Dear Executive Director,

HUD would like to remind all PHAs administering Mainstream vouchers that [PIH Notice 2020-17](#) provided an opportunity to access CARES Act HAP funding for shortfalls in your Mainstream program. If your PHA was unable to fully fund its December 2020 Mainstream Vouchers HAP payments, please review [PIH Notice 2020-17](#) for details on applying for this funding. All applications must be submitted **no later than Thursday, December 10, 2020**. Please contact your Financial Analyst at the FMC if you have any questions.

HUD would like to thank all of the public housing agencies (PHAs) that applied for new Mainstream vouchers through [PIH Notice 2020-22](#). Due to the high level of interest in serving the Mainstream population, HUD has received more applications that can be funded with the \$150 million made available and will no longer be accepting new applications. Final awards will be announced in the near future.

On Monday, December 14th, HUD will hold the last webinar in the Mainstream Voucher Webinar series, [Leasing During COVID-19](#). Please [register](#) to attend the webinar live. The training will also be posted for playback on HUDEXchange a few weeks after the live session.

Please contact MainstreamVouchers@hud.gov should you have questions regarding the content of this message.

Thank you,

Steven R. Durham
