manor and a scattered site development. This is the totality of LHA's public housing program. LHA is preparing a Section 18 disposition application for the scattered sites. Whether through RAD or Section 18, our intention is to convert the entire portfolio to vouchers.

2. Change in the number of units as part of the conversion:

- a. De minimis unit reductions NOT APPLICABLE
- b. Unit reductions exempt from de minimis cap NOT APPLICABLE
- c. Changes in bedroom distribution of units NOT APPLICABLE

LHA is not making any changes to the number of units or bedroom sizes. LHA units are in good condition, and LHA plans a subsidy conversion without significant rehabilitation. LHA intends to continue to own and operate the units as income based rental housing. RAD conversion will result in elimination of the Public Housing Capital Fund and Public Housing Operating Fund. LHA will operate the converted properties and establish capital improvement reserves from the rental income stream, which is how LHA operates all its other rental properties. The current Capital Fund 5-year plan will be used as a basis for future capital improvement planning.

3. Changes in the polices that govern eligibility, admission, selection, and occupancy of units after the project has been converted:

LHA plans to continue to operate the properties within substantially the same parameters as before except for changes related to the switch from the public housing program to the voucher program. Mahoney Manor will continue to function as a senior facility with a preference for elderly applicants. The scattered site units will continue to be available to all, and will primarily serve families due to bedroom sizes. For RAD conversion projects, LHA will comply with the Resident Rights and protection provisions in Notices 2012-32, REV-3 and PIH 2014-17.

LHA currently maintains two separate waiting lists for Public Housing: One for Mahoney Manor and one for family public housing (AMPs 2 and 3). LHA will continue to operate the same waiting lists following conversion and will continue to offer preferences for homelessness, displaced by domestic violence, and displaced by fire, flood or storm. For wheelchair accessible units, LHA will continue to give priority to applicants who need the accessibility features. The initial income eligibility will change from 80% of median income to 50% of median income due to the change to the Voucher program and the contract rent levels.

4. Transfer of assistance at the time of conversion:  
Not applicable
5. Lincoln Housing Authority is not currently under a voluntary compliance agreement, consent order, or consent decree or final judicial ruling or administrative ruling or decision.
6. Lincoln Housing Authority certifies that the RAD conversion complies with all applicable site selection and neighborhood review standards. This RAD conversion is subsidy conversion only with no changes in sites or substantial rehabilitation.

The scattered site units are located in neighborhoods throughout Lincoln. The units are in good condition, blend in well with surrounding housing and have access to social, recreational, educational, commercial and health facilities and services commensurate with unassisted housing throughout the city. The scattered site units are consistent with the goal of deconcentrating poverty.

Mahoney Manor is a senior high rise located in the Havelock neighborhood, a low poverty area. It is located close to a commercial business district with a senior center and grocery store, and has access to other social, recreational, educational, commercial and health facilities and services commensurate with unassisted housing throughout the city.

7. Resident informational meetings were held on August 15 and 16, 2018 to discuss the possible conversion of public housing to project-based vouchers. Minutes to the meetings were submitted with the RAD applications. Additional meetings with Mahoney Manor residents were held on April 23, 2019 and September 16 and 23, 2019.

The September meetings included a voucher program briefing and signing of new leases as part of the October 1, 2019 conversion.

8. LHA has voucher reserves to use if necessary to adjust RAD contract rents. We will continue to utilize substantially the same number of tenant based vouchers.
9. Through public notice, LHA informed the community of the effect of conversion on the Capital Fund Program Budgets which will be eliminated as a result of converting AMP 1, AMP 2, and AMP 3 to project-based vouchers. Whether through RAD or Section 18 disposition, LHA will establish reserves and manage the properties, as it does for all other LHA properties, through rental income and contributions to reserves and any transitional funding provided as part of the disposition process.

Due to the continuing COVID-19 (Coronavirus) pandemic, the meeting was held virtually via Zoom to help keep everyone safe and well.

**Welcome and Introductions**

Chris Lamberty introduced himself to the group, welcomed all to the meeting and thanked them for their diligence to attend by connecting and navigating into the world of Zoom. The purpose of the group is to provide feedback on policies, to ask questions, and to review the Annual Moving to Work Plan document. He explained that the Resident Advisory Board will meet at least twice annually to have a conversation about LHA's policies and provide feedback on any new initiatives proposed by the agency. All attendees introduced themselves and shared information about their participation with LHA.

### **Overview of the Purpose of the Advisory Board**

The purpose and goal of the Resident Advisory Board is to provide feedback and advice on LHA's policies, programs and its initiatives. Members should ask questions about the information presented and review the Moving to Work (MTW) Annual Plan notebook. The LHA Board of Commissioners will meet on December 9, 2021 at 5:30 PM and will hold a public hearing to hear and review any comments (including comments noted in the minutes from the Resident Advisory Board meetings) and from the public on the Annual Plan. All are welcome to attend to make comments in person or written comments can be submitted by e-mail to: [info@L-housing.com](mailto:info@L-housing.com). Arrangements will be made to allow RAB members to join the public hearing via Zoom; the link will be sent out prior to the meeting. Meeting minutes and public comments will be part of the submittal to HUD in January 2022.

### **Intro and Overview of LHA**

LHA's mission is to provide affordable housing, and its largest program is the voucher program (Section 8, Housing Choice Voucher and others) with approximately 3,000 households assisted each month. The agency also owns and/or manages approximately 1,500 rental units in properties scattered throughout Lincoln.

Carrie Kuszak reviewed the "Overview of the Lincoln Housing Authority" booklet and pointed out the many different programs offered and locations of properties owned or managed by LHA. Through the Family Support Program, outreach is made to individuals and families that may have barriers in becoming self-sufficient or in overcoming barriers in life. Resources and other support services are provided to help avoid loss of housing assistance and to help and support in any way possible. Details were given about the Resident Services and Congregate Housing Services Program offered at the three senior properties (Burke Plaza, Mahoney Manor, Crossroads House). Other programs highlighted were the Family Self-Sufficiency (FSS) program and the Nutrition Education Program. LHA oversees operations and programming at the Carol Yoakum Family Resource Center in Arnold Heights, and a non-profit childcare center (operated by Parkview Child Development) is located within the Family Resource Center building. LHA is the lead agency at the Arnold Elementary School Community Learning Center, and provides a staffperson at that location who coordinates with Lincoln Public Schools to offer after-school and summer clubs. LHA also partners with the Lincoln Parks and Recreation Department to offer before- and after-school programming. LHA also owns the historic Lincoln Army Airfield Regimental Chapel which can be rented by members of the community upon request.

LHA supports programs for homeless families and individuals with funding provided through partnerships with Friendship Home, Fresh Start, the Homeless Voucher program, and the Security Deposit Assistance program. Homeownership programs are supported through the down-payment assistance loan program and the Northeast High School home building project. LHA publishes several newsletters regularly that are distributed to all LHA households, to landlords participating in the voucher program, and to residents living in specific properties or buildings.

Reading Matters was started in 2017 to encourage reading for families with children. A program called "Book Rich Environment" has provided Reading Matters with over 4,000 books per year that are distributed to LHA's partners and families. Over 13,000 books have been distributed since inception of the program.

*Question was asked about the Chapel in Arnold Heights and where that building is located.* The Chapel sits in front of the Carol Yoakum Family Resource Center and directly to the south of the Maintenance facility. The Chapel is listed on the National Register of Historic Places and can be reserved and rented; it is currently used by Parkview Child Care for before- and after-school programs. LHA has a large presence in the Arnold Heights neighborhood owning over 500 rental properties in that area. Originally, the homes were built in the early 1960's by the United States Air Force when Lincoln was home to an active Air Base. The base then closed, and LHA took ownership of all 1,000 units beginning in 1970; approximately 50% of the homes were later sold to individual owners, and LHA retained ownership of the other half to serve as affordable rental units.

*Question: What is the main way LHA gets information out to residents about the programs offered?* It depends on the program. Some are focused on specific programs and others could have some limitations based on location. The way information is distributed varies; all are included on the website: [www.L-housing.com](http://www.L-housing.com). Newsletters also feature the different programs offered as a way to help make sure people are aware of what is available and if they meet the eligibility requirements.

*Question: Is Arnold Elementary School the only school that LHA works with to offer programs?* Yes, Arnold is the only school LHA works with due to the large number of units owned and managed in that neighborhood. It is very unique for a housing authority to be involved in a community learning center, but LHA is dedicated to the Arnold Heights neighborhood. Other schools in Lincoln also have community learning centers and can offer the same or similar programming.

### **Overview of Moving to Work (MTW) Demonstration and Distribution of MTW Annual Plan**

Carrie Kuszak, Amy Wagner and Courtney Gaden (LHA staff) were thanked for helping to coordinate this meeting and for delivering the Plan notebooks to the RAB members. The MTW Annual Plan document (referred to as "the Big Red Book") was then reviewed with sections highlighted. LHA applied for the HUD Moving to Work demonstration program in 1997 and selected as one of the first housing agencies approved to be part of that program. MTW allows LHA to make changes to rules regarding housing in ways to make the program better by using three goals: (1) to increase housing choices for families; (2) to provide incentives for families to work if not already working; and (3) to increase administrative efficiencies. Burke Plaza and the New 32 program are not included in the Moving to Work program. LHA's agreement to participate in the MTW program has been extended several times and is currently set to expire in 2028. HUD has added new housing authorities to the MTW program and is continuing to work on expanding the program. Every proposed change must be approved by HUD, and data must be tracked to show HUD what difference the change is making in administration of the program. Once the Annual Plan is approved, LHA staff will begin working on the

Annual Report that is submitted to HUD. By using the Plan, LHA is trying to simplify programs, increase housing choices and encourage self-sufficiency of families.

*Q: Why does LHA wait so late in the year to go through the process as it doesn't give the RAB members much time to read through the Plan documents?* The Plan does not follow a calendar year but instead follows LHA's fiscal year which ends March 31. Some HUD required deadlines must be met in terms of the public hearing timeline and approval by the LHA board. Internally, staff is working on an annual report to HUD at the end of the fiscal year and then starts putting together the new Annual Plan in anticipation of being ready in the fall. RAB members are not expected to read all of the documents but can pick and choose sections of interest.

### **Review of MTW Initiatives**

"Initiatives" vary in some way from regulations in HUD's standard programming, and LHA must lay out in the Annual Plan document how they vary and why. All initiatives have been in place for a long period of time, and no new initiatives are proposed for Fiscal Year 2022-2023.

LHA is working on three larger initiatives that are referenced in the Plan although they may or may not involve the particular activities that HUD is monitoring. All of them involve trying to expand the amount of affordable housing or rental subsidy as it currently exists in Lincoln or in making efforts to provide housing to more people. LHA has found ways to expand funding for its voucher program using new initiatives approved by Congress to approve some expansion of the voucher program. Funding for 137 additional vouchers was secured for the Mainstream Voucher program. LHA applied for and received an allocation of 100 new Emergency Housing Vouchers that are specifically targeted towards people who are homeless, near homeless or recently homeless. People served by these vouchers are identified by the Homeless Coalition and enter through the Coordinated Entry program for determination as to who receives services for those identified as homeless. LHA is starting to issue these vouchers by working with other non-profits that work with the homeless population.

LHA purchased land at the northwest corner of South Folsom Street and West Old Cheney Road (north of the current horse racing track). The area is rapidly developing and should continue developing over the next two to three years. LHA is currently in the design phase for a new apartment complex similar to Prairie Crossing that would include 128 units (apartments and townhomes). If financing is available through the Low Income Housing Tax Credit program, it is hoped that construction could begin in the fall of 2022. The rent structure will be set at an affordable level similar to Prairie Crossing, and voucher holders will be able to use a voucher in those units.

LHA also owns 200 scattered-site public housing units and is planning to submit an application to HUD in 2022 to convert those units to the voucher program. The process was delayed due to COVID, and a few current tenants are over-housed or over-income. Staff is working with these families to overcome some of the issues and challenges of this process. LHA will continue to own the units but will be transferring the type of subsidy received from HUD to the voucher program. All current tenants living in those units will receive a project-based Section 8 voucher. The tenants could then either move with the

voucher if they want to or continue to lease their current unit. The long-term goal is to improve the funding outlook for the units since public housing has historically not been funded well by HUD. Many public housing units across the country have significant unmet maintenance and physical needs. Discussion followed about the options those identified households would have during the transition and what resources would be available to help them. LHA staff are offering support and services including payment of up to \$500 in moving expenses to those families that must move prior to transitioning to the voucher program. The group also discussed the landlord incentive fee or “signing bonus” where LHA pays an additional \$200 to a participating landlord up front once the unit is under lease. The goal of converting the public housing funding to project-based voucher funding is to stabilize or increase the amount received from the federal government. The current public housing program is primarily a grant which has a tendency to increase or decrease depending on Congressional priorities.

Voucher holders continue to have a difficult time finding landlords that want to participate in the voucher program and in finding units. The current economy contributed to a smaller number of landlords participating because the rental market is so tight, and rents are increasing dramatically. Landlords are able to find tenants without having to accept vouchers and deal with additional paperwork and inspections. LHA strives to expand the number of units available to voucher holders, and expand the number of affordable housing units in the community. More outreach will be scheduled to encourage landlords to participate in the voucher program as time goes on in addition to what is already being done (this is a goal for the department). A quarterly newsletter called *The Lighthouse* is published and mailed to current landlords and is available on the website ([www.L-housing.com](http://www.L-housing.com)) under “Publications”. This newsletter can be shared with other interested landlords, and/or their names could be added to the mailing list (contact Susan Tatum for more information).

It was explained that the opening section of the Plan document contains the introduction, statistics and a description of the goals and initiatives. Pages 25 through 65 provide a more detailed overview of each initiative that makes up LHA’s Moving to Work program.

The following Rent Reforms and Activities were summarized and reviewed with the group:

- Rent Reform 1: Interim Re-Examinations
- Rent Reform 2: Minimum Earned Income
- Rent Reform 3: Rent Calculations
- Rent Reform 4: Rent Choice
- Rent Reform 5: Average Utility Allowances
- Rent Reform 6: Biennial Re-Examinations

Discussion focused on utility allowances, how Fair Market Rents are established, and biennial re-exams during the COVID emergency with questions asked and answered.

A motion was made and seconded to not use the “share screen” option on Zoom during future meetings as it is bothersome to attendees and only half of the screen is visible. Ayes: All. Nays: None. Motion carried unanimously.

**Next Meeting Date:** Tuesday, November 16, 2021 from 3:00 to 5:00 PM via Zoom. An agenda will be e-mailed to all with the Zoom link.

Members were encouraged to read through the materials and bring comments, questions and suggestions to the next meeting. During the next meeting, the group will review the remaining initiatives (all categories other than rent), changes to the policy documents (Housing Choice Voucher Administrative Plan and Admissions and Continued Occupancy Policy) with time set aside for open discussion and questions.

LHA Staff Present via Zoom:

Due to the continuing COVID-19 (Coronavirus) pandemic, the meeting was held virtually via Zoom to help keep everyone safe and well.

**Welcome and Introductions**

Chris Lamberty introduced himself and welcomed all to the meeting. All attendees introduced themselves and shared information about their participation with LHA.

**Continued from Last Meeting: MTW Initiatives**

At the last meeting held on November 2, the group discussed what Moving to Work (MTW) is and what documents are included in the large, red Plan notebook. An overview was given about properties owned or managed by LHA and programs offered, and approximately half of the initiatives for the MTW program were reviewed. A summary was given on the remaining initiatives which have been in place for some time; LHA is not

proposing any significant changes but would appreciate any feedback from RAB members. The following activities were then reviewed with the group:

- ✓ *Initiative 1* Activity: Income Eligibility
- ✓ *Initiative 2* Activity: Responsible Portability
- ✓ *Initiative 3* Moved to Rent Reform 6 at HUD's request
- ✓ *Initiative 4* Activity: HQS Inspections Waiver
- ✓ *Initiative 5* Activity: Inspections & Rent Reasonableness
- ✓ *Initiative 6* Activity: Project-Based Section 8 Units
- ✓ *Initiative 7* Activity: RentWise Tenant Education
- ✓ *Initiative 8* Activity: Resident Services Program
- ✓ *Initiative 9* Activity: Landlord Incentive HAP

Discussion followed about the open waiting list practice that LHA follows, waiting list "shopping", portability limitations, and the inspection process. Questions were asked about how individuals/households are given additional support and information (aside from the RentWise classes) on how to care for a unit. If a unit fails inspection due to a tenant issue that is ongoing or serious, LHA's Family Support Specialist steps in to work one-on-one with the family to help them find community resources, or will individually work with them on housekeeping to make sure the unit passes inspection. One member commented that he had waited for an inspector all day, and then the inspector did not show up. A request was made to include the tenant's telephone number on the inspection request so the inspector could call the tenant when he/she arrives. Another comment was made that some tenants do not like the inspections as "it feels like it's your parent coming into inspect your room, and you feel judged". LHA staff need to be mindful and respectful of this. Members discussed their personal experiences with inspections and interactions with inspectors. Quality control inspections are made by a supervisor to make sure all inspections made follow consistent guidelines. LHA staff will take note of providing good customer service and messaging with the inspection process. More information could be included in newsletters about what inspectors are looking for and not looking for during an inspection.

Residents are able to contact the Family Support Specialist on their own; information about this support resource is also available on the website and was included in recent newsletters. Good discussion was held about housekeeping standards and the differences between lifestyles, culture and perception of clean and tidy. The focus of inspections is on safety and sanitary conditions.

RentWise is a no-cost, six-module program that is offered to people that are interested in becoming better renters. The training includes how to take care of and maintain a rental unit, work with a landlord, reduce conflicts between tenant and landlord, improve the rental experience, budgeting, and cleaning. Classes are held at Community Action Program two times per month (one during the day and one evening class). The location is on a bus route which makes it easier for people to attend. The training is taught by volunteers that are part of the Lincoln RentWise Coalition; LHA oversees the operation but relies heavily on its community partners. Proof of successful completion of the RentWise course allows the participant to have a secondary preference on the voucher waiting list which helps them move up faster on the waiting list.

The Resident Services Program is offered at Crossroads House located at 10<sup>th</sup> and "O" Streets. This program is modeled after HUD's Congregate Housing Services Program (CHSP). CHSP is offered in collaboration with Aging Partners at Mahoney Manor and Burke Plaza. This initiative allows LHA to offer similar case management and service coordination at Crossroads House.

The Landlord Incentive HAP was started a few years ago as it can be a challenge for voucher-holders to find properties that accept vouchers; this is an ongoing issue throughout Lincoln. LHA is always looking for ways to offer incentives to landlords, and this is basically a "signing bonus" of \$200 up front once the lease is signed. In working with a voucher-holder, landlords are dealing with additional paperwork, signing contracts, having their units inspected, and the money is used to encourage more landlords to participate in the program. An increase has been seen in the number of landlords participating in the voucher program, however, it continues to be difficult to recruit new landlords due to the current tight rental market.

Comments: Many landlords do not really know about LHA and do not have an accurate view of the services offered or the people served. For some reason, people just do not know about LHA and how it can help with the resources it has available. There is a disconnect with landlords that have never worked with LHA and the voucher program. How to go about reaching out to them is something that needs to be worked on; suggestions would be welcomed on how to provide this outreach.

- Areas of development, redlining and the movement of voucher holders out of the Antelope Valley redevelopment area was mentioned as a concern rather than having them spread consistently throughout the city of Lincoln. Competition with college students for affordable housing has always been an issue in the community. The paperwork process and inspections is the biggest deterrent to landlords in accepting vouchers.
- The trend has been that more high-end apartments are being built and few that are affordable to renters. LHA is working on a new development at South Folsom and West Old Cheney Road that will provide more affordable units. The City of Lincoln has set a goal of 5,000 new affordable rental units in the next 10 years (60% of median income or less). A new entity is also being formed among bankers to try to encourage more development and financing of affordable housing. Currently, there are a significant number of units in the pipeline for development to be built over the next three years.
- The idea of converting some of the older, rundown hotels to affordable housing units was briefly discussed but is probably not feasible due to the high cost of renovations. However, there are some properties around Lincoln where this type of conversion may be possible.

### **Changes to Admissions and Continued Occupancy Policy**

Stan Sunblade explained that the Admissions and Continued Occupancy Policy (ACOP) applies to all of the rental units that are owned and/or managed by LHA. The policy covers all Public Housing units that are part of the Moving to Work program but also

includes all rental units that are not part of the Moving to Work program. This policy is very important to LHA's leasing and applications staff and includes sections on eligibility, application process, tenant selection and assignment, occupancy standards, leasing procedures, rent policies, schedule of rents, rent collection policy, re-examinations and verifications of tenant income, lease terminations, community service program, and transfer policy. Any changes to the ACOP must be approved by the LHA Board of Commissioners. Proposed changes were discussed with the RAB members for input, suggestions and recommendations. The effective date for any changes to the policy would be February 1, 2022. This year, only a few changes were recommended and a summary of each one was given to the group.

Question was asked about remaining on the Section 8 voucher waiting list even if an applicant accepts and moves into an LHA unit. Waiting lists for various different properties and for a voucher do not necessarily align, and the timing may be different for each. There are time limits on how long a voucher or any unit can be held.

Under the rent moratorium last year due to COVID, almost all of LHA's tenants did a very good job of paying their rent or in seeking rental assistance available to them during the pandemic. Most of the tenants did everything they could and put an emphasis on getting the rent paid. Further discussion followed about the Violence Against Women Act (VAWA) and how those cases are handled with an emergency transfer.

### **Changes to Section 8 Administrative Plan**

Proposed changes to the Housing Choice Voucher (also referred to as Section 8) Administrative Plan were reviewed by Jodie Williams. This policy is used by LHA Housing Specialists in determining eligibility and includes Housing Quality Standards. Changes to this policy also require approval from the LHA Board of Commissioners after input is received from the Resident Advisory Board. Some changes were minor language and clarification changes. Other, more significant changes, are listed below:

- ▶ A new preference is being added for the waiting list for those who are over-housed.
- ▶ Live-in aide language was changed to comply with HUD requirements.
- ▶ Payment standards were increased and approved by the LHA Board of Commissioners on November 4, 2021, and are now in effect for new admissions and transfers. For annual reviews, the new payment standards will be implemented in March 2022. All new payment standard amounts were changed in the policy document.

One of the Resident Advisory Board members asked for contact information for the HUD staff in this area. There is a field office in Omaha that has a number of different staff that work with LHA. Fair Market Rents (FMRs), however, are studied nationwide by the national HUD office using a whole team of people based on statistical analysis. Fair Market Rents are established for every metro area and for every county in the country and vary greatly by community. FMRs are based on various studies and analysis, and Omaha and Lincoln are very similar. Randi Ezeafulukwe wants to talk to a HUD staffperson—she wants to know “who HUD is” and how decisions are made. Contact information will be e-mailed to Randi so she can continue her quest of getting answers from HUD.

Joe Walker stated that he has learned so much from the questions asked and answered during the two meetings.

The Lincoln Housing Authority Board of Commissioners meeting is scheduled for Thursday, December 9, 2021 at 5:30 PM. The MTW Annual Plan will be presented to the board during a public hearing; a Zoom link will be set up to allow RAB members to participate by connecting, or they may also attend in person. Written comments will be presented to the board and may be e-mailed to [info@L-housing.com](mailto:info@L-housing.com). The LHA board will receive minutes from both meetings and will be able to read a summary of what was discussed. The board will be asked to approve the final MTW Plan and policy documents at the January 13, 2022 meeting after having an opportunity to receive comments in December.

## PART I INTRODUCTION

This policy applies to all units owned or managed by the Lincoln Housing Authority (LHA). It sets forth broad policy requirements for staff performing occupancy-related work. LHA has designed this Admissions and Continued Occupancy Policy to take into consideration the needs of individual families for affordable housing and the needs of our mission to develop and operate a socially and financially sound affordable housing program. This policy references other procedural documents that are developed by LHA staff to describe how a specific aspect of this policy is implemented. Where referenced, these separate procedures are bold-faced and underlined.

- A. **Mission Statement:** It is the mission of the Lincoln Housing Authority to provide affordable, safe, sanitary and decent housing to qualifying families currently undergoing financial stress in a manner which affords applicants and tenants dignity and minimal intrusion, within the limits of prudent fiscal management
  
- B. **Statement of Non-Discrimination:** It is the policy of LHA to comply with all applicable civil rights laws now in effect and subsequently enacted. Lincoln Housing Authority shall not discriminate against any individual on the basis of age, race, color, national origin, religion, sex, familial status or disability. LHA shall make its housing units available without regard to actual or perceived sexual orientation, gender identity or marital status. We will treat each individual or family on his or her own merits. An applicant or tenant may file a complaint if LHA fails to comply with the statement of non-discrimination. The complaint must be in writing to LHA within 30 days of the action or inaction by LHA. LHA staff will schedule a meeting on the issues within thirty (30) days of receipt of a written complaint. LHA will accept other forms of communication other than writing to accommodate a disability.
  
- C. **Reasonable Accommodations:** LHA will make reasonable accommodation in rules, policies, practices, office procedures and services to allow a disabled person equal opportunity to use and enjoy a dwelling.  
  
**HUD Subsidized Properties:** LHA will make reasonable accommodation determinations in accordance with Section 504 of the Rehabilitation Act of 1973 and the Fair Housing Amendments Act of 1988.  
  
**Non-subsidized, Conventional, Tax Credit and Market Properties:** LHA will make reasonable accommodation determinations in accordance with the Fair Housing Amendments Act of 1988.
  
- D. **HOME Conflict of Interest.** No employee, officer, agent or consultant of the Lincoln Housing Authority or Lincoln Civic Housing may occupy a HOME-assisted unit at Prairie Crossing Apartments.
  
- E. **Code of Conduct.** LHA will maintain compliance with federal and state conflict of interest requirements. The following LHA documents establish our codes of conduct: 1) LHA

Procurement Policy; 2) LHA Personnel Policy Manual; 3) LHA Guidelines for Providing Excellent Customer Service; 4) LHA Fraud Policy.

- F. **Amending This Policy.** Any amendment to this policy must be approved by the Board of Commissioners of the Lincoln Housing Authority. Any amendments affecting Prairie Crossing must also be approved by the Lincoln Civic Housing Board. Any amendments to the tenant selection process affecting Prairie Crossing must also be approved by the Nebraska Department of Economic Development.

All applicants for Sunny Ridge units must provide adequate evidence that the household's annual income is sufficient to cover rent and utility costs.

- C. Suitability. LHA has an obligation to protect its units, its financial stability, its residents, its staff, and its community. To that end LHA will screen applicants in an effort to determine whether each applicant family could be reasonably expected (1) to abide by the terms of the dwelling lease, and (2) not to have a detrimental effect on the other tenants or on the neighborhood environment. LHA will deny admission to any applicant whose past history shows an unwillingness or inability to abide by the terms of the lease, or whose habits and practices may be expected to have a detrimental effect on the project or neighborhood environment. LHA will apply the same standards of tenant suitability in evaluating a person who wishes to join a family already in occupancy.

All applicants shall be screened in accordance with sound management practices. During screening, the LHA requires applicants to demonstrate ability to comply with the essential provisions of the lease. There are five essential questions that LHA will try to answer about every applicant. Can LHA reasonably expect the applicant to:

1. Pay rent, utilities, and other charges under the lease in a timely manner?
2. Care for and avoid damaging the unit and the common areas, use facilities and equipment in a reasonable way, create no health or safety hazards, and report maintenance needs?
3. Avoid interfering with the rights and enjoyment of others, and avoid damaging the property of others?
4. Refrain from engaging in criminal activity that threatens the health, safety, or right to peaceful enjoyment of other residents, neighbors, and staff, and refrain from engaging in drug-related criminal activity?
5. Comply with necessary and reasonable rules of occupancy and program requirements of LHA and HUD, and comply with health and safety codes?

LHA will make an objective, reasonable, and informed judgment based on the information available to it. LHA will seek this information by requesting information from any or all of the following sources: previous landlords, a home visit (a.k.a. PreHousing) to the applicants current residence, criminal histories, credit reports, and information from any other reasonable source. LHA will determine when a PreHousing visit is required in accordance with LHA's PreHousing Guidelines. Any of the following factors may cause LHA to deny the application.

- A record of non-payment of rent, utilities, or other rightful obligations.
- A record of disturbance of neighbors.
- A record of destruction of property, or damage to previous residences.
- A record of poor housekeeping habits.

- A history of drug-related criminal activity. LHA will give consideration to applicants who have successfully completed a rehabilitation program approved by LHA.
- A history of any other criminal activity involving physical violence to persons or property, or which could adversely affect the health, safety, welfare, or right to peaceful enjoyment of the premises by other tenants or neighbors. This includes charges for sex crimes, Arson, Vandalism, Disorderly Conduct, Maintaining a Disorderly House, Assault, Disturbing the Peace, and like offenses.
- A record that establishes a reasonable cause to believe that the applicant's pattern of alcohol abuse may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents or neighbors. LHA will give consideration to applicants who have successfully completed or are participating in a supervised alcohol rehabilitation program and no longer abuse alcohol.
- A record of previous lease violations.
- A record of Section 8 program violations, money owed any public housing authority in connection with the Public Housing or other Rental Assistance programs, or committing fraudulent activity in connection with any Federal housing assistance program or any other government agency or program.
- A record of money owed to LHA. If the applicant owes money, LHA will not house until the applicant pays the amount in full or enters into a repayment agreement.
- A history of frequent police calls to the applicants residence.
- Applicant's misrepresentation of information related to eligibility, preference for admission, housing history, criminal history, income, or family composition.

Criminal History Checks: All adult household members (18 years or older) must pass a criminal history check no more than ninety (90) days prior to being offered a unit.

In the event of the receipt of unfavorable information with respect to an applicant, LHA will give consideration to the time, nature, and extent of the applicant's conduct and to factors which might indicate a reasonable probability of favorable future conduct. If the applicant is a person with disabilities, LHA will consider extenuating circumstances where this would be required as a matter of reasonable accommodation.

LHA will not deny admission to an applicant for a HUD Subsidized Unit on the basis of or as the direct result of the fact that the applicant has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the person otherwise qualifies for admission. LHA will follow the policies and requirements as required by the Violence against Women Act (VAWA).

- D. Drug-related criminal activity, violent or other criminal activity. LHA prohibits admission to its housing programs if LHA has determined that any applicant or household member has engaged currently or during the past three (3) years in: (1) criminal activity which may threaten the health and safety or right of peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; (2) drug-related criminal activity; (3) alcohol abuse; or (4) violent criminal activity. LHA also will consider any record of drug-related criminal activity, violent or other criminal activity, or alcohol abuse that occurred more than three years ago, and will deem any applicant ineligible if there is reasonable cause to believe that the applicant's pattern of activity may interfere with health, safety, or right to peaceful enjoyment of the premises by other residents. To enforce this policy, the LHA will rely upon background checks of all household members including, but not limited to police reports, newspaper and media reports, and past housing experiences to determine whether a household

will be denied admission. LHA may prohibit admission for such behaviors regardless of arrest or conviction status. The term “arrest” in this policy refers to any arrest, citation, ticket, charge or conviction by any enforcement authority. An arrest record without a criminal charge, conviction, or other imposed penalty on criminal activity will not be LHA’s sole basis for prohibiting admission. If an applicant’s admission is pending due to an arrest record (without conviction) on a disqualifying criminal activity, LHA will try to obtain more information to determine an individual engaged in a disqualifying criminal activity. LHA can use other evidence such as police reports detailing the circumstances of the arrest, witness statements and other relevant documentation to make the decision that a disqualifying conduct occurred. LHA may allow an applicant to remain on the waiting list pending the outcome of a pending criminal charge.

The following households or persons will be prohibited admission to any LHA program:

1. Drug-Related Activities: LHA prohibits admission if any applicant or household member is currently engaged in or has engaged in any drug-related activity. A person is considered to be “currently engaged” if he or she has been arrested or convicted for drug-related activity within the past three (3) years. LHA will consider possession of drug paraphernalia as sufficient evidence of illegal use of drugs. The LHA will not approve an application for three (3) years after the completion of time served (including parole and probation), or after the assessed fine is paid. The LHA may waive this restriction if the drug-related activity involved use or possession, but not production, manufacturing or sale, and if the applicant clearly demonstrates that (a) the household member is no longer engaging in the illegal use of a controlled substance, and (b) the person has successfully completed an approved, supervised drug rehabilitation program, or the household member is currently participating in a supervised drug rehabilitation program, has participated for a minimum of thirty (30) days prior to the application, and will continue to participate until the successful completion of the program. The applicant will be required to submit written evidence showing current successful participation or past successful completion of a supervised drug rehabilitation program. An applicant who is participating in a supervised drug rehabilitation program may stay on the waiting list, and must successfully complete the program before a unit will be offered to the household member.

LHA will prohibit admission to any applicant who has been evicted or terminated for drug-related criminal activity from Public Housing, Indian Housing, any Section 8 program, or any other assisted housing program within the past three years. This penalty will not be waived or reduced for treatment or other mitigating factors.

A member of an applicant’s household will be permanently prohibited from receiving federal assistance or participating in any LHA program if the member has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of any housing assisted by the federal government.

2. Alcohol Abuse: The LHA prohibits admission if any applicant or household member is currently engaged in, or has engaged in alcohol abuse which will or may threaten the health, safety, or right to peaceful enjoyment of the premises occupied by household members, other residents, or persons residing in the vicinity of the applicant or household members. A person is considered to be currently engaged if he or she has been convicted of an alcohol-related offense within the past three (3) years. The LHA

will not admit the applicant's household members for three (3) years after the completion of sentence (including parole or probation) and payment of fines for an alcohol-related offense or the termination of housing assistance due to alcohol abuse. The LHA may waive this restriction if the applicant clearly demonstrates that (a) the household member is no longer engaged in the abuse of alcohol and (b) has successfully completed a supervised alcohol rehabilitation program, or is currently participating in a supervised alcohol rehabilitation program, has participated in the program for a minimum of thirty (30) days prior to the application, and will continue to participate successfully until the completion of the program. The applicant will be required to submit written evidence to verify successful participation in or completion of a supervised alcohol rehabilitation program. An applicant who is participating in an alcohol rehabilitation program at the time of application must successfully complete the program before the LHA will offer the household a unit or give permission to move in with a currently-assisted family member.

3. Violent and Other Criminal Activity: The LHA prohibits admission if an applicant or household member is currently engaged in or has engaged in violent criminal activity or other criminal activity which will or may threaten the health, safety or right to peaceful enjoyment of the premises occupied by household members, other residents or persons residing in the vicinity of the applicant or household members. The LHA will not admit the applicant or members of the applicant's household for three (3) years from completion of time served (including probation and parole) or payment of the assessed fine. The LHA will permanently prohibit admission to any program if an applicant or any member of the applicant's household has a felony conviction for a sexual assault or any other sex-related offense. LHA will deem ineligible permanently any applicant who is subject to a lifetime registration requirement under a state sex offender registration program, or is registered on the State of Nebraska's sex offender registry. LHA will deem ineligible any applicant who is fleeing to avoid prosecution, or custody or confinement, for a crime or attempt to commit a crime that is a felony under the laws of the place from which the individual flees (or is a high misdemeanor in the state of New Jersey); or is violating a condition of probation or parole imposed under Federal or State law; or has any unresolved warrants issued by a law enforcement agency.
  4. Threats Towards LHA Workers/Agent: Any applicant or other household member who makes threatening or abusive remarks or exhibits violent behavior towards any LHA employee or agent during the application and waiting list period will be removed from the waiting list and may not be approved for any waiting list for three (3) years after the incident.
- E. Legal Capacity. The Head of Household must be capable under state law of entering into a legal contract -- at least 18 years of age, legally emancipated in the State of Nebraska, or married.
- F. Citizenship. To receive assistance in HUD-subsidized units, a member of the family must be either citizens of the United States or noncitizens who have eligible immigration status in accordance with HUD requirements. At the time of the initial eligibility determination prior to being housed, LHA will notify applicants of the requirement to provide evidence of citizenship or eligible immigration status, and require a signed declaration of Section 214 status for all household members. LHA will utilize a notification and declaration of Section

214 status in the format required by HUD. For proof of citizenship LHA will accept a birth certificate, US passport or naturalization papers. For non-citizens in eligible immigration status LHA will require a USCIS card or documentation containing an alien registration number and a signed verification consent form. LHA will verify eligibility through the U.S. Department of Homeland Security's SAVE program in accordance with HUD requirements. LHA will provide prorated assistance to eligible mixed families in accordance with HUD guidelines.

- G. Student Status. LHA will not rent tax credit units at Wood Bridge, Summer Hill, Prairie Crossing, Sunny Ridge or Crossroads House to full-time students, unless they meet the standard exceptions allowed in the current IRS regulations governing the Low Income Housing Tax Credit Program. These student restrictions do not apply to the Reduced Rent Units at Summer Hill Apartments.

A copy of a Social Security card or other acceptable verification must be provided prior to housing. Other acceptable verifications include a written statement from the Social Security Administration verifying the name and Social Security number verifying the applicant has applied for a new Social Security card, or an original document from a federal or state government agency which contains the individual's name and social security number along with identifying information of the individual such as address and date of birth.

Exception for providing a Social Security number for a child under the age of 6 years old who is “added” to the applicant’s household 6 months or less from the lease date:

The applicant household may remain on the waiting list and continue with admissions into the property without providing the “added” child’s Social Security number and acceptable verification under the following circumstances.

- The child who is being “added” to the applicant household was not listed on the original application; and
- The request to add the child occurred within 6-months prior to the lease date; and
- The child must be age 5 or younger at the time of the request to add the child to the applicant household

The added child’s (age 5 years or younger) Social Security number must be provided 90 days after program admission, with another 90 day extension if merited due to circumstances outside the family’s control.

- I. **HUD Computer Matching Systems.** LHA will use the Existing Tenant Search in HUD’s EIV system prior to housing a tenant in a HUD-subsidized unit.
- J. **Documentation.** LHA will require all applicants to provide all information necessary to determine Annual Income, Total Tenant Payment, unit requirements, preference categories, suitability for tenancy, and citizenship/immigration status. LHA will require applicants to sign releases of information so that the information may be verified. LHA will require applicants to sign a statement certifying the information provided is correct and complete. LHA will deny admission to any applicants, or terminate the lease of current residents, who do not provide the above information or documentation, or who provide incomplete or false information or documentation. Applicants or tenants who provide such false information will be determined ineligible for any waiting list for 3 years.
- K. **Verification of Eligibility.** LHA will verify all information regarding eligibility in accordance with Section XII, Verification.

### PART III APPLICATION PROCEDURES

- A. Written Application. LHA requires persons interested in renting units to fully complete a written pre-application. LHA will accept pre-applications on a continuous basis in accordance with its posted hours at 5700 R Street. LHA will accept written pre-applications in person, by mail, or via the Online Application on LHA's website. LHA will mail pre-applications upon request. All pre-applications will be marked with the date and time they are received at LHA's offices. Online Applications will be date and time stamped by the computer and recorded on the applicant receipt at the time of submission. In order for the pre-application to be considered completed, online applicants must also submit a signed form authorizing the release of information and certifying the accuracy of the application information. If an applicant requests assistance completing the application, LHA staff will assist the applicant or request permission from the applicant to contact an appropriate agency or individual to assist the person.
- B. Prehousing Visit. LHA may conduct a Prehousing visit with applicants to go over the information provided on the written application, to obtain additional information regarding eligibility and suitability, and to review housekeeping and care of the unit. LHA will conduct a Prehousing visit as deemed necessary by management in accordance with the guidelines established by the Housing Manager. If possible, LHA will conduct the interview at the applicants current residence. Otherwise a Prehousing may be conducted in the office or over the phone. LHA will notify applicants who are required to have Prehousing and provide them 10 days to call and schedule an appointment. If the applicant does not call and schedule an appointment, the application will be canceled with no further notice.
- C. Preliminary Eligibility Determination. LHA will do preliminary eligibility screening to determine if applicants appear to meet the eligibility requirements. LHA will screen for Family Composition, Suitability, and Criminal Activity criteria at the time of pre-application. If the Housing Manager determines that a particular waiting list is too long, LHA may delay some screening until applicants approach the top of the waiting list. LHA will notify those applicants preliminarily determined to be eligible that they have been placed on the waiting list(s).

At the time applicants are offered housing, LHA will require the applicant to complete and sign a full Personal Declaration that in combination with the pre-application will serve as the full formal application, and LHA will verify income eligibility for HUD-subsidized and Tax Credit units. LHA will verify eligibility factors in accordance with Part XII, Verifications.

- D. Criminal History Checks: All adult household members (18 years or older) must pass a criminal history check no more than ninety (90) days prior to being offered a unit.
- E. Ineligible Applicants. LHA may determine an applicant to be ineligible at any time, and choose not to list an applicant on the waiting list or remove an applicant from the waiting list. If LHA determines that an applicant is ineligible for housing, LHA will promptly notify the applicant in writing of this determination. LHA will maintain files of all ineligible applications for at least three years with documentation stating the reason for ineligibility.

For HUD-subsidized and Prairie Crossing HOME units, the notification will state the reasons for this determination, inform the applicant of the right to request an informal review of this decision, and inform the applicant of the actions necessary to request such a review.

F. **Preference Verification.** The family must provide proper verification they are eligible for a preference at the time of application or any time while on the waiting list upon request by LHA. The family must qualify for the preference at the time the family is selected from the waiting list. If, at any time prior to being housed, it is determined the family no longer qualifies for the preference, the family will be placed on the waiting list in a non-preference status according to the time and date of the original application. The family may reapply for preference status at any time.

1. Acceptable sources of verification for all preferences are government agencies, law enforcement, public or private shelters, clergy, or social service agencies.
2. Time frames: The verification is valid for thirty (30) calendar days after receipt by LHA. If the applicant is not selected from the waitlist within thirty (30) calendar days, the preference must be re-verified at the time the family is selected from the waiting list.

If an applicant for HUD-subsidized units claims a selection preference and LHA determines that the applicant does not qualify for that preference, LHA will notify the applicant of this decision.

G. **Informal Review.** An applicant ~~to~~ determined to be ineligible for HUD-subsidized housing may request an informal review of that decision. The request must be in writing and be received by LHA within 14 days of the date of LHA's notification. The review will be scheduled within a reasonable time of the applicant's written request. The review will be conducted by a Manager, the Executive Director or his/her designee, but not by persons directly involved in the decision. At the Review the applicant can offer additional information about mitigating circumstances or mistakes in fact upon which the decision was based. Within 10 days of the review, LHA will provide written notification to the applicant of the results of the review. Informal Reviews for applicants are different from the resident grievance process. Applicants are not entitled to use the resident grievance process.

H. **Incomplete Applications.** If a pre-application is incomplete, or lacking all required forms or information, LHA will notify the applicant and provide a deadline to submit the required information. All applications lacking the required information by the periods outlined by LHA will be cancelled with no further notice. LHA will hold applications awaiting Social Security number verification for 60 days. LHA will hold pre-applications awaiting any other information for 10 days. Applicants whose applications have been canceled must reapply by completing a new application.

I. **Cancelling Applications.** LHA will cancel applications with no further notice or opportunity for review for the following reasons:

1. Applicant Request.
2. Failure to complete the application or provide required information within time allowed.

3. Failure to respond to a Prehousing Letter within time allowed.
4. Failure to show-up for a scheduled Prehousing appointment.
5. Failure to respond to a “still interested” or update letter within the time allowed.
6. After an applicant has declined two units in accordance with the One Offer Policy.

LHA does not accept responsibility for mail loss or delays. Applicants are responsible to notify LHA in writing of any changes to the applicant household or mailing address. LHA is not responsible for applicant’s failure to provide a complete and correct address or to notify LHA of a change of mailing address. If a letter is returned by the United States Postal Service with a forwarding address, LHA will re-send the letter. At the discretion of the Executive Director, Assistant Director, or Leasing Coordinator, applications may be reinstated due to extenuating circumstances.

**PART IV**  
**TENANT SELECTION AND ASSIGNMENT POLICIES**

A. Waiting Lists. LHA will maintain the following waiting lists separated by bedroom size. Waiting lists are always open.

1. Mahoney Manor.
2. Burke Plaza.
3. Public Housing Scattered sites
4. Arnold Heights.
5. Heritage Square and Northwood Terrace.
6. Wood Bridge - Market Rate.
7. Wood Bridge - Tax Credit
8. Crossroads House Apartments
9. Lynn Creek.
10. Summer Hill - Tax Credit & Reduced Rent.
11. Summer Hill - Market Rate.
12. Prairie Crossing - Tax Credit
13. Prairie Crossing - Market Rate
14. Sunny Ridge Townhomes.
15. New 32

LHA will assign each eligible applicant a place on the appropriate waiting list for which the applicant applied and qualified in sequence based upon the type or size of unit needed, Preference status, and the date and time of the application.

For Mahoney Manor LHA will maintain a combined 0 and 1 bedroom waiting list. Applicants on this list will be offered the first available unit regardless of unit size in accordance with LHA's One Offer policy.

B. Prairie Crossing Unit Assignment.

16. Tax Credit: 43 units will be leased as Tax Credit Units as follows:
  - 15 Townhouses (2 exterior units and 1 center unit in each townhouse building; the remaining center unit will be leased as Market Rent)
  - 22 Two Bedroom Apartments and 6 One Bedroom Apartments. One half of the units in each apartment building will be leased as tax credit and one half as Market Rate.
2. HOME Units: 6 of the Tax Credit Apartments will be leased as HOME-assisted units and subject to HOME program requirements.
  - No townhouses are HOME units
  - 2 Two Bedroom and 2 One Bedroom units will be leased as High HOME units (60% income eligibility).
  - 2 Two Bedroom units will be leased as Low Home units (50% income eligibility)
  - HOME units can float throughout the project, except one of the six will always be an accessible unit

C. Selection Preferences. LHA gives a higher priority for HUD-subsidized units (Mahoney Manor, Crossroads House, Burke Plaza, New 32 and Public Housing Scattered Site) to

applicants who are currently eligible for one or more preferences. A family qualifying for one of the preferences listed below is given the same priority as a family qualifying for more than one preference. After preferences, LHA will determine priority based upon the date and time of application. The preferences are listed below in random order with no hierarchical system. A family may qualify for a preference at anytime they are on the waiting list, but must qualify for the preference at the time a unit is offered. A family must provide acceptable verification that they are eligible for a preference. Acceptable verification must come from a government agency, law enforcement agency, public or private shelter, clergy, or social service agency. The verification is valid for 90 days, unless LHA receives additional information invalidating the verification. If the applicant is not offered a unit within 90 days, the preference must be re-verified at the time the family is offered assistance.

1. Homeless. Applicants terminated or evicted from an LHA program or unit will not be eligible for a homeless preference. A homeless family includes:
  - a. Any person or family that lacks a fixed, regular, and adequate night-time residence; and
  - b. Any person or family that has a primary night-time residence that is:
    - (1) A supervised shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters and transitional housing);
    - (2) An institution that provides a temporary residence for individuals intended to be institutionalized (does not include jails or prisons); or
    - (3) A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.
2. Displaced by fire (excluding tenant caused fires), flood or storm. Such displacement must be recent and continuing; the displacement must have occurred within the last three months of the requested preference. Must be verifiable by Red Cross or other government agency.
3. Displaced by domestic violence - actual or threatened physical violence against one or more members of the applicant family by a spouse or other member of the household. Such applicant must have been forced to move because of domestic violence or lives with a person who engages in domestic violence. Such violence must be recent or continuing, and the displacement must have occurred within the last three months of the requested preference. Applicants who have been approved within the last three months for a VAWA-based emergency transfer by another VAWA covered housing provider qualify for this preference. Applicants displaced by domestic violence must certify that the person who engaged in such violence will not reside with the applicant family unless LHA has given advance written approval. If the family is admitted, LHA may deny or terminate assistance to the family for breach of this certification.
4. Working Family  
A family with at least one adult member who is currently employed at least 25 hours per week. A family whose head, co-head or spouse or sole member is age 62

or older or is a person with disabilities also qualifies for this preference.

As of September 1, 2019, this preference is no longer available to families applying for Scattered Site Public Housing and New 32. This preference will be honored at the first offer for families that applied prior to September 1, 2019 who qualified for the preference.

This preference does not apply to applicants for Mahoney Manor, Crossroads House, or Burke Plaza.

- D. Priority to Elderly and Displaced. In selecting applicants for HUD-Subsidized units LHA will give preference to Elderly/Disabled Families and Displaced Persons over Single Persons.
- E. Burke Plaza Elderly Preference. LHA will offer available units at Burke Plaza first to applicants where the head, spouse or sole family member is 62 years of age or older. This preference will take priority over all other selection preferences. LHA will offer units to disabled applicants under age 62 if there are an insufficient number applicants who qualify for the elderly preference to fill vacant units.
- F. Mahoney Manor Elderly Designation and Near-Elderly Preference. In accordance with the HUD approved Designated Housing Plan, Mahoney Manor is designated as Elderly only with a Near-Elderly Preference. LHA will offer available units first to applicants where the head, spouse or sole family member is 62 years of age or older. If there are insufficient elderly applicants for a particular vacant apartment, LHA will then offer the apartment to applicants who are age 50 years and over. LHA will not offer units to persons who are below the age of 50 years.
- G. One Offer. As dwelling units become available for occupancy, the verified, eligible applicant first on the respective waiting list for the available size of unit shall be offered a unit in accordance with the following plan:
  - 1. The housing authority will offer the suitable unit that has been vacant for the longest period of time. If that unit is not ready for occupancy, LHA will offer the unit that has been ready for occupancy for the longest period of time. The applicant must accept the unit offered or LHA will change the date of the application to the date of the unit offer, effectively lowering the rank of the application on the waiting list. An applicant who refuses the first offer may continue to benefit from a preference for as long the applicant qualifies under the definitions of that preference. After the applicant has refused two offers, LHA will cancel the application.
  - 2. Under certain circumstances LHA may allow the applicant to refuse a unit and remain at the top of the waiting list. If LHA is satisfied that the refusal meets the criteria below, LHA will consider the refusal of the offer to be an "allowable refusal," and will not move the applicant to the bottom of the waiting list.
    - a. The applicant is willing to accept the unit offered, but is unable to move at the time of the offer due to health reasons or because of current lease obligations. A lease requirement for a 30 day notice to vacate does not meet the criteria for an allowable refusal. An inability to move based on finances does not meet

the criteria for an allowable refusal. This will be considered the first offer, although the applicant will maintain their position on the waiting list. Once the initial lease obligation or health reason has expired or ended, LHA will make the second and final offer. If the second offer is refused, LHA will cancel the application.

- b. The applicant's acceptance of a given unit will result in undue hardship not related to consideration of race, color, or national origin, and the applicant presents clear evidence to substantiate this claim. Examples of such hardship include:
- Acceptance of the unit would cause current employment or daycare to be inaccessible to the applicant such that it would require applicant to quit a job or remove a child from daycare. This does not apply to an applicant who lives outside of the City of Lincoln.
  - The unit is inappropriate for applicant's disability.
  - The unit is not of the proper number of bedrooms or the applicant does not need the accessibility features in the unit, and the applicant would be able to reside there only temporarily.

H. Income Targeting. For the New 32 and Burke Plaza waiting lists LHA will comply with HUD's income targeting requirements for extremely low-income applicants. For these projects LHA will target at least 40% of new admissions during a fiscal year to applicants at or below 30% of the area median income as determined by HUD. If necessary, LHA will skip over eligible applicants at the top of the waiting list to offer units to extremely low-income applicants lower on the waiting list in order to maintain the 40% ratio. LHA will follow the waiting list order to offer a unit to the next eligible applicant at or below 30% of the area median income.

I. Transfer Policy. LHA will make reassignments or transfers to other dwelling units without regard to race, color, or national origin as follows:

1. LHA will not transfer residents of a HUD-subsidized unit to another HUD-subsidized unit of equal size either within a project or between projects, except for alleviating hardships as determined by LHA or for medical reasons as certified by a doctor. Residents can be transferred to accommodate a disability, when a unit is available with features that accommodate their disabilities better than the current unit. LHA will consider transfers to a HUD-subsidized unit with a greater or lesser number of bedrooms in accordance with the resident-requested transfer guidelines listed in paragraph 3 below. The resident family must meet the Occupancy Standards for the size of unit requested.
2. **Administrative Transfers.** LHA will initiate the following types of transfers. Such transfers will take precedence over new admissions unless otherwise noted. LHA will provide up to 30 days notice of the required transfer, except for Emergency Transfers, since, by definition these involve danger to the resident. Tenants approved for a transfer will be placed on the appropriate waiting list as of the date and time that the transfer request was received or determined to be necessary by LHA. For transfers that take priority over new admissions, LHA will give a transfer preference that will move the transfer tenant to the top of the waiting list.

- LHA will make Emergency transfers when LHA determines that the unit or building conditions pose an immediate threat to resident life, health or safety. This includes VAWA-covered Emergency Transfers approved in accordance with Section XV of this Plan.
- LHA will transfer families in over-occupied units to larger units as determined by the Occupancy Standards.
- For HUD-Subsidized units LHA will transfer families in under-occupied units to a smaller unit. LHA will place the tenant on the appropriate waiting list as of the date of LHA notification to the family. LHA may waive this provision to avoid a vacancy problem, to maintain full occupancy, or to prevent a hardship to the family.
- LHA may transfer families occupying units with special accessibility features, if those features are not required by current tenants and there is an eligible family on the waiting list who does need such features.
- LHA will transfer tenants to permit unit modernization as determined necessary by LHA.

3. **Resident Requested Transfers.** LHA will consider resident-requested transfers. If approved, the transfer will be placed on the appropriate waiting list as of the date of the transfer request. LHA will observe the following criteria when considering resident-requested transfers.

- **Length of Residency**

The tenant family must have resided in the current unit for at least 1 year to be eligible for a transfer.

- **Rent Payments History**

During the lease period, the family history of rent payment must include no record of delinquency for the past 6 months and no more than 4 letters of delinquency in two years, and must have a favorable recommendation from the Credit and Collections Clerk.

The Credit and Collections Clerk can give approval even with letters of delinquency if the family maintained ongoing communication with the clerk of problems, and the family continued to make payments on other charges.

- **Utility Payment History**

There is no history of delinquent notices from utility companies.

- **Inspection & Maintenance History**

The history of LHA inspection reports and maintenance calls to the residence show good care and minimal damages to the unit and any charges were paid in a timely manner. If no annual inspections have been performed, LHA will make a home visit to evaluate tenant care of the unit.

- **Other Issues**

The tenant shall not have a history of drug-related criminal activity or other criminal activity involving crimes of physical violence to persons or property and other criminal acts which would adversely affect the health, safety or welfare of others.

The tenant shall have a record of good housekeeping.

The tenant shall have a record relatively free of complaints from, and serious confrontations with, neighbors, staff, or others arising primarily from the activities of the tenant.

The tenant shall have a good record of yard maintenance such as mowing and watering the grass, raking leaves, shoveling drives and walks. The tenant shall have a history of keeping the exterior areas of the property free from trash and debris, improperly parked vehicles, etc.

The tenant shall have a history of compliance with the pet policy.

The tenant shall have a history of working positively to resolve issues and concerns when brought to their attention.

4. The tenant shall have sufficient resources to pay all costs of moving including payment of a transfer charge, new deposits, and moving costs.

Conventional Transfer Charge: \$35

The tenant must pay the transfer charge in advance. There is no transfer charge for HUD-subsidized units or for Administrative transfers.

The Tenant is responsible for paying a separate damage deposit on the new unit. Any damages in the old unit not covered by deposit must be paid no later than 30 days from the move-out date of the old unit.

5. Exceptions. LHA can make exceptions to the above criteria. LHA will make decisions on a case by case basis and give special consideration to medical issues or other life threatening situations.
  6. LHA will offer one unit to a transferring family. If it is an LHA-initiated transfer and the tenant refuses the unit offered without good cause, LHA may terminate the tenant's current lease. If it is a voluntary transfer, LHA will remove the tenant from the waiting list.
  7. For Tax Credit units at Wood Bridge, Summer Hill, Prairie Crossing, Sunny Ridge and Crossroads House a household transferring to another Tax Credit unit must meet the initial income eligibility guidelines for the project. If the household does not meet those guidelines, LHA will not transfer them to another Tax Credit unit.
- J.  Holding a Unit . LHA will hold a unit for no more than 5 days following notification to a family that a unit is available. If the 5<sup>th</sup> day is a weekend or holiday, the applicant must accept the offer on the first working day following the holiday or weekend. The preferred method of offering a unit is by telephone or electronic mail. If the family does not accept the unit within 5 days, LHA will consider the offer refused and act in accordance with its

one offer policy. LHA will consider payment of a \$50 deposit as acceptance of the unit. LHA will apply the \$50 toward the Security Deposit due at initial occupancy. For Burke Plaza and New 32 units LHA will not require payment of a \$50 deposit to hold the unit.

**PART V  
OCCUPANCY STANDARDS**

- A. Occupancy Table - HUD-Subsidized Units. In order to promote efficient and economical use of scarce public housing resources, LHA will use the following guidelines to determine the unit size required to accommodate a family of a given size:

<u>Number of Bedrooms</u>	<u>Number of Persons</u>	
	<u>Minimum</u>	<u>Maximum</u>
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

- B. Room Limits. Generally two people are expected to share a bedroom. LHA will assign unit sizes so as not to require use of the living room for sleeping purposes. LHA will assign unit sizes so that no more than two persons are required to sleep in any bedroom.
- C. Family Composition. LHA will consider the number, relationship, age, gender, health, and disability of the members of the family when determining the appropriate unit size for which a family qualifies. However it is the family’s choice who shares which rooms. LHA will determine appropriate unit sizes according to the following criteria:
- Two Children of the same sex and less than five years difference in age qualify for a single bedroom.
  - Children with at least five years difference in age may qualify for separate bedrooms.
  - Children of the opposite sex may qualify for separate bedrooms.
  - Spouses, Co-heads, or two adults living in a consensual family relationship qualify for one bedroom.
  - Other adults of the opposite sex may qualify for separate bedrooms.
  - Two Adults of the same sex qualify for one bedroom, unless there is a generational difference between the adults (e.g. Mother/Daughter).
  - Live-in Aides may qualify for separate bedrooms.
  - Within the limitations of the these criteria and the Occupancy Table, LHA will provide families the opportunity to make their own assessment of whether persons of the opposite sex, persons of different generations, and unrelated adults need separate bedrooms.
- D. Determining Family Size. LHA will consider every member of a family reasonably expected to live in the unit. If a family member is pregnant, the unborn child will be considered a member of the family for the purpose of determining the appropriate unit size. If the family has verified custody arrangements of at least 50%, then they can be considered a member of the family provided that the child is not already claimed as a family member in any other household receiving housing subsidy and another party does not have the right to claim subsidy via a court order. LHA will count children temporarily absent from the home due to foster care as long as

reunification is verifiable. Students who live out of town, but return home for 3 months per year will be considered a member to the family.

- E. Waivers. LHA may waive the standards to accommodate a person's disability. LHA may also waive the standards when a vacancy problem exists by temporarily assigning a family to a larger size unit than is required. LHA will transfer such a family to the proper size unit as soon as one becomes available, or when the larger unit can be rented to a qualified family. When considering waivers, LHA will consider the size of the unit, the size of the bedrooms, the number of bedrooms, and the number and age of the proposed occupants.
- F. Single Persons. LHA will not assign a single person living alone, who does not qualify as elderly or disabled, to a unit larger than one bedroom unless the person can present a compelling need that requires LHA to provide a larger unit.
- G. Qualifying for More than One Unit Size. In some instances a family may qualify for more than one size of unit. In such cases LHA will allow the family to choose a preferred unit size and be placed on the waiting list for that size unit.
- H. Conventional Units and Tax Credit Units. LHA will abide by the above Table to determine the maximum number of occupants for conventional units at Arnold Heights, Heritage Square, and Northwood Terrace, Lynn Creek and for units at Wood Bridge, Summer Hill, Prairie Crossing, Sunny Ridge and Crossroads House unless the city code imposes a more restrictive requirement. To Qualify applicants for 3 bedroom Tax Credit Units at Wood Bridge, Prairie Crossing, Summer Hill and Sunny Ridge, LHA will apply the Occupancy Guidelines in this Section. LHA will not otherwise restrict an eligible applicant's housing choice regarding the size of a conventional unit.

**PART VI  
LEASING PROCEDURES**

- A. Current Lease. Prior to admission, LHA will execute a lease with all adult members of the family. LHA will not admit a family to a unit until it has executed a lease for that unit. LHA will ensure that the lease is current at all times and is compatible with LHA policies and local, state, and federal law. LHA uses the following leases for its various programs:

Conventional - Arnold Heights, Northwood Terrace, Lynn Creek, and Heritage Square  
Mahoney Manor  
Public Housing Family - Scattered Sites  
Section 8 New Construction - Burke Plaza and New 32  
Lease - Purchase Agreement  
Wood Bridge - Tax Credit Apartments  
Wood Bridge - Market Rate Apartments  
Crossroads House Apartments  
Summer Hill - Tax Credit  
Summer Hill - Market Rate  
Summer Hill - Reduced Rent  
Prairie Crossing - Tax Credit  
Prairie Crossing - Market Rent  
Sunny Ridge - Tax Credit

- B. Legal Age. LHA will execute a lease only with persons who are capable under state law of entering into a legal contract.
- C. Security Deposit. Prior to admission, LHA will require the family to pay a security deposit.
- D. Move-in Packet. LHA will provide each new tenant with a Move-in Packet. The packet will contain a copy of the Dwelling Lease, the Resident Handbook, Grievance Procedures for Public Housing units, the schedule of standard charges for tenant damages, and other information pertinent to that unit or required under the particular program.
- E. Change in Family Composition. Any change in family composition will require an addendum to the lease. Any additional adult member of the household must be approved by LHA using the same eligibility criteria as used for new applicants. Additions of adult members of the household will require a \$35 administrative fee. LHA will waive the fee for HUD-Subsidized units.
- F. Addendum. When determined necessary by LHA, it will attach addendum to the lease of a particular family. Examples of such addendum:
1. Change in Family Composition - Any change in family composition will require an addendum to the lease adding or subtracting a particular party.
  2. Accessible Units - If a family moves into a unit with special accessibility features and the family does not require those features, LHA will add an addendum to the lease whereby the family agrees to transfer if LHA requires the unit to house someone needing those features.

3. Live-in Aides - If a tenant/applicant requires a live-in aide, LHA will require the tenant and applicant to sign an Live-in Aide request in which the aide agrees to follow LHA rules and acknowledges no right of tenancy. If approved, LHA will attach the request to the lease as an addendum.
  4. Repayment Agreement - If a tenant/applicant owes LHA money and LHA agrees to a repayment agreement, LHA will attach an addendum in which the tenant agrees to abide by the agreement as a condition of tenancy.
- G. Utilities. Prior to executing the lease the prospective tenant must have all tenant-paid utilities in their name.
- H. Failure to Lease Unit. If a prospective tenant accepts and later declines the unit without good cause, LHA will drop the applicant from the respective waiting list, and the applicant will forfeit the \$50 holding deposit. Good cause means an Allowable Refusal as described in the One Offer policy. Good cause does not include inability to pay security deposit, prorated rent or get utility service.
- I. Smoke-Free Properties. LHA has established Smoke-Free policies for Mahoney Manor, Burke Plaza, Crossroads House, Lynn Creek, Wood Bridge, Summer Hill, Prairie Crossing, New 32, and Public Housing-Scattered Site properties.

**PART VII  
MOVING TO WORK RENT POLICIES  
PUBLIC HOUSING**

Rent Schedule - Public Housing Units. LHA will calculate the amount of income, rent and other charges in accordance with the appropriate Federal Regulations except as detailed in this document for the Moving To Work Demonstration Program. The initial changes for the Moving To Work Program were effective July 1, 1999 for new admissions. For families in occupancy prior to July 1, 1999 the provisions took affect with the families next Annual Re-Examination beginning October 1, 1999. The Definitions section of this policy contains additional explanations of Total Tenant Payment, Annual Income, Adjusted Income, Utility Allowances, and Tenant Rent. LHA will not implement regulatory provisions related to the Earned Income Disregard income exclusion, imputed welfare income, or Flat Rents.

The following policies take effect for new admissions as of April 1, 2008 and annual re-certifications as of July 1, 2008.

1. Total Tenant Payment/Gross Family Contribution. In general the Total Tenant Payment (TTP) is based on Annual Income and is the higher of the following rounded to the nearest dollar:
  - a. 27 percent of monthly gross income (Annual Income divided by 12) with no income deductions;
  - b. \$50 Minimum Total Tenant Payment (The provision in Section VIII(A)(3) applies here also), or;
  - C. The Utility Allowance plus \$25 for the unit the tenant will occupy. The effect of this provision is to maintain a minimum Tenant Rent of \$25. This requirement will be waived if the head of household is disabled and has a current Social Security application pending.
  
2. Hardship Total Tenant Payment. Existing tenants who were under lease as of March 30, 2008, are eligible to be considered for the Hardship TTP. If at the tenants next annual re-certification on or after July 1, 2008, it is determined that the change to calculating TTP based on 27% of monthly gross income with no deductions will increase the tenants TTP by more than \$25, then LHA will limit the increase by utilizing the Hardship TTP.

To calculate the Hardship TTP, LHA will calculate the Monthly Adjusted Income using the household's current Annual Income minus the amount of pre-existing Deductions that were utilized at the last re-examination prior to July 1, 2008. The Hardship TTP will be calculated based on 30% of this Monthly Adjusted Income, plus an additional \$25 for each successive annual re-examination.

If a tenant qualifies for the initial Hardship TTP, then LHA will calculate successive Hardship TTPs by adding an additional \$25 at each annual re-examination until the Hardship TTP equals or exceeds the TTP calculated based on 27% of monthly gross income, at which point the tenant will no longer qualify for a Hardship TTP. Each year a tenant must self-certify that the previous deductions are reasonably the same or have increased. If the amount of deductions have decreased for a tenant (for example a family no longer pays day care), then a tenant will no longer qualify for the Hardship TTP.

In no case shall the Hardship TTP be less than \$50 or the Tenant Rent be less than the \$25 minimum rent.

3. Public Housing Ceiling Rents. LHA has established Ceiling Rents for its Public Housing units. The Ceiling Rent is the maximum TTP LHA will charge a family for that unit. If the TTP calculated based on income is greater than the Ceiling Rent, LHA will use the Ceiling Rent as the TTP to determine the Tenant Rent. In that instance, the Ceiling Rent minus the Utility Allowance will be the Tenant Rent. LHA will not implement regulatory provisions for a Flat Rent. For the purpose of calculating rent for Mixed Families, LHA will use Ceiling Rents as the maximum rent. See Attachment One.
4. Utilities and Tenant Rents. LHA has established utility allowances for units in which the tenant pays some utilities directly. In general, the amount of rent LHA will charge for these units will be the Total Tenant Payment minus the Utility Allowance for the unit. If the amount of the Utility Allowance exceeds the Total Tenant Payment or if there is less the \$25 difference, than the amount of rent charged will be \$25. Under no circumstances will the tenant receive a utility reimbursement. For units in which LHA pays all utilities, the rent will be the Total Tenant Payment. LHA will review utility allowances annually and adjust them when utility rates have increased or decreased by at least 10%.
5. Annual Income. LHA will calculate Annual Income in accordance with Federal Regulations except for the following:
  - a. Minimum Earned Income. LHA will include a minimum amount of earned income when calculating Annual Income whether or not a family is working. The minimum amount of earned income for families with one eligible adult will be based on 25 hours per week of employment at the federal or state minimum wage, whichever is higher. The minimum amount of earned income for families with two or more eligible adult members will be based on 40 hours per week of employment at minimum wage. LHA will count the higher of the minimum earned income or the actual earned income for the household. The minimum earned income will be added to any unearned income the family receives. Eligible adults are persons 18 years of age or older who do not qualify for one the following exemptions. All adults in the household must be exempt in order for the household to be exempt from the minimum earned income requirements. LHA will exempt adults members of the family from the minimum earned income requirement if they meet the following criteria.
    1. A person who has an illness or injury serious enough to temporarily prevent entry into employment or training. As an example, a broken limb would not automatically qualify an individual from this exemption. An individual under doctor's orders for restricted activities following surgery could be considered for a temporary exemption. Each exemption will be considered on an individual yet consistent

basis. Exemptions for illness or injury of less than 30 days anticipated duration will not be given. The maximum duration of this exemption is one year. The exemption will continue beyond one year if the individual has a current application for Social Security disability and the decision is pending.

2. A person who is age 62 or older or disabled.
3. A person who is needed in the home on a continuous basis because of the illness or incapacity of another household member and no other appropriate member of the household is available to provide the needed care. Verification from a physician or licensed or certified psychologist is required. The illness or incapacity of the household member must be evaluated periodically, depending on the diagnosis and/or prognosis for recovery. LHA will verify this at each recertification.
4. A parent or needy caretaker relative of a child under the age of 12 weeks.
5. A pregnant woman beginning with the 3<sup>rd</sup> trimester (6<sup>th</sup> month) of pregnancy continuing through six weeks following the end of the pregnancy.
6. An individual who is participating in AmeriCorps, JobCorp, Senior Community Service Employment Program, or Vista.
7. A full-time student. A person who is carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended. An educational institution includes a vocational school with a diploma or certificate program, as well as an institution offering a college degree. The school must be accredited by the Nebraska Department of Education and/or other acceptable accrediting agencies.
8. A participant in an approved Self-Sufficiency Program. An approved self-sufficiency program is one that has been reviewed by LHA and whose sponsoring agency has an agreement with LHA regarding their program. Self-sufficiency programs provided by agencies will be approved if they meet the following guidelines. The self-sufficiency plan must be part of an organized self-sufficiency program developed by the agency as part of the agency's ongoing efforts to support families in achieving self-sufficiency. The goal plans must be based on results of assessment and must list goals to be achieved and benchmarks and time lines; goals must be measurable and verifiable; realistic---within the control of the individual; adequate---contribute to the achievement of self-sufficiency; congruent with the individual's values; and time-limited. The self sufficiency plan must detail the responsibilities, roles, and expectations of the participant, the sponsoring agency and case manager, and other service providers. The self-sufficiency plan may be a flexible tool which allows for adjustments based on changes in external conditions or individual circumstances. There must be an established relationship the Lincoln Housing Authority and the sponsoring agencies of the self-sufficiency program to allow for the exchange of information so that Lincoln Housing Authority can monitor the progress on self-sufficiency goals and objectives.

To be eligible for an exemption from the minimum earned income requirement, the individual must be fully enrolled in the self-sufficiency program and actively participating. They cannot be enrolled but inactive and cannot be under any sanction or probation with the self-sufficiency agency.

The following agencies offer self-sufficiency programs and have entered into agreements with and agreed to provide the individual self-sufficiency program plan to the housing authority.

- (a) Nebraska Health and Human Services - Employment First Program
- (b) City of Lincoln Urban Development Department-One Stop Employment \* (Worker Training Programs)
- (c) Homeless Committee- Homeless voucher program
- (d) LHA Family Self Sufficiency Program
- (e) Lincoln Action Program\*

\*The individual or family self-sufficiency plan must be reviewed and approved by LHA on a case by case basis.

- b. Student Income. LHA will include all earned income in the calculation of Annual Income of full time students age 22 and older. These students will not be considered as dependents for the purpose of calculating annual and adjusted income.
- c. Earned Income Disregard. LHA will not implement federal regulations for these income exclusions.
- d. Imputed Welfare Income. LHA will not implement federal regulations for imputing welfare income under certain conditions.
- e. Special Needs Trust or ENABLE Accounts. Under the Moving to Work agreement, LHA will not implement federal regulations to include a Special Needs Trust or Nebraska ENABLE Accounts as an asset or income. A Special Needs Trust is a trust that is created under State Law for disabled persons who are not able to make financial decisions for themselves. Generally, the assets with the trust are not accessible to the beneficiary . If the income from the trust is paid to the beneficiary on a regular basis those payments will be excluded as income under the MTW policy. An ENABLE account was established by the State of Nebraska to give families with children or adults that have qualifying disabilities an opportunity to save money without jeopardizing their eligibility for other government benefits.
- f. LHA will exclude income received for participation in grant-funded research on the impact that income has on the development of children in low-income families, if the income has also been excluded by the State of Nebraska for use in determining eligibility for aid to dependent children. The exclusion shall not exceed \$4,000 per year for four years. The research income known as the 4MyBaby gift qualifies under this exemption.

- 6. Adjusted Income. Under MTW there are no deductions from Annual Income and

therefore no Adjusted Income. Total Tenant Payment is calculated using Annual Income without adjustments. For the purpose of transition to the 27% rule with zero deductions, LHA has established a Hardship TTP based on an adjusted income that utilizes previously calculated deductions. See paragraph 2 of this section.

For the purpose of calculating the escrow amounts for families participating in the Family Self-Sufficiency program, LHA will use 90% of gross income as the current adjusted income. This is the equivalent of a standard 10% deduction from gross income and allows a family to earn escrow until the adjusted income is greater than the Very Low Income limit. This adjustment was made because LHA calculates total tenant payment at 27% of gross income, which is equivalent to a 10% standard deduction if calculating TTP using 30% of adjusted gross income.

7. Asset Income Calculation. Assets equal to or greater than \$5000: Households with total assets face value equal to or greater than \$5000 will be verified by tenant provided financial statements such as monthly, quarterly or year-end statements. Asset income will be calculated using face value multiplied by 2%. Asset income from life insurance policies will be calculated using cash value multiplied by 2%. Real Estate asset income will be calculated based on the equity value multiplied by 2%.

Rental Property Income. LHA will consider rental property owned by the applicant/participant as an asset and income will be calculated by using either 1) the actual income from the asset, or 2) the imputed asset income (face value of the property multiplied by 2%), whichever is greater.

Assets less than \$5000. Household with assets less than \$5000 will self-certify their assets with a written statement and all asset income will be excluded.

8. Verification Requirements. In addition to the asset verification requirement changes.

Earned income: Applicant and Participant provided pay statements such as pay stubs will be allowable verification in lieu of a third party verification from the employer. Three months pay statements is preferred. EIV will be used first, if available and participant provided pay statements are secondary.

Social Security Income: Applicant and Participants may provide their most recent Social Security statement or benefit letter issued by the Social Security

Administration as acceptable verification if EIV verification is not available. This eliminates the requirement that the verification be dated no more than 60 days from the date of the interview for this income only.

## **Public Housing Conversion to Project Based Vouchers**

LHA converted Mahoney Manor to Project Based Vouchers utilizing provisions of HUD's RAD program and plans to convert the Family Scattered Site Public Housing units to Project Based Vouchers utilizing provisions of the Section 18 program.

LHA will operate RAD PBV developments in accordance with the HUD RAD Agreement, the MTW Agreement, PIH Notice 2017-03 and the LHA's MTW Plan, including the provision that LHA will conduct inspections and determine rent reasonableness for these vouchers. LHA will calculate rent in the following way for tenants whose Total Tenant Payment (TTP) equals or exceeds the Gross Rent for the unit (Zero HAP tenants) in RAD developments.

Mahoney Manor. Both existing tenants (pre-RAD conversion) and new tenants (post-RAD conversion) will pay rent based on their TTP up to the Gross Rent for the unit. Zero HAP tenants will continue to pay the Gross Rent for the unit indefinitely until their income decreases or the Gross Rent increases to a point where they qualify for HAP again. A tenant's portion of rent will not increase above the RAD PBV Gross Rent for the unit.

Rent Phase-in/Hardship Policy: Current public housing ceiling rents are less than the anticipated gross rents at conversion. We have developed the following phase-in of potential rent increases for households whose TTP exceeds the 2018 public housing ceiling rents. At the first scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$25.00. At the second scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$50.00. At the third scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay up to the gross rent at the time of the recertification.

Recertification Cycles: Upon conversion from public housing to project-based vouchers, the family's last public housing annual or interim income recertification will serve as the initial certification for the voucher program. The family will remain on the same annual or biennial review cycle and schedule. We plan to convert our 320 units of Public Housing to project-based voucher subsidy. The Average Utility Allowance will not be used for the 320 units under the RAD or Section 18 conversions. The converted PBV developments, Mahoney Manor and Family Scattered Sites, will have their own utility allowances.

The MTW Average Utility Allowance will not be used for the 320 units under the RAD or Section 18 conversions. Mahoney Manor will not have a utility allowance as all utilities are included in the rent. The converted Family Scattered Sites PBV development will have their own utility allowances.

**PART VIII**  
**SCHEDULE OF RENTS AND OTHER CHARGES**

- A. Rent Schedule - New 32 and Burke Plaza units. LHA will calculate the amount of rent and other charges in accordance with the appropriate Federal Regulations. The Definitions section of this policy contains more detailed explanations of Total Tenant Payment, Annual Income, Adjusted Income, Utility Allowances, and Tenant Rent.
1. Total Tenant Payment/Gross Family Contribution. In general the Total Tenant Payment is based on Annual Income and is the higher of the following rounded to the nearest dollar:
    - a. 30 percent of monthly adjusted income (adjusted annual income divided by 12);
    - b. 10 percent of gross monthly income (annual income divided by 12); or
    - c. \$25 Minimum Rent
  2. Utilities and Tenant Rents. LHA has established utility allowances for units in which the tenant pays some utilities directly. In general, the amount of rent LHA will charge for these units will be the Total Tenant Payment minus the Utility Allowance for the unit. For units in which LHA pays all utilities, the rent will be the Total Tenant Payment. LHA will review utility allowances annually and adjust them when utility rates have increased or decreased by at least 10%.
  3. Minimum Rent Hardship. In cases where the application of the \$25 minimum Total Tenant Payment (TTP) results in a Tenant Rent greater than \$0, a family may qualify for a financial hardship exemption. If a family is unable to pay this minimum rent amount, it may request a financial hardship exemption. Upon request for a hardship LHA will suspend the \$25 minimum TTP beginning the month following the request until it determines if the family qualifies for a financial hardship and whether the hardship is temporary or long term. Financial hardships include the following situations:
    - When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
    - When the family would be evicted because it is unable to pay the minimum rent;
    - When the income of the family has decreased because of changed circumstances, including loss of employment;
    - When a death has occurred in the family's household within the last six months.
- B. Rent Schedule - Conventional Arnold Heights. See Attachment Two.
- C. Rent Schedule - Conventional Apartments. Heritage Square, Northwood Terrace and Lynn Creek. See Attachment Two.
- D. Rent Schedule - Wood Bridge. LHA will have two separate rent schedules for Wood Bridge: One for Tax Credit units and one for market rate units. See Attachment Five.

- E. Rent Schedule - Summer Hill. LHA will have two separate rent schedules for Summer Hill: One for Tax Credit and Reduced Rent units and one for market rate units. See Attachment Six.
- F. Rent Schedule - Prairie Crossing. LHA will have three rent schedules for Prairie Crossing: One for Tax Credit, one for Low and High HOME units and one for Market Rate units. See Attachment Seven.
- G. Rent Schedule - Crossroads House. See Attachment Three.
- H. Rent Schedule - Mahoney Manor. See Attachment Four.
- I. Rent Schedule - Sunny Ridge. See Attachment Eight.
- J. Security Deposit. LHA will require each tenant to pay a security deposit in the following amounts:

Public Housing -Family Scattered Sites	\$250
Mahoney Manor	\$250
Crossroads House	\$250
New 32	\$ 50 or Total Tenant Payment, whichever greater
Burke Plaza	One Month's Total Tenant Payment
Conventional	One Month's Rent
Tax Credit/Reduced Rent Units	One Month's Rent
Sunny Ridge	\$550

Following the tenant's move-out LHA may deduct certain charges from the security deposit. LHA will return the balance, if any, of the security deposit within fourteen days following a move-out inspection of the unit and receipt of a forwarding address where it can be mailed. LHA will deduct charges for the following, or otherwise in accordance with state law:

1. Any unpaid rent or other charges for which the tenant is liable.
2. Cleaning costs for the unit and appliances.
3. Damage which is not due to normal wear and tear.

- K. Pet Deposit. LHA allows pets in its Public Housing and New 32 Scattered Site units, Arnold Heights units, Mahoney Manor, Burke Plaza, and Crossroads House. LHA does not allow pets at Northwood Terrace, Heritage Square, Wood Bridge, Summer Hill, Prairie Crossing, and Sunny Ridge. LHA requires pet-owning tenants to pay an additional pet deposit to be used by management at the termination of tenant's lease toward reimbursement of the cost of repairing any damages to the dwelling unit caused by the pet. LHA will charge the pet deposit in accordance with its Pet Policy. LHA will not charge a deposit for an assistive animal (for example, a seeing eye dog).
- K. Additional Charges. From time to time LHA may find it necessary to assess additional charges for certain services or damages for which tenants are responsible. LHA will make all new tenants aware of these charges and provide them a copy of the standard charge sheet, LHA Form #99. As LHA updates the schedule, it will provide a 30 day notice of the new schedule of charges to all tenants.

**PART IX  
RENT COLLECTION POLICY**

- A. Due Date. Rents are due and payable on or before the first day of each month.
- B. Notice of Lease Termination. After the fifth calendar day of each month LHA will send a Notice of Lease Termination to all tenants whose rents have not been paid in full. The Notice will conform with requirements of the tenant's lease and state and federal law when applicable.

The Notice will require the tenant to pay all unpaid rent and late fees within the following number of days or LHA will terminate the lease and initiate eviction procedures:

Conventional, Tax Credit & Reduced Rent units	7 days
Burke Plaza	10 days
New 32 units	10 days
Public Housing	14 days
Mahoney Manor	14 days

National Emergency: The Secretary of HUD may determine that additional time is necessary for families to secure available funding due to a national emergency. The Secretary of HUD, under a national emergency, may require a 30 day Notice of Lease Termination for non-payment of rent for Public Housing and Project Based Rental Assistance (Burke Plaza and New 32). Lincoln Housing Authority will comply with the 30 day notice requirement when required by the Secretary of HUD.

- C. Late Fees. LHA will assess the tenant a \$20 late fee if rent is not received by the fifth calendar day of the month.
- D. Non-Sufficient Funds. LHA will consider the receipt of a Non-Sufficient Funds (NSF) check as non-payment of rent. LHA will charge \$20 for any returned checks. LHA will treat NSF checks the same as non-payment of rent. LHA will allow one NSF check before putting the tenants account on a money order only basis. On the second offense, LHA will place the account on a money order only basis for six months. On the third offense, LHA will place the account on a money order only basis for the remaining tenancy. For Burke Plaza and New 32 tenants, LHA will charge the actual cost of bank charges incurred by LHA beginning with the 2<sup>nd</sup> NSF check and each time thereafter.
- E. Legal Proceedings. If LHA does not receive the rental payment within the required number of days specified in the Notice, the tenant has not vacated the premises, and the time period for a hearing - for HUD subsidized units only - has expired, LHA will initiate legal proceedings to recover possession of the dwelling unit.
- F. Extensions. LHA will consider a request for an extension due to hardship. Any request for an extension must be in writing, include an explanation of need, the exact date payment will be made, and be received at the LHA main office by the fifth calendar day of the month. LHA reserves the right to deny any request and to limit the number of extensions granted to any resident. The rent will still be considered late and the \$20.00 late fee will be

assessed and must be included with the payment. Late payment of rent is a lease violation and will be reflected on your leasing records.

**PART X**  
**RE-EXAMINATION OF FAMILY INCOME AND COMPOSITION**  
**\*HUD-SUBSIDIZED UNITS ONLY\***

- A. Annual Re-examinations. LHA will annually re-examine each tenant family's income and composition in order to determine the appropriate Total Tenant Payment and Tenant Rent to charge for the ensuing year. LHA will also determine if the unit size remains appropriate, review compliance with the Community Service Requirements for Public Housing, and review any other pertinent issues with the family.
1. Annual rent adjustments will be effective on the anniversary date of the family's lease. If the family's lease was effective on a day other than the first of the month, then the annual adjustment will be effective on the first day of the month of the anniversary date of the lease. LHA will make reasonable efforts to complete the process at least 30 days prior to that date in order to give each family adequate notice of any rent change. LHA will begin the process 90 days prior to the effective date of each family's annual rent adjustment. For Burke Plaza and New 32 tenants, LHA will begin the process 120 days prior to the effective date, in accordance with HUD Handbook 4350.3.
  2. LHA will require each household to complete and sign appropriate forms and documents to provide all data and information necessary to enable LHA to determine the appropriate Total Tenant Payment, Tenant Rent, and unit size for the family. In addition LHA will require the appropriate family members to sign authorizations for release of information, certifications, and other requisite forms in order to verify the information and complete the process. LHA will anticipate all known income to be received for a 12 month period after the effective date of the Annual Re-examination. If the tenant receives an increase in income after the Annual Re-examination meeting with LHA, LHA will not include the increase in its Annual Income calculation, as long as the increase was not known or anticipated by the client at the time of the meeting.
  3. In accordance with the above schedule, LHA will contact the family to schedule an appointment to complete the necessary paperwork and to begin the process. LHA will provide the family up to 2 notices to schedule an appointment. It is the family's responsibility to schedule an appointment and provide all necessary information for LHA to complete the re-examination within 60 days of the first notice. If the family does not respond, misses a scheduled appointment, or otherwise refuses to complete any part of the recertification process, LHA will send a 14/30 day notice to terminate the lease. A family's failure to respond and keep appointments may also result in less than a 30 day notice of rent changes. For Burke Plaza and New 32 tenants LHA will follow the process for 2<sup>nd</sup> and 3<sup>rd</sup> notices as required by HUD Handbook 4350.3.
  4. Public Housing Units and Mahoney Manor Only. For Public Housing Elderly or Disabled Families and Mahoney Manor, LHA will conduct the required Annual Re-examination as described above, every two years. LHA will implement this provision immediately for new move-ins and beginning with Annual Re-examinations that would have been effective July 1, 2009. For Elderly or Disabled

Families whose Annual Re-examinations were scheduled to be conducted with effective dates from July 1, 2009 to June 1, 2010, LHA will delay the Annual Re-examination to the following year, and conduct it every two years thereafter. (*Example #1:* LHA conducted the previous Annual Re-examination for an Elderly Family effective July 1, 2008. Therefore the next Annual would have been scheduled to be conducted with an effective date of July 1, 2009. LHA will delay this Annual until July 1, 2010, and then conduct the Annual every two years thereafter. *Example #2:* A Disabled Family moved into a Public Housing unit on March 15, 2009. The first Annual Re-examination would be effective for March 1, 2011, and continue every two years thereafter.) The provision in no way limits LHA from conducting interim re-examinations in accordance with its interim re-examination policy, and does not exempt Elderly or Disabled Families from reporting changes in household composition or other changes in between Annual Re-examinations as required in the interim re-examination policy.

B. Interim re-examinations. Under certain circumstances LHA will re-examine a family's income and/or composition between annual re-examinations. LHA will complete interim re-examinations at the participant's written request and when there is a household composition change. LHA will accept other forms of communication other than writing to accommodate a disability. LHA will perform interim re-examinations under the following circumstances:

1. Family Composition Changes:

The family must report in writing within thirty (30) calendar days all household composition changes that result in the removal of a household member. When a household member is removed, previously verified household income will be used to redetermine household income excluding the departed member. The family may request in writing, within thirty (30) calendar days, to have the household income and rent portion redetermined; in this case all household income must be re-verified. LHA will review eligibility requirements pertaining to the changes in adding or deleting a household member. LHA must review and approve eligibility of an additional person in the unit.

The family must obtain prior written approval from LHA for additional family members, before any new adult member occupies the unit. Prior approval is not required for additions by birth, adoption, or court-awarded custody; however, the family must inform LHA in writing within 30 calendar days. Requests by the family to add additional family members, other than by birth, adoption, marriage or court-awarded custody, will only be approved if they meet all other eligibility criteria. If the new family member added is 18 years of age or older, the income of the incoming household member will be added to the current household income for rent determination. If the new family member is under age 18, LHA will only verify and add to the household income any disability benefits, ADC benefits, child support payments or any other non-wage income related to the new family member. The family may request in writing, within thirty (30) calendar days, to have the household income and rent portion redetermined; in this case all household income must be re-verified. In addition, criminal activity, U.S. citizenship and/or eligible immigrant status must be declared and verified.

If the family composition change is not reported within the required time period or the family fails to provide documentation or signatures, it will be considered untimely reporting. Untimely reporting may result in the family being required to sign a repayment agreement or termination of the lease. Any additions not reported within the required time frames will be considered unauthorized household members.

2. The tenant family requests a rent review due to a decrease in family income or a change in other circumstances that would lower the rent payment. LHA will not lower rent for payments due to a temporary loss of income of one month (30 days) or less duration.

In Public Housing units only, if a family member has reduced or terminated employment, LHA will make the rent decrease effective 90 days after the month the decrease occurred or after all verifications are received, whichever is the latest. This 90 day re-employment rule applies to both new admissions and ongoing tenants. For new admission, we will include any income earned within 90 days of the new admission interview date. Hardship Provision: The 90 Day rule is not implemented if the employment income was reduced or terminated due the employer's reduction in workforce, or the previously employed family member is elderly, disabled, or qualifies for one of the Minimum Earned Income exemptions (found in Part VII, paragraph 5.a (1-7)) except the self-sufficiency exemption.

Temporary or Sporadic Employment: If a person works temporary or sporadic employment for the past 12 months, the LHA will anticipate the next 12 months earnings using the past income to reflect the future income. If the person has not been enrolled with temporary work on a consistent basis ( less than 12 months) then LHA will anticipate the income on a quarterly basis, completing interims quarterly regardless of the increase or decrease of income.

3. LHA had calculated the current rental payment for a temporary time period, and planned an interim review. LHA will conduct an interim rent increase if it previously reduced the rent due to a temporary loss of income. For Example: A household member submits a doctor statement that they will not be able to work for 2 months. An interim was completed and two months rent reflected zero income. The third month will have another interim adding the employment income back into the TTP.. When possible LHA will issue concurrent notices on lowering the rent and one increasing the rent effective on predicted date the client returns to work.

Families who report zero income will be required to cooperate with quarterly income re-examinations.

4. There is a change in federal regulations requiring such a review.
5. LHA receives information that indicates the tenant has incorrectly or falsely reported the family's income or composition.

6. *For Burke Plaza and New 32 tenants.* There is an increase in the family's annual income for \$200 per month or greater. Tenants must report the change in the household's income. LHA will determine whether a re-examination is necessary.
  7. *For Public Housing units.* Tenants are not required to report increases in income until the next Annual Review, and LHA will not perform an interim and increase rent until the next annual review except for the following circumstances.
    - LHA will conduct an interim review and adjust rent if there is a change in family composition. If the new family member is age 18 or older, all family income, including income from the new member, will be reviewed to determine the rent amount. If the new family member is age 17 or under, only the income for the new family member must be reported and reviewed to determine any change in rent amount.
    - LHA will conduct an interim review if the tenant no longer qualifies for an exemption from the Minimum Earned Income for any reason other than employment or successful completion or graduation from an approved self-sufficiency or education program. For example, if a tenant is terminated from a self-sufficiency program for failure to cooperate with program guidelines, LHA will conduct an interim review to include Minimum Earned Income in the calculation of Annual Income. If a tenant successfully completes an approved self-sufficiency program or graduates from an education program, the MEI exemption and tenant income will not be re-examined until the next annual re-examination.
    - LHA will conduct an interim rent increase if it previously reduced the rent due to a temporary loss of income. For example if a pregnant client's rent was decreased due to a work stoppage and loss of income, LHA will increase rent up to its previous level when the client starts working again. When possible LHA will issue concurrent notices - one lowering rent and one increasing rent effective on the predicted date of the clients return to work.
    - LHA will conduct quarterly interim reviews and adjust rent for income increases for families who report zero income.
- C. Reporting Deadline. LHA requires tenants to report changes in family composition within 30 days of the change. Burke Plaza and New 32 tenants are required to report increases in income of \$200 per month or greater within 30 days of the change. Public Housing tenants are not required to report income changes until the next Annual Re-examination unless the change is due to a change in family composition.
- D. Interim Rent Adjustments. LHA will issue a Notice of Rent Adjustment informing the family of any change in the family's rent resulting from an interim re-examination. The rent will remain in effect until the next annual re-examination or until circumstances occur that warrant an interim rent review. LHA will attempt to give the family at least 30 days notice of any rent increase. However, if the family fails to fully cooperate with the review process, fails to provide required information on a timely basis, fails to respond to notices to schedule a review meeting or misses an appointment, LHA may provide less than 30 days notice. LHA will charge retroactive rent if the participant fails to report changes in writing within the required time frames. LHA will make decreases in tenant rent effective the month after LHA receives adequate verification of the change. In Public Housing

units, if a family member has terminated employment, LHA will make the rent decrease effective 90 days after the month the decrease occurred or after all verifications are received, whichever is the latest.

- E. Incorrect Unit Size. If LHA determines that the size or composition of a family has changed and that the unit occupied by the family is no longer suitable according LHA's Occupancy Standards, LHA will transfer tenants to another dwelling unit in accordance with the Transfer Policy. If LHA does not own or operate units of the appropriate size, LHA may terminate the family's lease in accordance with the Lease Termination section of this policy or waive its occupancy standards. LHA will attempt to provide the family assistance in locating another unit, including referrals to other rental assistance programs.
- F. Misrepresentations. If LHA determines that a tenant intentionally or deliberately misrepresented or otherwise incorrectly reported income, assets, deductions, family composition, or other information upon which the rent and unit size and type are based, LHA will determine the amount of rent that should have been charged and attempt to collect the amount owed. If the family repays the amounts owed and/or moves to the appropriate size or type of unit, LHA may allow a tenant family to remain in tenancy. Otherwise LHA will terminate the tenant's lease in accordance with the Lease Terminations section of this policy. At its sole discretion LHA may allow a family to enter into a repayment agreement to pay off their debt over a specified period of time. The participant/applicant must cooperate with the Program Integrity program to assist with obtaining accurate information to determine program eligibility. Should the participant fail to cooperate in obtaining the requested information, the household would be terminated and would not be approved for assistance until cooperation with the Program Integrity is satisfied. If LHA terminates tenancy for failure to cooperate or for fraud or other misrepresentations, the tenant is ineligible to be placed on any LHA housing program for at least 3 years., and must repay in full any amounts owed prior to being eligible for the waiting list.
- G. Temporary/Extended Absence. LHA policy for temporary absence of household members depends on whether the family member is an adult or child and whether the household member is the only adult or sole member of the household. The family will need to declare in writing to LHA when a family member is temporarily absent from the household. LHA will accept other forms of communication other than writing to accommodate a disability. LHA will advise the family of their options and how it affects the rent and unit size. LHA distinguishes between absence and abandonment. This policy for absence assumes tenant continues to pay rent and comply with the lease terms and rules of occupancy.
1. Children/Dependents
    - (a) Children in Foster Care. If the children are removed from their parent's home due to neglect or abuse, the child(ren) will remain a member of the tenant family as long as a reunification plan is in place with the local social service agency. Otherwise they will not be counted as part of the household. LHA will obtain verification from the local social service agency.

- (b) **Dependent Student (other than head or spouse):** A student who attends school away from home, but lives with the family during recesses, may be considered either temporarily absent (first \$480 of income counted and on lease) or permanently absent (income not counted, not on lease) at the family's option.
  - (c) **Joint Custody of Children:** Children who are subject to a joint custody agreement but live in the unit at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year and do not have to be consecutive. The determination of joint custody will be made based on a court order or a signed agreement by both parents.
- 2. **Single Parent/Adult Households.** When a single parent will be absent for an extended period, LHA will allow another adult to move into the household to care for the children. LHA will continue assistance for up to 60 days, as long as the family continues to meet the definition of family and the other adult meets all other eligibility requirements. The single parent must not be absent from the unit more than 60 days unless it is for medical reasons. A single parent may be absent from the unit for up to 180 days for medical reasons. When the single parent is required to be on an extended absence, a responsible adult must be present to supervise the children and the dwelling unit. At LHA's discretion the other adult may be added as a member of the household in order to allow the family to continue receiving assistance. Incarcerations and vacations longer than 60 days are not considered reasonable cause for the head of the household to be absent from the unit, and they will be considered permanently absent from the unit after 60 days.
- 3. **Two or More Adult Households.**
  - a. **Head of the Household** may not be absent from household for more than 60 continuous days without reasonable cause. Incarcerations and vacations longer than 60 days are not considered reasonable cause for the head of the household to be absent from the unit, and they will be considered permanently absent from the unit after 60 days.
  - b. **Absence by other Adult.** LHA will consider an adult to be temporarily absent, and not permanently absent, from the household, if the person intends or reasonably can be expected to return when the purpose of the absence has been accomplished. For example, if a family member is working out of town, but will return to the household to live when the work is completed, this family member would still be considered a part of the household as a temporarily absent household member. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult of the household to be absent from the unit, and they will be considered permanently absent from the unit after 60 days.
  - c. **Absence by all adults.** The adult members of the household cannot be absent for more than 60 continuous days without reasonable cause. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult of the household to be absent from the unit, and they will be considered permanently absent from the unit after 60 days. If the adult members must leave the household for more than 60 days, the unit will not be considered to be their principle place of residence and the lease will be terminated.

4. Sole member of the Household. The sole member of the household cannot be absent for more than 60 continuous days. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult of the household to be absent from the unit, and they will be considered permanently absent from the unit after 60 days. If the sole member must leave the household for more than 60 days, the unit will not be considered to be their principle place of residence and the lease will be terminated, unless the absence is due to medical reasons. A sole member may be absent from the unit for up to 180 continuous days for medical reasons. If the sole member must leave the household to go to the hospital or nursing home, LHA will seek advice from a reliable medical source as to the likelihood and timing of their return. If the medical source informs LHA that they will be permanently confined to a nursing home, they will be considered permanently absent. The length of stay cannot exceed 180 days before LHA will consider the absence permanent.

If the sole member must be absent from the unit to attend to the needs of an ailing family member, the sole member must not be absent from their unit for more than 60 continuous days to be considered temporarily absent.

- H. Permanent Absences. The family must report in writing to LHA to declare a family member permanently absent from the household. LHA will accept other forms of communication other than writing to accommodate a disability.

1. Spouse and other Adult members. If the spouse or other adult member leaves, and the family declares in writing that the spouse or other member is permanently absent, LHA will require verification of the move before it will consider them permanently absent and remove them from the lease. LHA will consider a person permanently absent if one of the following is provided:
  1. Divorce or legal separation.
  2. Lease in their name at another location.
  3. Utility bills or other appropriate documentation in their name proving residence at another location.
  4. Statements from other agencies such as Health and Human Services.
  5. Protection or Restraining Order obtained by one family member against another.
  6. Proof of incarceration.
  7. At LHA discretion, a written statement from the family with a forwarding address.
2. Military (adult child): If an adult child goes into the military and leaves the household, he/she will be determined permanently absent.
3. Children. Children (age 17 and under) will be considered permanently absent as reported by the Head of Household.

- I. Public Housing - Over Income.

In accordance with HOTMA: Housing Opportunity Through Modernization Act of 2016.

Families that have an income that exceeds the applicable income limit (120% of the area median income) for two consecutive years will have their tenancy terminated within six months of the second income determination. LHA shall notify the family of the potential termination after one year of the family's income exceeding the over-income limit. The two year time limit will begin with a tenant's next annual review that is effective on or after April 1, 2019.

**PART XI**  
**ANNUAL RECERTIFICATION**  
**TAX CREDIT & REDUCED RENT UNITS**

LHA will annually re-certify the income of households occupying units subject to the requirements of the Low Income Housing Tax Credit Program. LHA will determine whether the household's income still meets the requirements of the Tax Credit program. For Wood Bridge, Summer Hill, Sunny Ridge and Crossroads Housing, LHA will comply with the Post Year 15 compliance requirements as issued by the Nebraska Investment Finance Authority (NIFA), which may not require Annual Re-certifications. For Tax Credit and Reduced Rent tenants who are also Section 8 tenants, LHA will utilize the annual Section 8 review to fulfill the requirements of the Tax Credit recertification. Although LHA will utilize the annual Section 8 review, LHA will not utilize or act upon changes reflected by interim Section 8 reviews. For the purpose of the Tax Credit program, LHA will require families to report only changes in household composition or student status between annual recertifications, and will act as necessary to maintain occupancy standards and compliance with the Tax Credit program.

**For Tax Credit and Reduced Rent units** in the Wood Bridge, Summer Hill and Prairie Crossing developments, if the households income exceeds 140% of the initial qualifying income (60% of median), LHA will require the family to vacate the unit or transfer to a market rate rental unit as necessary to keep the mix of market and tax credit/Reduced Rent units as planned and not to adversely affect the tax credit Applicable Fraction.

**PART XII**

- B. Methods of Verification:** LHA will verify in accordance to the federal regulations and LHA procedures. LHA prefers to independently verify information. However, LHA recognizes this may not always be possible, thus LHA will observe the following preferred order of verification:

1. **Up front Income Verification:** As available by HUD, up front income verification through computer matching will be used to verify wages, unemployment, TANF, and Social Security Benefits.
2. **Third Party:** LHA will first attempt to obtain written third party verifications of information. LHA will require applicants to sign authorizations for the release of information to enable LHA to obtain such verifications. LHA will send verification forms directly to employers, banks, social service agencies and others in order to receive an accurate third party verification. LHA's written inquiries will state the purpose of the inquiry and include the applicant/participant's authorization to release information. LHA will strongly encourage parties to respond in writing, but will accept oral verification from a third party source if a written response is not possible.

LHA will document all attempts to obtain written and oral third party verifications before moving to the next level of verifications.

**Computer** verification will serve as a third party verification where allowed by HUD and/or state or local agencies. Computer printouts are acceptable.

3. **Family Documentation:** If third party verification is not possible, LHA may accept documentation supplied by the applicant. All documents will be photocopied. If photocopying is not allowed for a particular piece of documentation, then LHA will be required to make a notation in the file regarding the document which was viewed.
  4. **Family Certification:** Under limited circumstances, if the nature of the information cannot be documented or independently verified, LHA may accept a certification from the family by submitting a statement in writing. LHA will use its best judgement to determine whether the family should be able to provide documentation of certain information.

The signatures should be updated at each annual re-examination. Family refusal to cooperate with the required verification system will result in denial or termination.

When net family assets are \$5,000 or less, then actual income from the asset is used. **PART XIII**  
**LEASE TERMINATIONS**

- B. LHA Termination - Conventional and Tax Credit Units. LHA will terminate or refuse to renew a tenants lease at its discretion in accordance with the lease and state law.
- C. LHA Termination - HUD Subsidized Units. LHA will terminate or refuse to renew the lease for serious or repeated violation of material items of the lease such as failure to make payments due under the lease, failure to fulfill the tenant obligations set forth in the lease, failure to comply with the Community Service Requirements, or for other good cause. Other good cause includes, but is not limited to: serious or repeated interference with the rights of other tenants or neighbors; serious or repeated damage to the leased premises; creation of physical or health hazards; failure of the tenant to use the dwelling unit as his principal place of residence; or failure to fulfill other tenant obligations set forth in the lease. If LHA terminates the lease, LHA shall provide written notice to the tenant as follows:
1. In accordance with the Rent Collection Policy in the case of failure to pay rent.
  2. A reasonable time considering the seriousness of the situation - but not to exceed 30 days - in a case where a tenant creates or maintains a threat constituting a serious and clear danger to the health or safety of other tenants or housing authority employees. A serious and clear danger shall include but not be limited to any of the following activities of the tenant or any other person on the premises with the consent of the tenant:
    - a. Physical assault or the threat of physical assault.
    - b. Illegal use of a firearm or other weapon or the threat to use an illegal firearm or other weapon.
    - c. Any "drug-related criminal activity."
  3. At least thirty (30) days prior to termination in all other cases. On a first offense, LHA will provide a 14 day period to remedy the tenant default.
- D. Drug-related, Violent or Other Criminal Activity. The U.S. Department of Housing and Urban Development requires housing authorities to provide a written policy concerning when a lease will be terminated for drug-related criminal activity, alcohol abuse, violent criminal activity, or other criminal activity. In determining whether to terminate the lease of a family LHA will rely upon background checks of all household members including, but not limited to police reports, newspaper and other media reports, and past history with any housing authority or landlord. The existence of the following behaviors by any household member or guest, regardless of the tenant's knowledge of the behavior shall be grounds for denial or termination of assistance. LHA may terminate a lease for such behaviors regardless of arrest or conviction status. The term "arrest" in this policy refers to any arrest, citation, ticket, fine,

charge, or conviction by any enforcement authority. An arrest record without a criminal charge, conviction, or other imposed penalty on criminal activity will not be LHA's sole basis for terminating a lease. If a tenant has pending criminal charges on a disqualifying criminal activity, LHA will try to obtain more information to determine whether an individual engaged in a disqualifying criminal activity. LHA can use other evidence such as police reports detailing the circumstances of the arrest, witness statements and other relevant documentation to make the decision that a disqualifying conduct occurred.

The Lincoln Housing Authority will terminate the lease of tenants in accordance with HUD's rules and regulations, for the following conduct:

1. **Drug-Related Criminal Activity:** The sale or use of illicit drugs has consequences that negatively affect the lives of family members, neighbors and the Lincoln community as a whole. The negative consequences include a strong correlation with acts of violence committed against innocent people, which damage the lives of families affected by drug use and effectively end the household's ability to become self-sufficient.
  - a. Lease Termination. LHA will terminate the lease when any family or household member is currently engaged in or has within the previous three years engaged in any drug-related activity regardless of arrest or conviction status. LHA will terminate the lease for any household or household member engaged in drug-related activity on or off the assisted premises.
  - b. Treatment. If the household member has been arrested for a drug-related criminal activity involving use or possession, but not production, manufacture, or sale, the lease will not be terminated if the household member is no longer engaging in any drug activity and is actively participating in a supervised drug treatment program approved by LHA within sixty (60) days of LHA's notification to the head of household of drug-related criminal activity. Failure to actively participate in or complete the drug treatment program successfully will result in termination of the lease for the entire household.
  - c. Guests. LHA will terminate the lease for drug-related criminal activity in or near the participant's unit when the crime is committed by a guest, or other persons who is under the control of a member of the household. This provision will not apply if (a) the head of household has called a law enforcement agency to report or turn in their guests or other persons under the participant's control for having engaged in a drug-related criminal activity on or near the participant's residence, and (b) an arrest is made of the guest or other person under the participant's control without arresting or citing the participant or head of household.
  - d. Activity Reported by Household. If an assisted adult household member contacts a law enforcement agency specifically about drug use or drug possession by other adult members of the household on or off the premises, LHA will not terminate the lease if (a) the head of household reports the drug activity to LHA by the next annual review, interim review, transfer or anytime an application or Personal Declaration form is completed; (b) the adult member arrested is removed from the premises within 60 days of notification by LHA; (c) the arrested household member is removed from the lease for the unit; and (d) the head of household provides verifiable proof of the new residence by LHA's

requested date. That person will be barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date they were removed from the lease. To be readmitted into the household after the mandatory three-year separation, the adult member must meet all admission and waiting list requirements under LHA policies and HUD rules and regulations.

- e. Children over Age 18. If an adult household member, who is the child or grandchild of the head or co-head of household, engages in drug activity, but does not participate in or complete an approved supervised drug treatment program as described in paragraph 1(b) of this section, LHA will terminate the lease unless all of the following circumstances are met: (a) the drug-related criminal activity involves only the use or possession, but not production, manufacture, or sale; (b) the activity occurs away from the assisted premises; (c) the head of household reports the drug activity to LHA by the next annual review, interim review, transfer or anytime an application or Personal Declaration form is completed; (d) the offending adult member is removed from the premises and removed from the lease within 60 days of LHA's notification; and (e) the head of household provides LHA verifiable proof of the offender's new residence by LHA's requested date. That household member is barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date removed from the lease. To be readmitted into the household after the mandatory three-year separation, the adult member must meet all admission and waiting list requirements under LHA policies and HUD rules and regulations.
- f. Minor Children. If a minor household member (under age 18) engages in drug-related activity on or off of the premises, but does not participate in or complete an approved supervised drug treatment program as described in paragraph 1(b) of this section, LHA will terminate the lease unless all of the following circumstances are met: (a) the drug-related criminal activity involves only the use or possession, but not production, manufacture, or sale; (b) the head of household reports the drug activity to LHA by the next annual review, interim review transfer or anytime an application or Personal Declaration form is completed; (c) the offending member is removed from the premises and removed from the lease within 60 days of LHA's notification; and (d) the head of household provides LHA verifiable proof of the offender's new residence by LHA's requested date. That household member is barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date removed from the lease. To be readmitted into the household after the mandatory three-year separation, the member must meet all admission and waiting list requirements under LHA policies and HUD rules and regulations.
- g. Methamphetamine Production. LHA will terminate the lease and permanently bar the household from any housing assistance, if any household member has been convicted for the manufacture or production of methamphetamine on the premises of any federally assisted housing unit. The household terminated for manufacture or production of methamphetamine will be subject to a lifetime

prohibition from participation in any federal housing assistance program or any program operated by LHA.

2. **Alcohol Abuse:** LHA will terminate the lease if it determines that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity. The LHA may waive this restriction if the applicant clearly demonstrates that (a) the household member is no longer engaged in the abuse of alcohol and (b) has successfully completed a supervised alcohol rehabilitation program, or is currently participating in a supervised alcohol rehabilitation program and will continue to participate successfully until the completion of the program. The tenant will be required to submit written evidence to verify successful participation in or completion of a supervised alcohol rehabilitation program. If terminated for alcohol abuse, the household must wait three (3) years from the termination date before the household may reapply for any housing assistance. When the household member reapplies for assistance, the household must meet and maintain all LHA standards and HUD requirements for admission to any waiting list.
3. **Violent and Other Criminal Activity:** LHA will terminate the lease if it determines that any household member has engaged in any violent criminal activity or is currently engaged in other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity. If terminated for violent criminal activity or other criminal activity, the household must wait three (3) years from termination of the lease or three years from the completion of sentence or payment of fines to reapply for any housing assistance. When a household member reapplies for assistance, the household must meet and maintain all LHA standards and HUD requirements for admission to the waiting list. LHA will terminate the lease if a tenant is fleeing to avoid prosecution, or custody or confinement, for a crime or attempt to commit a crime that is a felony under the laws of the place from which the individual flees (or is a high misdemeanor in the state of New Jersey); or is violating a condition of probation or parole imposed under Federal or State law. LHA will make limited exceptions to this policy in accordance with the following guidelines. If LHA determines that continued occupancy by the assisted household threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity, then LHA will terminate the lease without regard to the following limited exception guidelines.
  - a. **Guests.** LHA will terminate the lease for violent criminal activity on or near the premises of a participant's residence when the crime is committed by a guest, or other persons who is under the control of a member of the household. This provision will not apply if (a) the head of household has called a law enforcement agency to report or turn in their guests or other persons under the participant's control for having engaged in violent criminal activity on or near the participant's residence, and (b) an arrest is made of the guest or other person under the participant's control without arresting or citing any member of the household.

- b. Activity Reported by Household. If an assisted adult household member contacts a law enforcement agency specifically about violent criminal activity by other adult members of the household, LHA will not terminate the lease if (a) the head of household reports the criminal activity to LHA by the next annual review, interim review, transfer or anytime an application or Personal Declaration form is completed; (b) the offending member is removed from the premises within 30 days of notification by LHA; (c) the offending member is removed from the lease for the unit; (d) the head of household provides verifiable proof of the new residence by LHA's requested date; and (e) the criminal activity did not occur on or near the premises. That person will be barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date they were removed from the lease or three years from completion of the sentence, whichever is later. To be readmitted into the household after the mandatory three-year separation, the adult member must meet all admission and waiting list requirements under LHA policies and HUD rules and regulations.
- c. Children over Age 18. If an adult household member, who is the child or grandchild of the head or co-head of household, engages in violent criminal activity, with or without the knowledge of the head of household, LHA will terminate the lease unless all of the following circumstances are met: (a) the criminal activity did not occur on or near the premises; (b) if aware of the activity through police contacts, court proceedings, media reports or other sources, the head of household reports the drug activity to LHA by the next annual review, interim review, transfer or anytime an application or Personal Declaration form is completed; (c) the offending adult member is removed from the premises and removed from the lease within 30 days of LHA's notification; and (d) the head of household provides LHA verifiable proof of the offender's new residence by LHA's requested date. That household member is barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date removed from the lease or three years from the completion of the sentence, whichever is later. To be readmitted into the household after the mandatory three-year separation, the adult member must meet all admission and waiting list requirements under LHA policies and HUD rules and regulations.
- d. Minor Children. If a minor household member (under age 18) engages in violent criminal activity, LHA will terminate the lease unless all of the following circumstances are met: (a) the criminal activity did not occur on or near the premises; (b) the head of household reports the criminal activity to LHA by the next annual review, interim review, transfer or anytime an application or Personal Declaration form is completed; (c) the offending member is removed from the premises and removed from the lease within 30 days of LHA's notification; and (d) the head of household provides LHA verifiable proof of the offender's new residence by LHA's requested date. That household member is barred from living with the family or otherwise receiving housing assistance for a minimum of three (3) years from the date removed from the lease or three years from the completion of the sentence, whichever is later. To be readmitted into the household after the mandatory three-year separation, the member must meet all

admission and waiting list requirements under LHA policies and HUD rules and regulations.

4. Sex Offenders: LHA will terminate the lease if any household member has committed a felony sex offense. The household member will be subject to a lifetime prohibition from participation in any LHA program. LHA will terminate the lease if any household member is subject to a lifetime registration requirement under any state sex offender registration program, or is registered on the State of Nebraska sex offender registry.
  5. Threats Toward LHA Workers/Agents: LHA will terminate the lease if any household member has engaged in or threatened abusive or violent behavior towards a LHA employee, contractor, subcontractor or agent. The household member will be ineligible for housing assistance for three (3) years after the incident. At the end of the three (3) years, the household may reapply for housing assistance. When a household member reapplies for assistance, the household must meet and maintain all LHA standards and HUD requirements of admission to the waiting list.
  6. Reporting by Head of Household of Drug-Related Activities, Alcohol Abuse or Other Criminal Activities. The Lincoln Housing Authority will terminate the household's lease if the household has failed to fully list on its application, annual re-examination Personal Declaration form, or other form used by LHA, any household member's arrest for drug-related activities, alcohol abuse arrests, or other arrests for violent or other criminal activities.
- E. Judicial Proceeding. LHA will evict tenants only by initiating appropriate judicial proceedings.
- F. Public Housing Grievances. LHA will process and resolve grievances or appeals concerning the obligations of the tenant or the housing authority under the provisions of the Public Housing Lease in accordance with LHA's Public Housing Grievance Procedure that is in effect at the time such grievance or appeal arises.
- G. Violence Against Women Act. LHA will not terminate the lease of a HUD Subsidized Unit on the basis of or as a direct result of the fact that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the person otherwise qualifies for continuation of assistance. LHA will follow the policies and requirements of VAWA. Nothing in this section limits LHA's authority to evict or terminate a lease for any lease violation not premised on an act of violence against the tenant or member of the tenant's household. Nothing in this section limits LHA's authority to evict or terminate a lease if there is an actual and imminent threat to other tenants, neighbors, guests, employees, or others. Nothing in this section limits LHA's authority to evict or terminate a lease of a person who engages in criminal acts including but not limited to acts of physical violence or stalking against family members. LHA may, if allowed under state law, bifurcate a lease to remove or terminate tenancy of any individual who engages in criminal acts of physical violence against family members or others, without terminating the lease of the victim of the violence.

A victim shall take action to control or prevent the domestic violence, dating violence or stalking. The action may include but is not limited to: obtaining and enforcing a restraining order or no contact order or protection order for protection against the perpetrator; obtaining and enforcing a ban of the perpetrator from the property; enforcing LHA's or law enforcement's ban of the perpetrator from the property; preventing the delivery of the perpetrator's mail to the victim's unit; providing identifying and other verification information as required by the VAWA and Part XII of this document; and other reasonable measures.

**PART XIV**  
**COMMUNITY SERVICE AND ECONOMIC SELF-SUFFICIENCY PROGRAM**

**A. Introduction**

The Quality Housing and Work Responsibility Act of 1998 requires that every adult resident of public housing perform 8 hours of community service each month or participate in an economic self-sufficiency program for at least 8 hours every month or a combination of each activity for a total of 8 hours each month. Certain adults are exempt from the requirements.

**B. Community Service\Economic Self-Sufficiency Requirements for Adults**

Adults age 18 and above who are not exempt must perform 8 hours of community service per month or 8 hours of participation in economic self-sufficiency programs or any combination of these activities. Either type of activity must be verified by a responsible and objective third party.

Community Service: The performance of voluntary work or duties that are a public benefit and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. LHA will consider community service to be a broadly defined area of service performed under the auspices of a non-profit organization, service club, government agency, school, church, or other community organization. Community service is not employment and may not include political activities. Community service can include volunteer work in schools as well as state-approved home schooling of household members by a tenant or adult member of the family.

Economic Self-Sufficiency Program: Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include job training and job readiness programs, budget and credit counseling, employment counseling, work placement, work experience, apprenticeships, basic skills training, secondary and post-secondary education, adult basic education and GED preparation, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

**C. Exemption from Community Service\Self-Sufficiency Requirements**

The requirement to perform community service or participate in an economic self-sufficiency program applies to all *non-exempt*, adult residents(18 and older) in public housing.

An Exempt Individual is an adult member of the household who:

- 1) Is 62 years or older.
- 2) (I) Is a blind or disabled individual and who certifies that because of this disability she or he is unable to comply with the requirements, or  
(ii) Is a primary caretaker of a blind or disabled individual and who certifies that because of this, she or he is unable to comply with the requirements. Only one adult in a household will qualify as a primary caretaker.

- 3) Is working for at least 8 hours per month or participating in Americorps, Vista, or Senior Community Service Employment Program.
- 4) Meets the requirements for being exempted from having to engage in a work activity under the State program as stated by the Social Security Act or under any other welfare program of the State. In Nebraska, Employment First regulations will be used as a guide in determining temporary or 12 month exemptions to the community service requirements.
- 5) Is a member of a family receiving Temporary Assistance to Needy Families (TANF) and has not been found to be in non-compliance with the program.

For any exemption, the Lincoln Housing Authority requires verification. In some cases, information to substantiate the exemption or actual verification information may already be on file. Some exemptions will be for the full twelve month period; other exemptions will be only for part of the twelve month period.

#### **D. Notification to Residents and Status Determination**

Public housing families will be informed of the requirements when they are initially housed or transferred and at least 30 days prior to the effective date of each annual review. At those times, each adult member of the household will be reviewed to determine if s/he is required to participate in community service\economic self-sufficiency activity or if s/he is exempt from the requirement. The determination is made according to what each adult's status is anticipated to be on the effective date of the annual review or move in.

If new adult members are added to a household, a status determination for community service is made at that and then as part of the annual review thereafter.

An adult member of the family can who is required to do community service or economic self-sufficiency activities can request a review of their situation at any time to determine if the community service activity requirement can be discontinued because the member has become exempt. A review will be done within 30 days of a request. This review may be done by phone, fax, mail, or in person, at the discretion of the LHA. Supporting documentation for any change in status is required.

#### **E. Public Housing Lease**

HUD regulations on community service require a 12 month lease term for public housing. For purposes of the community service program, the 12 month terms refer to the periods between initial housing and the effective dates of annual reviews thereafter. The public housing lease specifies that failure to comply with the community service requirement is grounds for termination of the lease at the end of the twelve month lease term but not for termination of the lease during the course of the twelve month lease term.

#### **E. Procedures for Non-Exempt Residents**

Each non-exempt adult will be referred to the community service liaison. The community service liaison will contact the family and provide clarification of the family responsibilities as well as

suggestions for participating in either community service or economic self-sufficiency activities. The community service liaison will also provide forms for reporting the hours to fulfill the requirements. The family member must provide information and cooperate in verification of the community service and economic self-sufficiency activities. The community service liaison will also assist in verification of any exemptions or temporary exemptions that did not exist or were not evident during initial housing or annual reviews.

#### **G. Annual Review and Determination of Compliance**

During the annual review process, LHA will determine if the tenant and adult family members have complied with community service\economic self-sufficiency requirements. LHA will also determine which adult members of the family qualify for an exemption for the upcoming twelve month period.

#### **H. Notice of Non-Compliance**

At the annual review, if LHA determines there is a family member who is required to fulfill a community service\economic self-sufficiency requirement and has not done so, LHA will notify the tenant of this determination. The notice will describe the non-compliance and will state that the LHA will terminate the lease at the end of the twelve month period. Prior to the date of the lease termination, the tenant will have the option to:

- a) enter into a written agreement with the to cure such non-compliance and in fact cure such non-compliance according to the agreement; or
- a) provide written assurance satisfactory to the LHA that the tenant or other non-compliant resident no longer resides in the unit.

The notice will also state that the tenant may request a grievance hearing on the matter and to contest the determination in a court of law.

#### **I. Written Agreements to Cure Non-Compliance**

If the tenant family wishes to enter into a written agreement to cure non-compliance with the community service requirements, they must complete and sign the written agreement prior to the effective date of lease termination. In entering into a written agreement to cure non-compliance, the LHA will review any mitigating circumstances for which the family can provide documentation including illness, temporary absence, accident, family crisis, temporary exemptions not previously reported, and community service\economic self-sufficiency activities that were not part of the plan or not previously reported. At the LHA's sole discretion, a waiver of the community service requirement for a given month may be given for those months for which there is documentation of mitigating circumstances. A waiver may also be given for those months in which no hours were completed if there are other months in which excess hours were completed provided the total number of hours completed equals the requirement. A waiver means that no cure for non-compliance is required for that specific month. For those hours that will be required under a written agreement at least 8 hours per month, plus the regular 8 hours, must be completed with the first month in which the agreement is effective. Hours to be made up from the past under the written agreement are always performed before regular hours.

When a tenant or adult member is non-compliant with a previously established written agreement, the lease will be terminated at the end of the twelve month period. LHA will consider any mitigating circumstances to amend the previously established written agreement provided the written agreement and any amendments are completed by the end of the twelve month period.

If a tenant or adult member becomes blind or disabled and certifies that, because of this disability, s/he is unable to comply with the written agreement, then LHA will cancel the tenant's or adult member's obligation under the written agreement.

If a tenant or adult member becomes age 62 and is exempt from community service requirement, then LHA will cancel the obligations under the written agreement.

As an incentive to seek and maintain employment, LHA will cancel any remaining obligations for community service, including any under a written agreement, for a tenant or adult member who has obtained at least half-time employment and has maintained the employment throughout the balance of the twelve month period.

During the first full or partial month in which the tenant family moves into their housing unit or a new member is added to the household, the requirement to perform 8 hours of service will be waived to allow the family time to complete the move and settle into their housing unit. This waiver applies only to the first full or partial calendar month and the waiver ends on the last day of the month in which the family moved into their housing unit.

**J. Opportunities for Community Service or Economic Self-Sufficiency Activities**

The LHA has the option to contract with a third party organization to assist with managing the community service and economic self-sufficiency program. LHA will provided names and contacts at agencies, as needed, to fulfill the tenant's community service or economic self-sufficiency obligations.

**K. Prohibition Against Replacement of PHA Employees**

In implementing this program, the LHA will not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by the LHA employees.

**PART XV**  
**Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**

**A. Emergency Transfers**

LHA is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), LHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit within the same program or served by the same waiting list. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of LHA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether LHA has another dwelling unit that is available and is safe to offer the tenant for continued occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that LHA's HUD-subsidized units (Public Housing, Mahoney Manor, Crossroads House, Burke Plaza and New 32) are in compliance with VAWA.

**B. Eligibility for Emergency Transfers**

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer. A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

**C. Emergency Transfer Request Documentation**

To request an emergency transfer, the tenant shall notify LHA and submit a written request for a transfer. LHA will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under LHA's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

LHA will utilize Form HUD-5383 for this request, and make the form available to tenants. The tenant may also submit their own written request for an emergency transfer.

#### **D. Confidentiality**

LHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives LHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant.

#### **E. Emergency Transfer Timing and Availability**

LHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. LHA will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit.

LHA will treat approved emergency transfers as priority transfers within the same program or waiting list. A priority transfer automatically moves to the top of the list and will be offered the next suitable available unit ahead of applicants and other transfers. A suitable unit means the size and accessible features needed. Accessible units will always be offered to tenants and applicants who need the features of the accessible unit before they are offered to tenants and applicants who do not need the features of an accessible unit.

If a unit is not available LHA will inform the tenant about other LHA housing programs. If a tenant requests to move to a unit in a different program with a different waiting list, LHA will treat that as a new application for the property or program which must comply with the requirements of that program's waiting list. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. LHA will determine if the tenant is eligible for any preferences including the Domestic Violence preference for that waiting list. LHA may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If LHA has no safe and available units for which a tenant who needs an emergency is eligible, LHA's Tenant Services Department will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, LHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking.

#### **F. Safety and Security of Tenants**

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

However, many of the definitions are based on the requirements of federal regulations, which are subject to frequent change. In the event that some definitions in this policy conflict with applicable federal regulations, LHA will comply with the appropriate regulatory requirements, unless the conflict is due to the Moving To Work Policies outlined in this document.

Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the business;

3. Interest, dividends, and net income of any kind from real or personal property. This includes a lump-sum payment for the delayed start of a periodic payment, except for SSI and Social Security.

Any income distributed from the trust fund shall be counted when determining annual income. In determining net family assets, the housing authority shall include the value of any asset disposed of by an applicant or tenant for less than fair market value (including a disposition of trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. ## **Covid-19: Special Provisions**

### **CARES Act/Nebraska Executive Order 20-07 Waivers and Alternative Requirements/Eviction Moratoriums**

**A.** Overview: PIH Notice 2020-05 outlined the HUD waivers and alternative requirements for numerous statutory and regulatory requirements of the Public Housing and Housing Choice Voucher (HCV) programs that were authorized under the Coronavirus Aid, Relief and Economic Security (CARES) Act. These waivers provide administrative flexibilities and relief to PHAs during the response to the COVID-19 pandemic. Use of these waivers is at the discretion of the PHA with HUD strongly encouraging PHAs to use them as necessary to keep public housing and HCV programs operational to the extent practicable during the pandemic. The Public Housing waivers that LHA decided to use are listed below. Nebraska Executive Order No. 20-07 provides for temporary residential eviction relief for non-payment of rent.

The period of availability for waivers will be automatically extended based upon guidance from HUD

### **B. Moratorium on evictions for non-payment of rent:**

The CARES Act, along with Nebraska Executive Order No. 20-07, places a moratorium on evictions for non-payment of rent. LHA will implement this moratorium for all residential rental units.

1. LHA will not send out notices to vacate for non-payment of rent effective March 27, 2020 to July 24, 2020.
2. LHA will not assess late fees for late payment of rent for the months of April, May, June and July 2020.
3. LHA will not initiate any evictions for non-payment of rent between March 27, 2020 and July 24, 2020.
4. LHA may send reminder notices to tenants to pay rent during this moratorium period.

The Centers for Disease Control and Preventions (CDC) issued an eviction moratorium effective September 4, 2020 which initially expired December 31, 2020 and has been extended by Congress through January 31, 2021. The CDC eviction moratorium provides eviction protection to tenants that complete a form "Declaration Under Penalty of Perjury for the Centers for Disease Control and Preventions's Temporary Halt in Evictions to Prevent Further Spread of COVID-19".

- c. Approved through PIH Notice 2020-05.
- d. Period of Availability: April 10, 2020 to June 30, 2021.

## **SECTION I. APPLICATION PROCEDURES (982.202)**

- A. **Written Application:** Lincoln Housing Authority (LHA) requires persons interested in applying for Section 8 voucher assistance to fully complete, sign and submit a written application. Applications are available at the LHA office, will be mailed upon request and can apply online via LHA’s website; [www.l-housing.com](http://www.l-housing.com). If LHA staff perceive a barrier is preventing someone from completing the application, LHA will request permission to assist the individual which may include contacting an appropriate agency or person to assist the applicant.
- B. **Mail and Online Applications:** Any fully completed application received in the mail be dated with the time of receipt upon delivery to the LHA office. Any fully completed online application is date and time stamped according LHA’s computer submission which will be printed on the applicant’s online receipt at the time of submission.
- C. **Eligibility:** At the time of application to admissions on the waiting list, LHA may perform preliminary eligibility screening. The decision to pre-screen applications on the waiting list will be based on the length of the waiting list. If the applicants “wait” time for selection of the waiting list is considered relatively short, pre-screening may be required to determine the applicant appears to meet eligibility requirements. A pre-screening may include:
- Applicant meets income requirements according to the Federal regulations;
  - Criminal history check;
  - Social Security cards;
  - Citizenship or 214 documentation;
  - Compliance with LHA repayment requirements; and
  - Family Composition.
- Birth Certificates and Social Security cards will be requested at application but not required until admissions.
- Applicants will be advised placement on the waiting list, although this is no assurance of eligibility.
- D. **Project-Based Applications:** In accordance with the Moving to Work agreement, each project-based site will be responsible to accept and maintain tenant applications for the project-based site according to the terms in their specific HAP contract agreement.
- E. **Incomplete Applications:** All applications lacking the required information by the periods outlined by the LHA representative will be cancelled.
- F. **Notification:** LHA will notify applicants if they are eligible to be placed on the waiting list. As the applicant approaches the top of the waiting list or prior to the applicant being offered a voucher, LHA will do a “complete” verification of eligibility to the program. All ineligible applicants will be given a prompt written notice on the decision to deny admission to the program. The notice will include the reason for the decision and the right to request an informal review within seven (7) calendar days of the notification.

## **SECTION II WAITING LIST (24 CFR Subpart E)**

A. **Description:** A single waiting list will be maintained for all eligible persons wishing to participate in the tenant-based voucher programs. For project-based assistance, a separate waiting list will be maintained by the site. Applicants will be advised of all available housing programs including all project-based and tenant-based voucher programs. An applicant can apply for Section 8 program as well as public housing, conventional and tax credit units, and remain on all lists after the applicant has received assistance or accepted a unit.

**B. Waiting List Eligibility Requirements:**

1. **Legal Capacity:** The applicant must be capable under the state law of entering into a legal contract. Applicants must be at least 18 years of age, legally emancipated or married to enter into a lease. If legal capacity requirement is not met, a denial letter will be sent stating they may reapply at age 18, or when legally emancipated or married.
  
2. **Application:** The family must complete an eligibility application. Applications are available at Lincoln Housing Authority (LHA) office, can be mailed upon request or completed online from the LHA website [www.l-housing.com](http://www.l-housing.com). Special arrangements to complete an application may be made with the LHA office for individuals with disabilities or language barriers. If it is apparent during the application process that a barrier exists and an advocate or interpreter could benefit the applicant, LHA will obtain appropriate services and may reschedule the interview. The delay will not affect the date and time of placement on the waiting list.
  
3. **Income:** Application will be reviewed to determine if they appear to meet income requirements of Federal regulation per 24 CFR 982.201.
  
4. **Social Security Number:** The applicant must provide a Social Security number for all household members who are U.S. citizens or have eligible immigration status.

**Exception for providing a Social Security number for a child under the age of 6 years old who is “added” to the applicant’s household:**

- a. The applicant household may remain on the waiting list and continue with admissions into the voucher program without providing the “added” child’s Social Security number and acceptable verification under the following circumstances.
  - The child who is being “added” to the applicant household was not listed on the original application; and
  - The request to add the child occurred within 6-months prior to the voucher issuance date; and
  - The child was age 5 or younger at the time of the request to add the child to the applicant household
- b. **The added child’s (age 5 or younger) Social Security number must be provided 90 days after program admission, with another 90-day extension if merited.**

5. **Preference:** LHA will determine if applicant meets preference criteria (described in Preference Selection, Section III). If it is determined that the family does not qualify for a preference, the family will be placed on the waiting list in a non-preference status according to the date and time of original application. The family may reapply for preference status at any time. The family is responsible to report any changes in preference status in writing. LHA will accept other forms of communication other than writing to accommodate a disability. The applicant must still qualify for the preference on the date LHA selects the applicant from the waiting list.
  6. **Vacate Owning:** LHA will check the “vacate owing” lists for LHA and other PHAs if previous assistance is indicated. Applicant must be in compliance with LHA repayment agreement requirements. All other PHA and/or other HUD funded Housing Assistance Programs must have all debt repaid prior to placement on the waiting list. See Termination/Denial Section XIX C (6) “Owes”.
  7. **Criminal History** Checks are completed prior to admissions to the program.
- C. **Waiting List Placement:** Tenant-based applicants are placed on a single waiting list according to the date and time regardless of the bedroom size. When vacancies occur in the Section 8 Voucher program, applicants will be invited off the waiting list according to preference, date and time applied. A single non-elderly, non-disabled household will be selected after all other eligible applicants have been selected from the waiting list.

Waiting List Placement for Project-Based assistance: The owners of the contracted project-based sites will be responsible to maintain their own waiting list. Placement on the waiting list will be based on the project-based voucher agreement with LHA.

- Crossroad House Apartment project-based waiting list: For Crossroads House Apartments, eligible applicants will be placed on their site-based waiting list according to the date and time of the application. When a vacancy occurs for a project-based unit, the applicants will be selected according to preference status and the date and time of application.
- Mahoney Manor RAD project-based waiting list: For Mahoney Manor, eligible applicants will be placed on their site-based waiting list according to the date and time of the application. When a vacancy occurs for a project-based unit, the applicants will be selected according to preference status and the date and time of application.

Outreach for Mainstream vouchers: If there is ever an insufficient pool of disabled families on the HCV waiting list, LHA will conduct outreach to encourage eligible persons to apply for this special allocation of vouchers.

- D. **Applicant Selection:** Within the preference category, applicants will be selected in order of the application date and time. Single applicants who are elderly or disabled single persons will be assisted before other single persons.
1. **Family Unification Program (FUP) Vouchers:** For FUP Vouchers, any vouchers designated for families and youth who are referred and certified by a Public Child Welfare Agency known as Nebraska Health and Humans Services (NDHSS) or designated contract, as eligible for FUP assistance will be selected from a separate waiting list specifically for FUP families and youth based on time and date of the application and served on a first-come, first serve basis. Waiting List selections is specifically described in the Family Unification Program Section of this Administrative Plan.

2. **Mainstream Vouchers:** For Mainstream Vouchers, 147 vouchers are designated for disabled households that have at least one member between the ages of 18-61 at time of application that are disabled as defined under 42 U.S.C. 423, HUD regulations, or 42 U.S.C. 6001.
  3. **Project Based Vouchers (PBV):** The owners of the project-based sites will be responsible to maintain their own waiting list. Selections from their waiting list will be based on the PBV agreement with LHA.
    1. **Crossroad House Apartment (PBV) Waiting List**  
Eligible applicants, age 55 or older, will be placed on the site-based waiting list according to the date and time of the application. When a vacancy occurs at the Crossroad House Apartments, eligible applicants will be selected according to the date and time of their application and preference status.
    2. **Mahoney Manor (RAD/PBV) Waiting List**  
Eligible applicants, age 50 or older, will be placed on the site-based waiting list according to the date and time of the application. When a vacancy occurs at Mahoney Manor, eligible applicants will be selected according to the date and time of their application and preference status.
  4. **Rental Assistance for Non-Elderly Persons with Disabilities Program (RANEDP):** For RANEDP Vouchers, vouchers will be designated for disabled households whose head of the household or spouse is disabled as defined in the definition section of this Administrative Plan and age 61 years or younger. LHA will maintain only one voucher waiting list, when a RANEDP voucher is available for utilization. Only households who meet this definition of non-elderly disabled households are eligible to be selected from the HCV waiting list based on LHA established preferences, date, and time of the application.
  5. **Veterans Affairs Supportive Housing (VASH) vouchers:** In accordance with FR-5213-N-01, the waiting list for VASH vouchers is maintained by the Veterans Affairs Medical Center (VAMC) and referrals for the VASH voucher utilization will come from the VAMC.
  6. **Foster Youth to Independence (FYI) Vouchers:** FYI vouchers are Housing Choice Vouchers targeted to specific households referred and certified eligible for the program by the Public Child Welfare Agency known as Nebraska Department of Health and Humans Services. LHA will add households not on the HCV waiting list following referral by DHHS.
- E. **Cancellations:**
1. Requests to cancel an application are required in writing. LHA will accept other forms of communication other than writing to accommodate a disability.
  2. All applications not meeting eligibility requirements within the established time frame will be canceled.

    - c. LHA will include deadline dates in all letters requesting information or responses.
    - d. If a letter is returned by the United States Postal Service with a forwarding address LHA will re-send the letter.
  4. Reinstatement due to extenuating circumstances will be at the discretion of the Housing Supervisor or Manager.

5. If an applicant with a disability fails to comply with a requirement within the required time frame for a reason verified to the applicant's disability, the applicant will be reinstated.
- F. **Purging:** The waiting list will be purged approximately once a year to eliminate any inactive applications and reduce unnecessary administrative burden.
- G. **Closing of Waiting List:** The closing of the waiting list will be announced by public notice in a newspaper. Public notice will be made when application intake is resumed in accordance with 24 CFR 982.206. Should there be insufficient applications for the Mainstream Vouchers during a closed waiting list, the waiting list will be reopened until it reaches sufficient number of applications for the Mainstream Voucher program.

### **Section III. Preferences for Selection (982.207)**

The Lincoln Housing Authority (LHA) will use preferences for the tenant-based vouchers. The project-based voucher preferences may differ from the tenant-based vouchers and are described in the Project-Based Section of this plan.

**A. Tenant Based Voucher Program Preference Policy Overview:** LHA will operate a weighted preference system using assigned points to determine the waiting list selection order.

1. LHA gives a higher priority during tenant-based voucher selection to applicants who are currently eligible for one or more preferences.
  - a. When the head of household or co-head qualify for one or more of the following verified primary preferences: Homeless, Disaster, or Domestic Violence, then a weight of two (2) points is assigned.
  - b. If the head of household or co-head qualifies for the secondary preference, Nebraska RentWise certification, then the weight of one (1) point will be assigned.
  - c. Applicants with a primary preference and secondary preference are assigned a maximum total of three (3) points.
2. Based on this weighted point system applicants with a primary preference will always be served before applicant's with only a secondary preference.
  - a. The applicant with the highest number of points is selected from the waiting list in accordance with the date and time of the application.
  - b. The most points an applicant can receive is 3 points (2 points if applicant meets the criteria for a primary preference and 1 point for RentWise certification).
3. **Families, elderly and disabled are selected from the waiting list before a single, non-disabled or non-elderly regardless of preference status.**
4. The head of household or co-head will be permitted to use a preference for the waiting list one-time within a five-year period from their last housing assistance termination date.

**B. Primary preferences** are as listed below in random order with no hierarchic system:

1. **Homeless:** Applicants terminated or evicted from a LHA program or unit will not be eligible for a homeless preference [Section 91.5]. A homeless family includes:
  - a. A family that lacks a fixed, regular, and adequate night-time residence; and
  - b. A family that has a primary night-time residence that is:
    - a supervised shelter designed to provide temporary living accommodations including welfare hotels, congregate shelters, state transitional housing programs, other transitional housing, and nursing facilities;
    - an institution providing a temporary residence for individuals intended to be institutionalized (does not include jail);
    - a public or private place not designed for, or ordinarily used as a regular sleeping accommodation for human beings.
2. **Disaster:** Displaced by fire (excluding tenant caused fires), flood or storm. Such displacement must be recent and continuing; the displacement must have occurred within the last three months of the requested preference. Verifiable by Red Cross or other government agency.

3. **Domestic Violence:** Displaced by domestic violence - actual or threatened violence against one or more members of the applicant family by a spouse or other member of the household. Such applicants must have been forced to move because of domestic violence or lives with a person who engages in domestic violence. Such violence must be recent or continuing and the displacement must have occurred within the last three months of the requested preference. Applicants who have been approved within the last three months for a VAWA-based emergency transfer by another VAWA cover housing provider qualify for this preference. Applicants displaced by domestic violence must certify that the person who engaged in such violence will not reside with the applicant family unless LHA has given advance written approval. If the family is admitted, LHA may deny or terminate assistance to the family for breach of this certification. An active protection order would be an acceptable form of verification.
4. **Foster Youth to Independence:** Youth between the ages of 18-24 who have left or will be leaving the foster care system and who are homeless or at risk for becoming homeless. They are only eligible for this preference if certified in writing as eligible by the Nebraska Department of Health and Human Services.

A copy of the RentWise Certificate of Completion is an acceptable form of verification. Once the applicant (head of household or co-head) is admitted to the voucher program using this preference, they are not eligible to use this preference for future re-admissions to the program.

**D. Verifications:** The family must provide proper verification they are eligible for a preference at the time of application or any time while on the waiting list.

1. Verification of the preference is required at the time of application and at the time the household is pulled from the waiting list.
2. If it is determined the family did not qualify for a preference at the time of the waiting list selection, the family will be placed on the waiting list in a non-preference status according to the date and time of the original application.
3. The family may reapply for preference status at any time.
4. Acceptable sources of verification for all preferences include government agencies, law enforcement, public or private shelters, clergy, or social service agencies.
5. Time frames: Any verification is valid for thirty (30) calendar days after receipt by LHA. If the applicant is not selected from the waitlist within thirty (30) calendar days, the preference must be reverified at the time the family is selected from the waiting list.

**E. Changes:** Any change in family preference status must be reported by the family in writing within ten (10) calendar days of the change. LHA will accept other forms of communication other than writing to accommodate a disability.

- F. **Five-year Preference Limitation:** Any head of household or co-head, who was previously admitted to the voucher program administered by Lincoln Housing Authority and utilized any preference may only be granted a waiting list preference if five (5) years have lapsed since the end of their participation with the Housing Choice Voucher program.

If the applicant reports an income change after admission to the waiting list which may result in income ineligibility, they may be maintained on the waiting list at maximum income limit allowable (982.201(b)).
- D. **Citizenship/Immigration Status:** Every family member who receives assistance must be either a citizen of the United States or non-citizen who has eligible immigration status in accordance to 24 CFR part 5. 2. **Verification Requirements:** A signed declaration of Section 214 status and proof of their citizenship or eligible immigration status is required for all household members unless they are a non-contending citizen or immigrant. One of the following verifications must be provided within ten (10) calendar days of request date:

  - c. S.A.V.E verification;

Note: An extension for the time to provide requested verifications may be extended upon supervisory approval and will be granted when delays are caused by USCIS.

- E. **Criminal History Checks:** All adult household members (18 years or older) must pass a criminal history check no more than ninety (90) days prior to notification of admission. See Section XIXI on Terminations/Denials.

- F. **Repayment/Vacate Owing Requirements:** LHA will check the “vacate owing” lists for LHA and other PHAs. Applicant/Participant must be in compliance with LHA repayment agreement requirements. All other PHA and/or HUD funded Housing Assistance Programs must have all debt repaid prior to placement on the waiting list. See Termination/Denial Section XIX C (6) “Owes”.

- G. **Verifications:** All information verifying the applicant is eligible must be provided within sixty (60) calendar days prior to LHA issuance of a voucher to the applicant.

Criminal history checks must be completed no more than ninety (90) days prior to LHA issuance of a voucher

H. **Application process:**

1. Applications will be taken on a continuous basis.
2. Applicants will be placed on a single waiting list according to the date and time applied regardless of bedroom size.
3. When vacancies occur in the Section 8 Voucher program, applicants will be invited off the waiting list according to preference, and the date and time applied. For tenant-based vouchers, a single non-disabled and non-elderly family will be selected after all other eligible applicants have been selected from the waiting list. LHA will maintain only one voucher waiting list. When a Mainstream voucher is available only disabled households that meet program eligibility requirements will be selected from the HCV waiting list based on established preferences, and the date and time of application.

4. Mail-in applications will be dated with the time the application is delivered to the LHA office. Online applications are date and time stamped based on electronic submission.
5. Placement on the waiting list is not an assurance of eligibility.
6. LHA cannot determine an estimated waiting period time as several factors influencing the waiting period are beyond LHA's control (i.e. verifications, turnover, funding, etc.).

Note: Refer to the FYI, VASH and Project-Based voucher sections of the Administrative Plan for process, procedures and policy for this special program.

#### I. **Ineligible Applicants:**

1. **Notification in writing:** All applicants will be given a prompt written notice on the decision to deny admission to the program. The notice will include the reason for the decision and the right to request an informal review within seven (7) calendar days of the notification.
2. **Fraud:** Applicants providing false information to qualify for housing assistance or a preference will be canceled and may not access the waiting list for three (3) years.
3. **Failure to promptly report changes:** An applicant who fails to notify LHA of any change to the mailing address or to respond to correspondence within a specified time period will be removed from the waiting list by canceling the application. Once the application is canceled, the family must reapply for admission. See Section VI on Voucher Issuance for further information.
4. **Social Security number and verification:** Prior to admissions to the voucher program, a copy of a Social Security card or other acceptable verification must be provided for all eligible household members, regardless of age, within ninety (90) calendar days of request.

LHA may grant an additional 90-day period, if there are unforeseen circumstances beyond the family's control that prevents the family from complying with the SSN requirements. If an applicant fails to provide acceptable proof of any eligible household member's social security number within the required time allowed, the applicant will be denied admission to participate in the program and removed from the waiting list. Other acceptable verifications in lieu of a Social Security card are outlined in the Verification section of this plan.

**Social Security number and verification exception:** 90-day Extension Period for an added child age 5 or under: If an applicant family requests to add a child age 5 or under within six (6) months prior to the voucher issuance date, the family will not be required to provide the Social Security number with acceptable verification prior to admissions.

The following must occur for the Social Security number and verification requirement to be extended beyond the voucher program admission date.

- The child who is being "added" to the applicant household was not listed on the original application; and
- The family's request to add the child to the application occurred within 6-months prior to the voucher issuance date; and
- The child must be age 5 or younger at the time of the family requested to add the child to the applicant household.
- If the applicant household is granted this 90-day extension period, the participant household must provide the added child's Social Security number and acceptable verification to LHA within 90 calendar days of admission to the voucher program ( HAP contract start date).

An additional 90-day extension period will be granted if LHA determines the participant cannot provide the Social Security number and/or verification within 90-days of the voucher program admission due to circumstances that could not be reasonably foreseen and were outside the applicant/participants control.

5. **Students:** According to 24 CFR 5.612, no assistance shall be provided under section 8 of the 1937 Act to any individual who:
  - a. Is enrolled as a student at an institution of higher education; and
  - b. Is under 24 years of age.

**J. Eligible Students:**

1. If an individual is enrolled as a student at an institution of higher education and is under 24 years of age, according to 24 CFR 5.612, assistance shall be provided under section 8 of the 1937 Act if the individual is also:
  - a. a veteran of the United States military; or
  - b. Is married; or
  - c. Has a dependent child; or
  - d. Is a disabled person who was receiving Section 8 assistance as of November 30, 2005; or
  - e. Is otherwise individually eligible and has parents who, individually or jointly are eligible on the basis of income to receive assistance under Section 8, unless the student can demonstrate independence from the parents as defined by the U.S. Department of Education.
2. The U.S. Department of Education’s definition of “independent student” is a student who meets one or more of the following criteria.
  - a. Is at least 24 years old by December 31 of the award year ; or
  - b. Is a graduate or professional student; or
  - c. Is a veteran of the United States military or currently serving on active duty in the Armed Forces other than training.; or
  - d. Has legal dependents other than a spouse (example dependent children or elderly dependent parent; or
  - e. Is married; or
  - f. Is a student for whom a financial aid administrator makes a documented determination of independence by reason of unusual circumstances; or
  - g. Is a student who is considered a “vulnerable youth” and LHA can verify the student qualifies under one of the following categories:
    - Is in a legal guardianship or was in legal guardianship prior to reaching the age of majority as determined by a court of competent jurisdiction in the individual’s State of legal residence; or
    - Is an emancipated minor or was an emancipated minor prior to reaching the age of majority; or
    - Is an orphan, in foster care, or a ward of the court or was an orphan, in foster care, or a ward of the court anytime when the child was 13 years or age or older; or

      - a local education agency homeless liaison designated pursuant to section 722 of the McKinney-Vento Homeless Assistance Act; or

- the director or designee of a program funded under the Runaway and Homeless Youth Act; or
  - the director or designee of a program funded under subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act which are typically emergency shelter grants; or
  - a financial aid administrator.
3. Verification Requirements to prove a Student's Independence  
(When a student IS NOT considered a vulnerable youth)  
When a student under the age of 24 declares to be independent of their parents by qualifying *only* under categories listed in 1 through 6 then LHA will obtain verification of the student's independence by following HUD's Student Independence Verification requirements.
1. Reviewing and verifying the previous address information to determine if there is evidence of a separate household from the parents, or verifying the student meets the U.S. Department of Education's definition of a "independent student";
  2. Reviewing the student's prior year income tax return to verify the student is independent (not claimed as a dependent on another household's tax return), or verifying the student meets the U.S. Department of Education's definition of a "independent student"; and
  3. Verifying if any income is provided by a parent by requiring a written certification from the individual providing or not providing support. Note: any financial assistance provided by persons not living in the unit is considered annual income.
4. Waiver of Verification Requirements to prove a Student's Independence  
(When a student IS considered a vulnerable youth)  
If the student qualifies as a vulnerable youth, then the above verification requirements are waived. The only verification required is to prove the student qualified as a vulnerable youth.

## SECTION V SUBSIDY STANDARDS (24 CFR 982.402)

- A. **Overview:** When issuing a tenant-based voucher the following standards will be used to determine the number of bedrooms needed for families of different sizes and compositions. The project-based subsidy standards are the same as the tenant-based voucher program except there are no zero bedroom subsidy standards for project-based vouchers.
- B. **Voucher Size:** Families will be issued a voucher based on the smallest size appropriate to their needs with the following limitations:

Voucher Size	Minimum Persons	Maximum Persons	
0 Bedroom	1	1	For tenant based only: single non-disabled or non-elderly
1 Bedroom	1	2	For project-based or tenant-based vouchers
2 Bedroom	2	4	
3 Bedroom	3	6	
4 Bedroom	6	8	
5 Bedroom	8	10	
6 Bedroom	10	12	

These standards are developed in accordance with the Federal regulations which state there must be at least one bedroom or living/sleeping room of appropriate size for each two-person family.

- C. **Bedroom Definition:**  
 To qualify as a bedroom, the room must have a proper egress window, an overhead light and one (1) outlet, or no overhead light and two (2) outlets. This must be documented on the inspection form.
- D. **Determining Family Unit:**
1. One Bedroom per two adults and one bedroom per two children regardless of age, relationship, or gender. Adult is considered anyone 18 years or older. Child is a person under the age of 18.
  2. Foster children will be counted as a person for occupancy.
  3. Expectant mothers must provide pregnancy statement to qualify for a two (2) bedroom whether the family is a single person or couple. For all other household sizes, the subsidy size may be increased within the third trimester if the medical profession has verified the increased housing need.
  4. Students who live out-of-town but return home for at least three (3) months per year will be allowed a bedroom assignment.
  5. If the family has verified custody arrangements of at least 50%, then they can be allowed a bedroom assignment for any child that:
    - a. isn't already receiving housing subsidy in any other household;
    - b. and doesn't have the right to claim subsidy assigned to another party via court order.
  6. Remaining member age 18 or over, if otherwise eligible, will retain a voucher when all other family members have been removed from the lease and do not wish to transfer the voucher. Voucher size will be redetermined. See Section VI Voucher Issuance.

- E. **Exceptions from these standards** may be allowed only if the unit does not offer alternatives for a sleeping area such as living room, dining room, etc. which can be considered a “sleeping room”. Alternative sleeping areas must be used prior to providing an exception to the subsidy standard.
1. **Medical reasons:** A family may be offered a larger voucher as a reasonable accommodation to a verifiable disability. A statement from a qualified medical practitioner must be provided annually to verify the individuals who have a separate bedroom.
  2. **Live-in aide:** If an elderly or disabled family requires a live-in aide as defined under 24 CFR 5.403, then the appropriate bedroom size will be allowed to include a live-in aide.
    - A live-in aide is considered “essential” if there is a medical need supported by a qualified medical practitioner statement that the person requiring the assistance would be unable to live in the home without the support of the live-in aide and that the live-in aide is qualified to provide the needed care.
      - This need must be verified annually by a qualified medical practitioner.
    - Prior to tenancy and during tenancy, a live-in aide cannot be obligated for the support of the person(s) and must maintain separate finances.
    - A live-in aide must have no other reason to reside in the unit other than to provide needed care.
    - A live-in aide will be required to sign an agreement regarding their tenant status, sign a release to conduct a criminal history check, and will be denied permission to reside in the unit if participated in disqualifying criminal activity.
    - A live-in aide cannot be considered a remaining member of the tenant family when a family vacates the unit.
    - A live-in aide’s family may reside in the unit providing it does not increase the subsidy by the cost of an additional bedroom and the family is not overcrowded.
      - All adult family members must sign a release to conduct a criminal history check and will be denied permission to reside in the unit if participated in disqualifying criminal activity.
- F. **Choice in Unit Size:** A family may rent a smaller or larger size unit than stated on the voucher as long as the unit complies with minimum Housing Quality Standards and rent limitations of the voucher program. The unit size designated on the issued voucher must remain unchanged regardless of the actual size unit.
- However, the payment standard is established by the number of bedrooms and must be the lower of (1) the payment standard for the family unit size; or (2) the payment standard for the size of the unit rented by the family.
- G. **Change in Family Unit Size during the HAP Contract Term:** If the family unit (family unit does not include live-in aides or foster children/adults) size changes during the term of the HAP contract, the new family unit size must be used to determine the payment standard amount at the next annual re-exam regardless of any increase or decrease in the payment standard schedule.
1. **Larger voucher:** If the participating family needs a larger voucher size in order to be in compliance with Housing Quality Standards. The family must be given the appropriate size voucher as soon as possible (at any time during the lease) to locate a larger unit. The owner must be given a 30-day notice. The HAP contract terminates at the end of the calendar month of the 30-day notice.

For example: Owner is given a 30-day notice on August 15th. The HAP contract would terminate on September 30th.

2. **Smaller voucher:** If the family voucher size decreases due to a change in household size during the term of the HAP contract, the payment standard is not reduced to the corresponding voucher size or bedroom size, whichever is lower, until the next annual re-examination.

If the family composition changes while under lease because a child reaches the age of an adult (age 18 or older), the family will maintain the pre-established voucher size until the family moves, or the members of the household change.

3. **Family request for a new voucher:** A family continuing in the program may request a new voucher and will be issued a voucher of appropriate size at any time during the term of the lease for the following situations:
  - a. **Physical or emotional abuse:** Participants who have vacated their unit due to physical or emotional abuse may retain a voucher as long as they have responsibility for minor children or are disabled. The remaining family member occupying the unit will be required to reapply for assistance as a single person. The assistance terminates at the end of the calendar month in which the owner's 30-day notice expires. Please see Section IX. Verifications, C. 19 for verification requirements. If the adults split the custody of the minor children, in most cases, both will be issued a voucher.
  - b. **Under 18 years of age:** Participants not 18 years of age, married, or legally emancipated, will not be issued a voucher to transfer out of their current unit.
  - c. **Household that separate:**

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, LHA is bound by the court's determination as to which family members will receive rental assistance.

In the absence of a court decision or mutual agreement by the families, LHA will have the final authority to determine which family members would be best served by continued assistance of housing benefits. Lincoln Housing Authority will consider the following factors to determine which of the families will continue to be assisted:

- If one of the parents moves out of the household, the voucher will be retained by the parent who stays in the unit with the children.
- If both parents move out of the current unit, the voucher follows the parent with the children.
- If both parents move out of the current unit and both retain children, each parent will be given a voucher.
- In a two-parent household, if the head of the household stays in the assisted unit, the voucher is retained by the head of the household. If the co-head (other parent) leaves with a child a voucher will be given to the co-head (other parent).
- If the family splits prior to admission to the program, the designated head of household will maintain the voucher with no other voucher issued to the other household members.
- If domestic violence was involved in the break-up, the identified victim of domestic violence will be given a voucher.
- In all other situations that are not identified above, the head of household will retain the voucher only.

- d. **Remaining household member:** If the remaining household member age 18 or over will retain a voucher when all other family members have been removed from the lease and do not wish to transfer the voucher. Voucher size will be redetermined
- e. **Court Determination:** If a court determines the disposition of property between the members in a divorce or separation, LHA is bound by the court's determination of which family members continue to receive assistance.

## SECTION VI VOUCHER ISSUANCE (24 CFR 982.302 and 982.303)

A. **Issuance:** Families will be issued vouchers in a non-discriminatory fashion as their name reaches the top of the waiting list. The normal rotation of the waiting list is the date and time of application after consideration of the preferences and type of voucher available as identified in this plan.

Note: VASH vouchers are issued in accordance to the Veterans Assistance Medical Center's referrals of eligible families. LHA does not have the authority to maintain a waiting list or apply local preferences for the HUD- VASH vouchers.

The following is the process in voucher issuance:

1. **Notification reaching top of the waiting list:** Applicants will be notified by mail when their name reaches the top of the waiting list. The applicant is given a reasonable amount of time to respond to LHA regarding their interest to participate in the program. If they wish to participate in the program, they will be required to have their family composition, income, assets, LHA preference and all other program eligibility verified to determine if they meet the program eligibility criteria.
2. **Changes prior to voucher issuance:**
  - a. **Preferences:** Applicants not eligible for the LHA preference when their name reaches the top of the waiting list will be placed on the list in a non-preference status.
  - b. **Over income limits:** Applicants who exceed the income limit for eligibility will be denied admission, and their application will be canceled. The applicant can request an informal review within seven (7) calendar days.
  - c. **Failure to respond:** Applicants who fail to respond to their letter and schedule an appointment within the specified date will have their name removed from the waiting list and will need to reapply.

Applicants who fail to provide necessary information to determine eligibility within ten (10) working days from their appointment or date specified by LHA will be removed from the waiting list and will need to reapply.

3. **Income eligibility:** 50% median income will be used as the income limit for all Section 8 applicants who are subject to for the Lincoln Housing Authority service delivery area. Income limits are available upon request.
4. **Income Targeting:** LHA is exempt from income targeting under the Moving to Work agreement. Families whose income is 50% or below the area median (Very Low Income) may be eligible to be admitted into the Section 8 voucher program. Certain families may, at the time of admission, have incomes between 51% and 80% of the area median (Low Income). These include:
  - a. Families continuously assisted in Public Housing or Section 8.
  - b. Families physically displaced by rental rehabilitation.
  - c. Non-purchasing tenants of certain home ownership programs.
  - d. Tenants Displaced from certain Section 221 and 236 projects.
  - e. Low-income families residing in certain HUD-owned projects.
5. **Briefings:** Applicants who have been determined eligible for a voucher will be notified by mail when a briefing will be conducted.
  - a. The applicant must attend the briefing to participate in the program.
  - b. Families will be advised if they do not attend the scheduled briefing and/or fail to contact LHA regarding the missed appointment within 10 working days, their name will be removed from the waiting list and will need to reapply.

- c. Briefings are conducted for the purpose of acquainting the applicants with the operation of the programs in accordance with 24 CFR 982.301.
  - d. The families will be given a voucher packet containing all required information and documents, including a list of available private owner units.
  - e. Vouchers will be issued allowing a ninety (90) day initial search period. VASH vouchers are provided at least 120 days search time.
  - f. LHA will maintain current income, asset and deduction verifications no more than sixty (60) days prior to the eligibility interview for voucher issuance.
  - g. In addition, for Mainstream vouchers, the following information will also be provided at briefing:
    - Information on community resources to access supportive services;
    - Information on public and/or private funding sources to assist with covering the costs of modifications need to the unit as a reasonable accommodation to their disability;
    - Provide housing search assistance if no success in locating a suitable unit within the initial 60 days search period; and
    - Provide a listing of available accessible units in primary market area.
6. **Lease:** Owners must use their own lease with the required HUD addendum.
  7. **Security deposit:** Participants in the voucher program may be required by the landlord to pay up to one (1) months' contract rent to the landlord for damage deposit.

**B. Extensions:**

1. Prior to the expiration date, vouchers may be extended beyond the initial 90-day search period after completing required landlord contact sheets, and under the following circumstances:
  - a. **Extenuating circumstances:** If the family can verify extenuating circumstances, the family is hard to house and can clearly demonstrate they have made every effort to secure a suitable unit.
  - b. **Not refused suitable unit:** The family has not refused a suitable unit without good cause.
  - c. **Extension results in housing the family:** There is a possibility an extension will result in an approved lease and execution of a Housing Assistance Payment Contract.
  - d. **Reasonable accommodations:** To provide a reasonable accommodation for those who need an accessible unit.
2. **Canceling Vouchers:** LHA will notify the family when their voucher has expired. If the family does not respond within (ten) 10 working days from the notification, the voucher cannot be re-instated. Vouchers can only be re-instated after a denial if (1) LHA was in error for not extending the voucher; or (2) by supervisory review. After a voucher has expired and the extension denied, the family will be required to reapply for assistance.
3. **Procedures and time frames for extensions:** All vouchers may be extended and reissued in 90-day intervals to a maximum of 180 days if the family meets the criteria stated above. LHA will document the family's efforts in securing housing. Should the family utilize the maximum search time of 180 days, the Request for Tenancy Approval form ( form HUD-52517) or other LHA approved form must be received by the LHA office by no later than the final voucher expiration date. If the Request for Tenancy Approval form is submitted after the final voucher expiration date, the voucher is expired, and the family would be required to reapply for voucher assistance.

**C. Reissuing Vouchers:**

1. **Term of vouchers:** All vouchers will be reissued at ninety (90) day intervals.
2. **Evictions:** Program participants evicted through the court system will lose their housing assistance and will not be eligible for a reissued voucher. They may reapply for assistance according to Section XIX on Terminations/Denials.
3. **Failure to correct tenant defects:** Participants who fail to correct tenant defects as identified in the Housing Quality Standards section will lose their housing assistance and will not be reissued a voucher. They may reapply twelve (12) months after the date of termination.

**D. Suspensions:**

In accordance with the Federal Register released on August 20, 2015 (FR-5453-F-02), the term on the family's voucher stops on the day the family submits a request for LHA to inspect and approve the selected unit. The term of the voucher does not restart until LHA notifies the family in writing whether the unit has been approved or denied.

## SECTION VII INCOME, DEDUCTIONS and TOTAL TENANT PAYMENT (24 CFR 5.609 & 5.628)

- A. **Moving to Work Demonstration:** The Moving to Work (MTW) changes were effective July 1, 1999 for new admissions and with existing voucher participants at the next annual re-examination effective October 1, 1999. Through the MTW demonstration program, LHA will not implement regulatory provisions related to the Earned Income Disregard income exclusions and imputed welfare income.

As authorized on September 8, 2011, LHA will operate the VASH voucher program in accordance with the specifications stated in LHA's Moving to Work (MTW) agreement with HUD. For VASH participants established prior to the MTW authorization on September 8, 2011, they will transition to the MTW policies effective December 1, 2011. For any pre-existing VASH participants who are identified to have an increase in their rent portion due to the modified MTW rent calculation policies effective December 1, 2011, their transition to the MTW rent calculations policies will be delayed until their next annual review or transfer.

Effective February 1, 2008, through the MTW demonstration program, the maximum initial rent burden rule will be modified so that a family's rent share does not exceed 50% of their monthly adjusted income at the time of approving tenancy and executing a HAP contract.

Effective April 1, 2008, through the MTW demonstration program, the following policies will be implemented starting with April 1, 2008 vouchers issuances for new admissions and effective July 1, 2008 for annual re-examinations.

1. **Minimum "tenant" rent portion:** All subsidized households will be responsible to pay the owner a minimum of \$25 for tenant rent. The higher of the TTP minus the utility allowance or \$25 is used to determine the tenant rent to owner. This requirement will be waived if the head of household is disabled and has a current Social Security application pending. VASH participants are exempt from the minimum tenant rent policy.
2. **Total Tenant Payment (TTP) is determined on 27% of the gross income:**  
TTP is based on 27% of the monthly gross income with no allowable deductions.

**Hardship clause:** Pre-existing program participants who were issued vouchers prior to April 1, 2008 and VASH participants admitted to the program prior to September 8, 2011, are eligible to be considered under a Hardship clause at each annual re-examination. If it is determined at the participant's next annual reexamination that the 27% gross income without deductions policy increases the participant's TTP by more than \$25 per month than a Hardship TTP will be used instead.

- **How to determine if the Hardship TTP should be used:**  
LHA will compare the 27% calculated TTP to the Hardship TTP. If the Hardship is less than the 27% calculation than the Hardship TTP will be used. In order to be eligible for the Hardship TTP, the household's pre-existing deductions must be self-certified that the deductions will remain the same or increase in the next certification year.
- **How to calculate the Hardship TTP.**  
The Hardship TTP is calculated by using the household's current gross annual income minus any pre-existing deduction verified at the last re-exam prior to July 1, 2008. The Hardship TTP is based on the annual income minus pre-existing

deduction divided by 12 monthly equals adjusted monthly income multiplied by 30% plus an additional \$25 at each annual re-examination.

**3. Asset Income Calculation**

- a. **Assets equal to or greater than \$5,000:** Households with total assets face value equal to or greater than \$5,000 will be verified by tenant provided financial statements such as monthly, quarterly, or year-end statements. Asset income will be calculated using face value multiplied by two percent (2%). Asset income from life insurance policies will be calculated using cash value multiplied by two percent (2%). Real Estate asset income will be calculated based on the equity value multiplied by two percent (2%).
  - b. **Assets less than \$5,000:** Household with assets less than \$5,000 will self-certify their assets with a written statement and all asset income will be excluded.
- 4. Verification Requirements:** In addition to the asset verification requirement changes:
- a. **Earned income:** Applicant and Participant provided pay statements such as pay stubs will be allowable verification in lieu of a third-party verification from the employer. Three months' pay statements are preferred. EIV will be used first, if available and participant provided pay statements are secondary.
  - b. **Social Security Income:** Applicant and Participants may provide their most recent Social Security statement or benefit letter issued by the Social Security Administration as acceptable verification if EIV verification is not available. This eliminates the requirement that the verification be dated no more than 60 days from the date of the interview for this income only.
- 5. Landlord Incentive Housing Assistance Payment:** On July 1, 2015, through the MTW demonstration program, an incentive for landlords/owners to participate in the Moving to Work tenant-based voucher program of \$150 was established. This incentive was raised to \$200 effective February 1, 2020. LHA will provide the landlord/owner a one-time additional Housing Assistance Payment (HAP) of \$200 upon the execution of the HAP contract for the new unit and tenant. The landlord/owner is not eligible for the \$200 additional HAP payment if the contract is executed for a transfer in units with the same landlord/owner, or if the contract is executed due to a lease renewal or change. The following properties are also excluded from the additional landlord incentive payment of \$200; 1) properties managed or owned by LHA, or 2) properties receiving Low Income Housing Tax Credits.

- B. Annual Income:** All amounts, monetary or not, that go to or are on the behalf of the family head or spouse (even if temporarily absent), or to any other family member, or all amounts anticipated to be received from a source outside the family during the 12-month period following admission or annual re-examination effective date. During the Moving to Work Demonstration LHA will follow the income inclusions and exclusions according to the Federal Regulations except for the following:
1. **Minimum Earned Income (MEI):** LHA will include a minimum amount of earned income when calculating Annual Income whether or not a family is working. The minimum amount of earned income for families with one eligible adult will be based on 25 hours per week of employment at the federal or state minimum wage, whichever is higher. The minimum amount of earned income for families with two or more eligible adult members will be based on 40 hours per week of employment at minimum wage. LHA will count the higher of the minimum earned income or the actual earned income (as defined in the definition section of this plan) for the household. The minimum earned income will be added to any unearned income the family receives. Eligible adults are persons 18 years of age or older who do not qualify for one the following exemptions. All adults in the household must be exempt in order for the household to be exempt from the minimum earned income requirements.

2. **MEI Exemptions:** LHA will exempt adult members of the family from the minimum earned income requirement if they meet the following criteria:
- a. A person who has an illness or injury serious enough to temporarily prevent entry into employment or training.
    - As an example, a broken limb would not automatically qualify an individual from this exemption.
    - An individual under doctor's orders for restricted activities following surgery could be considered for a temporary exemption.
    - Each exemption will be considered on an individual yet consistent basis.
    - Exemptions for illness or injury of less than 30 days anticipated duration will not be given.
    - The maximum duration of this exemption is one year.
    - The exemption will continue beyond one year if the individual has a current application for Social Security disability and the decision is pending.
  - b. A person who is age 62 or older or disabled.
  - c. A person who is needed in the home on a continuous basis because of the illness or incapacity of another household member and no other appropriate member of the household is available to provide the needed care.
    - Verification from a physician or licensed or certified psychologist is required.
    - The illness or incapacity of the household member must be evaluated periodically, depending on the diagnosis and/or prognosis for recovery.
    - LHA will verify this at each recertification.
  - d. A parent or needy caretaker relative of a child under the age of 12 weeks.
  - e. A pregnant woman beginning with the 3rd trimester (6th month) of pregnancy continuing through six weeks following the end of the pregnancy.
  - f. An individual who is participating in AmeriCorps, JobCorps, Senior Community Service Employment (i.e., AARP, or Green Thumb) or Vista.
  - g. A full-time student.
    - A person who is carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended.
    - An educational institution includes a vocational school with a diploma or certificate program, as well as an institution offering a college degree.
    - The school must be accredited by the Nebraska Department of Education and/or other acceptable accrediting agencies.
  - h. A participant in an approved Self-Sufficiency Program.
    - An approved self-sufficiency program is one that has been reviewed by LHA and whose sponsoring agency has an agreement with LHA regarding their program. Self-sufficiency programs provided by agencies will be approved if they meet the following guidelines:
      - The self-sufficiency plan must be part of an organized self-sufficiency program developed by the agency as part of the agency's ongoing efforts to support families in achieving self-sufficiency.
      - The goal plans must be based on results of assessment and must list goals to be achieved and benchmarks and timelines;
      - Goals must be measurable and verifiable; realistic---within the control of the individual; adequate---contribute to the achievement of self-sufficiency; congruent with the individual's values; and time-limited.

- The self-sufficiency plan must detail the responsibilities, roles, and expectations of the participant, the sponsoring agency and case manager, and other service providers.
- The self-sufficiency plan may be a flexible tool which allows for adjustments based on changes in external conditions or individual circumstances.
- There must be an established relationship the Lincoln Housing Authority and the sponsoring agencies of the self-sufficiency program to allow for the exchange of information so that Lincoln Housing Authority can monitor the progress on self-sufficiency goals and objectives.
- To be eligible for an exemption from the minimum earned income requirement, the individual must be fully enrolled in the self-sufficiency program and actively participating. They cannot be enrolled but inactive and cannot be under any sanction or probation with the self-sufficiency agency.
- The following agencies are offer self-sufficiency programs and have entered into agreements to provide individual self-sufficiency program plans to the housing authority:
  - City of Lincoln Urban Development Department-One Stop Employment \* (Worker Training Programs)
  - Homeless Committee- Homeless voucher program
  - LHA Family Self Sufficiency Program
  - Community Action Partnerships\*
  - Nebraska Health and Human Services- Employment First Program
  - Veterans Affairs Supportive Housing Program
  - Matching Grant Program, provided by Catholic Social Services and Lutheran Family Services.

\*The individual or family self-sufficiency plan must be reviewed and approved by LHA on a case by case basis.

3. **Student Income:** Under the Moving to Work agreement, LHA will include all earned income in the calculation of Annual Income of full-time students age 22 and older. These students will not be considered as dependents for the purpose of calculating annual and adjusted income.
  - a. Note: For dependent full-time students ages 18-21, all earned income is excluded in the annual income calculations except \$480.
  - b. According to 24 CFR 5.609, any financial assistance in excess of tuition and any other required educational fees and charges that is received under the Higher Education Act of 1965, from private sources or from an institution of Higher Education should be consider annual income except for persons over the age of 23 with dependent children or if the student is living with his or her parents who are receiving Section 8 assistance.
4. **Earned Income Disregard:** LHA will not implement federal regulations for the earned income disregard under the voucher or project-based voucher programs participating in Moving-to-Work (MTW).
  - a. Non-MTW voucher or project-based programs will implement Earned Income Disregard (EID) in accordance with 24 CFR 5.617. Once a family member is determined eligible for EID, the 24-calendar month period for EID starts the month after employment starts. The EID benefit is limited to a lifetime 24-month period for the qualifying family member. At the end of the 24 months, the EID ends regardless of # of months used.
  - b. Exception: There is an exception for families who received EID prior to April 7, 2016. These families are grand fathered into the EID rules prior to the April 7, 2016 change

which allows them to continue to receive the 24 months of the EID benefit over a 48-month period.

5. **Imputed Welfare Income:** LHA will not implement federal regulations for imputing welfare income under certain conditions under the MTW policy.
  6. **Asset Income:**
    - a. **Special Needs Trusts/ENABLE accounts:** Under the Moving to Work agreement, LHA will not implement federal regulations to include a Special Needs Trust or Nebraska's ENABLE account(s) as an asset or income.
      - A Special Needs Trust is a trust that is created under State Law for disabled persons who are not able to make financial decisions for themselves. Generally, the assets with the trust are not accessible to the beneficiary. If the income from the trust is paid to the beneficiary on a regular basis those payments will be excluded as income under the MTW policy.
      - An ENABLE account was established by the State of Nebraska to give families with children or adults that have qualifying disabilities an opportunity to save money without jeopardizing their eligibility for other government benefits.
    - b. **Rental Property Income:** In accordance with HUD guidance in the Housing Choice Voucher Guidebook, rental properties are to be considered personal assets and held as investments. Under LHA's Moving to Work agreement, LHA will consider rental property owned by the applicant/participant as an asset and income will be calculated by using the greater of:
      - the actual income from the asset, or
      - the imputed asset income (face value of the property multiplied by 2%).
  7. **Terminated Employment.** Under the Moving to Work agreement, if a family member has terminated employment, a rent decrease will be considered 90 days after the termination date.
    - a. This 90-day re-employment rule applies to both new admissions and ongoing voucher participants.
      - For new admission participants, any income earned within 90 days of the new admission interview date or thereafter will be included.
      - For ongoing voucher participants, all earned income in rent calculations for 90 days after the employment is terminated will be included.
    - b. After the 90-day delay, an interim can be conducted and made effective the month after all eligibility information has been verified.
    - c. **Hardship Provision:** The 90-day rule is not implemented if:
      - The employment income was reduced or terminated due to the employer's reduction in workforce; or
      - The previously employed family member is elderly, disabled, a VASH participant or excluding the self-sufficiency exemption, qualifies for one of the Minimum Earned Income exemptions listed in Section VII, paragraph B.2 (a-g).
- C. **Calculations:** Annual income is used in rent calculations. All annual income should be "anticipated to be received from a source outside the family during the 12-month period **following** admission or annual reexamination effective date" Per 24 CFR 5.609 (2). **Exception:** Under Moving to Work, LHA will not use any income increases unknown to the household at the time of the interview date for admissions or annual re-exam.

**1. Employment Income Calculations:**

- a. View information provided by the HUD EIV system along with current pay verification, i.e. pay stub or statement. If this information is reflective of the next twelve months, the calculations will be used for EIV's most reflective four quarters.
- b. If EIV information is not accurate or reflective of the next twelve months income, applicant or participant provided, verifications are utilized-preferably pay statements for three months. If pay statements are not available third-party verification will be submitted.
- c. Use the information most reflective of the next 12 months following the admission or annual re-exam.
- d. If there is a discrepancy with the applicant/participant's statement and any other verification, contact the employer to resolve the discrepancy. When employer resolves the discrepancy, document their statement and use the information to annualize the income. If the discrepancy cannot be resolved, LHA will use the highest income projection.
- e. An exception cannot be granted if the employee chooses to reduce scheduled hours. An exception will be granted if income is reduced for medical reasons or an accommodation for a disability. For example: Employer states the applicant is scheduled to work 40 hours a week, but the applicant provides a doctor statement limiting the applicant to working 20 hours a week for the next year due to a medical condition. LHA would use the 20 hours a week.
- f. LHA may use the following formula to annualize income from current tax year for year to date (YTD):

Current YTD/Number of weeks from Jan.1<sup>st</sup>. (January 8<sup>th</sup> is always the first week)  
Or  
Current YTD/Number of weeks for the current tax year

If it is a partial week than the following table may be used to calculate a full week

1 day = .14  
2 days = .28  
3 days = .42  
4 days = .56  
5 days = .70  
6 days = .84

- g. If the number of weeks from January 1st does not appear to be reflective of current YTD, then determine when the pay period began for current tax year. If pay period began in December, LHA may count the December weeks.
- 2. Bonus Calculations:** If there are bonuses to be anticipated, but the employer refuses to anticipate the bonus for the current year, the bonus from last year will be used for calculations.
- 3. Temporary / Sporadic Employment:**
- a. If a person worked temporary or sporadic employment in the past 12 months, LHA will anticipate the next 12 months earnings using the past income to reflect the future income.
  - b. If the person has not been employed with temporary or sporadic work on a consistent basis (less than 12 months), then LHA will anticipate the income on a quarterly basis, completing interims every quarter regardless of the increase or decrease of income.

#### 4. **Child Support Calculations**

##### a. **Regular Sum Calculations:**

- Count the court ordered amount; or
- If the payment history indicates a pattern of payment different than the court ordered amount, anticipate the next 12 months of child support using the actual child support received by the applicant/tenant within the past 12 months; unless
- The past 12 months is not the best indicator, then less than 12 months payment history may be used to predict the future 12 months' income as long as the reason is documented in the case file. Note: Under these circumstances, if a "reasonable" pattern has been established for the last 3 months, the worker should consider using the past three months payment history to predict the future annualized child support.

##### b. **Lump Sum Calculations:** Treatment of accumulated periodic payments due to a dispute or processing problems will be done prospectively for families who report lump sum amounts on a timely basis. If the family fails to report the payment to LHA timely, the lump sum will be calculated retroactively.

- Any portion of the lump sum that is for a period prior to the family's participation would be counted as an asset instead of income.
- LHA will follow the rules according established by HUD in 24 CFR Part 5.609.
- The Housing Choice Voucher Guidebook offers examples in calculations.

#### 5. **Retirement Fund Calculations:** While an individual is employed, only amounts the family can withdraw without retiring or terminating employment will be counted. After retirement or termination of employment, any amount the employee elects to receive as a lump sum as an asset will be counted.

#### 6. **Person Permanently Confined to Nursing Home Calculations:** If a family member is permanently confined to the hospital or nursing home and there is one family member left in the household, LHA will calculate using the method below that provides the tenant the most benefit:

- a. Exclude the income of the person in the nursing home and give the tenant no medical deductions paid on behalf of the member in the nursing home, or
- b. Include the person's income residing in the nursing home and give the tenant the medical deductions they pay on behalf of the family member in the nursing home. Note: The bedroom size for the voucher would be based on only the remaining household members actually residing in the unit.

#### 7. **Calculations for Assets Disposed of for less than Fair Market Value:** LHA must count assets disposed of for less than fair market value during the two years preceding examination or re-examination.

- a. LHA minimum threshold is \$1,000. If the total amount of assets disposed of within the one-year period is less than \$1,000, then it will not be considered as an asset.
- b. If assets are disposed of for less than Fair Market Value, LHA will count the value of the divested asset (market value less amount received plus cost to convert to cash) times the passbook savings rate as imputed income from the divested asset.
- c. Assets disposed of as a result of divorce, separation, foreclosure or bankruptcy are not considered as assets disposed of for less than fair market value.

8. **Assets and Imputed Asset income for non-Moving to Work (MTW) programs:** Non-MTW policy requires that enough information is collected to determine the cash value of the asset and the actual income.
  - a. When net family assets are \$5,000 or less, then actual income from the asset is used.
  - b. When total net family assets are more than \$5,000, the greater of:
    - actual asset income or
    - the LHA identified passbook savings rate that is multiplied by the asset cash value will be used.
  - c. Per PIH notice 2012-29, LHA must establish a passbook savings rate for imputed asset income. Imputed asset income is used when a family has net assets in excess of \$5,000 and the actual income of the assets is lower than the imputed asset income.
  - d. Effective February 1, 2016, LHA has established passbook rating of .06% for non-MTW programs. The national savings average as of October 4, 2016 is .06 percent and LHA may establish a passbook savings rate within .75 percent.
9. **Proration of Assistance for “Mixed” Families:** A “mixed” family includes at least one U.S. citizen or eligible immigrants and any number of ineligible members. Proration of assistance must be offered to any applicant or participant family.

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who are actually eligible. TTP is the gross rent minus the prorated assistance.

- D. **Temporary Absences:** The family is required to declare in writing to LHA when a family member is temporarily absent from the household. LHA will accept other forms of communication other than writing to accommodate a disability. LHA will advise the family of their options and how it affects their rent portion and voucher size. LHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, LHA must count the income of a spouse or the head of household if that person is temporarily absent, even if that person is not on the lease.

A determination of when a household member is temporarily absent from the household depends on 1) whether the family member is an adult or child, and 2) whether the household member is the only adult or sole member of the household.

1. **Children/Dependent**

- a. **Children in Foster Care:** If the children are removed from their parent’s home due to neglect or abuse, as long as a reunification plan is in place with the local social service agency, the child(ren) will remain a member of the tenant family.
- b. LHA will obtain verification from the local social service agency.
- c. **Student (other than spouse):** A student who attends school away from home, but lives with the family during recesses, may be considered either temporarily absent ( first \$480 of earned income and all unearned income is counted, on lease, counted on voucher size), or permanently absent (income not counted, not on lease, not counted for voucher size) at the family’s option.
- d. **Joint Custody of Children:** Any child who is subject to a joint custody agreement but lives in the unit at least 50% of the time will be considered a member of the household provided the child isn’t already receiving housing subsidy in another household and the right to claim subsidy isn’t already assigned to another party via court order.

2. **Single Parent/Adult Household:** When a single parent will be absent for an extended period, LHA will allow with the owner's prior approval, another adult to move into the household to care for the children and the dwelling unit.
  - a. LHA will continue assistance up to 60 days, as long as the family continues to meet the definition of family and the other adult responsible for the unit meets all other eligibility requirements.
  - b. The single parent must not be absent from the unit for more than 60 days unless it is for medical reasons such as hospitalization. When the single parent is required to be on an extended absence for medical reasons beyond 60 days, the single parent must provide LHA with a written request to change the designated head of household; and LHA and the owner must approve the other responsible adult to be added to the household. This will allow the family to continue to receive voucher assistance and fulfill the family obligations under the voucher program.
  - c. Incarcerations and Vacations: Incarcerations and vacations longer than 60 days are not considered reasonable cause for the head of the household being absent from the unit thus will be considered permanently absent from the unit after 60 days.
3. **Two or more Adult Households:**
  - a. Head of the Household may not be absent from the household for more than 60 continuous days without reasonable cause. Incarcerations and vacations longer than 60 days are not considered reasonable cause for the head of the household being absent from the unit thus will be considered permanently absent from the unit after 60 days.
  - b. Absence by other Adult. LHA will consider an adult to be temporarily absent, and not permanently absent, from the household, if the person intends or reasonably can be expected to return when the purpose of the absence has been accomplished. For example, if a family member is working out of town, will return to the household to live when the work is complete, this family member would still be considered a part of the household as a temporarily absent household member. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult being absent from the unit thus will be considered permanently absent from the unit after 60 days.
  - c. Absence by all Adults. The adult members cannot be absent for more than 60 continuous days without reasonable cause. If the adult members must leave the household for more than 60 continuous days, the unit will not be considered their principal place of residence. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult being absent from the unit thus will be considered permanently absent from the unit after 60 days.
4. **Sole member of the Household:**
  - a. The sole member of the household cannot be absent from the unit for more than 60 continuous days.
  - b. If the sole member must leave the household for more than 60 days, the unit will not be considered to be their principle place of residence and they will be terminated from the program unless the absence is due to medical reasons.
  - c. Incarcerations and vacations longer than 60 days are not considered reasonable cause for any adult being absent from the unit thus will be considered permanently absent from the unit after 60 days.
  - d. If the sole member must leave the household to go to the hospital or nursing home, LHA will seek advice from a reliable medical source as to the likelihood and timing of their return. If the medical source informs LHA that they will be permanently confined to a

nursing home, they will be considered permanently absent. The length of stay cannot exceed 180 days before LHA will consider the absence permanent.

- E. **Permanent Absences:** The family must report in writing to LHA to declare a family member permanently absent from the household. LHA will accept other forms of communication other than writing to accommodate a disability.
1. **Spouse and other Adult members:** If the family declares that the spouse or other adult member leaves and the family declares in writing that the spouse or other member is permanently absent, LHA will require verification of the move before it will consider them permanently absent and will remove them from the lease. LHA will consider them permanently absent if one of the following is provided and then must be removed from the lease. The verifications are listed in the order of the most to least preferable form of verification.
    - a. Lease in their name at another location;
    - b. Protection or restraining order obtained by one family member against another;
    - c. Proof of incarceration;
    - d. Divorce or legal separation;
    - e. Statements from other agencies such as Health and Human Services;
    - f. Utility or telephone bills in their name at another location; and
    - g. At LHA discretion, a statement from the family which includes a forwarding address.
  2. **Military (adult child):** If an adult child goes into the military and leaves the household, he/she will be determined permanently absent.
  3. **Children (ages 17 or under):** Minor children will be considered absent as declared in writing by the head of household.
- F. **Visitors:** Any adult not included on the HUD 50058 who lives or stays in the unit on a repetitive basis without LHA's written approval will be considered to be living in the unit as an unauthorized household member.
1. Absence of evidence of any other address may be considered verification that the visitor is an unauthorized member of the household.
  2. Statements from neighbors and/or the property owner may be considered in making the determination.
  3. Use of the unit address as the visitor's current residence for any purpose shall be construed as permanent residence.
  4. The burden of proof that the individual is a visitor rests on the family.
  5. In the absence of such proof, the individual will be considered an unauthorized member of the household and LHA will terminate assistance because prior approval was not requested or granted for the additional household member.
- G. **Family break-up:** If a family breaks up, the following factors must be considered in determining who remains in the program (24 CFR 982.315 and refer to "Subsidy Standards" section):
1. It is in the best interest of the minor child(ren) or ill, elderly or disabled family members;
  2. The family members were not forced to leave the unit due to emotional or physical abuse; and/or
  3. If a court determines the disposition of property between the members in a divorce or separation, LHA is bound by the court's determination of which family members continue to receive assistance.

- H. **Deductions:** Under Moving to Work policy changes effective April 1, 2008 the following deductions are no longer utilized in household TTP calculations for applicants or participants. For Non-MTW program participants, the deductions will be followed in accordance to the Housing Choice Voucher program regulations.
1. **Dependent Deduction:** LHA will provide the same dependent deduction required by HUD regulation with one exception. Under MTW, LHA will not consider as dependents full-time students age 22 and over. LHA will not provide a dependent deduction for these students.
  2. **Child Care Expense Deduction:** Childcare expenses for children under the age of 13 may be deducted from the annual income if the childcare enables an adult to actively seek employment, be gainfully employed and/or to further their education. (24 CFR Section 5.603)
  3. **Medical Expense Deduction:** If the head of household or spouse is elderly (62 or older) or disabled all family members will be allowed the medical expense deduction.
    - a. See HUD rules for allowable medical expenses in IRS Publication 502. Medical expenses may include but are not limited to health insurance, medical transportation, services of health care professionals and facilities, prescription and non-prescription medicines, dental expenses, hearing aid batteries, eye glasses and monthly payments on accumulated medical bills (only the amount expected to be paid in the next 12 months).
    - b. Non-prescription medicines must be doctor recommended with a specific dosage in order to be considered as a medical expense. (CFR 5.603, 5.611 and 5.403 and Housing Choice Guidebook 5-31/32)
    - c. LHA will consider veterinary bills and food for guide dogs as a medical expense.
    - d. Medical expenses must be anticipated for future months in calculating the allowable expenses.
  4. **Disability Assistance Expense:** Families may deduct reasonable anticipated expenses for attendant care and auxiliary apparatus for family members with disabilities. The expense must enable the family member to be employed and cannot be an expense that is paid to a member of the family or reimbursed by an outside source. This deduction must not exceed the earned income received by the family members who are able to work. The expenses exceeding 3% of the gross annual income will be allowed. CFR 5.603 & 5.611
  5. **Elderly/Disability Allowance:** \$400 per family is allowed if the head of the household or spouse is a person who is at least 62 years old or a person with disabilities.
  6. **Medical Insurance Premium Deduction:** For non-elderly, non-disabled families LHA will deduct the amount of medical and dental insurance premiums paid by the family that exceeds 3% of Annual Income. LHA will calculate this in the same manner that it calculates the HUD-required deduction of medical expenses for elderly and disabled families. However, for non-elderly, non-disabled families LHA will only include the cost of insurance premiums paid by the family, and that are not reimbursed to the family. LHA will not deduct any other out of pocket medical expenses for non-elderly, non-disabled families.
- I. **Minimum TTP:** \$50 is the minimum TTP. By request, exemptions to the minimum rent requirement may be provided to any family who is unable to pay the amount due to financial hardship, unless the hardship is temporary. Upon request for a hardship, LHA will suspend the \$50 minimum TTP beginning the month following the request until LHA determines if the family qualifies for the financial hardship and whether the hardship is temporary or long term. Financial hardships include the following situations:
1. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program, including a family that includes a member who is a non-citizen

lawfully admitted for permanent residence and who would be entitled to public benefits but Title IV of the Personal Responsibility and Work Act of 1996;

2. When the family would be evicted because unable to pay the minimum rent;
3. When the income decreases because changed circumstances including the loss of employment;
4. When a death in the family has occurred.

If the hardship is determined temporary, the minimum rent is suspended 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent is reinstated retro-actively to the date of the suspension. LHA will offer a reasonable repayment agreement to cover the minimum rent charges during the suspension period.

**J. Payment Standard Adjustment:** The payment standard schedule will be reviewed by LHA annually and adjusted to as parallel to the Section 8 Voucher Fair Market Rent levels as funding allows.

**K. Utility Allowance:** LHA continues to utilize one standard utility allowance per bedroom size or voucher size whichever is lower.

1. The standard utility allowances are calculated at least annually using the current average utility cost per number of bedroom(s) per unit.
2. Effective July 1, 1999, LHA discontinued issuing utility reimbursement checks.
3. For non-MTW vouchers the utility allowance will be determined by bedroom size or voucher size (whichever is lower), tenant paid utilities and type of utility.
4. Per Section 242 of the 2014 Appropriations Act, the utility allowance for a family shall be the lower of:
  - the family voucher size; or
  - the unit bedroom size.
5. Upon the family request that includes a person with disabilities, the PHA may approve a higher utility allowance if needed as a reasonable accommodation.
6. MTW UTILITY ALLOWANCE HARDSHIP (Enhanced Vouchers)  
Refer to the Enhance Voucher section of this Administrative plan.
7. PBV UTILITY ALLOWANCE  
Refer to the PBV section of this Administrative plan.
8. Utility Allowance Schedule  
At least annually, LHA will obtain and analyze utility rate data for all utility providers within Lincoln to determine whether there has been a change of 10% or more in the rate for any utility since the last revision of the Utility Allowance Schedule.
9. Changes in Utility Allowance Schedule
  - a. If there is a change in the Utility Allowance Schedule, the new schedule will be implemented at the participant's next annual re-examination, or on the effective date of a unit transfer or new admission.
  - b. For households on a biennial reexamination cycle, when the payment standard is increased, an interim re-examination to adjust the payment standard (including utility allowance) only will be completed on a schedule that ensures no participant waits more than a year for an increase in payment standards.
    - If the next regularly scheduled biennial re-examination is more than one year from the implementation date, then an interim re-examination will be conducted within one year on the anniversary date of the regular re-examination.
      - In this instance the interim re-examination will include only the payment standard and current utility allowance and will not include adjustments to family income unless otherwise required by Section X of this Plan.

- c. An appropriate adjustment will be made to the schedule if there has been a change of 10% or more. No adjustment will be made for any increase calculated to be less than \$1 per unit month.
- L. Maximum Rent Burden**
1. For MTW vouchers: Under Moving to Work Agreement, effective February 1, 2008 for all vouchers issued for admissions or transfers, LHA must prohibit approving the assisted tenancy and executing the HAP contract, if the gross rent exceeds the appropriate payment standard and the family rent share is more than 50% of their monthly-adjusted income.
  2. For non-MTW vouchers: In accordance with the Housing Choice Voucher program, LHA must prohibit approving the assisted tenancy and executing the HAP contract, if the gross rent exceeds the appropriate payment standard and the family share is more than 40% of their monthly-adjusted income.

## **Section VIII**

### **PROCEDURE FOR ADJUSTING VOUCHER PAYMENT STANDARDS**

The payment standard schedule will be reviewed annually and adjusted to parallel the Section 8 existing Fair Market Rents levels as funding allows.

- A. **Payment Standard:** Payment standards are used to calculate the Housing Assistance payment (HAP) LHA pays to an owner on behalf of the family leasing the unit. The range of possible payment standard amounts is based on HUD's published fair market rent (FMR) schedule area within LHA's jurisdiction. FMRs are based on either the 40th percentile of the rents charged for standard rental housing in the FMR area. LHA may set its Payment Standard amount from 90 percent to 110 percent of the published FMR. Any payment standards above 110% or below 90% must first be approved by HUD.

The Payment Standard amount affects the amount of subsidy a family will receive and the amount of rent to be paid by the program participants. If a family leases a unit with a gross rent at or below the payment standard for the family, the family's share will be the Total Tenant Payment (TTP). If the rent for the unit is higher than the payment standard the family's share will be higher than the TTP.

Payment Standard amounts should be high enough to allow families a reasonable selection of modest, decent, safe and sanitary housing in a range of neighborhoods in the LHA jurisdiction. To meet that objective and to support families wishing to move to area of lower concentrations of economically disadvantaged households, LHA may establish higher payment standard schedules for certain areas within LHA jurisdiction so program families can rent units in more desirable areas. At times, funding may dictate the payment standard schedules.

- B. **Exception Payment Standard:** LHA may approve an Exception Payment Standard up to 120% of the Fair Market Rent (FMR) when needed to provide a reasonable accommodation for a person with a disability. HUD's approval is NOT needed for Payment Standard exceptions at or below 120% of the FMR.

In order for the family to be approved for the Exception Payment Standard, the unit must have features that meet the specific needs of a family member with disabilities. For example, a unit may be suitable because of its physical features or for other reasons such as having requisite number of bedrooms, location on an accessible transit route or proximity accessible employment, education, services or recreation. The request for this Exception Payment Standard should be made in writing to LHA and verified by medical professional or another qualified professional.

- C. **Increasing Payment Standard amounts by Board of Commissioners Resolution:** Lincoln Housing Authority may establish its payment standard amounts between 90 and 110 percent of the 40th and 50th percentile FMR. LHA will use the FMRs published. To increase payment standard amounts above 100% published FMR, LHA must obtain a board of commissioners' resolution.

**D. Implementing Increased or Decreased Payment Standard Amounts:**

The payment standard in place on the effective date of the Housing Assistance Payment (HAP) contract remains in place for the duration of the contract terms unless LHA increases or decreases the payment standard.

1. Increases

- If the payment standard is increased, the higher payment standard is used in calculating the HAP at the time of the participant’s regular (annual) re-examination.
- Families requiring or requesting interim re-examinations will not have their HAP payments calculated using the higher payment standard until their next annual re-examination.
- For households on a biennial reexamination cycle, when the payment standard is increased, an interim re-examination to adjust the payment standard (including utility allowance) only will be completed on a schedule that ensures no participant waits more than a year for a review

2. Decreases:

- Decreases to payment standards must occur at the signing of new HAP contracts during admissions, transfers or renewal contracts.
- LHA will follow HUD’s procedures established at 24 CFR 982.505 to reduce payment standards for those households with existing HAP contracts at the second annual re-examination from the date of the decrease to the payment standards.

3. Any required adjustments to payment standards will occur within three months of the Fair Market Rents being published. As FMRs are adjusted annually, the percentage of FMR to payment standard may also change.

**E. Final Fair Market Rents (FMR) and Payment Standard Amounts for Housing Choice Voucher Program: Fiscal Year 2022.**

The Payment Standards and % of FMR have been adjusted to reflect changes in the FMR for Fiscal Year 2022. These changes will take effect November 5, 2021 for new admissions and transfers and will be effective March 1, 2022 for annual reviews.

Bedroom size	SRO	0	1	2	3	4	5	6
Payment Standard	\$468	\$629	\$739	\$963	\$1,318	\$1,536	\$1,773	\$2,010
% of FMR	100%	101%	107%	108%	107%	107%	107%	107%
FMR	\$468	\$624	\$689	\$888	\$1,237	\$1,440	\$1,656	\$1,872

Permanent verifications must only be verified once, i.e. Social Security numbers.
- B. **Methods of Verification:** LHA will verify in accordance with the federal regulations and LHA procedures. LHA prefers to independently verify information. However, LHA recognizes this may not always be possible, thus LHA will observe the following preferred order of verification:
1. **Up front Income Verification:** As available by HUD, up front income verification through computer matching will be used to verify wages, unemployment, TANF, and Social Security Benefits.
  2. **Third-Party:** LHA will first attempt to obtain written third-party verifications of information.
    - a. LHA will require applicants to sign authorizations for the release of information to enable LHA to obtain such verifications. Any written inquiries will state the purpose of the inquiry and include the applicant/participant's authorization to release information.
    - b. LHA will strongly encourage parties to respond in writing but will accept oral verification from a third-party source if a written response is not possible.
    - c. LHA will document all attempts to obtain written and oral third-party verifications before moving to the next level of verifications.
    - d. Computer verifications and tenant provided documents created by third parties such as pay stubs, bank statements and etc. will serve as a third-party verification where allowed by HUD and/or state or local agencies. Computer printouts are acceptable.

3. **Family Documentation:** If third party verification is not possible, LHA may accept other documentation supplied by the applicant. All documents will be photocopied. If photocopying is not allowed for a particular piece of documentation, then LHA will be required to make a notation in the file regarding the document which was viewed.
  4. **Family Certification:** Under limited circumstances, if the nature of the information cannot be documented or independently verified, LHA may accept a certification from the family by submitting a statement in writing. The Non-MTW program requires that enough information be collected to determine the cash value of the asset and the asset’s actual income. When net family assets are \$5,000 or less, then the actual income from the asset is used.     - a. Starting April 1, 2009, LHA will conduct re-examinations of an elderly or disabled household at least every two years.

- d. Decreases in family income and household composition will always be re-certified during an interim re-examination.
- e. If a re-examination is completed between an annual re-examination, it is considered an interim.
- f. Changes to the tenant rent will be made effective the month after LHA receives adequate verification.

### 2. **Family Composition Changes:** LHA will review eligibility requirements pertaining to the changes in adding or deleting a household member.

- a. Decreases in Housing Composition of Participants:
  - The family must report in writing within thirty (30) calendar days all household composition changes that result in the removal of a household member.
  - The household must provide verification to establish new residence of any departing household member over the age of 18.
  - Previously verified household income will be used to redetermine household income without the departed member.
    - Prior to the interim, the family may request all household income be verified and used to determine eligibility and household rent portion. When this occurs, all household income must be verified.
- b. Increases in Household Composition for Participants
  - LHA must review and approve eligibility of an additional person in the unit.
  - Before any new member age 18 or older occupies the unit, the family must obtain prior written approval from the owner and LHA.
  - Prior approval is not required for additions by birth, adoption, or court-awarded custody; however, the family must inform LHA in writing **within 30 calendar days of the birth, adoption, or court-awarded custody.**
  - Requests by the family to add household members will only be approved if the added person meets all eligibility criteria and provides all required new admission documentation.
  - If a new family member age 18 or older is added to the unit, only that person's income will be verified. Once verified, it will be added to the last

verified family income to determine eligibility and the household's rent portion.

- Prior to the interim, the family may request all household income be verified and used to determine eligibility and household rent portion during the interim. When this occurs, all household income must be verified.
- If a new family member is under age 18, LHA will only verify and add to the household income any disability benefits, ADC benefits, child support payments or any other non-wage income related to the new family member.
  - Prior to the interim, the family may request all household income is verified and used to determine eligibility and household rent portion. When this occurs, all household income must be verified.
- If the family fails to report a household composition change timely or fails to cooperate with the eligibility determination process, it will be considered untimely reporting.
  - LHA will conduct an interim re-exam and charge retroactive rent if the participant fails to report changes in writing within the required time frames or caused an unreasonable delay in interim re-examination processing.
  - Untimely reporting will result in the entire household's income being verified and rent portion being redetermined.
  - LHA will accept other forms of communication other than writing to accommodate a disability.
  - Increases in tenant rent will be effective retroactive to the date it would have been effective had it been reported timely.
  - Decreases in tenant rent will be effective on the first of the month follow the month the change is verified.
  - Untimely reporting may result in the family being required to sign a repayment agreement or having assistance terminated with a repayment agreement.
- Any additions not reported will be considered unauthorized household members.
  - Having unauthorized household members will result in the entire household's income being verified and rent portion being redetermined.
  - Having unauthorized household members may result in the family being required to sign a repayment agreement or having assistance terminated with a repayment agreement.
- LHA will accept other forms of communication other than writing to accommodate a disability.

**2. Other Changes:**

- a. A family may request in writing an interim to be completed for a decrease in income or other change in circumstances.

- d. LHA cannot complete the interim calculations until after LHA has secured all required verifications.
  - e. LHA will accept other forms of communication other than writing to accommodate a disability.
3. **Income increase:**
- a. If the family's income increases without a change in family composition, then LHA will wait until the annual re-examination to re-determine any possible rent increase.
  - b. Participants are required to report any changes in income at the next annual re-exam.
  - c. Families who report zero income will be required to report income changes at their quarterly certification and rents will be changes accordingly.
4. **Income decrease:**
- a. Moving to Work demonstration:
    - If a family reports an income decrease, LHA will review with the family if there are other related changes which should be considered when determining the rent adjustment.
    - LHA will verify the income decrease and any replacement income that the family will receive.
    - A decrease in the tenant's rent share will only occur if the replacement income is less than the amount of income they have lost.
  - b. Non-MTW voucher program:
    - If a family reports an income decrease, LHA will review with the family all related changes, obtain appropriate verifications and the rent adjustment will be effective the month following the reported decreased in income.
  - c. LHA will not lower rent for payments due to a temporary loss of income of one month (30 days) or less duration.
5. **Temporary or Sporadic Employment:**
- a. If a person works temporary or sporadic employment for the past 12 months, LHA will anticipate the next 12 months earnings using the past income to reflect the future income.
  - b. If the person has not been enrolled with temporary or sporadic work on a consistent basis (less than 12 months), then LHA will anticipate the income on a quarterly basis, completing interims quarterly regardless of the increase or decrease of income.

**C. Moving to Work Interim Policies**

**1. Minimum Earned Income (MEI) Exemption:**

- a. The family is required to immediately report any changes in their MEI exemptions.

  - For example, if a participant is terminated from a self-sufficiency program for failure to cooperate with program guidelines, LHA will complete an income interim re-examination to include Minimum Earned Income in the calculation of Annual Income. If a participant successfully completes an approved self-sufficiency program or graduates from an education program,

the MEI exemption and household member's income will not be re-examined until the next annual re-examination.

**2. 90 Day Rule:**

- a. If a family member has reduced or terminated employment, LHA will make the rent decrease 90 days after the month the decrease occurred or after all verifications are received, whichever occurs last.
- b. Hardship Provision: The 90-day rule is not implemented if
  - the employment income was reduced or terminated due to the employer's reduction in workforce; or
  - the previously employed family member is elderly, disabled, a VASH participant; or

- b. LHA will accept other forms of communication other than writing to accommodate a disability.
- c. Increases in tenant rent will be effective retroactive to the date it would have been effective had it been reported timely.
- d. Decreases in tenant rent will be effective on the first of the month follow the month the change is verified.

**4. Temporary Income Period:**

- a. LHA will complete an interim re-exam if the tenant rent payment was calculated for a temporary period of income.
  - For Example: A household member submits a doctor statement that they will not be able to work for 2 months. An interim was completed and two months' rent reflected zero income. The third month will have another interim adding the employment income back into the TTP.
- b. When possible LHA will issue concurrent notices on lowering the rent and one increasing the rent effective on the predicted date the client returns to work.

2. Inspections will not be conducted unless the unit is vacant or occupied by the voucher applicant/participant who will be residing in the unit and all utilities are in service.
3. Units with Housing Quality Standard (HQS) defects prior to lease-up will be temporarily denied from the program and the owner will be notified by mail of the required corrective action and expected completion date to secure approval.
4. Applicants and participants will be encouraged to search for another unit should the repairs exceed 30 calendar days.

**B. Annual Inspections:** HQS Inspections will be performed annually unless eligible for the Inspection Incentive or Moving to Work Inspection Incentive.

    - The owner will be given notice when the HAP contract will be terminated.
  - e. Failure by the tenant to correct "tenant-caused" deficiencies within the established time frames can result in termination of assistance.
    - LHA will not hold the owner responsible for a breach in HQS if it is determined to be caused by the family.
4. **Abatement:** When it has been determined a unit on the program fails to meet the Housing Quality Standards and the owner has been given opportunity to correct the problem(s) but does not do so within the time frame established by LHA (up to 30 days), the rent for the unit may be abated for up to 30 days prior to the contract termination.
  - a. LHA will notify the owner of abatement.

- b. The decision to abate HAP monies to an owner for HQS non-compliance will be final.
- c. Any abated monies will not be reimbursed to an owner except by approval of the Supervisor or Manager.

**C. Scheduling Annual and Re-Inspections:** Annual inspections will be scheduled by the Inspection Department.

1. LHA will conduct an annual unit inspection at least once a year from last passed inspection date for non-MTW programs and by the next re-examination date for MTW programs.
2. If the household is on a biennial re-examination schedule under the MTW policy, the household's unit must still be inspected by the next year's re-examination date even if their annual re-examination is by-passed due to their status as an elderly, disabled or hardship household.
3. The annual inspection may be waived if the unit is eligible Inspection Incentive policy.
  - a. Inspection Incentive policy:
    - The Inspection Incentive policy provides tenants and owners the opportunity to be rewarded for maintaining their assisted units in compliance with Housing Quality Standards (HQS) by having the required HQS annual inspection by-passed for one year.
    - If at any annual or initial "pick-up" inspection the unit is in 100% HQS compliance at the first inspection, the next annual HQS inspection for this unit with the same tenant may be waived for one year.
4. **Special Inspection:** If at any time a unit requires a special inspection the "inspection incentive" is revoked and the unit must have an annual inspection completed by the tenant's next annual re-examination date.
5. Under MTW program, LHA will use an alternate form, Request for Inspections and Unit Information, in lieu of the HUD Request for Tenancy Approval form, HUD-52517.
6. When necessary, one re-inspection will be scheduled within 30 days.
7. Letters will be sent to the participant and respective owner notifying them of their scheduled annual inspection date.
  - a. The letters will include
    - the participant's obligation to cooperate with annual inspections;
    - the benefit to the owner and participant in completing timely inspections including timely renewal of their HAP; and
    - the owner's responsibility to provide the tenant proper notice to inspect the unit without the tenant's presence.
8. LHA Inspectors will enter the unit in absence of the tenant if the owner is or another authorized person is present.

  - a. In the event the first Annual inspection or re-inspection appointment is not completed due to the absence of the participant or their designated representative, a letter to the participant will be generated.
  - b. For annual inspections, another scheduled inspection date will be established by LHA, and the participant must cooperate with enabling LHA to complete the inspection on the pre-assigned date.
  - c. If it is a recheck, a letter will be sent requesting the participant to contact LHA within five (5) business days.
2. **Second Missed Appointment:**

- a. In the event a second Annual inspection or re-inspection cannot be completed due to the participant failure to cooperate with completing the inspection a termination notice will be sent with the right to an informal hearing.
- b. Good cause can be determined on the information provided by the participant and case worker along with knowledge of the participant's ability to meet their obligations.
- c. If good cause exists prior to termination date, another appointment will be scheduled.
- d. The participant will be terminated if the participant fails to provide "good cause" for missing a second appointment.

**E. Re-Inspection on Required HQS Corrections:** LHA must verify that all HQS deficiencies are corrected by the owners and/or tenants in a proper and timely manner.

1. **Initial or Project-Based unit inspections:** LHA will verify all HQS deficiencies that have been corrected via an onsite unit reinspection for initial occupancy and project-based unit inspections.
2. **Annual or Complaint re-inspections:** If an annual or complaint inspection identifies HQS deficiencies, under the guidance of HUD notice PIH 2013-17, LHA has the option to verify that the HQS deficiencies have been corrected through other methods rather than an onsite re-inspection. LHA will use one of the three following methods to verify that HQS deficiencies corrections have been completed:
  - a. Conduct an onsite unit re-inspection by LHA or authorized representative;
  - b. Provide a written statement or receipt from a vendor or contractor (not employed by the landlord) proving the deficiency was corrected.
  - c. Provide a photo and/or written certification signed by the tenant and landlord; or
    - Photo re-inspections: LHA will accept photos to re-check HQS deficiencies identified at annual and complaint inspections when the photo can clearly demonstrate the HQS deficiency item is in program compliance.
      - The photo must be submitted to LHA electronically in a .jpg or .tif format with a resolution of at least 300dpi.
      - The HQS deficiency will be considered corrected on the date LHA receives a sufficient photo.
      - LHA does not accept responsibility for electronic mail loss or delay.
      - The following are examples of HQS deficiencies that cannot be reinspected through photo verification:
        - smoke detectors not operating properly;
        - exterior or security doors not latching or locking;
        - windows not operating properly;
        - electrical items not operating properly; or
        - insufficient heating or cooling.
    - Written certification: The written certification shall specifically describe the HQS deficiency item and correction so it can be easily matched with the Inspection HQS Deficiency letter.
      - The HQS deficiency will be considered corrected on the date LHA receives a signed certification from both the tenant and landlord.
      - LHA does not accept responsibility for electronic mail loss or delay.
  - d. LHA will make the final decision on when an onsite re-inspection is necessary to determine that a HQS deficiency has been satisfactorily corrected.

- F. **Complaint inspections:** Complaint inspections can be made at the request of either the owner or participant. A determination on the seriousness of the alleged Housing Quality Standard violation will be made by the Inspections Department.
1. **Non-Life-threatening condition complaints:**
    - a. A complaint inspection will only be done when it is determined the person responsible for the repairs has been given reasonable opportunity by the complainant to make repairs.
    - b. The tenant must submit the complaint of the defect to the owner in writing while providing a copy of the letter to LHA.
    - c. If the owner fails to correct the problem within a reasonable time (typically 10-14 days), the tenant should contact LHA to schedule the complaint inspection (typically scheduled for the next business day) to determine if the unit is in compliance a Housing Quality Standards (HQS).
    - d. Should the owner at any time indicate they are not willing to fix the defects within the specified period, abatement may be waived or shortened at LHA's discretion, and a termination notice will be sent allowing the participant a reasonable time to locate a unit.
  2. **Life threatening condition complaints:** If LHA receives a complaint regarding a life-threatening condition then either:
    - a. a complaint inspection will be conducted within 24 hours of the received complaint, or
    - b. LHA will use its option of immediately issuing a notice of non-compliance with Housing Quality Standards based on the tenant's statement or from another verified source such as a utility company, fire report or etc.
  3. **HQS Violation Cited:** If the result of a complaint inspection indicates there is an HQS violation, the inspector will determine whether the owner or participant is responsible to make the correction.
    - a. **Owner Corrections:** The owner will be notified of the violation and given time to make the corrections based on the type of violation as follows:
      - 24 hours for no hot or cold water, no heat, no electricity, entrance/exit not secured or any other condition which is imminently hazardous to life.
        - Notification on 24-hour defects will be made by phone, fax, e-mail or in person whenever possible.
      - 72 hours for repair of refrigerator, range or oven or a major plumbing fixture supplied by the owner.
      - Up to 30 days for all other repairs.
      - Failure on the part of the owner to make corrections can result in abatement and constitute grounds for possible termination of the Housing Assistance Payment (HAP) contract by LHA.
        - If the contract is terminated, the participant will be issued a voucher to move.
      - It will be the responsibility of the participant to allow the owner to make required repairs in an expedited fashion so the owner can fulfill his responsibility under the HAP Contract within the requested time frame.
    - b. **Participant Corrections:** The participant will be notified in the mail of the violation and given time to make their corrections based on the type of violation as follows:

- 24 hours for a condition which is imminently hazardous to life.
  - They may also be issued a 48- or 72-hour notice for non-compliance with HQS at the inspector's discretion.
- Failure to pay for any utilities the owner is not required to pay.
  - Participants will be given a 24-hour notice to restore utilities.
- Failure to maintain any appliances the owner is not required to provide.
  - Participants will be given a 24-hour notice to restore appliances.
  - They may be issued a 48- or 72-hour notice for non-compliance with HQS at the inspector's discretion.
- Up to 30 days for all other repairs.
- Failure on the part of the participant to make the corrections could result in termination of their rental assistance and participation with the program.

**H. Denial of Owner or Property Manager Participation:** LHA may deny owner participation in the program when the owner or property manager:

- a. has violated obligations under the Section 8 HAP contract.
- b. has committed fraud, bribery or any other corrupt or criminal acts.
  - Fraud is willful and intentional deception to obtain monies and/or services which the recipient would not normally be entitled.

  - Includes sexual harassment of LHA staff.
- j. does not have a permanent verifiable residence.
- k. as directed by HUD.

### **LEAD-BASED PAINT**

#### **(24 CFR Part 35 Subparts A, B, R & M)**

The Lead Safe Housing Rule applies only to pre-1978 units occupied by families with a child under six (6) years old.

#### **A. Exemptions to Lead Safe Housing Rules:**

1. Residential property for which construction was completed on or after January 1, 1978;
2. A zero-bedroom dwelling including a single-room dwelling occupancy (SRO);
3. Housing for the elderly, or residential property designated exclusively for persons with disabilities, as long as no child under age six (6) is living or is expected to live in the unit; or
4. Residential property found not to have lead-based paint by a certified lead-based paint inspection, and a copy of the results of a certified test is provided to LHA. Results of additional tests by a certified lead-based paint inspector may be used to refute or confirm the prior finding.

#### **B. Initial and Annual inspections on pre-1978 units occupied or will be occupied by families with children under six (6) years of age:**

1. **Visual Assessment:** LHA-trained inspector or other designee will conduct a visual assessment for deteriorated paint surfaces on the dwelling unit and common areas. Common areas include areas where residents must gain access to the unit, areas frequented by resident child under six (6) years of age, including play areas, childcare facilities, garages and fences.
  - a. Visual assessment will include looking for deteriorated paint (chipping, cracking, chalking, or paint that is damaged or separated from substrate), visible dust, paint chips or paint debris.
2. **Paint Stabilization:** If visual assessment indicates there is deteriorated paint and the De Minimis Rule does not apply, then the owner must stabilize the paint as it is an HQS violation.
  - a. Paint Stabilization includes:
    - Repair of any physical defect in substrate of painted surface or building component;
      - Examples of defective substrate conditions include dry-rot, moisture-related defects, crumbling plaster, missing siding or other components not securely fastened.
    - Under safe work practices, removal of all loose paint and other loose material from the surface being treated; and
    - Application of new protective coat of paint to the stabilized surface.
  - b. **Exception:** A participant can move into the unit prior to paint stabilization and clearance when the inspection indicated a lead-based paint HQS violation on the exterior only, and LHA granted an extension due to weather to remedy the HQS violation.
    - Due to local weather restrictions, LHA will grant exceptions on exterior violations during the months of October 1st - April 30th.
    - Any unit granted an exterior exception from October - April must stabilize the unit and pass inspection by June 30<sup>th</sup>.

3. **Clearance** is an examination conducted to ensure the site and unit is safe for occupancy.
    - a. The examination includes visual assessment and dust wipe testing.
    - b. Clearance examinations must be performed by persons who have EPA or state-approved training and are licensed or certified to perform clearance examinations.
    - c. After the owner stabilizes the paint, the owner will need to provide LHA a copy of the findings from the clearance examination and a completed and signed "Lead Paint Owners Certification" to be in compliance with HQS requirements.
    - d. The certification must be provided to LHA prior to occupancy or within thirty (30) days of notification of visual assessment, if already occupied.
    - e. The HQS violation is considered closed when LHA receives an executed copy of the Lead-Based Paint Owner's Certification and a copy of the results from the clearance.
  4. **Non-Cooperation:** Failure to comply with hazard activities and clearance within 30 days (or later if extension granted for exterior surfaces) of notification constitutes a violation of HQS, and appropriate actions must be taken if a program family occupies the unit.
    - a. If the unit is vacant and failed the lead-based paint clearance, the unit may not be occupied by another assisted family, regardless of the ages of the children in the family, until compliance is met with the lead-based paint requirement.
- C. **The De Minimis Rule:** Paint stabilization and clearance is not required if disturbed painted surfaces do not exceed:
1. 20 square feet on exterior surfaces;
  2. Two (2) square feet in any one interior room; or
  3. 10% of the total surface of an interior or exterior-type component with a small surface area (e.g., window sills).
- D. **Procedures for Children under age six (6) with Elevated Blood level (EBL):** EBL is a blood level confirmed concentration of lead in the whole blood equal or greater than 5 ug/dL (micrograms of lead per deciliter). When LHA is notified that a participating child has EBL the following procedures will be used:
1. EBL Reports: LHA must verify all EBL reports by contacting either the public health department or medical health care providers. If the report is from a source other than the public health department, LHA must notify the public health department within five (5) working days. LHA must report to the HUD Field Office and HUD Office of Lead Hazard Control and Healthy Homes within five (5) days of notification of the EBL report. LHA must report to the HUD Field Office and HUD Office of Lead Hazard Control and Healthy Homes within 10 business days of any activity deadlines.
  2. EBL Confirmation: Once the EBL is confirmed in writing from the public health department, the Nebraska Department of Health and Human Services (HHS) or medical health care provider, LHA must have an environmental investigation conducted within fifteen (15) days of receipt of the medical notification. An environmental investigation is not required if the public health department or the Nebraska Department of Health and Human Services (HHS) has already conducted an evaluation between the date the child's blood was last sampled and the date LHA received notification on the child's condition.
  3. Environmental Investigation: The environmental investigation is conducted by the public health department, or LHA must hire and pay for a certified risk assessor. Upon completion of the environmental investigation, LHA will provide a report to the owner and require any lead reduction activities to be completed within thirty (30) days. Environmental

Investigation includes on-site risk assessments to determine the existence, nature, severity and location of lead-based paint hazards.

**4. Owner Procedures:**

- a. The owner must notify building residents of the results of the risk assessment within 15 days of receiving the report from LHA.
- b. The owner must complete reduction of the identified lead-based paint hazards as identified in the risk assessment within 30 days (or date specified by LHA if an extension is granted for exterior surfaces due to weather).
- c. The owner must notify the building residents within fifteen (15) days of the completion of hazard activities.
- d. LHA will consider the owner has complied with the lead reduction activities as prescribed by the risk assessor when the public health department certifies the hazard reduction is completed and a copy of the clearance examination findings and a signed and completed Lead Based Paint Owner's Certification form is provided to LHA.

**E. Owner Responsibilities:**

1. Disclose known lead-based paint hazards to all potential residents prior to execution of a lease and attach disclosure form to the lease.
2. The owner must provide all prospective families with a copy of "Protect Your Family from Lead in Your Home" pamphlet or EPA-approved alternative.
3. Perform paint stabilization using safe work practices according to HUD guidelines.
4. Notify tenants about the conduct of lead hazard reduction activities and clearance when required.
5. Conduct lead hazard reduction activities when required by LHA.
6. Obtain clearance examination on at own expense.
7. Provide LHA a copy of the clearance examination findings and signed and completed Lead Based Paint Owner's certification.
8. Perform ongoing maintenance.
  - a. Ongoing maintenance is a visual assessment by the owner for deteriorated paint and failure of any hazard reduction measures at each tenant change and every twelve (12) months of continued occupancy.
  - b. A written notice must be provided by the owner to each assisted family asking occupants to report deteriorated paint. The notice must include the name, address and telephone number of the person responsible for accepting the occupant's complaint.

**F. LHA Responsibilities:**

1. Keep a record of the disclosure in the tenant file.
2. Provide a copy of the pamphlet "Protect Your Family from Lead in Your Home" or EPA alternative at the tenant briefing.
3. With a trained inspector, conduct visual assessments at each initial and annual inspection on pre-1978 units that will be or are occupied by children under age six (6).
4. Obtain findings of clearance examination and a signed owner certification from the owners for all required paint stabilization or hazard reduction activities prior to passing HQS inspections.
5. Make notation in the "notes" section of the inspectors' rent reasonableness computer software on all units cited for lead-based paint violations requiring a clearance examination and signed Lead Based Paint Owner's Certification prior to passing HQS even if the household does not have children under age six (6).

6. Attempt to obtain names and addresses of children under age six (6) with an identified EBL from the public health department and match with families on the program. If match occurs, LHA will follow the procedure of notifying the owners and conduct a risk assessment within fifteen (15) days.
7. LHA will report at least quarterly to the public health department a list of addresses of units occupied by children under age six (6) unless the public health department indicates otherwise.
8. Maintain a tracking report for all children with EBL until the child reaches age six (6).
9. All records shall be kept for three (3) years.

**G. Exterior Extensions from October 1 through April 30.**

LHA will not require clearance examinations and owner certifications until June 30th for property inspected from October 1st through April 30th and cited for a HQS violation for exterior paint issues.

1. Owners will be sent notification to contact LHA by April 30th if they plan to meet the exterior paint HQS requirements.
2. The owner's Housing Assistance Payment (HAP) will be abated on July 1st if the Owner fails to comply with the exterior painting and/or clearance requirements. The owner and tenant will be notified that the HAP contract will terminate on July 31st if the unit continues in "abatement" during the entire month of July. ## **Section XVIII**

### **Family Self-Sufficiency**

A. **Overview:** LHA operates a Family Self-Sufficiency (FSS) program in accordance with HUD regulations and a LHA Public Housing and Section 8 Action Plan for Family Self-Sufficiency. This Action Plan has been developed and is periodically updated by the FSS Program Coordinating Committee. The Action Plan contains the following:

- Family Demographics
- Estimate of Participating Families
- Eligible Families from other Self-Sufficiency programs
- FSS Family Selection Procedures
- Incentives to Encourage Participation
- Outreach efforts
- FSS Activities and Support Services
- Method for Identification of Family Support Needs
- Program Termination; Withholding of Services and Available Hearing Procedures.
- Assurance of Non-Interference with the Rights on Non-participating Families
- Timetable for Implementation
- Certificate of Coordination
- Optional Additional Information

B. **FSS Escrow**

For the purpose of calculating the escrow amounts for families participating in the Family Self-Sufficiency program, LHA will use 90% of gross income as the current adjusted income. This is equivalent of a standard 10% deduction from gross income and allows a family to earn escrow until the adjusted income is greater than the Very Low-Income limit. This adjustment was made because LHA calculates total tenant payment for MTW program participants at 27% of the gross income, which is equivalent to a 10% standard deduction if calculating TTP using 30% of adjusted gross income.

C. **Addendum**

The Family Self-Sufficiency (FSS) Program will be operated in accordance with the principles of non-discrimination, reasonable accommodations, equal access, and confidentiality as provided in the Introduction to this Section 8 Administrative Plan.

The FSS program will take the following steps to affirmatively further fair housing in the FSS Program:

1. The FSS coordinator position, when vacant, will be advertised widely in the community through newspaper publications, job postings at LHA locations and the LHA web site. In addition, announcements are sent to local colleges, human service agencies, vocational rehabilitation services, community action agencies, ethnic and multi-cultural centers, other housing authorities, senior employment agencies, and the Nebraska Job Service (internet posting), and Workforce Investment Board (One Stop Employment). Records are maintained by the Human Resource Manager.
2. The FSS program will be marketed to all eligible persons including persons with disabilities and persons with limited English proficiency through voucher briefings, display and distribution of program brochures, agency newsletters, and the agency video played on

- community access television. If the program experiences low enrollment, additional steps will be taken through direct mail and increased marketing in newsletters. Waiting list and participation records are maintained in agency databases. Language interpretation services will be obtained for individuals with limited English proficiency. In addition, English proficiency is addressed in the FSS individual training and services plan and progress is documented in the plan. The housing authority publishes a toll free number and maintains service through TDD (Telecommunication Device for Deaf).
3. The FSS program will be offered in accessible locations, including the applicant or participant's home, and communications will facilitate applications and services to person with disabilities. If reasonable accommodations are requested, they will be reviewed in a timely manner and, if determined to be reasonable, they will be implemented. Appropriate auxiliary aids will be furnished where necessary to afford an individual with handicaps an equal opportunity to participate in and enjoy the benefits of the FSS program. Waiting list and participation records are maintained in agency databases.
  4. Through its voucher briefings, LHA provides all voucher participants with information on fair housing. All participants receive a brochure on Nebraska landlord-tenant law as well as the brochure "Fair Housing—It's Your Right" as well as other fair housing materials. Referrals will be made to the Lincoln Human Rights Commission for issues on fair housing and the Commission will give presentations on fair housing at voucher briefings. All voucher participants received HUD Form 903 Housing Discrimination Complaint form which includes contacts for the HUD Fair Housing Enforcement Centers and the Fair Housing Complaint Hotline number.
  5. As concerns or questions of fair housing are discussed during case management, FSS coordinators will help remedy discrimination in housing by providing FSS participants with resource materials and referrals to the Lincoln Commission on Human Rights (LCHR). LCHR is the primary City Agency that has responsibility for the remedy of discrimination complaints brought by individuals. FSS coordinators will also assist any participant with completion of housing discrimination complaint forms. This information will be recorded in case management notes.
  6. For those FSS participants who have a goal of home ownership, LHA offers a program component on home ownership and works closely with the NeighborWorks program and their home buyer education program. The housing authority works with over 1,200 landlords in the voucher program and regularly adds new landlords to expand housing choice to program participants. The housing authority participates in the Moving to Work Demonstration which has as one of its three primary goals to increase housing choices for low income families. The housing authority owns or manages over 1,000 housing units where vouchers are accepted. This includes over 300 housing units developed by the housing authority to expand housing choice for voucher participants

The City of Lincoln and Lincoln Housing Authority work together to affirmatively further fair housing. The City of Lincoln developed a plan from its Analysis of Impediments to Fair Housing. The City of Lincoln will partner with enforcement agencies, fair housing advocates, and lenders to curb predatory lending practices through enacting appropriate legislation and/or providing continuing education. They will work with enforcement agencies, Realtors, and lenders to assist in implementing a voluntary self-testing program to identify and correct discriminatory practices and policies that disparately impact protected classes in the home buying process. The City will also explore and implement innovate means to increase

opportunities for home ownership for immigrants, refugees, persons who are racial and/or ethnic minorities, and other underserved persons.

The City of Lincoln also has a goal to improve and expand the collection and sharing of fair housing and affordable housing information across public and private entities, among housing industry entities, and within the public realm to improve understanding of fair housing laws, encourage reporting of violations, address existing and future housing needs, facilitate implementation of best practices, and reduce discrimination. The City will provide continuing education programs targeted toward housing industry professional, city staff, special needs sub-populations, clients, and the general public. They will continue to hold an annual fair housing conference, tailoring the program to meet the informational needs of different segments/sectors of the housing industry. They will also continue to hold additional informational sessions to improve understanding of needs of persons with disabilities, persons of other cultural and religious backgrounds, and persons who speak languages other than or in addition to English.

  2. Sixty-five (65) Housing Choice Vouchers are allocated to the Homeless Voucher Program with
    - a. 45 vouchers serving families, disabled and elderly: and

## Section XXII Project Based Vouchers

- A. **Overview:** Lincoln Housing Authority may set aside Section 8 Housing Choice Vouchers for Project-Based Housing assistance according to regulations cited in 24 CFR 983.

The number of vouchers converted to project-based housing will be determined based on the housing and service needs within the LHA jurisdiction and the regulations cited in 24 CFR 983. Under LHA's current allocation of tenant-based vouchers, the total cumulative number of Moving to Work tenant-based vouchers to be made available for Project-based units will not exceed 80 vouchers. If additional project-based VASH voucher allocations are made available, LHA may submit an application for the new project-based VASH voucher allocations up to 75 VASH vouchers. LHA will utilize up to 320 project-based vouchers awarded as part of a Rental Assistance Demonstration (RAD) conversion of public housing units or Section 18 disposition conversion to tenant protection vouchers.

- B. **Moving to Work Project Based Vouchers:** Utilizing the flexibility the Moving to Work (MTW) agreement, LHA intends to establish a Project-Based Voucher (PBV) Program that will serve the needs of the city of Lincoln low-income residents who are in need of housing while also serving the needs of the community.

Under the current MTW Plan, LHA intends to:

1. Collaborate with local developers and non-profit housing providers by creating long-term subsidies by means of project-based vouchers, in exchange for the creation of affordable housing for low-income families and individuals targeted to persons with disabilities that receive supportive services in addition to housing.
2. Increase the range of options available to low-income households living in high-poverty areas.
3. Designate up to 80 Moving to Work vouchers as project-based vouchers (PBV) from LHA's baseline voucher allocation.
  - Currently 58 of the MTW tenant-based vouchers are designated PBV for Crossroads House Apartments.
4. Designate up to 75 VASH vouchers as project-based vouchers (PBV) to increase the range of affordable housing units for veterans.
  - Currently 70 HUD-VASH vouchers are designated as PBV for Victory Park Apartments-Lincoln at 445 Honor Drive, Lincoln, Nebraska.
5. Designate up to 320 project-based vouchers in two developments:
  - Mahoney Manor (120 units) and Scattered Site (200 units).
    - The RAD and/or Section 18 disposition vouchers are awarded separately by HUD as replacements for public housing units under a HUD approved public housing conversion.
6. Expand the use of project-based vouchers by increasing the permissible percentage of subsidized units in a single development. LHA will allow more than 25% of the units in a development to be project-based when this will result in the preservation of affordable housing and does not result in an increased concentration of low-income families.

7. Utilize project-based vouchers within LHA-owned properties without competitive bid. This utilization of project-based vouchers is intended to maintain or preserve affordable units designated for low income households.
    - a. Under the MTW Plan LHA has waived the requirement of an independent entity entering into contracts, conducting HQS inspections and making rent reasonableness determinations.
      - Therefore, LHA may conduct inspections, make rent reasonableness determinations and agree to any HAP contract terms on LHA owned or managed property in accordance with the annual MTW Plan.
    - b. LHA waives the requirement to furnish a copy of each inspection report to the HUD Field office.
  8. Allow for project-specific waiting lists to be maintained by the owners or non-profit providers in compliance with agency standards.
  9. Allow unit amendments to the project-based voucher HAP contract beyond the three-year limit.
  10. Allow zero HAP tenants to occupy a unit indefinitely and the unit will remain designated as project-based under the HAP contract.

If the tenant's income decreases with a voucher the HAP payments will be reinstated.
  11. The tenant's rent portion will be calculated using MTW utility allowances:
    - a. Total Tenant Payment (TTP) minus MTW utility allowance equals tenant's rent portion.
    - b. Project-based vouchers in former public housing units will have unit specific utility allowances.
- C. **Program Goals:** LHA has the goals of deconcentrating poverty, expanding housing, and expanding economic opportunities. To work to accomplish these goals:
1. LHA will collaborate with local developers and non-profit housing providers by using Moving to Work Section 8 Housing Choice vouchers as project-based vouchers, in exchange for the creation of affordable housing for low-income families and individuals targeted to persons with disabilities that receive supportive services in addition to housing.
  2. LHA will collaborate with local developers and non-profit housing providers by using project based VASH vouchers, in exchange for the creation of affordable housing for low-income families and individuals targeted to veterans that will receive supportive services.
  3. LHA prefers project-based voucher sites to be located in census tracts with poverty rates of less than 20 percent. Census tract areas with poverty rates above 20 percent will be considered when the site will increase the range of quality affordable housing options in the area.
- D. **Annual Review of PBV Program:** Lincoln Housing Authority (LHA) shall review its portfolio of available vouchers each year to establish priorities for the project-based voucher program for the upcoming year and determine the number of vouchers to be issued. LHA shall design an appropriate allocation process consistent with the annually established priorities and total number of vouchers available for the project-based voucher program for that year.
- E. **Qualified Agencies:** Agencies qualified to participate in the project-based voucher program must either be:

1. A non-profit or for-profit entity with a mission to provide housing and supportive services to low-income disabled or elderly families and individuals; or
2. A division of government mandated to provide affordable housing to very low-income families and individuals.

F. **Selection of PBV Proposals:** LHA has the option to make project-based voucher funding available from any of these three selection processes:

1. **Competitive Process:** The competitive selection process will require LHA to select owners through a competitive Request for Proposal (RFP) process. Specifically, LHA will advertise when applications will be accepted for Project Based Voucher assistance, a selection committee will be established by the Executive Director and the pre-defined selection criteria established by Executive Director prior to the advertisement of the RFP will be used in the selection process. This competitive selection process will only be used as a last resort when the other competitive and non-competitive selection processes do not provide affordable housing opportunities.
2. **Other Competitive Process:** The other competitive process will be used to make funding available in response to a request from owners with housing that is assisted under a federal, state or local government affordable housing assistance, community development or supportive service program that required selection of proposals (e.g. HOME, and LIHTC projects).
  - a. In order to use the “other competitive process”, the original competition should not have used the possibility of future Project Based Vouchers in the original competition process and must have been selected based on the project’s merits at the time of the competition.
  - b. LHA may select owner proposals without a separate competition process as long as the project was selected under the other program competition within three years of the project-based voucher proposal selection date.
    - LHA will require the owner to provide a copy of the approved application from the other program competition.
  - c. LHA has a designated application for those sites who wish to be considered through the “other competitive process” format.
    - Applications will be continually accepted and evaluated based on the availability of vouchers.
  - d. For project-basing HUD VASH vouchers, LHA will consider Enhanced Use Lease (EUL) sites to qualify for the “other competitive” selection process as described in HUD PIH notice 2014-03.
    - LHA will require the developer to provide written proof that the proposed site is an EUL site and has a site approval to develop the project.
  - e. LHA will review and evaluate the Project-based Voucher Owner applications based on the following factors:
    - The project will serve the needs of the city of Lincoln low-income residents who are in need of housing while also serving the needs of the community.
    - The project’s ability to create affordable housing options for low-income families and individuals targeted to persons with disabilities that receive supportive services in addition to housing.

- For VASH project-based vouchers, the projects ability to create affordable housing for low-income families and individuals targeted to veterans that will receive supportive services.
  - The extent in which the proposal furthers the goal of deconcentrating poverty and expanding housing and economic opportunities.
  - The extent in which project-based voucher assistance will facilitate project feasibility,
  - The projects ability to comply with the projected-based voucher regulations as established in 24 CFR 983.
3. **Voluntary Conversion:** LHA may use the Moving to Work Agreement option to voluntarily project-base vouchers in property owned directly or indirectly by this agency without a competitive bid.
- G. **Site Selection Criteria:** The following site selection criteria is required but is not all inclusive:
1. Unit rent must be affordable. Rent is considered affordable when the gross rent (contract rent plus utilities) does not exceed the established payment standard for the program.
  2. In accordance with LHA’s MTW plan, LHA will give preference to those entities that provide onsite-supportive services specifically to serve the chronic and serious mentally ill and/or any property owned or managed by LHA.
  3. When using VASH vouchers the site must enhance affordable housing opportunities for low-income families and individuals who are veterans.
  4. Proposed units must fully meet Housing Quality Standards.
  5. Site must be suitable for facilitating full compliance with fair housing objectives.
  6. Sites must be able to comply with Environmental and Subsidy Layering Review requirements as established in 24 CFR 983.55.
  7. The site must promote LHA’s goals of deconcentrating poverty and expanding housing and economic opportunities.
  8. Complies with the Project Based Voucher site selection standards of 24 CFR 983.57.
- H. **Environmental review:** Project-based voucher projects are subject to environmental review requirements. Prior to execution of a an Agreement to Enter into a Housing Assistance Payments (AHAP) or the Housing Assistance Payment (HAP) Contract, the owner will be required to present evidence that the environmental review has been performed by a qualified entity or, where applicable, documentation that the project is categorically excluded from review under the National Environmental Policy Act (NEPA). The owner will be required to reimburse LHA for any costs associated with obtaining an acceptable environmental review performed by a qualified entity.
- I. **Services Agreements:** Organizations awarded Project-based vouchers with the preference to serve the chronic and serious mentally ill population must execute a Services Agreement with Lincoln Housing Authority, in which the organization commits to providing specific supportive services to their disabled tenants. LHA will require compliance for any supportive services obligations entered into by the family where supportive services are provided as a condition of residency. LHA will audit and/or require annual progress reports certifying the tenants are in compliance with their Individual Services Plans (ISPs).

**J. Preferences:**

1. **In-Place Families:** When units are initially awarded project-based assistance and the selected unit(s) is occupied, LHA will consider these families “in-place” and be given a selection preference for the now-assisted unit.
  - a. The family will be scheduled for an intake interview and given the opportunity to demonstrate eligibility for the project-based voucher.
  - b. At the time of a RAD PBV conversion, in-place families will not be rescreened for eligibility.
2. **Crossroad House Apartments:** In addition to the In-Place Family preference, Crossroads House will have a primary preference for Homeless, Disaster, and Domestic Violence as defined in Section III of this Plan.
3. **Mahoney Manor:** In addition to the In-Place Family preference, Mahoney Manor will have a primary preference for elderly persons age 62 and over and a near elderly preference for persons aged 50 years and over.
  - a. LHA will offer available units first to applicants where the head, spouse or sole family member is age 62 years and over.
  - b. If there are insufficient elderly applicants for a particular vacant apartment, LHA will offer the apartment to applicants who are age 50 years and over.
  - c. LHA will not offer units to persons who are below the age of 50 years.
  - d. Mahoney Manor will have secondary preferences for Homeless, Disaster, and Domestic Violence as defined in Section III of this Plan.
4. **Scattered Site:** In addition to the In-Place Family preference, the Scattered Site development will have preferences for Homeless, Disaster, and Domestic Violence as defined in Section III of this Plan.

**K. Site Specific Waiting Lists/Vacancy Referrals:**

**1. Waiting Lists:**

- a. **Non-profit and For-profit owners** who provide housing and supportive services will be required to establish their own waiting list for project-based units subject to requirements specified in the Housing Assistance Payment contract and/or applicable agency/owner agreements.
  - All new voucher applicants and site eligible families currently on LHA’s tenant-based waiting list will be provided notification of the option to have their name placed on all/any open project-based waiting list.
  - LHA may conduct annual audits on the PBV site’s waiting list and tenant selection process to ensure the site maintains compliance with all PBV program requirements and any provisions specified in the contract agreement.
- b. **Crossroad House Apartments** project-based waiting list: For Crossroads House Apartments, eligible applicants, age 55 or older, will be placed on their site-based waiting list according to the date and time of the application.
- c. **Mahoney Manor** project-based waiting list: Eligible applicants age 50 years and over will be placed on the Mahoney Manor site-based waiting list by bedroom size according to date and time of application and the preferences listed above.
- d. **Scattered Site** project-based waiting list: Eligible applicants will be placed on the scattered-site waiting list by bedroom size according to date and time of application and the preferences listed above.

2. **Unit Offers:** As a unit becomes available for occupancy, the verified, eligible applicant first on the respective waiting list for the available size of unit shall be offered a unit in accordance with the following plan:
  - a. **One Offer:** The owner will offer the available unit to the applicant at the top of the waiting list. The applicant must accept the unit offered or the owner will change the date of the application to the date of the unit offer, effectively lowering the rank of the application on the waiting list.
    - After the applicant has refused two offers, the owner will cancel the project-based voucher application for that waiting list.
    - The offers will not affect an applicant's placement on other waiting lists.
  - b. **Allowable Refusals:** Under certain circumstances the owner may allow the applicant to refuse a unit and remain at the top of the waiting list. If the owner is satisfied that the refusal meets the criteria below, the owner will consider the refusal of the offer to be an "allowable refusal," and will not move the applicant to the bottom of the waiting list.
    - The applicant is willing to accept the unit offered but is unable to move at the time of the offer due to health reasons or because of current lease obligations.
      - A lease requirement for a 30-day notice to vacate does not meet the criteria for an allowable refusal.
      - An inability to move based on finances does not meet the criteria for an allowable refusal. This will be considered the first offer, although the applicant will maintain their position on the waiting list. Once the initial lease obligation or health reason has expired or ended, LHA will make the second and final offer. If the second offer is refused, the owner will cancel the application.
    - The applicant's acceptance of a given unit will result in undue hardship not related to consideration of race, color, or national origin, and the applicant presents clear evidence to substantiate this claim. Examples of such hardship include:
      - The unit is inappropriate for applicant's disability.
      - The applicant does not need the accessibility features in the unit, and the applicant would be able to reside there only temporarily.

**L. Eligibility for PBV Assistance:**

1. **MTW or VASH:** Families selected from the site-based waiting list to participate in the MTW or VASH project-based voucher program must attend an intake interview and complete the intake process in order to be determined eligible for the program.
2. **Non-profit and For-profit owners:** A preliminary eligibility determination will be conducted on-site by the owner or designated staff according to the HAP contract and the signed agreement between the LHA and the owner.

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of maintaining or improving housing opportunities for very low-income families and are reasonably related to program eligibility and the applicant's ability to fulfill their obligations while under lease.

- M. Tenant Screening:** Screening for tenant suitability is the responsibility of the site owner.
1. Applicants for the project-based assistance program must meet the same initial eligibility requirements as applicants for the MTW tenant-based voucher program, unless otherwise stated in the HAP contract and/or applicable agency/owner agreements.
  2. For project-based VASH voucher sites: the applicants will meet the same initial eligibility requirements for the VASH tenant-based voucher program which utilizes the Housing First approach. The Housing First approach means LHA will be limited to considering only the following new admission eligibility requirements for the applicants to the VASH project-based voucher program:
    - Legal Capacity
    - Completion of an Application
    - Income
    - Social Security Number
    - Citizenship or eligible immigration status
    - No household member can be a lifetime registered sex offender
- N. Ongoing Eligibility:** Owners are required to assist participant tenants with completing the annual re-certification process.

  2. The owner must provide LHA with a copy of all of leases for the PBV unit.
  3. Final eligibility and rent portion determinations will be completed by LHA staff.
  4. File audits may be conducted on regular basis for project-based voucher files.
- O. Occupancy Standards:**
1. LHA will apply the same Occupancy Standards in the project-based program as it uses for the tenant-based assistance program unless otherwise stated in the HAP Contract and/or addendums for the specific development.
  2. For public housing units (Mahoney Manor and Scattered Site developments), LHA will apply the Occupancy Standards in LHA's Admissions and Continued Occupancy Policy.
- P. Utility Allowances:**
1. Utility Allowance calculations will be computed for project-based units in the same manner as MTW tenant-based voucher calculations.
  2. For public housing units (Mahoney Manor and Scattered Sites developments), utility allowances will be site and unit specific.
- Q. Inspections/Rent Reasonableness:** HQS Inspections and Rent Reasonableness determinations will be conducted yearly for project-based developments with 100 percent of the project-based units inspected annually. Under MTW Plan activities, LHA is not required to furnish a copy of each Inspection report to the HUD Field office for property owned or managed by LHA.
- R. Lease Agreement and HAP Contract:** The lease requirements and the execution of the HAP contract will generally be the same in the project-based program as it is for the tenant-based assistance program, unless otherwise stated in the HAP Contract and/or addendums for that specific development.

1. **Addition of Contract Units:** A HAP contract may be amended during the three-year period following the execution of the HAP contract to add additional project-based voucher units in the same building or complex.
  - a. Under LHA's MTW plan, LHA may allow unit amendments to a project-based voucher HAP Contract beyond the initial three-year limit.
  - b. The extension for unit amendments will be considered when it is necessary to allow a zero HAP participant to continue to occupy the unit indefinitely and prevent the tenant's displacement from their current residence.
2. **HAP Contract Year, Anniversary and Expiration Dates:** The anniversary and expiration dates for all units coincide with the date that site was originally placed under contract
  - a. The initial HAP contract year is calculated from the first day of the first calendar month of the HAP contract term.
  - b. The annual anniversary date is the first day of the first calendar month after the end of the preceding contract year.
  - c. There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where the contract units are placed under HAP contract in stages (different dates) or units are added by amendment.

**S. Rent Subsidy Contracts:**

1. **MTW:** Rent subsidy contracts are available up to fifteen (15) years for MTW project-based vouchers.
2. **VASH:** If additional project-based VASH voucher allocations are made available, rent subsidy contracts can be established for up to fifteen (15) years for VASH project-based vouchers.
3. **Rent Subsidy:** All rent subsidies shall not exceed the published payment standards as approved in the LHA Section 8 Administrative Plan.
4. **Vacancy Loss/Damage Claims:** When a project-based unit becomes vacant, LHA will not pay the owner Housing Assistance payments to cover vacancy loss. LHA will not pay the owner for any damages to the unit.
  - If any project-based contract units have been vacant for a period of 120 days or more since owner notice of vacancy, LHA will give notice to the owner amending the HAP contract to reduce the number of contracts units that have been vacant for such a period. (24 CFR 983.254)

**T. Moves:**

1. **Overcrowded:** If after initial tenancy, the family is occupying a unit that is too small based on occupancy/subsidy standards or does not have the accessibility features required to accommodate a disability then the family and the owner will be given a proper written 30 day notice to move.
  - a. LHA will offer the family continued assistance in the following order based on availability:
    - PBV assistance in the same building or project;
    - Tenant-based voucher assistance.
  - b. For project-based VASH voucher units, the tenant-based voucher assistance must come from a VASH designated program.
2. **Under-Occupied:** If after initial tenancy, the family is occupying a unit that is too big based on occupancy/subsidy standards or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, LHA will require the family move by their next annual re-examination effective date.

- a. LHA will offer the family continued assistance in the following order based on availability:
  - PBV assistance in the same building or project; or
  - Tenant-based voucher assistance.
- b. For project-based VASH voucher units, the tenant-based voucher assistance must come from a VASH designated program.

**U. Exit Vouchers/Continued Assistance/Family Break-Up:**

**1. Exit Vouchers**

- a. **After 12 Months:** After a household has participated in the project-based voucher program for no less than 12 months and is in good standing with LHA and program requirements, the family may move from the project-based assisted unit and retain federal housing assistance under the tenant-based voucher program.
  - If the project-based unit offers supportive services, the family must be in compliance with their Individual Service Plan (ISP).
  - Lincoln Housing Authority will provide a tenant-based voucher when funding is available. When funding is not available, the tenant will be given priority once vouchers become available.
- b. **Less than 12 Months:** Households who leave the project-based voucher program before one year and/or do not meet the requirements or agreements of the program are not eligible for continued assistance.
  - Exceptions will be made to protect the health or safety of an individual who is, or has been, the victim of domestic violence, dating violence, sexual assault, or stalking.
    - In these circumstances the family may receive a tenant-based voucher, if available, to transfer to another unit even if the move would be in violation of the current lease and the project-based voucher one-year minimum residency requirement.
    - Refer to the Emergency Transfer Plan cited in Section XXVIII of this Plan for the VAWA Emergency Transfer procedures and qualifications.

**2. Continued Assistance:**

- a. **MTW:** Under the MTW project-based voucher program, tenants who occupy a project-based unit with zero HAP may continue to occupy their unit indefinitely, and the unit will remain designated as a project-based unit under contract.
  - The HAP would be re-instated for this unit, if the tenant's income decreases, or if a new tenant moves into the unit who qualifies for HAP assistance.
- b. **HUD-VASH PBV Continued Assistance:** In accordance with HUD notice PIH 2015-10, the following must be implemented when a HUD-VASH family is eligible to move from its HUD-VASH PBV unit and there is no comparable tenant-based rental assistance to offer the family:
  - If a HUD-VASH tenant-based voucher is not available at the time the family wants (and is eligible) to move, the PHA may require the family to wait for a HUD-VASH tenant-based voucher for a period not to exceed 180 days.
  - If a HUD-VASH tenant-based voucher is still not available after the period of 180 days, the family will be allowed to move with a HUD-VASH voucher but LHA will be required to replace the assistance in the PBV unit with a regular

voucher, unless LHA and the owner agree to remove the unit from the HAP contract.

- If after 180 days, a HUD -VASH tenant based voucher does not become available and the PHA does not have sufficient funds available in the “regular” HCV program to attach assistance to the PBV unit, the family may be required to remain in the PBV unit until funding becomes available.
  - When a family member is receiving protection as a victim of domestic violence, dating violence, sexual assault, or stalking and the veteran is the perpetrator of such violence, the victim must continue to be assisted. If the victim has been living in the unit for one year or more, the victim will be given a regular tenant-based voucher, if one is available. If the victim has been living in the unit for one year or more, the victim will be given a regular tenant-based voucher, if one is available. If the victim has been living in the unit for less than one year, the victim will be placed on the regular tenant-based voucher waiting list with a Domestic Violence preference. Refer to the Emergency Transfer Plan cited in Section XXVIII of this Plan for the VAWA Emergency Transfer procedures and qualifications.
3. **Family Break-Up:** In the event of a family break-up by divorce or separation, the designated head of household shall decide who remains in the assisted unit and report the change in household composition to LHA in writing.
- a. No further subsidy is provided to the departing household members, unless directed otherwise by a court of law.
  - b. Exceptions will be made to protect the health or safety of an individual who is, or has been, the victim of domestic violence, dating violence, sexual assault, or stalking, in these circumstances the victim may receive a tenant-based voucher, if available and the tenant has resided in the unit for one year or longer. If the victim has been living in the unit for less than one year, the victim will be placed on the regular tenant-based voucher waiting list with a Domestic Violence preference. Refer to the Emergency Transfer Plan cited in Section XXVIII of this Plan for the VAWA Emergency Transfer procedures and qualifications.
- V. **Project-Based Vouchers in Former Public Housing Units:** LHA will operate these PBV developments in accordance with the HUD RAD Agreement, the MTW Agreement, PIH Notice 2017-03, LHA’s MTW Plan, and any use restrictions following Section 18 disposition.
- 1. **Inspections:** In accordance with the MTW Plan, LHA will conduct inspections and determine rent reasonableness for these vouchers.
  - 2. **Rent Calculation:** LHA will calculate rent in the following way for tenants whose Total Tenant Payment (TTP) equals or exceeds the Gross Rent for the unit (Zero HAP tenants) in former Public Housing developments.
    - a. **Mahoney Manor:** Both existing tenants (pre-RAD conversion) and new tenants (post-RAD conversion) will pay rent based on their TTP up to the Gross Rent for the unit. Zero HAP tenants will continue to pay the Gross Rent for the unit indefinitely until their income decreases or the Gross Rent increases to a point where they qualify for HAP again. A tenant’s portion of rent will not increase above the RAD PBV Gross Rent for the unit.
    - b. **Rent Phase-in/Hardship Policy:** Current public housing ceiling rents are less than the anticipated gross rents at conversion. We have developed the following phase-

in of potential rent increases for households whose TTP exceeds the 2018 public housing ceiling rents:

- At the first scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$25.00.
  - At the second scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay no more than the 2018 ceiling rent plus \$50.00.
  - At the third scheduled annual or biennial recertification following conversion, existing tenants at time of conversion will pay up to the gross rent at the time of the recertification.
3. **Recertification Cycles:** Upon conversion from public housing to project-based vouchers, the family's last public housing annual or interim income recertification will serve as the initial certification for the voucher program. The family will remain on the same annual or biennial review cycle and schedule.

## Section XXIV Veterans Affairs Supportive Housing (VASH) voucher program

- A. **Overview:** The HUD-VASH program combines HUD HCV rental assistance for homeless veterans with case management and clinical services provided by the Department of Veterans Affairs Medical Centers (VAMC).
1. 162 rental vouchers were awarded for Lincoln Housing Authority to administer. 70 have been designated Project-Based and assigned to Victory Park Apartments.

2. If the VAMC determines the family no longer requires case management service the family will be offered continued HCV assistance and transferred to a Housing Choice Voucher, pending funding availability.
- I. **Continued Assistance:** When a family member is receiving protection as a victim of domestic violence, dating violence, sexual assault, or stalking and the veteran is the perpetrator of such violence, the victim must continue to be assisted.

The Family Unification Program will be administered under the Moving to Work policies in accordance with Lincoln Housing Authority's MTW agreement and plan.

- B. **Fair Housing Addendum:** This addendum outlines the reasonable steps the Lincoln Housing Authority will take to affirmatively further fair housing for classes protected under the Fair Housing Act in regards to Family Unification Program vouchers awarded under FY 2009 HUD Notice of Funding Availability. Protected classes include race, color, national origin, religion, sex, disability, and familial status.

1. The Lincoln Housing Authority will take reasonable steps which will include, but are not limited to:
  - a. Identifying and ensuring certification of FUP eligible families and youth that may be on the PHA's waiting list and ensuring that the family or youth maintain their original position of the waiting list after certification.
    - LHA will accept referrals of families and youth, who are certified by the Public Child Welfare Agency (PCWA) known as Nebraska Health and Humans Services (NDHSS), as eligible for FUP assistance.
    - Upon receipt of the referral, the names of the certified families and youth will be compared to the existing Housing Choice Voucher (HCV) waiting list.
      - Any matches will be noted on the existing HCV waiting list plus the FUP applicant name will simultaneously be added and maintained on a separate FUP waiting list.
      - This method will assure that a family or youth already on the HCV waiting list at the time of the referral for FUP does not lose a more preferable (higher) position on the existing HCV waiting list.
    - If a family or youth receives a FUP voucher, they will remain on the Housing Choice Voucher waiting list in accordance with their original date and time of the application.
      - If HCV vouchers are available, applicants will be selected to fill the HCV voucher vacancies based on any preference as established in this plan and on the date and time of the application.
      - A single non-elderly, non-disabled individual will be selected after elderly, disabled and families.
  2. Appropriately placing all FUP eligible families and youth referred from the Public Child Welfare Agency (PCWA) on the HCV waiting list in order of first come, first served.
    - a. LHA will receive a written referral from the local PCWA, known as Nebraska Health and Human Services (NDHHS), and their designated contractors, certifying families or youth who are eligible for the Family Unification Program.
      - If no FUP vouchers are available for the eligible families and youth at the time of PCWA referral, a separate waiting list will be maintained specifically for FUP vouchers.

- Applicants will be selected from the FUP waiting list in accordance with the time and date of the application and served on a first-come, first-serve basis.
  - b. The eligible FUP families and youth will also be placed on Lincoln Housing Authority's Housing Choice Voucher (HCV) waiting list in accordance with their original date and time of their application.
  - c. If the FUP family or youth is already on the HCV waiting list, they will remain on the HCV waiting list in accordance with their original date and time of their application for Housing Choice Voucher assistance.
    - Applicants are placed on the Housing Choice Voucher (HCV) waiting list according to the date and time of the application regardless of the bedroom size.
    - Applicants are selected to fill the voucher vacancies based on any preference and the date and time of the application.
    - A single non-elderly, non-disabled individual will be selected after elderly, disabled and families.
  - d. If a family or youth receives a FUP voucher, they will remain on the Housing Choice Voucher waiting list in accordance with their original date and time of the application.
    - If HCV vouchers are available, applicants will be selected to fill the HCV vacancies based on any preference as established in this plan and on the date and time of the application.
    - A single non-elderly, non-disabled individual will be selected after elderly, disabled and families.
3. Informing applicants on how to file a fair housing complaint including the provision of the toll-free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339.

    - Prior to voucher issuance, applicants are required to attend a program briefing where the Lincoln Commission on Human Rights presents information on fair housing and how to protect your rights.
    - Included at this briefing is a packet of materials that will provide information on how to file a fair housing complaint along with the toll free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339.
  - c. At each annual re-examination, program participants will be provided information on how to file a fair housing complaint and the toll-free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339.

## Section XXVI

### Rental Assistance for Non-Elderly Persons with Disabilities Program

- A. **Overview:** Should Lincoln Housing Authority be designated to receive Housing Choice Vouchers under the Rental Assistance for Non-Elderly Persons with Disabilities Program (RANEPD), this section will describe the fair housing addendum required for this special program.
1. LHA will administer these vouchers in accordance with the Moving to Work agreement and plan, unless inconsistent with Appropriations Act requirements or the requirements of the funding notice.
  2. In the event of a conflict, the requirements of the Appropriation Act and/or funding notice will govern.
- B. **Fair Housing Addendum:** This addendum outlines the reasonable steps the Lincoln Housing Authority will take to affirmatively further fair housing for classes protected under the Fair Housing Act in regards to RANEPD vouchers awarded under FY 2009 HUD Notice of Funding Availability, including any subsequent renewal of these vouchers. Protected classes include race, color, national origin, religion, sex, disability, and familial status. The Lincoln Housing Authority will take reasonable steps which will include, but are not limited to:
1. Identifying and ensuring certification of RANEPD eligible families that may be on the PHA's waiting list and ensuring that the families maintain their original position of the waiting list after certification;
  2. Informing applicants on how to file a fair housing complaint including the provision of the toll-free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339;
    - a. Applicants will be provided information on how to file a fair housing complaint including the information on the Housing Discrimination Hotline and the Federal Information Relay Service.
    - b. Applicants will also be provided fair housing information at the time of voucher issuance.
      - Prior to voucher issuance, applicants are required to attend a program briefing where the Lincoln Commission on Human Rights presents information on fair housing and how to protect your rights.
        - Included at this briefing is a packet of materials that will provide information on how to file a fair housing complaint along with the toll free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339.
    - c. At each annual re-examination, program participants will be provided information on how to file a fair housing complaint and the toll-free number for the Housing Discrimination Hotline: 1-800-669-9777 and the Federal Information Relay Service at (800) 887-8339.
  3. Where requested by an individual, helping program applicants and participants gain access to supportive services available within the community but not require eligible applicants or participants to accept such supportive services as a condition of continued participation in the program;
  4. Identifying public and private funding sources to assist participants with disabilities in covering the costs of structural alterations and other accessibility features that are needed as accommodations for their disabilities;

5. Not denying other housing opportunities to persons who qualify for an HCV under this program other housing opportunities, or otherwise restrict access to PHA programs to eligible applicants who choose not to participate;
6. Providing housing search assistance (24 CFR Section 8.28(a)(3));
7. In accordance with rent reasonable requirements, approving higher rents to owners that provide accessible units with structural modifications for persons with disabilities (24 CFR Section 8.28(a)(5); and
8. Providing technical assistance, through referrals to local fair housing and equality opportunity offices, to owners interested in making reasonable accommodations or units accessible to persons with disabilities.

## Section XXVII Special Admission and Enhanced Voucher Program

- A. **Overview:** Special Admission and Enhanced vouchers are authorized when a housing conversion action occurs.
1. Housing conversion actions occur when existing project-based units are converted to unassisted units.
    - a. In this case, “project-based” refers to various forms of project-based assistance but does not refer to units with project-based vouchers
  2. When Lincoln Housing Authority is authorized Special Admission or Enhanced vouchers, these vouchers will be administered in accordance with PIH Notice 2001-41, PIH Notice 2016-02, and relevant notices thereafter.
  3. The participant will follow the policies established in LHA’s Moving to Work Agreement and Plan.
- B. **Voucher Search Time:** Because special admission vouchers are meant for families who are adversely affected by housing conversions, LHA will issue the voucher for a 90-day period and extend for an additional 90 days if necessary, to locate housing.
- C. **Subsidy Standards:** Under a housing conversion action, LHA will issue an eligible family an enhanced voucher based on the subsidy standards as described in the subsidy section of this Administrative Plan, not based on the actual size of the unit the family is occupying at the time of the conversion.

If the bedroom size of the family’s unit exceeds the number of bedrooms for which the family qualifies under LHA’s subsidy standards, the family is an over-housed family unless the family qualifies for a reasonable accommodation because one or more family member(s) need an additional bedroom.

1. **Over-Housed Families that Move from the Project:** If an over-housed family chooses to move from the project at any time, the normal tenant-based voucher program rules apply to the subsidy calculation for the new unit.
2. **Over-Housed Families that Remain at the Project:** If an over-housed family chooses to remain at the project at the time of conversion or if, as a result of a decrease in family size or change in family composition, an enhanced voucher family subsequently becomes over-housed:
  - a. The family will be required to move to an appropriate-sized unit within the project, if one is available.
  - b. If no appropriate-sized unit is available in the project, LHA will execute a HAP contract for the oversized unit, the family will continue to receive enhanced voucher assistance, and the subsidy calculation will continue to be based on the gross rent for the oversized unit until an appropriate-sized unit becomes available.
  - c. When an appropriate-sized unit becomes available, the family must move within 30 days after being notified by LHA.
    - If there are more over-housed families in the project than the number of available units than LHA will require non-disabled households to move first and then use a random lottery system to determine which over-housed families will be required to move to the appropriate-sized units as the units become available.

- The family and owner will enter into a new lease and LHA will execute a new voucher HAP contract with the owner for the appropriate size unit.
  - The family will retain its enhanced voucher subsidy.
  - Exceptions to the 30-day deadline to move will be granted to households that can provide documentation showing that additional time is needed as a reasonable accommodation. In these instances, a maximum of 30 additional days will be granted.
- d. If a family refuses to move or does not move within the established timeframe as established by LHA to an available appropriate-sized unit, the family will no longer have enhanced voucher subsidy and the normal voucher subsidy formula will be applied in calculating the family's HAP for the oversized unit, and the family becomes responsible for any amount of gross rent not covered by HAP.
- e. LHA will follow HUD guidance regarding owner and HUD notifications as it pertains to over-housed families.
- D. **Minimum Rent:** The enhanced minimum rent requirement is a special, statutory requirement, detailed in PIH 2001-41 Notice, which only applies to enhanced voucher assistance.
1. The family must continue to pay at least the amount of tenant rent they were paying on the eligibility event date.
  2. Enhanced minimum rent only applies to families who remain residing in the project.
- E. **MTW Utility Allowance Hardship (Enhanced Vouchers)** If a household is eligible to receive an "Enhanced" voucher and their utility allowance at their current unit exceeds the Moving to Work utility allowance at the time of program conversion, the Enhanced voucher household will be granted a Moving to Work Utility Allowance hardship.
1. The MTW Utility Allowance hardship will allow the Enhanced voucher household to retain the utility allowance established on the date of program conversion (i.e. lock in the utility allowance), as long as the following two conditions exist:
    - a. The tenant remains in the original unit; and
    - b. The MTW utility allowance is less than the "locked in" enhanced utility allowance.
- F. **HAP Calculations:** The housing assistance payment (HAP) for a family in the project will equal the gross rent for the unit minus the **greatest** of:
1. 27% of gross monthly income; or
  2. The applicable enhanced minimum rent; or
  3. \$50 TTP; or
  4. \$25 MTW minimum tenant rent.

## Section XXVIII

### Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

- A. **Overview:** LHA is concerned about the safety of its participants, and such concern extends to program participants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),
1. LHA allows participants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the participant's current unit to another unit within the same program or served by the same waiting list.
  2. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.
  3. The ability of LHA to honor such request for participants/ tenants currently receiving assistance, however, may depend upon:
    - a. A preliminary determination that the participant/tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking,
    - b. A move is required to protect the health or safety of a family member, and
    - c. On whether or not LHA has an available voucher.
  4. This Emergency Transfer Plan identifies:
    - a. Tenants who are eligible for an emergency transfer,
    - b. The documentation needed to request an emergency transfer, confidentiality protections,
    - c. How an emergency transfer may occur, and
    - d. Provides guidance to tenants on safety and security.
  5. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that LHA's HUD-subsidized rental assistance programs (Section 8 Housing Choice Voucher (HCV), Section Project-based voucher program (PBV) and HUD-Veteran Affairs Supportive Housing program (HUD-VASH).
- B. **Eligibility for Emergency Transfers:**
1. **Eligibility:** A program participant/tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if:
    - a. The participant/tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit; or
    - b. If the participant/tenant is a victim of sexual assault, and the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer; and
    - c. The tenant requests an emergency transfer in accordance with the procedures described in this plan.
  2. **Continued Assistance eligibility**
    - a. LHA will not restrict the timing or the number of moves when:
      - A family member is or has been a victim of domestic violence, dating violence, sexual assault or stalking, and
      - The move is needed to protect the health or safety of a family member.
    - b. LHA cannot terminate a family's voucher assistance solely on the basis that:

- A family moved out of an assisted unit in violation of the lease, or without prior notification to LHA,
  - If such move occurred to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed they were imminently threatened by harm from further violence if they remained in the dwelling unit, or
  - If any family member has been the victim of sexual assault that occurred on the premises within the 90-calendar-day period preceding the family's request to move.

### 3. Family Break-Up

When a family break-up results from the occurrence of domestic violence, dating violence, sexual assault, or stalking LHA will:

- a. Retain voucher assistance for the victim in accordance with the various program regulations cited in other sections of this Section 8 Administrative Plan.
- b. Provide the victim with voucher assistance without having first terminated assistance to the perpetrator.

### C. Emergency Transfer Request Documentation

1. To request an emergency transfer, the program participant/ tenant shall notify LHA and submit a written request for an emergency transfer.
  - a. The tenant's written request for an emergency transfer should include either:
    - A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under LHA's program; OR
    - A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.
  - b. LHA will utilize Form HUD-5383 for this request and make the form available to participants/ tenants.
  - c. LHA will provide reasonable accommodations for individuals with disabilities.

### D. Confidentiality

1. LHA will keep confidential any information that the participant/tenant submits when requesting an emergency transfer, and any information about the emergency transfer unless:
  - a. The participant/tenant gives LHA written permission to release the information on a time limited basis, or
  - b. Disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program.
2. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the participant/tenant.

#### **E. Emergency Transfer Timing and Availability**

1. LHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. LHA will, however, act as quickly as possible to approve a move for a participant/ tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability of a voucher.
2. LHA will treat approved emergency transfers as priority transfers within the same program or waiting list.
3. If a participant/ tenant is requesting to move to a unit in a different program with a different waiting list, LHA will treat that as a new applicant for the property or program who must comply with the requirements of that waiting list.
4. If a unit or program is available, the transferred participant/tenant must agree to abide by the terms and conditions that govern occupancy in the unit or govern participation in the program to which the tenant has been transferred.
5. If a victim requests to move outside of LHA's jurisdiction, the portability regulations apply. LHA may be unable to transfer a participant/tenant to a particular location if a Housing Authority does not administer Housing Choice Vouchers or if a Housing Choice Voucher is not available due to funding limitations or voucher authorization restrictions.
6. ### **Tenant Protection Vouchers for Foster Youth to Independence Initiative**

- A. **Overview:** Through the Foster Youth to Independence (FYI) initiative LHA will provide Housing Choice Vouchers (HCVs) for youth eligible under the Family Unification Program (FUP). The program is designed to prevent and end homelessness among youth with a current or prior history of child welfare involvement. The success of this effort requires that community partners coordinate effectively to identify, target, and connect eligible youth at-risk of or experiencing homelessness to housing and related supports. LHA will work with the Nebraska Department of Health and Human Services, the public child welfare agency (PCWA), and the Coordinated Entry Continuum of Care (CoC) to determine the most appropriate intervention for each young person.

The FYI program will be administered under Moving to Work policies in accordance with Lincoln Housing Authority's MTW agreement and plan.

- B. **Youth Eligibility:** The population eligible to be assisted under this agreement meet the following conditions:

1. Has attained at least 18 years and not more than 24 years of age;
2. Left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 or older; and
3. Is homeless or is at risk of becoming homeless as these terms are defined at 24 CFR 578.3 and 24 CFR 576.2 at age 16 or older.
4. Eligibility is not limited to single persons. For example, pregnant and/or parenting youth are eligible to receive assistance under this notice assuming they otherwise meet eligibility requirements.
5. Supportive Services must be available for the youth, but the youth cannot be required to participate in these services as a condition of receipt of the voucher.

- C. **Lincoln Housing Authority Responsibilities:**

1. LHA will partner with the PCWA.
2. LHA will accept referrals of youth certified in writing by the PCWA as being eligible. Youth not already on the HCV Waiting List will be added.

4. Upon completion of eligibility determination, LHA will request a tenant protection voucher from HUD using HUD's prescribed system.
5. Upon award of the TPV, LHA will conduct a briefing and continue with the regular HCV lease-up process.
6. If the participant fails to utilize the voucher or the voucher turns over, LHA will issue the voucher to the next eligible youth.
